Council Defeats Legal Depart

The Quill

It isn't often that you see campaign pledges kept with the action that was witnessed by Monday evening's move by Councilmen Kaczmarek, Burger and Boyle to establish a legal department.

They weren't able to establish the department -- but keeping the promise they made to the voters is certainly one measure of success.

"Welcome" -- to the more than 900 administrators, supervisors, psychologists and teachers from surrounding communities who will attend an In-service Day in Clark schools this Monday.

Dr. Carl H. Kumpf is chairman of the planning committee for the day and he's being assisted by educators from many communities including Claire Lyons and Stuart Seid, of the Clark School system.

We were certainly glad to see that Councilman Thomas Kaczmarek is going to work on the question of a "garage factory" being established in the Gibson Blvd. area.

At the end of the copy for all newspaper stories journalists always use the -- 30 -- sign. This means that it's "the end" of the story. At the end of some "grade B" movies about crusading reporters, -- 30 -- will be flashed on the screen instead of "The End" to signify that the picture is over.

Well, we used the -- 30 -- sign at the end of the sample press releases at our recent Press Breakfast and Workshop -- and one of our more astute guests asked us how the use of the -- 30 -- sign had originated. We had to admit we didn't know.

Seeing our dilemma, the Director of the Clark Public Library, Edward Temkin, volunteered to hunt down the history of the -- 30 -- sign.

He promptly came up with the answer -- and here's the reason.

The term -- 30 -- originated back in the early days of the telegraph. At the time, operators, writing longhand, used the symbol "XXX" to designate the end of a dispatch filed by a newspaper correspondent. In Roman numerals, "XXX" means 30. Hence, the "XXX" quickly translated itself into the now familiar -- 30 --.

Many thanks, Mr. Temkin.

Do you want to submit a story to the "Clark Patriot" about your club? Are you responsible for "getting the news to the paper" for your PTA? Do you want to share the news that your daughter's getting married?

Well, we've prepared a detailed booklet, "Righting News Releases", just to help you.

The booklet lists all our deadlines and methods for submitting news:

All pictures must be in our offices by Tuesday before publication.

General news and pictures may be left at the Clark Police Station but they must be there before 5 p.m. on the Monday before publication. General news stories must be in our offices by 5 p.m. on the Tuesday before publication.

Religious services news must be in our offices by 5 p.m. on the Monday before publication.

Wedding and engagement announcements must be in our office by 5 p.m. on the Friday before publication.

The booklet proved to be a great success at our recent press breakfast -- and if you'd like a copy we'd be glad to send you one. Just give us a call at 388-0600 and we'll send you the booklet and a sample news release.

Did you know that you can have your hair done... arrange for an "Answerphone" service... buy a wig... choose from gourmet foods... select the latest fashions... get the recipe for sauerbraten with your meat order... have a special fruit basket made up -- in Clark.

We have a lot to be proud of in Clark -- and we'd have a lot more if the people who lived in Clark shopped here. The Clarkton Shopping Center, the businesses on Westfield Avenue, and the stores throughout Clark should be bustling with local shoppers.

Money spent here helps your town -- and eventually lowers your taxes.

Would you believe that only one shopper out of ten in most Clark stores comes from Clark? Would you believe that a Clark organization raised money through a fashion show presented by a Clark shop -- and then opened a dress club in another town? Would you believe that MOST of the people in Clark don't shop here?

Clark businesses offer quality merchandise, comparable prices and "that personal touch" which you only find in your hometown.

Why not make SHOP AT HOME a Clark habit?

YOUNG PERFORMERS -- A play, "Murdock's Rath", by Juliana H. Ewing was presented by a Fifth Grade class at the Hehnyly School. The play was planned and produced by the children with the help of their teacher, Mrs. Marian Daghita, and Mrs. Mona Roth, their student teacher. All members of the class had a part in the play.

'Democrats Betrayed' On Legal Vote: Farmar

John J. Farmar, Democratic Municipal Chairman, claimed today that "the Democratic Party was betrayed last Monday at the Municipal Council Meeting." He said that "the three new councilmen were to be praised for their courage in endeavoring to reduce the excessive legal fees that Clark has paid in the last six years. They ran on this platform and introduced the first legislation to limit the cost. They are my type of men," he stated, "they fulfilled their trust to the citizens of Clark."

Mr. Farmar claimed that Councilmen Catalano, Paschenko, Getchis and Yarusavage could only "voice hollow opposition to the program but had to abide by their commitment of Jan. 1 to Mayor Maguire." He stated that he had hoped that the best interest of the town would be placed above "any arrangement that this coal-

Mrs. Rose Lauer and Mrs. Christine Zimmerman started the Club in Nov. 1966. Meetings are held every Wednesday from 12:30 to 4 p.m. in the American Legion Home at 78 Westfield Ave., Clark.

Prior to the meeting last week, the birthday anniversaries of Mrs. Bullman and Joseph Walsh were celebrated. Mrs. Vera Berry and Mrs. Laura Klett were in charge of decorations and refreshments.

Twelve members were guests at the recent meeting of the Senior Citizens of Hillside, held at the Hillside Elks Club.

tion might be committed too. This was shown not to be the case," Farmar said. He would, he said, hold them responsible for all future legal cost and was sure that the electorate would not forget.

"The statement that the attorney was going to reduce his fees from \$400 per day to \$275 per day brought forth the question as to how much was to be returned for the last six years when the services were at the higher figure. I wanted to know," Farmar said, "if this money was to go into the Unantisipated Surplus?"

Chairman Farmar stated that all comparisons with other municipalities showed that Clark has been paying double for its legal services and that he was certain that Councilman Boyle, Burger and Kaczmarek would continue their efforts to bring about stability in the costs to the township.

New Trees Come To Clark

Over 700 trees were planted in Clark in 1966, according to a report submitted by the Shade Tree Commission this year. Of this total, 408 trees were purchased with township funds and 334 trees were bought by individual developers. Homeowners were not charged for the trees planted in front of their houses.

However, according to a survey made by Paul Hummel, a graduate of Rutgers University in Forestry studies, 2,753 more trees are needed in Clark. To complete the project by 1972, the Clark Commission proposes planting 500 trees a year at an annual cost of \$10,000.

Other "leaves" from the report explained that: Trees were severely damaged and others died in the new Broad Meadow and Sweet Briar developments due to negligence by the builders. But after months of negotiations, the builders have complied with the Commission's request to remove the dead trees and repair the damaged ones.

A forestry student will be engaged annually to review tree conditions in the municipality.

Tree diseases were not serious in 1966, and in spite of the drought, tree losses were at a minimum.

The annual public school essay contest and Arbor Day will include Mildred Terrace School this year.

The Commission recommends the purchase of a vacuum leaf sweeper to help keep Clark's streets clean. An appropriation for the sweeper has been included in the Mayor's budget requests.

Johnson Regional High School on March 9 in the auditorium at 8 p.m. Mr. Bowen will discuss the relationship between the narcotics novices and their parents. "The Losers" will be shown.

Amid protests that a Legal Department would add to the town's legal costs -- and denials that the department would entail expenditures as high as those under the present system, the Clark council voted 4-3 Monday evening to down a move for establishing a legal department.

With freshman Councilmen Kaczmarek, Burger and Boyle "voting to keep our campaign pledges" in favor of the measure -- the veteran Councilmen; Catalano, Council president; Paschenko, Yarusavage and Getchis voted against the measure.

In introducing the ordinance for establishment of a legal department with \$15,000 allotted for attorney's fees, Councilman Kaczmarek said that he was moving the measure because, as a result of campaign promises, he had investigated Clark's legal fees and found them to be higher than comparable towns. He said that he hoped a \$15,000 limit for township legal fees would encourage constructive compromise and discourage unnecessary litigation. Councilman Yarusavage questioned Mr. Kaczmarek about the costs of office space, legal secretarial and law library needs under the plan, but Councilman Kaczmarek said that he assumed that any attorney acceptable to the members of Council would provide these services in the line of their duties.

In answer to a question about whether he had "a certain attorney" in mind, the Councilman said that he knew of several attorneys who might be considered for the position but stressed that he was making for a legal department strictly to save the people of Clark money and not to provide a job for anyone.

In commenting on the savings involved, Councilman Paschenko said that he felt that "the creation of any such department will not solve our problems."

In speaking last on the proposal, President Catalano revealed that the present township attorney, Irvine B. Johnstone, had agreed to lower somewhat the fees he charged in line with Council's concern for legal costs. Mr. Johnstone had been receiving \$40 an hour for research and \$400

a day while in court. Mr. Catalano said that the attorney had agreed to lower his per diem cost while in court to \$275 a day. No mention was made of a lowering of the research costs per hour although Councilman Boyle did state that he had contacted the Union County Bar Association and that \$25 per hour was more in line.

Councilman Catalano said that the township had often been involved in legal work brought on by residents of the community -- and emphasized that the township had to expect to pay for the quality of legal work it required and that Mr. Johnstone had satisfactorily represented the township in many involved cases. As evidence, it commented on a case, still in litigation, in which a builder is attempting to force the township to allow more apartments per acre than it feels satisfactory.

In other business before the Council, the members voted unanimously to pass ordinances which will: establish a "Dog Ordinance" for the township, which will be explained in detail in a future issue of the "Clark Patriot"; require contractors to put in a 2" intermediate course road base on all streets before getting their building permits; provide for the addition of two "alternate" members of the Board of Adjustment to assure a quorum at each meeting; and to appoint two additional members to the Planning Board.

They introduced measures to provide for three detectives in the Police Department, instead of the two approved now; and passed resolutions aiding the installation of a traffic light at the Broadway, Valley Road, and Walnut Avenue.

In a message to Council, Mayor Maguire revealed that probably no federal funds will be available for Clark's civic center-municipal pool hopes and indicated in a letter that he favored the township selling approximately \$300,000 of township-owned land to allow the township to purchase the land parcels on Madison Hill Rd., Bartell Pl., Westfield Ave., and New York Ave. for open spaces. Because of the importance of the letter, it is carried in full on page 4.

Council voted unanimously Monday evening to add two additional members to the Planning Board and the appointment of the two men was announced this week by Mayor William Maguire.

Salvatore T. Cordaro, of 116 Fulton St., who was a candidate for Four Ward Councilman last fall, and Anthony M. Giacobbe, of 61 Fairview Rd., brother of recently-elected Rahway Councilman Ray Giacobbe, were appointed to the township Board.

Mr. Cordaro, who moved to Clark in 1961, is presently a Project Engineer in the Plant Engineering Department of Tenneco Chemical Corporation, Fords, N.J. A graduate of the Polytechnic Institute of Brooklyn in 1955, he was graduated from the New York State Maritime College in 1948 and has completed courses in business administration at New York University.

He is the chairman of the Union Council Fund Drive, Boy Scouts of the Clark area; a charter member of the Gran Centurions; and a

He and his wife are the parents of two children.

We are all very grateful for the public support which resulted in the recent passage of our school budget. I wish to thank you for your efforts on our behalf, and hope you will continue to be interested in our school programs and good education in Clark.

In the near future we shall finalize our proposals for the next building program to provide needed facilities for our school children.

We look forward to discussing these plans with you as we did our past budget proposals. We shall be in contact with you in the near future.

The following is the text of a letter submitted by Mayor William Maguire to members of the Municipal Council:

The Municipal Council of the Township of Clark c/o Mr. Edward R. Padusniak
Township Clerk
Clark, New Jersey

Gentlemen:

We are in receipt of a letter from the Department of Housing and Urban Development signed by Mr. Jerome E. Parker, Assistant Regional Administrator for Metropolitan Development. I quote the most significant

so advised you, that total applications from New Jersey counties and municipalities for the twenty million share apportioned to them, exceeded that sum. We were urged, however, to complete and file our application so that we would be "in line" in the event of the rejection or the reduction of applications from other municipalities. There have been some such reductions and we have moved up in line, but it becomes evident that there is no immediate likelihood of our getting a state grant until the legislature moves for authorization for additional funds through public referendum and bond issue.

In the light of this, it is evident that it is incumbent upon us to take whatever steps are open to us to acquire the necessary recreational areas which would accommodate a municipal swimming pool and a much needed civic center.

As a consequence, I have had an analysis made of properties owned by the Township that produce no revenue but yet require the expenditure of municipal monies for cleaning, weed control, grass-cutting and snow removal. This analysis indicates that the market value of saleable, Township-owned land approximates \$310,000.

I therefore suggest to the Council that it consider the sale of these properties, dedicating the funds to be derived therefrom to the purchase of the large parcels recommended by the Master Planners for recreational use. This amount would be more than that needed to start these important projects without delay.

You are aware that more and more people in Clark have increasingly expressed their desire for a swimming pool and for a civic center. I believe it incumbent upon us to take whatever course of action is open to us to bring these projects to completion.

I therefore suggest that we meet to discuss this project and prepare a program for advancement and not wait upon possible future monies from either the state government or the federal government. I do not need to tell you that the longer this is delayed, the greater is the price we will have to pay.

Very truly yours,
OFFICE OF THE MAYOR
William J. Maguire
Mayor

Kreger Named Clark State Trust Officer

Don C. Kreger of Hillside Avenue, Bedminster, has been named chairman of the trust committee and trust officer of the Clark State Bank and Trust Company, it was announced today by Cuddie E. Davidson, president and chairman. Clark State, which recently received authorization from the State Banking and Insurance Commission to establish a trust department, has changed its name to reflect the additional service.

Mr. Davidson said the new department extends the range of services available to Clark State customers. He also called the appointment of Kreger "a most valuable addition to our executive roster."

Other members of the trust committee are Paul Cory, chairman of the board of the New Jersey Life Insurance Company; Martin Knudsen, president of the Elizabeth and Vicinity Building Trades Association; Victor W. Clark, executive vice president of the bank, and Davidson.

Mr. Kreger, a graduate of Cornell College, Iowa, spent 30 years in the trust department of the Guaranty Trust Co. and, after the merger, Morgan Guaranty Trust Co. Among his duties at the New York financial institution was supervision of large estates. He has also been a consultant on fiduciary matters to various New Jersey financial institutions.

A veteran of combat service as an officer in France during World War I, Mr. Kreger was awarded the U.S. Silver Star, and the French Army Croix de Guerre, Silver and Bronze Stars.

Active in civic and fraternal work, Mr. Kreger is a member of the American Legion and the Freemasons. He also is a member at large of the Nassau County Council, Boy Scouts of America, and a member of the Pluckemin Presbyterian Church. Kreger Named Clark State Trust Officer

James G. Growney, Exec. Secretary - Treasurer. The NJSIAA Executive Committee took the action against the two schools after hearings conducted before that group in Newark.

The Roselle Park probation is in effect until February 4, 1968, while the action against Midland Park will place that school on probation until February 15, 1968. During the one-year period, both schools may play their regular schedules in all interscholastic sports, but they will not be eligible for any State championships nor will they be allowed to compete in any meets or tournaments conducted by NJSIAA.

As a result of the Executive Committee's action, Roselle Park has been automatically dropped from the forthcoming State Basketball Tournament, and Washington High School thus receives a bye in the first round of play. Washington had been scheduled to play Roselle Park on Wednesday, March 1, at the North Hunterdon Regional High School gym. Midland Park was not entered in this year's tournament.

The placing of Roselle Park and Midland Park on probation comes as a result of recent varsity basketball games in which the coaches of the respective schools removed their teams from the playing floor prior to the conclusion of the games because of displeasure with the game officials' decisions. The Roselle Park incident took place on February 4 in a contest against Clifford Scott at East Orange, while Midland Park was guilty of the same violation in a game against Wood-Ridge on February 15 at the latter team's home court.

'Amant' Latin Class At Clark Regional

Latin Club Achievements of the S.P.Q.R. Club of Johnson Regional High School during 1966-1967 have been both interesting and educational. The cooperation of the members and the enthusiastic leadership of the officers and Mrs. Adie Bennett, adviser - moderator, has resulted in outstanding accomplishments.

In January, the club performed "The Ideas of March" as a comedy written a number of years ago by Dick Fifield, then a Latin student at A.L.J. Dick is now a junior at the University of Connecticut.

After long hours of practice, the club presented the play with complete success before an assembly in the Charles H. Brewer Junior High School. The purpose of the play was to show the junior high students that Latin could be fun, as well as work, and to encourage them to choose Latin in their high school years.

On January 28, a group of club members traveled to Phillipsburg for a meeting of the New Jersey Classical League. Action taken by the meeting included the discussion of plans for the annual Latin convention. The theme of the convention was announced by Joan Clerozo to be "Latin in Action," and a letter from Glen Mure, Travel Chairman, was read.

On February 15, the members of the Latin Club traveled to Mc Carter Theater, at Princeton University to view the Braggart Warrior, by Plautus, a performance which the students thoroughly enjoyed. The story of a "Braggart Warrior" and his mischievous slave who cleverly outwitted his master, the comedy was excellently written and superbly performed.

Under the direction of Mrs. Bennett, the club moderator, the following students took part in the above-mentioned activities: Cheryl Budd, Anna Deck, Barbara Formel, Margaret Hannan, Judy Huff, Bonnie Jacobson, Bill Kraemer, Sherry Lawrence, Kim Lynch, Susan Mumford, Ellen Nadler, Nancy Paulmann, Barbara Peterson, Jim Przyborowski, Wandita Randall, Jane Sulek, and Diane Wood.

The club members are grateful to Mrs. Bennett and to one another for the united effort which has helped make these events possible and they express the hope that other years will be as successful, they said.

Positions Open For Local Homemaker Service

With the advent of Medicare, there is a need for our community to provide the service needed by the sick.

When a person is hospitalized and is well enough to go home, but still unable to care for himself, the attending physician will contact the local Visiting Nurse Association to request Home Health Aide care. The Visiting Nurse contacts the patient or the patient's family to make an evaluation of the extent of the care needed by the patient in the home. The VNA then calls the Visiting Homemaker Service for the service of a Home Health Aide. The Home Health Aide has been trained and certified by the State Department of Health to care for the personal needs of the patient. This service is paid for by the Health Insurance under the Social Security Program.

Also available to the general public is Homemaker Service which takes over the general management of the home where there is illness. This includes meal planning and preparation, light housekeeping duties, and supervision of children. Both Homemakers and Home-Health Aides are urgently needed in this area, either on full time (eight hours a day) or part-time (four hours a day) basis.

(However, the second meeting in March will be on March 29 because of Good Friday).

The program has been carefully planned under the direction of Mr. David Gindlen, an authority on recreation for the retarded. Each session will begin with a club meeting. Group activities and games, a special feature or outside entertainment, dancing, and refreshments promise to make each evening an exciting and worthwhile social experience.

Meters Readers To Wear Uniforms

Watch for the man in blue! All of the meter reading personnel in the Commercial offices of Public Service Electric and Gas Company will be provided uniforms.

The uniforms will be dark navy blue, with the exception of the shirt, which will be light blue. The uniform includes pants, shirt, cap, tie, jacket and a heavy all-weather parka and hood for use in the winter months.

The outer garments, including the parka, jacket, cap and summer shirts, will all bear the easily identified company emblem that has become synonymous with Public Service. We'll Have College Co-eds At Rahway Hospital

We're going to have college students at Rahway Hospital now!

The Middlesex County College's nurse education program has been expanded to include the facilities of Rahway Hospital.

The hospital became the fourth to join the County College in the nursing program that started with the college's opening last September.

Students who make up the County College's first nursing class also gain clinical and laboratory experience by making use of the facilities of Perth Amboy General Hospital and St. Peter's General Hospital and Middlesex General Hospital, both in New Brunswick.

Rahway Hospital's facilities were made available under an agreement signed by John L. Yoder, director of the hospital, and Dr. Frank M. Chambers, County College president.

Dr. Chambers called the agreement "another major step forward for the nursing program at the college.

"Use of the facilities at Rahway Hospital will provide our students with an even wider range of clinical experience and laboratory work when coupled with the opportunities they are now receiving at the three other general hospitals in Middlesex County," the college president said.

Mrs. Marie Brennan, Director of Nursing at Rahway hospital, said, "The Medical Staff and Nursing Staff are extremely enthusiastic about the new affiliation and feel confident that both the students and the hospital will profit from the experience."

Arrangements for the start of the program during this current semester were made with the hospital's staff by Mrs. Rose M. Channing, chairman of the County College's Department of Nurse Education. Mrs. Channing outlined the nurse education program at the County College to the Rahway hospital staff at orientation sessions.

College nursing students will use Rahway Hospital's maternity and pediatric services two days a week under instruction from the college's nursing education faculty for the study of care of mothers and children.

The associate degree nursing program at the County College opened last September. The program is open to men and women, and graduates will receive an Associate in Applied Science Degree from the college at the end of two years of study.

They will then be eligible to take the state licensing examination to practice nursing as a registered nurse.

The "Miss Union County Young Republican" contest will be presented this year in connection with the annual Union County Young Republican Convention, on March 11 at Ciro's Restaurant, Route #22, Springfield, 5:00 p.m.

To be eligible girls must be between the ages of 18 and 28, single and residing in Union County. Judging will be based on personality, poise, beauty and intelligence.

Anyone wishing to enter the contest or would like to nominate a young lady, may contact, Miss Mary Kealy Contest Director, 131 Elmwood Avenue, Union, (MU 6-1321).

On the basis of what I have seen during the basketball season, I have concluded that the All-Watching Conference Five would be comprised of Steve Varanko of Rahway; Larry Buoni of Clark; Mike Lester of Springfield; Ken Arneson of Scotch Plains and Charles Archdeacon of Cranford. All are seniors.

Other outstanding players in the area were: Scott Bower of Westfield; Joe Dorsey and Billy Thomas of Rahway; Monty Brooks, Linden; Jim Forsythe of Union Catholic; Chet Mellit of Clark and Dan Jayson of Scotch Plains-Fanwood.

Registration for the Recreation Department's Youth baseball program will be held between March 6 and 18 according to announcement made today by Richard Gritschke. Dates of various school registrations will be announced in the schools starting next week.

St. Mary's boys feasted on Holy Spirit 47-6 in the CYO Game of the grammar school league.

Union County sports fans lost a real friend when Linden's Ted Cooper retired as the Union County Conference chairman this year. Ted is a real gentleman and sportsman.

The Watching Conference championship basketball game at Westfield was a real thriller. It was good to see so many Rahway fans in the crowd. Former Council President Clifford Comel led the Rahway fans. School Principal Robert Shaw, Director of Athletics Earl C. Hoagland, and most of the members of the physical education department were in attendance and pretty Rahway cheerleaders kept the fans in action throughout the evening. The Indians scored more baskets, but one-less point. The fourth period was one of the most exciting we have seen in many years. When Joe Dorsey sent the Indians in front, the Rahway side raised the roof of the school. Gary Ervick played an outstanding first half, while the team that shot only 23 per cent in the first half, made a remarkable comeback, trailing by nine with less than four minutes to go, to take the lead twice in the last minutes and one-half.

In the Women's Church league the St. Paul's #1 moved into a one-game lead over the Zion Lutherans #2 as they swept three games from the First Presbyterians. Zion Lutherans #2 won the odd game from their rivals Zion Lutherans #1. St. Paul's #2 won 2-1 over the Second Presbyterians while the Trinity Methodists won from Osceola 2-1. Betty Ditzel led the league with a 543 series and had a high game of 196. Lillian Buehle and Betty Watson had high games of 214; Marge McGarry rolled a 635 series with two games of 193. Vallie Stevinson rolled a 196 game; Evelyn Cammann and Betty Bork rolled 182 while Mildred Laux hit 190.

The Hickory's with 41 1/2 games won the St. John Vianney Women's Tuesday Bowling League by 5 1/2 games with Palm's, Three K's and Oaks tied for second. The Elms are only a game behind. Olive Frick is one of the high scorers with game of 196 and series of 496. The Willows have a 509 for high single team game in February while the Elms have a 1445 for high three games in February.

The ladies continued to topple the pins for high scores in the Ladies Major League at the Rahway Lanes last week with Barbara Rowan hitting 225, Lorraine Duffy 211, Irene Allen 206, Bert Zuria 196, Joan Henderson 192, Trudy Perry 192, Dot Hoelle 190, Helen Nicholas 188, Julie Grans 186, 180, Kay Hodoski 184, Betty Senkewicz 184, and Liz Esposito 180. Individual high series marks were set by

High game in the Rahway Recreation Junior Bowling League was rolled ten days ago by Barry Musolf who had a 246. Other high scores of the day were rolled as follows: Jim D'Arcy 225; Gene Simpson 216; Bob Sutton 216; Larry Chonko 212 and Steve McClay 202. High sets included Barry Musolf's 604; Larry Chonko's 575; Jim D'Arcy's 572 and Bruce McWhorter's 547. McWhorter's 181 is high average for the season.

Tight Races Mark Play In Rec. Leagues

In a battle for first place in the Recreation Department's St. Mary's boys league, the St. Peter's Peacocks rolled over Seton Hall's Pirates 44-26. The winners opened up with a 10-0 lead in first period, held a 20-8 margin at the half and won going away. Bill Brown scored 18 points for the losers while Michael Berg scored 20 for St. Peter's. Robert Tojka had 16.

St. Peter's lead the league with a 3-1 record, followed by Seton Hall 2-2 and St. Joseph's 1-3.

ROOSEVELT 5-6
The Tar Heels of North Carolina rolled to their seventh win in eight starts as they walloped Wake Forest 18-8. Mike Bailey led the scoring with 7 points to keep the Tar Heels in first place. In other games Florida nipped the Kentucky team 8-5. SENIOR HIGH SCHOOL
The second place Celtics and Lakers won their games this week, the Celtics taking the Warriors 64-44 in a game that saw Marcel Miles tally 30 points, while teammate Terry Avent had 16. Gonzell Stacy with 24 paced the losers followed by John Moseley with 18.

An 18 point last period gave the Lakers a 43-34 win over the Bulls. Ron Smith had 18 and Mel Blackshear 10 for the Lakers while Charles Durber with 13 and Stan Stevenson with 12 led the Bulls. The Knicks lead the league and the Pistons have held the cellar spot since the start of the play.

ROOSEVELT B
The Crimson Tide of Alabama won the second round championship of the Roosevelt School basketball league when they scored a 31-12 win over the Duke Blue Devils. Tim Solomon led the scoring with 12 points while Jim Parsells had 11. The Duke team was led by Dave Zimmel who shot 7 points. In the other game, second place Tennessee walloped the last place Georgia Tech team 40-10 with Ray Wills hitting for 20 points and Andy Prince with 12.

GROVER CLEVELAND
Irving James with 20 points led the Celtics to a 32-27 win over the Hawks. The Royals scored a 22-17 victory over the Lakers to leave the Royals and Celtics tied for first place in the league.

THE C.Y.R.C. team pictured above played the St. Joseph's team recently, and even though they emerged on the short end of a 52-29 score, the boys played well against their older and taller, more experienced opponents. The boys have had a good season and are looking forward to a return match with St. Joseph's on March 10 at Madison School. Those pictured above in the front row, l. to r. are: Bill Schindler, John Milazo, Marion Motley, Mike Bailey and Jim Parsells; Back Row, Tyrone Hooper, Phil Sabo, Richard Guempel, Phil Hannibal, Steve Mikiewicz, Craig Caulfield and Art Lyons. Their coach, Robert Guempel reports that Mike Glasnet was absent when the picture was taken.

Junior High Wrestlers Post 7-1 Season Record

Seven wins and a single loss gave the Rahway Junior High School wrestlers, coached by Nicholas Delmonaco an outstanding season while preparing a large squad for future Rahway High School teams.

Rahway Jr. High Has 14-2 Record For Best Season

Coach James Dunn, Rahway Junior High School basketball team has completed one of the finest seasons in the school's history with a record of 14-2. The team was led by Captain Ray Ingram who averaged 14 points per game. Joel Davion and Thomas Redman, who averaged 12 points per game.

The top rebounder was Jim Hanson while playmaker Fred Steuber rounded out the starting five. Backing up the first five were Craig Hugger, Russell Taylor, Don Young, and Ron Schulman. The team's only losses were to the Soehl Junior high team of Linden and the Edison Junior high of Westfield.

Kelly's has lost only one game this year and that was to the Original Pals, who were idle this week. The Country Squires were

paced once again by their high scoring center big Doug Williams who scored 28 points. Paillard nosed out the Clark Firemen in a very close game. The Paillard team showed good balance as four of the starters scored in double figures. Howie and Don Koplan each scored 13 points for the victors and Russ Goyette along with Manager Larry Herold each tossed in 11 points. The Clark Firemen who were close the whole game were paced by Don Gibney who is assistant football coach at Clark High as he swished the nets for 16 points.

Union Catholic Boys High Faculty Meet Harlem Wizards In Benefit

Entertainment lovers will join sport enthusiasts on Saturday, March 4, to witness the fantastic Harlem Wizards put on a Basketball exhibition at the Union Catholic Boys High School gymnasium 1600 Martine Avenue, Scotch Plains.

Featuring college All-American basketball players of several years ago, the Wizards will play a team of H.S. Faculty and Fathers who are primed for the game. The contest is sponsored by the Parents Guild of Union Catholic and proceeds will go toward the purchase of special laboratory equipment for the school.

College of the Pacific and Mike "Mandrake" Jordan from California.

Clem Maynard Leading Light At St. Mary's

Saint Mary's University Huskies of Halifax are making a bid for the Maritime Intercollegiate Basketball Conference Crown and the efforts of a rookie from Rahway, have been an important factor.

Clem Maynard, a 6'5" forward made the jump from the bench to a starting berth early in the season, and is one of the reasons the Huskies stand in first place.

The Huskies dunk specialist, Maynard is currently the teams leading rebounder with 271 in 21 games for an average of 12.8 per game. He has also scored 276 points for a 13.1 average, fourth best on a team.

Saint Mary's currently stands 9-2 in conference play and are 15-6 over all. A win in their final game would give them a berth in the Canadian Intercollegiate Athletic Union National Championship slated for Alberta the second week in March.

In his last outing Maynard scored 23 points and grabbed 24 rebounds, his best performance to date, as the high scoring Huskies crushed St. Dunstan's University 140-113. The 140 points is a new Conference record and the two game total of 253 is also a new record.
