OFFICE AND DEPOT
—OF THE—
**W. A. ALLEN IMPROVED BUNDLE KINDLING WOOD.**
**No. 1 EXCHANGE PLACE, JERSEY CITY, N. J.**
This wood is prepared expressly for family use and kindling coal fires.
It requires no Fire-lighter to start it. Each piece will burn from a match.
It burns quick and freely and does not smoke. It will kindle a coal fire in half the time required with ordinary kindling wood. It is the best and cheapest kindler in use, and as a Summer fuel it has no equal.
To kindle a coal fire, use according to the printed directions which accompany each bundle. Don't wait for the wood to burn and form a bed of coals before putting on the coal, as it is necessary to do with ordinary kindling wood, but put on the coal before or immediately after lighting the fire. Do this, and we guarantee it to do all we claim for it and give perfect satisfaction. ☞Orders by mail for Jersey City, Brooklyn and New York receive prompt attention.
THE GROCERS KEEP IT.

**WEBER GRAND, SQUARE AND UPRIGHT PIANOS.**

THE WEBER PIANOS are constructed from the musician's standpoint, as well as that of the mechanic; hence these instruments are distinguished from all others by that pure and sympathetic quality of tone that contains the greatest musical possibilities; that consummation of mechanical excellence that admits of the MOST DELICATE AND IMPRESSIVE EFFECTS, while insuring the durability of the instrument; and that uniform superiority that enhances the pleasure of both performer and listener. Constructed from the very best materials and employing only the most skillful workmanship, these instruments combine the highest achievements in the art of Piano making, and are comprehensively the best now manufactured.
