DIRECTORY LISTING AND ADVERTISING INFORMATION

LIABILITY FOR ERRORS IN OR OMISSIONS OF DIRECTORY LISTINGS

Bell Atlantic - New Jersey, Inc. publishes local White Pages and Yellow Pages directories. The White Pages is an alphabetical listing of homes and businesses by name, address and telephone number. The Yellow Pages lists businesses according to the classified heading for their type of business.

If your main listing in the directory contains an error or is omitted, and if this causes you to lose money, you may be entitled to compensation, up to the limit stated in tariffs filed by your local telephone company. In case of an error, please contact your local telephone company's business office.

If there is an error in or omission of other listings which you have purchased pursuant to tariff, liability is limited to the amount set forth in that tariff.

LIABILITY FOR ERRORS IN OR OMISSIONS OF PAID ADVERTISING

Many businesses purchase advertising in the directory. Publishing your advertising accurately is our highest priority, and we are proud of our track record. However, if we do make a mistake, Bell Atlantic Directory's Customer Service Department is there to work with you to insure that all appropriate steps are taken to correct your advertisement for future issues. In addition, according to the terms of our advertising contract, if we make an error in or omit your advertising, you may be entitled to compensation up to the amount stated in the contract, i.e., your money back plus the full cost of the advertising in question - a double your money back offer. **IF YOU WOULD LIKE A HIGHER AMOUNT TO BE YOUR LIMITATION OF LIABILITY, BELL ATLANTIC DIRECTORY SERVICES WILL BE HAPPY TO NEGOTIATE A HIGHER AMOUNT IN EXCHANGE FOR AN AGREED UPON ADDITIONAL CHARGE, AS SET FORTH IN OUR CONTRACT. IF YOU ARE INTERESTED IN THIS OPTION, PLEASE CALL OUR SALES ADMINISTRATIVE SERVICES AT 1-800-652-2355 FOR MORE INFORMATION.**

HOW TO HANDLE A DIRECTORY LISTING ERROR

We try to publish an error-free directory, but at times we make mistakes.

Please call your local telephone company's business office if you find there is an error in your name or telephone number, or if your listing has been left out of the directory by mistake. This will help them correct their records, so that Bell Atlantic Directory will receive your correct listing information for future directories.

HOW TO HANDLE A DIRECTORY ADVERTISING ERROR

If you find an error in your Yellow Pages or White Pages advertising, please call Bell Atlantic Directory Customer Service on **1-800-652-2355**.

DIRECTORY ADVERTISING BILLING POLICY

Bell Atlantic Directory Services normally bills its Yellow Page and White Page advertisers in monthly installments for one full year of advertising. Advertisers receive their bills through the normal, monthly Bell Atlantic bills.

The time needed to deliver all directories in any given directory coverage area may vary from year to year due to weather or other factors. Some advertisers will have their directories delivered before they receive their bills for advertising in those books, while other advertisers may receive bills for ads in directories before the directories have been fully distributed in their area.

All bills include charges beginning from the same "effective billing date" regardless of when the bill is received. This insures that all advertisers are treated consistently. The effective billing date is typically a date *after* distribution of the directory has begun, but *before* it has been completed. Whether an advertiser receives a bill on the first of the month or the last of the month, all advertisers pay based on the same effective billing date.

Something To Sell? A Service To Offer? If You Have Something To Sell Or A Service To Offer, Here's The Place To Tell About It. Your Ad In The Yellow Pages Gives You Another "Store Window". Call Your Bell Atlantic Yellow Pages Sales Representative For Information About Advertising In The Yellow Pages.

3 CRITICAL QUALITIES YOU SHOULD DEMAND FROM YOUR DENTIST

1. HE SHOULD LISTEN TO YOU

Your needs and concerns are very important to me. I listen to what you have to say. Patient satisfaction is my "#1 Priority".

2. GENTLE PAIN FREE DENTAL CARE OR YOU DON'T PAY FOR THE VISIT!

In my dental office, I have dedicated myself to the art of painless dental care. With general anesthesia (sleeping during treatment), nitrous oxide (laughing gas), warmed anesthetic, tranquilizers, topical anesthesia and a committed staff, dental care will be completely comfortable.

3. REASONABLE AND FAIR COST

I know that your money and time are valuable to you, that's why my goal is "on-time" appointments and "no pressure" financing.

"When you need a dentist, you want a dentist that is truly concerned with your health & well-being. That's exactly the way I built my practice."
"In a calm, relaxed and incredibly comfortable environment, I serve my patients in a gentle and caring way.
Please give me a call at 890-0600. You will be pleasantly surprised & very happy.

- Lawrence Kaplan, D.D.S.

BANKRUPTCY

CLEAR YOUR DEBTS

Chapter 7 - Chapter 11 - Chapter 13

The bankruptcy laws are designed to give you a fresh financial start. You can keep your personal property while reducing or eliminating your debts. Most everyone, even judgement creditors, will be forced to stop harassing you. Wage garnishments will be promptly removed. A repayment plan bankruptcy can allow you to save your house from foreclosure. Even certain tax liability and student loans are dischargeable.

Payment plans are available before the filing and you can refer your creditors to Mr. Fitzgerald's offices so that they stop harassing you at home or at work. Call toll free for a free consultation.
