We, the editors of the 1959 Golden C, wish to express our heartfelt thanks to Mr. Frank Spada, our adviser, and Mrs. Burton Longenbach and Miss Dorothy Robinson for helping us to record our memories behind the portals of Cranford High School.

Sincere thanks to Mr. Galen Berkibile, our photographer.

Special thanks to Mr. William Frutchey and Jerry Kotlarz for their photographic contributions.

*Through these portals we pass no more. As we graduate into new worlds, we take with us many truths . . . and this above all . . . that there are many doors still to be opened.*

*May we always find behind them the knowledge and friendships that we have found here at Cranford High School.*
