I would like to thank you for bowling in the 49th Annual New Jersey State Tournament. Without you this tournament would not be the success that it is. As you know this tournament is being run under the auspices of the American Bowling Congress.

The American Bowling Congress would not be as strong as it is without your participation. New Jersey has always been among the leaders in the American Bowling Congress. Let us keep it this way.

As president of the New Jersey State Bowling Association, I wish you good luck and a lot of good bowling.

RANDALL A. ROSS, President
