" A VOICE FOR ALL -- AN ECHO FOR NONE."

VOL. 2, No. 51

Clark, N.J., Thursday, August 3, 1967

THE QUILL

Are you a new Clark resident? Or are you a Clark citizen who just hasn't registered to vote yet? Now's your chance.

If you want to vote in the Sept. 12 primary, you have just today to register to vote. You can do so by stopping at the Clark Municipal Building or the County House to-

The office of Clark Township Clerk, Edward Padusniak, will be open today until 9 p.m. to register residents.

Why not stop in and register so you can vote? After all -- if you don't express your opinion at the polls -you don't really have one.

Want to go on a picnic?

Well, the Clark Volunteer Fire Co. No. 1 and Ladies Auxiliary have a picnic all set for Aug. 13 at the Deutscher Club, Featherbed Lane.

The sixteenth annual picnic of this volunteer organization, the firemen have asked all Clark residents to "come on out for fun" and to support their fund-raising event. Time for the picnic is 1 to 7 p.m. -- music will be provided by "The Ladd's" -- and a good time is planned for all.

We hear a lot about "juvenile deliquents" -- "youthful hippies" -- and young people who just "couldn't care less."

Well, we're glad to say that Clark has two young people in whom all of us can take pride.

Alan R. Veverka, Clark's representative to Boys' State, and Barbara McCutcheon, Clark's representative to Girls' State, express their views on America, our political system, and the many valuable experiences they enjoyed at the annual events sponsored by the American Legion and

To know what two young people think -- and what they are -- see the feature story on page four of this issue.

Would you believe --- it's "kick off" time again? And Clark youngsters will all be the champs --whether their teams win or not.

The Clark Little Crusaders will "kick off" their 1967 season this Saturday at the Charles H. Brewer School.

All boys who have already registered and boys who are eligible and did not register should report at 9:30 a.m. at the Charles H. Brewer school. The officers and coaches are looking to another fine season as the boys of the Little Crusaders are taught good sportmanship and hard

The Little Crusaders and the Crusaders of the Arthur L. Johnson Regional High School will have a kick off dance Sept. 22 at the V.F.W. hall in Clark.

Why not mark that date - and try to be there - to support the Crusaders.

Wow! From the telephone calls we've gotten it looks like a lot of people in Clark agree that our school crossing guards do a very good job and are to be congratulated for it. And granted, it's not easy to find people to take jobs which require standing outside in all kinds of weather -a couple of times a day.

But something surely can be done. Two of the complaints expressed most often after our suggestion last week for school guard training. Following our suggestion in last week's issue that the school guards be properly trained -two complaints were often expressed by those who called to comment. One complaint was that most of the guards know little about hand signals and appear to be "vaguely waving" at the traffic -- and the other was that guards often step out at busy intersections and stop traffic to cross one or two children -- when the children could wait a few minutes.

Let's hope something can be worked out -- maybe one of our community service organizations would undertake this as a project, in conjunction with the Police Depart-

Only two more weeks to go in our OPERATION SCOOPERINO -- you can earn a Schwinn Sting-ray or conventional bike; a tape recorder or walkie-talkie; a Polaroid "swinger" camera; a transistor radio, a record album or other special prizes.

Just register at the offices of the "Rahway News-Record"/"Clark Patriot" and begin to sell subscriptions to your friends and neighbors.

See the ad on page three for complete details.

You, too, can join our other OPERATION SCOOPER-INO winners and maybe you'll even reach "Scoop Reporter" and ride off on a shiny new bike!

Two letters of special note in "Hear Ye, Hear Ye" this week: one resident suggest an additional sign near the Valley Road, Walnut Ave., Broadway intersection -and it sounds like a good idea. Another reader brings to light a typographical error in which one omitted word chaned his whole meaning. We apologize.

Hehnley Teams Tops As Playground Champs For Third Straight Year

The Annual city play-ground championships were held July 27 at the Charles H. Brewer playground and the winning playground for the third consecutive year was the Frank K. Hehnley playground. This playground will receive the Clark Recreation Banner on final night as a symbol of victory. All junior winners are eligible to compete in the Union County playground championships set for Aug. 7. All senior winners are eligible to compete in the Union County playground champion-

ships on Aug. 9.
This is 'challenge week' in all playgrounds.

Wexler Elected To AAGP

Dr. Seymour Wexler, 999 Raritan Rd., Clark, has been re-elected to active membership in the American Academy of General Practice, the national association

of family doctors.

Re-election signifies that the physician has successfully completed 150 hours of accredited postgraduate medical study in the last three years. The Academy, the country's second largest national medical association, is the only medical group that requires members to keep up with medical progress through continuing education.

The Academy, founded in 1947 and headquartered in Kansas City, Mo., currently is spearheading a movement to create a new specialty of family medicine that will enhance the ability of the family physician to provide comprehensive, continuing care to the public. The foundation of this new specialty will be the Academy's postgraduate education program.

Employees Honored By Clark State Bank, Trust

Five employees of the Clark State Bank and Trust Company were cited this week by Victor W. Clark, executive vice president, for their performance in a recent new business acquisition program conducted by the financial institution.

Sylvia Peltzer, general ledger clerk, of 51-C Wave-crest Ave., Winfield, was first place winner in total accounts. Second place went to Sophie Collins, a teller, of 127 Willow Way, Clark, and third place was won by Mary Shirlaw, head teller, of 929 Hussa St., Linden. Head bookkeeper Gert Hy-

slop of 36 Wheatshead Rd.,

Clark, and receptionist, Ann Jones of 92-A Rivervale Court, Scotch Plains, tied for a special prize given for recommendation of new accounts during the month Mr. Clark pointed out that "new business acquisition

has been a function performed solely by officers in most financial institutions. Employees seldom get credit for the business they actualare responsible for bringing into the bank. The program instituted at the Clark State Bank and Trust Company not only gives them, credit, but also adds incentive."

Board Of Education To Move

The Clark Board of Education announced at a meeting Tuesday night that they have signed a one year lease to occupy a dwelling at 246 Lexington Blvd., Clark, beginning Aug. 15. The office will house the Superinten-dent and his secretary, the school social worker, and the learning disabilities speci-alist -- in all, ten people.

The move will free areas in the Charles E. Brewer and Mildred Terrace Schools for classroom and office

The new location also provides that these specialists are working together in one location instead of being housed throughout the system. The referendum for an addition at Hehnley and a new school and administrative section at Mildred Terrace, which was defeated last spring, included in part, the building of administrative office space. With the referendum defeated, other plans had to be made.

guire announced this week that an agreement has been signed for the acquisition of the last piece of property necessary to install the proposed traffic light at Westfield and Brant Avenues. Miss Emma T. King has agreed to transfer a strip of property at the northeast corner of the intersection in order that the County may modernize the intersection. The County Engineer's department will thus be free to proceed with the repaving of Westfield Avenue from Madison Hill Road to Brant Avenue. The County's plans also include the paving and curbing of Brant Avenue from Westfield Avenue to the Garden State Parkway

circle. Mayor Maguire said that this improvement will be the culmination of almost two yars' work that entailed obtaining the approval of the Bureau of Planning and Engineering of the Motor Vehicle Department for

Miss Vivian Maggese, teacher - coordinator of the program, has been working at the high school for four weeks contacting employers and students in preparation for the new school term.

Eleven of the seventeen members of the Class of '67 are currently employed in industries where they were trained. The average beginning rate for the student workers was \$1.38 per hour; the average ending rate was \$1.50 per hour. Students worked a total of 12,265 hours and received \$17,705. They received training in offices in Clark, Cranford, Garwood, Linden, and Rahway as follows: Maragret Anthes, Merit Supermarket, Clark; Yolanda Calia, United States Gypsum Co., Clark; Cheryl Chereshkoff, Clark State Bank; Theresa Cichowski, Commerce Clearing House, Clark; Cynthia

to Benjamin Street. This portion of Westfield Avenue is a municipal roadway. The Mayor, at the same time, announced that the new traffic signals at the Valley Road - Broadway - Walnut Avenue intersection are also in operation. "It gives me not only a feeling of pleasure but a great deal of satisfaction that this intersection is now under control. This has been a hazard for years, but we have had the same difficulty in acquiring pro-perty and obtaining State approval as we have had with the Brant Avenue light." The Mayor said that the traffic signal will not be in full operation until the County is ready to repave the in-

and repave Valley Road from Walnut Avenue to the traffic circle.

'I have proposed that an additional light be installed on the right - hand turn from Walnut Avenue into the westbound lane of Valley Road,' the Mayor also said. Pedestrian control buttons will go into operation when the traffic light work is completed, presumably within the

tersection and also widen

next month or six weeks. The Mayor praised his County Liaison Committee, of which Irv T. Gordon is chairman, for the work it has done on these two projects as well as with other matters between the Town-

ship and the County. Among other Township-County projects with which the Liaison Committee is concerned is obtaining the County's assistance in the proposed improvement of Pumpkin Patch Brook, The Committee is seeking to have the County build a modern bridge of adequate size to carry the brook beneath Oak Ridge Road, Widening and paving of Oak Ridge Road is in the planning stage now. When we found some of these children, they didn't even know what a book was, or how to tie their shoes or button their coats. Some could barely speak the language. How could they be expected to respond to normal training when the time came for them to go to school?"

In a visit to the school, Rahway officials, headed by Mayor John C. Marsh, found these same children painting, playing, singing and enjoying the fruits of the dedicated efforts of local War

To The Editor:

As a frequent driver on Valley Road, I too am pleased that Mayor Maguire's long campaign for traffic lights at the Walnut Avenue intersection has finally been successfully concluded. Your suggestion for a "Move on Green Only" sign on Walnut is well taken.

I should like to point out, that, to me at least, there seems to be a need for one additional sign. This should be located on Valley Road as one approaches the new lights from the vicinity of Valley Road School. The sign should say: "Slow - Traffic Light Ahead".

As one goes into the last curve before the light (com-ing from the east on Valley Road), the trees on his left block the lights from view. There is no indication for the unwary that he may be suddenly faced with a red light and the tail end of a Elizabeth make a loop line of stopped cars. Among the area students who've accomplished 'things to be proud of" are the two Clark students pictured They represented their community at conferences of significance not only to themselves but to their communities and the world as well. In each case, they came home with new ideas, developed through valuable instruction and participation -- and happy memories, developed through enjoyable exchanges and friendships. Alan R. Veverka, Clark's representative to Jersey Boys' State, today urged every high school boy to do his best so that he migh have the opportunity of being selected as Boys' State representative and gain an experience which changes a boy delegate to a boy statesman in the period of a single week. In expressing his reac-

When I received word from my high school guidance office that I had been selected as Clark's delegate to American Legion Jersey Boys' State, I had my doubts as to whether it was an honor to go or just a waste of a week away from home. I am now firmly convinced

that it is a real honor and

privilege to have been the delegate. A quick glance through the program that was print-ed up caused all of us to have still even more doubts in our minds about the week to come; for there in front of our eyes were lists of lectures upon lectures concerning city, county and state government. When we talk about recreation, it means more than "play money" to New Jersey

Vacationers come from all over the country to enjoy New Jersey's famed resort areas and cultural facilities. And so do industries. It's an accepted fact that-business locates in areas where there are abundant and varied recreational facilities for their employees.

Public Service has been conducting national advertising campaigns to be sure that America's business community is fully aware of the good life to be found in the Garden State. We feel it's an important function because when a firm moves into our state, new jobs immediately open up, "new" money circulates and New Jersey's entire economy is stimulated. It's as simple as that.
