I am deeply grateful to you, the bowlers who are participating in this, the 51st Annual New Jersey State Tournament.

My gratitude is twofold; one as President and second as tournament director. We of Passaic County, are most appreciative to the cooperation given us for our first endeavor in a State Tournament. This entry is not the best by far, but it is something we are not ashamed of. We are thankful to the other associations for their assistance and help.

As for me personally, it has been a very exciting year and it is now coming to a close, but I have something that I shall always remember.

I want to thank you all for your entry into this tournament. I hope you score well and that God will allow you to be around so you may participate next year and many more years to come.
