Flower Garden Course At Rutgers Feb. 23-27

NEW BRUNSWICK—First sign of spring—even before the arrival of the first robin—is the Rutgers university announcement of the dates of its annual short course in flower gardening.

This is scheduled Feb. 23 to 27, with lectures from 9 to 12 a. m. and laboratory demonstrations from 1 to 4 p. m. on the five days.

The unit course in flower gardening is one of the most popular offered at the state university. Dr. Charles H. Connors estimates that more than 2,000 men and women have taken it in the 20 years he has directed it. Many of these persons have returned to garden clubs to conduct seminars on the subjects they have studied.

Again, top members of the college of agriculture staff will lecture and give demonstrations. Subjects will range from soil management and an explanation of how plants grow, through propagation methods, pruning, garden arrangements and methods of dealing with diseases and insects.

Enrollment is limited to 140. A course description and application is available from Dr. Frank G. Hebard, director of resident instruction at the college of agriculture.

Red Bank's First Aid Squad Made 754 Calls in 1952

James N. Dolg, captain of the First Aid and Rescue squad of the Red Bank fire department in 1952, last week submitted a report of the squad's activities to Councilman Harold Hurley, chairman of the fire committee.

The three ambulance organization answered 754 calls, including 343 emergencies, 130 emergency transportations, 165 transportations, 74 fire calls, including drills, and 42 miscellaneous. It represented a total of 664 hours and 50 minutes for the ambulances and a total of 2,437 hours, 36 minutes for squad members. In all the ambulances traveled 7,553.4 miles.

Included in the statistics were: 234 siren calls, 119 police radio, 57 oxygen usages, 59 auto accidents, 32 other accidents. Firemen assisted 90 times, police 44 and nurses two. Calls to other municipalities included Little Silver 61, Shrewsbury 44, New Shrewsbury 31, Atlantic township 41, Middletown township five and Fair Haven ten. The squad made 18 calls to out-of-county hospitals, including New York and Pennsylvania.

This year's officers are Charles R. Knoll, Jr., captain; Samuel Scalzo, first lieutenant; Frank Loversidge, second lieutenant; Mr. Knoll, secretary, and Edward Keefe, treasurer.

PROTECT yourself when you buy a new Du Mont Teleset and buy *only* from a Franchised Du Mont Dealer. This is your only way of being sure that you are getting a television set that has not been tampered with by unauthorized persons—that your Du Mont is as perfect as when it left the factory.

YOU ARE PROTECTED BY LAW! The Barnes Law specifically forbids the removal, alteration or concealment of serial numbers on television sets. Yet, just this is done. Why? To hide the fact that the set may have come from a questionable source—not from an authorized distribution channel. To hide the fact that the set may be damaged or

that valuable parts may have been removed. Or to hide the fact that the set may be second-hand, or reclaimed.

Remember this law. And remember that you can receive the Du Mont Factory Warranty *only* if you buy your set from a Franchised Du Mont Dealer. And *only* if the serial number plate is on the chassis of your set. Your Du Mont Dealer will be happy to show you this plate when you buy your Teleset.

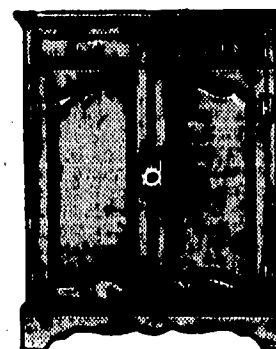

TO BE SURE you are purchasing your Du Mont Television Receiver from a Selected Franchised Dealer, such as those listed below, always look for this sign which is prominently displayed in his store.

Lawyer Heads Easter Seal Fund

Leon Anshelewitz, Asbury Park lawyer and former police magistrate of Belmar, will be chairman of Monmouth and Ocean counties for the 1958 Easter Seal campaign of the New Jersey Society for Crippled Children and Adults. This was announced today by Earl S. Miers, society president.

The Easter Seal campaign will open Mar. 5 and continue through Easter Sunday, Apr. 5. All 1958 Easter Seal campaign letters to Monmouth and Ocean county residents will be signed by Anshelewitz, and the letters and enclosed Easter Seal will be mailed during the first week of the campaign.

Objective of the appeal is to raise funds to help meet the unmet needs of crippled children and adults in this state as well as to provide support of the society's present year-round, state wide program of treatment, rehabilitation and other services. More than 3,000 physically handicapped persons, including the cerebral palsied and persons with epilepsy, are assisted through the Easter Seal society's program in this state.

Anshelewitz, who is a partner in the law firm of Anshelewitz and Barr, 730 Cookman ave., Asbury Park, also was chairman of the Monmouth and Ocean county area in last year's Easter Seal campaign. He has served as acting chairman of the board of trustees of Temple Beth El, general committeeman of district three of B'nai B'rith, treasurer of Shore Lodge 1685, B'nai B'rith, and a member of the USO committee in the shore area.

A graduate of Dickinson law school, Anshelewitz is a member of the Monmouth County Bar association, Jordan Lodge 347, F. and A. M., Asbury Park Post 30 of Tall Cedars, and Asbury Park Elks. He formerly was chairman of the shore area for the United Jewish Appeal.

Anshelewitz, who conducted an active campaign for the Easter Seal society last year, hopes to continue expansion of the Easter Seal appeal in the shore area this year.

Questions and Answers To Vets' Problems

Q—I'm planning to study law, and also take a bar review course, under the Korean GI Bill. What do I put down on my application form?

A—You should list both your objectives—which probably will be Bachelor of Laws degree and the bar review course. You must list both in order to get both.

Q—I want to get a GI loan to buy a house. What is the largest amount of money I may borrow from the bank?

A—The size of the loan depends entirely on the amount of money your bank or any other lender is willing to lend. The only limit is on the amount of guaranty that VA can issue on the loan. That limit is 60 per cent of the loan up to a maximum of \$15,000.

Q—I am getting retirement pay from the armed forces. Is it possible to pay premium on my National Service Life Insurance policy by allotment?

A—Yes, provided proper arrangements are made with the service department from which you are receiving your retirement pay.

Q—Before I went back on active duty, I was going to college under the World War II GI Bill. I'm about to be discharged, and I want to know whether I can continue with my studies under that law.

A—You will be permitted to resume your training under the World War II GI Bill, provided you begin within a reasonable period after your discharge. Also, your conduct and progress must have been satisfactory while you were in school before, and you must have GI entitlement remaining.

Red Bank Man Fined \$25 for Disorderliness

Samuel Jackson, 153 Catherine st., Red Bank, was fined \$25 and given a 30-day suspended sentence Monday morning after being found guilty of a disorderly charge by Magistrate John V. Croull.

The complaint was made by Martha North, also of 153 Catherine st., who charged Jackson beat her with his fists Friday night. Jackson pleaded not guilty. He admitted striking the complainant but said she had hit him first. Jackson was arrested early Saturday morning by Patrolman Charles Crouch.

Course Is Slated For 125 Police

ASBURY PARK — A maximum of 125 police from Monmouth county have been invited to take instruction at the fourth session of the Asbury Park Police academy, starting next Wednesday.

Sgt. Frank H. Rowland, director, 500 First ave., said there will be a large range of subjects covered in the weekly sessions, to be held each Wednesday night at the Asbury Park high school. Applications, he said, should be addressed to him.

Instruction will cover firearms marksmanship, safety and laws, and, probably, traffic, chemical warfare, disaster control, bomb reconnaissance, arson investigation and identification.

Among the instructors will be George A. Gray, Red Bank councilman and assistant prosecutor for Monmouth county.

Sgt. Rowland said that while the course is open to all regular police, police reserves and auxiliary police, all selected must be endorsed by the chief of police, mayor or local director of civil defense in the community where they reside. There will be no tuition for the course, but all attending must bring their own writing materials to class.

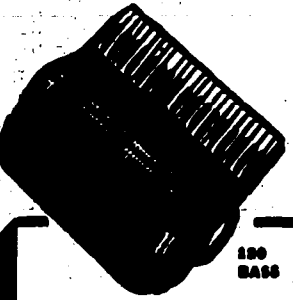

Beadleston, Carton, King Round-Table Speakers

Provisional members of the Red Bank Junior Service League Wednesday night of last week heard Assemblyman Alfred N. Beadleston of Shrewsbury, Mayor Lawrence A. Carton, Jr., of Middletown township and Councilman Garrison King of Rumson speak on state and local government.

Speaking at a round-table discussion at the YMCA, Mr. Beadleston dwelt particularly on the state crime commission and the re-apportionment of the assembly. Mr. Carton told of the township committee form of government and Mr. King recounted the administration of the mayor and council form. Mr. Beadleston said he has introduced a bill to raise more than \$10,000,000 through extra taxation of the heavy trucking industry. One of the biggest problems facing the state, he said, is the raising of \$80,000,000 needed for additional state aid to education.

The speakers called for continued interest on the part of citizens in all levels of government.

Reid Describes Benefit Payments

ASBURY PARK — Any person who has been in work covered by social security continuously since Jan. 1, 1951, and is now 65 years old or over, is now insured and eligible for benefit payments, if he retires, J. Herbert Reid, manager of the local office said today.

The 1950 changes in the social security law make it possible for many persons in the newly covered groups to qualify for retirement

benefits for the first time, Mr. Reid said. These groups include self-employed, regular domestic workers, regular farm workers, and others.

To get payments based solely on work brought under the law as of January 1951, these wage earners and self-employment persons must be covered by social security for at least six calendar quarters—about a year and a half—after 1950. The size of their monthly benefit payment will depend on the average monthly wage from employment or income from self-employment after 1950.

Benefit payments to a retired worker will range from \$25 to \$55

monthly. Monthly benefits to a retired worker and his wife would range from \$37.50 to \$127.50 monthly.

Mr. Reid suggested that persons anticipating retirement talk their situation over with the local social security office. Their retirement date might be important in deciding the amount of future benefits. He also stated that informational pamphlets describing the new amendments are available in his office without charge. "It's important," he said, "that everyone who is covered by social security be familiar with their rights and privileges."

Allen Stern to Take Exam for Promotion

RUMSON—Mrs. Alice Stern of this place has been advised that her son, Allen B. Stern, this month will take a test for third class petty officer as an aviation ordnance man.

A member of the Coast Guard's air detachment in Honolulu, Stern is a graduate of Rumson high school, where he excelled in baseball. Formerly a member of the Navy baseball team he will play baseball this spring with a Coast Guard team.

PITTSBURGH WALLHIDE

RUBBERIZED-SATIN FINISH

It's Rubberized

- To go on quickly and easily
- For amazingly fast drying
- For repeated washing and scrubbing
- To withstand rugged wear
- For lasting beauty and protection
- For non-cracking flexibility

GLIDES ON WITH AMAZING EASE
Anyone can do a satisfactory job in applying Wallhide Rubberized Satin Finish by brush, roller or spray. No brush pull is noticeable. It Glides On!

CLEANS IN A JIFFY
Its non-porous surface prevents dirt and soot from penetrating. Stubborn stains, grease, crayon, mercurchrome, ink spots, lipstick, or finger smears can be wiped off with minimum effort. Even repeated scrubbing will not harm its rich sheen. Local spot washing will not "shine up" the washed area.

SMART FOLKS—THOSE BUICK ENGINEERS!

They've made the 1953 BUICKS 87 ways better

OUR hat's off to the men who made the 1953 Buicks what they are—the greatest Buicks in fifty great years.

They came up with a new kind of V8 for the SUPER and the ROADMASTER — a brilliant V8 Engine with a long list of engineering "firsts."

They redesigned the F-263 Fireball 8 for record horsepower and compression in the spirited Buick SPECIAL.

They kept every inch of room in the roomiest six-passenger Sedan in America — and still shortened its turning radius considerably.

They did new wonders with the wonderful Million Dollar Ride. They stepped up visibility, comfort, handling ease, control.

And men! — what they did with getaway!

They dreamed up, designed and developed a new Twin-Turbine Dynaflow Drive* that whisks you away quick as a wink — and just as smooth, almost as silent.

In fact, no other car in the world gets away with all the combined quickness, quiet and smoothness of a Twin-Turbine Dynaflow Buick.

Wouldn't you like to see for yourself just how great these Golden Anniversary Buicks really are? Drop in soon—we'll be happy to do the honors.

Thornton Pleads On Theft Counts

FREEHOLD—Charles Thornton, Jr., 29 Church st., Eatontown, pleaded non vult Friday before County Judge John C. Giordano on charges of stealing from two service stations.

He is accused of taking \$50 in property from Angelo's station, Catherine st., Red Bank, and \$17 from Louis Mior's station, rt. 35, Eatontown, Jan. 10 and Jan. 15.

A not guilty plea was entered by Ernest Wadley, Jr., Little Silver, to a charge of taking mortgaged

property from the county. He is charged with disposing of two refrigerators, three trucks and a station wagon between Jan. 1951, and January of this year. They were mortgaged to Jack Frost dairy, Belleville, for \$2,949.

Thomas McKettrick, Jr., 304 Park ave., Union Beach, also pleaded not guilty to setting a grass fire early last year on Broadway, Union Beach.

Another not guilty plea was entered by John E. Clayton, R. D., Eatontown, to theft of \$18 in beer from M. Rosenfeld's warehouse, Neptune City, Oct. 28 and escape from that borough's jail the same date.

It pays to advertise in The Register.

Farm Agent Offers New Crop Leaflet

FREEHOLD—Field Crop Recommendations for 1958, latest edition of a free leaflet that has long been popular with New Jersey farmers, is now available from the county agricultural agents.

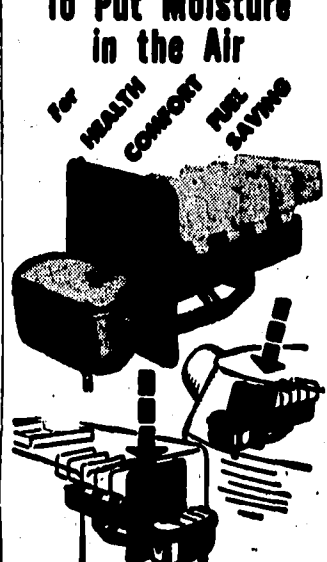

Prepared by members of the farm crops department at Rutgers university, the publication brings together latest recommendations for growing field crops in New Jersey. Information on varieties, seeding rates, fertilizers and grass-legume mixtures are found in it.

This year's leaflet has a brief introduction by William H. Allen, secretary of the State Department of Agriculture. There is also a review of the national seed situation as seen by Carlton S. Garrison, former farm crops specialist at Rutgers, who is now with the Bureau of Plant Industry, U. S. Department of Agriculture. He heads the national seed stocks organization of the U. S. D. A.

The agents have a copy of "Field Crop Recommendations" for anyone who requests it.

\$391,500,000 Gross Value Of Farm Products Last Year

TRENTON—The gross "on-the-farm" value of products raised by New Jersey farmers during 1952 is estimated at \$391,500,000, almost equal to that reported for 1951, according to preliminary figures from the New Jersey crop reporting service. The estimate indicates a decrease of \$4,200,000—about one per cent—from the 1951 value of \$395,700,000.

Eggs remain New Jersey's top-ranking product, accounting for \$111,800,000 of the total 1952 gross value of production. However, the value of this commodity declined about six per cent from the previous year's \$118,500,000. Poultry meat, ranking fourth with a value of \$38,800,000 and eggs together made up approximately 37 per cent of the total value.

The value of crops, which includes vegetables, fruits, hay, grains, nursery stock, etc., rose about 2.7 per cent, from \$151,000,000 in 1951 to \$155,100,000 in 1952. Offsetting this increase was a decline of 3.4 per cent in value of livestock and livestock products, which includes eggs, milk, poultry and meat animals, from \$24,700,000 in 1951 to \$23,400,000 in 1952.

Milk again ranked second, with a value of \$99,800,000 or about 18 per cent of the total gross value of production, a slight increase over 1951's \$99,200,000 vegetable, ranking third showed a decrease in value from \$80,400,000 in 1951 to \$77,000,000 in 1952, about six per cent.

The greatest increase in value was in white potatoes, which accounted for \$11,100,000 of the 1952 total. This represents an increase of \$3,100,000 or 39 per cent over 1951's \$8,000,000. White potatoes, in ninth place, replaced tree fruits, which were valued at \$9,400,000 in 1952.

Nursery and greenhouse products ranked fifth this year, showing an increase in value from \$25,000,000 in 1951 to \$27,000,000 in 1952. Grains were valued at \$26,700,000 in 1952, slightly more than in 1951, berries at \$7,700,000 in 1952, about 28 per cent more than in 1951, hay at \$15,100,000 and miscellaneous crops at \$1,100,000.

Sunday School Class Marks 38th Anniversary

KEYPORT — The 38th anniversary of the founding of the Delta Alpha Sunday school class of the Baptist church here was marked Thursday at a dinner at Ye Cottage inn.

Miss Dora Thorne, retiring president, introduced Mrs. William Zaulich, who will be installed next month. Mrs. Raymond Crammer told of the organization of the class in 1915. The late Mrs. F. T. B. Reynolds taught the class until 1919, and Mrs. W. F. Stanhope has been class teacher since then.

Mrs. Harry Crawford was in charge of the program and Rev. Joseph R. Faith, pastor of the church, led devotions. James Goldie presented a chalk illustration of the 23d psalm, and Mrs. Goldie and Mrs. Richard Applegate sang "The Lord Is My Shepherd." Mrs. Everett Poling was accompanist.

Others present were Mrs. Faith, Mr. Crammer, Mr. and Mrs. Frank Thomas, Mr. and Mrs. Arthur Lyle, Mr. and Mrs. John Goldie, Mr. and Mrs. Frank S. Harwood, Mr. Poling, Mrs. Stanhope, Mr. and Mrs. G. Fred White, Mrs. Lena Hyer, Mrs. Edward Cuttler, Mrs. G. V. Schaffer, Miss Henrietta Robinson, Mrs. Richard Rowe, Mrs. Frederick Fredericks, Mrs. Mildred Dunham and Mrs. Matthew McClung.

Johnson Herd Leads in Milk

FREEHOLD—The 57-cow herd of Byron Johnson of Allentown led in volume milk production with an average 971 pounds of milk per cow in the December report made by the county extension service to members of the Monmouth County Cooperative Dairy Herd Improvement association.

Robert Johnson, extension service supervisor, also listed Mr. Johnson's cow, D50753, as top producer among the association's herds for the month—with 2,070 pounds of milk.

The farm of F. G. Rue & Sons of Imlaystown nosed out the Johnson herd for butterfat production last month. The Rue total was an average 36.6 pounds for that dairy's 34 cows. Mr. Johnson's milk contained an average of 35.2 pounds of butterfat. The cow, Patcha, owned by Everett Newman, Jr., of Holmdel, gave the month's top individual butterfat production—83 pounds. Right behind Patcha was Riboss—a regu-

lar record maker—from the farm of George Stevens of New Shrewsbury.

In judging the records of the improvement association's five top herds Mr. Johnson reported this result for December:

High herds in milk production—Mr. Johnson's 971 pounds; D. T. Newbold's, Colt's Neck, 920 pounds; F. G. Rue & Sons, 914; R. Freiberger's, Allentown, 864; and Joseph W. Taylor's, Freehold, 762 pounds.

High herds in butterfat—Rue's, 36.6 pounds average; Johnson's, 35.2; Newbold's, 34.4; Taylor's, 33.6; and Stevens', 31.3 pounds.

Individual milk production—Johnson's D50753, 2,070 pounds; Newman's Crisco, 1,934; Newman's Patcha, 1,977; Freiberger's Buckie, 1,957; and Johnson's D60704, 1,915 pounds.

Individual butterfat—Newman's Patcha, 83 pounds; Stevens' Riboss, 82.1; Johnson's VC1981, 78.8; Rue's Forsgate, 76 and Newman's "14," 75.3 pounds.

Performance is Credited
Word from the American Guernsey Cattle club, Peterborough, N. H., discloses that Hominy Hill Bridget, a two-year-old cow, milked

three times a day for 245 days last year, gave 12,947 pounds of milk and 642 pounds of butterfat in 1952. Bridget is a cow owned by Henry D. Mercer of Colt's Neck—one of 55 sons and daughters of the bull Fairlawn Peerless Dictator that are listed in the performance register of the American Guernsey Cattle club.

Statement on County Budget

FREEHOLD—The following explanatory statement has been issued by the Board of Freeholders in connection with the 1953 budget, which appears in legal form in today's issue of The Register:

A Statement Concerning the 1953 Budget of the County of Monmouth

There is a substantial increase in the operating budget of the county of Monmouth for 1953. The 1953 Total Oper. Ex. \$4,091,784.41. 1952 Total Oper. Ex. \$3,835,543.07.

\$ 256,241.34

A copy of the recapitulation sheet of the budget showing the amount of the total budget, each operating division and showing where the increases are, is as follows:

1952	1953
General government	\$ 401,397.30
Judiciary	\$ 404,830.29
Regulation	\$ 118,062.54
Roads and Bridges	\$ 229,606.06
Charitable and Correctional	\$ 1,844,727.86
Educational	\$ 61,511.26
Unclassified	\$ 133,348.50
Contingent	\$ 8,000.00
	\$ 4,091,784.41
	\$ 3,835,543.07
	\$ 256,241.34

In the remainder of the budget the appropriation for the capital improvement account, debt service and mandatory items are as follows:

1952	1953
Debt service	\$ 726,139.00
Mandatory items	\$ 538,201.00
	\$ 1,264,340.00
	\$ 5,356,124.41
	\$ 5,099,883.07
	\$ 256,241.34

Grand total \$5,356,124.41

1952 \$5,099,883.07

Total increase \$256,241.34

Increase in operating budget in 1953 \$256,241.34

Increase in debt service 87,878.00

Total increase \$344,119.34

Naturally it is of interest to ascertain the causes of the various increases.

In the increase in judiciary, the main item causing this increase, is an increase in the item for salaries of \$30,000. The other various increases are minor ones.

In the division of regulations, the big item there is the increase in the board of elections as follows:

Salaries, wages for 1953 \$64,471.78

Salaries, wages for 1952 47,699.69

Total increase \$16,772.09

This is due to the fact that the salaries of the election board were increased from \$55 to \$75 in the 1952 Legislature but was not made effective until Jan. 1, 1953. This makes for the increase.

Another item is the permanent registration:

1952 \$80,348.47

1953 \$5,129.18

Total increase \$75,219.29

These two items in themselves account for practically \$22,000 of the increase of \$34,000 and the rest are merely small items in various departments.

The total appropriations for roads and bridges has decreased by the sum of \$4,301.55.

The big increase, of course, is in the charitable, correctional and penal which is \$191,126.

Increase in cost of welfare house \$42,999.70

Increase in old age assistance \$4,698.53

Increase in the cost of maintenance of patients in state institutions 40,699.50

Increase in the amount appropriated for N. J. State board for blind 7,608.30

Increase in relief of blind 5,000.00

This accounts for a total increase of \$190,498.03

The other are miscellaneous increases.

We would like to point out the main reasons for the increase in the appropriation for the welfare home and old age assistance.

In 1951 the permanent disability law was passed requiring the county to take care of all permanently disabled, then in 1952 the Old Age Assistance law was amended admitting those who are in institutions such as the county welfare home to receive old age assistance the same as the other persons out of the county welfare home. However, before any assistance could be received by such persons it was necessary to have the Briar Hill welfare home qualify according to certain hospital standards.

During the year 1952 certain expenditures were made in the welfare home in order that they could be classified as an institution eligible to receive old age assistance recipients, for which payment could be made and in this year's budget there is a new item of \$3,000.00 for other improvements to the first floor so that all the people in the welfare home can qualify as old age recipients.

To offset this the county is anticipating as miscellaneous receipts the total sum of \$133,834.

The 1952 budget all that was anticipated was \$10,000 because in the year 1951 the total amount received from patients in the welfare home was only \$13,630.35.

The plan of receiving grants for the recipients of old age assistance in the welfare home started back in Aug. 1952, and where the county last year anticipated \$10,000 for receipts from the welfare home, the actual receipts amount to \$13,630.35. In the year 1952 estimated receipts of \$133,834, is based only on the receipts from the old age assistance recipients occupying the second floor, and when the improvements are made to the first floor and their quality, that will mean that the receipts ought to go well over \$300,000.

The remaining increase in the budget for the welfare home is due to the fact that certain additional personnel must be taken in order to meet the requirements of the state in order to qualify for a receiving institution. So it can readily be seen that the increase in the budget for the welfare home and the old age assistance will be more than offset by the income for the monies received back for the old age assistance.

It must be borne in mind that heretofore the cost of maintenance of all patients in the welfare home was paid entirely by the county. Now under the new set-up a certain portion of that is paid by the federal government and the balance shared equally by the county and the state.

The welfare board is to be congratulated for their work in bringing about this improvement where the operation of the welfare home will cost the county considerable less than it has heretofore. The net result in the Department of Welfare is the amount to be

paid the state for maintenance of patients in state institutions of \$40,699.50. This is due, of course, to increases in state rates. The other items of increase, the \$7,608.30 for the New Jersey Board of Child Welfare, and \$5,000 for relief of the blind, are due to additional persons receiving that aid.

The increase in educational is merely nominal.

Whereas in unclassified of \$5,643.50, which is due to the additional amount raised to pay the increased amount requested for the retirement system and also a new line item of appropriation toward the Legal Aid society, which is part of the count system of the state of New Jersey, and is eligible to receive county aid, and this was granted by the board after conference with representatives of the County Bar association and with trustees of the Legal Aid society.

In the department of the budget, the increase of debt service and capital expenditures and other mandatory items of \$87,878 is due to the following: The main item of this is due to a substantial increase in the capital improvement fund which was heretofore known as "down payment on capital improvements."

Last year the sum of \$37,500 was appropriated for the down payment on capital improvements project to be undertaken by the county and this year the sum of \$71,250. Of that, \$50,000 is allocated to the down payment on the possible cost of \$1,000,000 for providing an addition to the courthouse.

This only leaves \$21,250 for down payments on other capital improvements which have been curtailed considerably by the board due to the fact that they are undertaking the major project of solving the problem of the courthouse facilities in the county.

After the meeting at which this budget is introduced, the board has an appointment to meet representatives of the Monmouth county Bar association to discuss this matter.

The board has been visiting various counties in the state to study what has been done in those counties providing for additional courthouse facilities and they desire to discuss the matter with the representatives of the Bar association and the board proposes to secure an architect at an early date and get the courthouse project underway, and will make a later detailed statement in regard to this matter, after further investigation and study.

Turning to the income side of the budget, although the increase

in the total budget is \$244,119.44, the increase in the amount to be raised by taxes in the 1953 budget is \$256,241.34.

Increase \$ 157,994.24

This has been held down mainly due to the fact that the miscellaneous receipts have been materially increased.

The surplus revenue has been increased from \$163,233.50 in 1952 to \$276,000 in 1953, but it is pointed out that the total miscellaneous receipts anticipated in 1953 were \$247,210 while the actual receipts were \$247,448.66 and as a result this has been added to the anticipated surplus revenue and the surplus revenue remaining after the appropriations of surplus revenue this year is equal to the amount of surplus revenue remaining last year after the appropriations for the year 1953.

Then there appears another item of \$24,000 to retire the Sea Bright-Rumson bridge bonds.

When the Sea Bright-Rumson bridge contract was awarded the county was obliged to forward to the state of New Jersey, who was acting as agent for the federal government, the total amount of the bond issue.

During the year 1952 the sum of \$52,259.58 was returned from the state as unexpended, and bonds in the year 1953 and the county are able to anticipate that sum of money.

A like sum can be anticipated in the 1954 budget and the remainder of the sum in the 1955 budget.

Compensation for County Officials and Employees

The board has carefully considered the salary question and we have had the usual request for a percentage increase "across the board" for the county employees.

The board has made a review and study of the entire salary problem from the year 1945 up to and including 1952.

In 1945 the board was paying a "cost of living" bonus of \$300 to all on the county payroll, up to a salary of \$5,000.

In 1946 the bonus was continued and the board made increases in the base pay of most of those in the county service. A conference was held with the head of every county department and the matter thoroughly discussed and increases were made upon the recommendation of the various departments and the increase in the salary roll as a result of that was approximately 11 per cent.

In 1947 the bonus of \$300 was increased to \$450.

In 1948 the bonus of \$450 was continued and increases made as recommended by department heads.

And based on this index, the increased cost of consumers' prices from Jan. 15, 1952, to Oct. 15, 1952, was one per cent.

The board carefully considered what should be done in 1953.

The county is confronted with terrific increases in the board of patients in state institutions and in providing for new courthouse space and other heavy increases which are unavoidable.

In many quarters the opinion seems to be that there may be a leveling off of costs in 1953.

After a thorough investigation and careful study, the board believes that there should be no general percentage increase in salaries in 1953.

However, for a long time there has been considerable dissatisfaction among the county personnel in that it is claimed that a percentage increase does not adjust injustices

rent, fuel, electricity and refrigerator, household furnishings and miscellaneous.

In 1949 \$180 was taken from the bonus of \$300 and added to the base pay and the remainder of the bonus of \$300 was continued.

In 1950 \$120 was taken from the bonus of \$300 and added to the base pay and the remainder of the bonus of \$180 was continued.

In 1951 the remainder of the bonus of \$180 was added to base pay and an increase of five per cent was added to the base pay.

In 1952 a ten per cent increase in all salaries was made.

The result of this is the following:

Increase in the base pay of almost everyone in the county service receiving under \$5,000.

Result was a 44 per cent increase added to the base pay of almost everyone in the county service receiving under \$5,000, plus the entire bonus of \$450 added to the base pay from 1946 to 1952.

Of course, it must be borne in mind that when the bonus was started it was \$120 and gradually added to until it reached \$450 and this bonus was gradually transferred to permanent salary until the entire sum of \$450 bonus, finally became permanent.

In applying this percentage increase to the various salaries you do not add merely 44 per cent because it must be borne in mind that the percentage increase is compounded, plus the addition to the salaries from the bonus, which also is compounded.

Applying this percentage of increase and the bonus to the various base salaries you will find that from 1945 to 1952 a salary of \$1,500 was increased to \$2,571.41 in 1952, or a percentage increase of 91 per cent.

A salary of \$2,000 increased to \$3,647.06 in 1952 or a percentage increase of 82 per cent.

A salary of \$2,500 increased to \$4,411.69 or an increase of 74 per cent.

A salary of \$3,000 increased to \$5,171.77 or an increase of 70 per cent.

We have secured from the Bureau of Labor statistics of the Federal Department of Labor, the "Consumer's Price Index" (formerly called the "Cost of Living Index") and this shows the consumer's prices have increased from 125.3 in 1945 to 150.3 on Oct. 15, 1952, or a percentage increase in the cost of living as per such standards of 48 per cent.

This index includes the following budget items, viz: Food, apparel,

and inequities among departmental employees due to increase work case upon many particular persons and various other reasons as well as merit and skill.

In consideration of this, the board has been willing to take the recommendations of various departmental heads to correct many of these inequities by small individual increases, after a thorough discussion with such departmental heads.

There is one case where in one department a substantial increase was made to various officers, by an order of the court.

The board is not at all in sympathy with this increase, and believe that it is out of line with the entire county salary schedules and plan.

The board has this matter under consideration, and after exploring all legal phases of the question the board will make an announcement at a later date as to what they can do in the matter.

Three Promoted By Atlantic Co.

Three new appointments have been made in the reorganization and expansion operations of Atlantic Appliance company, necessitated by a steadily increasing sales volume. The Red Bank store is located at 25 Monmouth st., and the company's main offices and warehouses are at 811 Railroad ave., Asbury Park.

Robert Scott of Neptune, who was traffic manager of Atlantic, and more recently a senior buyer at May, Stern & Co., Pittsburgh, has been made merchandise manager. He was formerly production manager and chief announcer of station WCAP, Asbury Park. Mr. Scott's new duties will include buying of major appliances and television sets, co-ordinating sales, promotion and merchandising for all the Atlantic stores in Monmouth, Ocean, Middlesex and Mercer counties.

William C. Hanson of Cedar Wood park, Laureldale, has been appointed the new traffic manager. He has been with Atlantic since its inception five years ago, has been promoted warehouse manager. He will have charge of warehouse operations and trucks, and will act as foreman of all delivery men employed by Atlantic. He will also supervise the receiving of shipments from the major national factories, the storing of merchandise in Atlantic's three warehouses and loading the trucks so that daily customer deliveries can start at 8 a. m. Mr. Freeman was the first truckman hired by the company, which now employs over 100 in personnel. He was formerly with Simon's Crockery shop, rt. 35.

Sweet Corn Test Results Available

FREEHOLD — Summaries of the 1952 sweet corn variety tests held under the supervision of the vegetable department at Rutgers university are available from the agricultural agents or by writing directly to the Vegetable Crops department of the agricultural experiment station at New Brunswick.

Burlington county tests were held on the farm of Ed. Johnson near Burlington, where 30 varieties and strains of the early maturing corn were tested, and on the farm of Lindley Gardner, where nine varieties of the later maturing corn were planted together. Complete results of these tests may be secured from the agricultural agent, D. L. Kenler, at Mount Holly.

In Monmouth county 30 varieties were planted on the farm of W. H. Hunt and Son, near Freehold, and the summary of this test is available from the Extension Service, 20 Court st., Freehold.

Sweet corn growers may wish to secure a summary of tests of the 80 varieties and strains which were conducted at the vegetable research farm at New Brunswick. Copies of this summary are available from Prof. L. J. Schermerhorn, Department of Vegetable Crops, Rutgers university, New Brunswick.

New Assignment

Eugene W. Rickey

Eugene W. Rickey, sales representative of Jersey Central Power & Light company, has been assigned to the northern division by the local electric company and will make his headquarters at the Morristown commercial office.

He has been sales representative at Asbury Park since 1948.

Mr. Rickey served in the Pacific area during World War II as a member of the Signal Corps. He is now a captain in the inactive Army Reserves.

Railroad Wants to Turn Bridge Into Fixed Span

NEW YORK CITY — The New York and Long Branch railroad company has applied to the Department of the Army for permission to close and maintain as a fixed bridge the existing swing bridge across Oceanport creek, a tributary of the Shrewsbury river at Oceanport.

The railroad company proposes to maintain the existing swing span as a fixed structure, providing a horizontal clearance of 54.6 feet through the southeasterly and northwesterly channel openings and a vertical clearance of 4.8 feet above mean high water. Under the present regulations the bridge is opened on receipt of notice four hours in advance of the time the bridge opening is required.

The decision as to whether or not permission will be granted rests on the effect of the proposal on navigation. Any criticism or protest regarding the proposal, from the standpoint of navigation, should be submitted to the Corps of Engineers, U. S. Army, New York district, prior to Monday.

Embury Methodist Maps Expansion

LITTLE SILVER — The official board of Embury Methodist church voted recently to appoint a building committee to study plans to meet the rapidly expanding Sunday school and youth program of the church.

The Sunday school now operates on a split session plan in order to effectively teach the pupils. The building committee is composed of William Sawyer, Robert Burley, Mrs. Elsie Jacob, Edward Wells, Herman Fritzsche, Mrs. Jessie Nilsson, president of the Woman's Society of Christian Service; Neil Smith, president of the Young Adult fellowship, and Earle Levie, president of the board of trustees.

The church in the past few years has grown extensively and has one of the best records in this respect in the New Jersey Methodist Conference.

At the last official board meeting, Rev. James W. Marshall announced the receipt of a gift from an anonymous family in the church which is to be used to rebuild the chancel in memory of all those who have served the church and in honor of those still in the church who over a span of years have given their time and service to the work of the church. Board members enthusiastically accepted the offer and the committee was instructed to see that this work is done, which will also include the enlarging of the choir lofts in order to accommodate the choir, which are increasing greatly. William James Taylor of Ferrans and Taylor, New York city, will be the architect.

NAMED TO COMMITTEE

MATAWAN — Karl Claus, plant manager of the Atlantic Tile Manufacturing company here, has been appointed a member of the research committee of the Tile Council of America, an organization of clay floor and wall tile firms formed in 1945. It was announced this week.

Morford's Observe 25th Anniversary

MIDDLETOWN TOWNSHIP — Mr. and Mrs. Thomas F. Morford, Sr., observed their 25th wedding anniversary Saturday at an open-house party at their home, Cherry Tree farm. The house was decorated with all white flowers and silvered greens for the occasion.

The couple were married at the home of Mrs. Morford's parents, Mrs. James Hendrickson, and the late Mr. Hendrickson, by Rev. William E. Chalmers of Philadelphia who had been a classmate of Mrs. Morford's father at Peddie school at Hightstown.

Both Mr. and Mrs. Morford are well-known throughout Monmouth county. Mrs. Morford is vice chairman of the county Republican executive committee, a past president of the United Women's Republican club of Monmouth county, and a member of the 1-5-8 Women's Republican club of Middletown township.

Both Mr. and Mrs. Morford are members of Middletown Baptist church. Mrs. Morford is active in the work of the Woman's department, and Mr. Morford is a member of the board of trustees. Both are members of Raritan grange. Mr. Morford is a member of the Masonic lodge. He is employed by the Signal corps at Camp Coles.

Among the guests at the open-house were Mrs. Charles Whaler of Fairfield, Iowa, Mr. Morford's sister, who arrived in Middletown Friday, and who plans to spend several days with the couple. All the members of the county board of freeholders were also among the many guests.

Walter Fred, Jr., of Westwood, who was best man at the wedding 25 years ago, was also a guest at the reception.

Mr. and Mrs. Morford are parents of three children: Thomas F. Morford, Jr., James C. Morford and Mrs. Ralph Barto, the former Miss Anita Morford. They also have a grandson, Robert Thomas Morford.

Child Study Group To Hear Mrs. Keliher

Mrs. Alice Keliher, professor of education at New York university, will discuss "The Parent's Role in Public Education" at a meeting at 8 p. m. Monday of the Shore Child Study group at the Mechanic Street school. Mrs. Keliher's talk will be the fourth in a series of six lectures sponsored by the group.

A member of the Citizens' Committee for Children in New York city and the U. S. attorney general's conference on the delinquency of children, Mrs. Keliher also is a member of the National Leadership Citizenship conference and the National Education association. The author of numerous books, pamphlets and articles, Mrs. Keliher has been named by the Women's Committee for Children as one of the 30 women who have contributed the most to New York city children.

Sproul Requests Two More Police

KEYPORT—In his annual report to the mayor and council here, Chief of Police Leroy Sproul urged borough officials to give "serious thought" to adding two regular patrolmen to the police department.

Chief Sproul said his recommendation was based on the great demands placed on his "small department." A review of the use of police reserves, who have been used to the maximum of 60 hours per man without pay, along with necessary paid time during vacations and illness also indicates the need for more patrolmen, Sproul said.

The chief added that regular police are now working 104 hours per man per year more than the number required by the state. He called attention to the increase in the

number of new homes and the growth in the borough's business section, with resulting increases in traffic. Chief Sproul cited the borough's safety record, in reference to fatalities, since 1950. One fatality occurred during last year. "But I am proud that I can bring this record to your attention in view of the borough's 6,000 population, two state highways crossing the municipality and the great increase in traffic," the chief declared.

The annual report showed \$23,616.25 as the value of lost or stolen property later recovered. The report lists 359 motor vehicle arrests, 33 held as disorderly persons and 16 criminal arrests. Complaints investigated numbered 1,140, and 117 parking violations were recorded, with \$218 in parking fines collected. All 21 stolen cars were recovered, the report said.

Bishop to Confer Scout Awards

LONG BRANCH—A highlight of Boy Scout week, Feb. 7-13, will be the observance of Scout Sunday, Feb. 8, by the Catholic committee on scouting of the diocese of Trenton.

All Cub Scouts, Boy Scouts and Explorers of Catholic faith, their leaders and parents are invited to attend the annual presentation ceremonies of "Ad Altare Dei" awards at St. Mary's church in Perth Amboy that day at 3:15 p. m. A parade preceding the church program is scheduled for 2:30 p. m. Bishop George W. Ahr will confer the medals to scouts who have qualified for the award.

A delegation of 250 Cub Scouts, Boy Scouts, Explorers and leaders from Monmouth council is expected to participate in the observance at Perth Amboy. Rev. George E. Everitt of Spring Lake, Catholic scout chaplain for Monmouth council, will head the local contingent. He will be assisted by E. Stanley Buff, scout executive. Arrangements are being made by local units to travel by chartered buses to Perth Amboy.

Bronkhurst Welcomes Officials to Meeting

KEYPORT—Frederick J. Bronkhurst, president of the board of health here, welcomed Mayor Herbert R. Rothberg and Councilmen Hewitt W. Wharton, Frederick L. Kruser and Raymond Dane at the annual meeting of the board last week in the health department's new quarters in borough hall.

Mayor Rothberg once again emphasized the need "to lend every effort toward clearing up the pollution of Raritan bay."

Other members of the department, besides Mr. Bronkhurst, are John W. Foster, vice president; A. Howard Williams, health and sanitary officer; plumbing inspector and representative to the Raritan Bay Regional Health commission; Robert Rothwell, secretary-treasurer and registrar of vital statistics; Harry J. Poling, Russell L. Conover and Norman J. Currie.

The Master Plumbers' examining board includes D. M. Bonifacio, Chester B. Williams and Harry Tut-hill. Regular meetings of the board will be conducted the first Tuesday night of each month at borough hall.

Guensch Moderates Citizenship Panel

KEANSBURG—George Guensch, principal of the grammar school here, was moderator of a panel discussion of "Good Citizenship" at a meeting of the Parent-Teacher association Thursday at the Francis Place school.

Panel members included George Andrews, who represented the fire department; George Prestor, police department; John Kay, the Keansburg National bank; Lester J. Horner, Lions club; Charles Adayash, Boy Scouts, and Lou Becker, first aid squad.

The P. T. A. will make contributions of cookies to the March of Dimes sponsored by the Monmouth County Council of Parents and Teachers. Collections will be made during the next meeting of the association Thursday, Feb. 5. The P. T. A. will hold a tenn age dance tomorrow night at the school. Mrs. Andrews and Mrs. Clellie Morgan were hostesses at the meeting.

STILLWELL FINES EIGHT

COLT'S NECK—Magistrate Stanley Stillwell fined Alphons C. Elser of Red Bank, Dover N. Shaw of Hightstown and Alice L. Peterson of Spring Lake Heights \$10 and \$3 costs of court each here Friday in Atlantic township court on charges of passing a halted school bus.

Lorraine Schott of West Point Pleasant and Jack Madoff of New York city paid \$13 for speeding. Harry J. Colditz of Trenton was fined \$8 for passing on the right at an intersection. Driving without license in possession cost Joseph E. Foster of Union \$8, and Edwin J. O'Malley of Falls paid \$5 for the same offense.

MONEY STOLEN FROM CHURCH

Red Bank police are investigating the theft of an undetermined amount of money from the building fund of the Red Bank Baptist church. The money, said police, was taken from a desk drawer. The theft was discovered Sunday by A. W. VanNostrand, a member of the church. According to Patrolman Alonzo Guensch, who investigated with Patrolman Edward Brooks, the thief apparently knew where the key to the desk drawer was hidden because the lock was not broken.

William Grace Retires from B&O

William Grace of Mechanic st., retired last week after 47 years with the Baltimore and Ohio railroad. At the time of his retirement, Mr. Grace was a trainman on the line's Royal Blue, running between New York and Washington.

Mr. Grace started his career with the railroad in 1905, with the New York Central in its freight service. When the B and O started to use the Central's terminal, he entered the employ of the B and O.

Mr. Grace was born at La Porte City, Iowa, and then came to live in Jersey City. In 1910 he married the former Miss Edith MacRae, and the couple came to Red Bank in 1922 to make their home. They have one daughter, Betty Grace.

Mr. Grace is a member of the Railroad Brotherhood, the Harrisburg Compensation and Relief and the Compensation Protection associations, two organizations for men in the railroading field. He is also a member of the Junior Order of the American Mechanics.

Sunday, Mrs. Grace and her daughter entertained at an open-house in Mr. Grace's honor. The guests were Rev. and Mrs. Roger J. Squire, Mr. and Mrs. Claude Parker, Mr. and Mrs. A. W. Barkalow, Mr. and Mrs. Stanley Brown, Mr. and Mrs. George T. Lovett, Mr. and Mrs. O. Melvin Morris, Mr. and Mrs. George Hurley, Mr. and Mrs. Jack Rakoon, Mr. and Mrs. Harry Britton, Dr. and Mrs. M. C. Dabney, Mr. and Mrs. Robert Draycott, Mrs. M. L. Barkalow, Mrs. Harry Rader, Mrs. Robert MacGregor, Mrs. Mowat Jeffrey, Miss Esther Clayton, Miss Lucy Woklam, Miss Mae Warden, Miss Lois Mitchell, A. L. McCloy, Billy McCloy, Harry Rader Jr., Randy and Roberta MacGregor and Elmer Mitchell.

Middletown Soldier Kills Deer in Korea

MIDDLETOWN TOWNSHIP—Army Private First Class Charles T. Palmer, son of Mr. and Mrs. Charles W. Palmer, rt. 25, recently killed a 60-pound deer near his front line position in Korea.

A carpenter in Battery A of the 31st field artillery battalion, Palmer downed the buck with a 12 gauge shotgun. He and a friend also shot a 75-pound doe.

Plastering is one of the most ancient of handicrafts.

Signal Corps Adds Fifth Helicopter at Co. Airport

FORT MONMOUTH—The Signal Corps Aviation Center added its fifth helicopter to an over-all aircraft complement of 15 with delivery of an H-25-A twin motor by the Piasecki Helicopter Corp. of Morton, Pa.

A tandem motored, six place, single engine, land cargo and rescue utility helicopter, the H-25-A will be used at Fort Monmouth for development and experimental requirements in electronic and mechanical devices in Army aviation. The Aviation Center, located at the Monmouth County airport in Wall Township, was activated last July and since has grown from an initial group of 13 to a present organization of over 75 persons.

In its setup, the aviation center has an operations division, consisting of a supply and engineering branch, along with a methods and equipment branch on the main floor of its hangar at the airport, also a complete aircraft operations branch. Upstairs, the army hangar houses executive houses and a plans and policy division which comprises a procedure and doctrine branch, engineering and development and a technical information branch.

Installed is a control tower with complete radio facilities and beacon light. A radio range will be installed shortly. A weather station with teletype and facsimile service is expected in the near future.

Engineering personnel are active in exploring and developing various projects in electronics, photography, navigation, meteorology and other subjects closely allied to army aviation.

The aviation center, in carrying out its missions, has the following aircraft: seven Cessna 1-19 liaison planes and three DeHavilland L-20s. In addition to the new H-25-A, the center has two Miller H-23 helicopters, one Bell H-13 and an H-19 Sikorsky.

The center is working in close cooperation with the Signal Corps board and the Electronic warfare center, plus all services involving problems concerning army aircraft.

Present planning at the airport calls for erection of barracks for enlisted men and a mess hall. A laboratory building, helicopter hangar, service and shop buildings will be built adjoining the main hangar.

In the course of weekly assignments conducted by the aviation center's demonstration unit, students at the Fort Monmouth Signal school witness problems in air-ground communications, wire laying over hilly terrain, missions in aerial supply and message drops and pickups along with photo missions.

Another job performed is flying aerial photography students on missions closely approximating combat conditions, with the present realization that they may soon be performing similar missions over Korea.

In such missions a point of local interest is selected to be photographed, its location radioed to an Army Aviation center plane and the picture taken. The negative is dropped to the ground to the photo lab and processed in a matter of minutes.

In the future, the aviation center will also receive one aircraft to each type purchased by the transportation corps for electronic evaluation.

Keyport Tile Men On National Unit

NEW YORK — The Tile Council of America has named two executives of the Architectural Tiling Co., Keyport, as members of its major committees for 1953.

The council said William Schatzkin, president of the Keyport firm, will be its chairman on non-residential construction, and also will serve on its advertising, promotion and membership committees.

Harvey Schatzkin, company vice president, has been named to the research committee.

The tile council is an organization of leading clay floor and tile manufacturers of the nation. It was formed in 1945.

DAY OF RECOLLECTION

The Monmouth county Blessed Virgin Mary Sodality will hold a day of recollection at St. James Catholic church here Sunday, Feb. 15, at 2:30 p. m. Arrangements for the event were made Saturday at Spring Lake with Rev. George Everett of St. Catherine's church in charge.

Annual Meeting Of Library Board

NAVESINK — Nomination of trustees for three-year terms and a discussion of plans for the spring program, took place Monday at the annual meeting of the board of trustees of the Navesink Library association.

Re-nominated were Miss Mildred DeVest, Mrs. Richard M. Hurd, Mrs. Lyman Middlemich and Milton Wright. Named to replace David Jackson, who was forced to resign because of the pressure of business, was George W. Emery.

Chairman of the nominating committee was Mrs. E. DeVest.

The report of Miss Doris Everingham, librarian, showed that 2,301 books were circulated by the association during a ten-month period last year. Visits to the library numbered 7,000. The annual report of Alfred L. Ferguson, Jr., was accepted.

Richard Hurd, president, who presided, praised the scouting activities sponsored by the association, of which Mr. Wright is chairman. Roy B. Smith, who is master of the Cub Scouts, and N. F. Stanton, scout master, drew the praise of the trustees for directing scouting in Navesink during 1952.

Mr. Wright said the scouts played a major role in the "get-out-the-vote" drive during the campaign. Others whose work during the year in behalf of the library was singled out were Mr. Ferguson; Mrs. Lester B. Sickles, chairman of the house committee; Mrs. Middlemich, books; Mr. Jackson, who, until his resignation had charge of the bowling alleys, and Mrs. Hurd, in charge of the grounds committee. Mrs. Hurd is also president of the Navesink Garden club.

Mr. Hurd reported that during the year extensive use of the association building and other facilities were made by groups which sponsored dancing classes for children, the Brownie and Girl Scouts, ceramics and an art show. The group also expressed appreciation for the co-operation received from the Navesink fire company. The next meeting will be held in February.

Plan Sound-Movie For WSCS Meeting

"Unto the Perfect Day" is the program theme for a meeting Wednesday, Feb. 4, of the Woman's Society of Christian Service to be held at 7:45 p. m. in the Red Bank Methodist fellowship hall. Mrs. William Macdonald, president, will preside at a business session preceding the special program.

A sound-movie, "South of the Clouds," will be shown. This is a narrated film produced in co-operation with the missionary education movement and is rated "highly recommended" by the International Council of Religious Education.

The setting is in the Near East in the ancient city of Damascus. The entire film reflects the culmination of 100 years of missionary work in this area. It shows what being a Christian means in terms of one's outlook on life, opportunities in life and satisfaction for life.

Refreshments will be served by Circle H of the society, under the leadership of Mrs. Herbert Kerr and Mrs. Warren Farrington.

Realtors to Install Officers Tuesday

LONG BRANCH—Wesley P. Stevens, executive vice president of the New Jersey Association of Real Estate Boards, will address the Monmouth County Board of Realtors at the Garfield-Grant hotel here Tuesday night when officers will be installed.

J. Carroll Loughlin of Beach Haven, fourth district vice president, will be installing officer. Taking office will be Ernest L. Martin of Glendola, president; W. Raymond VanHorn, first vice president; Lawrence D. Edwards, second vice president; John T. Lawley, Jr., third vice president; Mrs. Dorothy S. Usdilla, secretary-treasurer; and Kenneth L. Walker, Sr., governor.

Mr. Martin succeeds Mr. Walker as head of the organization. Mr. Stevens' talk will be "Function of the State Association and Its Benefits to the Members."

6. Sub-Total	\$147,248.73	\$107,583.23
7. Amount To Be Raised By Taxation		
(a) Local Purpose (Municipal) Tax (Item 6, Less Item 7 (a))	\$147,248.73	\$107,583.23

EXPLANATORY STATEMENT
The Mayor and Council well realizing the increase in costs of both services and materials present herewith the Municipal Budget of the Borough of Fair Haven for the year 1953.
The total amount of General Appropriations for Municipal Purposes amount to \$163,084.00 for the year 1952 as compared with \$124,891.00 for the year 1953 or an increase in General Appropriations of \$38,193.00.
Some of the items of increase are as follows:
Salary Adjustments \$ 4,950.00
Police and Fire Departments 10,000.00
Street Repairs 8,000.00
Garbage and Trash Removal 4,000.00
Public Buildings 4,000.00
Capital Improvement Fund 4,000.00
The increased number of new homes built in the Borough have greatly increased the demand for services in all municipal operations.
The School Budget has been increased for the year 1953 in the amount of \$31,097.34, \$190,409.11, \$159,351.77, \$130,126.87.
Increase \$ 31,097.34

In this Budget the County tax has been increased \$3,751.45 because of increased assessed valuation. However, this is only an estimated figure and any increase in this estimate will necessarily be reflected in the overall Final Tax Rate.
The tax rate for 1953 is estimated to be \$9.45 per \$100.00 of assessed valuation as compared with \$8.10 for 1952 or an overall increase of 13.1 points.
A comparative analysis of the 1952 and 1953 tax rates and levies is shown in the following statements:

County Tax	Rate	Levy	Rate	Levy
Local District School	1.41	\$ 88,317.94	1.40	\$ 85,566.44
Local District School	4.42	190,409.11	3.58	159,351.77
Local Purpose Tax	3.62	147,248.73	2.82	107,583.23
	9.45	\$407,015.82	8.10	\$323,281.43

The financial position of the Borough is extremely sound and the Mayor and Council will continue in its effort to keep taxes at its minimum and at the same time provide ample services for all citizens and taxpayers of the Borough.

Alma White College Notice

Alma White college and Preparatory school and Zarepath (N.J.) Bible seminary begin their second semester work January 26. On the beautiful tree-shaded campus is being erected a large gymnasium with swimming pool and other facilities for a sane and healthful program of physical education.

Long a pioneer in educational broadcasting, the college houses the transmitter and main studios of radio station WAWZ, a 5,000-watt regional station which serves a large portion of the metropolitan area and is heard in adjoining states. Recently an FM transmitter and antenna were purchased which are expected to be in operation later in the year. Qualified students interested in broadcasting from either the technical or the studio aspect, have opportunity to "learn by doing."

Seminary classes are offered in the evening for adults who wish to increase their understanding of Biblical subjects, yet are unable to attend classes in the daytime.

Both boarding and day students are also accepted in the high school. Grade school students may be boarded at many of the branches of the "Pillar of Fire" where the eight grades are maintained.

Agents Distributing 'Car Can Kill' Stickers

Insurance agents here are co-operating in a campaign of the New Jersey association of Insurance Agents to distribute and display "A Car Can Kill You" signs, it was announced this week by Robert D. McKee, president of the Monmouth County Insurance Agents association. Mr. McKee said stickers in two sizes are available through association members here for display on vehicles.

"Our hope," Mr. McKee said, "is that these dramatic signs with their forceful message will become so ingrained in everyone's consciousness that they will have the effect of automatically causing the motorist's foot to ease on the accelerator and induce him to drive more carefully. The co-operation of everyone in displaying these signs and spreading the important message will, we are convinced, do much to alleviate the suffering and tragic loss resulting from highway accidents," he declared.

HOSPITAL AUXILIARY MEETS

MIDDLETOWN TOWNSHIP.—At a meeting of the Middletown township auxiliary of Riverview Hospital, Monday afternoon at the home of Mrs. Wylie G. Fite on King's highway, a letter from the hospital thanking the group for their gift of 12 sheets and 12 pillowcases was read. Mrs. Walter D. Swartzell was co-hostess.

School Budget Up \$6,380 at Oceanport

OCEANPORT.—The board of education last Thursday night introduced its 1953-54 budget of \$122,687.50, an increase of \$6,380 over the current \$116,307.50 budget.

Of the total budget, \$98,027.97 will be raised by taxation as compared to \$95,685.28 of the current budget, an increase of \$2,342.69.

The board authorized the employment of Miss Marcia Grossman, of Deal to teach English in the junior school. Miss Grossman, who graduated in September from New Jersey college for Women, New Brunswick, will replace Mrs. Joseph Schiavone, who resigned.

Five Area Students Pledge Fraternities

Andrew H. Larabee of 221 Spring st. is one of five students at Rutgers university from this area who have been pledged to fraternities there. They are scheduled to be initiated during Greek week, Feb. 15-22, which will include orientation day, an inter-pledge basketball game, a variety show and banquet.

Other pledges are Stephen M. Kreyns, 448 River rd., Fair Haven, pledged to Theta Chi; Eugene M. Cagle, Rumson, Lambda Chi Alpha; John A. Felt, Sycamore ave., Shrewsbury, Phi Epsilon Pi, and Leighton A. Willgerodt, Eatontown, Delta Sigma Phi. Kreyns is a senior. The others are freshmen.

AFCA Chapter Seeks Members

FORT MONMOUTH.—Col. Joseph E. Heinrich, deputy president of the Signal Corps board and recently elected president of the Armed Forces Communications association's chapter here, last week extended an invitation to "anyone interested in communications or allied fields . . . whether they are connected with this post or not" to become chapter members.

Col. Joseph E. Heinrich

"All we ask of a prospective member is a sincere interest in communications, electronics or photography," Col. Heinrich said. "Most of our membership is drawn from the military and civilian population of Fort Monmouth, but many of our most active members have no connection with this post at all. One of the principal aims of the association is to establish friendly relations between our own people and civilians from allied industries in our neighboring communities. Some of the officers of our chapter are from these local industries," the colonel said.

The new board of directors is beginning the season with a program designed to appeal to everyone. Col. Heinrich said. A dinner meeting will be held Thursday, Feb. 10, at Gibbs hall, the Fort Monmouth officers club.

Principal speaker at this dinner meeting will be Dr. Peter C. Goldmark, director of engineering research and development of Columbia Broadcasting System. Dr. Goldmark will speak on color television.

The Armed Forces Communications association is a national society of American citizens professionally interested in furthering the progress of national security through improvement in communications, electronics and photography. It has no commercial interests, no political alliances and no religious affiliations.

Col. Heinrich is a resident of Cooper rd., Middletown township. A Signal Corps officer 25 years, he was associated with the long lines department of the American Telephone and Telegraph company prior to recall to active duty in 1951.

Fewer Farms, More Tractors

While the number of New Jersey farms decreased about four per cent between 1940 and 1950, the number of tractors of various types on those farms more than doubled, according to a study of 1950 census returns made by Edwin P. Shubaugh, New York regional supervisor for the Census bureau. The 1940 census showed 28,838 farms and 12,939 tractors within the state borders, while by 1950 the number of farms had dropped to 24,833 and the tractors increased to 26,023, which represents one tractor for about every two farms in 1940, as compared to an average of more than one tractor per farm in 1950.

While 1940 figures are not available, the farmers' wife also had considerable assistance in 1950 from a total of 18,871 electric washing machines. Practically all of these machines, as well as other farm electrically operated equipment were driven by electricity from a power line, although 106 New Jersey farms still depended upon a home plant for electricity.

The 27,756 automobiles reported by New Jersey farmers in 1950 compared with 24,223 ten years before; also only 354 farmers in the state reported that they had to drive as much as five miles over dirt or unimproved roads to reach their trading centers.

Democratic Club Re-elects Mrs. Wenzel

NAVESINK.—Mrs. Herman Wenzel was re-elected president of the Women's Democratic club of Middletown township at a meeting Wednesday of last week at Mrs. Frank Hilo's home here.

Mrs. Minnie Burlingame was re-elected secretary and Mrs. John Watkins treasurer. Mrs. Eleanor Gradeska was appointed chairman of the moving picture club. The club held a card party Tuesday at the Brevent Park and Leonardo fire house. Mrs. Stanley Komolski and Mrs. Mae Holsworth were welcomed as members of the club.

Others present at last week's meeting were Mrs. Raymond O'Neill, Mrs. Thomas Somerville, Mrs. Frank Cassano, Mrs. Frank Benson and Mrs. Harold Borden.

Rumson Mothers To March on Polo

RUMSON.—This borough's March of Dimes campaign will conclude next Thursday night with the Mothers' March on Polo to be held in conjunction with similar programs in communities throughout the country.

The local march will be conducted under the direction of Mrs. John Gilm, chairman. The drive will be held from 7 to 8 p. m. According to Mrs. Gilm, mothers making the canvass will stop only at houses where the porch lights are on, signifying the residents want to make a donation.

Keyport

Rev. David A. Wilson, pastor of Calvary Methodist church, has announced an exchange of pulpits for Sunday, when Rev. Howard Scarborough of Manassquan will be guest minister at Calvary, and Rev. Wilson will occupy the pulpit in Manassquan.

The Hebrew Women's League formed a second study group Tuesday at the home of Mrs. Hyman Korobow on Division st. Meetings will be held at Mrs. Korobow's home Tuesdays between 8:30 and 11 p. m. The study subject will be "Pathways Through the Bible" by Mortimer Cohen.

The Hebrew Women's league met last Thursday, with Mrs. Samuel Zolna, Mrs. Joseph Siegel and Mrs. Louis Rosenberg as hostesses. The league will hold a barn dance Feb. 21 at Burt's restaurant at Lawrence Harbor, with Mrs. Hyman Schwartz as chairman. A Purim party will be held Mar. 7 at the synagogue, with Mrs. Louis Brager as chairman. Members also made plans to send Passover packages to all Jewish men of Keyport serving in the armed services.

Officers were elected and installed at the meeting of the auxiliary of Lincoln Hose company last Thursday. They were Mrs. Earl Huber, president; Mrs. Robert Walsh and Mrs. Osborn Thorne, vice presidents; Mrs. Albert Hill, Jr., recording secretary; Mrs. Donald Hill, financial secretary, and Mrs. Clarence Phillips, treasurer. Mrs. Russell Travers was named chairman of the sick committee, and Mrs. Albert Hill, Sr., publicity. A new member, Mrs. Arthur Miller, was welcomed.

Mrs. Charles H. Miller of Atlantic st. entertained her bridge club last week. Prize winners were Mrs. William Hill and Mrs. John O. Hartzler. Others attending were Mrs. Daniel A. Holmes, Mrs. Harvey G. Hartman, Mrs. Joseph Kennedy, Mrs. Edward Lockwood and Mrs. Merrill H. Wallace.

Lester C. Dick of South Main st., has joined the Vick Products division of Vick Chemical company as assistant director of the division's pharmaceutical research laboratory at Bloomfield. For the past 12 years, Mr. Dick has been vice president of G. S. Stoddard and company of New York, where he concentrated on pharmaceutical research and new product development. He was graduated from Columbia university in 1930 and served as an instructor in pharmacy there two years.

Police Capt. and Mrs. Joseph Morley of Monmouth st. entertained at a "sweet sixteen" party last week for their daughter, Marguerite Morley. Decorations were done in red and white, colors of Keyport high school, where Marguerite is a pupil. Guests were Virginia Christakakis, Ruth Neighbors, Adele Luftrow, June Laughlin, Susan Walling, Carol Perry, Wanda Pesous, Catherine Crawford, George Nelson, Frank Terry, David Emmons, Curtis Bogart and Frank McClester.

Forbes to Fight Bill to Change Primary Election Date to June

TRENTON (AP)—To change or not to change the date of the primary—that is the question facing the New Jersey legislature.

A bill moving up the primary date from the third Tuesday in April to the second Tuesday in June has been introduced by Senate President David Young, 3d (R-Morris). He says it's an administration bill. But Gov. Driscoll has indicated he did not initiate the measure.

Young says the bill has more than enough support to pass in the senate, where opposition to the change is led by Sen. Malcolm S. Forbes (R-Somerset).

Forbes, a candidate for the gubernatorial nomination, feels the change is aimed at checking his head start in the campaign. He believes his opponents want more time to prepare for the primary. Forbes admits he can't stop passage of the bill in the senate but adds that it'll never get through the assembly.

The way Forbes has it figured, Republican assemblymen from Essex, Passaic, Monmouth, Somerset, Hunterdon, Burlington and Morris counties will kill the measure in the G.O.P. assembly caucus. Twenty Republicans can check the bill in the caucus.

Also opposed to changing the primary date is another gubernatorial aspirant—Assemblyman Fred O. Shepard (R-Union). Says Shepard:

"All the forms are printed for the April primary. If they change the date it will be a tremendous expense. It's an inconvenience on the part of the administrative departments at all levels of government, state, county and municipal."

"I will be the next governor. I feel pretty sure of that. I would like to get the primary over on Apr. 21. However, I believe everyone who wants to be governor has a right to run."

Reasons For Change

The proponents of change in the primary date say more people would turn out for one in June because of better weather, and that the June date would be less likely to conflict with city commission elections held in May. Democratic Senator Edward J. O'Mara of Hudson favors the change for the second reason.

Democratic assemblymen meet in Jersey City today with Minority Leader William T. Musto of Hudson to plan their legislative program. The program will center around what they term the "break-down" of law enforcement in the state under the Republican administration.

The Democrats will ask that the New Jersey Law Enforcement Council be divorced from the Department of Law and Public Safety and that the council be given sufficient funds and authority to operate for a minimum of one more year.

The Democrats want the council to determine why it took two years to indict Harold John Adonis, the former executive clerk in Gov. Driscoll's office. Adonis is charged with accepting \$225,000 from gamblers for alleged protection. He is fighting a move to extradite him from Holland.

Want 4-County Probe

The Democrats also want the council to probe "attempts by the Republican administration to cover up evidences of crime and corruption in Bergen, Atlantic, Burlington and Salem counties, and to investigate any evidences of political collusion by the duly appointed and elected authorities in those counties."

Musto said the Democrats will also press for an overhauling of the state basic tax structure "to assure a more equitable distribution of the tax burden and to raise additional revenue for state aid to education."

The Democrats plan to sponsor a resolution allocating for state school aid a sum at least equal to the total revenue derived from the cigarette tax since its enactment in 1948, in addition to the revenue previously allocated under the Pascoe formula.

The minority party—with 17 seats in the 60-member assembly and four in the 21-man senate—also plans to introduce bills which would:

Establish a state medical school, equalize tolls on the turnpike; force lobbyists to register with the Secretary of State; establish a 75-cent an hour minimum; repeal the public utility labor law, and increase unemployment compensation and workmen's compensation.

**Stillwell Fines Four
For Careless Driving**

CRAWFORD'S CORNER—Clifton J. VanNote of Fair Haven and Edwin C. Huhn, Jr., of Long Branch were fined \$20 each last week in Magistrate Stanley Stillwell on careless driving charges. The same charge cost James C. Long of Long Branch and Samuel Harper of Eatontown \$15 each.

Nelson Beeson of Newark paid a \$16 total for passing on a curve and driving without a tail light. Failure to give a signal brought a fine of \$15 to Joseph Turner of Matawan. Each of the following paid \$5 fines: Joseph Smalley of Keanburg for improper passing; Harry B. Boyer of Highlands for a stop street violation; and Robert J. Stevens of Point Pleasant for passing on the right at an intersection.

Allan Skold Koffer of Sea Girt was fined \$6 for driving without license in possession.

Polio Committee Named by Rigby

NEW SHREWSBURY—Mayor J. Lester Rigby, honorary chairman, launched the local "March of Dimes" drive this week, by naming eight co-chairmen and 30 workers who will canvass the municipality for contributions for the fight against infantile paralysis.

In a statement on the drive, the mayor said: "The willingness of such a large number of our townspeople to participate in it assures its success. Our borough will be completely covered. I am certain that New Shrewsburyans will be generous in their gifts to this worthwhile charity."

As co-chairman, representing all parts of town, Mr. Rigby named Samuel M. Fisher, Sr., of the Hance tract; Rodney L. Bloom of Hance park; Mrs. A. W. Handy and Mrs. J. Ward Vanderveer of Tinton Falls; Kellogg B. Ashton of Pine Brook; Mrs. Robert L. Campbell of Wayside; and Angelo Zanetti of rt. 33.

Workers include Mrs. Marguerite Forest, Mrs. Richard Mages, Mrs. Howard Havens, Mrs. Peter J. Moreau, Mrs. M. J. Conner, Mrs. Howard R. Knapp, Mrs. Donald M. Ganson, Mrs. Cyril T. Lawes, A. Privitera and Miss Annette Privitera, all of the Hance tract.

Also, Mrs. Bessie Holley, Asa Jeffries and Councilman and Mrs. Colette M. Epps of Hance park; Mrs. John Delaney, Mrs. Ruth Crawford, Mrs. George Gill, Mrs. Alice Belanger, Mrs. Ethel Loftus, Mrs. Harold C. Ely and Mrs. J. Lester Rigby of Tinton Falls; Mrs. Irving Moore, Mrs. William F. Robinson, William Manuel and Mrs. Nathan Phillips of Pine Brook; Robert Campbell, Jr., Charles Van-Hise and J. E. Hill of Wayside, and Mrs. Nelson M. Holden, Jr., and Mrs. Herman Morris of the rt. 33-Shafto rd. area.

Armstrong Joins Walker, Walker

SHREWSBURY—Elwood Armstrong is now associated with the real estate firm of Walker and Walker, realtors of Bynamore ave., as a real estate salesman.

He became associated with the organization as a part-time real estate salesman in February 1952. Mr. Armstrong left the sales force of Sunshine Biscuits, Nov. 1 to devote full time to real estate.

He has made several sales in real estate, representing Walker and Walker in the sale of the Bove property in the Fox Hill estates.

Elwood Armstrong

Mr. Armstrong, who was connected for a short time in 1945 with the George J. Wolf realty company in Jersey City, is associated with the Boy Scout movement in Monmouth county. He has been a scoutmaster for troop 15, Little Silver, and organized and formed the explorer post in that borough. He is also connected with the Monmouth Council of Scouting in Long Branch, serving as chairman of camping for the Red Bank area and is a member of the camping and activities committee for the county.

Born in Cocoa, Fla., Mr. Armstrong was graduated from London high school in Jacksonville, Fla. Moving to New Jersey in 1934, he started his sales career in Asbury Park. In 1940 he joined the sales department of Sunshine Biscuits, Inc., with a branch office in Perth Amboy.

He married to the former Doris Brookbank of East Orange and has two children, William B. and Janet, 7. They reside at 135 Pinckney rd., Little Silver.

Present Midgley Case To Grand Jury Again

FREEHOLD—Prosecutor J. Victor Carlton presented to the grand jury last Thursday a charge that William D. Midgley, former Long Branch fire official, set fire to an oceanfront house in Long Branch in Oct. 1951.

Mr. Midgley was acquitted last month of an arson charge based on the same fire when Judge J. Edward Knight allowed the motion by Defense Attorney William J. O'Hagan, Asbury Park, that the indictment was improper because the house was not occupied at the time of the fire.

It was reported that the prosecutor's office is now asking the grand jury to return an indictment on the charge of burning a building.

Club Donates \$200 to Ralph Fund

The Young Women's Social club of the Red Bank Reformed church Monday night contributed \$200 toward hospital expenses incurred by Miss Pearl Ralph, a club member, who 15 months ago underwent surgery at New Haven, Conn., for paralysis. A balance of \$700 is due the hospital. The club's contribution represented proceeds of a cookie sale, a fall project, with

Mrs. Ruyon Wolf as chairman. More than 40 dozen tins of cookies were sold during November and December, Mrs. Wolf said.

Mrs. Jack Zoldack was elected president of the club at Monday night's meeting. Other officers are: Mrs. Wolf, vice president; Mrs. William Olsen, secretary; and Mrs. Ruth MacAdams, treasurer. Mrs. Russell MacQueen is chairman of a

projected cookie sale.

Shown above, seated, left to right, are Miss MacAdams, Mrs. Edward Golden, former secretary; Mrs. Olsen and Mrs. Robert Hendricks, former president. Standing, same order, are Mrs. McQueen, Mrs. Zoldack, Mrs. George Glassey, Mrs. Edward Carl, Mrs. Wolf, Mrs. Alfred Ralph and Mrs. Ellwood Hendricks.

Kurzmanns Sell 58-Acre Farm

SHREWSBURY—Ray Stillman and associates report an active winter market. Among the transactions arranged by them was the sale of Triple Brook farm, one of the few remaining colonial homes in Monmouth county.

As designated by its name, the 58-acre farm is partially bounded by three fast-flowing brooks. Mostly tillable, it is on Pleasant Valley rd., Houndell, in the heart of the county's most fertile farming area. The seven-room colonial home, with an entrance door to the center hall, was built about 125 years ago. It has been carefully preserved. Wide board floors have been restored to their original condition and the house throughout has been completely modernized. Caretakers' quarters are at one end of the house. Outbuildings include a large barn, four-car garage, numerous chicken houses and turkey pens with runs. Norman P. Bate, the purchaser, is in the wholesale lumber business in North Jersey. Mr. and Mrs. Harold P. Kurzmann, the sellers, have moved to New York City.

Mr. and Mrs. O. Edwin Davis, Jr., who formerly resided on Garden rd., Little Silver, have purchased the James N. McPhee property at 40 Foster st., River Plaza. The property consists of about a quarter of an acre of attractively landscaped grounds and a modern, six-room cottage. The Davis family have taken possession and are now enjoying their new home.

The Stillman agency consummated a dual transfer of properties between Louis T. Grandinetti, builder of Shadbrook rd., Shrewsbury, and Mr. and Mrs. Kenneth Duncan. Mr. Grandinetti purchased the Duncan property, consisting of lot 50x125 feet at the corner of Broad st. and Monroe ave., Shrewsbury, as an investment.

The Duncans are now occupying their new residence, constructed by Mr. Grandinetti on Laurel ave., Little Silver. The semi-ranch type home has a large living room, tile kitchen, four bedrooms, two tile baths, attached garage, and is surrounded by a large lot with foundation plantings around the house.

Post Band, WAC Team At Carlton for Polio

Paul Petersen, manager of Reade's Carlton theater, yesterday announced that a special program will be held in the theater Monday at 8:30 p. m., featuring the Fort Monmouth band and the WAC drill team.

The military aspect is in line with Fort Monmouth's efforts to aid the March of Dimes. Following their performances, WAC team members will tour the theater with coin boxes to collect the donations of the patrons. Mr. Petersen said the theater will show a "polio trailer" next week. He will open the campaign there Sunday night and continue it through the following Saturday.

Officer Cleared As Fire Suspect

FREEHOLD—Lieut. Edward J. Morrison, 23, Fort Monmouth, who was questioned for several hours in connection with the fire Jan. 10 which wrecked the Log Cabin Inn, Oceanport, was released by authorities last Thursday after lie detector tests which lasted nearly three hours.

Lieut. Morrison, whose home is in West Virginia, had been parked in his car near the fire shortly before it was discovered. He was held for psychiatric tests and ordered held for 30 days in the county jail after arraignment in Oceanport on a disorderly conduct charge.

An instructor at the military post, Morrison denied the allegations under questioning by County Det. Capt. William S. Mustoe and George Scherff, of the National board of Fire Underwriters. An army psychiatrist conducted three lie detector tests at the prosecutor's office which cleared him.

Capt. Mustoe said it is believed the fire was incendiary because it started early in the morning during a heavy storm in a building closed several years and without heat or lights connected. The inn is owned by Frank Squillante, Long Branch.

Musical Show Set For April 18-19

The community planning board of Congregation Bnai Israel has announced that it will present "Community Capers of '53," a musical production, at the Willow Street school, Fair Haven, Apr. 18 and 19.

Because of the success of last year's show, the group's first such effort, it was decided to add a third performance this year. In addition to the night performances Saturday and Sunday, Apr. 18 and 19, a matinee will be staged Sunday.

The cast was completed this week after a few months of auditions and rehearsals are being held weekly at the Jewish Community Center on Riverside ave.

The show is under the direction of Ben Greenwald, Nat Joseph, Phil Shapiro, Izzy Breslow and St. Friedman. Evelyn Yaffee is in charge of choreography.

Clubwomen Plan Valentine Dance

The evening department of the Red Bank Woman's club will hold a Valentine dance Saturday night, Feb. 14, at the Molly Pitcher hotel. The entire proceeds will be sent to the Kessler institute, the club's welfare project for the year.

Mrs. Mahlon Grimes, chairman, announced committee aides at a meeting Monday. They include Mrs. Leo Rocco, Mrs. Clarence S. Gale, Mrs. William Lee, Mrs. Harry Schnabel, Mrs. Samuel Diggle, Mrs. Richard Morris, Mrs. Kenneth Burger and Mrs. Kenneth McConnell.

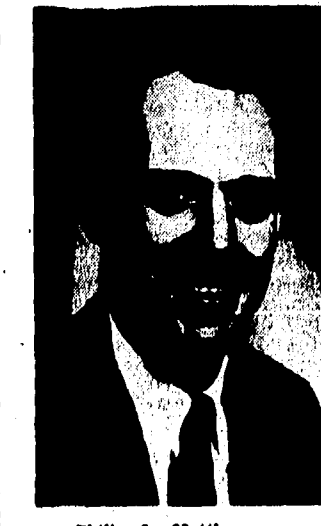

The executive board will meet Monday night at the clubhouse, and the arts and crafts department Wednesday, Jan. 28, at the clubhouse.

Miss Marie LeFebvre, assistant to the director of consumer relations of the Celanese corporation of America, was the speaker and illustrated her lecture with fabrics made by her firm. She gave as a prize, a dress length of the firm's newest fabric to Mrs. Karl Jansky.

Mrs. Wenner Spoel arranged the program.

Guests were Mrs. Herbert Blake, Mrs. George Koenig and Miss Lois Drake. The girls' ensemble of Red Bank high school will present the program at the next meeting, Feb. 2.

Matthews Brothers Expand Business

Philip L. Matthews

Richard Matthews

Robert E. Matthews

Matthews Brothers, Newman Springs rd., local dealers for Willys and foreign cars, have purchased the garage building at the corner of Newman Springs rd. and Henry st. from Elmer Brown of Oakhurst. Located on a 50x150-foot lot the garage was built a year ago and is 30x15 feet in size.

Philip L. Matthews, senior member of the firm, told The Register this week that his company will

build a 30x40-foot addition to the building this spring and open it as the firm's body shop branch.

The company, which has been in the body business here 10 years, now operates body shops on Newman Springs rd. and at Long Branch, where it has the Hudson agency. The two shops will be consolidated in the newly purchased building, which will also house the firm's paint shop.

Mr. Matthews said "we will install the most modern equipment available, and our skilled mechanics will continue to turn out the same high-quality work for which we have established a reputation."

Other members of the firm are Richard Matthews of New Shrewsbury, who joined the organization in 1949, and Robert E. Matthews of Little Silver, who came in the firm in 1951.

War on Pigeons Takes Shape Here

Due to complaints by local residents, the Red Bank police and health departments are joining in a campaign to rid the borough of loose pigeons.

According to most of the complaints, pigeons are causing considerable property damage and are a potential public health menace. The Red Bank health code makes it a violation for any owner of fowl, including pigeons, to allow them to run or fly at large in the borough. Since no one in Red Bank has been licensed to keep pigeons it is assumed that they are stray or unowned pigeons. Owners of pigeons in surrounding municipalities are warned to keep their birds confined, at least for the month while the local campaign is on.

RBCB Displays Winning Photos

Seventy-two winning photographs made by high school pupils in all parts of the country will be exhibited at the Red Bank Catholic high school from Monday through Feb. 6 under the auspices of the Red Bank Catholic Photography club.

Selected from among winners in the fifth annual National High School Photographic awards, the display includes the first, second and third prize winners in each of the four classes into which the contest was divided. All special merit and first honorable mention prize winning prints are also included in the show. The National High School Photographic awards is a picture-taking competition sponsored by Eastman Kodak company.

Featured in the exhibit is the grand prize winning photograph made by Georgia Harwood, a pupil at Madeira school, Va. This photograph, "Summer Surf," shows three young girls running barefoot along a wave-washed beach. This is the first honorable mention taken by a girl who won top awards, which total \$600 in cash.

The photographs in the exhibition represent the work of pupils from the ninth to the twelfth grades, inclusive. A total of \$3,500 in cash was divided into 337 awards.

While prints entered in the contest were no larger than 7x7 inches, the maximum size permitted, the salon prints sent out by Kodak for this exhibition are enlargements displayed in 12x15 inch mounts.

The exhibit features a wide range of subject matter. Everything from photographs of school activities to scenes, studies, and scenes of everyday life are included.

Judges in this year's National High School Photographic awards were C. K. Eaton, director of the department of photography at the Art Center school, Los Angeles; Dr. Joseph M. Murphy, director of the Columbia University Scientific Press association, and K. W. Williams, manager of the photographic illustrations division of Eastman Kodak.

PTA Members Hear Officials

LITTLE SILVER—There were 100 members at the covered dish supper of the Parent-Teacher association Tuesday when Mrs. Thomas H. Glassey was assisted by the following room mothers as hostesses: Mrs. A. P. Hagen, Mrs. E. A. Armstrong, Mrs. A. N. Fonskov, Mrs. R. T. Morkel, Mrs. Hilton Smith, Mrs. D. W. Plahn and Mrs. F. W. Longcoy. The tables were decorated with nosegays of heather and white pom-poms.

Mrs. Charles Edelmann, president, held a short business meeting at which Mrs. R. T. Mavor read a report on the budget. Mrs. Benedict Levin presented a resolution which was adopted, urging the Assembly to act favorably on the state aid for school program.

Mrs. Carl Borgeson, program chairman, introduced Councilman George K. Weigel, who described the functioning of the borough council. Mrs. Borgeson then introduced Lester W. Taylor, president of the school board, who outlined essentials of that organization. The school election is Tuesday, Feb. 10. This time the borough will be voting on the school budget and to fill two places on the board of education.

A public hearing on the school budget will be held at 8 tonight. At this time it will be possible for residents to ask questions about the items to be voted upon.

The school library is open three afternoons and two mornings each week. Mrs. Harold F. Meyer, library chairman, reports there are about 25 assistants. Anyone wishing to work in the library next summer should call Mrs. Alfred Mack.

Attend Third Coast Guard District Meeting

Among those attending the sixth annual conference of the Third Coast Guard district held Sunday at the Hotel Astor, New York City, were Harold I. Melnick, Jersey shore division captain, U. S. C. G. auxiliary; Walter A. Morton, Fair Haven, commander of Flotilla 311, Red Bank; Fred Lohr, Portaupeck, vice commander; Ithor Nordrum, Red Bank, district training officer; and Herman J. Carter, Eboron, district public information officer.

The aims for 1953 of the Third Coast Guard district were discussed, the principal speaker being Rear Admiral Louis B. Olson, commander of the district.

Borough to Increase Sewer Rate To One-Half of User's Water Bill

Bob Hennessey Retires from Pru

HIGHLANDS—Robert J. Hennessey of 28 Twilight rd., this place, staff manager of the Prudential Insurance company, will retire Feb. 1.

Robert J. Hennessey

Mr. Hennessey joined the Prudential as an agent in 1916, operating in Highlands. In 1917, he was called in the Army and served in France with the 311th Infantry. Following his discharge, he rejoined the insurance company and was later promoted to staff manager, the position he held at the time of his retirement.

Prudential's president, Carol M. Shanks, sent the following message to Mr. Hennessey:

"May I take this occasion to express to you our very real appreciation of your many years of faithful Prudential service. It is our sincere wish that the rest you have so well earned will prove beneficial to you in every way."

Mr. Hennessey is a former member of the Highlands borough council, board of education and planning board. He also was president of the Holy Name society and is a past commander of the American Legion and Veterans of Foreign Wars.

March of Dimes Seeks \$3,300 Here

Richard D. Porter of 108 Manor dr. has been appointed chairman of the March of Dimes for the Red Bank area. The goal is \$3,300.

Richard D. Porter

In reporting that the campaign is now moving into high gear locally, Mr. Porter this week prepared to mail letters appealing for funds to all residents.

Members of the ladies' auxiliary of Shrewsbury post, American Legion, are assisting. Led by Mrs. Ruth Bailey, captain, a committee consisting of Mrs. Harold Ely, Mrs. Thomas Hackett, Mrs. Helen Brancy, Mrs. Mortimer VanSauter and Mrs. John Hammond have placed "Iron Lung" coin containers in business places here. At Red Bank high school, District Clerk Paul Young reported that posters and coin boxes have been placed in each classroom.

Many special events are to be held in connection with the drive, plans for which are being made by Mrs. Louise Bradley. One feature will be an appearance Monday night at the Carlton theater of the Fort Monmouth band and a WAC drill team.

Mr. Porter recently moved here with his family from Essex county, where he was active in community affairs. Son of the late Justice Newton H. Porter, he practices law at offices in Newark. Educated in Montclair schools, Mr. Porter was graduated from Upsala college and John Marshall law school.

Red Cross Home Service Aids Many

SHREWSBURY—Three hundred and twelve cases were aided by the home service department of the county Red Cross in December. It was announced today by Mrs. Donig-Crank. This represented 17 more than the previous December. Loans of \$468.50 and grants of \$80.80 were made.

Volunteer help interviewed 40 persons while social case workers of the regular staff interviewed 66, and the director, 19. In addition many field visits were made. These persons represent county residents, servicemen stationed at county posts and their families.

HIGHLANDS—Borough council Monday night introduced an amendment to the sewer ordinance calling for an increase in the sewer district low rate charged residents here from one-third the amount of water billing to one-half the water charge. Public hearing on the amendment was set for 8 p. m. Monday, Feb. 2.

Present sewer charges, in effect three years, call for one-third of the amount charged for water. The amendment would raise this charge to one-half the user's water bill. In urging that the amendment be adopted, Mayor Charles Hatzenbuehler said the sewerage system was taken over on the advice of William A. Steinkopf, Jr., borough auditor, because, the mayor said, "we can't operate the sewer plant on its current average income of \$11,000." Although the increased income will not provide for "necessary changes later on," Mayor Hatzenbuehler continued, the rate hike "will keep the sewer plant from falling farther behind."

Site Sale Approved

Council unanimously adopted a resolution authorizing the sale of the site of the former borough incinerator, which comprises 14 lots, for \$13,000 to the municipal housing authority for the site of "Jenette Parker Manor," the proposed 20-unit low-rent housing project here. Authorizing the mayor to close the sale, the resolution provides that the authority will make all necessary installations of utilities. Councilman Alexander Bahns added that the authority, in addition to installing new water mains, will improve streets in the vicinity of the proposed construction.

Construction of the \$392,000 project is tentatively scheduled to begin Apr. 1. Clifford E. Schenck, authority chairman, has said. The authority plans to advertise for bids about the middle of next month and award contracts Mar. 15. The project will consist of two buildings two stories high and another of three stories. It will contain three, four, five and six-room apartments, a play area for children and parking facilities.

To Consider Advice

Council will consider, during a budget preparation session, a letter from Otis R. Seaman, borough engineer, urging the borough to seek state aid in the replacement of riverfront bulkhead along Marine pl. Total cost of the 1,333 feet of replacement was estimated by Mr. Seaman at \$39,400. He said the state could contribute 50 per cent, the county 15 per cent and the borough 35 per cent of the project cost.

Borough Clerk Frank Bolen was authorized to advertise for bids for the 1953 garbage collection contract, to be received at a special meeting Thursday, Feb. 4. The advertisement will ask for alternate bids: One on the current pickup schedule of three times per week during the year, except between the last Wednesday in June and the second Wednesday after Labor day, when daily, except Sunday, collections are maintained; another providing daily summer collection only to places of business. The current garbage collection contract expires Mar. 10.

Efforts Toward Park

Early in Monday night's meeting, Mayor Hatzenbuehler took pains to show that borough officials had made preparatory efforts toward having famed Twin Lights become a national shrine. Stating that it was an answer to a letter from the borough dated Sept. 7, 1951, a letter from Rep. James C. Auchincloss dated Sept. 24, 1951, pledged support for council's cause. The Congressman's letter asked whether material of historic nature were available for display at the Twin Lights. The mayor added that official letters also have been sent to the General Services administration and to the National Park service. The borough asked the General Services administration to assign the site to the National Park service, which then was asked to make the lighthouse a national park.

A letter from Oscar Blum, Roselle real estate broker, who owns property at 178-79 Bay ave., was referred to Borough Attorney John M. Bishoff. The attorney stated litigation in connection with the Bay ave. property and made mention of a \$100,000 civil action.

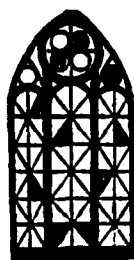

Council granted a trailer park license to C. H. Bennett of Laurel rd. for a park on Ocean blvd. at rt. 36, approved payment of \$3,979.39 in bills and confirmed Mayor Hatzenbuehler's appointment of John Root as a two-year member of the local assistance board.

In reply to protests voiced by James Kinlan against an increase in total assessments—which Mr. Kinlan declared will mean an increase of \$4,000 to the county—the mayor and Mr. Pillsbury told him that his objections, however valid, could not result in correction of the controversial issues when the protests were addressed to borough council, and that they should be directed to the board of assessors.

The light of Truth as revealed in Christian Science enables man to enjoy increased harmony in human experience. This thought will be elucidated in the Lesson-Service, entitled "Truth" to be read in Christian Science services this Sunday.

"Eternal Truth is changing the universe. As mortals drop off their mental swaddling-clothes, thought expands into expression. 'Let there be light,' is the perpetual command of Truth and Love, changing chaos into order and discord into the music of the spheres." The foregoing will be among the citations from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, (p. 255).

Among the correlative citations from the King James version of the Bible will be the following: "And God said, Let there be light: and there was light. And God saw that the light was good: and God divided the light from the darkness." (Gen. 1:3-5).

The Golden Text is from Psalms: "O Lord God of hosts, who is a strong Lord like unto thee? or to thy faithfulness round about thee? Justice and judgment are the habitation of thy throne: mercy and truth shall go before thy face." (88:1-4).

Port Monmouth

Compositions by Col. Gaither To Feature Concert by Symphony

FORT MONMOUTH—Two short excerpts from "The Pakhol Suite" by Col. Loren E. Gaither, director of Evans Signal Laboratory, will be played by the Monmouth Little Symphony at a concert to be given in the Asbury Park high school auditorium next Tuesday evening.

Col. Loren E. Gaither

"The Pakhol Suite" consists of a series of short musical pictures sketched by Col. Gaither while serving in the China-Burma-India theater with the 14th Air Force during World War II. The numbers included on Tuesday's concert program are: "The Bengal Nocturne," picturing night impressions along the lower Ganges valley, and "The Vigil of Lao Bing," "Lao Bing" being Peking dialect for "an old soldier."

A native of Arkansas, Col. Gaither holds degrees of B. S. and Electrical Engineering from the University of Colorado. He entered military service in 1945 as a second lieutenant, and since then has had an active military career in the field of communications. In addition he is well known as a musical composer both in the United States and Europe. Concerts of "all-Gaither" music have been presented abroad by the Weisbaden symphony orchestra and the Heidelberg symphony orchestra. His symphony compositions also have been performed by the Oakland symphony in California under direction of Dr. Orley Sec.

The Monmouth Little Symphony also will include a recital by Sidney Harth, violin soloist of Cleveland, O., who will play Mendelssohn's "Violin Concerto." Mr. Harth, recent winner of the Naumburg music scholarship, has performed concertos throughout the United States, and soon will make a concert tour abroad.

In addition the orchestra will play the "G Minor Symphony" by Beethoven and two movements from Brahms' "Choral Prelude."

The Monmouth Little Symphony, originally known as the Spring Lake Symphony, was organized about 1940. It presently is under direction of Louis Miraglia of Oakhurst.

Edwin Dobson Back After Ten-Day Cruise

ATLANTIC HIGHLANDS—Edwin Dobson of 111 Bay ave. here arrived in New York city late Tuesday aboard the Edward White Star liner, Caronia, which docked at pier 50, North river, after a cruise to the West Indies and South America. The cruise ship logged the 2,000 mile voyage to the tropics and back in ten days. Passengers went ashore at Havana, Curacao and La Guaira for sightseeing trips.

Shore Camera Club Discusses Lighting

LONG BRANCH—Essential techniques of lighting were discussed at a meeting of the Shore Camera Club last week at the Garfield-Grant hotel here. Subjects discussed included handling objects of high polish; controlled lighting in order to create moods and patterns and schemes of patterns to lend beauty and charm to everyday objects. A. R. Cobia of Asbury Park, publicity chairman, said this week.

Selected from 20 entries, six color slides will be submitted to a calendar contest. The chosen slides were submitted by Mrs. Celia John W. Carr of Ocean Grove, William Kemble of Wanamassa, P. O. Gregory of Navalink and Robert Matthews of Long Branch. Rudolph H. Poll of Long Branch was welcomed as a member of the club.

Firm Seeks Time To Open Channel

KEYPORT—C. C. Galbraith and Son, Inc., boatbuilders here, with a showroom on West Front st., has made application to the Army's Corps of Engineers for an extension of time to complete the opening of a 65-foot wide channel to its boatyard. The application renewal indicates that the firm will attempt to improve the channel at its own expense—an important waterfront improvement, it is felt here—that would make possible greater commercial use. The application requests a time extension for the completion of work in Matawan creek and Luppattong creek here, authorized in a permit issued in 1949. According to plans on file the boatbuilding firm proposes to enlarge the existing marina through the construction of pile and timber bulkheads of more than 80 mooring piles and an 8x30-foot float. The firm proposes to dredge an entrance channel five feet below mean low water, 65-feet wide, from the southerly channel limit line of Matawan creek to and within the enlarged marina. Dredged material is to be placed behind the proposed and existing bulkheads.

Elected Secretary

Of Red Cross Directors

SHREWSBURY — Mrs. Bernard White of this borough was elected secretary of the county Red Cross board of directors last Thursday to fill the unexpired term of Mrs. William T. Plum of Rumson. Mrs. White, who has held a variety of offices in the chapter in her five years of active service, has been chairman of the fund campaign in Shrewsbury and a volunteer social welfare aide. She is secretary of the planning committee for the county campaign and was vice chairman of the annual meeting committee in 1952. She is president of the Junior Service League of Red Bank.

Mrs. Bernard White

Mrs. Plum tendered her resignation from active volunteer work after 35 years of service in a variety of departments. She had worked for many years in Braille service, and served as vice chairman of volunteer special services during World War II. She has been made an honorary member of the board.

Mrs. Plum has received a commendation from Harold B. Nearman, manager of eastern area of Red Cross, for her long contribution to humanity.

Farrell Asking Police Increase

SEA BRIGHT — Councilman Thomas Farrell, chairman of the borough's police committee, disclosed Tuesday he is asking an average ten per cent. across-the-board wage increase for Sea Bright's four police officers this year.

He said he made that request when the mayor and council held a caucus meeting Monday night to sum up likely budget expenditures for 1953.

While there is no indication just what the budget and the resultant tax rate will amount to, Mayor George H. Krauss recently told a reporter "not to be surprised" if more is asked this year. At the time, the mayor said such things as the necessity to make major repairs at the municipal sewer plant would drive figures upward.

It is known that the governing body set up a preliminary set of figures Monday and these were forwarded to Perth Amboy for study by Borough Auditor Joseph J. Seaman. The auditor is expected to make a report on the budget at council's next meeting, Tuesday, Jan. 27.

Councilman Farrell said he is asking a total of \$16,100 for police salaries this year, compared with \$14,605 spent last year. The change would bring the pay of Police Chief Gilbert Boyer from \$4,025 up to \$4,450; Capt. George Dougherty, from \$3,680 to \$4,050; and Patrolmen Stanley Renshaw and Charles (Skipper) Carlson, from \$3,450 to \$3,800.

Another budget item Councilman Ralph W. Lawrence, fire chairman, said he would request is money for part payment of a new fire pumper. The state civil defense organization is being asked to participate in the purchase of this equipment.

Whatever budget increases may be in store, Mayor Krauss said earlier that "our efforts here have always been pointed to economy and the lowest possible tax. That effort will be continued."

Bake Sale Tomorrow At Leeds Hall

MIDDLETOWN — A bake sale will be held tomorrow from 1 p. m. at Leeds hall by the Middletown Village Parent-Teacher association. Final plans for this event were made at a meeting last Thursday night at the school. Proceeds will be used to purchase permanent costumes for the annual school Christmas program. The committee comprises Mrs. Jack Preston, Mrs. Charles Adams and Mrs. W. W. McElwaine.

Miss Ruth Scattergood, school principal, has requested volunteers to work on the costumes and said patterns and materials will be available at the next meet.

An invitation from the Leonardo Park was read for all to attend a meeting next Monday at 8:15 p. m. at the Leonardo school, at which candidates for the Middletown township board of education will be heard.

A letter was read from Mrs. Burdette, county P.T.A. president, concerning a cookie parade for the radar base of Monmouth county the week of June 15.

All members were urged to save articles suitable for the rummage sale the P.T.A. will sponsor in March.

Refreshments were served by Mrs. Malcolm Brenner, Mrs. B. H. Kenyon and Mrs. Loren M. Nuss, Jr. The next meeting will be held Feb. 19.

BIRD BATH STOLEN

LEONARDO — Mrs. William TenCate of Highland and Appleton aves. here reported to Middletown township police Monday the theft sometime Saturday night or Sunday of a wrought-iron bird bath more than 50 years old from the lawn of her home. Mrs. TenCate placed the value of the bird bath at about \$80. She said the piece, which depicts a Cupid holding aloft a crucible, had been in her possession more than ten years.

Woman's Club Has Writing Contest

A program, "Home Talent," featuring writings by members of the Red Bank Woman's club was given at the club meeting Friday. Mrs. Frederick P. Dugan, literature chairman, was in charge.

Mrs. Frank A. Hayes took first prize with her poem, "The Cycle," and Mrs. William P. Rogers was second with her short story, "So We Moved to a Garden Apartment." Miss Florence Kridel's entries, "The Three Strange Incidents" and "The Full Circle," received honorable mention.

Also participating were Mrs. Lester Stork, the club president; Mrs. L. C. Richardson, Mrs. Leslie D. Seely and Mrs. George W. Steffen.

Mrs. Benjamin Crate read "Spring Snow Flakes," a poem written by Mrs. W. T. McDowell in the 1923-24 club year. The poem took first prize in a state creative writing contest. She also read "Roots," a poem by Mrs. Helen Honigman Soons, also a club member, who won first place in the state contest, and third in the national contest.

The choral, directed by Mrs. Geza DeVegh, rendered several selections. Mrs. Mavor Campbell, who has lived in Korea, told of her experiences there.

The garden department will meet Tuesday, Feb. 3, when Mrs. Crate will speak on "Birds."

Mrs. Stork named Mrs. Dale Ott to assistant treasurer. A new member, Mrs. Harry M. Welsford, was introduced.

Scout Council Has Election

LITTLE SILVER — Mrs. Nell Smith was elected president of the Little Silver Town Council for Girl Scouts Monday at the home of Mrs. J. M. Gordon on Lovett ave. Plans were for a flower show and a court of awards.

Also elected were Mrs. Winfield W. Hance, vice chairman of the Northern Monmouth County Council of Girl Scouts, as vice chairman of the town council; Mrs. Patsy Zambrano, recording secretary; Mrs. Harold Gebhaus, corresponding secretary, and Mrs. Robert Becker, treasurer. Chairmen include Mrs. Gordon, organization; Mrs. Joseph Pace, Juliet Low observances; Mrs. W. G. Yodice, camp activities; Mrs. Lawrence Pick, training; Mrs. Russell Hathaway, nominations; Mrs. W. Gordon Pagdin, supplies; Mrs. Charles Edelmann, registrar; Mrs. N. C. Clifton, program, and Mrs. H. H. Gere, publicity.

Mrs. Pace said the Scouts and Brownies will hold a birthday party meeting Mar. 13 honoring the founder of Girl Scouts, Juliet Low. A court of awards for intermediate and senior scouts will be held early in May, followed by a court of awards for Brownies later in the month.

Mrs. Hathaway, Mrs. Gere, Mrs. Powell Bayland and Mrs. Joseph Lord will be chairman of the flower show May 7 at Embury Methodist church. There will be a sale of garden plants in March, and a poster contest in April, in connection with the show. The committee has arranged the show with the scouting program so that working in this will enable scouts to earn various merit badges.

Coast Auto Sales Consolidates Lots

SHREWSBURY — The consolidation of two used-car parking lots maintained by Coast Auto Sales, Inc. at 416 Broad st. here and at 149 Monmouth st., Red Bank, was completed last Thursday at the lot at Broad st. and Newman Springs rd. here.

Leo Wood, president of the firm, said this week that the Monmouth st. lot was purchased by James Lang, who will build there. The firm operated both lots for about five years, he said.

Mr. Wood lives at 416 Harding rd., Fair Haven. Kai Roth of 1 Manor dr., Red Bank Manor, is secretary-treasurer of the firm, which specializes in used cars and station wagons, with occasional truck sales. Mr. Wood says the company has sold as many as eight cars to one family, with customer-return one of the mainstays of company operation.

Employees of the firm are Angelo Barolotta, who also lives on Manor dr. and Joseph Carter of Asbury Park.

Women to Attend Workshop Clinic

Mrs. F. Lawton Hinde of Red Bank auxiliary of Riverview hospital, and chairman of the Riverview hospital's new Coffee and Gift Shop, attended a planning meeting of the New Jersey Association of Hospital Auxiliaries at St. Michael's hospital, Newark, this week. Women from all sections of the state met to arrange the association's next meeting Tuesday at St. Michael's hospital.

The Tuesday meeting will be a clinic workshop on volunteers serving within a hospital. Members of the Red Bank auxiliary who will attend include Mrs. Rolston Waterbury, president; Mrs. Clifford Doring, chairman of volunteer workers at Riverview, and Mrs. Hinde.

The Red Bank auxiliary will meet Thursday, Feb. 5, at the Red Bank Woman's club.

'Y' to Send Out Leaflets on Drive

Schuyler VanVechten, Jr., publicity chairman and one of the directors of the Red Bank Community Y.M.C.A., has announced the launching of a new phase of the annual fund-raising campaign.

"Members of the 'Y' have prepared leaflets," said Mr. VanVechten, "which show pictorially and in a few words what the Y.M.C.A. is trying to accomplish on a local level for the boys and girls of this area."

"We want everyone to know," continued Mr. VanVechten, "that your contributions are making it possible for children and teenagers in the Red Bank area to have a place they can come to and meet their friends and join in wholesome activities the year around."

The leaflets will be distributed throughout the community by boys and girls who are actually members of the "Y." The home owner will have a chance to talk to them and learn first-hand what their contributions are doing for the "Y" and for the youth in this area. At a later date members of the fund-raising committee will contact residents in specific areas for their contributions.

The pictures of Ruth Lewis and Richard Finelli appear on the cover of the leaflet. Taking part in various activities, pictured on the two inner pages, are Stewart Werner, Fred Massey, Robert Babcock, Floyd Kemble, Stewart Lowenberg, Edward Fitzhugh, Henry DeLuca, Tommy Stanton, Shirley Lewis and Betty Lou Chisholm.

Mr. VanVechten said he hoped people would continue to be the generous donors that they have been in past years so that the "Y" need not curtail any of its necessary activities and services that has always made it an outstanding organization.

First Formal of Junior Assembly

The Junior Assembly of the Ethel Mount Moxar School of Dancing held their first formal dance of the season at the studio, 117 Prospect ave., last Saturday evening. Miss Moxar, assisted by Miss Janet Smith and Warren Carter, conducted the dance. Music was provided by Charles F. Gotschalk. Refreshments were in charge of Miss Helen L. Fales and Mrs. Ethel Smith.

The members of this ballroom group of teenagers are: Judy Allen, Rosetta Ammon, Ellen Bennett, Penny Bayland, Sheila Burr, Catherine Burrows, Ann Cornwell, Barbara Delatash, Peggy Elgrim, Judy Enright, Anne Gagnabin, Diane Gaynes, Lee Gilbert, Patricia Heermans, Fay Hodgkins, Connie Hoyt, Kay Iselin, Mary Ellen Jones, Sue Jones, Jean Labrecque, Karen Lindsey, Mary Ann Lynch, Elena Marsulla, Joanne McManus, Betty Jean Measler, Joan Morford, Margaretta Reed, Nancy Ross, Ellen Scherer, Diane Tillotson and Jane Travis.

Also David Barr, Dan Brophy, Gardner Brower, Robin Burnside, William Crome, Jerry Draw, Edwin Egeland, Douglas Fredericks, Richard Goodwyn, Peter Grad, David Hitch, John Hillier, John Hirsch, Douglas Hollywood, Joseph Hunter, Arthur Jacobson, James Klenk, Tommy Labrecque, John Lucas, Clement Lyons, William Naughton, Walter Noble, Frank Pignataro, Robert Reussile, John Sangston, Henry Scaccia, James Sullivan, Peter Williamson and Donald Zifchak. Guests were George Carter, Lawrence Carlton, Jr., William Ehrhart, John Johnson, Robert Perrine and Thomas Schultz.

The second term of the Junior Assembly starts February 2 and new members meet three-quarters of an hour earlier than the regular session for elementary instruction.

50 Million Americans Must Pay Income Tax

(First of Six Articles on How to Make Out Your Federal Income Tax Return.)

By FRANCIS J. KELLY
A.P. Newsfeatures Writer

WASHINGTON—Everybody from baby to grandpa who has an income of \$600 or more a year must file a federal income tax return.

Those 50 million persons have one consolation this year—the government hasn't changed the rules. Since Nov. 1, 1951, individual income tax rates have neither gone up nor (alas) down. The same exemptions and deductions you used last March apply when figuring the tax on your 1952 income.

The rate increase Nov. 1, 1951 averaged about 11 per cent for most taxpayers. But since the boost was effective for only one-sixth of that year taxpayers will feel its full impact for the first time when paying their 1952 taxes.

Time Is Getting Short

Returns are due on or before Mar. 15, which means you have just eight weeks to brush up on your arithmetic and dig out any needed receipts or cancelled checks.

The returns are sent to the director of internal revenue for the district in which you live. Your bank or post office can furnish you the address.

It's to your advantage to file a return even if you made less than \$600 last year, in a job covered by the withholding tax. Such income is tax-free, and you'll get a refund check from the treasury. The sooner you file, the quicker the refund.

Self-employed persons who come under social security must file an income tax return if their self-employment brought them \$400 or more last year. This tax, covering old age and survivors' insurance, is regarded as income tax. It is computed on separate schedule C, and entered on page 1 of Form 1040. There are two key acts of figures in preparing your income tax return—your total income from all sources, and allowable deductions. These will determine the type of return form you use, and whether you itemize your non-business de-

Red Cross Branch Plans to Enlarge Service Program

Volunteers Needed
Now for Blood Donor
Recruitment, Promotion

SHREWSBURY—More than 40 volunteers attended a special meeting of the Red Bank branch of the county Red Cross Monday at the chapter house on Broad st. Plans were set up for an active program in all Red Cross services, mainly recruitment for blood donors.

The needs of the blood program to obtain blood not only for the Armed forces in Korea, but for

the national Red Cross gamma globulin program to be used in the fight against polio, were stressed by the speakers, Mrs. James H. Grady, Jr., branch chairman and chapter chairman of blood mobile visits; Miss Lucy E. Tompkins, executive director of the county Red Cross, and John Dixon, branch fund-raising chairman.

With regards to the blood donor program, Miss Tompkins said a special orientation meeting will be held Thursday, Feb. 11, at the chapter house, starting at 10 a. m. The morning session will be devoted to Red Cross services for volunteers, and at the afternoon meetings, Randolph Beardsley, chapter chairman for blood for the Armed forces, and Paul Hancock, director of the Plainfield Defense Blood Center, will go into details of the blood program. The public is invited to the session.

The chapter's director then explained some of the jobs for vol-

unteers in Red Cross services. First aid needs people to work in recruitment and promotion and Miss Tompkins pointed out that the National Red Cross and Civilian Defense officials have agreed that Red Cross be ready to train individuals not only in first aid, but also in home nursing. The chapter is ready to do this, she said, but volunteers must obtain individuals to take the course. She remarked that the chapter has conducted a special course for mothers and for prospective fathers and mothers. These courses were taught by registered nurses.

Miss Tompkins also told of an urgent need for typists and for people to help with the public information program. Junior Red Cross, too, needs help, she said, and this group has an active program in operation in the schools. She asked for volunteers in the services of motor corps, Gray Ladies, canteen nurses' aides and social wel-

fare aides. However, anyone wishing to help in the social welfare field must first take a training course from Red Cross, and must be prepared to give many hours of service, several times a week. Volunteers are needed to work at the blood donor desk at the chapter house, and at the visits of the bloodmobile in various sections of the county.

Miss Flora Willgus, branch production chairman, told of the work done by her group, of the making of layettes for needy families, and of making draperies for several barracks buildings at Fort Monmouth. Her production workers also do mending for Public Health Nursing associations in the area, and for Monmouth Memorial and Pitkin hospitals.

Branch officers include Mrs. Grady, chairman; Mrs. M. R. Stoecker, vice chairman; Mrs. F. L. Horton, secretary, and Mrs. Samuel S. Adler, treasurer. Service

chairmen include Miss Willgus, production; Mrs. Frank Arnone, junior red cross; Mrs. Tony E. Hunting, home nursing; Mrs. Joseph T. Gaus, public information, and H. C. Barnard, finances. Other service chairmen will soon be named.

Branch auxiliaries represented at the meeting were Sea Bright, Holmdel, Highlands, Eatontown, Rumson, Fair Haven, Little Silver, Shrewsbury, Atlantic Township, New Shrewsbury and Shrewsbury township.

Holcombe Ward, chapter chairman, also stressed the need for more volunteers. He congratulated the branch on its plans for an enlarged and active program.

Volunteers attending included Mrs. J. P. Adair, Mrs. Albert L. Addis, Mrs. Lewis E. Arnold, Mrs. A. F. Bahr, Mrs. Clarence Berger, Mrs. P. J. Bowers, Mrs. R. B. Brown, Mrs. L. A. Bruck, Mrs. H. C. Burrows, Mrs. G. W. Butler,

Mrs. Edward H. Conway, Sr., Mrs. B. A. Cater, Mrs. C. H. Dennis, Mrs. C. S. Despard, Mrs. R. D. Emery, Mrs. R. R. Forrester, Jr., Mrs. Edmund G. Fraser, Mrs. P. M. Goodwin, Mrs. A. E. Hagameir, Mrs. M. P. Haviland, Mrs. J. P. Logan, Mrs. J. F. Lord, Mrs. A. V. Mavor, Mrs. M. M. Taylor, Mrs. F. M. C. W. Inlight, Mrs. C. E. Schenck and Miss Beatie M. Green.

CHURCH TRUSTEES

EAST KEANSBURG—Trustees of Bay Shore Community church here elected at a congregation meeting last week included Daniel Hapburn, Carl Johnson, Robert Krack, Laurence L. Gardner, Mrs. Dolores Shaw, Miss Ann Shaw, Mrs. Grace Spann, Mrs. Blanche Gardner, Mrs. A. C. Owen and Mrs. May Johnson.

SPLITS and MISSES

BY PAUL A. ALBRECHT

Lawes Coal Co. is still way out in front in the Friday Night Red Bank Women's league but Eatonville Radio and Television is on the march and has closed the gap somewhat. Closed it to 7 1/2 games; that is, Dean's Flowers took two from Lawes as Eatonville was doing likewise to Silver's Jewellers. In fact all five matches were 2 and 1 affairs. Globe Petroleum over J. J. Yanko's, Red Bank Recreation over Middle Beauty shop and Airport inn over Strand restaurant. Silver's Jewellers is the newest team in the loop and for quite some time it was down there in the cellar but is now 3 1/2 games out. It is only in ninth place but at the same time, is one game from eighth. Yanko's team is nine games off the pace in third position with Red Bank Recreation and Strand restaurant tied for fourth. Ten games out. Dean's and Airport follow with a 12 and 13-game deficit, respectively. In the last action, Marie Kovalyzyk once more turned on the heat and came up with a new high three games for this loop. Marie had led high three with a new high three of 199, 202 and 194. This is darn good bowling but with it all it just wasn't quite enough as her team, Lawes Coal Co., dropped two games. This ups her average to 175.12 for 42 games with Viv Wilson in second place with 162. Others who went home feeling proud Friday night were Viv Johannemann, 193; Chris Van Treco, 502; Viv Wilson, 193 and 509; Mily Savastano, 193 and 504; Fran Nicholas, 508; Rose Recht, 208; Lena Pezzella, 190, and Edith Schwarz, 198. These girls can really bowl.

That March of Dimes match between the North Shore Church loop and the Shore Church loop will open Saturday night at Red Bank Recreation. Cliff Kunkel is president of the North Shore group and the two teams will be led by Cliff Kunkel, George Patterson, Don Neumann, Hank Davis, Bob Oliver and Dave Cook for the A team; Rutherford Trimmer, Sr., Charles Aigones, Earl Gardner, Leon McLaughlin, John Logan and Jack Williamson as the B team. Gil and Rutt are the two captains. Bill Walling is president of the Shore Church group and at present he is sure of only one man for his two teams and that is his high average bowler, Bill Kargberg. Cliff Kunkel is president of the North Shore league and the one man who has done the most to promote this match down through the years. Cliff gave us the records for the history of this event. It includes 1919, 8125, 1920, 8125; 1931, 8127, and 1932, 8115. What will 1953 bring? You can help make it the biggest year yet by attending the match this Saturday at 8 p. m. and adding your donation. These boys usually put on a good bowling show so it should be a couple of well spent hours.

There was a little action in last week's matches of the Maintenance Engineering Branch league. Ed Stone came up with the loop's first 600 set when he rolled 247, 183 and 171 for 601. The 247 is also the high single game. While Ed was doing his bit, Kenneth White was rolling a different sort of record. Ken had 50 spares in a row. He won through the whole three games without a miss, split or strike. This is something that happens once in a lifetime. It may never happen to Ken again. With it all he had a very good night, 170, 180 and 186. This makes it more interesting as it shows that Ken was getting very good fills with his first ball so he must have been in on that head pin almost every frame. In 30 frames one would think that luck would give him at least one strike, but such was not the case. Nice keeping, Ken, and here's hoping that one of these fine days you can put together 12 straight strikes.

Eatonville did its own clean sweep of last Friday night when they made it a clean sweep of Highlands. This moves Eatonville into the second slot and drops Highlands to third. The Phil Pat's only match was a 1-1 tie with Freehold. Its lead is now only one game. Liberty 1 again lost two games but this time it wasn't from poor bowling. Subby Goltz led off with 180, 223 and 202 for a 605 evening. Pat Ambrosio added a 534, Denny Arnone had a bad first game with 169 so Amory Osborn rolled the last two and showed how to substitute with 216 and 208. Fred Sacco had one of his off nights, so we will not mention him. Lupe Ruffini must quit up to it either, but did manage a 218 game. Liberty's scores were 861, 871 and 808. The 871 was the winning effort but look what Branchport did to them the night before, 1,011. This is bowling. Dan Dillione started it with a 191, Black Veyrols followed with 182 and then 190, 208, 201, Carl Schindler, 223, and Les Howard, 213. The first game was 929 so they, too, rolled good for the night and deserved to win. But Liberty, looking to win also and as long as they keep rolling as they did Friday, we say they have a chance to move into first place by the end of the season.

Union Hose 1 held its one-game lead in B; Liberty 2 lost a game in C as it could only win one game while the leaders were winning two. Little Silver 1 also held its two-game lead in D. In E, Unexcelled 3 increased its lead to five games while losing two. This came about when the third place Freehold 2 team knocked them off and the second place Washington 3 continued its losing to the Red Bank Hook and Ladder 2 representatives. This puts the Hook and Ladder boys in second place and drops Washington and Freehold into a tie for third. It looks as though Red Bank will be in the winner's circle eventually. As one Red Bank team falls into a slump and drops out of first place another team is making its bid. Come on, Hook and Ladder. Liberty 3 also lost two games in F and is now three whole lengths behind the Volunteers and two behind Shrewsbury 2. This Shrewsbury team and Liberty will tangle Sunday instead of Friday as the positions could very well be reversed and we certainly hope this will be the case. Eagles 4 moved into the lead in G by winning one game while the nearest opponent, the 191 Black Veyrols, lost two games. All three lost one game of the big lead by dropping one game of their match to Portaupeck 2, and Avon 3 was making it a clean sweep over Neptune City 2. Yes, the picture in the Shore Firemen's loop is gradually taking shape.

Don't forget those tournaments that are coming up. The Women's Monmouth county tournament will open Mar. 7 at the Red Bank Recreation and the closing date for the entries is fast approaching, so get them in. The state tournament is fast approaching with little time left. This one will be up in Teaneck and we understand the alleys and establishment are beautiful. The lady look like a hotel lobby. The boys should really be on a grand scale. Since the Shore Firemen's league is also on the docket and is a good way to get in practice for the state and county tournaments. Then there is the biggest tournament of all as far as the Monmouth county bowlers are concerned, the county association tournament to be held at the Neptune alleys this year. Everyone is going all out to make the bowlers enjoy themselves at these tournaments so get in those applications. All these tournaments have one thing in common and that is, first come first served. If your application is in early, you are assured of getting the date you ask for. If it comes in late you will have to take what is left. The ten o'clock squad of the Teaneck tournament is as full as it can be, anyone wishing to enter a team will have to roll on the eight o'clock squad. There is room for only 24 teams.

That Monday night Red Bank Businessmen's league is still as tight as ever. A good example of how tight it is DeFallo's Hardware experience last Monday. They won two games and moved up one slot in the standings, but found themselves one place lower in team positions. By this we mean they moved into a tie for seventh place, but having a lower average than the teams they were tied with were moved down one place in the team position on the scoreboard. DeFallo's Nat's Jewellers and Crute's Beverages are the teams tied for seventh place and are six games off the pace. Sals Hardware and Globe Motors are tied for first, Airport Inn, Red Bank Roofing and Sals Barber's are one game back and Baird-Davison is two games back. This means that there is a four-game spread from the sixth place team to the seventh place but the top six are only separated by two games. The cellar dwelling Amuck's Gas Range and Hot Water Repair team are only 12 games back so still have a chance. Yes, this is a tight race.

Point Pleasant Masters Raiders

POINT PLEASANT — Keyport's quiet continued hold tight its cellar berth in Shore Convention competition when Point Pleasant posted a 67-48 triumph over the Red Raiders Friday night on the high school court here.

Sparked by Dave Wetlin's 26 points by virtue of ten field goals and six foul tips, the Garnet Girls registered margins in every quarter to coast to the one-sided triumph. Leigh Miller was the only other Gull to hit the target for double figures as he noted 12 markers on six baskets.

Chick Koenig, Hal Shumock and Rhodas shared the scoring for the losers, each posting ten tallies. Keyport gained some consolation as the Jayvees rolled over the Gulls' junior varsity, 65-45.

Fort Monmouth Five In Polio Benefit

Signleers Meet Fort Dix in Annual March of Dimes Benefit; WACs to Play

FORT MONMOUTH—Three winners in a basketball doubleheader is something for "Believe It or Not." However, that will be the outcome in tonight's twin bill at Fort Monmouth's new field house when the sports feature pairs the Post WACs against Camp Kilmer WACs and Fort Monmouth opposing Fort Dix in the finale of the annual March of Dimes basketball benefit sponsored by Post Special Services.

Naturally the big winner will be the March of Dimes as 2,000 fans, more or less, with their generous donations will add considerably in the post pool fund-raising campaign. Tickets have been distributed post-wide and admissions also will be handled the night of the doubleheader through ticket donations at the door.

This solves the problem of victors but the competitors that evening also express confidence in winning.

Coach George "Mule" Haas, whose Fort Monmouth team will be in the underdog role, is optimistic of pulling an upset. He rates his chances as good, with three new additions in Earl Byrd, Gordon Forbes and Bill Nitchey.

Byrd gives Monmouth added height and experience, as the six-

foot-four former Morman State college star, Baltimore, should prove a big asset. Byrd played two seasons with Duke University, and Nitchey, the third newcomer, played ball at Fairleigh Dickinson.

Meanwhile Brannon Holt, Fort Dix coach, voiced extreme confidence that his squad of former star college players will add Monmouth as another of its victims. He states that no team this season has stopped his St. John's All-American Ronnie MacGillivray and Al Roth of C. C. N. Y.'s great club, which won the only grand slam in basketball, the N. I. T. and N. C. A. A. tournaments, three years ago.

Holt's squad, strong in depth, has other standouts as Ed Kolkowski from Siena, Duquesne's John Norworthy, Carmine Franco from Ohio State, Barry Sullivan, Georgetown; Dick O'Neill of Dartmouth and Ronnie Naddell from C. C. N. Y., a new addition.

As to the first game, the Monmouth WACs are keyed for Kilmer, especially since trouncing Fort Hamilton, 55 to 24, last week. Camp Kilmer, always a contender for First Army WAC honors, is intent on showing Monmouth another powerhouse for next month's tournament.

Rumson Slates Sayreville H.S.

RUMSON—Athletic Director Joseph Rosati of Rumson high school released a seven-game grid schedule for the Bulldogs this week. Sayreville high school was slated to fill a vacant spot made by the elimination of Middletown high school, the traditional Thanksgiving day encounter that has been played 15 years.

Sayreville, a Group I school, has been booked Saturday, Nov. 1, a date which in the past has been an open one for the Purple and White team. By meeting Sayreville on this date Rumson will not be playing a Thanksgiving day game, for this year any way.

Rumson opens its seven-game slate against Red Bank high school, Oct. 3, a game which is becoming more traditional than any Turkey day encounter could ever match. One open date appears on the slate—Oct. 17.

1952 SCHEDULE
Oct. 3—Red Bank—Away.
Oct. 10—Toms River—Home.
Oct. 17—Open.
Oct. 24—Matawan—Away.
Nov. 1—Atlantic Highlands—Home.
Nov. 7—Point Pleasant—Home.
Nov. 14—Keyport—Home.
Nov. 21—Sayreville—Away.

Lakewood Quintet Raps Matawan

LAKEWOOD—A seven-point advantage posted in the initial quarter carried Lakewood high school to a 56-49 victory over Matawan Tuesday night in a tilt on the Pinetree court.

The Pinetree were never headed after once posting their margin in the first quarter. Jim DeLigny led the Lakewood quintet with 16 markers. Lakewood swept the night's honors when its JV crew posted a one-sided 68-39 triumph.

Buccaneers Win Fourth Straight Conference Tilt, Defeat Hoffman

SOUTH AMBOY — Red Bank high school had a slim 42-41 margin over Harold Hoffman high school at the end of the third quarter Tuesday night, but when the Buccaneers started rolling in the final session, the Governors were on the short end, 74-53.

Playing in the Governors' band box, and with only one official, Coach Frank J. Pingitore's machine broke the game wide open in the final session when the Buccaneers exploded for 32 points while holding the Governors to 12.

For three periods it was a ding-dong battle. It seemed that it could go either way. Hoffman took the lead early in the first period and held it all the way to outscore the Buccaneers, 18-13, at the end of the quarter.

The Pingitore men started to pick up speed in the second chapter and, after a foul by Joe Condina and Ralph Soldo's field goal, Red Bank closed the gap to three points. Gene Booth, Soldo and Jim Scarbrough showed Red Bank out in the lead for the first time, 21-19. Don English dropped a foul for Hoffman, but Scarbrough dropped in a field goal, making the count 23-20.

The Governors tied the count on a foul and layup by Jim Inman, but Condina and Booth hit with layup shots to give the Bucs a 27-23 margin. Hoffman came back with two foul shots but the Buccaneers managed to hold the lead at the half, 27-25.

The third session had the same fashion of action with the score changing hands about six times. Red Bank displayed a 32-28 lead, but a seven-point spurt gave Hoffman the advantage, 35-32. Soldo closed it to 35-34 and Inman's charity peg made the count 36-34.

Condina's jump shot tied the count with Morris' field goal putting the Bucs out front again, 38-36. Tomasewski dropped in three points on a foul and a jump shot which shoved Hoffman in the lead once more, 39-38. Morris dunked in a pair of fouls which was offset by Bob Munch's set shot. Condina recaptured the lead at the period's end, 42-41, on a tap-in.

In the fourth quarter the Bucs started to turn on the steam and it was all over for the Governors. Late in the session the Bucs hopped off to a ten-point spurt which iced the issue.

Gene Booth was the shining light in the victory as he hit the cords for 24 points on 11 twin counters and a pair of fouls. Condina contributed 16 points to the cause with Morris and Soldo netting 14 each. Inman led the losers with 19.

The win gave the Buccaneers four straight in Shore Conference competition, while it was the second loss for Hoffman.

Hoffman's jayvees downed the Bucs junior varsity, 37-28.

Finnmen Post Fourth S.C. Win

POINT PLEASANT — Coach "Rox" Finn's Tigers continued to romp in the undefeated Shore Conference bracket when the Atlantic Highlands quintet halted the locals, 49-37, in a circuit tilt here.

The Tigers practically wrapped up the victory in the initial period when marking up a 9-2 score over the Gulls. Point Pleasant settled down in the second period and held the fast-moving Atlantic quintet to a 14-14 chapter. The Finn machine picked up a one-point margin in the third after an 11-10 period and then outscored the home club, 18-11, in the final session.

Jim Hudson kept up his scoring pace as he sparked the win with 20 points. Jim Snyder contributed 15 to Atlantic's cause.

Dave Wettlin was the only Gull to hit with double figures, scoring 11.

In the preliminary tussle, Atlantic jayvees scored a 30-24 triumph.

Scarlet Fliers Pound Keyport

NEPTUNE—Scoring margins in all four quarters, Neptune high school rolled over Keyport, 70-38, Tuesday night in a Shore Conference encounter on the Flier's court here.

John Clark, sharpshooting Scarlet Flier, led the way with a 20-point performance. Joe Austin, Bill Robbins and Bob Greene continued to climb up into the double figure column, scoring 14, 13 and 10 markers respectively.

GIRL CRAZY
TRINIDAD, Colo. (AP)—Gregory De Bella, who until a year ago was a high school basketball coach here, has about given up hope of raising any basketball players of his own—boy cagers, that is.

The De Bellas recently had their fifth child. It was their fifth daughter.

Arrowmen Slated At Sports Show

NEW YORK — Archery's great growth in the past few years, which has seen special big game hunting seasons for the bow and arrowmen preceding regular seasons in many of our states, will be recognized in the 10th annual National Sportsman's show in Grand Central Palace, Feb. 21 to Mar. 1.

Among the many entertainment features will be the bowmen's set of Ken and Walt Wilhelm, who are tops among the nation's arrow shooters. Ken claims the world's record for long-distance shooting and once sent a shaft more than a half mile—884 yards with a foot bow, and has shot an arrow 861 yards with a hand bow.

The foot bow is used exclusively in field shooting for distance. The shooter lies on his back, holds the bow against the soles of his shoes, and pulls back on the bowstring with his feet at an angle of about 45 degrees. Bows and arrows are considerably stronger than hand bows, the arrows being light on both ends and heavy in the middle and made of light but stiff wood.

Ken's brother, Walter, was a noted desert hunter with the bow and arrow and has taken big horned sheep, mountain lions, bear, deer and even a shark with the hunting shaft. His closest call in hunting was when he was charged by a javalina, small wild boar of New Mexico and Arizona. He sports a four-inch scar on his right leg as a memento of the set-to.

At the show, the Wilhelms do amazing stunts with the bow and arrow, including shooting a balloon held by a man's mouth at 30 paces.

Don McIntyre Shines On Signaleer Court
FORT MONMOUTH—Fort Meade defeated Fort Monmouth last Wednesday night at the Field house, 48 to 43, breaking the Signaleers' three-game winning streak and providing the Generals from Maryland their 23rd victory as compared to only four setbacks.

Faced by Die Schnitter, the all-American from Ohio State, who scored 20 points for Meade, the Generals, after a slow start, built up a comfortable lead early in the second period and were never threatened seriously the rest of the way.

Other standouts for Meade were Don Blasius, former Northwestern star, and Don McIntyre, a local product from Point Pleasant. Blasius scored 15 points, while McIntyre, who starred at Point Pleasant high school a couple of seasons back, tallied 12.

Warren Mohrtens, who rode Assault to a Triple Crown victory, has been appointed a Hialeah patrol judge this winter.

NEW YORK—The 4th National boat show left seagoing enthusiasts gasping at a craft from six feet for the busy pear to a 55-foot cruiser for the idle rich were placed on exhibition. The above beauty is the 55-foot Capri, a steel-hulled Holland-built luxury cruiser selling for \$45,000.

The Capri, largest boat ever brought into Grand Central Palace, is powered by a pair of twin 484 diesel, shown above in its luxurious lounge. The craft has three double staterooms, two baths, two showers, a large deck house, spacious after deck and flying bridge controls. The crew's quarters hold two and has its own lavatory.

AP Newsfeature

Nearly 200 boats seen during the eight-day show were between eight and 50 feet in length. They represented the efforts of more than 50 designers, many of whom sought to reach the family man who enjoys his week-ends on inland waterways. Most of the craft were made of wood but there were many of metal or fiberglass.

Grange Supports Beadleston Bill

TRENTON—Franklin C. Nixon of Vincentown, master of the New Jersey State grange, today endorsed the Beadleston truck-mileage tax bill and urged full support of the 20,000 grange members throughout the state.

In a letter to all grange officials, Mr. Nixon said the bill, introduced by Assemblyman Alfred N. Beadleston of Shrewsbury at the opening 1953 session of the Legislature, is closely in accord with the grange's expressed desire.

Only six weeks ago the statewide farmers' organization passed a resolution urging a weight-distance tax on heavy trucks, he reminded grange leaders.

"I have examined the Beadleston bill and find it extremely fair—even lenient," Mr. Nixon said in his letter. "The heaviest trucks, which do most road damage, would pay highest taxes."

The state master pointed out that a mileage tax such as Beadleston proposes would ease the plight of property owners "who up to now have been paying 84 per cent of the cost of township roads and streets."

Present property taxes are "almost confiscatory," he said. Huge tractor-trailers do a great percentage of highway damage but pay only a small portion of highway costs, Mr. Nixon's letter states, adding that "in justice, steps to correct these inequities should be taken."

Mileage taxes in New York and Oregon have produced substantial revenues, Nixon points out. Such a tax in New Jersey would produce \$11,000,000 yearly, according to a prediction of the New Jersey Commission on Tax Policy which he quoted.

Noting that Assemblyman Beadleston's proposed bill would set aside \$2,000,000 for administrative costs, Mr. Nixon commented that his studies of mileage tax operation in other states convinces him that the cost of administration here would be considerably less than \$1,000,000. Costs in New York, with many expense factors which would not be encountered here, were

about \$400,000 in the first year, he said.

Making his letter public, Mr. Nixon called attention to what he termed "a prime feature" of the Beadleston proposal: "This is not a new tax," he said. "Rather, it is a badly-needed revision of the tax structure—a step towards equalizing contributions of highway users towards the cost of the roads they travel."

Mr. Nixon asserted that the grange has no wish to discriminate against truckers or the trucking industry, which he said is indispensable and important in the nation's distribution scheme.

"I don't think it is discrimination to ask that heavy trucks pay a fair share of the damage they do to the highways, though," he said. "There is a big business and should not require a public subsidy."

PTA Hears Address By Clinical Director

MARLBORO—Dr. Joseph Tobin, clinical director at the state hospital, addressed the Parent-Teacher association at last Wednesday's meeting on "Child Development."

Mrs. Charles "Lochie" president, conducted a short business session. Mrs. Thomas McCarthy and Mrs. Robert Jones, with other members of the teachers' room decorating committee, were given a vote of thanks for their work.

An auction sale will be held at the February meeting.

ROLSTON WATERBURY

"If we could just lift up our house and move it in closer to downtown, we'd be happy," Mrs. Phillips said one day on the phone. "It suits us to a T. But it is simply too far out. I don't like to be so isolated. And it's unhandy to depend on catching a bus. Yet my husband needs our car in his work."

Mrs. Phillips continued, "We've talked it over. We hate to sell it, but we will. However, we want another one just like it, close in."

We took the listing, and soon the Phillips were more conveniently located.

Buying a home involves more than selecting the proper house; there is the location to consider as well. And occasionally, even though the house itself is still ideal, a family prefers a different location.

At such times it is only natural to wish you could just move your house from one section to another. But, this is seldom practical.

That's where we come in. You'll find us understanding. And, while we don't lift the house from its setting, we are HOUSE MOVERS in the sense of selling them as quickly and painlessly as we can.

May we help MOVE your home?

Undergoes Heart Operation

Richard Wisner, 34, of Keansburg, is attended by Miss Ruth Wallace at Riverview hospital, after removal of membranous sack that covered his heart. The operation, performed for the first time in Monmouth county, was made possible by equipment provided by the Monmouth County Heart Association for the cardiac clinic at Monmouth Memorial hospital, and loaned to Riverview for the operation.

Such operations are performed only in cases of dire necessity where the sack, or pericardium, as the result of infection, adheres to the heart muscle, confining it so tightly that pulsations are scarcely discernible. After constant and specialized nursing care, also provided by the Heart Association, Mr. Wisner will soon be able to return to work. The association will make its annual appeal for funds next month.

Colt's Neck

The Helping circle of the Reformed church met last Wednesday at the home of Mrs. Everett Matthews and elected Mrs. Wallace Dykeman president; Mrs. A. C. Buck, vice president; Mrs. John Sherman, secretary, and Mrs. Warren Garow, treasurer. Mrs. Joseph Moreau, Sr., and Miss Margaret Sickle were co-hostesses. Final plans were made for a covered dish supper to be held at the church tomorrow at 6:40 p. m. A congregational meeting will follow.

Mrs. L. Hiller was named committee chairman for a square dance in April planned by the township fire auxiliary at last week's meeting at Mrs. George Decker's home. The other members are Mrs. Decker, Mrs. Peter Brett and Mrs. William Miles. The February meeting will be held at Mrs. Harry Sagot's home in Freehold.

Mrs. Irving Gemmell of Vanderburg entertained members of her book club last Thursday evening.

Mrs. William Clifford of Picket Fence farm is ill at her home. Joseph R. Forman has returned to the Naval Air base at Philadelphia after spending a leave with his mother, Mrs. Marguerite Forman of Wayside farm.

Charities' Fund Opens New Drive

MIDDLETOWN VILLAGE—All workers of the Middletown Village Charities' fund committee met Sunday afternoon at the home of Mr. and Mrs. Irving Bartlett on King's highway. Plans were made for the fund's annual drive which opened Monday.

The charities' fund was established last year by a group of village residents and workers collected more than \$1,800, which was more than had ever been collected in any single campaign. The fund was planned to replace multiple solicitations of organized charities that have formerly conducted separate drives within the village. The objectives are for one solicitation for all drives, complete coverage of the village area with a call at every home, and avoidance of multiple effort.

Dr. Andrew M. Disick spoke on behalf of the American Cancer society, and Donald Haight for Monmouth Memorial hospital, where he is administrator. Donald Babcock represented the Community "Y" of Red Bank. Garrett Thorne, dressed in his Boy Scout uniform, made a plea for contributions to the Boy Scouts, and three Brownies, Barbara Scott, Marion Boardley and Duane Opdyke, also in uniform, asked for gifts for Girl Scouts.

The Monmouth County Heart association joined the fund's charity list this year. Seven groups who benefited from the drive last year, and who will again be represented this year include the American Cancer society, Boy Scouts, Community "Y," the Northern Monmouth County Council of Girl Scouts, Monmouth Memorial and Riverview hospitals and the Red Bank unit of the Salvation Army.

Mrs. Edward Turner will take charge of collections in Apple Brook farms. Workers in this area will have a meeting tomorrow afternoon at 1 o'clock.

Attending were Mr. and Mrs. George Deane, Mr. and Mrs. Maltby Jelliffe, Rev. and Mrs. A. D. Montgomery, Rev. and Mrs. Andrew M. VanDyke, Mr. and Mrs. Robert Cain, Mr. and Mrs. Robert Miller, Mr. and Mrs. Edward Koenig, Mr. and Mrs. Donald Babcock, Mr. and Mrs. George W. Smith, Jr., Mrs. Charles Adams, Mrs. Paul Barrett, Mrs. Robert Gore, Mrs. Everett Thorne, Mrs. James B. Walker, Jr., Mrs. Everett White, Mrs. Rebecca Alston, Mrs. Turner, Miss Sally Gamwell, Harry Hollander and Rev. John Bates.

PTA Hears Dr. Stone

SHREWSBURY — A new film, "Life With Junior," was shown at the meeting of the Parent-Teacher association Thursday. Dr. Robert Stone, child psychologist on the staff of the Child Treatment center at Brisbane, gave a commentary on the film and conducted a question and answer period on children's problems.

Charles Lascaro, ways and means chairman, reported a profit of \$300 from the December barn dance. Prizes for the event were contributed by Honey Bee Flowers, Greenwood groceries, Venetian Craftsmen, Joseph Wildanger company, Shrewsbury Sweetshop, Alton Pipe and Supply company, Red Bank Recreation hall, Community Store of Little Silver, Florett's, Frederick's, Union laundry, Puritan dairy, Lawes Coal company, Sandy's garage, Shrewsbury diner, Matthews brothers, Log Cabin tavern, Citarella's market, Mom's Spaghetti house, Midway Motor service, Bill's Service station, Arnone's Service station, Shrewsbury Esso, Foran's Liquor store, E. E. Lever Ornamental Iron works and Ralph's Barber shop. Mr. Lascaro also said plans are under way for a fair to be held at the school May 16.

P.T.A. members voted to purchase some fixed equipment for the school playground. Charles Markham, board of education member, discussed the proposed school budget and invited members to attend a public hearing on the budget Monday night at the school. Lester C. Scott, district clerk, said the following Shrewsbury residents have filed applications for election to the board: Vincent J. McCue, Otto Herden, Frederick Lewis and Mrs. Nathan Iselin. The P.T.A. will hold a special meeting at the school next Thursday at 8:30 p. m. Candidates for the board will speak.

COUPLES' CLUB MEETING

ATLANTIC HIGHLANDS — The Couples' club of the Presbyterian church here held a meeting Sunday night in the recreation room of the church. Present were Mr. and Mrs. Harry A. Williamson, Mr. and Mrs. Albert Quackenbush, Mr. and Mrs. Hunter Pollock, Mr. and Mrs. Robert K. Means, Mr. and Mrs. James Rudd and Rev. Elmer T. Schick, pastor. The next meeting of the club will be held Saturday, Feb. 7.

Keansburg Budget Shows Decrease In Tax Rate of \$1.39 per \$1,000

KEANSBURG—Borough council Tuesday night introduced a municipal budget for 1953 that shows a decrease in the tax rate of \$1.39 per \$1,000 of assessed valuation—without allowance made for changes in the tax rate that might be caused by school and county taxes.

The budget calls for \$144,655.75 to be raised for local purposes, compared to \$150,873.81 similarly raised last year. The borough also must raise \$1,715 for the school district to provide for a deficiency in state aid for the present school year.

Not included in the budget were county taxes, which this year will cause an increase of 60 cents per \$1,000 of assessed valuation and school district taxes. Introduced at a special meeting Jan. 5, the school budget calls for \$139,594.50 to be raised through local taxation, or \$11,742.22 more than the present school budget figure of \$128,420.28 similarly raised. G. Gordon Behn, district clerk, said yesterday, "Figuring in the \$11,742.22 increase are: \$7,500 for a cafeteria and a \$3,550 increase in capital outlay for repairs, and a \$464 hike in current expense for teachers' salaries."

Hearings Set

Public hearing on the municipal budget was set for 8 p. m. Tuesday, Feb. 17. Voters will act on the school budget and elect three members of the board of education in the school district election Tuesday, Feb. 10. Public hearing on the school budget is set for 8 p. m. Friday, Jan. 30, at Francis Place school.

Operating appropriations for the borough total \$198,032.92 in the municipal budget, an increase of \$18,927.92. An explanatory statement in the budget declares that the increase primarily is caused by general salary increases and increased requirements for the pension fund. Although no specific amount has

been set for proposed increases for borough employees, council has scheduled introduction of an ordinance for this purpose at its meeting Tuesday, Feb. 3. Council used \$70,000 in anticipated revenues in the 1953 budget. Last year's figure was \$60,000.

Concluding his reading of the schedule, which he shared with Borough Clerk Richard A. Jensen, Borough Manager Ralph O. Williams declared: "That's the budget, Mr. Mayor—and I'm a little proud of it." Rejoined Mayor Felix J. Brennan: "And it's something to be proud of!" The mayor added that part of the reduction is due to an increase in sewer charges adopted in an ordinance last year.

To Re-advertise Sale

In other business council authorized Mr. Williams to re-advertise the public sale of 66 lots in Belvedere Beach. Two bids on the tract were rejected at council's meeting two weeks before, when objections were raised to a condition of the sale. The advertisement will contain a condition of sale that will assist the purchaser to meet a requirement to extend Seabreeze way to Laurel ave. If he cannot successfully negotiate the purchase of a privately owned section of property in the middle of the tract. Bids for the tract will be received at council's next regular session Tuesday, Feb. 3.

"The borough is open to all propositions," Mr. Williams declared in reference to the rental of a parking lot in Belvedere Beach opposite the swimming pool. The borough has improved the property at a cost of about \$9,000 and has operated the lot for two years. Mr. Williams said 250 cars can be parked at the lot.

Council adopted an ordinance providing for the extension of sewers on four streets as a local improvement and at a cost of \$41,000 after no objection was voiced at public hearing.

County Represented at Capital For Eisenhower's Inauguration

WASHINGTON, D. C.—When Dwight D. Eisenhower surprised the world with his landslide victory in November, Monmouth county residents were among those who could claim that their 38,296-vote majority for "Ike" helped "the cause."

When President Eisenhower offered renewed hope to the free world with his address Tuesday, Monmouth county residents were among the record throngs on hand to witness the most spectacular inauguration the nation has ever had. Many thousands of Monmouth county residents didn't make it here, but they were at television sets which gave them a more comprehensive picture of the inauguration and considerably less aching arches.

Reporting who attended the inaugural ceremonies from the county would be an impossible task. That it was represented—and in force—is certain, however, by a cursory check of a few who took part in the ceremonies or who viewed it.

Among those who took part in the historical event were William E. Smith, 75 Madison ave., Red Bank; Robert L. Kaplan, Lovett ave., Little Silver; Peter A. Laidlaw, Wood ave., Keansburg; Peter B. Wyckoff, 398 Broad st., Keyport; Philip F. Gehrig, Jr., 925 Monroe ave., Asbury Park; William P. Emley, 10 Golf st., West Long Branch; Gust J. Evers, 1025 E. Main, Asbury Park; John M. Sheehan, 202 Monroe ave., Spring Lake; William P. Reilly, 84 Main ave., Ocean Grove; Mark Marcella, 625 Broadway, Long Branch; David Lambert, Jr., 6 Ocean blvd., Cliffwood Beach; Theodore K. Hyman, 222 Edwards ave., Long Branch; Spencer T. Jean, 44 Sylvania ave., Neptune City; and John Strachan, 223 Stockton blvd., Sea Girt. They were the 14 Monmouth county men among the 100 Army cadets of Navy midshipmen and 40 Coast Guard cadets from New Jersey who helped make the inaugural parade the biggest ever witnessed.

Among the 90 combat veterans from Korea who helped carry Army and Marine Corps colors was Sgt. Warren Schuchart of 404 Broadway, Long Branch, whose father is executive secretary of the Long Branch Y.M.C.A. Another to be honored was Herman John C. Lyons, Jr., a member of the Navy ceremonial guard of honor. He is the son of Mr. and Mrs. John C. Lyons of 15 Washington ave., Highlands. Still another is Daniel E. Welch, a member of the Maryland State university's delegation. His parents are Mr. and Mrs. James J. Welch of Conover ls., Middletown township.

County officials were well represented, headed by Monmouth's representative in the state senate, Richard R. Stout, who was accompanied by his wife and father. Assembly speaker Elvin R. Binnick was on hand, along with his wife. Mr. Binnick's colleague, Assemblyman Alfred N. Beaudet, of Shrewsbury, was another. Rumon's James C. Auchincloss, of course, was part of the impressive backdrop for President Ike, and he and Mrs. Auchincloss have been with the other congressmen and their wives immediately behind the inaugural stand.

Fireholders Joseph C. Irwin, Earl Woolley and Victor E. Grogan, County Clerk J. Russell Woolley and Sheriff Ira E. Wolcott—Republicans all and all pre-convention like men—were among those whose names are familiar to county voters. Little Silver was represented, too.

Ammo Barge Is Carried Ashore

LEONARDO—A barge loaded with ammunition from the pier area of N.A.D. Earle went ashore about 1 o'clock this morning at lighthouse beach at the foot of Leonard ave., here. The barge was moored to a buoy and both buoy and barge were carried ashore. According to Comdr. Charles McManus, executive officer of N.A.D. Earle, the barge came under the surveillance of a Marine security guard the moment it hit the beach.

Comdr. McManus told The Register this morning that an attempt would be made at high tide at 1:30 to pull the barge off the beach, and if this attempt failed the ammunition would be unloaded and trucked to the depot. Permission to unload barge and truck the ammunition to the depot was being obtained from members of the Middletown township committee as The Register went to press.

Giordano Acquits Nappi of Arson

FREEHOLD—County Judge John C. Giordano held yesterday that Anthony Nappi, Union Beach fireman, might have been guilty of some offense "but not the crime of arson" and acquitted Nappi on a charge of helping to set fire to the Union Beach railroad station May 10, 1952.

Stephen Materano, a co-defendant, pleaded non vult to the charge Tuesday and was the principal witness yesterday for the state. Nappi lives on Eighth st., Union Beach, and is an air raid warden there. It was testified.

Materano told the court that he met Nappi in a bar and asked for a ride to his home. He related that, in the car, Nappi declared, "Let's set a fire for excitement." Materano said, "And I agreed with him." He said the station was chosen as the site of the fire, and Nappi let him out of the car a block away. Materano said he stole some kerosene from the McKettick foundry and used it to start the fire. He added that Nappi failed to keep an appointment to pick him up nearby after the blaze and instead went to the fire on a horrid fire truck.

"I was drunk at the time," Materano said, "and just about knew what I was doing." The witness at the time was a railroad employee.

George A. Gray, assistant prosecutor, offered a signed statement in which Nappi allegedly said, "I was told him in the car that he was going to start a fire and 'get you (fireman) out.' Sgt. Charles Hurd of the Central railroad police testified that Nappi declared 'he didn't set the fire but knew who had done it.'"

Judge Giordano, in granting the motion for dismissal made by Edward Farry, defense attorney, declared that the state failed to prove the defendant was the perpetrator of the act. The judge said, "I can't see that this fellow Nappi has done anything but participate in a conversation." But calling attention to the fact that the fire was not solved until last September—four months after the blaze—Judge Giordano commented he "was not so sure Nappi is not guilty of a crime." He pointed out that Nappi concealed the information from police, although he was not indicted for this.

In his argument, Mr. Farry said, "At most, there may have been some type of conspiracy to burn something." But, added the attorney, he does not concede that such a thing occurred.

Found Guilty On Mischief Count

FREEHOLD—Charles Phillips of Wilk Ave., Port Monmouth, was convicted yesterday by County Judge John C. Giordano after a trial without jury on a charge of malicious mischief last June 3 at the Port Monmouth swimming pool, owned by J. Crawford Compton. The defendant was indicted for allegedly causing \$600 worth of damage at the pool.

Phillips claimed he was only one of many persons who used the pool prior to its opening for the summer season. He testified he took only a small piece of machinery from an office small. The defendant's cousin, Pauline Hall, testified the pool was badly damaged when she saw it two weeks before the alleged incident. She added the gate was open and the pool filled with water.

J. Crawford Compton, Jr., manager of the pool, explained water was left in the pool during the winter to prevent cracking of the walls.

Judge Giordano said it was unnecessary to charge Phillips with the damage when not responsible for all of it. He added he would not direct the defendant to make reimbursement when he sentences him Jan. 30.

The state's case was presented by Assistant Prosecutor George A. Gray. Counsel for the defendant was George Ostrov.

School Board Election To Feature Contest

KATONTOWN—Four candidates have filed petitions for the three seats at stake in the Feb. 10 school election.

Seeking re-election to the three-year terms are Leo J. Carling, Jr., George Winning and Manuel T. Howard. The newcomer is Howard M. Wilkinson. Mr. Carling is president of the board, Mr. Winning is a day, seven days a week.

Riverview Receives Wheelchair

Mrs. C. Theodore Engberg, right, president of the Fair Haven auxiliary of Riverview hospital, presents orthopedic wheelchair to Miss Ruth Wallace, director of nurses. Lewis Seavey, 48 Warren st., West park, Rumson, a patient at Riverview, is one of the first to use the chair. The presentation was made Tuesday at the hospital.

Dr. Fisher Files for Board

Dr. Bernard Fisher of 49 Branch ave., this week filed a petition as a candidate for a full term on the Red Bank board of education in the Feb. 10 election.

Dr. Fisher received a degree of bachelor of science in education from the College of the City of New York and graduated as a doctor of dental surgery from New York university's college of dentistry. A former teacher, he taught science and mathematics for two years at the Hawthorne Cedar Knolls school, Westchester county, N. Y. He served with the Army medical corps during World War II.

Dr. Bernard Fisher

The candidate is health and safety chairman for the Red Bank area, Boy Scouts. He has had 14 years of scouting experience and is a scoutmaster and explorer adviser. Dr. Fisher is a member of the Monmouth county dental society, New Jersey state dental association, American dental association and the New York university dental alumni association. He is a member of Congregation B'nei Israel of Red Bank; New Jersey state Zionist youth commission, International Y's Men and the Red Bank chapter of Y.M.C.A. service organization. He has served as a volunteer canvasser for the Y.M.C.A. and the Salvation Army.

Dr. and Mrs. Fisher, who own their own home, have been hosts to youngsters from the New York Herald Tribune Fresh Air fund. They are the parents of two children, one of whom will enter school here next fall.

Dr. Fisher is the fourth candidate to file for a full term on the board. Ralph E. Davis, Albert T. "Pete" MacDonald and Dr. Emory Wingerter, incumbents, last week announced their candidacies. Clarence E. (Dick) Gale is a candidate for the unexpired term of Charles E. Hambling, who resigned last July.

Changes Plea In County Court

FREEHOLD—John E. Clayton of R. D. Eatontown, after retracting a not guilty plea yesterday, pleaded non vult to two charges that he broke into M. Rosenfeld's liquor warehouse in Neptune City, Oct. 26, and later escaped from the Neptune City jail.

David Levine, 295 Norwood ave., Long Branch, a new dealer, retracted a plea of not guilty and submitted a non vult plea to an employment charge. He is charged with working Sam Wheeler, 15, of Brook st., Long Branch, 14 hours a day, seven days a week.

Register Office Opened Saturdays

As an added service to its steadily-increasing family of friends, The Register has been keeping its business office open Saturdays from 9:30 until 1 o'clock. The Register will continue to keep the office open Saturdays as long as the demand continues for such service.

Next week The Register will be published Wednesday morning instead of Thursday morning in order to better serve our advertisers in connection with Red Bank Days, town-wide sales event. All news and advertising copy should be in this office a day early. All deadlines are advanced one day. The hundred merchants participating requested The Register to publish early in order to get notice of the sales specials into the 14,000 Register homes as soon as possible.

Stores Get Ready For Sales Days

Red Bank Days, a town-wide sales event, will be held next week, Thursday, Friday and Saturday, Jan. 23, 24 and 25. This is one of two such sales held each year with a concerted effort by all the local stores to give exceptional values, and to offer close-outs in their various lines.

Bev Anderson of Anderson's Music shop, 21 Broad st., said yesterday, "No matter what the shopper needs, he or she will be able to find it on sale at one or more stores during this event." Mr. Anderson is chairman of the retail trade committee of the Community Chamber of Commerce, which is fostering the sale.

"Even those stores which have already had January clearance events will offer additional savings during Red Bank days," Mr. Anderson said.

During this special event, all store employees are requested by the Chamber of Commerce to park their cars in Marine park on the river to provide parking space close at hand for shoppers with heavy bundles.

Traffic Counts Send 2 Men to Jail

Wayman O'Neal Roddy of 289 Shrewsbury ave., was sentenced to 180 days in the county jail yesterday morning by Judge Crowell. Crowell in default of a fine of \$100, on a charge of operating a motor vehicle after his driver's license had been revoked, and another fine of \$200 for attempting to procure a driver's license for another person.

The complaints were made by Sherwood Benton, state motor vehicle inspector.

George Barrett, Port Monmouth, Port Monmouth, was committed to jail for 90 days in default of a \$200 fine for having another person procure a driver's license for him.

Joseph J. Botti, South Orange, was fined \$20 for speeding. Others fined yesterday by Judge Crowell included Gilbert Stucker, Jersey City, \$10, failure to stop at a red light; Andie Gonzalez, 55 Wallace st., Red Bank, \$10, careless driving; and \$5 for not having his registration in possession, and Phyllis Smith, 58 Baitin rd., Fair Haven, \$7, careless driving.

Planners Favor Sycamore Ave. School Location

Quick Washington
Action on Money
Seen as Result

NEW SHREWSBURY—The borough planning board voted unanimously last night to recommend that the mayor and council permit the Shrewsbury township school board to buy a 20-acre site off Sycamore ave. as the site of a new \$240,000 school.

This action made it appear sure that the school, to be financed wholly by the U. S. government, will be located there, and that it should not long before construction starts.

Supporting this view is the fact that Mayor J. Lester Rigby and Councilman Arthur A. Erickson and Herbert L. Willett, 3d, as planning board members, voted for the recommendation. They carry the support of the majority of the council.

Fact-Finding Debate

Unlike opposition faced by Louis A. Steinmuller, school board president, last fall when, before the planning board, he asked for approval to build the school on property off Hope rd., last night's decision came after a fact-finding debate mainly between ex-Mayor George Stevens and the various officials.

Mr. Stevens made it clear from the start that he was not entering any sort of protest, but wanted only to make sure that in the picking of this site the best interests of the borough first and adjacent property owners like himself were being observed.

The fan-shaped property, now owned by Mrs. Audrey McLellan, for whom Stanley K. Downs, Shrewsbury realtor is the agent, is located across from the orchard on Mr. Stevens' farm, about a mile from Tinton Falls school. A revised estimate increased its size from 18 acres, first reported, to 23 and its price from \$9,000 to a maximum of \$10,000. Mr. Steinmuller said the school board is ready to pay the full cost out of its surplus funds and that there will be no need to float any sort of bond issue.

Mr. Stevens, a farmer, suggested he may want to subdivide part of his own acreage for home development, and asked authorities present what sort of effect a school might have upon residential values in the area.

Usually a Boon

Donald Irving, partner of C. Earl Morrow of Morrow associates of Ridgewood, which firm is preparing a master plan for the development of the borough, said that in other towns schools usually prove a boon to residential areas. He modified this by saying that "near door neighbors sometimes complain about the noise."

Mr. Stevens disputed a suggestion that had been advanced recently by R. G. Canfield, school board member, that the whole back area of the property should be a public park. He said that a steep hill runs down to Tinton Falls brook and might be hazardous for playing children.

The former mayor also was concerned that use of this land might prevent its use for home building, causing the town to lose some valuable taxables needed for tax revenue. Location nearby of the Garden State parkway has been looked upon as a sure thing to raise property values in the area. Various spokesmen, Mr. Irving, Mr. Steinmuller and Mayor Rigby appeared agreed, however, that the school at this site would be a good thing. And Mr. Stevens made no sharp objections about their viewpoint.

Likely 20 Acres

Mr. Steinmuller said he believed it would be a relatively easy thing to regrade the steep hill leading to the bank of the brook, though, at first, it probably should be fenced off. He said it appeared more in community interest to buy 20 acres for \$10,000 than 12 acres for \$1,200 and stand the chance of the northern part of the land for home development. The resection, he said, could be used for public playground use or a possible Boy Scout encampment center.

Plans for the new school, designed to take the place of the present annex building at Vail Homes, have been given tentative approval in Washington. The government is willing to pay for the school to make sure there is a place for the teaching of children of federally-employed parents. About 60 per cent of the youngsters who will go there come from Vail and the Hance tract.

One of the considerations is that the school on Sycamore ave. would be easy to administer from Tinton Falls school, about a mile away. Another is that school bus routing problems would be cut down with both schools in the same area.

If, as expected, the site wins council approval, the school board will have its architect, Victor W. Ronfield, submit new elevation drawings to show the school on this land to Washington. U. S. approval would be followed by advertising for contract bids and actual construction. Completion of the building is hoped for by or soon after the end of 1953.

WEATHER REPORT

Fair tonight and tonight, with high near 60. Low tonight, 35 in coastal area, 25-30 in suburbs. Increasing cloudiness tomorrow with rain late at night or Saturday. High of 62. Moderate north winds today, becoming variable tonight and moderate southerly tomorrow.

Parking, Driveway Requirement Dropped by Borough Council

Off-street parking and driveway requirements set up in a recently adopted zoning ordinance amendment which created a new Class A business zone on Broad st. from Canal st. to Leroy pl. were eliminated in an amendment adopted by the borough council Monday night.

The amendment setting up the new zone for restricted business use met with objections from almost all the property owners involved who held the parking requirements were unreasonable. Because the hearing on the measure was conducted at the final meeting of the 1952 council and because the council is not a continuing body, it was decided to adopt the ordinance with the understanding it would be amended as soon as possible.

The parking clause required off-street parking space for one car for each 200 square feet of building space.

It was also learned at the council session that the suit of a group of Broad st. property owners against the Lumac corporation was in the process of settlement. The property owners were suing to prevent the Lumac corporation from building a store and office building on property on the east side of Broad st., opposite Leroy pl.

Under the settlement, the owners, Louis Drazin and Maxwell H. Mazza,

will be permitted to build their proposed building.

File Regatta Request

A request of the National Sweepstakes Regatta association for \$5,500 toward the financing of this year's regatta was ordered filed. A similar item was included by the council in last year's budget. Freeholder Joseph C. Irwin, a former councilman, is regatta commodore. Councilman Harold Williams reported the 1953 budget is about completed, and should be ready for introduction at the next regular meeting Feb. 2.

Mr. Williams urged study by all councilmen of recommendations by a survey team of a business machine firm for the borough's various business offices.

Police Chief Frank W. Reuther, Lieut. Leroy McKnight and Mr. McKnight's police reserves were commended by the Kiwanis club for their help with this year's Santa Claus project arranged by the Kiwanians.

Mayor Katharine Elkus White named Milton E. Smith, a special police officer for school duty, and the appointment was confirmed.

Officially sworn in for duty were Fire Chief Harry Aumack, First Deputy Chief Andrew A. DePonti and Second Deputy Chief Joseph Mazza.

Passion Sunday Set for Dedication Of New Presbyterian Edifice

Public Invited To Armory Tuesday

The public is invited to visit the Red Bank armory at Chestnut and West sts. Tuesday night when Mayor Katharine Elkus White will present the Remington-Continent trophy to the 644th Tank Battalion, this team following a dress parade.

Lieut. Frank Frasca will accept the trophy from the mayor. Lieut. Col. Hans A. Kessler, commander of the National Guard unit, will present medals to each of the team members. The review will begin at 8:30 p. m. High-ranking National Guard officers, as well as local civic and fraternal leaders, are expected to be on hand. The camp Klumper Army band will supply music. Maj. Frank Kaiser will be "commander of troops" for the review, which will begin immediately after Mayor White has inspected the troops.

5 File Petitions At Middletown

LEONARDO—District Clerk James V. Davidheiser said today that Harold Copeland of Belford, president of the Middletown township board of education, and Thomas A. Fife of Middletown, chairman of the board's finance committee, have filed for re-election. Petitions also were filed by George S. Kinkade, Jr., of East Keansburg, Martin V. Lawlor of Port Monmouth and Luther Walling of Belford before last night's midnight deadline for filing.

The term of J. Harry Parks of Middletown, a former resident of Chapel hill, who was inactive on the board after he suffered injuries in the crash of The Broker at Woodbridge Feb. 6, 1951, also expires. Positions on the ballot in the school district election, to be held Tuesday, Feb. 24, will be chosen tonight. Mr. Davidheiser said, Public hearing on the 1953-54 budget totaling \$953,201 is set for 8 o'clock tomorrow night at the grammar school here.

Voters also will indicate approval of the budget in the school district election.

Beck Renamed Board Secretary

FREEHOLD—Announcement of the reappointment by Gov. Driscoll of Ross R. Beck as secretary of the county board of taxation was made yesterday at the meeting of the board of freeholders.

Although the appointment was made Jan. 8, the announcement was not made until yesterday when a resolution was sent to the freeholders. The appointment gives Mr. Beck, an Asbury Park attorney and former chairman of the Neptune township committee, tenure in the job which pays \$4,019.40.

The board awarded a contract to A. P. Thompson company of Red Bank for \$19,353 for the reconstruction of pier and the south abutment of the Main st. bridge over Deal lake, between Asbury Park and Interlaken. The next lowest offer for \$18,810 was submitted by Jesse A. Howland and Son, Sea Bright.

Friebott Brothers of Port Monmouth, with a low bid of \$13,631, was awarded a contract for the construction of a bulkhead on the east approach to a bridge over Shark river, between Neptune City and Shark River hills.

By resolution, the board requested Raymond J. Abbott, state highway commissioner, to authorize the installation of traffic lights equipped with pushbuttons at Brinley and Evergreen ave. on Main st., Bradley Beach.

Little Silver Borough Notice
The license is now due. Available at Borough Hall. For owners who permit dogs to run at large are violating the Borough ordinance.

Red Bank Presbyterians are hoping the new edifice atop Tower Hill will be dedicated on Passion Sunday, Mar. 22. The church was closed at a congregational and corporate meeting held last night in the Westminster house. Slides depicting the interior of the sanctuary, the new proposed parking area and road and other views were shown.

At the congregational meeting, presided over by Rev. Charles S. Webster, it was revealed that the congregation has almost increased 100 per cent during the past four years. Concretely, it was disclosed that 47.5 per cent of the present membership has been received during that period. Moreover, during that time the current budget has been augmented 150 per cent and the benevolence budget has likewise been doubled.

The following elders were unanimously elected to serve: Philip E. Bailey, Ramsey E. Cammack, Joseph C. Davison, Norman C. Gardner and Raymond S. Swift, for three years, and William J. Florence and Robert W. Tegarden, two years. Elders presently serving are Edwin S. Close, W. Albert Doremus, J. Raymond King, Harry O. Meyer, George B. Bickel, Ralph E. Eckert, Louis C. Ford and Ralph A. Norton. The retiring elders, Craig Crenshaw, Herbert E. Werner, Herman D. Woolley and Harry C. F. Worden were extended the appreciation of all for their services. Such retirement is requisite under the rotary system which is extant in the church.

At the meeting the following persons were unanimously elected to serve on the board of deacons: Earl Anderson, Kenneth C. Burger, Allen J. Burke, Arthur H. Cadman, Edwin M. Close, Robert M. Close, C. W. Conover, E. Allaire Cornwell, Kenneth G. Critton, Michael H. Dales, James L. Davison, Ralph C. Dehnz, Howard J. Dutcher, Robert W. Edmonstone, Robert D. Eichman, C. Donald English, J. Murray Gordon, Mahlon A. Grimes, Jr., Edwin F. Herr, Jr., Arthur T. Holey, John S. Hunt, Harold R. James, Reginald P. Lyman, Jr., Douglas F. MacConnell, Charles C. Magill, David C. Maloney, Harry Morford, Thomas Morrison, Thomas W. O'Brien, Mahlon W. Parsons, Paul F. Sanborn, Jr., Martin V. B. Smock, Allan MacB. Stewart, James F. Stomber, Robert C. Turnbull, Mortimer E. VanSauter, Edmund vomSteeg, Jr., John H. White, Sr., Frederick D. Wilcox, 2d, William H. Wilcox, Jr., Charles A. Wolbach, Jr., Robert M. Wood, George R. and Walter A. Woodhead, David W. Woodward, James A. and Robert F. Worden and George Worthley, Jr.

Corporate Session
The corporate meeting which followed was presided over by Harold P. Dowd, president of the board of trustees. It was disclosed by Edwin S. Close, controller, that about \$170,000 has been received in cash to date from subscribers to the new church building fund.

Trustees elected were Ronald W. Allen, Mr. Dowd, Robert M. Farrow, Alfred P. Rich and Howard Ungerer, for three-year terms; Robert W. Crawford, two years, and Joseph C. Davison, one year. Trustees presently serving on the board are Dr. Lawrence R. Edge, Dr. Robert L. Tieshauer, George W. Grimm, Jr., William L. Russell, Jr., Edgar N. McCles, Robert L. Snowden, Clark E. Wallace and M. Leslie Webb. The retiring trustees, Ralph L. Shearer, Thomas Morrison and Thomas P. Doremus were given a vote of thanks for their services.

Herbert B. Werner, chairman of the new church building program, reviewed the facts that on Mar. 20 ceremonies of the breaking of ground took place, that on Oct. 18 the cornerstone of the new church edifice had been laid, and that last August the church purchased a new manse located at 15 Crest dr., Little Silver. The congregation moved Oct. 12 from its old church building, which has been razed, and since then worship services have been held in Carpenter's hall, Maple ave. and Wilcox pl.

5,000 Population By '60, Outlook In N. Shrewsbury

Planning Expert Says
Borough Leads U. S.
And County in Growth

NEW SHREWSBURY — A planning expert said last night that this borough's development is sharply ahead of that of the nation, state and county and its population should reach 5,000 by 1960.

The forecast was made by Donald Irving of Morrow Associates, Ridgewood, now designing a master plan for the borough. As of 1950, when the last U. S. census was taken, local population totaled 2,200. In 1940 it was 1,340.

Mr. Irving showed the planning board a graph drawing showing the population and building pattern of New Shrewsbury had a much sharper climb than other averages. He predicted much local progress was due to come soon, if experience in recent years is continued in the future.

Notes Planning Problems

Problems have been encountered in drafting the master plan, Mr. Irving said. One has been a lack of a good map showing property lines. Mayor J. Lester Rigby said one is now being put together. Former Mayor George Stevens said it has been difficult to locate land owners in some parts of the borough to learn from them just what they owned.

When the master plan is completed, Mr. Irving said, it will give advice on all sorts of things like suggestions for the revision of existing zoning, the best use of available undeveloped lands, where new roads should be set in and good sites for parks, playgrounds and a civic center.

A special report for planning up through 1952 is being prepared by the Morrow firm, and for various questions have been submitted to the planning board to find out just what the borough has played in community affairs.

Concerning best land use, the board went on record, after lengthy discussion, as favoring action by the mayor and council to control and zone property near the route for the Garden State Parkway.

'No Mushroom Housing'

Mayor Rigby, Mr. Stevens and others explained to the audience that what was wanted was to prevent mushroom development of undesirable housing such as can be seen in the Woodbridge area of the New Jersey Turnpike. The mayor said that hundreds of homes, packed close together, small in size and without garages, were built in one section near Woodbridge. Douglas Downs, chairman, told affected owners that "what we're attempting to do is to protect you."

He said present values would double.

The ordinance sought, as recommended by Mr. Stevens last year, would first zone all land in the borough in the undeveloped zone east of the parkway and all within 2,000 feet west of the parkway also so classified as being in residential zone. An exception is made that a strip 1,000 feet wide west of Hope rd. extending from the present industrial zone to a proposed connecting road between the parkway and the Easton town traffic circle shall be put in the industrial zone.

Even though some who own land in the affected areas made a mild protest about this, the board recommended that the mayor and council adopt such an ordinance.

Joseph Scarano and Benjamin Fary, operators of gravel pits in the Wayside area, near which the parkway will pass, were the most interested in the prospective ruling. Mr. Fary said he had thought seriously of putting a motel on his property. Officials said there might be nothing wrong about that, if he made an application to the board of adjustment and that board approved it.

Some there felt that they might be deprived of continuing some business like raising chickens under the ordinance. They were told that that would be considered non-conforming uses of the land and there would be no attempt to stop such use unless business was discontinued for over a year.

'See Town at Best'

Mayor Rigby said that all that is sought is to prevent the development of undesirable properties on valuable land near the parkway. He said he wanted people who ride down that road to see the borough at its best from their cars and attract them to, rather than away from it.

The planning board decided to take under consideration a recommendation by Joseph E. Wardell, school board member and dairy farmer, that the parkway commission be asked to reconsider the blocking off of Hamilton rd., because such a thing might increase the cost and cause delays in bus transportation for school children.

Mr. Stevens, who has done most of the borough work in connection with parkway planning until now, contested Mr. Wardell's opinion that rerouting the buses over proposed connecting roads parallel to the parkway and intersecting with Asbury ave. would add "a half hour to 40 minutes and at least five miles" to present bus routes. Measuring the added travel with a ruler on a map, he said about four miles would be added but this would be on a non-stop basis and should take no more than 15 additional minutes to cover. Two buses are involved.

Mayor Rigby reported that R. G. Sheldon of the firm Rinsman & Sheldon of Newark, agents, will be in town on Saturday morning to discuss possible development of land owned by A. J. Lipman, at the intersection of Sycamore and Shrewsbury aves. He asked that all board members who could meet with him to go over the prospective plans at that time. Some time ago, Mr. Lipman was asked to have an automobile inspection station located on part of this property.

At the meeting, Mr. Down was given unanimous endorsement to succeed himself as chairman of the

board. He spoke out for planning that will be of the "best possible interest" for the entire borough "in future years, not just today."

Officer Promoted

Lieut. Robin L. Larson

Lieut. Robin L. Larson, formerly stationed at Fort Monmouth, and now serving with the Far East command, received his promotion to first lieutenant in January. He has been stationed in Korea since August, and is officer-in-charge of the construction and maintenance section, Long Lines Signal group at Pusan.

Mr. Larson and his son Wayne are staying with her parents, Mr. and Mrs. T. Bruce Austerlough of Lenox ave., Rumson, until Lieut. Larson returns.

Lloyd Dismisses Fallon's Suit

FREELAND — Judge Frank T. Lloyd, Jr., Tuesday dismissed a Superior court action brought by James Fallon of East Gardfield ave., Atlantic Highlands, against Jersey Central Lines.

Mr. Fallon's suit alleged that he suffered serious injury when the truck he was driving was struck by a locomotive at the First ave. crossing in Atlantic Highlands during a heavy rain on the night of July 4.

Judge Lloyd dismissed the case on the grounds that Mr. Fallon was guilty of contributory negligence in that he was aware that the crossing was a place of known danger and that the danger could have been avoided. The railroad contended that the mishap occurred on a private road.

Mr. Fallon contended that the locomotive's headlamp was not lighted and that no warning was provided by the engineer. He was represented by Lawrence A. Caruso, Jr. of Atlantic Highlands. J. Victor Caron of Asbury Park represented the railroad's case.

Casey Five Bows To St. Rose, 65-48

BEELMAR — St. Rose of Beelmar belted Red Bank Catholic, 65-48, in the battle of rivalry Tuesday night on the Community Center court here.

It was the second victory for the Purple Roses this season and both wins were marked up over their Casey rivals.

Coch Vincent Gorman's crew stayed in the thick of the battle for the first half, at which time only two points separated the clubs. It was in the second half that the Casey slipped and their opponents started an offensive which netted a seven-point margin in the third period and an eight-point advantage in the final session.

George Saxenmeyer continued his red hot scoring pace to acquire 50 points as he scored the nets for 11 twin counts and eight foul tosses. Proctor Bush was contributed the next highest score with eight markers.

Cliff Farren stood out for the Roses as he sparked the win with 21. Maurice tossed in 15 for the winners.

St. Rose jayvees had a tougher time eliminating the Casey seconds when they marked up a 43-40 score. Panfen led the Caseys with 11.

\$11,000,000 Loan To Speed Pkwy. Construction

New Loan Augments
Original \$17,000,000
Borrowed Previously

TRENTON (A.P.) — The New Jersey Highway authority today announced that it has arranged for an additional temporary loan of \$11,000,000 to speed construction of the Garden State parkway.

Bayard L. England, vice chairman and treasurer of the authority, said the new fund, augmenting an original temporary loan of \$17,000,000 would come from New York and Philadelphia banking houses. He said the new loan, at 2 1/2 per cent. interest, would be due for repayment Oct. 1. The original loan was made at two per cent.

At the same time, England reported the 135 New Jersey banks who made the original loan have agreed to permit use of the \$17,000,000 for parkway construction between Paterson and Atlantic City. He said previous restrictions limited use of all but \$2,000,000 of the loan to a three-mile section of the parkway between Irvington and Union.

Ransford J. Abbott of Red Bank, authority chairman and state highway commissioner, said the way was now open to "go ahead at full schedule with parkway construction from Paterson to U. S. rt. 30 at Absecon."

The authority, created by the legislature to build and operate the proposed state-long parkway as a part-time part-road, is planning to offer the first of a \$25,000,000 bond issue for

Teachers Claim Money Available For Salary Hikes

Say Board Puts Salary Allocation Into Surplus Fund

In a statement released this week by the Red Bank Teachers association, Louis J. Jacobs, president, says: "A careful examination of the budget disclosed the fact that the board of education has sufficient funds available to meet the request for the proposed salary plan without further increase in the budget." The teachers propose that the plan be put into effect in two steps, the first in 1953-54 and the second in 1954-55.

The teachers have been seeking maximum salaries of \$5,700 for those with a degree of bachelor and \$6,000 for those with the degree of master. The board of education at its December meeting raised the maximum to \$4,650 and \$5,000.

According to Mr. Jacobs, the teachers have consistently pointed out that the educational program is endangered by the board's policy of building up a surplus or reserve fund by transferring money allocated to salaries for teachers to this reserve fund.

The statement by the teachers' association adds, "The community has been willing to provide the necessary funds to maintain a salary level above that which the board of education has been willing to put into effect in salaries for teachers." A sound educational program, according to the association, depends on a permanent staff of highly qualified teachers. The board, claim the teachers, is forced to raise the minimum salaries for the simple reason that it cannot secure teachers at a lower minimum. The low maximum by the board will imperil the effectiveness of the educational program, according to the teachers.

"What is a forward looking board of education doing in regard to salaries and the relationships between the board and the professional staff?"

Mr. Jacobs, referring to a recent statement by Paul Young, district clerk, that 85 per cent of the increase in the school budget was due to salary raises, said the increase for salaries for all employees was 45.36 per cent.

The teachers' statement concludes, "The board of education is confronted with the serious problem of recruiting and maintaining a qualified staff. It cannot do so by penny pinching practices."

Reading Methods To Be Discussed

"How Reading Is Taught in the Elementary School" will be discussed at Tuesday's meeting of the Red Bank Parent-Teacher association at the school. Teachers of the school are in charge. They will interpret for parents the reading program at its various levels.

It is the policy of the P.T.A. in co-operation with the school, to include in its program each year a meeting in which some phase of the school curriculum is presented to parents, so that they may understand changes in methods, content and general curriculum. Reading is one of the important basic skills developed in the elementary school and it is a subject in which parents should be very much interested. All parents are urged to attend this meeting so they may be better informed about their school.

Freeholders Hear Commissioners On 'Half Million' Drainage Ditch

FREEHOLD — Long Branch's drainage and erosion problems were discussed here yesterday with members of the Board of Freeholders.

Freeholder Director Joseph C. Irwin, in telling of the meeting, said that O. Wolcott Morris, engineer for the city, will prepare plans for one of Long Branch's most serious drainage conditions. After the plans are finished, County Engineer Leo K. McKee and Howard Preston, road supervisor, are expected to go into a huddle to try to determine the cost. The reason the county is "flustered" is that it is believed that county roads contribute to the difficulties.

No official estimate of the probable cost is available, but it was reported that it may come close to a half million dollars.

A three-mile drainage ditch from Locust ave. to a branch of the Shrewsbury river poses the problem. It carries surface water from

Long Branch streets as well as county-owned streets. Pipes and culverts over the long stretch are different in size, result of which is that silt and debris have clogged the ditch, causing floods during heavy storms.

Mayor Alexander Vineburg, his city's engineers and members of the city's board of commissioners were on hand for the confab. Increasing the size of the drainage pipes has been offered by some experts as the cure. Who pays what and how much are among the important details to be straightened out.

Long Branch's Ocean ave. and the erosion question also was discussed. Mr. Irwin disclosed. The state already has agreed to pay \$70,000 toward constructing a stone wall from Bath to Brighton ave., which would move Ocean ave. inland. To get the state's \$70,000, Long Branch must pay an equal amount and the county must pay ten per cent of the total, \$14,000.

File School Board Candidacies

Mrs. Walter E. Ingram

Karl M. Jacob

LITTLE SILVER — Mrs. Walter E. Ingram, Jr. of Point rd. and Karl M. Jacob of Monroeville ave. have announced their candidacies for the local board of education. They will oppose the incumbents, Mrs. A. Edwin Burdge and George W. Ryser.

In a joint statement, the candidates list the following as their platform: "To promote effective relations with the public through open and candid discussions of school board plans and problems and to take specific steps to keep the community continuously informed through the press and other available means. To provide leadership willing to utilize all available information and assistance so as to achieve timely planning for our school system. To establish a working committee of citizens to assist the board of education whenever possible."

Both Mrs. Ingram and Mr. Jacob have lived here the past four years. Mrs. Ingram, a native of Baltimore, Md., attended Goucher college, graduating with a bachelor of arts degree in education. Before her marriage, she taught second grade and served as a social worker in Maryland. Her two sons attend the local school, one in the first and the other in the fifth grades. Active in the American

Association of University Women, she now serves that organization as first vice president. She also is active in the Parent-Teacher association and, with her husband, is a member of the Shrewsbury Sailing and Yacht club.

Mr. Jacob, a native of Bayonne, was graduated from Lehigh university in 1937 with a bachelor of science degree in business administration. He is chief accountant for Hanson-VanWinkle-Munning company at Matawan, where he has been employed since 1946. Prior to that he was an accountant with Remington Arms company in Bridgeport, Conn. Serving in the Navy in World War II, he entered the Naval Reserve as an apprentice seaman and was transferred to inactive duty as a lieutenant junior grade. He is married to the former Elsie Haldeman of Maplewood. They have one son, a pupil in the fifth grade here. Active in civic affairs, Mr. Jacob has served as cubmaster and assistant cubmaster for the local pack, as financial secretary and member of the official board of Embury Methodist church and as a member of the Community club. He also is president of the Pennington School Alumni association and a member of the Monmouth county Lehigh Alumni association.

Pope Pius Named In Will Contest

FREEHOLD — A suit filed here in chancery court seeking legal interpretation of a will which left \$40,000 to a Roman Catholic home in Italy includes Pope Pius XII among the co-defendants.

The suit was filed by Julius J. Golden, Long Branch, executor of the estate of Angelica Cella, who died in Long Branch June 8, 1951, and left \$40,000 estate residue to a non-existent home in a non-existent town in Italy, probably intending it to be the Home for Old and Invalid Priests in Udine, Italy.

Pope Pius designated the home as the beneficiary and that designation is contested by the relatives who contend the legacy should lapse and the residue go to them. The suit asks the court to clarify the will and direct the executor on how to dispose of the estate.

Also named as defendants are Mrs. Cella's half-brother, Umberto DeGano and his three children, Oscar, Margaret and Hugo DeGano.

Fire Levels Plant Of Trad Company

ASBURY PARK—Fire of unexplained origin, which is still being investigated, ruined one of the two buildings of the Trad Television corporation early Friday morning, and caused a loss of about \$500,000.

George Trad, vice president of the firm, gave the damage estimate, and revealed that the fire halted work on \$600,000 worth of electronic test equipment for the Signal Corps, Air Force and Navy, which is classified.

Mr. Trad said everything possible would be done to resume work on the contracts "just as soon as humanly possible." Most of the company's 200 employees have been put out of work as a result of the fire. He added that he is unable to say exactly when reconstruction will start.

The fire was discovered by a neighbor about 4 a. m., and more than 100 firemen battled the flames for three hours. Fire Chief Michael Ryan is investigating the cause, along with the F.B.I. and agents of the Army and Navy.

Opera Stars to Aid Migration Cause

More than 300 tickets have been sold for the dinner-dance to be held Saturday night, Feb. 7, at the Berkeley-Carter hotel, Aubury Park. It was reported at a meeting Monday night of the American Committee on Italian Migration in Long Branch.

William Simonelli, entertainment chairman, stated that Salvatore Baccaloni, bass singer of the Metropolitan, radio and TV, and Ann McKnight, lyric soprano, who recently returned from a triumphant tour of Italy, will be among the stars to appear. Juvenal Marchisio, national chairman, and Philip Marfuggi, state chairman, will be other notable present. Pete Galatro's orchestra will provide the dance music.

The purpose of the affair is to raise funds for the national organization in order to carry on efforts for the revision of the McCarran Act and the passage of emergency legislation to permit entry into the United States among other Europeans of a special quota of Italian Nationals.

Attending the meeting were Mrs. John A. Pettito of Red Bank and Mrs. William F. Simonelli of Long Branch, co-chairmen of the dinner-dance; Mrs. Patrick Zambano, Mrs. Rocco Bonforte, Mrs. Henry Scaccia, Mrs. Theodore C. Mirabella, Mrs. Helen Mazza, Mrs. Lucian D'Anthony, Mrs. Salvatore Busacca, Mrs. Louise J. Tomasi, Mrs. William Chio, Mrs. E. Alice, John A. Pettito, Theodore C. Mirabella and John P. Tomasi.

Cub Scouts Hold Nautical Program

RUMSON—Members of den two of the Cub Scouts gave a skit in co-operation with the Sea Scouts at their meeting Monday at the local high school. There were also nautical exhibits by other dens of the pack, featuring sailing ships, soap models of schooners, logs and rafts and a task force.

Louis Cooke made the following awards: bobcat pins to Denny Shaw and James Hill; wolf badges, Edward and Thomas Trainor and Frank Konow; gold and silver arrows, Edward and Thomas Trainor and Mike Myers; gold arrows, David Gaynor, Ted Churchill and Jack Church; silver arrows, John Dixon, Bob Dwyer, John Slocum; webelos badge, Leolin West, and service stars, Bill Cleary, David Gaynor, Leolin West and Wally Schnabel.

The pack will join Rumson scouts in inspecting facilities of the Central Railroad at Elizabethport Saturday. The February pack meeting will be a father and son banquet marking the 43d anniversary of scouting. Den mothers will meet Monday at the home of Mrs. William Towers in Pine Ridge.

Sale Feb. 14 to Aid Cerebral Palsy Unit

The auxiliary of St. James post, Catholic War Veterans, will hold a cake sale Saturday, Feb. 14, at the Strand theater lobby between 9 a. m. and 12 noon. MRS. ROBERTA D. PATTERSON

Mrs. Roberta D. Allen Patterson, 51, died Tuesday morning at her home, 30 Monmouth st. She had been in ill health several years and in recent months was confined to her home.

A daughter of the late Robert Allen, Jr., and Roberta Crawford Allen, Mrs. Patterson was born in the house in which she died. Originally located at 25 Broad st., where the Patterson building is now located, the house was moved to its Monmouth st. location about 40 years ago to permit the construction of the Patterson building on the site.

Her father was one of Red Bank's pioneers and one of Monmouth county's outstanding lawyers. His legal ability brought him clients from all sections of New Jersey, New York city and Philadelphia. His offices were located in the Allen building, the three-story brick building on the west side of Wharf ave., near East Front st., which he erected for his own occupancy shortly after the Civil war.

Mrs. Patterson was the widow of George Hance Patterson, who died in 1930. Mr. Patterson built the Patterson building on Broad st. and the building at 27 Monmouth st. A former automobile dealer, Mr. Patterson constructed the building on Monmouth st. as a garage. It was later turned into a store and formerly housed the Sears Roebuck company. Irwin's furniture store is now located there. The second floor of the building was the army for the original Monmouth Cavalry troop, where the troopers drilled afoot. Mrs. Patterson leaves a nephew, Paul P. Parker, Farmingdale, and two nieces, Mrs. V. P. LaMarche and Miss Roberta B. Parker of Red Bank.

The funeral will be held this afternoon at 2 o'clock at the Patterson residence, 30 Monmouth st. H. Anderson, rector of Trinity Episcopal church, officiating. Burial, under the direction of the Adams memorial home, will be in Fair View cemetery.

DRAMATIC SILHOUETTES... Charles James, temperamental high-style designer, has created a spring wholesale collection for William M. Pepper of New York, embodying two distinct silhouettes. Left is his pagoda coat in brilliant corn-colored fleece, with long, fitted torso line and sharp flare below the hips. At right is his brief spring bolero in beige cashmere teamed with a slim peg-top black wool skirt with black kick-pleat. Jacket has artful tab closing and fluid sleeves.

Merrily We Roll Along

(By Harold Jacobson)

The chances are that your friends value you according to one of these categories. Which one do you think they value you for?

If you are valued for your brains, which is knowledge, you must show it either by a profession or a skill. Doctors, lawyers, clergymen, etc., are valued because they use their knowledge and not how much money they have or who their ancestors were. If you are valued for your birth, which is pedigree, then your friends value you because you came from the early settlers, or a direct descendant of a president, senator, etc. They are taking unto themselves a lot of credit for something in which they had no hand in making. If you are valued for boodles, which is money, then you belong to the almighty aristocracy of them all. Yet there are more people who try to get into that lodge than any other.

The possession of the dollar seems to be the ambition of everyone, and usually the first thing we try to find out about a man is "how much is he worth?"

The descendants of the Pilgrim Fathers who came over on the Mayflower seem to place a halo over that ship and its passengers. The Mayflower was used as a slave ship. Some of the passengers performed acts and violated laws and conducted themselves in a manner that would be looked down upon today. Time wipes out a lot of things and this is probably as it should be.

Brains. That's the true aristocracy. You would not be enjoying the luxuries of today unless there were men with brains. You will note that all our great men were men of brains, rather than men of birth or boodles. Without brains, business would go to the dogs, for if business were conducted by men

of birth and boodles without brains, you can easily see that the whole fabric would fall to pieces.

Next week the topic will be "Wishbone and Backbone."

Joe C., a certain girl, named Barbara C., wants to know why you broke off with her. Could it be because of Nancy L?

Diane G., is going to California this summer. I wonder why?

Wait K., what is the matter with you and Jackie L. anymore?

Camille L., who is this boy we see you standing in the doorway with every night?

I understand the three skating "hot-rodders," Evelyn W., Lorie F., and Carolyn W., are going to put "duels" on their skates!

Wilma B., is it Roger or Paul? Roger L., why don't you skate with Wilma anymore? You two looked good together.

Richard D., do you still like Lorie F., who is it? Ray, Bob, Tommy or Al?

Evelyn W., what is the matter with you?

Melvin Grimmer, why don't you notice me, signed R. M.?

Nancy L., Joe C. has really taken a liking to you. We hope you feel the same way about him.

Anne N., do you like Porky G.?

J. C., why do you make so much noise. Please don't anymore.

Walter Roney, son of Mr. and Mrs. Harry Roney of Atlantic Ave., celebrated his sixth birthday Sunday at a party. Attending were Donna and Robert Roney, Robert Young, Edward Wendel, Michael and Timothy Willemsen.

A new group has been organized by members of the Bayshore Community church choir guild. Election of officers was held Friday.

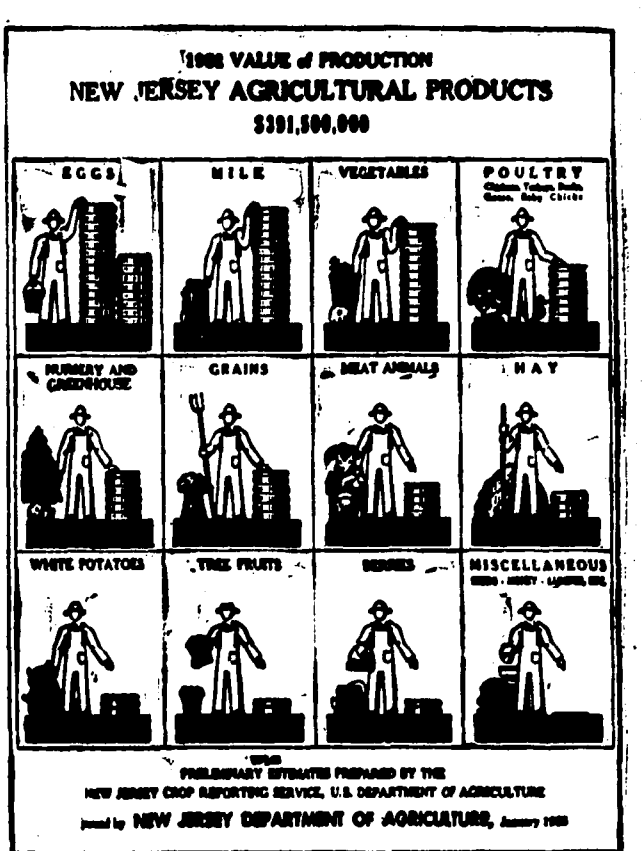

The president is Mrs. Emily Magenheim; Mrs. Elia Johnson, vice president; Mrs. Pauline Eicher, secretary; and Mrs. Mamie Reid, treasurer. The meetings will be held the third Fridays of the month at the church. A card party will be held Feb. 12 with Mrs. Emily Oberle and Mrs. Eicher as chairmen.

The senior girl scouts recently held a Christmas party in the rooms of the Community church.

The mothers of the girls were present and both the mothers and fathers were given hand-painted handkerchiefs made by the girls. Gifts were exchanged and a covered dish supper was served.

A meeting of pack 102 was held Friday at the home of Mrs. John Shaw. Plans were made to take the cubs to the Elizabethport round house and station last Saturday. They will leave from Red Bank and return in the early afternoon. They will be accompanied by their den mothers, Mrs. William Reynolds, Mrs. William Nay, Mrs. John Shaw, Mrs. Helen Klieber, Mrs. Elsie Carroll and Mrs. George Maxwell. Jacob Young and John Shaw will also make the trip.

Planting Time Festival Will Follow the Sun North

Garden Organizations will initiate Planting Time activities on the date shown for each state.

Spring spreads slowly over the North American continent. In Florida planting time is three months earlier than in Minnesota. This makes it impossible for gardeners throughout the country to celebrate a national garden week, which would fit the season in all states.

To obtain action in unison among all who are interested in practicing and promoting home gardening, the American Council of Horticulture has devised a moving spring festival, known as Planting Time, which follows the sun as it travels north from January until March.

Based on records of the U. S. department of agriculture the country is divided into four zones. In each the average date of the last killing frost is approximately the same. One month before this date is selected as Planting Time in that zone. Seeds of hardy varieties may be sown; hardy plants may be transplanted; tender varieties may be started under protection, and merchants of garden goods should make these available to their customers.

Since it is considered impractical to divide a state into several zones, each state has been considered as a unit, and assigned a date for the beginning of "Plant-

ing Time" which represents the average climate of the whole state, although it may not be exactly right for either the earliest or latest sections of the state area. The dates assigned to various states on this basis are as follows:

January 1—Florida, Arkansas, Arizona, California, Georgia, Louisiana, Mississippi, New Mexico, Oklahoma, South Carolina, Texas.

February 1—Kansas, Kentucky, Maryland, Missouri, North Carolina, Oregon, Tennessee, Virginia, Washington, West Virginia.

March 1—Colorado, Connecticut, Delaware, Idaho, Illinois, Indiana, Iowa, Maine, Massachusetts, Michigan, Minnesota, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New York, North Dakota, Ohio, Pennsylvania, Rhode Island, South Dakota, Utah, Vermont, Wisconsin, Wyoming.

The Men's Garden Clubs of America, National Garden Writers' Association, and many other horticultural organizations have endorsed the Planting Time project to divide a state into several zones, each state has been considered as a unit, and assigned a date for the beginning of "Plant-

School Safety Patrol Training Camp

The nation's first school safety patrol training camp was opened in Georgia this summer at Lake Blackshare near Cordele. Its purpose is to teach nearly 4,000 school patrol children each year how to save lives in traffic.

Each week 250 boys enter the camp for a one-week stay. They are taught school patrol organization, leadership, accident prevention, accident facts and figures, relationships between school patrol and law enforcement officers. They learn to guide pupils across streets at intersections, to help them across highways as they unload from the school bus, and to administer first aid in emergencies.

The camp is run by the Georgia State Patrol, Safety Education Division, headed by Col. E. S. Burke. It has eight dormitories, a mess hall, kitchen, infirmary, swimming pool and open air classroom. After a week at camp, a boy is fully qualified to return to his school and watch over children going to and from school. The camp's motto is: "Where safety is taught, and carelessness is fought."

TRAIN TRAINING. School patrol boys learn to stop the bus and make certain no trains approach before ordering it over tracks.

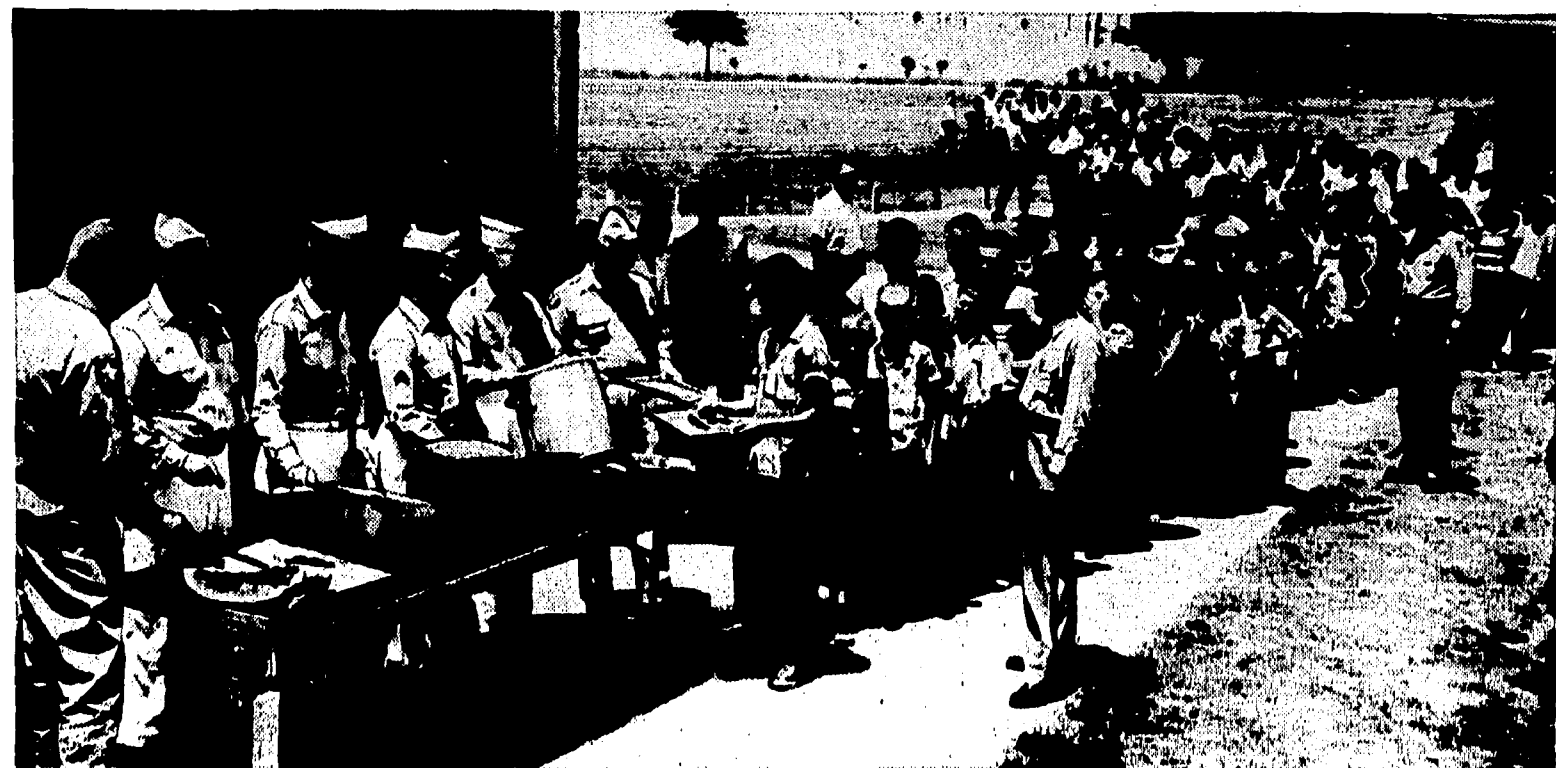

STYLED FOR SAFETY. This is what patrol boys will wear.

WATCHFUL WAITING. Patrols are taught to hold children on walk until traffic is clear.

FIRST AID. Patrols learn treatments for accident cases.

CHOW TIME. All meals at the camp are prepared by highly trained Army cooks.

MOCK COURT CASE. Patrols report traffic violations. This Week's PICTURE SHOW—AP Newsfeatures.

School Board Reports to PTA

RIVER PLAZA — Reporting to have called the most meetings of any board in a school year, the Middletown township board of education president, Harold Copeland, with members of his board presented a report of its committee at a meeting of the Parent-Teacher association here Tuesday night at the school.

The program arranged by its chairman, Mrs. Edwin C. Branch, brought to a large audience the duties and activities of the nine-man board with eight working committees on which they all double. Mr. Copeland in his report on the new 21-room elementary school being erected on Tindall rd. in New Monmouth, described the work as "progressing." Some of the findings have been found and many of the forms are up for the foundation. Contract calls for work for 200 days. Mr. Copeland reminded residents to vote next month when a referendum will be held to obtain voters' approval of the construction of an addition to the new school building. According to a survey conducted by a special committee of the P.T.A. under the chairmanship of Mrs. Mitchell Colker, Mr. Copeland reported 200 new children are coming into the school system next year. "Housing for them must go on," Mr. Copeland stated.

Future plans call for an eventual 55-room high school with auditorium, double gymnasium and cafeteria. Due to the present needs the new building under construction will house elementary grades. To conclude his report, Mr. Copeland emphatically thanked Mrs. Thomas R. Wilson, P.T.A. president, and its members for full co-operation in understanding the need of the board and obtaining statistics on the general population picture of school children for the next three years.

Committee Reports
Board chairman reporting on their committees were:
E. Tyson Matlack, board of athletic control, who in his report commended the excellent coaching staff for making this committee one with "no problems."
William Hyers, building and ground committee, who reported his committee conducts and reports on inspections of school buildings every Sunday morning and works with the school clerk, James W. Davidheiser.

Donald Johnson, educational and personnel committee, who reported "we try to keep salaries up to standard and as high as the budget permits." He stressed that should the referendum be approved, the educational standards in the township would be raised to meet "any in the country."

Thomas A. Filce, finance committee, who explained that his committee in combination with other committees prepares the yearly budget and every invoice received must be approved before payment can be made.

Edward Luedke, policy committee, who reported his committee meets only when necessary.

Harry S. Craver, transportation committee, who reported that due to the complicated bus system (on which he gets many complaints) he recommends that a transportation expert be hired on a yearly fee to keep the system efficient, eliminate problems and save money. He suggested that this be done after the shifting of pupils is completed and the new school is in operation.

Frances Lawley of the insurance committee and Harry J. Parks of the health committee could not attend to make a personal report on their committees. This part of the program ended in an informal question period.

During the business meeting that followed reports were made by Mrs.

Liberty Honors Lewis B. Hendricks

Joe Mazza, right, president of Liberty Hose company and second deputy chief of Red Bank fire department, presents Lewis B. Hendricks a badge for 30 years' service with the Liberty company. Rocco Calandriello, ex-captain of Liberty hose, is at left. The presentation was made at the annual dinner of the company at Pleasant Valley inn.

Max Katz, secretary; Mrs. Charles Bowen, treasurer; Mrs. John Reed, corresponding secretary; Mrs. William Beke; Mrs. Benjamin Becker; Mrs. B. Fletcher Moore and Mrs. Harold Perry. Fund raising projects for February will include a white elephant sale at the next meeting, Feb. 17, and a card party Feb. 23.

Hobbies Displayed
During refreshments served by Mrs. Gerard Poling, Mrs. William Zagoraki and mothers of the fifth grade, parents wandered through the classrooms which displayed hobbies of about 75 per cent of the children in the school. Mrs. Leonard Costa, chairman of the program, Mrs. Harry Tracy and Mrs. John Dooscher selected the winner of the four first grades. Seventy per cent of Mrs. Margaret Ellison's beginners' group displayed collections of shells, trains, hand puppets and dolls. Their award will be an aquarium.

Miss Rita Quall's fifth grade with a 69 per cent showing won first prize in the second group award. Elaborate collections of dolls, insects, conch shells, handicrafts and miniatures were displayed. The class will be awarded a book of their choice. Among the most unusual hobbies in the show was the match cover collection of Brad Leckliker of the third grade and George Castelman's handmade castle complete with English men-at-arms. Janet Hanley of the eighth grade baked a cake to represent her cookery hobby.

An interesting unrelated sidelight was Warren DeBrown's appeal as a parent that the P.T.A. organization have a sponsor a Cub Scout troop. Mr. DeBrown is district chairman of the Boy Scouts, pledged his support and help. In the following minutes interested parents cognizant of the need for such a program for a long time volunteered their services. Chairman of the organization committee is Mrs. Harry Tracy. Others are Mrs. Leonard Costa and Mrs. August Dryer. To add impetus to the group, Mr. Copeland volunteered his assistance in his capacity as scout district commissioner.

Belford

The auxiliary of the No. 1 Fire company met Monday evening. Mrs. Bartha Biron, past president, was presented with a past president's pin by Mrs. Ellen Cook, president. Mrs. Virginia Adubato and Mrs. Harry Nisiolek were hostesses. Attending were Mrs. John Rasmussen, Mrs. Albert Wood, Mrs. Alfred Smith, Mrs. Bertha Fitterer, Mrs. John Hamer, Mrs. Charles Crelin and Mrs. Marjory Gilly.

Postoffice officials will be invited to the next meeting of the Civic association in regard to having postal delivery made to homes as discussed at the meeting of the association Jan. 15 at the Independent fire house. A letter will also be written to the traffic manager of the N. J. Central Railroad requesting them to extend the starting time of the 4:44 train from Newark to 4:54, which will permit those unable to make connections with the 4:44 train to get home at a reasonable hour. The next train leaves at 5:37. There was a question raised as to why the older actions in town do not have street lights or fire hydrants. Objections were made to the speeding buses carrying pier workers to Leonard, endangering lives of children along the route to Leonardville rd. A letter will also be written to the township committee asking that this practice be stopped. The next meeting will be Feb. 19. An invitation is extended to all citizens and particularly to new residents, to attend the meetings as the association is working to improve the vicinity.
