NOTICE OF SPECIAL MEETING.

A special meeting of the Town Commissioners of the Town of Boca Raton, is hereby called, to be held at the Town Hall at 7:45 P.M., January 3rd, 1926.

For the purpose of receiving bids for the completion of the Town Hall to one story in height. Each contractor or bidder is hereby instructed to submit plans and specifications and bid according to their proposals, in view of accepting Town of Boca Raton Improvement Bonds at 95% of face value, as payment.

The Town Commission reserves the right to reject any or all bids.

TOWN OF BOCA RATON

BY

Geo. S. Alkin
TOWN CLERK.

NOTICE TO BIDDERS

Sealed proposals will be received by the Town Council at the Town Hall, Boca Raton, Florida, until 7:00 P.M., on the third day of February, 1926 for the construction of a Town Hall in the Town of Boca Raton, Florida in accordance with the plans and specifications for this work.

Plans, specifications and bidding blanks may be obtained upon application to the Town Clerk in the Town Hall by deposit of twenty-five (\$25.00) dollars, which deposit will be returned upon the surrender of plans and specifications or the plans and specifications may be examined in the office of the Town Engineer in the Town Hall.

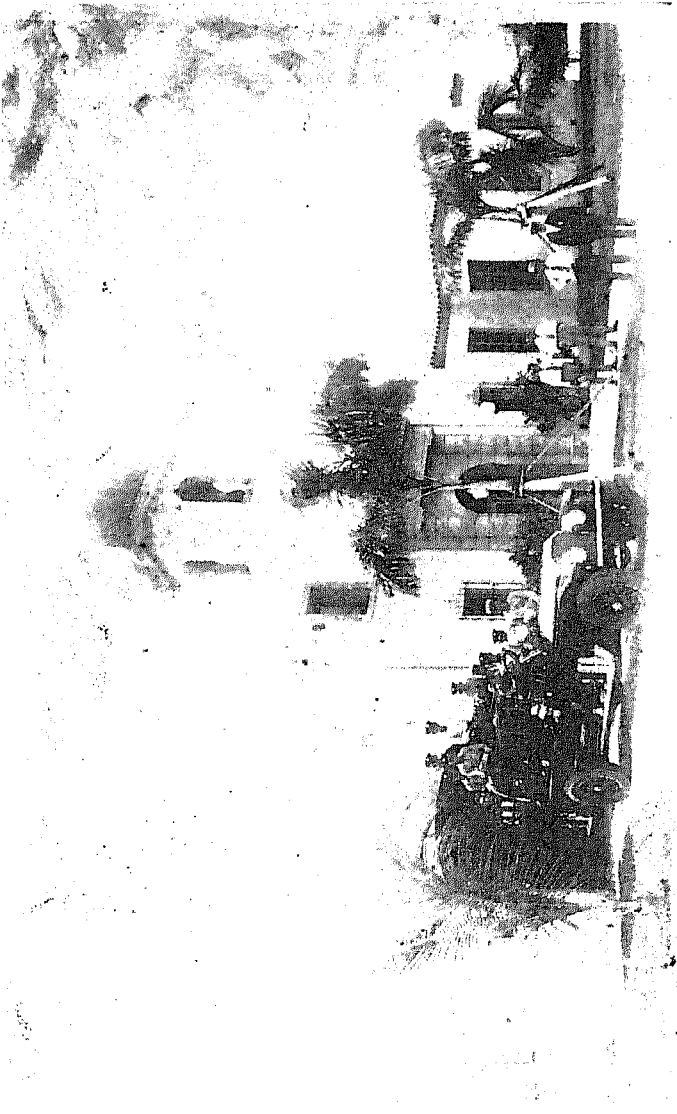

The Town of Boca Raton reserves the right to reject any or all bids or to waive any irregularities in a bid when it is deemed best for its interest.

Each bid must be accompanied by a certified check in the sum of two thousand (\$2,000.00) dollars made payable to the Town Treasurer of the Town of Boca Raton.

J. G. Brown
MAYOR

Geo. S. Alkin
CLERK & TREASURER

The following is an excerpt from the original contract between F.H. Link, Contractor, of Delray, Florida, and the Town of Boca Raton:

ADDISON MIZNER
ARCHITECT
PALM BEACH
FLORIDA

January 19, 1926.

City Commissioners of Boca Raton,
Boca Raton, Florida.

CITY HALL

Gentlemen:

I am enclosing a statement covering my fees for architectural service on the Boca Raton City Hall. The architectural service to be rendered, in addition to those services already furnished, will be in accordance with the Standard practice of the American Institute of Architects. The fee is based on the estimated cost of \$125,000 at 6%, which is \$7,500. 60% of this fee is due upon the completion of the plan, 20% due upon the completion of the details and 20% for supervision due on the cost of the work as the building progresses.

If it is your desire to have the additional services supplied on this building, kindly return one copy of this letter properly signed to me, at your convenience.

Very truly yours,

CRG:T

Mr. Addison Mizner, Architect,
Palm Beach, Florida.

Dear Sir:

We, the City Commissioners of Boca Raton, desire to retain your services as Architect in accordance with the terms set forth in your letter.

PHONE 748

ADDISON MIZNER

City Commissioners of Boca Raton,
Boca Raton, Florida.

Gentlemen:

This is to advise you that you are
released of further liability for the architectural
fees on the City Hall of Boca Raton, payment of
which was made by City of Boca Raton bonds, receipt
of which is hereby acknowledged.

Yours very truly,

Addison Mizner

AM/w

This agreement, dated December 23, 1926, between F.H. Link, the original contractor for the Town Hall, and the Town of Boca Raton, indicates that funds were no longer available to continue construction. Both parties agreed to cancel their contract of February 18, 1926.

ADDISON MIZNER
ARCHITECT
PALM BEACH
FLORIDA

November 23, 1926.

Mr. F. H. Link, Contractor,
Delray, Florida.

Dear Mr. Link:

This is to advise you that you are released of further liability for the payment of bills for Iron Work and Stone furnished you for the City Hall of Boca Raton, payment of which was made by City of Boca Raton bonds, receipt of which is hereby acknowledged.

Yours very truly,

WITNESSETH: —

First: That on the 18th day of February, 1926, the said party of the first part entered into a contract with the said party of the second part for the construction of a Town Hall in Boca Raton, Florida.

Second: That after the said party of the first part had started the construction of said Town Hall and prosecuted same for some time, it was found by the said party of the second part, that funds for the further prosecution of the work were not available, and by mutual agreement between the parties to this agreement, work was temporarily suspended on the Town Hall by said party of the first part.

Third: That up to the present time funds for the further prosecution of this work have not become available and both parties to this agreement being desirous of cancelling the contract entered into between themselves on February 18th, 1926, for the construction of a Town Hall, now, therefore, it is mutually agreed between the parties to this agreement, that said contract, dated February 18th, 1926, for the construction of a Town Hall in Boca Raton, Florida, is hereby cancelled subject to the following terms and conditions:

One: It is mutually agreed by the parties to this agreement that the total estimate due the said party of the first part for all labor, materials, overhead, equipment, rental and any and all other items, which have thus far gone into the construction of the said Town Hall is Thirty-Five Thousand, Four Hundred Thirty-One Dollars and Thirty-eight cents (\$35,431.38) made up as follows:

Certificate No. 1	Addison Mizner, Architect	\$15805.19
Certificate No. 2	" " "	12652.83
Certificate No. 3	" " "	5978.99

Bill of Stone Tile Co. (not included)	142.47
TOTAL AMOUNT OF ESTIMATE		\$35431.38

BOCA RATON RECORD

No. 3

BOCA RATON, FLORIDA

March 1st, 1927

Municipal Building for Boca Raton

Some months ago it was recognized that a town as progressive as Boca Raton should have a suitable building in which to house its police department, its fire department, and other offices necessary to the conduct of the affairs of a progressive community.

Work was started on a splendidly designed building of the Spanish motif, but finding it difficult to finance the enterprise, work was suspended for several months. Conditions have changed to such an extent, however, that arrangements were made to finance it, and a contract was entered into with Messrs. Cramer & Cramer for its completion. Work is now progressing rapidly, and it is estimated that all departments will be housed in the new building before April has passed.

The first floor will cover a space 112 feet by 64 feet. The second floor will be 28 feet by 64 feet and will be devoted to an auditorium for the use of the Woman's Club, and for general meeting purposes.

The building will face on the Kings Highway, now the Federal Aid Highway. The contract calls for the building complete, with paving of the streets on all sides, white lighting of same, sidewalks, and properly landscaping the property. The finished job will be a suitable monument to the progressive spirit of Boca Raton, and its beauty in keeping with the surrounding development.

We present herewith a cut showing the building in course of construction. A later issue will show the completed building. The total cost will be \$100,000.

Two: It is mutually agreed by the parties to this agreement that the party of the second part has advanced the said party of the first part on total estimate, as shown above, the total sum of \$33,169.93, made up as follows:

Check No. 1	April 3, 1926	\$14232.80
Check No. 4	April 23, 1926	1549.65
Check No. 61	May 3, 1926	10248.82
Check No. 156	June 12, 1926	2238.26
Check No. 325	October 23, 1926	400.00
Expenses taken from Town Hall	709.56
Expenses of Mizner Industries to be paid by Town of Boca Raton, Florida		3790.84
TOTAL OF ALL ADVANCES		\$33169.93

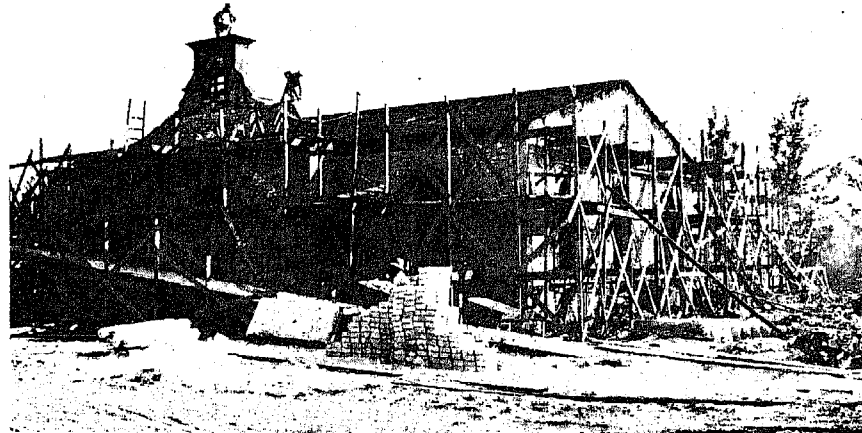

Three: That from a comparison of the amount due on the total estimate and the amounts advanced the said party of the first part, on the total estimate, it is mutually agreed by the parties to this agreement that there is no balance due the said party of the first part at the present time, on the total estimate, amounting to \$2261.45.

Witness our hands and seal this twenty third day of December 1926.

Witness: *[Signature]*

Municipal Building for Boca Raton — Photograph taken Feb. 20, 1927

the following contract excerpt J.F. Cramer agrees to complete construction of the Boca Raton Town Hall:

THESE ARTICLES OF AGREEMENT, Made and entered into this 24th day of January, A.D. 1927, by and between the Town Commission of the Town of Boca Raton, Florida, a Municipal Corporation, parties of the first part and J.F. Cramer, of Boca Raton, Palm Beach County, Florida, party of the second part. WITNESSETH: That the said party of the second part, for and in consideration of the sum hereinafter mentioned does hereby covenant, promise and agree with the said parties of the first part or their successors in office, to provide all materials and to execute and complete for the said parties of the first part all work required in and for the completion and erection of a Town Hall at the Southwest corner of Boca Raton Road and King's Highway in the Town of Boca Raton, Florida, according to the general drawings, plans and specifications and detailed drawings furnished by W.E. Alsmeyer and hereinafter written in addition to such other general or detailed drawings as may be furnished from time to time during the progress of the work to more fully illustrate the general drawings and specifications, and subject in every particular to the instruction and approval of the said architect, and the Town Commission of the Town of Boca Raton.

TOWN OF BOCA RATON.

In this letter, J.F. Cramer of C. & C. Construction Company, agrees to the terms of his contract with the City of Boca Raton dated January 24th, 1927.

C. & C. CONSTRUCTION CO.

GENERAL CONTRACTORS
BUILDINGS, STREETS, SIDEWALKS, CURBS, RETAINING WALLS
FOUNDATIONS, PAVING

To Honorable City Commission,
Boca Raton, Florida

BOCA RATON, FLA. Jan. 3, 1927

We the undersigned agree to furnish all labor and material in accordance with attached plans and specifications; to finish city hall, including plumbing, painting, electrical work, electric fixtures, etc. All to be done in the best of workmanship.

We further agree to put in curb and gutter, sidewalk, and approved light posts, and all connections ready for lighting. The above curb and gutter, sidewalk, lighting to start at the Dixie, to King's Highway, to Palmetto Park Road on the city hall side of the street. Also the paving from the proposed sidewalk and curb to connect with present paving on these streets.

This proposal includes the placing of marl and good fertilizer and the planting of grass and shrubbery between the finished building and sidewalk and the lot adjoining the building on the west.

Marl shall not be less than six inches deep; and where trees and plants are to be placed; a cavity large enough shall be dug and filled with marl to take care of the roots of the shrubs and trees. Shrubby shall consist of not less than twelve palms nor less than twelve blooming bushes nor less than twenty-four other varieties of vines or plants as may be decided upon at the time of planting. Grass to be the best lawn grade as used in this locality.

All to be done in accordance with plans and specifications, with the building ready for occupancy for the sum of Fifty Seven Thousand, Seven Hundred Seventy and no/100 dollars. Said sum to be paid to us in city bonds at (95) ninety-five, upon the following conditions; the total amount of bonds to complete this work shall be placed in the Bank of Boynton as trustee, to be converted into cash by us, and upon the completion of these financial transactions the sum of \$7500.00 shall be placed to our credit, at which time we will start construction.

Further payments out of this fund shall be paid as follows; \$7500.00 when roof is entirely covered with roofing boards and asphaltic compositions, \$7500.00 when Cuban tile and stucco are completed according to plans and specifications, \$7500.00 when plastering and wood and concrete floors are laid in building. Balance upon the completion of the building and acceptance by the City Commission of the entire work.

It is also understood that the city will get releases from person or firms, now having any claims against the unfinished building, except the Ocean City Milwork Company for \$1100.00 and wiring which amounts to \$665.00. The above claims to be paid or compromised by us. This proposal is based upon taking over the building and premises as is; and any materials left upon said premises which meet specifications will be utilized by us. Any materials not suitable are to be hauled away by us and stored where designated by city.

We will complete all work under this proposal within sixty-five working days, from date of starting, and will start work immediately upon all conditions being met in this proposal.

Respectfully Submitted,
Cramer & Cramer
