DR. VELPAU'S FRENCH PILLS.

Ladies, take Particular Notice.

THE REAL VELPAU FEMALE PILLS.

(WARRANTED FRENCH.)

THESE PILLS, an celebrated many years are in Paris for the relief of female irregularities and are noted as notorious for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept in a secret manner for the exclusive use of the inventor, Dr. Velpau, a physician in Paris of great wealth and extensive celebrity in the profession, but they should be employed for unlawful purposes. In correcting Female Obstructions, Fainting of the Womb, Whites, Green Sickness, Suppression, Retention, or Immoderate Flow of the Menses, &c., they are sure to be truly omnipotent, banishing upon the first dose pain whatever cause may have stopped them; but they are offered to the public for the above purposes, and all others not forbidden, to wit: them when it is understood that the object is unlawful. Married ladies should never take them when there is any hope of their attaining the blessing of offspring, for they will be sure to produce a miscarriage.

These pills are entirely safe under all circumstances, being composed entirely of sub stances harmless to the system.

Each box has the seal of arms for the City of Paris stamped on the box, with the words "Trade Mark" in French, to counterfeit which is a law in France, and all persons will be dealt with according to law.

☞ Full directions accompany every box.

Ladies, each pill has sealed from the eyes of the world, and all persons will be dealt with according to law.
