OUR CITY TICKET.

The delegates to the Democratic convention did a good work on Friday evening last, and showed wisdom in the selection of the much talked-of Republican ticket.

Mr. Bond, the worker, who so ably carried the Third Ward for Democracy, and who has so long and so faithfully served the party, in the Ward and City Committees, was nominated for Assemblyman, and he will be the Democratic candidate against Mr. Van Dorn, the Republican candidate, who was nominated by the Republican convention on Tuesday last. Mr. Van Dorn is a comparatively young man, and a good Democrat, and he will be a formidable candidate against Mr. Bond. Mr. Van Dorn is a good man, and he will be a good Assemblyman if he should be elected, but he is not the man to be elected against Mr. Bond. Mr. Bond is a good Democrat, and he will be a good Assemblyman if he should be elected, and he will be elected. Mr. Bond is a man who has been tried and not found wanting, and he will be elected because he is a good Democrat, and because he is a good Assemblyman, and because he is a good man, and because he will be a good Assemblyman if he should be elected, and because he will be elected.

Mr. Van Dorn is a good man, and he would be a good Assemblyman if he should be elected, but he will not be elected because he is not a good Democrat, and because he is not a good man, and because he will not be a good Assemblyman if he should be elected, and because he will not be elected.

Mr. Bond is a good Democrat, and he will be a good Assemblyman if he should be elected
