WHO IS THE HANDY BOOK CORPORATION?

A business, like an individual, may be known by the company it keeps. You will find below a few of many nationally-known firms who buy from us. That our integrity, merchandise and service must be of the highest quality is assured, or firms like John Wanamaker and Marshall Field & Co., etc., would hardly be among our clients.

The following checks, with one or two exceptions, came in for a single deposit. Other distinguished customers, whose checks did not happen in at this time, are Brentano's, Macey's, and more than a thousand department stores and school and college supply houses over the entire United States and Canada. Through these firms we serve practically every large city and American university, including Harvard, Yale, Princeton, Columbia, Cornell, the universities of Pennsylvania, Michigan, Toronto, Canada, etc., etc.

THIS INSTITUTION

invites your banking business in the confidence that it will handle it as you want it handled, and to your complete satisfaction.

It is our policy always to work with customers upon the assumption that their business is just as important to us as it is to them, and we welcome judgment on the basis of service rendered.

Let us show you what complete facilities, trained organization, and a spirit of friendly helpfulness may mean to you in your banking relationship.

Can people *locate* your product quickly after your *creative advertising* has made them want it? If not, there is still room to

Lower the Cost of Distribution

Failure to connect demand with the local source of supply is the cause of great waste in advertising. Directory Advertising ("Reference Advertising") shortens the path from buyer to seller by putting information about local supply in a logical place for buyers to look.

Professor Cherington said (at the Philadelphia Convention of Associated Advertising Clubs of the World): "—my experience as a consumer makes me feel positive that an enormous amount of advertising effort has been wasted because directories have not been made to serve the purpose which they might serve."

The Publisher of this Directory will gladly co-operate to make *you*

"easy to find"

CHIROPRACTIC

No matter what your ailment is, do not think your case incurable. I have scores who tell me they have been considered incurable, but they can testify to the opposite now after trying Chiropractic. Do not shut your eyes to this great Science, but try it and be convinced that you can be cured.

Consultation free; no cases taken that cannot be benefited.

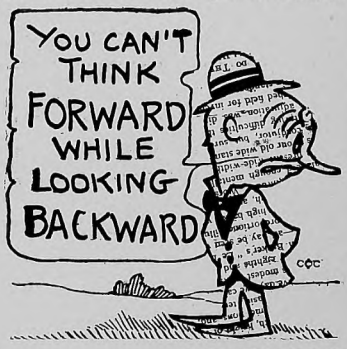
YOU CAN GET WHAT YOU WANT

at this establishment without spending so very much money. We do our work quickly and well, and the fact that we make no over-charges is responsible for our excellent business standing in this community. If you're thinking of moving you would do well to consult us. We are always glad to estimate.



IF YOU ARE LOOKING FORWARD

to having your furniture moved by us we are not a bit backward in telling you that we will do it in a manner and at a price that will move you to appreciation. We have great respect for music—let us move your piano.

THE QUESTION IS

What a little paint will do;
Makes the old look young, that's true,
And a coat on your Old Car
Will make it look 100 per cent. by far
This you can see and not ask why,
Look in our Show Room when you pass by.

COME AND INSPECT OUR WORKMANSHIP AND GET A FIGURE

Are You Easy to find?

Can people *locate* your product quickly after your *creative advertising* has made them want it? If not, there is still room to

Lower the Cost of Distribution

Failure to connect demand with the local source of supply is the cause of great waste in advertising. Directory Advertising ("Reference Advertising") shortens the path from buyer to seller by putting information about local supply in a logical place for buyers to look.

Professor Cherington said (at the Philadelphia Convention of Associated Advertising Clubs of the World): "—my experience as a consumer makes me feel positive that an enormous amount of advertising effort has been wasted because directories have not been made to serve the purpose which they might serve."

The Publisher of this Directory will gladly co-operate to make *you*

"easy to find"

Have Your Real Estate Title Insured by the Largest Institution

of its kind in New Jersey. That institution is the Fidelity-Union Trust Company. It has its own title plant and with its long experience and unexcelled facilities it does this work with the maximum of speed and at the minimum of cost.

When it insures a real estate title only one charge is made for all the work. There are no monthly or annual premiums to pay. Its policies are sound and liberal, and when you hold one it fully protects you and your heirs in case a flaw is subsequently discovered in your title. While you think of it, call, write or telephone
