The Perth Amboy and Elizabethport railroad Co. has organized by the election of Col. A. W. Jones as President, Wm. Paterson, Secretary, and Ashbel Green, Treasurer. The company will proceed at once to run one or more experimental lines and locate the road permanently. It is expected that ground will be broken from the 1st to the middle of November, and the work once commenced will be prosecuted with vigor.

We have received from "The People's Publishing Co.," a copy of "Night Scenes in the Bible." This is an elegant octavo, of no ordinary interest and value, abounding in beautiful thought, glowing description, and evangelical sentiment. The author deserves the thanks, of the public in bringing within the reach of the people a work so much beauty and instruction. It was printed on fine tinted paper, embellished with twelve fine steel engravings and executed in the highest style of the art.

The number of the contributing members of the Order of Odd Fellows in New Jersey according to the statistics submitted at the recent session of the Grand Lodge, held in San Francisco, Cal., [illegible] were 16,000. The largest number of persons initiated in any one year was 40,755 for the 12 months ending July 1st, 1868. The aggregate of the membership of the Order in Europe and America, amounts to over 3,000,000, there being over 50,000 Odd Fellows in Great Britain alone.

The members of the Board of Fire Commissioners were duly assembled at Plainfield yesterday, when the question of the locality of the meeting was referred to the members, and the law was read. All meetings of the Board for the ensuing year will be held at the city seat, and it was thought best by a majority of the members to transact the business. A meeting will be held in two weeks at Elizabeth.

Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color

This hair is then dried, falling hair checked and baldness often, though not always cured, to its use. Nothing can restore the hair where the follicles are destroyed, or the scalp atrophied and shining. But such as remain can be saved, for usefulness by this application. Instead of leaving the hair with a coat upon it, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only be useful but not harm it. It wants no more for a

HAIR DRESSING.

Nothing else can be found so desirable. For sale, neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
