"CALL US FIRST"
Since 1947
The Leahy organization rents and sells property in Avalon.

But we're builders too.

Builders of the reputation that Avalon enjoys in the minds of those who would like, someday, to share what each of us already takes for granted.
As our society and environment continue to change so rapidly - and sometimes drastically - the Avalon Yacht Club must continue to adjust accordingly to the demands and needs of its members. As new families and faces appear each year, the future direction and further growth of the club will require a balanced mix of ideas; both from the new and the old members.

Our unique location with its vast potential offers the opportunity for unlimited short-term and long-range planning to satisfy ever-changing member needs. Ideas abound already. Implementation in only a few cohesive minds away!

1984 can be yet another step forward.

1984 YOUTH AND SAILING ACTIVITIES

The Avalon Yacht Club features an outstanding youth program geared toward sailing and swimming instruction for the families of members of the Club. The program runs Tuesday through Friday during July and August and is highlighted by our Family Night at the end of each month. The sailors are also encouraged to participate in the Saturday sailing activities which are highlighted in the weekly newsletter.

The youth program will again be under the capable direction of our Club manager, Dave Frick, and a group of qualified swimming and sailing instructors. Your Club believes that with participation we will once again have the finest youth program in South Jersey.

1984 SAILING PROGRAM

This year the Avalon Yacht Club is hoping to achieve several goals in its weekly sailing program. The first is to promote our young sailors who participate in our weekly sailing classes into the regatta circuit at various clubs. The Club will do its best to provide transportation to these regattas and to provide adult support to those who participate. If the Avalon Yacht Club is going to grow, we must establish ourselves in the regattas sponsored by the other yacht clubs of South Jersey.

The second goal - as always - is to use our Club to its fullest advantage and to continue our successful Saturday events as in the past. Our only hope is that you will join us in making weekends at the Club all the more memorable.

The 1984 sailing activities will be under the direction of your sailing chairman, Jamie McDermott, and assistant sailing chairman, Joe Abbott. Please feel free to contact either Jamie or Joe with your ideas for an entertaining Saturday morning.

*Deceased
All members of the Avalon Yacht Club deeply regret the untimely death of our friend and Rear Commodore, Dale Knob. All of us will surely miss his familiar, "How can I help?" Our sympathies and prayers go to Cecelia and his family.

Dear Vacationer:

Welcome to Avalon! If this is your first visit with us on our unique resort island, you've a lot to look forward to doing. If you're returning here after several years, welcome back.

Our immaculate, white sand beaches gently touch the cool Atlantic and our sand dunes rise gently to the sky.

On these quiet, uncluttered beaches will be spent some of the most relaxing times of your entire vacation.

Glistening ocean waves await you in the protected surf. Warm summer rays await to deepen your tan.

Over four miles of this beautiful beach await those lazy summer walks down beach in the shallow water.

In addition to Avalon's natural attractions, a well staffed recreation department has many special summer events planned which will delight every member of your family. Whether you enjoy boating, fishing, tennis, or just relaxed summertime living, Avalon is the one place for your vacation of a lifetime.

Very truly yours,

Mayor Rachael H. Sloan
Councilwoman Pauline C. Petrica
