Famous "Two-Gun" Man
Just a Fine Liar.

Mizner, R. E. "Automatic Bill" Harveytown, has lost his reputation. Mizner thought "Automatic Bill" was a big two-gun man, but in fact he was simply a liar.

"Automatic Bill's" reputation, all over the Midwest country was that he was a big two-gun man. He would never admit this to you, but in fact he was a liar. He said he had a reputation as a two-gun man, but in fact he was just a liar, a liar, and a liar. His name was not Kirby, nor Jones, nor anything else, but just a liar.

Mizner chances are that his name was "Automatic Bill," the terror of the Midwest country. He was just a liar, a liar, and a liar. He said he was a big two-gun man, but in fact he was just a liar, a liar, and a liar.

Mizner chances are that he was just a liar, a liar, and a liar. He said he had a reputation as a two-gun man, but in fact he was just a liar, a liar, and a liar.

STANDARD

MOTOR OIL

New lubricating oil
SAVES GASOLINE!
Hudson's, Dodges, Overlands prove it

In hundreds of comparative road tests made

with all types of cars and trucks astonishing

savings in gasoline and oil consumption were

noted—when the new "Standard" Motor Oil

was used, 10% to 20% increase in gas mileage;

15% to 40% increase in oil mileage.

A typical test is one run with a Hudson over

a 992 mile course from September 26 to October

22, 1925. This test showed a 27.3% increase

in oil mileage; 13.4% increase in gas mileage;

smoother operation of the motor at all speeds;

more power; less drag on the hill; better lu-

brication and cooler motor; no carbon.

Verify these astonishing results in your own

car. Get your crank-case filled today at a

"Standard" Service Station or dealer. Then

exert results. You can actually feel the differ-

ence.

STANDARD OIL COMPANY (New Jersey)

"STANDARD"

MOTOR OIL

7 Advantages of "Standard" Motor Oil

1. Constant lubrication.

3. Less "breaking-down" under load or at high speeds.

4. Less wear on pistons or cylinder walls.

5. Better hill climbing—smoother operation.

7. Actual saving in gasoline.

Aspirin Marked With "Bayer Cross"

"Bayer" aspirin is marked with the "Bayer Cross" as a guarantee that it is the genuine, pure product. The "Bayer Cross" on aspirin means that the drug is genuine Bayer aspirin. The "Bayer Cross" is a trademark of Bayer. This trademark is registered in the United States Patent Office. The "Bayer Cross" is also registered in Canada and in many other countries.

Aspirin is a medicinal product made from acetylsalicylic acid. It is used as an analgesic, antipyretic, and anti-inflammatory agent. It is widely used to relieve pain, inflammation, and fever. It is also used to prevent blood clots and to treat heart disease.

The "Bayer Cross" is a symbol of purity and authenticity. Patients can be assured that they are getting the genuine product when they use Bayer aspirin. The "Bayer Cross" is a trademark and is protected by law. Anyone who uses or reproduces the "Bayer Cross" without authorization is guilty of trademark infringement.

The "Bayer Cross" is not the only trademark used on aspirin. Many other companies also use trademarks to identify their products. However, the "Bayer Cross" is the most well-known and widely recognized trademark used on aspirin.

The "Bayer Cross" is a symbol of trust and reliability. Patients can be assured that they are getting the genuine product when they use Bayer aspirin. The "Bayer Cross" is a trademark and is protected by law. Anyone who uses or reproduces the "Bayer Cross" without authorization is guilty of trademark infringement.
