PEOPLE LOOKING BEFORE AND AFTER USING

HALL'S

Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public, and no preparation for the hair has yet been discovered that will produce the same beneficial result. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean, cures dandruff and humors, and falling out of the hair, and will make it grow upon bald heads except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESSING. For the cheaper preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names, and in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming their own former partnership with some connection with our Mr. Hall and their preparation was similar to ours. Do not be deceived by them. Purchase the genuine, it has never yet been equalled. One Dollar an the Hair, with directions, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle, all others are imitations.
