STREET GUIDE AND DIRECTORY

OF

HOUSEHOLDERS OF THE ORANGES

EXPLANATORY NOTES

In the Street Guide residences and places of business are designated by their street number, and are arranged in numerical order.

The streets are arranged in alphabetical order and the intersecting streets are given at the proper number where they intersect. In cases where no intersecting number could be given the street intersection is dropped. In cases where streets are not numbered the householders are arranged in alphabetical order.

Names are given of all business houses and householders.

The word vacant after a number signifies that the house or store at that number was vacant when canvass was made.

A dash (—) signifies that no number has been assigned.

The abbreviation r between the street number and the name signifies "rear."

* Denotes parties having telephones.

BERTL

starts with the same spirit for the coming year to please his patrons as forty-four years ago

TO invest a part of earned money was the main principle of Andrew Carnegie.

One of the surest investments today are good

DIAMONDS

Ingersoll sometime ago made the dollar famous and at this time ∴ ∴ ∴ ∴

DIAMONDS
are making BERTL famous

No inferior stones are sold.

Most perfect or very slightly touched is BERTL'S slogan for his Diamonds.

Don't fail to inspect the five show windows filled with a wonderful stock of fine, select Diamonds, Solitaires, Barpins, and other Ladies' and Gent's Jewelry, at BERTL'S known most reasonable prices.
