INTRODUCTORY

The Belleville, N. J., Directory for 1921 is herewith presented.

A careful and complete canvass of the town was made, covering the residences and places of business and the information herein contained is the latest data obtainable. As is usual in all books of this nature, changes occur after going to press, but in many instances the newer information was secured in time to print.

Before the reader concludes that the entry he is looking for is not in the book, let him turn to the list headed "Information received too late for regular insertion, etc.," which is found on page 168.

The Alphabetical List of Silver Lake, Soho and Bellewood Park, follow immediately after the Belleville Alphabetical List.

The Street Guide, Business Directory and the Miscellaneous Section, however, give information including all sections of the town in alphabetical arrangement.

The publisher wishes to thank all those who have, by their support, contributed to the success of the book.

In conclusion, by conservative calculation the population of Belleville (including Silver Lake and Soho) is 20,164.

The Directory will be issued again in 1923.

Publisher.

H. C. MORRIS' BELLEVILLE STREET GUIDE, 1921

173

BELLEVILLE, N. J. STREET GUIDE AND DIRECTORY OF HOUSEHOLDERS, 1921.

In the Street Guide residences and places of business are designated by their street number, and are arranged in numerical order.

Names are given of all householders, and business people, for other members of families, roomers, and boarders, see alphabetical Lists.

The streets are arranged in alphabetical order and the intersecting streets are given where they intersect.

The word vacant after a number signifies that the house or store at that number was vacant when canvas was made.

SECTION 28 COPYRIGHT LAW IN FORCE JULY 1, 1909.

That any person who willfully and for profit shall infringe any copyright secured by this Act, or who shall knowingly and willfully aid or abet such infringement. shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by imprisonment for not exceeding one year, or by a fine of not less than one hundred dollars nor more than one thousand dollars, or both, in the discretion of the court.
