## New Councilman Takes Office

**HAPPY FAMILY ...** Councilman John Bodnar, sworn in as the First Ward representative at the New Year's Day reorganization meeting of the Clark municipal council, is shown with his wife, Barbara, and their three sons, James, 5; Glenn, 8, and John, 12, after the ceremony. Councilman Bodnar, a Democrat, succeeded Councilman Edward P. Getchis.

## Democrats' Hold on Township Council Strengthened as Bodnar Takes Office; Walano Elected President for This Year

The Democrats strengthened their hold on the Clark municipal government on New Year's Day when John Bodnar Jr. took the oath of office as the new First Ward councilman. The ceremony took place during the council's reorganization meeting at noon in the Municipal Building.

The addition of Councilman Bodnar gave the Democrats a 6-1 majority on the governing body. Bodnar won the First Ward seat by defeating his Republican opponent, Edward P. Getchis, who was seeking reelection, at the Nov. 3 general election.

Councilman Bodnar and three councilmen who won reelection in November, Richard C. Burger of the Second Ward, Bernard G. Yarusavage of the Third Ward and Robert Roman of the Fourth Ward, were sworn in by Township Clerk Edward R. Padusniak. Councilman Yarusavage is the only Republican member. The clerk then presided at the opening of the reorganization session.

Other members of the governing body are the three councilmen - at - large, A. Charles Walano, Stanley D.

Le Wand and John Pisansky. The meeting opened with the pledge of allegiance to the flag. The Rev. Denis J. Whelan, pastor of St. Agnes Roman Catholic Church, offered the invocation and also the benediction.

Councilman - at - large Walano was president of the council by unanimous vote. He was nominated by Councilman Le Wand and the second was provided by Councilman Roman.

Councilman Le Wand said that Councilman Walano, a resident of Clark for 21 years, is "a dedicated man who has won the respect of the council and the township." Councilman Le Wand added that the new president is "a tireless worker" who has exercised "tact and diplomacy" in negotiations with township employees.

## To Fight Birth Defects

**PREPARING FOR CAMPAIGN ...** Leaders of the Clark March of Dimes campaign, Union County Freeholder William J. Maguire of 20 Poplar Ter., Clark, chairman, and Mrs. John Kopp of 29 Conger Way, Clark, vice chairman, are pictured with Thomas J. Radwell 3rd of Roselle, poster child for the county fund drive. Freeholder Maguire, a former mayor, has announced that the Jaycees, under the direction of Anthony Pavuta, president, will distribute canisters to businesses and that Richard Givney will be in charge of solicitations in the township schools. The Mothers' March will be held late this month. Funds collected are used to aid victims of birth defects and to conduct research.

## Appeals to Public For Cooperation During Snowfall

John F. Allaire Jr., Clark's director of public works, said after the first big snowfall of the year that more cooperation from the public would increase the efficiency of plowing and snow removal operations.

Allaire stated that automobiles should be parked off the streets during snow storms so snow plows could do the work properly. He also said that parked cars made plowing on narrow streets and in cul-de-sacs almost impossible.

Householders were warned by Allaire that a municipal ordinance requires removal of snow from sidewalks. He added that the Police Department will be called upon to issue summonses to persons who fail to shovel snow from walks.

"It is a situation which hopefully I would like to avoid," the public works director commented.

Allaire also announced that the public works department would welcome suggestions from Clark residents. He said the suggestions may be made by writing to the department at the Municipal Building or by telephoning. Allaire said that if residents fail to receive services they are entitled to receive as a result of being unintentionally bypassed, they should notify the department immediately.

## How to Prepare A Good Release

There have been many releases sent to us that have not been properly prepared and require a great deal of unnecessary work on the part of our editorial staff. At the same time, these faulty releases do not aid the image of the local organizations that submit them because, even after they have been corrected, they lack information and interest.

To correct these errors, an editorial briefly outlining good procedure on preparing releases is contained on page 4. For those of you who prepare releases, it would be good to clip out the editorial.

In a future issue, a complete guide for the preparation of good releases will be published. -- KCB

## PROPOSES ACTION TO EASE TAX BURDEN

# Use Undeveloped Land in Township for Buildings To House Commerce or Industry, Mayor States

Mayor Thomas A. Kaczmarek of Clark, in his New Year's Day message delivered at the municipal council's reorganization meeting on Friday in the Municipal Building, declared that Clark's remaining 145 acres of undeveloped land "must be used for a type of multi-story commercial or industrial use to bring the highest rates available."

Mayor Kaczmarek stated that a preliminary report has indicated that most of the municipality's vacant land, more than 80 per cent, has been developed "mostly with one - family residential homes." Such development is the most costly in terms of services required, the mayor said. He voiced the opinion that if prohibitive taxation is to be avoided, the ideas about land development must be changed and the land developed so that all will benefit and will be permitted to continue living "in this pleasant suburban surrounding."

Referring to his recommendation for use of the remaining 145 acres of undeveloped land, Mayor Kaczmarek commented, "I know this concept will be distasteful to many but the simple fact is that we are fighting for survival."

"That our tax situation is no worse nor better than other municipalities in the area is small consolation," Mayor Kaczmarek said. "We must move now, as quickly as government can, to stave off ever - increasing taxes. Only by such a reassessment of our land use can we hope for future relief."

The mayor also suggested that reevaluation of the township's industrial acreage "in an effort to equalize our tax burden." The mayor said it has been noted in a survey of township tax rates that industrial development in Clark "is of surprisingly low value."

"Industrial and commercial development have a significant impact on local tax revenue, and future township planning should take this into account," Mayor Kaczmarek said in his address.

Construction of multi-story office buildings for businesses and professional men also was favored by Mayor Kaczmarek as a possible source for additional rates for the municipality. He noted that there have been "recent proposals for office building construction in our township."

"I am aware that persons are now opposed to any type of multi - story structures," the mayor said. "I would hope finally that those persons or groups who are now unilaterally opposed to multi - story structures would reassess their position, particularly in view of the alternative, which would be disastrous in terms of tax increases." Individuals or groups cannot effectively criticize government, if it must depend almost solely on homeowner property tax for revenue."

Mayor Kaczmarek, noting that nearly 75 cents of each tax dollar is used for education, stated that he will ask the council to adopt a resolution asking the State Legislature, the governor and congressmen to have the state, with federal aid, assume the cost of all public education.

"This, of course, will not come about quickly, this our interim solution of increased rates should prevail at this time," Mayor Kaczmarek pointed out.

The mayor revealed plans to locate a temporary youth center in the Municipal Building, using space to be vacated by the Fire Department. The mayor expressed the hope that plans for a permanent youth center within the municipal complex would be made this year.

The complete text of Mayor Kaczmarek's address may be found on page 4.

A temporary budget totaling \$360,859.15 and a debt service budget, for payment of interest, in the amount of \$50,000 were adopted by unanimous vote of the governing body.

Second Ward Councilman Richard C. Burger (D) stated that the temporary budget was prepared with the assistance of the township auditor, Frank E. Suplee of Elizabeth. Councilman Burger added that Suplee "keeps us on the right financial road," adding that Suplee also is the auditor for Union County. Councilman - at - large John Pisansky (D) commented that the temporary budget would be used by the township until adoption of the 1971 municipal budget in two or three months.

Third Ward Councilman Bernard G. Yarusavage (R) noted the budget was prepared with the auditor's assistance and had been reviewed by the director of law, John P. Higgins. Councilman Yarusavage asked Higgins if the budget was in proper form and Higgins replied that it was.

Suplee was reappointed auditor for another one-year term by unanimous vote of the council.

The council authorized checking accounts be established for 1971 in the Summit and Elizabeth Trust Co., Clark; Community Bank of Linden, Linden; Union County Trust Company, Elizabeth; Central Home Trust Company, Elizabeth; First New Jersey Bank, Clark, and Franklin State Bank, Clark. Savings accounts will be established with Stonewall Savings and Loan Association and Franklin State Bank, both of Clark; Axia Federal Savings and Loan Association, Rahway; Elizabeth Federal Savings and Loan Association and City Federal Savings and Loan Association, both of Elizabeth; Westfield Federal Savings and Loan Association, First Federal Savings and Loan Association and National Bank of Westfield, all of Westfield, and Berkeley Savings and Loan Association, Arrow Savings and Loan Association, Midtown Savings and Loan Association, Robert Treat Savings and Loan Association, Mohawk Savings and Loan Association, Barton Savings and Loan Association, Pulaski Savings and Loan Association, Newark Federal Savings and Loan Association and Security National Bank, all of Newark.

The Rahway News Record, the Courier - News of Plainfield and the Daily Journal of Elizabeth were designated the official newspapers of the township for 1971.

## Honored by Council

**CONGRATULATIONS IN ORDER ...** Councilman A. Charles Walano, left, elected president of the Clark municipal council at its New Year's Day reorganization meeting, is congratulated by Township Clerk Edward R. Padusniak. The clerk also received congratulations upon completion of his 10th year in the position.

## Clark's Clerk, Assessor Cited at Council Session

Two Clark municipal employees, Township Clerk Edward R. Padusniak and Tax Assessor Frank W. Naples, were honored by the municipal council at its reorganization meeting on New Year's Day in the Municipal Building.

Council President A. Charles Walano (D) said that Township Clerk Padusniak, who has completed 10 years in the position, is "a dedicated man" who "never refuses to listen and to help" the councilman. The council leader added that Padusniak "has a wealth of experience."

Second Ward Councilman Richard C. Burger (D), who served as president last year, said that he will introduce a resolution this month to commend the township clerk for his service. Councilman Burger read a letter to Padusniak and noted that he was the township's first full-time clerk. Padusniak was commended in the letter for "faithful performance" of his duties.

Councilman Burger then presented a copy of the letter and a gift to the township clerk.

A few minutes earlier Padusniak had presented the councilman with a gift from the employees of the clerk's office in appreciation for the councilman's cooperation during his term as council president.

"You beat me to it," Councilman Burger laughed, adding that he was planning to make a presentation to the clerk.

A resolution introduced by Third Ward Councilman

Bernard G. Yarusavage (R) and seconded by Councilman - at - large Stanley D. Le Wand (D) commended Assessor Naples for being awarded "the title of SMA" by the Association of Municipal Assessors of New Jersey for demonstrating "special competence in the mastery of appraisal techniques and other criteria essential to the full performance of property assessments within the confines of the law."

**Chamber to Meet**

The Westfield Area Chamber of Commerce, which has Clark companies as members, will meet on Tuesday, at noon in the Sleepy Hollow Inn, Scotch Plain.

## No Action Taken On Requirement For Residency

A resolution granting permission to John J. Wilson, Clark's business administrator, to reside outside of the township was on the agenda for the reorganization meeting of the municipal council but no action was taken by the governing body.

The resolution, scheduled to be introduced by Councilman Robert Roman (D) and seconded by Councilman Bernard G. Yarusavage (R), was tabled until a future meeting of the governing body.

A year ago Business Administrator Wilson was threatened with dismissal over the residency issue. The law permits a business administrator to reside outside the township boundaries only if the council agrees.

The question was not raised during the first year of the four - year term of Mayor Thomas A. Kaczmarek, who took office on Jan. 1, 1969. Mayor Kaczmarek appointed Wilson as business administrator.

The council's next meeting will be on Monday, Jan. 18, at 8 p. m. in the Municipal Building.

## Bad Check Passer Held on Pot Rap

A Newark man, suspected of passing worthless checks, was rearrested by Clark police on a charge that marijuana was discovered in the pocket of his coat.

Huffman Harris, 38, of 801 N. 6th St., was arrested by Sgt. Donald Ficke at Merit Foodtown, Westfield Ave., Clark, after he attempted to cash an allegedly bad check. Also filed against Harris were three other counts of bad checks at the market.

## Mayor Kaczmarek Proclaims Jan. 17-23 As Jaycee Week, Cites Service to Town

Mayor Thomas A. Kaczmarek has proclaimed Jan. 17-23 as Clark Jaycee Week. The townshipwide observance was established to conform with the dates of the nationwide Jaycee celebration.

This year, the Clark Jaycee chapter will be 10 years old and will celebrate the event with a gala dinner Friday, Jan. 22 at the Town and Campus Restaurant, Elizabeth.

K. C. Bauer, Jaycee Week chairman, noted that the community service organization for men between the ages of 21 and 35 normally holds a Jaycee Week dinner in January at which time a Distinguished Service Award and an outstanding Young Educator Award are presented.

Mr. Bauer said nominees have already been received from many community clubs and organizations for the Distinguished Service Award, and that selection of the Outstanding Young Educator was being aided by Superintendent of Schools, Dr. Carl Kumpf.

Both awards will be presented to the winners at the gala decennial banquet.

Over the years, the Clark Jaycees have conducted many sports activities for youths, fireworks displays, hospital visits, beautification projects, aid to the handicapped, and social events.

As the mayor's proclamation notes, "the Clark Jaycees are committed to a belief in God, the reign of law, and the free enterprise system."

Those interested in joining should contact, Edward Jeranek at 382-1680.

## Mayor Proclaims Jaycee Week

**PEN TO EDICT ...** Mayor Thomas A. Kaczmarek signs proclamation making Jan. 17-23 Clark Jaycee Week, as K. C. Bauer, Jaycee Week chairman, looks on. The document recognizes "the Clark Jaycees have been instrumental in promoting community concern and civic responsibility within the Township of Clark."

## M. Roth Files For Board Seat

Morris Roth of 67 Nassau St., Clark, was the seventh person to file a petition to run in the Clark Board of Education election Tuesday, Feb. 9. Three seats are to be filled.

The others who filed prior to Mr. Roth were incumbents Mrs. Thelma Purdy, John F. Allaire, Jr., and Mrs. Doris Simpson, and challengers Robert Orson, Anthony Paruta, James Cerasa.

## Franklin State Opens Branch

(Photo on Page 5)

Franklin State Bank opened a new branch office in Clark at 1005 Raritan Road Monday and marked the occasion with the release of 250 green balloons with day-glow tags attached to them which should be filled out by the finders and returned to the bank by mail or in person to claim a reward.

The bank is offering a series of free gifts for new accounts. A mink stole sweepstakes is being held between Jan. 4 and Feb. 13.

Manager of the Clark branch is George Gil Bride. Other officers are Mayo S. Sisler, chairman of the board, Anthony D. Schorber, president, and James Cox, manager of Franklin State Bank.

The first film, "Aretha Franklin, Soul Singer," is a profile of a vocalist who is an exponent of soul music. The film also relates the origin and development of soul music.

The second film, "Martin Luther King Jr., From Montgomery to Memphis," depicts his ideas and ideals as he struggles for human dignity for the black man in America. The total film time is approximately an hour.

The event will be public and there will be no charge for admittance to the program.

## Scientists Certify Lottery's Integrity Of US Slips In Vietnam

Two Princeton University mathematicians have certified to the integrity and correctness of the number generation system used in developing the random sequences printed by computer on the New Jersey State lottery tickets, it was announced by Ralph F. Batch, executive director of the lottery commission.

H. F. Trotter, professor of mathematics, and John W. Tukey, professor of statistics, said, "We have examined the method developed by Mathematics Inc. of Princeton, N. J., for producing by computer a randomly shuffled listing of the numbers 000000 to 999999 and in our opinion the method is based on a correct theory that is sure to produce each number once and only once. It would be difficult to crack the code—that is, to predict the order in which all of the numbers were produced on a particular listing."

## Jaycees Induct 2 New Members At Yule Party

The regular monthly meeting of the Rahway Jaycees was combined with the annual Christmas party. The affair was held at the Rahway Italian American Club where the Rahway Chapter of the DeMolays was singled out for an award for aiding the city Jaycees in their campaign to clean up the Rahway River during the summer and fall.

Also honored at the gala yule affair was George Higgins who received the Jaycee of the Month Award for his special efforts in the veterans assistance program.

Several veterans from the East Orange Veterans Hospital highlighted the opening by their presence.

## NAACP Attends Hopson Defense Fund Meeting

Rahway Chapter, National Association for the Advancement of Colored People, was one of the representatives at the meeting held in Elizabeth to form a legal defense fund for Miss Ella Hopson of Lincoln St., Linden.

Miss Hopson was found guilty last Nov. 9 by a Union County jury in the Court House, Elizabeth, of inciting to violence against a police officer. Sentencing has been postponed pending a motion for a new trial. She stands in jeopardy for receiving a custodial sentence of from two to seven years.

The Hopson conviction marks the first successful prosecution of a Union County resident under a series of "anti-riot" laws enacted by the Legislature in 1908.

Rahway and Clark residents were among those present at the meeting in the Peace Center, 249 Morris Ave., Elizabeth.

An ad hoc fund-raising committee, headed by a Clark attorney, Arnold Gold, was elected to plan a major fund-raising activity early this year.

## Dec. Draft Call Climbs to 449

Col. Joseph T. Avella, New Jersey State Director of Selective Service, announced that the state's induction call for January 1971 is for 449 men, 276 more than the December 1970 call.

The national call is for 17,000 men, all to be inducted into the Army.

Also during January, 3,832 registrants will be forwarded to the Armed Forces Examining and Entrance Stations with the inductees for a pre-induction physical examination.

## Legislative Vacancies Called Burden on Public

James J. Kinneally Sr., chairman of the Union County Democratic Committee, this week commented on Free-

James J. Kinneally, Sr.

holder - director Edward H. Tiller's statement concerning Union County's vacant state legislative seats. Tiller said he felt there was no need to hold a special election and cited the estimated \$150,000 cost of such an election as a primary reason for his opposition.

Kinneally said, "Tiller and the Republican majority on the Union County Board of Chosen Freeholders don't mine giving themselves a raise, causing an increased burden on the taxpayers, but deny the same taxpayers their proper representation in Trenton because of the cost of an election."

Kinneally added, "Tiller and the Republican majority quickly filled the freeholder post vacated by Harry V. Osborne Jr., who became a judge, while unwilling to wait the short time until the general election. Here we have a full legislative year ahead of us without full representation in Trenton, and a critical year of congressional redistricting, welfare changes, school aid, abortion and divorce law reform, and much needed tax restructuring."

## Adult School Meets Male Challenge With Electronics and Judo Courses

While women interest themselves in the many offerings at the Rahway Adult School during the 1971 spring term, their "better halves" will discover an array of courses specifically geared for them.

Electronics designed to give -- in simple language -- an understanding of the transistor, how to read schematic diagrams, and the utilization of various electronic testing equipment, will be among the favorites of the fellows attending the adult school this spring.

Also on the agenda will be home maintenance and repair, offering instruction for making elementary repairs in the home or apartment.

Many men will find woodworking ideal as a means of relaxing, while doing something useful and creative in the well-equipped woodshop of Rahway High School. Students will learn the use of power machines and other tools in making items that range from the simplest box to more complex lamps, bowls, chests, and tables.

## WE Employees Send Yule Gifts To Servicemen

Employees at Western Electric's Clark branch organized to send Christmas packages to servicemen in Vietnam, Europe and the United States as well as those aboard ships.

The drive at the Clark plant which has 421 employees was headed by Doris Voigt of 367 Crawford Ter., Union. She was assisted by Estelle Currie of 33 Prospect St., Clark, and Jo Ann Gerlach of 1735 Florida St., Westfield.

The three-foot Christmas packages were filled with books, toilet supplies, food, a wrist watch and a transistor radio. Each package was estimated to be worth \$75.

Employees at the Clark branch manufacture components for transoceanic cables.

"The citizens of Union County," Kinneally stated, "have not forgotten how they fared at the hands of the last Republican controlled Legislature which gerrymandered them across the Newark Bay to Hudson County and gerrymandered them up to Essex County."

The United States Supreme Court has "unequivocally" stated its position on the doctrine of one man - one vote which mandates fair representation in state legislatures, Kinneally said, adding that Freeholder Tiller and his Republican colleagues would be "well-advised" to review these mandates and change their position.

Kinneally announced that he would request that the Democratic minority on the freeholder board pursue the matter to the fullest extent and let the Republican majority be responsible to the citizens of Union County for their actions in denying full representation for the county in both houses of the State Legislature.

"If there is any validity to this question of special election costs," Kinneally said, "full responsibility for this rests squarely at the feet of the Republican administration in Trenton, because knowledge of these appointments was out well before the last general election which could have filled these vacancies."

"Unless the freeholders, the governor, and the Assembly and Senate of the State of New Jersey act in fairness to Union County by providing an opportunity for an early special election to fill these vacancies, it is my intention to instruct the attorneys for the Union County Democratic Committee to file suit in the highest forum available for a court order for such a special election."

Of special interest to men will be the course in judo. This is competitive Kodokan Judo as taught in the universities of Japan. Supplemental to this course will be thirty techniques of self-defense against chokes, punches, kicks, knives, guns, clubs, and fighting two or more opponents. Women may be admitted at the discretion of the teacher.

In-person enrollment for these or any other courses will be held on Monday and Tuesday, Jan. 25 and 26 from 7 to 9 p. m. at Rahway High School, 1012 Madison Ave., or by mail, no later than Jan. 22. Classes will begin on Feb. 1 and continue for 10 weekly sessions.

Additional information can be obtained by calling 388-8500.

## Connor Seeking Special Elections

John T. Connor, Jr., former executive director of the Democratic State Committee and campaign coordinator for Sen. Harrison A. Williams, Jr., has written the governor, senate president and assembly speaker urging them to arrange special legislative elections for three Senate vacancies and one Assembly vacancy.

"The Supreme Courts of the United States and the State of New Jersey have well established the great democratic principle of 'one man - one vote,'" Connor said. This doctrine provides that people are entitled to equal representation in the legislative processes regardless of where they live."

## Pupils Work to Create Clarktown Boy Choir

The Abraham Clark School Glee Club of Clark has been working with its director and teacher, Michael Pavone, to organize a community boy - choir for Clark.

Boys of the fourth, fifth, sixth and seventh grades who pass interviews and audi-

tions will meet with their parents for a get-acquainted meeting in Abraham Clark School on Tuesday at 7 p. m. Parents will be shown a motion picture about boy-choirs and will have a meeting to organize a singing group. The meeting will be

held while the boys rehearse with Pavone.

Any interested boy who has not had a chance to audition by next Saturday is asked to telephone at 272-6892 before Tuesday.

The boys are planning to rehearse every Tuesday

NEW COMMUNITY ACTIVITY ... Members of the Abraham Clark School Glee Club of Clark are, left to right, front row, Lee Rygiel, Mark Martin, Eric Hagmuller, Henry McGaha, Paul Liddy, Billy Munkacsy, Jeff Schnarr, George Shaver, David LeDuc and Michael Truss; back row, Robert Sarnacki, Ed McCaine, Richard Mroczek, Joseph Monaco, Antonio Inacio, Nicholas Riccio, Ronald Korbyski, Leonard Roglieri and Thomas Elliot.

## GSP Restaurants Get New Course

The Garden State Parkway has set a new course for its roadside restaurants.

Chairman John P. Gallagher of the New Jersey Highway Authority, which operates the parkway, said the restaurants along the toll road are being directed toward greater all-round service for the motoring public through the cooperation of restaurant operators and the highway authority.

Noting that higher costs of food and labor combined with high bid rates have constricted restaurant concessionaires in the performance of service and pricing of popular food items, the commissioners of the authority have called for operating agreements offering a lesser return to the authority while requiring stricter standards of quality, quantity and cost of basic public needs.

## A Guide to Good Releases

A hometown newspaper is as good as the professionalism of its staff and the cooperation it receives from its subscribers who send press releases to it.

For the last several months, we have been receiving too many releases that have serious errors of omission in them which consume a great deal of staff time. They are unnecessary because those who submit press releases to us have enough common sense to realize how to submit a good release.

The full name of any person mentioned in a release should always be given. It is not R. Jones, but rather Robert W. Jones, Jr. If the person named in the release is female, then her marital status should be given. Her name is either Mrs. Robert W. Jones, Jr. or Miss Vera Furlong. The name of a woman should never be submitted to a newspaper as just Vera Furlong because it is embarrassing for her and us, if the wrong implication is given about her marital status.

It should also be remembered that people are very sensitive about their names and if the person in charge of publicity for your organization misspells a name, it is certain your organization is not gaining any friends. By the same token, when we are misled by press releases, we reap the full wind of people's displeasure. The address of every person in a release should always be given. It is a way of gaining new members for your organization when a neighbor sees the activities of his neighbors.

Please identify all people in photographs. From now on, we will not pursue those who submit pictures and try to gain proper identifications. It is obvious that photographs in a newspaper must be properly explained.

All releases should either be typed or printed, and a full explanation of what you want to appear should be given. Meetings that have important speakers can be greatly enhanced both in attendance and meaning when biographies are submitted to us for background material.

Deadlines are extremely important in newspaper publishing, not because we are trying to avoid publishing material, but rather that we are seeking to bring the paper out on time every Thursday morning, so our subscribers will get their editions when we said they would and when they expect them.

All articles about meetings and events that are known well in advance should be submitted to us the Friday before the Thursday they are desired to be published. Other items that relate to just passed events may be given to us by Monday 5 p. m. prior to that Thursday. In certain cases, we will accept material as late as Tuesday 5 p. m., but this is only in EMERGENCIES. It is not possible for our small staff to edit and rewrite bundles of press releases at the last minute.

It should also be remembered that there are reports of many public meetings our staff attends that also must be written in time for publication. Please try to aid us.

When submitting photographs — especially those of you who have become amateur photographers — remember that your subjects in the photograph must occupy most of the picture. There is nothing so discouraging as receiving pictures that cannot be used because the people or articles in them are so small that they cannot be enlarged to a proper size for use.

The staff of The Rahway News Record and The Clark Patriot want to publish all worthwhile community news in the coming year. At the same time, we need your help. For those of you who handle publicity for your club or organization, it might be good to save this editorial.

## Letters to the Editor

### Jersey Justice Seen Unchanged Over the Years

You may find this of interest, especially as it reveals in my opinion how little things really do change. This quotation is from the Albany "Evening Journal" dated June 23, 1883, headlined under "Life in New York."

A Rahway man is quoted as follows: "As a newspaperman ... you must be aware that New Jersey deserves all the high praise she gets for prompt, unswerving and merciless justice to law-breakers."

"Only yesterday the warden of a county jail was sentenced to nine months imprisonment for letting a prisoner escape. He was a politician, and brought such influence to bear as would certainly have served him

under the same circumstances in New York; but here it made no impression upon judge, prosecutor or juror."

"Criminals are in this State condemned and punished without difficulty or delay. This is all the more remarkable when it is considered that at the ends of New Jersey lie the two largest cities of the new world, New York and Philadelphia — both ruled by political ringsters whose interests habitually impede the operations of justice. However, it is to this very fact that justice owes its origin."

"For half a century Philadelphia and New York have sent marauders into New Jersey. Either as roystering excursionists, lazy tramps or professional thieves, they come ready for mischief. When caught, they are almost always without money or friends to hinder punishment, the just severity of which there is nobody but themselves to dispute. These cases long ago habi-

## Time to Stop Excessive Spending Is Now, N.J. Taxpayers Assn. Advises

Now is the time for interested taxpayers to come to the aid of their pocketbook and provide constructive help to their local officials.

So observes the New Jersey Taxpayers Association in calling attention to official actions and directives designed to help citizens become acquainted with proposed budgets, prior to final adoption by the governing bodies of counties, municipalities and school districts.

Significant to the process are the budget summaries advertised in newspapers at least ten days prior to public hearings for counties and municipalities and seven days for school districts. Both school and municipal budgets for Rahway and Clark are published in The Rahway News-Record and The Clark Patriot.

These advertised budgets necessarily are abbreviated presentations of anticipated income and spending plans based on the state's local finance and education boards' regulations to insure the public the right to know.

Detailed information is usually needed for citizens to analyze budgets and make constructive suggestions. Accordingly, the Local Finance Board has provided that any citizen denied access to

qualified our courts to celerity, and that is what led to the establishment of the much vaunted Jersey Justice.

"I don't know that our officials are better men than the average in other States, but it is certain that they do better work from habit."

## Against Watching

### Peace Advocates

Once again the ugly heads of military authority and McCarthyism have been exposed to the public. Recent news releases have revealed that not only are alleged criminals and anti-war dissenters being carefully watched and recorded, but now the military has reportedly been keeping various public officials under surveillance and scrutiny.

The ACLU and other interested persons and groups have been fighting against such governmental procedures without extensive congressional support. In the past Congress has shown belief in a two class structure, the elected and the electorate. Now that the elected are also subject to military surveillance, the ACLU may pick up much needed support. This is unless the military is stronger than Congress.

Last week Secretary of Defense Melvin R. Laird stated that he was placing urgent priority to assure that constitutional rights would be taken into account in setting limits on military spying on anti-war and other political activity. His statement presupposes that constitutional rights have not been taken into considera-

tion. Laird's cure is that the military should be its own watchdog. Why not have an independent watchdog?

The Peace Center of Union County takes the position that it is imperative that we, as Americans, have the right to exercise our freedoms, as guaranteed in the Bill of Rights, without surveillance and documentation by the military of any other governmental organization, and that no man shall be subject to public prosecution by J. Edgar Hoover or any other public official, including the President, unless and until the accused is proven guilty under the safeguards of a fair jury trial.

Objects to Ideas Of Morris Roth

It seems that Morris Roth has again reared his ultra-liberal head in his second attempt to run for the board of education in Clark.

Mr. Roth must think that Clark has a very short memory. My memory is excellent. Doesn't Mr. Roth realize that the town knows who he is and what he is?

That his reasons for running are politically motivated, and that he couldn't care less for the welfare of the children in Clark. Wasn't it Mr. Roth who stated in council after the Newark riots some years ago that Clark should have black families in town or else they deserve to have a riot also?

## MAYOR KACZMAREK REPORTS

# Progress in Municipal Planning, Roads, Police and Public Works Departments Cited

Last year at this time I wished to all of you a most happy holiday season, and I had hoped the year 1970 would be one of progress for our township from which we would mutually benefit. There has been progress, but at this point of time I do not feel it has been to the degree to satisfy either myself or council.

My first report to you last year indicated our most important subject would be planning — toward that end township council has provided funds to update our master plan and has retained the firm of Edwards and Kelsey to perform this critical service.

I must be candid with you all and indicate that the study will, of course, center around land use in our town. Translated into laymen's terms this simply means taxes — taxes to run our town. As you all know, our taxes have been on the rise. An over-simplified answer to this is to increase our rates; this is by no means a final solution, or a panacea to stabilize our tax rate, but such measures

Why does Mr. Roth still live in Clark if these are his feelings? I can think of some other towns that would just love to have him. In my opinion, what Clark doesn't need is one more ultra-liberal added on to the board of education.

## Recreation Head Likes Coverage

I could not let the year 1970 pass without pausing to publicly thank The Clark Patriot for the extremely fine coverage of the overall Clark recreation program, which is sponsored by the Board of Education.

Pictures and stories have appeared weekly in this newspaper and many excellent comments were made to me about this from the people of Clark. The paper has a large circulation in Clark and is gaining many new readers each week with their many fine articles.

It is cooperation and interest such as this that makes the Clark recreation program better known to the residents of this community.

## Fire Department Receives Praise

As a longtime citizen of Rahway, I wish to publicly express my appreciation for our wonderfully efficient Fire Department which recently had to call on for help. They came to our home in a matter of minutes after a telephone call and went about getting a chimney fire under control without confusion or damage, despite the fact that water had to be used.

In addition, they were most courteous and did not depart until they were sure there was no longer any danger.

My thanks hardly seemed adequate, and I wanted to bring the efficient department to the attention of the people of Rahway.

may hold us until state and federal authorities pick up their fair share of our municipal tax burden.

A preliminary report has indicated most of our vacant land, upwards of 80 percent, has been developed and of course mostly with one family residential homes. This type of development is the most costly in terms of services required. Obviously then, if we are to prevent taxation which would be prohibitive for most of us, we must change our thinking on land use and proceed along a course that will benefit all of us and permit our continued living in this pleasant suburban surrounding.

Our remaining 145 acres of undeveloped land must be used for a type of multi-story commercial or industrial use to bring in the highest rateable available. I know this concept will be distasteful to many, but the simple fact is that we are fighting for survival. That our tax situation is no worse nor better than other municipalities in the area is small consolation. We must move

now, as quickly as government can, to stave off ever increasing taxes. Only by such a reassessment of our land use can we hope for future relief.

We have noted in our survey of township tax rates, that industrial development in Clark is of surprisingly low value. Therefore it is incumbent upon myself and township council to request a re-evaluation of township industrial acreage in an effort to equalize our tax burden. Industrial and commercial development have a significant impact on local tax revenue, and future township planning should take this into account.

The significance of regional development from manufacturing type operations, to service employment, has caused a growing demand for business and professional office space. We have received recent proposals for office building construction in our township. This trend is becoming common to many suburban communities. The development of regional

highways, such as our Garden State Parkway, gives us a high priority to accept such commercial enterprise and to assist our township economy, both in terms of rates and the concurrent overflow of business from such organizations to our other commercial establishments. In other words, the increase in commercial office type building would reflect itself in a low maintenance cost for municipal services and at the same time generate an avenue of commerce which could substantially increase our present business areas. Multi-story office development has proven to be a desirable asset to a municipality, especially one within the New York Metropolitan Region.

I am aware that persons are now opposed to any type of multi-story structures. I would hope finally that those persons or groups who are now unilaterally opposed to multi-story structures would reassess their position, particularly in view of the alternative, which would be disastrous in terms of tax increases. Individuals or groups cannot effectively criticize local government if it must depend almost solely on homeowner property tax for revenue.

I would like to note now for general information, and it is a theme that will bear repetition in the coming years, that is the distribution of your tax dollar. I do not feel that most of our taxpayers are aware that nearly 75 cents of each tax dollar is spent for education, approximately 5 cents for county government and the balance, or only 20 cents, is to maintain your municipal government. Since that is a fact, it is obvious that if our taxpayer locally did not have to support our excellent school system, considerable savings would follow. I must implore you all then to be aware and assist where possible to insist that the state, with federal aid, assume the cost of all public education. I will ask council to memorialize our state legislature, the governor and our federal representatives to relieve all of our municipal governments of this overwhelming burden. This, of course, will not come about quickly, thus our interim solution of increased rates should prevail at this time.

Internally we have progressed as we must in nearly every area of endeavor. We put on a crash program this year for flood control. Unfortunately, we did experience two flash floods which caused serious damage to a number of our citizens. We have dredged and desegmented this source of trouble for

temporary relief. The U. S. Army Corps of Engineers is expected in this year and supply further assistance. We are now eligible town-wide, until June of 1971, for flood insurance. Council has recently received bids for a permanent work project of flood control.

Construction projects on Madison Hill Road, Phase 1, and Oak Ridge Road will be completed this year. Both roadways have been sore spots for our community for nearly a dozen years.

I would anticipate a temporary youth center to be located in this building this year. This will be located in the vacated area to be released by our fire department on the ground floor. I am hopeful that we may make permanent plans this year for a youth center within the municipal complex.

Our department of revenue and finance has placed our payroll on a computer basis, thus a savings in terms of time, which will nullify additional personnel in that area. This department has surveyed obsolete capital improvement ordinances, eliminating unnecessary carry-overs from year to year.

Our police department has obtained additional personnel, more are needed. More people, however, need more space and I would anticipate action toward that end after consultation with council and other persons necessarily involved. Our fire code is presently being revised in order that we may be prepared for changes as will be contingent on our master plan up-dating.

The department of public works has been sorely in need of new equipment. Council has provided funds for such purchases and this equipment will be received this year. A great deal more must be done in this area and I am hopeful additional upgrading of this department will continue. We may now foresee additional building space required as well as additional personnel.

I cannot at this time give you a detailed departmental review. Our successes in every area have been countered by some defeats. We have truly had a mixed year. Our personnel have been outstanding, on the other hand our equipment for the most part has been sub-standard. I am hopeful this year we can balance the two.

In closing, may I request the complete support of everyone. Government does not necessarily move quickly, but our surveys, studies and reviews are entirely necessary to provide the data for us to move wisely, not for today, but for our future.

He had a sort of brownish hair  
And walked a little lame.

I haven't seen him for a month or two.  
Did he leave for a better job?

## WE NEED A NEW DOCTOR!

## FOR YOUR HEALTH AND POCKETBOOK

The problem of providing health care has been compounded by the hasty enactment and apparently uncontrollable expansion of Medicare and Medicaid. These programs are beset by administrative and management problems resulting from legislation which was inadequately planned and analyzed.

Before additional legislation should even be considered, these existing programs should be studied to see how they can be made more effective and their costs brought under control.

The federal government should encourage alternative health-care financing plans and the removal of legal and other barriers to improved health care systems, rather than move toward a compulsory national system.

Maximum encouragement should be given to the private health and insurance industries to develop incentive-oriented methods of health maintenance and care.

## 235 Courses Offered By Regional Adult School

The Union County Regional High School District No. 1 is again offering an alternative to evening television watching with an award-winning lineup of its own -- a series of adult school programs.

Over 235 courses ranging from gymnastics to salt water fishing will be offered in the spring term this year. Classes will begin during the first week of February at the Jonathan Dayton Regional High School, Springfield's Arthur L. Johnson Regional High School, Clark; Governor Livingston Regional High School, Berkeley Heights; David Brearley Regional High School, Kenilworth; and at the Lincoln School in Garwood.

Interested persons may register for courses by mail by using the registration form on the back of the brochures which are being mailed to every resident in the regional district, or in person at the nearest regional high school or the Lincoln School, on Tuesday, Jan. 19 and Wednesday, Jan. 20 from 7:30 to 9 p. m., according to Harry E. Linkin, director of adult education.

Linkin noted that among some new and popular repeat courses being offered for the new term are:

Slimnastics, typing, shorthand, sewing, creative writing, law for the layman, income tax return preparation, dancing, driver education, salt water fishing, small boat handling, speed reading, gourmet cooking (French and Italian), high school equivalency, Hatha

## Bombing Penalties Are Increased

State Senator Matthew J. Rinaldo (R-Union) lauded Governor Cahill for signing into law S-710, a Rinaldo-sponsored bill increasing to life imprisonment the possible penalties for persons convicted of placing bombs. "I am gratified that the governor has given his approval to this measure, which puts much sharper teeth into New Jersey's laws against bombers," Senator Rinaldo said.

The Union Township Republican introduced his bill early last year after a rash of fire - bombings. The new law permits the imposition of longer jail sentences on anyone found guilty of harming persons or properties by placing bombs in an open or enclosed area -- public or private -- within the jurisdiction of this state.

## Foreign Policy Is AAUW

### Topic Tonight

"American Foreign Policy" will be the discussion topic at the general meeting of the Colonia Branch of the American Association of University Women tonight at 8:30 p. m. at the Henry Inman Library, Inman Ave., Colonia.

Mrs. Tiffany Corbett, foreign policy implementation chairman, will show a filmstrip, "Who Shapes United States Foreign Policy?" by the New York Times Book and Educational Division.

Afterwards a discussion will follow on questions of interest including:

Looking beyond the Vietnam War, the Mideast Arab-Israeli conflict, accommodations with the Soviet Union, and Latin America.

This meeting is open to the public, and anyone interested in the topic is invited to attend. For further information about AAUW, contact Mrs. Stanley Rothman, 211 Temple Way, Colonia.

## Family Problems Lecture Topic Before Sisterhood

Milton Faith, executive director of Youth and Family Counseling Service, Westfield, will speak on "Do We Sink or Swim Today?" at the meeting of the Clark Sisterhood, Monday evening, Jan. 18, at 8:30 o'clock at Temple Beth O'r, 111 Valley Road, Clark.

The counseling service deals with family, marital, and teen-age problems and parent-child conflicts. Mr. Faith will illustrate ways in which the agency relates to today's family and community stresses. Mrs. Irwin Opperman, social action chairman of the sisterhood, made all the arrangements for the evening.

The Sisterhood's book discussion group will meet on Monday, Jan. 11 at 12:30 p. m. Rabbi Theodore Stampfer will lead the group in a discussion of Herman Wouk's "This is my God."

## The Eagles' Yule Spirit Soars High

You might say that the holiday get-together of F.O.E., 1863, Rahway, was a feather in the caps of the lady Eagles.

Spirits soared high at the regular meeting, where Mrs. John Boros reported on the Christmas party that was held for the auxiliary and their husbands and friends. Mrs. Boros made the wel-

coming address, extending seasonal greetings to all, and then called on president Mrs. Eugene Pearce, who pointed out all the officers in attendance. Mrs. Pearce then played Santa, presenting the exchange gifts.

Miss Virginia Seviour and Mrs. Arlene D'Addari, chairman of the Christmas baskets, collected the food

which was delivered to a needy family. A card party, it was announced, will be conducted tomorrow at 8 p. m. at the Eagle home.

### The Smoke of Battle

**QUICK ON THE DRAW ...** A program on the "New Attitudes Towards Smoking" was presented by the Kiwanis Club of Rahway at the Italian-American Club last week. It was attended by both smokers and non-smokers. Henry Rafalko, right, was the speaker. With him are president Leo Kahn, left, and president-elect Sal Prezioso. The SmokeEnders' program is aimed at stopping the hacking epidemic now sweeping across the country.

### Quit Smoking Course to Be Previewed Jan. 21 at 8 p.m. in City Hospital

"It appears that the resolution to quit smoking is number one on the list each New Year's Eve," says Barbara Semmen of Flemington.

Of the 80,000,000 smokers in the U. S., it is not hard to imagine that 70,000,000 will either resolve to stop smoking or resolve not to resolve, once more.

Mrs. Semmen, a former smoker, who participated in the smokeEnders program, successfully completed the course and is now a trained graduate moderator explained that smokeEnders has planned a series of free meetings shortly after the New Year, so smokers desiring to quit will have an opportunity to do so.

The explanatory meeting will be held on Thursday, Jan. 21 at 8 p.m. at Rahway Hospital, 865 Stone St., Rahway. Everyone is welcome, smokers and non - smokers alike, because this is of interest and great concern to all

members of the community. The smokeEnders program, which is based on a pleasant, gentle method of re-patterning and learning has been teaching smokers to "Kick the Habit" successfully for the past two years in Pennsylvania and New Jersey. Four hospitals and three YMCA's in this area are among the hundreds of organizations who fulfill a responsibility to their community.

Endorsed and participated in by physicians, dentists and other paramedical personnel as well as men and women who have smoked between four and 60 years, smokeEnders has a track record of high success as borne out by its intensive follow-up program.

Further information may be had by calling smokeEnders at (201) 454-4444 or writing to 210 Prospect St., Phillipsburg 08865.

### Icy Sidewalks May Cause Injuries, Suits, Postmaster Moulton Warns

Postmaster Warren T. Moulton is soliciting the cooperation of all the citizens of Rahway, Clark and Colonia in keeping their walks and steps clear of snow and ice during the winter season. "One of the principal causes of accidents for our letter carriers is slips and falls

due to treacherous walkways. If people would only realize that, by failing to clean their walks and steps, friends, neighbors, and even members of their own families may suffer serious injury from a fall on these slippery surfaces. Moreover, your letter carrier is at a disadvantage, since he is encumbered by the mail he carries," Mr. Moulton said.

Postal regulations permit withholding delivery to residences where the carrier's safety may be jeopardized. The postal employee also retains the right to seek damages through the courts for any injury suffered in performing his duties, Mr. Moulton stated.

## Low Calorie Cooking Is Topic of Course at 'Y'

If you'd like to eat your cake and lose weight too, here's the class that will show you how... "Creative Low Calorie Cooking."

Registration is now open for the classes which begin Tuesday, Feb. 2 at the Rahway YMCA and Monday, Feb. 8 at the Union Adult School. There are no residency or membership requirements. Either course is open to anyone who is interested. The Rahway classes will be held in the Y building at 1564 Irving Street on Tuesday mornings from 9:30 to 11:30 or Tuesday evenings from 8 to 10. The fee for the six - week course is \$12.

The Union class will be held on Monday nights from 8 to 10 in Union High School. The fee for that 10 - week course is \$15. Enrollment will be limited in all classes, so advanced registration is advised. To reserve a place in either Rahway class, call 276-4740 evenings after 6 p.m. For information about enrolling in the Union Adult School, call 688-1200.

The program was developed by Mrs. Barbara Gibbons on 16 Iroquois Rd., Cranford, a homemaker and part-time advertising copywriter at Huffman - Koos. Once 208 pounds, the 5'6" former heavyweight has kept her weight under 130 for the last five years by developing a whole new lightweight approach to cooking.

"I'm one of those lifelong fatter," said Mrs. Gibbons, recalling that she graduated from elementary school in a nurse's uniform because she couldn't find a white dress in a size 20 1/2. "I was over 30 when I bought my first dress in the junior miss department." Now she wears a size 9 and sometimes shares clothes with her 15-year-old daughter.

"I tried just about everything to lose weight: pills, inoculations, exercise classes... plus every new diet that came along."

"Like most homemakers who really like to cook, I found staying on a diet very difficult. It wasn't until I attacked my weight problem in the kitchen that I succeeded!"

Five years ago a friend gave her a low calorie cookbook for a present. "I was pretty skeptical," she recalled. "I was one of those cooks who uses cream if the recipe says milk, and butter if it says cream!" But she tried the recipes and found them surprisingly good, and so did her non - dieting fam-

ily. "Then I was really off," she remembered. "I read every diet cookbook I could find, tried all the low - calorie products on the market, wrote to food manufacturers for all the information I could get. I worked out hundreds of low - calorie recipes of my own and translated all my family's favorite dishes and desserts into slimmed - down versions. The weeks and months flew by, plus a pound or two at a time. Then one day the scale said 126, and there it stayed! "I never went on a 'diet' and I never gained the weight back. Painlessly I had somehow succeeded in doing what all the experts say you have to do; change your eating patterns for good."

Mrs. Gibbons' class is aimed at the creative homemaker, the woman who likes to cook and enjoys good food. She's the person who has a hard time losing weight because dieting is so negative. "It deprives you of a hobby as well as the foods you like," Mrs. Gibbons explained. "A diet stresses what you can't have and can't do. But creative low calorie cooking is a positive approach that re - directs your natural cooking skills in a healthier direction."

"Instead of a dreary regimen of cottage cheese and lettuce, you're creating spicy slimmed - down Italian dishes or finding an exotic new Oriental sauce for fish. You're gathering compliments for a creamy chesecake with only half the calories, and scoring points towards a new figure with pies and cakes like your mother never made. Your kitchen is no longer 'off-limits' but a creative workshop where everybody's favorite foods undergo a special sort of magic that trims away all the unnecessary calories."

### Special Staff Got Highway Duty Call

Ronald M. Heymann, assigned the enforcement staff to highway patrol duty in an effort to keep New Jersey's end - of - the - year fatalities below last year's death toll.

Six fatalities before the New Year weekend brought the state's death count to 1,245. The total number of lives lost on New Jersey's highways in 1969 was 1,272.

### My Neighbors

"I am so being objective - I'm objecting am I not?"

### Ernest O. Eblovi Named Foreman Of Grand Jury

Ernest O. Eblovi of 371 Sycamore St., Rahway, was selected to be foreman of the first panel of the January session of the Union County Grand Jury's 1971 term by Superior Court Judge Walter L. Hetfield 3rd in Elizabeth on Monday.

Eblovi is an architect with the Wigton - Abbott Corp., Plainfield.

Other members of the jury are Thomas N. Buchan Jr. of Rahway and Philip W. McDonald Jr. of Clark.

Two other grand juries are sitting now in Union County. One panel is investigating alleged corruption in Linden.

The latest grand jury is expected to serve about seven weeks. Judge Hetfield told the new grand jury panel that crime exists only because of complicity in the community. He signaled out syndicate gambling as an activity which many people do not feel is morally wrong. The judge added that receipts from syndicate gambling furnish much of the bankroll for organized crime and that illegal funds are used for bribery, controlling elections, loan sharking and illegal drug traffic.

### Chinese Fete Is Planned by Jewish Ladies

Central Parkway Section, National Council of Jewish Women, which includes Rahway and Clark, is planning a Chinese dinner and card party, Wednesday, Jan. 13, at the Chu Dynasty, Route 22, Springfield, at 8:15 p.m. Mrs. Larry Friedman of Clark is chairing the evening assisted by Mrs. Gary Beinhaker of Roselle as co-chairman.

Mrs. Maximilian Schoss, president of the group, announced that a full - course Chinese dinner will be coupled with cards, mah jongg, or bingo. A Chinese auction will complete the evening. Tickets may be purchased from Mrs. Friedman at 382-2805 or Mrs. Beinhaker at 241-0137.

Mrs. Gibbons with the ingredients of her low calorie approach to cooking while dieting.

### Ex-Conductor of Bell Telephone Hour Will Speak to A.L.J. Students Today

Donald Voorhees, former conductor of the Bell Telephone Hour, the long - running and widely acclaimed television series, will speak with students today and tomorrow at the four high schools in the Union County Regional High School District, as part of the series of programs in the humanities.

Voorhees, who broadcast his first musical program over WEAF radio when he was only 22, will appear before the junior classes at Arthur L. Johnson Regional High School, Clark, this morning, and at the Governor Livingston Regional High School, Berkeley Heights, this afternoon. He will make a morning

appearance at the David Brearley Regional High School, Kenilworth, tomorrow, and follow up with an afternoon program at the Jonathan Dayton Regional High School, Springfield, in the afternoon.

The humanities programs, under the direction of Edward Brown, music and fine arts coordinator, is attempting to bring the students "an increasing awareness of their relationships to their fellow man" by listening to, and questioning well - known personalities in the fields of music, art, politics, sports, human rights and drama, among others.

The innovative program is being offered this year to the junior classes in the Regional high schools.

Voorhees, who received world - wide acclaim as a musician, conducted the "Telephone Hour" on radio from 1948 to 1958, and continued with the "Bell Telephone Hour" when the series was started on television in 1959.

He will speak about music and his career and will answer students' questions.

### Franklin Pupils Met Christmas With Singing

The annual Winter Concert at Franklin School, Rahway, was given in the school's auditorium. The program included seasonal selections sung by grades 3 - 6, as well as, the school's chorus and instrumentalists.

A full audience was entertained with Christmas songs that included familiar favorites, such as "Jingle Bells," and "We Wish You a Merry Christmas," popular songs, such as, "Jingle Bell Rock" and "Nurtin for Christmas," and standard carols, such as, "Silent Night," "The First Noel" and "Little Drummer Boy."

Highlights of the evening were a choral reading by the 6th grades entitled, "The Tree in the Park," and a skit entitled "Synthetic Santa Claus."

The moderator was Santa Claus, played by Fred Vandameer.

The program was sponsored by the Parent Teacher Association and was open to the public. Special thanks are extended to Gary Busse, principal, Wade Likens, vice principal, Ray Richards, Miss Jane Mc Cartin, and Mrs. Judy Valvano, instrumental and vocal music teachers.

SPORTS

By Ray Hoagland

Billy Williams, a former Rahway resident and a National League umpire, will be one of the featured speakers at the 35th annual New Jersey Sports Writers Association banquet in the Greenbriar Restaurant, North Brunswick.

Arthur Moran of Rahway will be the host for the many other sports stars who will be on hand. They will include Joe Theismann of South River, Notre Dame quarterback; Dick Young of the New York Daily News, Carmine Abbadiello of harness racing, Sonny Werblin, and, of course, Jerry Molloy, the toastmaster.

The annual Golden Gloves tournament will start tomorrow night in the Elizabeth Armory. There will be eight weeks of action on Friday nights.

The top six open boxers will compete in the national Golden Glove tournament in March in Fort Worth, Texas. Len Hardin of Rahway is the only local defending champion. He will see action when the open class boxers return to action in about three weeks.

Bob Guempel, a senior 5-11 forward, is playing outstanding ball for the Union Catholic Terriers.

Hank Rubinfield led the pinners in the Clark Lanes 875 Bowling League with a 238 game and a 635 series.

In 1970, the only state championship won by Rahway High School was captured by the indoor track team which gave the school its first NJSSAA title in that sport.

The Clark football team, with a season record of 6-2-1 repeated as the NJSSAA Section 3, Group 3, champions.

Carlton Stewart, a senior at Rahway High School, will be honored by the Rahway Kiwanis Club next Wednesday afternoon at the regular meeting for finishing fifth in the National AAU Junior

Olympic Track and Field Championships.

Stewart ran a 10-second 100-yard dash and will receive an award from the Quaker Oats Co. The Junior Olympics in Rahway sponsored by the Kiwanis Club's youth committee and the recreation department. Coach John Moon of the Rahway High School also will be on the program.

Hal Spickler led the pack in the Intercounty Industrial Bowling League at the Rahway Recreation Lanes with a 669 series. He was followed by Nunzio Nardone, who had 634; Al Hilliard, 628; Steve Ondrejka, 620; Charles Cuzzo, 617; Sam Salvaggio, 616, and Charles Harvatt, 615. Cuzzo had a 257 game.

Bert Zurlo's high series of 517, with a high game of 194, led the Rahway Ladies Major Bowling League at the Recreation Lanes.

Jo Zimmerman was in the runner-up spot with a 511, which included games of 190 and 194. High game of the night was Mary Lacanic's 203. Gloria Syth rolled a 197; Jo Blase, 195; Ann Rybak, 191; Ann Mills, 180 and 182; Fran Slonaker, 182; Murial Ryder, 181; Min Carney, 181, and Irene Morris, 180.

Sweeps were scored by C and O Oil and Park Flying "A" while Merwin Marine and Sponsorless Swingers each took two games.

A Rahway resident, Rich Scialabba, who played high school basketball at Union Catholic, is a member of the undefeated cage team of Fairleigh Dickinson University, Rutherford. The team has won its first seven games. Scialabba has averaged 14.7 points per game.

## Burak Captures Wrestling Title At Tournament

Senior Steve Burak, 148-pound wrestler of Arthur L. Johnson Regional High School, Clark, won a gold medal at the sixth annual Jonathan Dayton Regional High School tournament in Springfield during the Christmas holidays.

Burak defeated Westfield's Tom Stiefken in the finals, 7-6. The Clark veteran had an 8-0 record last season before he was sidelined because of an injury.

The Clark team finished tied for fifth place with Union in the tournament. Both teams scored 26 points.

Coach John Redfern's Crusaders will return to action tomorrow at 3:45 p.m. when they go to Linden to meet the Tigers.

Coach Redfern, starting his sixth season as the head of the Clark mat squad, has a green squad which includes five sophomores. In the 98-pound class, sophomore Gary Gordon will be a starter while Jack Illion, a freshman, will be ready to step in when needed. In the 107-pound class are a sophomore, Art Klehm, and a freshman, Greg Opperman. A sophomore letterman, Jerry Mehalock, will be in the 115-pound competition and Dean Steele, another sophomore letterman, will

## Crusaders Upset Raiders; Face Test by Cougar Five

The basketball team of Arthur L. Johnson Regional High School, Clark, which finished sixth and last in the Colonia Classic Holiday Tournament last week, upset the Scotch Plains-Fanwood High School Raiders, who were second in the tournament, by a 68-64 score in a Watching Conference game on Saturday night in Clark.

The Raiders, unbeaten when they entered the tournament, were beaten by the Cranford High School Cougars, 68-67, in overtime for the tourney title on Dec. 30 in Colonia.

The Clark Crusaders are scheduled to test the Cougars in a conference game scheduled for Tuesday at 3:45 p.m. in Clark. Last month the Cougars battered the Crusaders, 72-45.

The Crusaders will play the weak Union Catholic High School cagers in Scotch Plains tomorrow at 3:45 p.m.

The Clark five, in scoring their most impressive victory in several seasons, went into overtime to defeat the Scotch Plains-Fanwood Raiders. The Raiders went ahead, 23-9, at the end of the first quarter but the Crusaders fought back. The half-time score was 40-19 in the Raiders' favor.

Clark outscored the Raiders, 22-8, in the third period but were still on the short end of a 48-38 margin as they opened the final session. Mark Keitel of Clark hit from 15 feet away but Steve Deck of the Raiders scored on a tap in to keep the margin at 10 points with 6:44 left in the game. Steve Marrin then scored from the left corner. The Raiders bounced back with four straight points and it was 54-42 with 5:37 to go. Clark's Mike Cashmere scored on a jumper. Deck hit from the side and Marrin from the key and the score was 56-46 at the 4:55 mark. Dennis D'Adamo of Clark was good from the top of the key. Two free shots helped the Raiders. When Mark Keitel made good on a corner shot, the Clark team was still behind, 58-50, with 3:25.

Miller's basket again put the Crusaders 10 points behind with only 3:09 left. Cashmere and Marrin made good on buckets and it was 60-54 with 2:31 to go. Keitel hit on two corner shots and Clark trailed, 60-58, with 1:31 left. Then Jack Schwankert scored on a tap in of a missed Steve Marrin shot to tie up the game at 60-60 with 52 seconds left in the game. Marrin missed a set shot at the buzzer.

In the overtime, D'Adamo scored on a layup and then Keitel missed a free throw. On the foul, the Raiders lost their star forward Randy Hughes, who had been held to eight points and who failed to score in the second half. Deck tallied on a tap in to tie up the game at 62-62 with 1:11 left in the overtime period. D'Adamo scored on a jumper from the left side at 1:05 but Day scored for the Raiders at 0:46 and it was tied again. Marrin made good on two free throws at 0:43. In the final two seconds, Cashmere sank two free shots to give the Crusaders their biggest win of the season. The victory increased their record in the conference to 2-1 and knocked the Raiders out of first place.

Clark's record overall is 3-5 while the Raiders are 6-2.

The Crusaders eliminated the Union Catholic Terriers, 69-57, in a losers bracket of the Colonia Classic.

The Terriers held a 34-33 lead until late in the second period. Clark took possession of the game when D'Adamo hit on a jumper. Schwankert sank two free tosses and a driving layup by Marrin sent the teams into the dressing room with the Crusaders in front, 40-33.

The Terriers, led by Bob Guempel and Russ Mariani, cut the margin to 53-47 as they entered the final session.

Marrin, with 23 points, and Harold Kisner, with 13, led the last period rally that gave Clark its second victory in six starts. Union Catholic is still looking for its first win in six starts.

Former Rahway High School basketball coach Bob Tisdale's Colonia Patriots stopped the Clark Crusaders, 76-53, in an opening round game of the Colonia Classic before a standing room only crowd at the Patriots' court.

The Crusaders made a battle of the game in the opening period. Cashmere stole a pass at mid-court and scored. Marrin scored on a lay-up to put Clark in front, 5-2. Harold Kisner and Tom Quinn regained the lead for the Clark team at 9-8. Schwankert's two free throws gave the Crusaders the lead for the last time at 11-9 with 3:59 to go. The Patriots made six points in a row and took a lead they never lost. The half-time score was 36-27 and it was 57-41 as the teams went into the final session.

## Checker Loser Knows All the Winning Moves

The Charles H. Brewer Chess and Checker Club, a school-sponsored activity, conducted their annual "give away" checker tournament at the Brewer School. This club, which meets bi-weekly, has a chess tournament planned for later this month.

The object of the "give away" tournament was for a player to try and lose the games. A player who succeeds in doing this becomes a winner. Sometimes, trying to lose the game is not as easy as it sounds, especially when the players get down to three or four men each.

The winner of this year's tournament was Dave Berg, who is the defending Union County playground checker champ. The Charles H. Brewer school checker champ has now won two tournaments in a row. Kevin Shalit finished second, Gary De Gesso third and Mark Reiner fourth. All of these boys are eighth-grade students. Twenty-one boys participated.

## Silver Medal Won at Tourney By John De Loretto, RHS Senior

John De Loretto, Rahway High School senior, won a silver medal in the sixth annual Jonathan Dayton Regional High School wrestling tournament.

De Loretto, a 230-pound heavyweight, reached the finals with two pins and lost to the only defending champ, Stu Horowitz of Union, 13-0. A senior, De Loretto nearly scored a fall midway through the second period on a roll. Third place medals were taken by a junior, Frank Losey, in the 115-pound class; Robert Sojka, a senior, who won his first two 141-pound class bouts by pins, and Kevin Gillespie, a senior in the 177-pound division. Larry Peterson, a sophomore, won a fourth place medal in the 98-pound division.

Other members of the Rahway team, coached by Robert Berger, are 106-pound class, Zoltan Danchev, a junior; 123-pound class, seniors Michael Turner and Bryant Brewer; 130-pound class, senior letterman Dan Johnson; 136-pound class, junior Jack Turner; 157-pound class, senior Bill Losey, and 168-pound class, senior Charles McMichael and junior George Severance.

Other boys on the squad are Dennis Smith, Mel Holton, Robert Deitzer, Glenn Jeter, James Atkinson, Kerry Martin, David Baker, Kenneth Adriance, Sal Cardaci, Michael McKeever, James Mc Kenna, Ronald Peterson, Michael McKnight, Harry Harchetts, James Eastman, Robert Larson, Ron Pannone, William Hauer, George Taylor, Joseph Duffy, John Wargo, Joseph Andrositis, Charles McMichael, Stanley Gatewood and Robert Mensak. The schedule follows: Tomorrow -- Hillside, away, 4 p.m. Tuesday -- Cranford, away, 4 p.m. Jan. 14 -- Thomas Jefferson, Elizabeth, away, 4 p.m. Jan. 19 -- Westfield, home, 4 p.m. Jan. 21 -- Clark, home, 4 p.m. Jan. 27 -- Jonathan Dayton Regional, Springfield, 4 p.m. Jan. 29 -- West Side, Newark, home, 4 p.m. Feb. 5 -- Governor Livingston Regional, Berkeley Heights, away, 6:30 p.m. Feb. 9 -- Colonia, home, 4 p.m. Feb. 11 -- Plainfield, home, 4 p.m. Feb. 17 -- Scotch Plains-Fanwood, away, 4 p.m.

The novice division in the 135-pound and 147-pound classes will start the action and 15 bouts will be on the card.

Coach Joe Natson's Rahway team will have Bill Jones and Robert Goode in the 135-pound class and Phillip Holmes in the 147-pound class. Other Rahway boys who will see action later are the Ray and Chester Holmes and Cliff Worlds in the 160-pound division.

Allan Burden of Rahway will compete for the Elizabeth Recreation Commission in the 112-pound class. Doug Burdick and Dan Labella, both of Clark, also are entered.

Len Harden, state champion last year, will be in the open division of the tournament.

The Union County Park trap and skeet grounds are open for public shooting on Saturdays and Sundays from 1 to 5 p.m. Shells of all gauges are available at the grounds.

## Strong Rams to Be Indians' Opponents

The Rahway High School basketball team, still without a victory this season, will face the once-beaten cagers of Abraham Clark High School, Roselle, on Tuesday at 3:45 p.m. on the Rahway court.

The Roselle Rams spoiled the Rahway Indians' season opener on Dec. 9 by administering a 118-42 trouncing. The Rams were unbeaten until last week's defeat at the hands of Thomas Jefferson of Elizabeth.

The Indians lost another Watching Conference game on Saturday in Cranford when the Cougars went over the 100-point mark in ripping the hapless Indians, 105-58. The game marked the fourth time this season that opponents have trampled the Indians by scoring more than a hundred points.

Norm Hobbie sparked the Cougars to their seventh victory of the season, scoring 11 points in the first half as the winners took a 23-13 lead.

The Cougars broke the game open with a 35-point third period in which Hobbie scored 14 points. Rich Mazzella tallied nine and Rich Haddad, eight. Cranford used 13 players and all scored.

## RHS Sinks Red Bank's Swimmers

The swimming team of Rahway High School opened its season at home with a 48-40 win over the Red Bank team.

Double winners for the Indians were a junior, Bill Nunce, who set a school record in taking the 160-yard individual medley in 1:53.5 and who won the 100-yard butterfly event.

A senior, Jim Oslislo, was the winner in the 200-yard and 400-yard freestyle races.

With the meet tied at 40-40, the final event was the 400-yard freestyle relay.

The Indians' team of Pat Finn, John Solewin, Oslislo and Nunce won the race and Rahway won the meet.

Rahway will meet Bridgeview East in the Rahway YMCA pool this afternoon at 3:45 o'clock.

## 2 Hikes Are Set For This Weekend

A Saturday ramble and a Sunday hike are scheduled for the members and guests of the Union County Hiking Club on Jan. 9 and Jan. 10.

On Saturday, Arvind Shah of Elizabeth will lead a five-mile ramble in the South Mountain Reservation. The group will meet at the Locust Grove parking area in the reservation at 1 p.m. On Sunday, Leo and Trudy Zappe of Orange will lead a 10- to 12-mile hike in the area of the "Skylands" in the Ramapos. The group will meet at the Packanack-Wayne Center at 9:15 a.m.

The annual Millrose Games, invitation track and field meet, will be held on Jan. 29 in Madison Square Garden, New York City.

Trials and Tribulations  
Overcome in Search

## ENGLISH

Sitting-room  
Combination sitting-  
room and dining area

House-hunting can be nerve-racking at the best of times and when weeks of searching produce nothing but bills for a bedroom in a hotel where central-heating is synonymous with refrigeration, the experience may be traumatic. I speak from recent experience.

Because my breathing apparatus balks at stairs, my husband and I decided our new home must be a bungalow. It would have three bedrooms, one of which would be my study; and either separate dining room-lounge, or a large lounge/diner.

But we soon learned that such accommodation was mostly available either with stairs, or at a figure above the maximum safety-level for our budget.

Each morning we set out with high hopes and cheerful chatter, and each evening we returned in silent despair, depressed by the bewildering and pathetic contrast in properties of identical vintage and price. For while owners of immaculate homes apologized for imaginary imperfections, others -- oblivious to the stench of ill-kept rooms -- proudly pointed to fittings and decor which would make the average do-it-yourself novice seem like an artisan. But the well-kept homes were too small or too remote for our needs, and the others -- well, they just weren't our cup of tea.

The representatives of the two agencies we'd selected were paragons of patience; their tactful perseverance and many courtesies seeming to stem from a genuine desire to find a happy solution to our problem, rather than from a wish to make a quick sale and pocket their commission.

They worked so hard on our behalf that I dreaded having to tell either gentleman of the other's success in steering us to the right property though when that time came, the loser received the news most graciously.

Having found a suitable bungalow, we next learned that in England, unless otherwise specified, the purchase price of a property doesn't include cookstove, curtain-rods, cabinets, special light fittings, etc. We even had to ask our solicitors to request the return of the bell-push and door-chimes!

But the worst blow of all came from my bank in Exeter when we went there from Newton Abbot to transfer cash from deposit to current account in readiness for completion. Told that I had insufficient funds, I nearly passed out.

When my strength returned, I demanded an audience with one or more of the various managers. Later, one of these august gentlemen sheepishly explained that the bulk of our American dollars had been credited to someone else's account!

Fortunately, the matter was cleared up in time for the signing of the check and other documents whereby we became legal owners of our present home.

At last we had possession, we exulted, as we happily clutched our newly-acquired keys. Now, all we had to do was buy some furniture and move in. And that, we assured each other, would be a piece of cake.

Swimming Instruction  
To Be Offered by 'Y'

A 10-week series of swimming instruction classes for beginners and various stages of advanced swimmers will begin on Saturday, Jan. 16, in the Rahway YMCA, 1564 Irving St., Rahway. Classes will be open to boys and girls of all ages, according to their swimming ability.

Anyone interested in participating should register at the "Y" next Saturday morning and take a test for placement in the proper class.

The class schedule is: Porpoise, 8:30 a.m.; Shark, 9:15 a.m.; Flying fish, 10 a.m.; Fish, 10:35 a.m.; minnow, 11:05 a.m.; advanced beginners, 11:40 a.m.; beginners, 12:30 p.m.; and pee-wees (pre-school), 1 p.m. Other times for pre-school pee-wees are Tuesdays and Thursdays at 9:30 a.m.

Judo classes also are held on Saturday mornings. Swimmers may participate in judo before or after their swimming class. The craft shop, also open Saturday mornings, affords another activity for swimmers.

Further information regarding these or any other YMCA programs may be secured by calling 388-0057.

## County Golfing Cards Available

## New Bomb Blanket Reduces Damage

A new portable "bomb blanket" is being marketed by Pinkerton's, Inc., New York, the private security agency, as the latest move in the fight against terrorists responsible for more than 5,000 U.S. bombings in the last year and a half. Designed for use before the police arrive, it is guaranteed up to 90 per cent effective against most home-made pipe bombs, according to the company.

The blanket is made of high-tensile ballistic nylon, impregnated with a fire-retardant chemical against incendiaries. Measuring only four feet square and weighing 25 pounds, it can be quickly thrown over any suspicious object in a building or on the street.

## Jaycees Civic Interest Aroused in Mid-1960's

The Rahway Jaycees, who next week will observe the 10th anniversary of the organization's founding, laid the ground work in the mid-1960's for their community work.

Sal Zocchi and Ronald Wood provided the leadership for the Jaycees during that period. Zocchi, who became president of the Rahway organization, has been the liaison representative between the New Jersey Jaycees and Robert E. Henderson, then the mayor of Rahway.

During that period, a second "Little Miss Rahway," Debra Lynn Amasio, was selected to be "Little Miss New Jersey."

Under the leadership of George J. Vansco, later elected a councilman -- at large, the Rahway Jaycees became involved in the community effort to support Lyndon B. Johnson, then President of the United States, and the nation's armed forces fighting in Vietnam.

The Rahway Jaycees are proud of the fact that they

## My Neighbors

"Well, if you had an opinion would it be for or against the subject mentioned?"

## Out of Line

Since 1951, there have been 12 across-the-board increases in the pay of Congressional staffs, according to Sen. Allen J. Ellender, (D-La.). Since 1964 there has been at least one increase each year, ranging from about 3 per cent to over 10 per cent.

He observed that he could not notice any improvement in the work performed, and we are "simply adding fuel to the fires of inflation." "We are now appropriating in excess of \$62 million every year for the Senate's operations," he said. "This compares to about \$20 million a few years ago."

"There is a great deal of taxpayer resentment, and I cannot say I blame those who are unhappy with the way their hard-earned dollars are being spent."

## KOGEAS - CANGELOSI

Mr. and Mrs. Chester Cangelosi of 25 Coldevin Rd., Clark, have announced the engagement of their daughter, Miss Rose Cangelosi, to Joseph Kogea, son of Mr. and Mrs. Frank Kogea of Irvington.

## THOMSON - STEPHENS

Miss Diane L. Stephens is engaged to wed Edward D. Thomson, son of Mrs. Walter Wojkiewicz and stepson of Mr. Wojkiewicz of 347 Pine Ave., Garwood. The announcement was made by her parents, Mr. and Mrs. Robert Stephens of 61 Hall Dr., Clark.

# Pack Empties Santa's Pack

**GIFTS FOR ALL ...** Santa Claus distributed gifts to members of Cub Scout Pack 145 of Clark and to others at the pack's Christmas party in Valley Road School, Clark. In the photo at the upper left, Jackie Kuchta receives her gift from Santa. The photo at upper right shows Dave Ficke being remembered by Santa as Edward Calvin, assistant cubmaster, watches. Mrs. Maude Ritchie, den mother, pictured at lower left, received a handshake and a gift from Santa. With them is the cubmaster, Carmine DeSimone. Two cubs, Gary Calvin and Bill Nicholas, at lower right, serenade Santa during the party.

## Cub Pack Holds Christmas Party In Clark School

Cub Pack 145 of Clark held its annual Christmas party on Dec. 18 in Valley Road School, Clark.

Opening flag ceremonies were led by Den 3. Following the opening ceremonies,

the cubs and their families were entertained by the Webelos who sang several Christmas carols.

Santa Claus made his appearance shortly after the carol singing and he was given a musical welcome by Gary Calvin and Bill Nicholas. Travel arrangements for Santa were made by the Clark Jaycees.

Santa found a gift in his pack for every cub and young friends of the pack who were present. Tony Paruto, president of the Clark Jaycees,

presented each boy with a gift from the Jaycees.

Everyone was entertained by an instrumental group, "The One Note Four," which played holiday selections. Lunch was served and the evening came to a close with the retiring of the colors by Den 3.

Then God said, "Let us make man in our image." (Gen. 1:26).

When we are discouraged with our failure to change someone else, to make him act or be like we think he should, pause and reflect. We may be trying to make someone in our image instead of remembering

## 'Grey Girl' Hopes To Be Adopted By Kind Family

"Grey Girl," a gentle female tortoise shell cat about a year old is waiting to be adopted at Kindness Kennels of the S.P.C.A., 90 St. George Ave., Rahway.

Kindness Kennels is open from one to four seven days a week. Experienced wardens are available at all times and may be reached by phoning.

Other animals waiting to be adopted include an assortment of frisky pups, all with temporary distemper shots; kittens and cats.

Among the other pets waiting for a new home are Prince, a four-year-old chihuahua; Stumbles, an all-American 11-month-old male dog; who is good with children; Duke, a long-haired one-year-old male dog, also good with children; Heidi, a 2 1/2 year-old Daschund; Snoopy, a two-year-old male brown all-American, good with children; Yankee, an appealing shaggy brown six-month-old male dog who is good with children; Blackie, a three-year-old dog who is good with children; Candy, a pretty six-month-old long-haired white female dog who is housebroken and good with children.

It is suggested that if you should see a stray animal, then call the Kennels. If you should decide to offer the animal help, approach him cautiously. He may be tired, sick, hungry or a combination of all three. Never extend your hand quickly in the animal's face as he will interpret this as a threatening gesture, the SPCA said.

## RITC Celebrates Arrival of 1971

One local member of the Suburban Council, International Reading Association, will attend the annual winter meeting of the organization to be held Tuesday, Jan. 19 at the Battle Hill School, Union.

The film, "Why Man Creates" will be shown. Miss Claire Lyons, supervisor of instructional improvement at Clark, will be the discussion leader. The film has been awarded many accolades, including an Oscar, several gold medals, and international acclaim.

Local members of the as-

sociation include Miss Patricia Finzel of 879 Westfield Ave., Rahway.

## Film to Be Seen By Reading Unit

Members and friends of the Rahway Italian American Club enjoyed a night full of fun and frolic and ushered in the New Year amid joyous friends, lively music, good food and plenty of bubbling drink and other refreshments.

Retiring President Sal Golini thanked the New Year's Eve Committee of Lee Wilson, Frank Botti and Joseph Cesumaria who planned the gala party.

## Clark Couple Aid Student Effort To Recycle Cans, Bottles, Paper

Mr. and Mrs. Arnold Gold of 55 Stonehenge Terr., Clark, are helping to conduct a drive for a cleaner environment.

The couple is working in cooperation with the Thomas Jefferson High School Ecological Society and the Thomas Jefferson High School Key Club, Elizabeth, to collect aluminum and tin cans, all glass bottles and newspapers. The purpose, of course, is to keep the environment clean, but the couple and the members of the two organizations also want to show that recycling of waste products is feasible and makes good economic sense.

The first pickup of the waste products will be made this Saturday at the Golds' home, and from there, the waste products will be taken

to a recycling plant.

The couple says if the project is well-received, pickups will be made every Saturday at their home.

Mr. and Mrs. Gold noted there are several rules to be observed regarding these wastes to make them economically suitable for recycling centers.

Labels should be removed from bottles and cans, as should any metal rings from the necks of bottles. Bottles should also be rinsed out.

The couple also says that soda cans with seams should not be donated to them. They noted that recycled materials help to diminish the problem of waste disposal and they ask local residents to help them in their community service project.

## It's Oceans Of Fun for Sea Scouts

Twenty-five Sea Scouts, members of Ships 243, Rahway, and 44, Clark, sailed merrily through a spaghetti dinner and dance last week at Osceola Presbyterian Church on Raritan Road, Clark.

Ship 44 was host of the holiday celebration and reported that not one Sea Scout, gastronomically speaking, fell overboard.

The spaghetti was by Richard Burger, 20, from Clark, the second mate of Ship 44, who was helped in the kitchen by Lance Brunner, 21, also from Clark and the first mate of Ship 44, and Ann Philo, 15, from Cranford.

Included on the menu were Italian bread, Jello and coffee or soda. Entertainment for the first half of the party was provided by three of the ship's crew members, Jack Burger, 15, Joe Sheehan, 15, and Dan Rudyk, 14, all from Clark.

But for the second half, the crew did what it liked best -- a jam session. Rich Burger grabbed a lead guitar, and everyone gathered around the mikes to do some of the ship's favorite songs: "Little Deuce Coupe" and "Sloop John B" and "Shut

## Something for Everyone Is Goal Of Rahway Adult School Program

The reason for attending the Rahway Adult School are as varied as the number of individuals who enroll each semester. For some, the Rahway Adult School is an instrument by which rusty skills and out-of-date practices can be brushed up to par. It is also a means of preparing for part-time or full-time employment in the field of business.

Others presently employed but perhaps bored with their positions gain an insight into other professions and obtain the necessary preliminary training for entrance into these areas or continued study on a higher level.

Individuals who have decided to continue their education discover that the

Rahway Adult School can guide them through the avenues of learning -- from basic elementary levels, through high school equivalency and on to college entrance preparation.

Finally, there are people who are seeking general knowledge and/or enrichment in their lives.

It is for all of these people and all of their goals, their ambitions, their reasons, that the Rahway Adult School continues to strive to meet its own specific goal: something for everyone.

Further information concerning the Rahway Adult School, which begins its Spring semester on Monday evening, Feb. 1, can be obtained by calling 388-8500. Except where indicated in the brochure, all classes are held at the Rahway High School, 1012 Madison Ave. In-person registration at Rahway High School will be held from 7 to 9 p. m. on Monday and Tuesday evenings, Jan. 25 and 26. Mail registrations should be in no later than Jan. 22.

## Clark Library Sets Story Times

February will be storytime for pre-schoolers at the Clark Public Library. Four- and five-year-olds will be coming to the library once a week for four weeks to listen to stories, play games, sing songs and learn finger plays.

Parents who wish their children to take part should sign up at the library during January.

Story times will be Mondays and Tuesdays at 10 a. m. and 11 a. m. Mrs. Joan Chapin, children's librarian, will be in charge.

## Economy and Taxes Are Big Issues Before State Legislature in 1971.

The second session of New Jersey's 194th State Legislature will convene in Trenton Jan. 12 facing a stockpile of some 2,000 bills carried over from the 1970 session as well as problems of budget - balancing and programs leading to tax-dollar signs for 1971.

Awaiting disposition, points out the New Jersey Taxpayers Association, will be many recommendations requiring legislative action from the report of the governor's 73-member Management Committee submitted last November following a 12-week study by teams of experts in organizations, management and administration. The reforms, involving administrative action, legislation or constitutional amendment, were estimated to produce potential annual savings, state, federal and local, of \$90.5 million, and one-time savings of \$59.5 million.

An important milestone in the state's fiscal life will be reached when the governor's Tax Policy Committee reports. Hearings by its task forces are expected to continue with no date announced for submission of the final report.

The governor's budget recommendations for the fiscal year beginning July 1 are expected to reach the legislature early in February. Recent trends indicate they

may top the current year \$1.6 billion total by as much as \$200 million, presenting new financing problems.

In their continuing search for new state tax revenue, legislators will be watching returns from the new State Lottery. This originally was estimated to produce \$10 million annually, but on the basis of popularity of first ticket sales is expected to go higher. Ridding the initial wave of legal gambling success, shore resort interests can be expected to push for a referendum to legalize casino gambling in New Jersey similar to that which produced nearly \$35 million in entertainment taxes for the State of Nevada last year.

While the Legislature works on new problems, state treasury officials still face those associated with sale of bonds from the \$1,261,000,000 authorized by voters in 1968 and 1969 to finance capital projects for education, institutions, transportation, housing, water supply and sewerage treatment. With nearly two-thirds of the bonds, unsold, tentative plans call for three or four sales in calendar 1971. The schedule will depend upon interest rates.
