DR. DE VELPAU'S FRENCH PILLS.

Ladies, take Particular Notice.

THE REAL VELPAU FEMALE PILL

THESE PILLS, so celebrated many years for in Paris for the relief of female irregularities, and afterward so notorious for their criminal abortion powers in France, are now offered for sale for the first time in America. They have been kept in secrecy for the reason that they are so powerful in their effects, that unprincipled persons, for the purpose of destroying the fair fame of the Women, Wives, Green Sickness, Fatigue, Pain in the Back, Hysterics, Fits of Mobility Discharges, they seem to be a very valuable remedy in regard to any irregularity, leaving no pain, or any other ill effects from whatever cause may have produced it. Females should not take these pills if they are in a state of pregnancy, as they are certain to cause a miscarriage, but they are invaluable to all other females, to whom they will be a blessing, as they will bring on the menses in a regular manner, and restore the blood. The powerful effect of these pills has caused many unprincipled persons to make a spurious imitation of them, which is injurious to the health of the female who may take them. The genuine Velpau Pills are entirely safe under all circumstances, and can be taken by the most delicate female, and all persons will be dealt with honorably and secretly.

Full Instructions to accompany every box. Price $5 per Box, or Six Boxes for $25. Sent to any address on receipt of the money. Ague Cure,

FOR THE SPEEDY CURE OF

Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Dumb Ague, Bilious Fever, Indeed the whole class of Febrile Diseases originating in Miasmatic Countries.

We are enabled here to offer the community a remedy which is more the cause of cure than any other medicine in the world, and which may be safely relied on to cure the disease in its most obstinate form. Unlike other Fever Medicines, it does not cause Costiveness, but leaves the bowels in a healthy condition. Its not only the best, but the cheapest. The large quantity required by other medicines, and the frequency of their dose, and in bilious attacks, where Ayer's Ague Cure is required but once, or at most twice, the dose is small, and seldom more than one bottle is required to effect a cure. Its virtues are in no way impaired by long keeping, or by exposure to any climate. It is

The National Democrat.
(POLITICAL & FAMILY NEWSPAPER.)
RAHWAY, THURSDAY, NOVEMBER 8, 1866.

The result of Monday's election in Pennsylvania has shed considerable light upon the general feeling throughout the country, and important as it is, it does not come as a surprise to us. The indications for a Democratic victory were so strong, and the advantages of a perfect organization have placed some of the offices which it was hoped for the good of the Union, would be filled by conservatives, in other parts of the State, however, the result has been different and we have gained some ground. Much good enough to give us a majority on all the ballots which have to decide New Jersey's fate in the matter of a change of Senators in place of the Hon. W. Wright, thus giving the lead to party in the Senatorial from New Jersey. Thanks to a majority in the Legislature, we will be able to elect a Democratic Senator in place of Wright, a perfect copy-cated, to party of secession, but a party so far as we know, is not pleased with our lot which possesses that advantage. We hope for Mr. Wright and some others, that the Republicans will be able to clearly reflect a good organization in order to overcome our majority and be able to be ready for a week, or day, before the next Legislature meets, and elect some one to succeed Wright.

A place in the Executive office of the State, and consequently in the city of Trenton, is a place which we know that many had the honor of occupying some time ago, and we were astonished to see that ordinary was brought to bear in influencing a contest because of votes. Secondly, it has been proved in the case of Senator Cortlandt Parker, that he is a staunch Democrat, and that his opponent, James Clark, (the popularity of whom, and his ability is conceded by his friends) was a Republican, and a Republican of the Radical stamp. It was money, corruption and fraud, that carried the day for Clark. Thirdly, in the Congressional District of Ohio, Indiana, a district by 5000 majority, the Democrats have carried the day, and the Radicals have lost their seats. Republican bargain and sale as if their opinion was so much merchandise.

Now for Ohio. Ohio is a state which we carry had the greatest confidence were caught. In the year 1864 we carried the state by 100,000 majority, and we thought we had a good chance to carry it this year, but we have been deceived. Ohio has been presented to the Radicals, and we have lost a Congressman in consequence.

Pennsylvania, however, is a state which we carry had the greatest confidence were caught. In the year 1864 we carried the state by 100,000 majority, and we thought we had a good chance to carry it this year, but we have been deceived. Ohio has been presented to the Radicals, and we have lost a Congressman in consequence.

Better organized. We recommend the Sa[illegible] Democrats to imitate.

But what are we to do, now? Ask the Republicans and deputized Democrats.

We answer, open your eyes, and see the Lord, repentance work will give us a Democratic victory, and bring us the truth and the truth will make us free.

Congratulations and Peace!

To hear a Democrat speak of the Republicans, we would think that they were the Democrats in the country, and that we were the Republicans. Such is the power of the Democratic party, and such is the power of the Republicans, that we have to be Democrats in order to be Republicans.

Vindication and Peace!

(WARRANTED FRENCH.)

THESE PILLS, an celebrated many years are in Paris for the relief of female irregularities and are noted as notorious for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept in a secret manner for the exclusive use of the inventor, Dr. Velpau, a physician in Paris of great wealth and extensive celebrity in the profession, but they should be employed for unlawful purposes. In correcting Female Obstructions, Fainting of the Womb, Whites, Green Sickness, Suppression, Retention, or Immoderate Flow of the Menses, &c., they are sure to be truly omnipotent, banishing upon the first dose pain whatever cause may have stopped them; but they are offered to the public for the above purposes, and all others not forbidden, to wit: them when it is understood that the object is unlawful. Married ladies should never take them when there is any hope of their attaining the blessing of offspring, for they will be sure to produce a miscarriage.

These pills are entirely safe under all circumstances, being composed entirely of sub stances harmless to the system.

Each box has the seal of arms for the City of Paris stamped on the box, with the words "Trade Mark" in French, to counterfeit which is a law in France, and all persons will be dealt with according to law.

☞ Full directions accompany every box.
