GREETINGS FROM RAY AND LEE

Exciting is the only way to describe the coming season. The Young People will simply say, “It’s Cool”. No matter what you might want to call it, we hope you’ll all climb aboard and plan to enjoy the new facilities, the fine fellowship, and all the other activities we’re planning for your pleasure this coming summer.

Your officers, committees and board of trustees have been totally dedicated this past winter in helping to make these pleasures possible, and for this we are most grateful. We hope it will be for everyone, a happy, healthy, and fun-packed summer. Come see us often.

"If Everyone's Carpet & Tile Taste Were the Same"...

We wouldn't have to stock hundreds of styles, colors, and patterns of carpet, or display them under a specially selected lighting system for the truest color representation. We wouldn't need the largest modern display selection area for ceramic tile, resilient flooring, domestic and imported floor and wall tile. We wouldn't have to maintain a fully stocked do-it-yourself area capable of handling from a home owner to a general contractor, because everyone would use our professional carpet and tile mechanics for installation.

This would be all we'd need!

AVALON REGATTA

The Avalon Yacht Club and the Borough of Avalon wish to welcome all sailors, flag officers and members of the South Jersey Yacht Racing Association to the 1975 Avalon Regatta. Our Regatta Chairman this year will be Vice Commodore Davis Pearson.

Comets, GP 14s, Moths, Sunfish and Lasers will participate in this annual event on July 26-27.

Several years ago South Jersey Yacht Racing Association voted to limit board boats sailing in the South Jersey Regattas to Sunfish. A period of three years was allowed for this adjustment which ended with the 1974 sailing season. Thus all competing board boats must be of the Sunfish class.

AVALON YACHT CLUB SAILING ACTIVITIES

This year we are looking forward to an outstanding sailing season under the chairmanship of Clinton C. Funk, Jr. He has planned two Summer Series involving many week-end races at the Club. In addition there will be two of the popular Family Regatta Nights.

Labor Day will be turned over exclusively to the traditional Fathers’ Day Race followed by the awarding of the season’s prizes.

You will find on the previous pages, the Summer Series races for Boards, Moths, and Lasers at the Avalon Yacht Club and a schedule of major sailing events at other clubs to round out the South Jersey schedule.

This year Past Commodore Carl Powers will once again be the chairman of the Patrol Committee. This is a most important committee working tirelessly every year for the safety of our sailors, so let’s give them our support and appreciation.

YOUTH PROGRAM

The Youth Program this year will be under the leadership of the Club’s manager, Dick Shoemaker.

The staff will include Niles van den Beemt, head sailing instructor; Susie Hunt, head swimming instructor; Ed Ferren, Donna Ferren, John Runzer, Jamie McDermott and David Pearson.

Sailing and swimming instructions are open to all members’ children who are interested in learning. Mornings are set aside for sailing, swimming and life saving instructions. Afternoons are for actual participation in sailing and swimming activities.

Join our multiplying list of winners by taking advantage of these well managed classes.

Good sailing to all and again may your summer be filled with the lasting pleasures of fellowship and competition.
