Bond, Stamp Sales

With a grand total of $47,786.95, the 50 women's organizations, directed by Mrs. Joseph Codella, cochairman, with L. Russell Carlwright, chairman of the Third Rahway War Bond Drive, the women of Rahway did a marvelous work the past week, the highest ever reported by them, with the Ladies' Auxiliary of the Rahway Hebrew Congregation leading the procession by reporting on Tuesday sales of bonds and stamps totaling $25,000.65. Their workers in this splendid job of salesmanship were: Mrs. Sol Bell, Mrs. Fred Steffins, Mrs. S. Katzman, Mrs. Jack Kagan, Mrs. Max Goldub, Mrs. D. Slutsky, Mrs. M. Yoskoff and Mrs. Mort Kamins.

On Saturday the ladies of the Second Presbyterian church, also did an outstanding piece of work, in selling $13,355.55 worth of bonds and stamps, having Mrs. Willard Freeman, Mrs. John Marsh, Mrs. D. A. Carlson, Mrs. J. Reid, Mrs. William Brooks and Mrs. W. J. Mueller as saleswomen.

The Home Reading club on Wednesday of last week, with only Mrs. Jack Reid and Mrs. Madge Macclary at work, accounted for sales of $545.50.

A group of the ladies of the Indian Outing club, Mrs. Cornell Crukshank, Mrs. Wm. Orvis, Mrs. S. E. Lauer, Mrs. Joseph Parkhurst, Mrs. D. K. Pean and Mrs. Harriet Brown, on last Thursday, were able to report sales of $685.50.

Another splendid day came on Friday, for the women of the Ladies' Auxiliary of the Ancient Order of Hibernians, who brought in $6,000.00 in bond and stamp sales. Assisting them in the drive were: Mrs. E. T. Coughlin, Mrs. E. J. Best, Mrs. P. J. Golan, Mrs. John Kaden, Mrs. Mary Magee and Mrs. Arthur Murphy.

A special effort on the part of the Ladies' Auxiliary of the Multivoy-Chimara Post, No. 381, V. F. W., was rewarded on Monday with sales that totaled $1,992.30. The workers in this campaign were: Mrs. Edward Collins, Mrs. Harry Stanton, Mrs. J. C. Austin and Mrs. Norman Hedrick.

The organizations that will have charge of the War Bond Drive the coming week and the days on which they will be found at the booths follow:

Sept. 20—Ladies' Auxiliary, Second Ward Republican Club.

Sept. 22—Manchester Grove, No. 8, Woodman Circle.

Sept. 24—Roosevelt Mother's Club.

Sept. 25—Mother's Club of Boy Scouts, Troop No. 47.

Sept. 26—Mother's Club of Boy Scouts, Troop No. 46.

Sept. 27—Mother's Club of Boy Scouts, Troop No. 40.

Sept. 28—New Comer's Club.

Adjustment Board Opposes Variation

Despite the effort of Judge Orlando H. Day, who appeared before the Board of Adjustment Tuesday night, on behalf of his client, Philip Levy, to obtain the variation of the Residence B zone to permit the erection of a row of eight houses on East Lake avenue, between Thorn and Main streets, the application, opposed by many residents of that vicinity, was denied by the board.

Assessor George W. Goodwill and Building Inspector Fabio Pellegrino gave the history of the proceedings, and declared that Mr. Levy and his representatives were fully cognizant of the zone requirements, before the deal for the property was made, and therefore, could not have been "deceived, misinformed or rushed into buying the property."

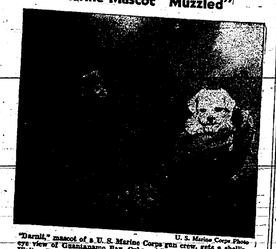
Marine Mascot "Muzzled"



U. S. Marine Corps Photo

"Darnit," mascot of a U. S. Marine Corps gun crew, gets a skeptical view of Chantasamo Bay, Cuba, while being held by Private Walter C. Tuttle, of Ashland, Ohio. Other members of the crew are at the gun's breech to be of service just in case "Darnit" should slip through.

Red Cross Notes

Volunteer Special Services

Nurses' Aide

Any woman between the ages of 18 and 60 with a high school education or its equivalent, can make a real contribution to the war effort by volunteering as a Red Cross Nurses' Aide. The need for extra nursing help, especially during the daytime hours at the hospital is acute. Please call Mrs. Edwin Durand, Rahway 7-1362-R for further information.

Home Nursing

Several classes in Home Nursing are being planned. By taking a Home Nursing course you do not commit yourself to give any service, but you are prepared to help anyone in your own home. With the shortage of nurses this is important. Guard the "Home Front" by taking a Red Cross home nursing course. Call Mrs. Adolph Baumann, Rahway 7-0083, for the time and place of the class most convenient for you.

Home Service

The Home Service committee met Tuesday with Mrs. Edna Best, Red Cross representative of the North Atlantic Area Home Service corps. After October 1 our Home Service corps is employing a full time secretary. Until then the office at City Hall, room 210, will be open Monday through Friday from 3 to 4 p. m. for help and advice any member of the armed forces and their families.

Nutrition

Classes in Nutrition and Canteen work will be held, if 15 volunteers will enroll in each class. Please call Miss Josephine Raub at the High school for registration.

Production

New assignments for our Sewing department consist entirely of work for hospitals. New items are bedjackets, bedside bags, bedroom slippers, etc. There is also a large number of kit-bags for the Navy, the Army and Navy. Work at headquarters will be resumed Monday, September 27, and there are still several items remaining to be completed from the last quota, many workers are needed.

Close Boy Scout Summer Camp

Successful Season, But Not As Well Attended As Last Year

The Union Council Boy Scout summer camp, located near Marcella, opened its 1942-season on July 11 and remained open for five weeks, closing August 15.

A total of 409 Scouts attended camp. Two troops from Rahway attended camp: Troop 40, sponsored by a Mother's club and Troop 46, sponsored by the First Baptist church. Troop 40 had eight Scouts that attended and Troop 46 had nine Scouts. These Scouts were under the leadership of Joseph Schuster, Scoutmaster of Troop 46.

The central staff of the camp was composed of 11 qualified leaders. These were: William L. Ross, of the local council office, camp director; William R. Benkert of Springfield, nature director; Francis Davis, Elizabeth, truck driver; John Clark, Elizabeth, waterfront director; Charles Miller, Elizabeth, assistant waterfront director; Fred Knapp, Elizabeth, quartermaster; Richard Horner, Elizabeth, assistant quartermaster; Paul Shubeck, Elizabeth, senior patrol leader; Martin E. Mullins, Roselle, chief; Herbert Nikols, Linden, handy man; and George Angelbeck, Linden, handy man.

The provisional unit was operated a little differently than last year. Instead of having one leader serving at the Scoutmaster throughout the season, it was necessary to have different leaders for the period for which they could come. They were: First week—William G. Smart, field executive of Union council, Boy Scouts of America, and Frank Dorland, Elizabeth, commissioner of Elizabeth, west district; second week—David C. Gordon, Elizabeth, chairman of center scouting, who also was the leader for the third week, and Fred Beck, neighborhood commissioner of the Roselle—fourth week—Earl W. Denman, Cranford, council commissioner, and Everett VanBatcom, neighborhood commissioner, Elizabeth, east district; neighborhood commissioner of the Roselle district.

A vigorous program was carried out. Opportunities were created in which the Scouts could develop their skills in outdoor living. A strenuous program of hiking, led by William Senkert, and swimming program led by John Clark was carried out each week. At the same time attention was given to proper nutrition, rest, and the health and safety of each boy in camp.

We are glad to report that there were no serious accidents. Dr. Kirchner, an interne from the St. Elizabeth hospital came to the camp on Sunday and Wednesday of each week.

Scout advancement in the troops was particularly emphasized with the following results: Twenty Scouts completed second class requirements; 20 Scouts completed first-class requirements; 176 merit badges were completed; 84 Scouts were taught to swim; and 192 Scouts passed the 100 yard swim.

The 12th part of the Scout Law, "A Scout is Reverent," was observed with Protestant, Catholic and Jewish services each week.

This year site number three was moved to a new location. Much of the moving was done prior to the opening of the season, but much in clearing out underbrush and building a road and entrance into the site. This new site is high and dry, relatively free of stones, which will probably make it one of the most popular sites.

While the attendance at camp was not what it should have been or what we had hoped for, it is quite possible that there will be a marked increase in attendance next year, if world conditions are such that will permit the camp to be operated.

Recreations and Legion Teams End Twelfth Inning with Tie Score

Coach Hoagland Hopeful of Team

May Accomplish What is Unexpected in Game With Summit Sat.

Coach Earl Hoagland is hoping the unexpected will happen in the game on Saturday at 2:30 with Summit, on their field, when he tries out his almost brand new first string High school football eleven.

Imbued with more enthusiasm than science, he has known of new teams that have done the unheard of and almost impossible, and he says it would not hurt his feelings in the least if that happened Saturday.

He has been putting the boys through mighty strenuous practice the past two weeks, and the boys are beginning to get the hang of it and to realize what they are expected to do, even if they do not always realize it, though he feels they are far from a seasoned team.

When Coach Hoagland was asked for a lineup for the Saturday game he said it was still far from his mind, and that he might not have it arranged until Saturday, but when pressed for a possible lineup, as he now saw it, he reluctantly gave out the following, subject to change all the way through:

Robert Searles, one end.
Pete Hagner or George Ruddy, the other end.
Mike Tilsen, tackle.
Frank Ciarracchi or Robert Stoneberger, the other tackle.
Martin Leone, guard.
John De Stefano or William Howard, the other guard.
Robert Golden or Emil Lovas, center.
Louis DeCaetto, back field.
Eugene Handy, back field.
David Dutton, back field.
Tony Sarcia, Robert Mathison, or Walter Gage, back field.

The next game a week from Saturday, will be with Morristown, also away from home.

Recreation Club Has Winter Program

The Rahway Recreation club, that turned out a champion team in the Inter-County Baseball League the past season, will be found in the field again next spring, according to action that was taken by the members of the club at a meeting on Thursday night, when the following officers were elected:

Frank Charnigo, president; Raymond Duffy, vice president; James Bonner, treasurer; Ray Hollingshead, secretary.

For the winter, active interest will be maintained with bowling and basketball teams.

Twelfth Victory For Freddy Russo

Twelve victories in thirteen starts, with the thirteenth a draw, is the record of Rahway's ace boxer, Freddy Russo.

On Wednesday night of last week he was pitted against Charlie Noel, of Brooklyn, at the Twin City Bowl, and while he had him going several times, he was unable to put him down for the count.

Noel was able to take the beating Freddy gave him and come back for more, though he sought protection by clinching and hanging on whenever the blows began to rain down a little too heavily.

Bill Washburn Still Tennis King

The mens' singles' tennis title in the Elizabeth Town and Country Club remains in the hands of Bill Washburn, who successfully triumphed over all opposition over the week-end, in both the semi-finals and final rounds, and on Sunday teamed up with Jack Weeks to annex the doubles' crown, in straight sets, 6-4, 6-3, 6-2.

F. G. Chandler was Washburn's opponent in the singles' final, losing by scores of 6-4, 6-3, 6-0. In the semi-finals on Saturday Washburn defeated Sterett R. Brandon, 6-0, 6-1, while Chandler eliminated Alden Johnson, 6-1, 7-5. Prevost gained the semi-finals by putting on Tex Lamason, 6-3, 6-2, and Johnson by a 6-4, 6-2 win over Everard Pinneo.

Washburn and Weeks won in love sets over Lamason and Pinneo, in their doubles semi-final, while Durie and Smith upset the top-seeded team of Chandler and Provost, 8-6, 6-3.

Play in the club junior tournament advanced Sunday to the quarter-finals.

Pingry High Team Of Good Old Timber

With a backfield quartet of last year players, two first string guards, two first string ends and a second stringer, Reese Williams, coach for Pingry High school, is making no complaint at all about the prospects before him of an excellent football team this year.

If Tad Pingry seems to be about the most favored school in the Conference, insofar as old material is concerned. His herd of 35 colts is not as heavy as he would like, averaging slightly under 150 pounds, but he declares they are "fast, hard hitting and versatile."

To conserve heat, tape the upper sash of all widows, and both sashes of windows that will not be used.

Annual Horse Show Next Sunday

Seventeenth Meet Promises Showing as Good as Any in Recent Years

Postponed from last June when the pleasure driving ban was revived, Watchung Riding and Driving club will present its seventeenth annual horse show all day Sunday, September 26, at The Union County Park Commission's Watchung stables, Summit, using the large riding ring in front of the stables for flat and open jumping class and its noted outside course for hunters.

Basic plans of last spring's show have been retained, while some new classes have been added to make it a full-day show, starting at 10 a. m. and continuing without a formal recess. According to the committee's estimate the last class should enter the ring at 5:30 p. m.

Norman Woolley, of Mountainside, is chairman of the show, and William Amo, of the Union County Park commission, at Elizabeth, is acting secretary.

Late entries may be posted with Mr. Amo, at the park commission's Administration building, Elizabeth, or with Mrs. Ruth W. Tully, acting manager, at Watchung stables, Summit, Col. D. Douglas Voigt, of Westwood, will judge hunter type horses, hack classes and hunters and jumpers, while Mr. and Mrs. F. E. Robinson, of Summit, will judge saddle horses and saddle horse type riding. Summit Post No. 138, American Legion Fife and Drum Corps will perform.

The show schedule includes: Five local horsemanship classes, including the Simpson Trophy class for the Girls Troop and a similar class for boys; four open horsemanship classes for members of AGHA and Morris-class events; several events for saddle horses; pleasure hacks and Western horses; seven hunter and jumper competition, including stakes and championships; and a fine harness class.

Roselle Coach Has Troubles Too

Coach Orlan Rice, of Roselle High, finds he has about the poorest outlook this fall for a football team that he has had in the 13 years he has been coach there. He has five letermen, but none of these have had much experience in the fine points of the game, or on the short punt formation or the plays springing from the single and double wing style of playing which Rice maintains.

His first game will be on Saturday at home with Dover. The Thanksgiving Day game will be with Roselle Park.

Regional Eleven May Have Surprise

Regional High expects to have a football team in action this fall that will go places. Although we are informed the Bulldogs have not won a game in two years, they have tenaciously hung on, until now they believe they have a bunch of real players that will carry them well along in the season's parade. Regional will play Bound Brook on Saturday, in its first game of the season.

Earl R. Walter Coach at "Y"

Earl H. Walter, basketball coach at the Rahway High school, was named part time physical director at the Y. M. C. A., at a meeting of the Y. M. C. A. directors on Thursday night. Several applications for the position of general secretary were considered, but no appointment was made.

The bowling alleys of the Y. M. C. A. will be opened on Monday, September 27, when the City league schedule starts with nine teams.

Miss Drexler Heads Bowlers

The Rahway Recreation Women's Bowling league opened the season on Monday night with Harriet McFarlane, chalking up a 507 for the best three games and Zena Hanson hitting 178 for high individual game. Team eight took three games and hit 2226 for the best team total, while the Bells registered 719 for high game. The league elected Miss Eva Drexler president; Mrs. Josephine Schmidt, vice president, and Mrs. Edna Hanson, secretary-treasurer.

New Gas Ration Books Coming

Be Sure You Have Applied For Same; Old Ones Out November 21

The Rahway Rationing and Price Control board is making final arrangements for renewal of the basic "A" ration books for gasoline. The old ones expire November 21, 1943.

Any person who now has a basic ration "A" book for a vehicle which is registered and in use and wishes to apply for the continuation of that ration for the same vehicle must follow this procedure.

Each applicant for a renewal should obtain a copy of OPA R-570 form from a local bank, an automobile agency, or at the office of the Rationing board in the City Hall. These will be available on and after September 27. Part "A" will be the application form while part "B" will be the new tire inspection record. Fill in completely and carefully all the spaces enclosed within the heavy borders on both Part "A" and Part "B". It is particularly important that the name and address be printed or typed in both the upper right hand corner and lower left hand corner of Part "B" shows that at least one tire inspection has been made and approved, and your speedometer reading. Tear off the back cover of your basic "A" ration book and be sure your signature and address are in the spaces provided therefore.

These three documents are then to be mailed to the Rationing board in City Hall.

Averages 235 For 16 Games

Marty Cassio, who is to bowl Buddy Bomar, of Chicago, 64 games for $2,000 average 235 for 16 games played over the week-end. The first 32 games will be rolled on October 30 and 31 at Palacio's Coliseum, Port Richmond, S. I., and the second series of 32 at Chicago, November 8 and 9.

In the practice group that was rolled Cassio hit 200, 204, 256, 229, 297, 203, 225 and 267 for 1,881, and in the second group, with only four pins difference the score was 246, 277, 256, 196, 184, 225, 214 and 279 for 1,877.

Fall Picnicking Still Delightful

There hasn't been much our parks could publish about picnicking this past summer, except to urge residents to picnic in the areas nearest their homes. But now that many motorists are out on the highways each Sunday again, it has been noticed that picnic areas in even the county parks are being crowded to capacity.

No finer time of year can be found than late September and early October for enjoying a meal cooked in the out-of-doors. Now is the time to go on some of those picnics you may have had to postpone during July and August. Dinner out regulations require that all outside fires be out at dusk.

Leaders of large picnic parties planning to hold picnics in the next few weeks should make advance reservations with the recreation department at the park office.

Family groups may prefer to take their chance on finding an area available without making reservations at this time but to make certain that you will not be disappointed such reservations are most desirable.

Mrs. Anderson On Nature Walk

The second nature walk of the fall season, sponsored by the Trailside Museum committee, will take place this Sunday, September 26, starting at 3 p. m., from the Trailside museum near the nursery area in the Watchung Reservation.

Mrs. George Anderson, of Westfield, will lead the group, discussing "Ferns and Grasses" during the journey.

All nature-minded persons are invited to go on this walk.

Honors Divided in Contract Bridge

Honors were evenly divided between Mrs. Adolph Ulbrich, 856 Hamilton street and Mrs. Bertine Teichman, of Roselle Park, who recently won the contract bridge championship played at Atlantic City by New Jersey, New York and Philadelphia players. The contest was the twelfth annual tourney.

No Playoff will be Arranged Both Teams of Equal Merit

Recreations Make Their Scores The Hard Way, One At A Time; Legionnaires Get Theirs The Fourth and Fifth

There is plenty of evidence, from the scorebook, to indicate that the Union Legion and the Recreation teams are both worthy to be labeled champion baseball teams.

While some of the players nearly came to blows, as the result of a little too demonstrative a tag on the part of Abales of the Legion, in the 10th inning, in Sunday's game, yet the score resulted in five runs for both sides at the end of the 9th, 9th, 10th, 11th and 12th innings, and Umpire Joe Kelly, Sr., concluded it would be just as well to leave it a tie game, for that would provide something for both teams to work for when another season comes around.

Urban, for the Legion, struck out five and Tropps, for the Recs, struck out six. The Legion made its five runs in the fourth and fifth. Shupper started out with a single to the left, followed by a single from Bassano. Shupper scoring, with Jones, DiNicola and Chaillet going out, one, two three.

In the fifth, with a pair of singles by Hicks and Fitzgerald, followed by a pass to Abales, and a single by Shupper, aided by two errors at short, the gate swung wide and Hicks and Fitzgerald rushed home. Then chances were given Konon and DiNicola, and with the bases full, Abales and Shupper loped in.

The Recreations got their runs the hard way, forcing them in one at a time. In the first, Bonnor was walked, Hollingshead was out and Searles struck out. In the second, Kelly, Duffy and Charnigo walked, forcing Bonnor home. Duffy and Lathrow were out.

In the third, Kelly was out to first, Oldfield walked, Charnigo struck out, Duffy singled, Lathrow walked, Oldfield stole home and Murphy struck out.

The next three scores came in the sixth, seventh and eighth. Murphy was given a pass in the sixth, Tropps was out to Hicks, Bonnor was out to Fitzgerald and Hollingshead and Kelly singled, Murphy reaching home, Hollingshead was out at second.

Oldfield singled in the seventh, Charnigo out, Abales to Konon, Duffy out to left field, Latherow singled, Murphy walked, and Tropps singled, Oldfield scoring. Latherow retired the side, being put out stealing home.

In the eighth, Bonnor made home, after being walked and Hollingshead singled, Kelly out at first, grounder to Urban, Oldfield going the same route.

It was in the tenth that the little fracas occurred that sent Hollingshead, with his nose in the dust, at third. Abates was somewhat irritated by Hollingshead coming down from second and after tagging him, finally ended the session by shoving him over onto his face. This brought Manager Jack Cloe, Umpire Kelly and others to that corner, the umpire concluding that he had been accosted.

Some of the members of both teams desired another game, but it was finally decided to lay the championship on the shelf until another season.

Horseshoe Tourney At Warinanco Sun.

There is still time to enter the Seventeenth Annual Union County Horseshoe Pitching tournament, scheduled for the courts in Warinanco Park, Roselle and Elizabeth, on Sunday, September 26.

Entries close at Friday noon, September 24, with George T. Cron, acting superintendent of recreation, at the park commission office in Warinanco Park.

The number of classes depends on the number of entries received. The highest 10 qualifiers will be in Class A. The next 10 in Class B, etc.

All contestants will qualify at 10 a. m. by pitching 50 shoes, and the tournament will begin at 12:30 p. m.

Men residing or employed in Union county may enter. The winner and runner-up in each division will receive a suitable award.

"Many Hundreds" of Warplanes in First Year of Production

Left—Avenger torpedo bombers in the final assembly bay in the Trenton, N. J., plant of the General Motors Eastern Aircraft Division. Upper right—At the Linden plant the final assembly line is alive with Wildcat fighters; lower right—the same view a year ago showing the company's first plane.

WASHINGTON—NAVY CONGRATULATIONS TO GENERAL MOTORS are voiced by Rear Admiral Ralph E. Davison, Acting Chief of the Bureau of Aeronautics, for the company's "splendid record of achievement" during the last year in turning out "many hundreds" of warplanes which have contributed much to Naval aviation's victories.

General Motors, which on Feb. 24, 1942, began conversion of five former automotive plants, produced its first plane in September just a year ago. Now the Eastern Aircraft Division is turning out in a single day as many Wildcats and Avengers—the latter described by the Navy as the finest torpedo bombers in the world—as it produced in a week only a few months ago. Production in the last six months is nearly 1,000 per cent greater than it was during the previous six months, while its original contract has been bolstered 130 per cent.

In a message to the workers and management of the division, Rear Admiral Davison said: "In the twelve months which have passed, the Eastern Aircraft Division has built and had accepted by the Navy many hundreds of Wildcat fighter and Avenger torpedo planes. This is a splendid record of achievement and is the finest way of backing the attack and making it possible for the Navy's forces to bring a quick end to the war."

LET'S GO!

HERE'S THAT INVASION YOU WANTED!

Now, let's get things straight.

"You don't know who I am. Maybe I'm *your* son, or brother, or buddy—maybe not. But I am the soldier who'll get the equipment *your particular* Bonds will buy.

"Do *you* get a new *suit*, or a permanent wave, or whatever it is you're looking to spend money on... or will you help pay for the tools to do this job for you?

"O.K. then—*show me*—Buy Bonds to the limit!"

* * *

You're in this INVASION. It's as simple as that.

Uncle Sam needs 15 billion dollars this month to pay for this INVASION... and there's no *easy* way out. If it's not a *sacrifice*, you're not doing your part. 10 per cent isn't enough—15 per cent isn't enough. *Nothing* is enough but *every last cent* you can turn into fighting War Bonds.

You're not *giving*, American—you're *investing*. Investing in freedom, investing in a clear conscience, investing for future security.

And it's the *soundest* investment anyone ever made.

You'll have the money to educate your children, build your home, buy a car, when the war is won.

The *least* every American can do to put this over is to buy an extra $100 Bond in September. But that's the *least*—you can be counted on to do your level *best*, can't you? Get those War Bonds *now*—buy them out of income, buy them with idle, accumulated money—*but buy all you can*—and be glad to be an American!

Headaches For Many Taxpayers

Millions Surprised to Find Withholding Tax Not All They Must Pay

Millions of citizens are just beginning to wake up—with a shock—to the realization that the 20 per cent deduction that is being taken from their pay envelopes and turned over to the U. S. Treasury is not all they will have to pay on their 1943 Federal income tax account. On the contrary, they will owe the government considerably more when the year is over. "While there is a general misunderstanding among taxpayers that they are automatically current in their tax payment—actually in rare instances only will this be the case," writes Harley L. Lutz, Professor of Public Finance at Princeton University, in The Tax Review, a publication of the Tax Foundation.

The impression that the withholding tax is all that the Treasury will demand from taxpayers for 1943 is not the only erroneous notion that exists regarding the law enacted in June and which was supposed to be so simple. As Professor Lutz stresses, very few people know that the "pay-as-you-earn" law did not repeal, modify or replace the essentials of the 1942 income tax law; neither did it do away with the nuisance of filing a tax return next March; nor did it relieve the taxpayer of the obligation to pay the Victory Tax, although its collection by withholding was discontinued after July 1.

What people are going to hate just as much as paying more taxes than they expected to have to pay on their 1943 income, is the making out of the March 15 return—that perennial headache which nearly everyone thought had been obviated. The average taxpaying citizen—and there are about 44,000,000 of them—will have a worse time of it than ever in filling out the return next year due to the innumerable complexities, inconsistencies and absurdities with which he must juggle in his attempt to comply with the law. Professor Lutz predicts a revolt "against the foolish and needless reporting, computing and other paper work involved and against the deception involved in implying that the tax at its source had put a large number of persons on a current basis."

The headache has already started for about 15,000,000 persons who had to file an estimate of income for 1943 by September 15. Another such declaration relating to income for 1944 will be due on March 15. It means that the taxpayer is only on an "estimated" current tax basis. He can pay as he earns only to the extent that he is good at guessing what his income will be and equally good at figuring the tax on his "guesstimated" income.

Congress could simplify the whole business, according to Professor Lutz, by doing three things, namely: (1) absorb the Victory Tax into the withholding rate; (2) designate the withholding rate as the normal rate; and (3) eliminate the requirement to file a year-end return by the average wage earner or salaried person.

"There is every reason to believe that the *few* simple suggested changes would sustain and consolidate the good will toward the income tax which was generated by the inauguration of the pay-as-you-go principle," writes Professor Lutz. "On the other hand, the obvious complications of the existing tax structure must inevitably produce ill will. In a time when all citizens must be asked repeatedly to bear steadily increasing taxes, every precaution is worth taking to prevent a normal resistance to needless confusion and red tape from developing into a resistance to the taxes themselves."

As popular dissatisfaction with the hodge-podge provisions of the pay-as-you-go plan mounts higher and higher, there are some of the nation's lawmakers who already see that something ought to be done to stem this tide of resentment. Whether anything will be done about it remains to be seen; but much of the dissatisfaction would be obviated by the simple changes suggested by Professor Lutz.

Flame Cutter Helps Beat Axis

LIKE A master signature decorates this huge flame cutting machine, under the guidance of a single operator, cuts eight tank sprockets at one time. Developed by the Fisher Body Division of General Motors, the machine not only is a time saver but has resulted in considerable tool conservation. A guide sprocket, located in the center of the machine, serves as a pattern as illustrated in the above photograph. Most of the metal cut from the center section of the sprockets is utilized in making other parts, further increasing efficiency over the old method of casting and machining. The sprockets, cut from plate steel, are used on the M-4, or General Sherman tanks, and M-10 tank destroyers.

Bill Caldwell An Early Riser

Tells of Full Day While On Duty, but "Liberty 2 Out of 3 Days"

The Rahway Record is in receipt of another interesting letter from Bill Caldwell, whose address is: Sp (A) 1-c, U. S. N. R., Athl. and Rec. Dept. Unit H, pool 4, U. S. Naav Tr. Stat., Newport, R. I.: Editor Rahway Record:

The last time I wrote I was at Bainbridge and at my last assignment there I went through the Physical Instructors school.

It is claimed that this is the only school or branch of the Navy in which a man can jump rates in so short a time as six weeks.

This is understood since you go through "hooks" all over again, excepting "shots", with a few flourishes added.

We're up at 4:30 and have full 30 minutes of running and exercises then we "square" the barracks and go to chow.

After chow we check the barracks and surrounding grounds and then are off to classes.

The classes include the following: 5 one-hour periods of elementary boxing, wrestling, judo, tumbling, life boating, disarming, bayonet practice and rifle shooting, 20 hours of swimming and aquatic warfare; lectures on naval administration, rules of the road, rules and regulations, first aid, seamanship, gunnery, weather conditions, drill on the field, emergency drills, aircraft identification, and tests on the above, plus tests on the Bluejackets' manual.

At the end of six weeks I found myself with a specialist (A) 1/c, with a cute bundle of chickies in the form of a 6 pound 10 ounce baby girl, Barbara Lynne.

I was transferred to Newport (Naval Training station in Rhode Island and was really amazed and pleasantly surprised to meet Joe Sanzone, S 2/c, attached to the Athletic and Recreation Dept., who is taking an A. & R. course and will have a Sp. (A) rating in a short time; Ed Hoffman, Cmlfy Cherry—in training for Conrad; Mos. and Bob Montgomery, torpedoman, S/c, instructor in the torpedo school and Jack Crahan, sent to Norfolk for school police training.

When I arrived here I was assigned to pool I as a swimming instructor and believe it or not you really learn a lot from these boys.

Starting with 250 to 300 non-swimmers for every 1,200 men, we wind up with 10 to 15 non-swimmers at the end of their six weeks' training. The 10 to 15 are usually terrified with fear of water and prospect of jumping off a 5-foot tower or else they have no coordination at all. Tomorrow we'll have our first swimming meet.

Well Editor, its time out for work and so I'll finish this at the next opportunity.

The meet has been changed to Monday night, since there will be a USO show here tonight.

Today I met a boy named Hilton, and Russ Hoagland from the ol' home town.

How's the R. H. S. football team they have?

Until my next letter, just keep 'em informed.

Your friend,
/Bill Caldwell.

Picnic Instead Of Annual Clambake

Instead of the announced clambake the Elks had announced, at the Rahway Gardens, East Hazelwood avenue, for Sunday, a picnic was arranged and attended by more than 250 members and their families. Besides a basted dinner a program of games, contests and entertainment was provided for both old and young.

Among those present were: Freeholder Clifford B. Gehring, Undersheriff Alex Campbell, Fire Commissioner Finnan, of Elizabeth, Judge David Needell, James J. Kinnealy, County Bridge Inspector Charles Lieb and Assessor George W. Goodwill.

Frank Arlington furnished a number of vocal selections, and Harry Ero and William M. Hilbert instrumental numbers. In a foot race, Harry Collins defeated William Kocsch.

Postmaster Martin F. Gettings was general chairman, assisted by William P. Weber, Edward Ebner, Albert H. Jeambey, John Perr, Joseph P. Dunn, George W. Goodwill, James Garthwaite, Charles Wefel, Eugene P. Keane, Martin W. Weth, William P. Shields, Charles Walch, Chris Richardson, Paul Fehr, Sidney Harris, James DeCicco, C. G. Schutt, Albert Roll, Rocco Romeo, F. A. MacVicar, John Rosenthal, William Kocsch, Floyd Preston, Erville Madison, Benjamin S. Ring, Arthur Koehler, Harry Collins, William E. Moore, George Knapp, Anthony Greer, Carlton Knight, Herbert Moore, Henry A. Burmeister, Loud Minsky.
