NATIONAL DEMOCRAT.

RAHWAY, N. J., NOVEMBER 15th, 1873.

A Farmers' Grange was organized at Elizabeth on Thursday night, and another was to have been formed at Union Village on Friday night, under the auspices of the Order.

We hear that C. T. F. Applegate, of the Monmouth *Inquirer*, recently featured by Hon. Jas. Bradley, has decided to run for Congress in the Sixth District against Mr. Hagner, of Ocean. The Republicans will, we, as much regretted Mr. Bradley's decision, would Republican Senator of Middlesex, although a sick gentleman, and a Democrat, would have a case, for Judge Bradley's name is so well known throughout the state as to need no fame, especially in Middlesex.

Reference to the election returns from the lower parts of the county this fall show very conclusively that party lines are becoming well that instead of voting either party tickets the voters have given their support to men in whom they have confidence.

This can be seen to the great advantage in the number of voters who have cast their votes for such men as Cornelius Garrison, Jacob Lutz, Jacob Van Dorn, Jacob Van Dorn, Jr., Jacob Van Dorn, Jr., Jacob Van Dorn, Jr.,

SUBSCRIBE FOR YOUR MOTHER-IN-LAWS NEWSPAPER

It is a little surprising, that so sensible and generous a class of men as our mothers-in-law should so well understand that we want to get a copy of their sons' or daughters' paper, and yet, for the life of us, we have never been able to get a copy of our mothers-in-law's paper. We feel as if we were cramped in the matter of correspondence, and we know that our mothers-in-law are not getting the benefit of our letters, and we know that they are not getting any news from home, and we know that they are not getting any of our good advice, and we know that they are not getting any of our good jokes, and we know that they are not getting any of our good wishes, and we know that they are not getting any of our good cigars, and we know that they are not getting any of our good money, and we know that they are not getting any of our good anything, and we know that they are not getting any of our good for-nothing, and we know that they are not getting any of our good-for-everything, and we know that they are not getting any of our good-for-something-or-other, and we know that they are not getting any of our good-for-nothing-at-all, and we know that they are not getting any of our good-for-everything-at-all, and we know that they are not getting any of our good-for-something-or-other-at-all, and we know that they are not getting any of our good-for-nothing-at-all-or-everything-at-all, and we know that they are not getting any of our good-for-everything-at-all-or-something-or-other-at-all, and we know that they are not getting any of our good-for-nothing-at-all-or-everything-at-all-or-something-or-other-at-all, and we know that they are not getting any of our good-for-everything-at-all-or-something-or-other-at-all-or-nothing-at-all, and we know that they are not getting any of our good-for-something-or-other-at-all-or-nothing-at-all-or-everything-at-all, and we know that they are not getting any of our good-for-nothing-at-all-or-everything-at-all-or-something-or-other-at-all-or
