Only the Best Companies Represented.

Insurance effected at Lowest Rates in Reliable and Safe Companies, and the assured may be sure that the strongest American & Foreign Companies represented by this Agency are those which have been found to be safe and reliable companies with large experience, fair products and such as have shown a liberal disposition in the past.

With eight years practice and experience, knowledge of companies and an acquaintance with the business men of Rahway and vicinity, I trust I may merit a continuance of the patronage so generously bestowed on the past. I know of none who regard placing their insurance in my agency, Correspondence also prompt attention, and full information given. All policies open to public inspection, and the public are cordially invited to examine before insuring, thereby satisfying themselves such are desirable lines.

Hoping these are a sure guide in the correct direction,

Very Respectfully,

N. V. COMPTON,

HOUSEHOLD RECIPES

HOUSEHOLD HINTS

Tongue Mold and tongue sausage, for breakfast or lunch.

A tablespoonful of ammonia in a pint of water will remove grease spots from silk or woolen goods.

Cold water and soap, and not hot water, should be used in washing woolen goods.

Ammonia should be added to the last water in which flannels are rinsed.

Ammonia from the gas works is the best for the purpose.

Ammonia and borax are good for washing woolen goods.
