HALL'S
Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and its preparation for the hair has yet been discovered that will compare for safe and beneficial results. It is an entirely new article, containing the nutritive qualities of the most powerful and renovating agents in the VEGETABLE KINGDOM. It restores GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and, falling out of the hair; and will make it grow upon bald heads, except in very aged persons, and in such cases it will prevent the gradually by which the hair is nourished and supplied, therefore the hair moist, soft, and glossy, and is unsurpassed as a DRESSING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced some parties to offer imitations for the Hair, under various names; and, in order to induce the trade and the public to purchase, they have resorted to falsehood, by claiming that we have some connection with them, or had some connection with our Mr. Hall, and that our preparation was similar to ours. To not be deceived by them. Purchase the genuine: it has never yet been equalled. Our testimonials, with certificates, sent free by mail, with each bottle has our private. Note that each bottle has our private stamp over the top of the cork of the bottle. All others are spurious.

Have any gentleman or lady of the city, or of any other place, who may be troubled with any form of humor, to call at our office, and we will convince them of the truth of our statement. We will also give such a person a written guarantee that if the use of the medicine is persisted in, and the directions followed, a cure will be effected. We have sold this medicine for over two years, and have never had a single case that we have undertaken to cure but what has been benefited, and the most of the cases in New Haven and vicinity have been cured. We have also sold it in New Hampshire and Vermont, and have never had a single case but what was benefited. We have also sold it in other states, and need to be the greatest. We have sold more than any other three humor medicines in the state

and from all public duty, except in cases of extraordinary emergency.
