Industrial Waste Faces Charges Under Rules of Impending Township Law

The Clark council has authorized township attorney John P. Higgins to draft an ordinance allowing the Township of Clark to charge for industrial waste at its regular monthly meeting Feb. 16.

The action was taken because the Rahway Valley Sewerage Authority has made application for the expansion of its facilities, and, to federal and state approval, the authority is dependent upon its municipal members charging various industries which contribute industrial waste in those municipalities.

Clark was the last community in Union County to take the necessary action one day after Rahway moved a similar ordinance. Woodbridge, located in Middlesex County, is the last community, which is a member of the authority not yet to give approval.

The resolution says the township attorney should draft an ordinance which takes "into consideration the present method of assessment of sewerage cost in relation to property assessments, the volume of sewerage, the solid content, and the strength of the waste."

In other action, the township body resolved that a lot located at the corner of Broadway and Grand Street in the Fourth Ward be designated as a memorial to "those citizens of the township and others who have served in the Armed Forces of the United States and those who have paid the supreme sacrifice for their country."

Third Ward Councilman Bernard G. Yarusavage said it was good to see another memorial erected in the township to honor the Armed Forces members, living and departed. He cited other memorials in the township, such as Veterans Field on Lupine Way.

The contract of municipal engineer Joseph Sozio was authorized to be written by township attorney John P. Higgins. The contract was authorized to run for two years commencing Jan. 1 of this year and running to Dec. 31, 1972. A rate of \$15 an hour was approved.

Gas Station Application Considered

The public hearing on the application for a variance to permit construction of a service station at Central Avenue and Raritan Road in Clark will be continued by the board of adjustment at a special meeting on Tuesday at 8 p.m. in the Municipal Building.

The applicant, the Humble Oil and Refining Co., had received the approval for the service station from the previous board but the matter was taken to court by an objector. The Superior Court ordered Humble to resubmit its application.

The board at Monday night's meeting conducted the hearing on the application of Martin Rappaport to add a two-car attached garage and storage area to his home at 45 Surrey Road. A variance is required because the addition, if built, would leave a rear yard of only 27 feet. The requirement in the residential zone is 35 feet.

Rappaport told the board that he would like to use the present garage as a laundry room. He explained that sewage often flows into the basement of his home from the sewer and that he would like to eliminate sewer connections in the basement to solve the problem.

The variance application will be considered by the board at its executive session.

Stanley J. Nowakowski, alternate member, took part in the meeting in the absence of Peter Campana.

Scouts Ready to Do Their Part

HELP WITH ECOLOGY DRIVE ... Girl Scouts representing eight troops in Clark are prepared for the residents to begin the campaign to improve the appearance of the township by collecting articles suitable for sending to reclamation industries. The scouts, pictured at the disposal site at the end of Wilson Drive, are shown with Councilman Bernard G. Yarusavage and Mrs. Wenzel R. Dousa, adults participating in the endeavor. Scouts are, left to right, front row, Barbara Gabel, Kathleen Dousa and Karen Ann Grady; second row, Karen Muskus, Sharyl Weakland, Patricia Oberlies and Beth Arbelitel; third row, Lynne Fox.

Parking Ban in Snow Storms, Overnight Parking Prohibition For Trucks, Buses Introduced

Council passed two parking ordinances on first reading at its regular monthly meeting Feb. 16.

One of the measures would make it illegal to park any vehicle on all municipally owned public roadways of the township during snow emergencies.

The proposed law was introduced by Second Ward Councilman Richard C. Burger and seconded by Third Ward Councilman Bernard G. Yarusavage.

Mr. Burger defended the ordinance when it was questioned by the Fourth Ward Councilman Robert Roman who viewed the measure as causing some "hardship" on those who do not have proper off-street parking facilities.

Mr. Roman said the proposed law would be good in the First Ward, but questioned whether it was applicable in the Second, Third and Fourth Wards.

He said the proposed ordinance might force some people to expand their driveways, and notice was too short.

Mr. Burger said that all laws cause some hardship, but noted emergency vehicles and snowplows cannot possibly service roads to which they cannot gain entrance. He said even if the law were passed on first reading that night, it would not come up for final reading until the March 17 regular monthly meeting and would not take effect until after publication. By that time in April, snow would not really be a problem, he noted, and township residents would have the summer to prepare proper parking spaces.

Mr. Burger stressed that the ordinance's intention was clearly to create the greatest number of people and recalled one chaotic incident in the 1969-70 winter season when a snow plow he was riding could not gain entrance to a roadway because of parked cars.

Mr. Yarusavage noted that police would continue to warn residents of the approach of snow plows, so they could be served notice when to move their cars.

Mayor Thomas A. Kaczmarek expressed pleasure over the ordinance's introduction and said he had requested a similar measure six months earlier.

The ordinance was passed unanimously.

The second law would ban large vehicles from parking on the township's streets overnight. Large vehicles are defined as buses and trucks.

Returns Wanted

For those of you who still have returns for the March of Dimes drive, please drop them off at the home of Freeholder William Maguire, chairman of the township charity solicitation, of 20 Poplar Terrace, or at the home of Mrs. Gloria Kopp, co-chairman, of 65 Harding Avenue.

Ecology Campaign to Begin Monday When Disposal Bins for Collecting Aluminum, Glass Will Be Available

Clark's ecology campaign is scheduled to begin on Monday with the location of three disposal bins by the municipality's department of public works and engineering at the end of Wilson Drive. The street runs behind the Municipal Building.

The civic organizations sponsoring the drive to collect solid waste materials suitable for reclamation have appealed to Clark residents to cooperate by preparing the material and taking it to the bins where it will be collected for the recycling industries. The organizations pointed out that although a small group of persons started the ecology drive, the cooperation of all residents

is needed to make it a success.

The central depository for steel and aluminum cans, aluminum products and glass bottles was established through the efforts of Councilman Bernard G. Yarusavage, Mrs. Wenzel R. Dousa of Girl Scout Junior Troop 130 and John J. Allaire Jr., director of public works and engineering. The three disposal bins, provided by Mr. Allaire, will be available to the public between 9 a.m. and 5 p.m., starting Monday.

Information about the ecology drive will be provided in leaflets to be distributed by the Girl Scouts during the first two weeks of March. The troops participating in the ecology drive through distribution of the leaflets are Numbers 130, 102, 348, 386, 410, 613, 387, 330, 320, 483, 580, 390, 391, 380 and 407.

The organizations participating in the drive to obtain solid waste for recycling stated that steel cans used for vegetables, juice and soup, are suitable for reclamation. The tops and

bottoms of the cans and the paper wrapper should be removed. The cans should be rinsed and then flattened.

Aluminum cans, which do not have side or bottom seams, do not need preparation before being taken to the disposal center. The public also is being asked to take aluminum pie pans, trays, TV dinner trays and aluminum lawn furniture to the disposal center. Webbing of the furniture should be removed and the aluminum cuts into 12-inch pieces.

Soda and beer cans are not acceptable at reclamation centers unless they are made of aluminum, it was pointed out.

Labels, caps and lids should be removed from glass bottles and jars should be rinsed clean before they are deposited. Broken glass should not be dumped at the site.

The campaign organizers emphasized that nothing should be left in the disposal bins unless it meets the requirements listed. Garbage should not be dumped at the site.

Start Drive To Provide Student Aid

With the mailing of brochures to every resident in Clark, the Clark Scholarship Fund has launched its annual fund drive.

Andrew M. Zavoda of 62 Whittier Road, vice president and chairman of the drive, has set a goal of \$5,000 and is hopeful that the township residents will respond generously to the appeal by mailing their donations to him. He said any amount will be appreciated and will help the fund to continue to assist promising students from Clark to further their education.

"With the higher cost of tuition and other expenses, it is hoped that more meaningful assistance can be given these students and additional students could be assisted," Mr. Zavoda stated.

Because of the generosity of the residents, of Clark and organizations, businesses and professional people, three scholarship grants of \$750 each will be awarded next June, according to Charles Driesens of 43 Prescott Turn, fund president. A total of \$2,250 will be awarded as compared to \$2,000 given in 1970. The president expressed his thanks to all who contributed to the fund and especially to those who have faithfully contributed since 1952 when the fund was first organized.

Mr. Driesens also announced that the second annual art auction sponsored by the fund will be held in the Arthur L. Johnson Regional High School on Sunday afternoon, March 14. Dr. Robert Amon of 2 Westfield Avenue is chairman of the event and Ed Berman's Intercontinental Art Gallery will conduct the auction.

Students who have resided at least one year in Clark are eligible to apply for scholarships. Application forms must be returned by April 1.

Jaycees to Have Bowling Tourney For Clark Youth

The Clark Jaycees have announced that they will sponsor a junior bowling tournament on Saturday at 9 a.m. at the Clark Lanes.

All Clark boys and girls in the seventh through 12th grade are eligible to participate in the event, the Jaycees said.

Trophies will be awarded to the three bowlers with the highest score in each division and also to all girls who bowl 175 or higher and to all boys who bowl 200 or higher.

The winner in each grade division will be entered by the Clark Jaycees in the New Jersey Jaycees State Junior Bowling Tournament on Saturday, March 27, at the Edison Lanes, Edison.

The four grade divisions are: Boys, seventh, eighth and ninth grades; boys, 10th 11th and 12th grades; girls, seventh, eighth and ninth grades; girls, 10th, 11th and 12th grades.

The Jaycees said they will require permission of the parents for the children to enter the tournament. Entries will be accepted on Saturday.

Many Factors Contributed To Increased 1971 Budget

As announced in last week's issue of The Clark Patriot, the current total township budget is \$1,927,475.61, or up \$215,785.93 over the 1970 budget of \$1,711,689.78.

This represents about a 50% rise roughly in the amount to be raised by taxes. The final percentage can be altered after councilmen hear public reaction to the measure at a hearing set for Wednesday, March 17.

The large increase is due to many factors, the most important of which are the \$42,000 cost of salary adjustments approved by the voters for the police in a referendum; increased sewerage costs by the Rahway Valley Sewerage Authority, \$39,000; leaf collection and dumping services, \$14,000; increased library costs, \$9,000; increased street lighting costs, \$9,000; and 1970 emergency costs amounting to \$24,910.

This latter figure breaks down as follows: \$3,410 for police vehicles, \$8,000 for clean-up programs, \$9,500 for the emergency dredging of Pumpkin Patch Brook, and \$4,000 for updating the Master Plan.

In other words, the above increases account for \$113,910 of the \$215,785.93 increase over the 1970 budget.

It should be remembered by readers that all of the above adjustments pertain only to the township budget which accounts for 33 points of the total 122 point increase in the total tax bill. The bulk of the total increase is attributable to the local and regional school systems.

Water Company Land Seen As Pool Site by LeWand

Unlike the dismal view that many councilmen have taken of condemnation proceedings to gain land for a long-pending town swimming pool against owners of the Oak Ridge Golf Course, Councilman-at-large Stanley D. LeWand offered an interesting proposal at the regular monthly meeting of the township council Feb. 16.

Mr. LeWand said the possibility of using a portion of the Middlesex Water Co. property might well be investigated. Second Ward Councilman Richard C. Burger said he had followed this route at one time, and the water company said it was not interested about one year ago.

John P. Higgins, had just finished telling Mrs. Rose Tomchak of 5 Ivy Street, past chairman of the pool committee, that condemnation proceedings were still on and that arguments had been presented to Union County Assignment Judge Walter L. Hetfield 3rd for two days.

Councilman Burger and Fourth Ward Councilman Robert Roman took up where they left off arguing the proposed use of the Bartell Place Tract at the January meeting.

Mr. Burger said that lots might be secured contiguous to the Bartell Tract that would permit ingress and egress at four points and thus make the plot usable for a pool.

Mr. Roman said he had campaigned on keeping the Bartell Tract a general recreational area and doubted that anything like 1,200 cars could be accommodated there.

17 Special Patrolmen Are Appointed by Councilmen

Council approved the appointment of 17 special policemen at its regular monthly meeting Feb. 16.

The men were all reviewed by public safety director Thomas P. Kelmartin and requested to be appointed by him.

The men are William Clancy of 74 Stonehenge Terrace, Edward Curran of 74 Sweetbriar Drive, Apt. 20, Alex Ferko of 190 Gibson Boulevard, Charles Fullagar of 15 Prescott Turn, Arthur Gonder of 202 North Lane, Donald Halloran of 197 Lexington Boulevard, Joseph Kosik of 6 Briarhead Lane, Arthur Lubin of 78 Rutgers Road, and Theodore Maymet of 74 Hutchinson Street.

Also Michael Schneider of 109 Amelia Drive, Michael Milkosky of 95 Briarhead Lane, Richard Givany of 35 Brant Avenue, James Gillich of 35 Prescott Turn, Henry Skulnicz of 14 Lexington Boulevard, William Hofschneider of 48 Fan Street, and Peter Sachenski of 19 Meissner Way, and William Van Buren of 21 Wheatshaf Road.

NJ Millionaire Lottery Drawing Set for March 17

New Jersey's first "50-Cent Millionaire" will be selected by the State Lottery Commission on Wednesday, March 17, at 11 a.m. in the Trenton War Memorial Building, by Gov. William T. Cahill has announced.

This is a new and special Millionaire drawing for all persons who already hold tickets which won fifth prizes in the first five weekly state Lotteries on Jan. 7, 14, 21, and 28 and Feb. 4. These winners had tickets with the last two digits of the weekly Lottery number for those dates. The numbers were 84, 03, 61, 71 and 52 respectively.

"The public response to the New Jersey State Lottery has been so great," said Gov. Cahill, "that the Lottery Commission is holding this Millionaire Lottery months before originally planned. In just five weeks, the state Lottery has more than lived up to its slogan of being America's most rewarding."

The governor emphasized that this "50-Cent Millionaire" drawing is separate and distinct from the previously announced Millionaire Sweepstakes.

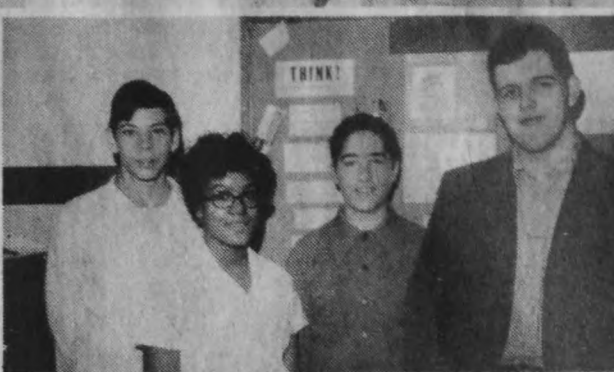

Some 180,000 ticket holders will compete in the "50-Cent Millionaire" event for which a semi-finalist drawing will be held following the regular weekly Lottery drawing today at the Cherry Hill Mall.

Oak Ridge Road Traffic Will Be Rerouted on Brookside Terrace, Willow Way and Wheatshaf Road

Third Ward Councilman Bernard G. Yarusavage said demolition of the Oak Ridge Road Bridge has begun this week. Speaking before the Clark Republican Club last Friday, Mr. Yarusavage said the county officials notified the township fathers that the Conti Construction Company was commissioned to remove the existing structure and replace it.

County Engineer Joseph A. C. Komich will supervise the project. The road will be closed during the construction period, and bridge traffic will be rerouted through Brookside Terrace to Willow Way to Wheatshaf Road," Yarusavage stated. "This marks the first tangible step in the improvement of Oak Ridge Road, a project which has been in the mill for seven years," noted Yarusavage.

Cost of the project is estimated to total \$406,000, and

part of that cost will be subsidized with \$123,000 of state aid. The cost of replacing the bridge will be borne by the county.

"The entire council is pleased to see the bridge removed at this time of the year. For safety's sake, it is hoped that this phase of the work will be completed before the spring rains bring the threat of floods to the vicinity of Pumpkin Patch Brook," Yarusavage stated. "During the next few weeks, the municipal council will have a heavy work load," observed Yarusavage. "The local school district budget has been mandated for review by the council, following its defeat at the polls Feb. 9," Yarusavage said. "Another hot item presented to the council by the board of adjustment is the Villan variance application to build a multi-story motel and office building at Walnut

Drive Extended Until March 15 By Heart Fund

The Union County Heart Association's fund drive will be extended to March 15, it has been announced by State Senator Matthew J. Rinaldo of Union, chairman.

Senator Rinaldo said volunteers who conducted their annual Heart Sunday collection this week had found many families away from their homes.

To give those persons and others who desire to contribute the chance to do so, we have extended the drive through mid-March," Senator Rinaldo stated. The Heart Fund chairman urged county residents to be generous to the cause.

"Since more than half of all deaths are caused by heart and related disorders, it behooves all of us to give to the Union County Heart Association," he said.

Door-to-door canvasses are conducted in 19 of Union County's 21 municipalities. The collection is made via the mails in Linden and Summit.

Hyatt Offer Nixed

Members of Local 736, United Automobile Workers, have voted to reject the latest contract offer from Hyatt Bearings Division, General Motors Corp. The local represents workers at Hyatt's Clark plant. The vote against acceptance of the proposal was 191 to 120 in the skilled trades division and 498 to 326 in the production division. The UAW members voted on Friday in the VFW Hall, Clark, and in the union hall.

The union and GM representatives have been negotiating since July 15 and have held 175 meetings. The contract between the union and GM expired last Sept. 15.

Zoning of High Rise Units Must Be Clarified Prior to Council Okay

Volumes of misinformation have been circulated in the past month concerning the proposed construction of an eight-story motel and an eight-story office structure at 1 Walnut Ave., Clark.

Some people have asked: how much revenue will Clark realize from this commercial structure? Will it be as much as a residence provides?

First off, all ratables, whether they be residential, commercial or industrial are taxed on their worth. The real property tax law does not establish different rates for different types of construction. Hence, all property is taxed at the same rate. Last year in the township that rate was 8.17 per cent of assessed value, so a house and the plot on which it sits, should they be assessed at \$10,000, would have a per annum real property tax of \$817.

Once the tax assessor properly evaluates the proposed eight-story complex, when and if it is built, it will be taxed at the same rate as all property in Clark. Of course, one must realize by the time the complex is built, the rate will be substantially higher than the 1970 8.17% rate, since already for the taxable year 1971, a rate of 9.39% is being estimated.

The people who asked that question about how much money a commercial structure will bring in as opposed to a residential structure immediately inform people who are versed in real property taxation that they simply do not understand how real property is assessed.

It has also been asked during many public meetings: how much will the state get from the real property tax, and how much will be left for the operation of Clark's municipal government? Again, you know the asker of that question knows very little since the state government doesn't get anything from the real property tax. What the state does get is a proportion of the business personal property tax. That tax is levied, as it says, on personal property (chattel) owned by businesses. In 1966 or 1967, the state took over the collection of that tax from the municipalities, and since, then, it has rebated a portion of that tax to each municipality based on the amount of chattel reported by industries and businesses in each municipality.

In other words, not only will Clark get a substantial rebate estimated at producing something like \$200,000 worth of taxes, but it will also benefit in that a portion of the receipts of the chattel tax will also be added to the township's tax coffers. What that amount will be is hard to say, but the business personal property tax is levied on 50% of all chattel owned by a business at a rate of 1%.

It is very discouraging to hear people asking all sorts of misinformed questions which do not have to be asked. One letter of inquiry to the department of taxation could have sufficed, and now so many people are wandering about the township with mistaken ideas. Someone really should make it known that to get the right answers you have to ask the right questions.

Clearly, the right question in this case is: if we grant this variance for the proposed eight-story complex, what guarantee do we have that other such buildings will not be constructed too close to residential areas? At present, very little, because the Master Plan needs revision, and areas where high-rise construction could be erected under the present setup is, we think, in nearly any area presently zoned industrial. This should not be.

In other words, the paper feels that the Master Plan should be revised, so as to limit high-rise construction to specified areas that are in the heart of industrial zones. If this were done and the Oak Ridge Golf Course was rezoned to ban high-rise, then much of the controversy would be obviated.

One must remember if that land is not specifically exempted from high-rise construction, then the owner can proceed into Superior Court, should a variance request be denied, and say that no basis in the zoning code exists for that denial, given the approval of another eight-story complex in a zone similarly zoned industrial. His case would have a great deal of reason behind it at that point, and the township could find itself in the position of having, through a poorly organized plan, allowed the construction of high-rise units next to prime residential properties.

There is nothing wrong with the erection of an eight-story complex at 1 Walnut Avenue, if it is built with care, in conformance with good fire safety standards, and with ample parking. Council should also approve a portion of the new Master Plan first that specifically sets forth high-rise construction zones, PRIOR TO APPROVAL of the variance for the project. -- KCB.

March Is the Month Taxpayers Should Be Heard on Budgets

Public hearings for municipal budgets are coming up shortly, and their approaches should signal among the taxpayers of Rahway and Clark a want to get out and be heard. The Rahway public hearing for the municipal budget is planned for Wednesday, March 10, and the Clark budget will be aired Wednesday, March 17.

In Rahway, the municipal budget comprises about 150 points of a proposed tax increase of about 220 points. Everything is tentative at this point, so the paper thinks it would behoove Rahwayans to attend the hearing and propose ways of trimming municipal expenditures. A 220-point increase is a horror, this paper wouldn't wish on any taxpayer. It means a 20 per cent increase in the tax rate, perhaps the largest increase in the city tax rate in memory.

In Clark, the municipal budget makes up 33 of a 122-point tax increase. Council there made an effort to keep spending low, and perhaps more fat could be cut out of the budget.

In both Rahway and Clark, the school budgets are up substantially. In both municipalities, the budgets were turned down by the voters, and councilmen should be looking with an eye to trim unnecessary expenditures. It should also be remembered by the public attending the hearings that many expenditures are mandated costs, and councilmen have no control over them. Either state laws or county expenditures are not within their control. Courtesy should always be extended to councilmen at these hearings, and their explanations should be carefully listened to first and then responded to. All too frequently, some taxpayers use public hearings as a podium for their personal excesses or for the broadcasting of ignorance.

Hearings are designed for the public to either offer areas where spending is unnecessary or needed; it should never be taken as an arena for insulting public officials or venting petty gripes.

It might be offered by taxpayers at the upcoming hearings that the county welfare budget is largely responsible for increased county assessments in munici-

pal budgets. The paper believes that those appearing at the hearing would be suggesting a good plan of action if they would advise council to request the state legislature to support the governor in his attempt to cut out all welfare assistance proposals that are not expressly required by federal laws. It would also be helpful to mention that the legislature should revise welfare standards downward as low as they can get them and yet comply with excessively generous federal laws.

Budgets are made by elected officials, but they are readily affected by taxpayer comments at these hearings. If you want to have a part in the framing of your tax bill, March is the month to speak. -- KCB.

Cooperate for Improvement

Efforts being made by Clark organizations and public officials to have solid waste materials prepared for recycling industries and collected at a central disposal area deserve the cooperation of all township residents.

Three disposal bins have been provided at the end of Wilson Drive to receive the materials, aluminum cans and other aluminum objects, steel cans, and glass. The street is located at the rear of the Municipal Building.

The service organizations and officials are cooperating in the ecology campaign, which is centered on the reclamation program. The drive has as its goal the improvement of the environment.

"If you feel this program is not appealing, think of the situation our country is in," the campaign leaders stated. "If it's not our fault, then who do we blame?"

The residents of Clark are being asked to take the first step toward cleaning up the nation's ecology problems by rectifying the conditions which have created a problem in Clark. If all municipalities and their residents worked to send material suitable for recycling to industrial plants, a large part of the ecology problem would be solved.

"It's now up to you to do something," the campaign leaders have told the residents of Clark. We agree. -- AHM.

Congregation Should Welcome New Pastor at Zion Lutheran

A new minister has come to Zion Lutheran Church in Rahway. The congregation has been without a pastor since the death of Rev. Frederick Fairclough who was much admired by his congregation and others in the city.

The new minister, Rev. Walter J. Maier, is young and hopefully he will serve his congregation with diligence and for a long time.

Rev. Fairclough was a man of even temperament and broad-minded views. We at the paper knew him for his ability to permit a wide and divergent vista of opinions. Rev. Maier has the pleasant task of following a much looked-up-to minister.

This Sunday a reception will be held in Fellowship Hall of Zion Lutheran Church from 3 to 5 p.m., and we hope all members of that congregation will go and welcome their new pastor. -- KCB.

Profit or Loss?

By Rev. Joseph H. Gauvin

EDITOR'S NOTE: This is the sixth in a series of sermons by Rahway clergymen. This week's supplement was written by the rector of St. Paul's Episcopal Church, Irving Street and Elm Ave.

In the church's calendar, Ash Wednesday fell this year on Feb. 24, and it marks the first day of Lent. For most Christians, Lent is the season of penitential and prayerful preparation for the great festival of Easter, the "Royal Feast of Feasts."

If we were to seek a single word to express the fundamental purpose for the observance of this holy season, the word conversion would probably be the best one. The committed Christian keeps Lent in order to be more completely converted. Perhaps this statement needs a bit of explanation because the idea of conversion has often been misunderstood. This is due, I would suggest, to a certain type of belief which views conversion as a kind of sudden emotional experience in which a person, in a single moment, feels that he or she is something which he or she hitherto was not.

Actually, true conversion is not a matter of feeling at all, and it is very seldom a sudden experience, except in very unusual circumstances, e.g. the miraculous conversion of St. Paul. It is rather a matter of daily and hourly decisions to rule life on Christian principles, and it is therefore, a gradual, continuing process. Conversion is living on a level higher than that on which we would normally live. This level of living is outlined in the teachings of Jesus of Nazareth, seen clearly in his holy and exemplary life, and symbolized by his glorious resurrection.

Converted living is living, day by day, "in the heavenly places in Christ Jesus" as St. Paul tells us in his letter to the Ephesians. So it is not feeling something but doing something, and we attain this level of converted living by the exertion of persistent effort. Moreover, we do not attain to this kind of living suddenly. At best, we live on the converted level only partially for over and over again, unruly elements of our sinful nature pull us down and the circumstances in which we live exert a force to deter us from converted living. So conversion is a long and arduous process which is punctuated by failures. Surely we have experienced this in our own life! Didn't St. Paul himself experience this in his own life, "For I do not do the good I want, but the evil I do not want is what I do." (Rom. 7:19) If we are to be at all successful in converted living, we must be able to see our sins and failures clearly, and we must deal with them by honest and sincere repentance. As we continue to do this, more and more of our daily living will be brought into the sphere of true conversion. (Eph. 4:13)

The holy season of Lent is given to assist us with this lifelong development towards real conversion. With the ashes of repentance on our foreheads, and with the old sins out of the way, we enter this holy season asking ourselves if we have truly learned what Almighty God wills, for us and if we have been faithful in our several vocations as members of the Body of Christ in this community of Rahway, or in whatever community we live.

LETTERS TO THE EDITOR

Says Pilot Unit

Is Sex Education

I wonder how many parents in Clark are aware of the pilot program in Family Living (sex education) is going on in Frank K. Hehly School here in Clark?

By an amazing coincidence, the principal of the school, John Conlin, also is the coordinator for the Family Living program in Clark.

I can remember Dr. Carl H. Kumpf's words very clearly. He stated that there will be no sex education programs going on in our school system without the complete knowledge and express consent of all the parents.

This undercover project is exactly how the sex education program was put into all the other towns that are now trying to throw it out. I warned about it two years ago. Just a select few knew something about the program; the majority of parents know nothing about it.

I would not like to see Clark rendered in half in a fight to keep sex education in the schools, as has happened in the other towns around us. But that is exactly what will happen unless this whole project is cleared up immediately.

Express Thanks For Drive Help

We would like to express our sincere thanks for the wonderful coverage given to the 1971 Mothers' March Against Birth Defects.

Your cooperation and support have been of tremendous assistance in informing the public of the purpose that the volunteer marching mothers have worked to achieve. There can be no doubt that the efforts of these volunteers were immeasurably aided by the fact that the people of Rahway were aware of the important contribution they made against birth defects through their donation.

Once again, our grateful appreciation for helping to make the Mothers' March a success.

Mrs. James H. Cashion Jr.
Mrs. Adam C. Florczak
Co-Chairman
1971 Mothers' March, Rahway

man, Edwin Kaufman.

Senator Tanzman, who has represented Middlesex County in the Senate since 1971, served in the General Assembly from 1960 to 1970, and received numerous awards during his terms in the Legislature. Prior to his legislative career, he served on the Woodbridge Township Planning Board, holding its chairmanship from 1955 to 1960.

He was presented the community service award as "Realtor of the Year" in 1959 in Middlesex County because of his civic service.

Senator Tanzman's wife is the former Miss Marion Schwartz of Rahway. They reside at 169 S. Park Dr., Woodbridge.

George Ebbe, New GOP Club Head, Urges Opposition Walchdog Role

"Victory through Unity" will be the Clark Republican Club's motto and "Directions 1971" the group's plan of action reports George B. Ebbe, president of the township's GOP organization.

In a brief address after his installation Friday night at the Elks Club, Mr. Ebbe outlined a two-party program for his term of office. First, Mr. Ebbe pledged to follow in the footsteps of his predecessor, James Smith, who served as the organization's president for two terms, by continuing the successful membership drive and the "fun" fund-raisers. Second, Mr. Ebbe planned to negate the Democratic party's control by launching his "Directions 1971" plan.

Members were cautioned by Mr. Ebbe not to forget the most important duty of the Republican party, that of serving as community watchdog over the one-party controlled township government. He cited the "public's right to know" and urged members to question any acts of the township officials which would adversely affect them or Clark.

"Cooperation will be the name of the game," according to Mr. Ebbe as far as Clark's Republican Club and the county GOP organization are concerned. "We are fortunate in having a man of Edward R. Simpson's caliber, representing us on the county level and serving as city chairman," he added.

Labeled his "task force" by President Ebbe, other officers taking office in the GOP club's first formal installation ceremonies were: First Vice President, Jay Stemmer; Second Vice President, Alexander Paschenko; Joseph Pozniak, treasurer; Mrs. Richard Webber, recording secretary; Mrs. Jay Stemmer, corresponding secretary, and Edward Lystash, sergeant-at-arms.

Also: trustees, one year, Edward R. Simpson; two years, Carmine Cristiani, and three years, James A. Smith. Executive Board appointees, Edward P. Gerchis, Mrs. Gloria Kopp, and Mr. Smith.

Third Ward Councilman Bernard G. Yarusavage gave a comprehensive report covering the proposed high rise complex near the Parkway Circle and the township budget. A question-and-answer period followed.

Mosquito Commissioner Carmine Cristiani chose "The DDT Danger: Myth or Menace" as the subject for a brief talk. Robert Lovejoy, president of the Southwest Civic Association, presented his organization's views on matters of interest to the club and the town.

Henry Variano, representing the Young Republican Club of Union County, and also a member of the Clark Republican Club, gave an accounting of the activities of the youthful GOP group. The Clark Republican Club voted to again take an advertisement in YRC's program book.

Starting in March, the Clark Republican Club will change its meeting place from the Elks Club to the downstairs meeting room of the Franklin State Bank, but will retain the third Friday of the month as its meeting date.

BPW Congratulates Mrs. Mary Finelli

Mrs. Kathleen Taylor, president of the Rahway Business and Professional Women's Club, extended congratulations to Mrs. Mary Finelli who was voted the Outstanding Citizen of the Year by the Rahway Jaycees, the first time the award was given to a woman.

At a recent meeting of

The Clark GOP club's new officers and task force for Directions 1971 are (l. to r.) Mrs. Richard Webber, recording secretary; Edward Lystash, sergeant-at-arms; Mrs. Jay Stemmer, corresponding secretary; Joseph Pozniak, treasurer; George B. Ebbe, president; Jay Stemmer, first vice president; and outgoing president, James A. Smith, a trustee. Missing from photograph but not the installation ceremonies is Alexander Paschenko, second vice president.

Jeffrey Weil, Rosann Tharaldsen And Marie Cassese Attend JA Meet

The Union County area was represented by a delegation of 15 high school-age business leaders when the 21st annual Eastern Regional Junior Achievers' Conference opened yesterday at The Shelburne and Dennis Hotels, Atlantic City. Among the 15 are Jeffrey Weil of Clark and Rosann Tharaldsen and Marie Cassese of Rahway.

The three-day convention of representatives of Junior Achievement companies is being attended by 1,100 teenagers from 62 areas of 12 states.

"Business, Government and Youth, Partners in our Nation's Future" is the current theme for the teen-organized, teen-managed conference. Adult leaders of business and government who will participate in the theme and discussion sessions of the Conference include Charles W. Colson, special counsel to President R. Nixon. In addition to participating in a panel discussion with guests and the other adult advisers today, Mr. Colson

will also read conference-related messages from President Nixon and Apollo 8 Astronaut William Anders, a former Junior Achievement adviser when stationed at the Manned Spaceflight Center

Rahway Achievers model hard hats and an American flag they are using today at the Junior Achievement Conference in Atlantic City. Among the 15 attending from Union County are (l. to r.) Jeffrey Weil of 83 Meadow Rd., Clark, a member of GAFCO, sponsored by GAF Corporation, Linden, Rosann Tharaldsen of 446 Hamilton St., Rahway, a member of MERCO, sponsored by Merck & Co., Rahway, and Marie Cassese of 1196 Farrell Terr., Rahway, a member of QUINCO, sponsored by Quinn & Boden Co., Rahway.

Bon Amy

SHARING A PARTY LINE ... Enjoying a moment together before annual Lincoln Day Dinner are (l. to r.) Congresswoman Florence P. Dwyer, Sen. J. Glenn Beall (R.-Md.), Mrs. Amy Bandoner and Richard G. Schoel, Union County Republican chairman. Sen. Beall spoke to more than 500 party workers and friends who turned out to honor Amy for more than 50 years' service to GOP.

The General Slocum

Where is now, the merry party?
That we saw, but yesterday,
Going aboard, the General Slocum,
For a trip, just down the bay.

Happy children, care-worn parents,
Fathers from work, had lost a day,
Just to be with their little children,
And for once, feel young and gay.

Bright-eyed youths, and gentle maidens
Showing off each pretty charm,
Children's flags are gaily waving,
Not one thought of threatened harm.

Now, the boat is gently sailing;
Babies breathe, the pure sweet air,
'Parents happy, with their children
Far behind they have left all care.

See the mate, to Captain whispering,
What's he saying, can you hear?
Who would have thought in an hour's sailing
They would have cause to fear.

Ah: it was the monster, fire,
Creeping stealthily along,
For to feast with awful roaring,
In that gay and happy throng.

Now the boat is in a panic,
People rushing here, now there;
Men are cursing, women screaming,
Little children, kneel in prayer.

But the Captain cool, collected,
Looking quickly along the shore,
He can see, no ark of safety,
For a half a mile or more.

To the boats! the Captain shouted,
But the boats, ah: what shall say,
They were old, the seams had parted,
Not having been used for many a day.

The life preservers, they were useless,
Having chaffed against the wire,
All in vain, to look for safety,
From that awful on-sweeping fire.

If they can only reach North Brothers island,
There is safety, they can save;
But before they reach your harbor,
Many sleep, beneath the wave.

Others lie in blackened masses,
For the steamer, now is doomed;
Once so full of life and laughter,
Now it is a living tomb.

Hardly use to cast the anchor,
Few ah: few to gain the shore,
Sad to think, twelve hundred beings,
Who in life we'll see, no more.

Fathers look for wives and children,
Children, look for parents dear;
Who no more will soothe or comfort,
Or in adversity, gently cheer.

Who's to blame, for this disaster?
Shall we look and search in vain?
For if by chance, they shall elude us,
God, He knows who is to blame.

Republicans Recall Days Of Flappers

The Clark Republican Club Roaring Twenties Dance was held at the VFW Hall last Saturday night and attended by many in period costumes. The affair provided opportunity for those present to recall the good old days and dance to the Peabody, The Black Bottom, and the Charleston.

Newly-elected GOP club officers were introduced: George Ebbe, president; Jay Stemmer, first vice president; Alexander Paschenko, second vice president; Joseph Pozniak, treasurer; Mary Ann Weber, recording secretary; Elizabeth Stemmer, corresponding secretary; and Edward Lystash, sergeant-at-arms.

Outgoing president James Smith presented a plaque to Gloria Kopp in appreciation for her work as chair-lady of fund-raising affairs. President George Ebbe turned the tables on Smith and presented him with a plaque for meritorious service as club president during the years 1969 and 1970.

Official attending the dance included Freeholder William Maguire, Mayor Thomas A. Kaczmarek, Second Ward Councilman Richard C. Burger, Councilman-at-large John Pisansky and Third Ward Councilman Bernard G. Yarusavage.

War On Junk Mail Renewed

Congressman Cornelius E. Gallagher, chairman of the House Subcommittee on Privacy, has re-introduced his pioneering junk mail bill. Pointing to the confusion engendered by the indiscriminate bawling of names between computers, Gallagher cited a letter received by the head of the San Francisco Suicide Prevention Service. The letter read in part:

"Dear Mr. Suicide: A subscription is one of the best ways to benefit the personal financial growth of the Suicide family."

Gallagher's bill has four main provisions:

1. Register mailing list brokers.
2. Allow the individual to avoid receiving any unsolicited mass mailing, or solely those relating to charitable, nonprofit purposes.
3. Allow the individual to remove his name from specific lists.
4. Require every piece of unsolicited mail to contain identifying information clearly specifying where the sender obtained the name of the recipient.

"My bill will provide an answer to two questions which are now merely powerless cries of rage: 'How did they get my name?' and 'How can I get off that list?' By showing the citizen that the Age of Aquarius is really the Age of Aquarums, where his life is constantly under the surveillance of computer owners, we will broaden the constituency for privacy," Gallagher said.

South Mountain, Forest Hikes Set

A ramble and two hikes are scheduled for the members and guests of the Union County Hiking Club for next weekend.

On Saturday, Raymond Carriere of Millburn will lead a morning ramble in the South Mountain Reservation. The group will meet at the Locust Grove parking area at 10 o'clock. Arthur Knittel of East Orange and Lillian Deane of Piscataway will lead a 14-mile hike in Lebanon State Forest in southern New Jersey. The hikers will meet at the administration building at the Union County Park Commission, Warinanco Park, Elizabeth, at 8:15 a.m., or at the Lebanon State Forest Headquarters at 10:15 a.m.

On Sunday, Michael Herbacek of West Orange will lead an 8 to 12-mile hike in the South Mountain Reservation, depending upon the weather. The group will meet at the Tulip Springs parking area in the reservation at 9:30 a.m.

According to Third Ward Councilman Bernard G. Yarusavage, the Roaring Twenties Dance was a roaring success. Among those in attendance were: past president, James Smith; first vice president, Jay Stemmer; corresponding secretary, Elizabeth Stemmer; Mrs. Ebbe; George Ebbe, president; recording secretary, Mary Ann Weber, and sergeant-at-arms, Edward Lystash.

Plans Approved For 2 Dwellings

Construction of two dwellings was authorized in Clark by building permits issued in December, according to a report submitted by the township to the Division of Planning and Research, State Department of Labor and Industry.

No report was submitted by the township for December. The total cost of residential construction authorized in Union County in December was \$570,700, according to the state agency.

The RCFC said "group action will be taken only if the state delays much longer in bringing some of the cases into court for imposition of penalties as stipulated by state law, Title 58, Chapters 1-26."

The RCFC asked members to attend the meeting and stated that other interested persons also may attend.

The Garden State Parkway carried an all-time high volume of over 158 million vehicles during 1970 but it dropped traffic accidents and injuries in the same period to a level below the year before.

Chairman John P. Gallagher of the New Jersey Highway Authority, which operates the parkway, said in a year-end report that all categories of traffic and travel on the toll road were up over 1969 while its safety record showed generally reduced totals and ratios of accidents.

The 158,702,000 vehicles which used the parkway in 1970 represented an increase of 8.75 per cent from the previous year's volume and traveled on the road for an aggregate distance of some 2 billion 276 thousand miles.

The latter total was also up by some 6 per cent over the year before.

The 173-mile road had a numerical and rate (per 100 million travel miles) decreases in total accidents,

injury accidents and personal from 25 mishaps as compared to 24 fatalities from 21 collisions the year before.

The fatality rate of 1.19 per 100 million miles of travel for 1970 still left the parkway close to its nationally-low toll road mark in 1969.

Exception to the downward trend along traffic casualties was in fatal accidents where 27 deaths resulted

Duplicate Bridge Game Sponsored Thursday Nights

The Clark board of education is sponsoring a duplicate bridge game in Mildred Terrace School every Thursday, beginning at 7:30 p.m. There is a 75-cent charge to play and the game is open to the public.

Thomas Reynolds, who directs the game, said, "Everybody who enjoys playing bridge at home will find duplicate bridge even more exciting. I will be happy to explain the few simple differences at 7:15 p.m. any Thursday night. If you don't have a partner, come anyway, since partnerships can be arranged."

Last week's winners were Mrs. Jo Miller and Mrs. Vera Taylor, first; Mr. and Mrs. Lowell Scher, second; and Mrs. Mary Zucosky and Mrs. Lucy Rainone, third.

The bottle-neck on the environment is being broken by students at Mother Seton High School, Clark, where Alida Manganello, 14, spokesman for the Ecology Club, announced that more than 350 bottles have already been collected for recycling. She said that residents can leave used bottles at the school cafeteria from 7 a. m. to 4 p. m. Monday through Friday. Students are seeking to establish bottle-deposit centers at grocery stores throughout the township.

Dress Materials Center Opened By Huffman-Koos

A new dress fabric department opened Monday at the Huffman-Koos Furniture Clearance Center, east of Route 1 at E. Grand Avenue, Linden.

In addition to the new discount dress fabrics, the department will continue to carry a large quantity of decorator fabrics — closeouts, discontinued bolts and other special purchases from decorators and furniture manufacturers, plus remnants and leftover yardages from the Huffman-Koos custom workrooms.

The fabric clearance center is open daily from 9:30 a. m. to 9:30 p. m. and Saturdays until 6 p. m.

Gran Centurions Install Officers, Mark 5th Year

The Gran Centurions of Clark held their annual installation dinner dance in the Edison Country Club on Saturday.

The new officers for 1971 are: Otto Vernacchio, president; Charles Montagna, first vice president; Angelo Preite, second vice president; Angie Dios, secretary, and Tom Scalea, treasurer. The club historian and sergeant-at-arms are Adrian Feola and Ralph Ronundo respectively. The chairman and secretary of the board of trustees are Joseph Vella and Vincent Barone, respectively.

The membership also celebrated the fifth anniversary of the Gran Centurions. Mr. Vernacchio outlined the growth since the club's inception, noting that the enrolled membership now stands at 180 families. He also noted its accomplishments, both civic and social. In the civic area, he noted the scholarship awards program which has attained a level of \$1,500 per year. In the social area, he reflected on the sponsored dances, fashion show, Italian Festival and weekend jaunts to Las Vegas, Nev., in October 1970, and the Host Corral, Lancaster, Pa., in January 1971. He also stated that "a more rigorous year" is in store for the Centurions during 1971.

The members and guests were further enlightened on the Centurion's progress by information about the building and swimming pool construction program which is scheduled to start in the early spring of this year.

The Rev. Denis Whelan of St. Agnes Church gave a brief address, relating the roll of centurions in Biblical times. Father Whelan also offered the invocation prayer.

1970 Temperatures Were Average And Precipitation Above Average

When the Age of Aquarius descended upon us in January, 1970, it may have brought changes in our life style, but there was no difference in the weather.

The year brought average temperatures, slightly above average precipitation and typical snowfall, reports Harold D. Duflocq, meteorologist at the U.S. Cooperative Weather Station at Union College, Cranford.

In his annual meteorological summary to the National Weather Service, Duflocq reports temperatures ranged from 1 degree on Jan. 9 and 23 to a maximum of 95 degrees on Sept. 23. The average temperature was 53.2 degrees, only seven-tenths of a degree above normal.

The lowest monthly mean, noted Duflocq, was 24.4 degrees in January, 1970, while the highest was 75.6 degrees in July.

Duflocq says July 3, 1966 holds the record for the highest temperature at 101 degrees, while the thermometer dropped to an all-time low on Jan. 22, 1961, of minus 8 degrees.

2 Men Indicted On Firebomb and Assault Charges

Two men were indicted by a Union County Grand Jury last Friday for incidents that took place May 24, 1970 during the spring racial riots.

J. Hulise Homes, 29, of 981-B Leesville Ave., and Alonzo Halsey, 20, of 570D Capobianco Plaza, both of Rahway, were indicted on charges of assault on a police officer and possession of a firebomb.

In addition, the twosome were also charged before Superior Court Judge Walter L. Hetfield 3rd with atrocious assault and battery on a police officer, possession of an explosive and causing an explosion.

A patrolman from Winfield was the alleged victim of the assault, and his patrol car was firebombed on Leesville Avenue.

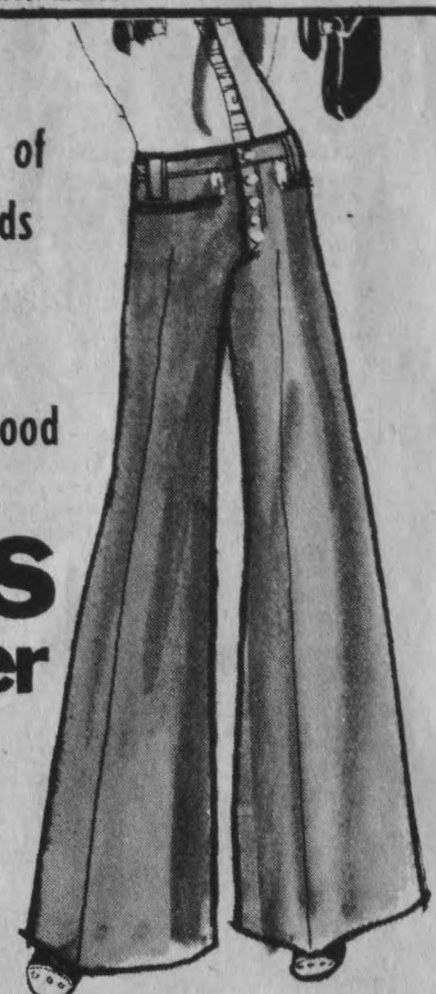

of rain fell.

Snowfall for the year measured 22.7 inches, with the greatest amount falling in January, eight inches. Feb. 15 was the whitest day of the year with four inches of snow. The greatest snowfall on record at the Weather Station, according to Duflocq, was Feb. 3 and 4, 1961, when 21.3 inches of snow was measured.

Of the 365 days last year, 101 were clear, 90 partly cloudy and 174 cloudy. Thunderstorms occurred on 34 days.

Realtors Hear Capt. John Hummel On Police, Citizen Cooperation

The Rahway Board of Realtors at its February general membership meeting heard Capt. John J. Hummel of the Rahway Police Department speak on procedures and general make-up of the local police department and the role a citizen can play in cooperating with the department. A discussion period followed the presentation. James Timko, the board's representative on the Community Relations Program initiated by the Department and a director of the Rahway board, was in charge of the program.

Eva Pascale, newly installed 1971 president, presided at the meeting. She announced the appointments of Edmond V. DelPrincipe as director to the state board; Dudley E. Painter, Jr. as tax committee chairman to the state and Donald Markey as a member to the membership committee of the National Association of Real Estate Boards.

A certificate of appreciation was presented to Stanley

Study of World Cultures On HS Students' Agenda

African face masks, a ballet set to music, film making and an authentic Japanese tea ceremony all have a part in the teaching of world cultures.

World cultures, the exploration of man and his culture through a study of his occupation, religion, the arts and his political institutions is a ninth - grade elective in the Union County Regional High School District No. 1, which includes Arthur L. Johnson in Clark.

The course of study is broken into five units "to develop a feeling of universality among men."

Selected as five of man's common characteristics are his struggle to survive, his concern for social organization, efforts to govern himself, his need to explain the unknown (religion) and the impulse to create.

With globes, maps, transparencies, filmstrips and selected readings, students explore the methods which man chooses to face daily the basic problems of survival. How does man's physical environment influence his economic development and how he organizes his economic life are the two major questions.

Much use is made of multi-media: slides, filmstrips, films, tape recordings and records.

For instance, the student may listen to a tape recording made by Peace Corps volunteers in Kenya, Nigeria, or Thailand or listen to folk tales of the tribes of Africa on record.

Others who helped make the show a success are: director Bart Zucosky, stage manager Elsie Sforza, costume director Louise Wandell, construction supervisor Thomas Cusmano, makeup artist Irene Paschenko, ticket chairman Dottie Long, and refreshment chairman Alexander Paschenko.

birth to death -- are captured on film by students. Pictures are taken of the beauty of nature -- and how man has destroyed nature. A piece of music is illustrated by student-produced still pictures.

Developing the student's appreciation of the arts and helping him to understand that man's impulse to create is universal is accomplished in a variety of ways. African face masks are made. Students paint, compose music, and write poetry.

"We encourage the student to participate," Miss Pauline Keith, social studies coordinator, said. "At

Professor to Be Speaker Monday Before NCJW

Norman Poppel, assistant professor of psychology and chairman of the department of social sciences of Middlesex County College, Edison, will discuss "How Children Learn to Think" at the bi-monthly meeting of the Central Parkway Section, National Council of Jewish Women, on Monday at 8:30 p.m. in Temple Beth El, Cranford. The meeting will be public.

Mr. Poppel, a resident of Cranford, held the position of school psychologist in that township and was formerly supervisor of child study in Fairview.

A question and answer period will follow his talk. Central Parkway Sections membership includes residents of Clark, Rahway, Cranford, Linden, Roselle and Colonia. Plans for the spring include an eye screening program for all pre-school children in the Clark Volunteer Emergency Squad building on Raritan Road, Clark, on Thursday, May 20. The program will be sponsored in cooperation with the New Jersey Commission for the Blind.

Pick Finalists Of 50¢ Millionaire Drawing Today

In order to clarify the identification procedure for the 50-cent Millionaire Lottery drawing, the State Lottery Commission announces that this applies only to the approximately 180 ticket holders who have serial numbers whose last three digits match the number which will be drawn today.

Those whose ticket serial numbers have only the last two digits of the number selected, are not eligible for the grand drawing which takes place at the Trenton War Memorial Building March 17.

However, these ticket holders, do qualify for a consolation prize of \$100. To receive this prize, they should file a claim form at any State Motor Vehicle Agency.

The 180 ticket holders with the last three correct digits in their serial number are the only ones who must identify themselves at a Motor Vehicle Agency by March 15 for the grand drawing on March 17 which they will be invited to attend. Ten of these will be picked as finalists, and three of this group will receive the top prizes --

\$50,000 a year for 20 years; \$20,000 a year for 10 years, and \$10,000 a year for 10 years. The remaining seven will receive \$10,000 in cash. For the remaining 170 of the semi-finalists there will be a cash prize of \$500. The grand drawing on March 17 is open to the public at large.

Mother Seton Regional School of Clark won its first game in the parochial division of the first NJISAA girls' basketball tournament in West New York.

The Setters had no trouble with St. Cecilia's of Englewood winning 45-36. Terry Ruth had 11 points for the winners. The Setters' record in 8-3.

High sets were the order of the day in the Rahway Ladies' Major Bowling League. The top pinner was Peg Orlando with games of 189, 153 and 214 for a 556 series and a 548 on lines of 211, 193 and 144.

High games were rolled by Charlotte Glaske, 202; Julie Crans, 191; Lil Christopher, 184 and 185; Mary Letso, 185, and Marie Punko, 180.

Prize Potato Chips took all three games, while doubles were scored by the General Technical Institute, Sponsoringless Swingers and Marwin Marine.

Zion Lutheran No. 1 moved seven full games in front of other Women's Church League teams with a sweepover the Mixed No. 2 team. Dor Cole had a 501 with two high games of 170. Phyllis Knorr of the leaders scored a 513 on lines of 174, 166 and 173.

Osceola Presbyterian dropped one game to First Presbyterian No. 1 while Peg Hoepfel's 202 high game and 523 high set were not enough to save Zion Lutheran No. 2 from losing, 2-1, to First Presbyterian No. 2. Trinity Methodist lead all the way to take three from St. Paul's.

Second Baptist and Second Presbyterian are tied for first place in the Rahway

Judy Drank of Clark and Mary DePasquale of Linden rolled 1,273 and 1,075 totals respectively, in the 27th annual Union County Women's Bowling Association championship at the Roselle Lanes.

The road to Fort Worth, Tex., awaits two Rahway amateur boxers as they prepare for the finals tomorrow night of the 1971 New Jersey Golden Gloves at the Elizabeth Armory.

Defending, 147-pound champion Len Hardin will face veteran Willy Capuano of Clifton. Hardin won a decision over an outclassed Stephen Sims of the Dukes in a semi-final match last week.

The other Rahway bantler will be Peter Brodsky of Ruthersford Street who will face Larry Jackson of Elizabeth Recreation for the open heavyweight title. Brodsky won his semi-final bout a technical knockout in 1:55 of the second round over Irvington's Tim Vorhees.

The New Jersey team will leave from Newark Airport, on Wednesday, March 17. The action at the National Golden Gloves will start on Thursday afternoon, March 18, at the Convention Center. Ray Hoagland and Dick Archer, both of this city, have been appointed managers for the team.

Seven young wrestlers, under the direction of James Heller and Al Knox, will compete in the first Union County AAU Junior Olympics

Rahway Wins Group III Track Championship As Jim Blackburn Sets Mark in 880-Yard Run

Jim Blackburn set a new record and Carlton Stewart tied a record as Coach John Moon's Rahway High School team won the Group III title field championship meet on Saturday in the Jersey City Armory.

Blackburn won the 880-yard run in 1:59.7 to smash the record of 2:00.6 set by Wayne Jenkins of Deptford in 1969. Stewart was timed in 6.3 seconds for the 60-yard dash as he tied the mark set by Bill Walker of Englewood in 1969.

Rahway's quartet of Rick Treadwell, Tim Solomon, Nate Austin and Ira Presley won the one-mile relay in 3:28.6. The foursome defeated the teams of Ferris High of Jersey City, Englewood, Tenafly and Iselin.

Other points were scored for Rahway by Bob Yorke, who finished third in the shot put, Austin, who was second in the 60-yard high hurdles, and Treadwell, second in the 60-yard dash. The shot put was won by Fred Aquino of New Milford with a heave of 53 feet 4 inches. Jeff Sokolik of New Milford was second. The high hurdles winner was Paul Ricciardi of Iselin, who was timed in 7.2 seconds, a new record.

A total of 29 points were scored by the Rahway Indians as they finished far ahead of Englewood, with 16 points. Other scores were: New Milford, 13; Tenafly, 12 1/2; Iselin, 10 1/2; Sterling, 8; Metuchen, 7; West Essex, 6; Deptford, 5; Ferris, Kearney, Ocean Township, Pascack Hills, South Plainfield and Wayne Hills, 4 apiece; Asbury Park and Raritan, 3 apiece; Bridgewater-Raritan West, Carteret and Morris Knolls, 2 apiece, and Red Bank, 1.

WINS TWICE ... Don Balogh of 683 W. Milton Ave., Rahway, competing as a member of the varsity wrestling team of Moravian College, Bethlehem, Pa., won decisions over wrestlers of Muhlenberg and Albright Colleges last week. Balogh, a freshman, has won seven matches, lost two and tied one at Moravian while wrestling in the 150-158-pound class. He is the son of Mr. and Mrs. Joseph Balogh. In the photo above, Balogh, at right, attempts to turn opponent for a quick pin. He won an 8-4 decision over his Muhlenberg foe.

Rahway 'Y' Swimmers Win NJ Division Title

Clark's Jayvees Lose in Tourney After Overtime

The junior varsity basketball team of Arthur L. Johnson Regional High School, Clark, forced the Jayvees of Roselle Catholic High School to play two overtime periods before succumbing, 73-66, in an opening round game of the Union County Conference Jayvee basketball tournament last week on the Roselle team's court.

The Clark cagers tied the score at the end of regulation time on Bob Parin's

basket and at the end of the first overtime session on Jeff Felter's goal from the corner. The Roselle Catholic five outscored the Clark team, 9-2, in the second extra period. Jeff Ryan tossed in two baskets for the winners.

Casey Hild scored a three pointer and Ed Buley hit from the 15-foot mark.

The box score: CLARK
Schwankert 8-0-16
Felter 4-5-13
Parin 6-1-13
Hurley 9-0-18

Wrestling Coach Named by Board

Richard Nolan was appointed wrestling coach for Rahway Junior High School by Rahway board of education at its meeting last week. The appointment was made effective as of Feb. 1.

Nolan, who succeeds Harland Siler, will serve as coach for the remainder of the season. The board directed that Siler be paid \$266.66 for his services and Nolan \$133.34.

Crusaders Bear-Hug Kenilworth

Clark's Crusaders split the 12 matches, but scored a 26-22 win over the Kenilworth Bears.

Clark moved in front when sophomore Dean Steele took the 123-pound match over Pacifi in 5:32; Dave Graca pinned Lamone in 1:19 and Frank Anese and Steve Stark won. The Crusaders were then in front, 21-9, and were never headed.

Crusaders Beaten In County Tourney By Cougars, 77-46

The Crusaders of Arthur L. Johnson Regional High School, Clark, were ousted from the 36th annual Union County Conference basketball tournament last week by the Cranford High School five and were beaten in a Watchung Conference game by the cagers of Governor Livingston Regional High School, Bekeley Heights.

Coach John Redfern's Clark cagers were knocked out of tournament competition by the Cranford High School Cougars, 77-46, on the Scotch Plains-Fanwood High School court. The victory was the third of the season for Coach Bill Martin's Cougars over the Crusaders.

The Cougars moved into a 9-2 lead quickly in the tournament contest. The points included four scored by Richie Mazzella on a pair of baskets. After gaining a 36-27 lead, the winners turned the game into a rout by scoring 17 of the next 20 points. Mazzella and a sophomore, Norm Hobbie, sparked the Cougar effort.

A Clark sophomore, Fred Keitel, tied Mazzella for the game's scoring honors. Each had 18 points. Hobbie also grabbed 13 rebounds.

Clark's season record after the game was 5-16. Cranford's was 16-5.

Zens Defeat Jayvees; Campana Still Leading

Ed Mc Donnell, Oratory High School basketball coach, paced the Zens to a 83-68 triumph over the Clark Jayvees in the Clark Adult Basketball League last week.

Steve Reeves chipped in with 14 points and Rich Loughey added 10 for the winners. The Clark Jayvees were headed by Pete Zarel, who ripped in 25 points and Frank Graborkowitz who hit for 16.

The second game on the card saw Paillard defeat Garwood Rest, 91-82. Paillard was headed by Bob Cook who hit a career high of 42 points beside controlling the boards. Larry Markowitz added 16 and Kevin Duggan, playing only one - half of the game, contributed 15 points to the attack. Garwood Rest was led in the scoring column by Bob Gleason, former Montclair State College star, who hit for 26 points. He was followed by Jim Carovillano who tallied 20 and Mike Bobertz who scored 17.

Campana Realty, which is composed of many former Crusader greats, disposed of the Deacons, 110-83. Campana was paced by its scoring ace, Chet Melli, who ripped in 29 points. He was followed in the scoring column by Joe Dunn who scored 20; Bob Blejwas, 18;

Bob Stankowitz, 17, and Hugh Rich Curry, who did yeoman work on the boards and found time to score 14 points. The Deacons were paced by Jack Jordan who scored 24 points, Bruce Henderson, 18; John Schmeling, 16, and Bob Suszko.

In a special make-up game last week, the Original Pals defeated the Zens, 95-56, in a game that was much closer than the final score indicated. The score was tied 32-32 at halftime but the Pals broke it open early in the third quarter. Andy Mytinger was the big point maker for the Pals, scoring 29 points. He was followed by Adam Florzak, who scored 19; Billy Kudrick, 13; Bob Griffith, 12, and Mike Marzano, 11. The Zens were paced by Ed Mc Donnell, who scored 15 points. Rich Loughey tallied 13 and Bob Laquila 12.

LEGAL NOTICE

THE BOARD OF EDUCATION OF THE TOWNSHIP OF CLARK, IN THE COUNTY OF UNION, NEW JERSEY

NOTICE OF 1987,000 BOND SALE

SEALED PROPOSALS will be received by the Board of Education of the Township of Clark, in the County of Union, New Jersey, at the Board of Education Office, Schindler Road, Clark, New Jersey, on March 16, 1971, until 8:00 o'clock P.M. at which time they will be publicly opened and announced, for the purchase of the following issue or issues of Bonds of said School District due (without option of prior redemption) on September 1 as follows:

1987 Bond Sale District Bonds, maturing in the principal amount of \$40,000 in each of the years 1972 to 1974, both inclusive, \$60,000 in each of the years 1975 to 1988, both inclusive, and \$27,000 in 1989. The Bonds will be dated September 1, 1970, and will bear interest at the rate per annum specified by the successful bidder therefor in accordance herewith, payable on the first days of March and September in each year until maturity.

All the Bonds will be of the denomination of \$5,000, except that the Bonds sold of any issue which mature in any one year in excess of the largest principal amount thereof equalling a multiple of \$5,000 will be of the denomination of \$1,000. The Bonds will be issued in bearer form with a single coupon attached for each installment of interest thereon, will be registrable as to principal only or as to both principal and interest reconvertible at the expense of the holder into coupon bonds, and will be payable in lawful money of the United States of America at the office of the Secretary of the Board of Education, Schindler Road, Clark, New Jersey.

Each proposal must specify in a multiple of 1/4 or 1/20 of 1% a single rate of interest which the Bonds are to bear, and no proposal will be considered which specifies a rate higher than the lowest rate stated in any legally acceptable proposal. The proposal must state the amount bid for the Bonds, which shall be not less than \$987,000 or more than \$1,000 in excess of said amount.

As a condition of sale, the successful bidder shall be required to accept for the amount bid the least amount of Bonds, the Bonds so accepted to be in any multiple of \$1,000 and to be those first maturing, and if two or more bidders offer to accept the same least amount, then to the bidder offering to pay the highest price, and if two or more such bidders offer the same highest price, then to one of said bidders selected by the undersigned by lot from among all said bidders. The lot winner shall also pay an amount equal to the interest on the Bonds accrued to the date of payment of the purchase price.

The right is reserved to reject all bids and any bid not complying with the terms of this notice will be rejected.

Each bidder is required to deposit a certified or cashed or treasurer's check payable to the order of the Board of Education of the Township of Clark, in the County of Union, New Jersey, for \$19,740 drawn upon a bank or trust company, and such check should be enclosed with the proposal. When the successful bidder has been determined, all such deposits will be promptly returned to the persons making the same, except the check of the successful bidder which will be applied as partial payment of the Bonds to be sold. If the Bonds are not sold, the check will be returned to the successful bidder. The Bonds will be delivered about 30 days after the date of sale at such place in New York City as the undersigned shall fix, or at such other place as may be agreed upon with the successful bidder.

Each proposal must be enclosed in a sealed envelope and should be marked on the outside "Proposal for Bonds" and if mailed, addressed to or in care of the undersigned at Schindler Road, Clark, New Jersey, 07066.

The successful bidder may at his option refuse to take the Bonds if prior to their delivery any income tax law of the United States of America shall provide that the interest thereon is taxable, or shall be taxable at a future date, for federal income tax purposes, and in such case the deposit made by him will be returned and he will be relieved of his contractual obligations arising from the acceptance of his proposal.

The successful bidder will be furnished, without cost, with (a) the approving opinion of the law firm of Hawkins, Deland & Wood to the effect that the Bonds are valid and legally binding obligations of said School District and that all the taxable property therein will be subject to the levy of ad valorem taxes to pay said Bonds and interest thereon without limitation as to rate or amount, and (b) certificates in form satisfactory to said firm evidencing the proper execution and delivery of the Bonds and receipt of payment therefor. The obligations hereunder to deliver or accept the Bonds pursuant hereto shall be conditioned on the availability and delivery at the time of delivery of the Bonds of the said approving opinion and of a certificate, in form and tenor satisfactory to said law firm and dated as of the date of such delivery, to the effect that there is no litigation pending or (to the knowledge of the signer or signers thereof) threatened affecting the validity of the Bonds. A copy of said approving opinion will appear on the Bonds.

Shades of Middle Ages

SHOWING THEIR TRUE COLORS ... Karen Anthony, left, and Valerie Widuch display the simulated tapestry which they painted on an old classroom window shade. Members of Walter Stevens' sixth-grade class at Frank K. Hehly School, the two copied an original from the year 1300. The work was enlarged from a tracing onto the canvas cloth via the grid system. The tracing was blocked off into 48 squares. The canvas, too, was blocked off into 48 squares, but in much larger proportions. After the tracing was copied onto the larger grid, it was painted.

175,000 Persons In NJ Receive Tax Exemption

An estimated 175,000 New Jersey residents will no longer be required to file income tax returns because of liberalized rules added to the law by the Tax Reform Act of 1969.

According to Roland H. Nash Jr., IRS district director for New Jersey, a single person is not required to file a return unless he had a 1970 income of \$1,700 or more. Previously, such a person had to file if he had an income of \$600 or more. Single persons 65 or over do not have to file a return unless they had \$2,300 or more income during 1970 instead of \$1,200 as in the past.

The increased filing requirements apply also to married couples, but only if they live together, file a joint return and neither is a dependent of another taxpayer. Such a couple, under 65, do not have to file a return until their combined income reaches \$2,300. If both are 65 or over, no return is due on income under \$3,500 or under \$2,900 if one of them is 65 or over. Married persons filing separately, how-

ever, are still required to file returns on incomes of \$600 or more, the same as in the past.

Persons with net profit of \$400 or more from self-employment must file and pay the self-employment tax, even though no income tax may be due.

Anyone not required to file but who had income tax withheld during 1970 must file a return to get a refund.

ALJ in Seventh Heaven With Mini- Planetarium

Even though the mini-planetarium is housed in the David Brearley Regional High School, Kenilworth, students at Arthur L. Johnson can use it whenever the occasion arises, George Barclay, district science coordinator said.

The eight-foot high, box-like machine, which can display the movement of the planets at exacting speeds on a self-contained screen, is worth about \$25,000.

The regional district, however, didn't pay a penny for this highly-sophisticated piece of machinery. It was donated to the school system by the manufacturer, who wishes to remain anonymous. Only three were produced. One is at the Air Force Academy.

By manipulating a series of dials, the planets may be seen revolving through the heavens. They can also be studied individually or in relation to the earth or the sun. The speeds can be slowed or speeded up.

In addition to watching the planets, the planetarium comes complete with a series of transparencies and photographs, including the surface of the moon, which are placed on the large spherical window.

Its value for science students is obvious, but the planetarium also has applications for mathematics (computing distances and speed for instance), and literature (derivation of the names of the different constellations).

"We'll have to transport students to the David Brearley building because the planetarium's size prevents us from moving it from one building to another. We want the instructors and students to make full use of the machine," Barclay said.

He added that the planetarium had to be placed in a small room next to a science classroom.

Science instructors Richard Fernandez and Jerome Mandel are learning how to operate the machine because a technical manual was never written for it.

"They will end up writing the manual for other teachers," Barclay said.

The planetarium was obtained through the efforts of both Barclay and Dr. Warren M. Davis, superintendent.

"We realized its capabilities, but it was just too expensive," Dr. Davis said.

Safeguarding marine life through years of research.

Shad being fed capsule containing miniature radio transmitter, equipment will then follow fish's movement.

Biologist analyzes one of the many microscopic specimens found in the Delaware River and nearby creeks.

Dr. Edward Roney, Professor of Zoology at Cornell University and one of the nation's leading marine biologists, heads Public Service's survey team.

Near the construction site of our Salem Nuclear Generating Station on the Delaware River, a team of biologists is carrying out an extensive marine life survey. The study started in 1968 and will continue for several years after the station goes into operation.

Fish are being caught daily, counted, identified and studied. Certain species of fish are tagged so their migration patterns can be learned. A small number undergo laboratory analysis. In addition, samples of vegetation and plankton from the river and nearby creeks are taken so that every form of marine life is included in this study.

All this is being done by Public Service to help safeguard the ecology of the river and to provide scientific proof that marine life in the area of our Salem station will remain essentially unchanged. It's one more way of saying we believe "a better environment is our business, too!"

Major Applebaugh Gets 2nd Viet Flying Cross

U. S. Air Force Major Robert G. Applebaugh, son of Mr. and Mrs. G.N. Applebaugh of 49 Kathryn Street, Clark, has been decorated with his second Distinguished Flying Cross for action in Vietnam.

Major Applebaugh distinguished himself by extraordinary achievement as an F-100 Super Sabre pilot when he supported allied ground forces under a fierce attack near Dak Seang Special Forces Camp. Despite intense antiaircraft fire, he made repeated low altitude passes to halt the attack.

The major also received his third through 17th awards of the Air Medal for sustained aerial achievement and the Vietnamese Cross of Gallantry with Bronze Star for his outstanding service to the Vietnamese Armed Forces during his combat tour at Tuy Hoa Air Base.

He was honored at Langley AFB, Va., where he now serves as an air operations officer with a unit of the Tactical Air Command.

Introducing the good "bad check."

Now you can write a check bigger than your balance and Franklin State will make it good. We call it "Prestige Checking." Greater love hath no bank in New Jersey.

Franklin State has worked out a way for you to face this money-oriented world of ours with a perpetual smile on your face. And money in your pocket.

Because now, you can write a check bigger than your balance and Franklin State won't let it bounce. Automatically, you'll be able to draw on a line of credit from \$500 to \$5500.

It's yours. To use or not to use. As you wish. There's no charge if you don't use it. But it's always there when you need it.

For that unexpected "rainy day." For a warm trip to the sun some cold winter weekend. For that "sudden urge" to buy something you know you can't live without. Or maybe... just for some old fashioned peace of mind.

And that's something you can't beat for love or money.

What's more, there's no minimum balance required. You can write all the checks you want, free. You pay nothing for monthly statements. And there's no service charge.

Plus at the end of every month, if you wish, we'll automatically transfer funds from your checking account into your savings account. There's no charge. And your savings can grow fast! Fast!

Fast! In other words, painlessly.

Pure and simple, it's the ultimate checking account.

It's absolutely free checking. With the added luxury of being able to become a bit "unbalanced" whenever the urge comes over you.

Come in or write for an application. Franklin State's Prestige Checking Account. A good thing to have. When you have to write a "bad check." Whoever said money can't buy love?

Franklin State Bank. We love you. For your money.

THE RAHWAY SAVINGS INSTITUTION Celebrates a Very Important Event!

THE RAHWAY SAVINGS INSTITUTION
1500 IRVING STREET RAHWAY, N. J. 07065

120th ANNIVERSARY

To The Citizens of Rahway and Neighboring Communities:

One hundred and twenty years ago, on March 12, 1851, The Rahway Savings Institution was founded by a group of civic-minded citizens who were convinced that Rahway and its neighboring communities would develop into a thriving area, both residential and industrial. They realized that there would be a great need for financing of houses as the population grew. This presented a challenge, as well as an opportunity, to serve the needs of deserving residents and potential residents. They accepted the challenge and laid the foundation for the exceptional banking service for which the bank has always been known.

Time has proved that these far-sighted citizens were correct. Today, The Rahway Savings Institution is one of the strongest banks in New Jersey. It has assets of over \$34,000,000.00, deposits of over \$30,000,000.00 and mortgages of over \$26,500,000.00.

Construction of the present building in 1928 was a great event for both the bank and the City of Rahway, and it was expected that its facilities would be adequate for many years to come. However, after some forty years, they no longer fill the requirements necessary to give depositors the service and convenience to which they are entitled and personnel, the equipment and space to provide dedicated, efficient performance.

To provide what is needed in these circumstances, the Board of Managers has taken positive action. The Board has purchased and is having demolished four stores adjacent to the present building, has bought land to complete ownership from Irving Street to Campbell Street, and has commissioned an architect specializing in bank planning to prepare plans which will give Rahway one of the most modern banking facilities in this area. The new building will be twice the size of the present one and will be designed to assure efficient service to our depositors. There will be three drive-in windows, a walk-up window, and a night depository. There will also be ample parking space for our depositors and other customers. As always, our staff will continue to endeavor to serve our depositors and other customers with friendly efficiency.

Our entire organization, from the Board of Managers to our custodian, is looking forward to our future facilities as a means of serving you even better than in the past.

Sincerely yours,

James Smith
