

## Schedule Referendum On School Expansion Totaling \$4.7 Million

A referendum to seek approval of plans to construct additions to four schools, including Arthur L. Johnson Regional High School of Clark, in Union County Regional School District No. 1 will be held on Tuesday, May 4, the regional board of education has announced.

The board stated that "only the most critical needs to relieve overcrowding" will be included in the referendum. The cost of the expansion will be \$4,730,000, which is \$2,245,000 less than that for an expansion program submitted for voter approval last May and defeated.

"The board has attempted to respond to the wishes of the taxpayer for more economy by cutting its construction priorities to the barest bone," a spokesman for the school board said after the March 16 meeting when the referendum date was set. The project would provide for new classrooms, a new

## State Taxpayers Sent \$9.7 Billion To Washington

New Jersey taxpayers will have to pay more than \$9.7 billion in taxes, or \$1,376.80 per person, to meet the state's share of President Richard M. Nixon's proposed federal budget for the fiscal year 1971-72, according to the State Chamber of Commerce.

Union County residents' share of the federal tax payment would be \$849,190,000, which is 8.7 per cent of the state total. New Jerseyans will pay 4.26 per cent of all federal costs, based on the figures of the state chamber, under the President's proposal.

The highest portion of the federal tax money will be used for national defense. The amounts and percentages of the total tax money to be paid by Union County residents follows: National defense, 33.8 per cent, \$287,142,000; welfare and income security, 26.5 per cent, \$225,009,000; interest on federal debt, 8.6 per cent, \$72,933,000; health programs, 7 per cent, \$59,307,000; commerce and transportation, 4.8 per cent, \$40,515,000; veterans' benefits, 4.6 per cent, \$39,428,000; education and manpower, 3.8 per cent, \$32,627,000.

Agriculture and rural development, 2.5 per cent, \$21,505,000; housing and community development, 2 per cent, \$16,653,000; natural resources, 1.9 per cent, \$15,722,000; international affairs, 1.8 per cent, \$14,940,000; space research, 1.4 per cent, \$11,670,000; general government, 2.2 per cent, \$18,409,000.

The total school, county and municipal property tax levy in Union County last year was \$158,159,000. The state total was in the amount of \$1,967,618,000. The per capita local property tax in Union County last year was \$293 and in the state it was \$277.30.

## Council Seeks End Of No Deposit, No Return Bottles

Clark councilmen unanimously approved a resolution at last Wednesday night's meeting requesting the state legislature to prohibit the use of "no deposit-no return" beverage bottles in the state.

Fourth Ward Councilman Robert Roman said members of the Fourth Ward Democratic Club and the Citizens Advisory Committee were instrumental in suggesting the ordinance. John Cutrof the citizens group was commended on his endeavors on a similar law for the township. Democratic Councilman-at-large John Pisansky said Third Ward Republican Councilman Bernard G. Yarusavage also worked on the idea, and Mr. Yarusavage's absence prevented his commenting on the matter. The Third Ward councilman is recuperating from an operation to repair cartilage damage in one of his legs.

library and a larger cafeteria at Arthur L. Johnson High School.

The new construction would relieve the classroom squeeze in the regional district through the mid-1970's. Enrollment increases for the regional schools are anticipated.

The costs of the proposed additions at each school are as follows: Arthur L. Johnson Regional High School, \$1,643,000; Jonathan Dayton Regional High School, Springfield, \$1,902,000; Spring Livingstone Regional High School, \$590,000, and David Brearley Regional High School, Kenilworth, \$595,000. "We're building for one reason and for one reason only—the students," the board spokesman stated. "They must be given adequate facilities in which to learn." It was pointed out that the board has been forced to use temporary classroom units and substandard space to ease overcrowded conditions.

Alternatives to an expansion program has been studied by the board. The alternatives include the possibility of having more temporary classrooms, split sessions and a 12-month school year.

Only Clark and Berkeley Heights voters supported the expansion plan placed before the regional district at a referendum on May 12, 1970. Clark approved the proposal, 463 to 434, and Berkeley Heights, 1,161 to 609.

The other votes were: Kenilworth, 249-83; Garwood, 76-67; Springfield, 769-757; and Mountainside, 1,230-293. The total for the district was 2,832 in favor and 3,367 against.

## UC Trust Leases Clark Building

The Union County Trust Co. has leased 6,000 square feet of office space at the corner of Central and Terminal Aves., Clark, for the operation of a branch office.

The bank was granted a variance by the township council to operate a banking facility at the location several months ago. Leasing transactions were handled through R. E. Scott Co., Realtors, Elizabeth.

## DE Pupils In Shore Spotlight

Six Distributive Education students from Arthur L. Johnson Regional High School attended the State leadership conference at the Hotel Traymore, Atlantic City. They were Joseph Brennan, William Givney, James Griffin, Edward Kucharski, Barbara Martin and Beverly Van Buren.

Mrs. Barbara Ullom, teacher - coordinator, accompanied the students to the conference.

Eight hundred DE students from New Jersey participated in workshops, contests and the election of state officers for the 1971-1972 school year. Those from Johnson Regional entered the following contests: miniature display diorama, supermarket cashiering, poster, merchandise mathematics and display.

Prizes for the contests were presented at the awards banquet. Out of 137 entries in the display diorama contest, Beverly Van Buren earned an honorable mention with her miniature display window for a women's dress shop using the moon walk as the theme. Joseph Brennan was a third-place finisher in the supermarket cashiering contest. In the drawing for door prizes, Barbara Martin won a portable television set.

Distributive Education is a cooperative work experience program for students interested in merchandising, marketing, management and service operations. It is offered in the business department under the direction of Miss Eleanore M. Murphy.

## Township Budget Increasing Taxable Amount About 47% Is Approved 6-0; Mayor Lambasts County Budget Hike

A township budget which raises the amount to be collected by local taxes about 47 per cent was unanimously approved by councilmen, 6 - 0. Third Ward Councilman Bernard G. Yarusavage was absent, recuperating from a cartilage operation in one of his legs.

Last year after appropriations and revenues were reconciled, the 1970 budget required the raising of \$485,424.24 in local taxes. This year the amount is \$713,581.64.

The total amount of the municipal budget last year was \$1,875,155.40, while this year it rose to \$2,116,684.50.

The tax rate had been scheduled to go up 122 points but after the final adjustment, the rate was lowered eight points to 114. Council President A. Charles Walano explained.

The final adjustment was the \$53,000 reduction in the school budget which was made at the March 8 special meeting of the council.

Several citizens were highly critical about soaring levels of municipal spending, although councilmen were quick to respond that many of the expenses in the budget were mandated and totally out of their control.

Fourth Ward Councilman Robert Roman said councilmen

were also taxpayers and would also have to bear the cost of tax increases.

Small votes in school elections were to blame for much of excess spending, Second Ward Councilman Richard C. Burger said. He pointed out that less than 10 per cent of the registered voters go to the polls in local school elections and less than 5 per cent in regional school elections.

Mr. Burger said voters had some control over much of the spending in these budgets and did not avail themselves of the opportunity to have a voice.

Seeing his taxes double in six years, Marion Adamusinski of 507 Oak Ridge Road criticized the inclusion of "Other Expenses" line items in the budget. He asked what they were and observed they could be pocketed.

Township Auditor Frank E. Suplee said councilmen have a complete breakdown of each line item in the budget, including "Other Expenses" lines. He told Mr. Adamusinski that he could obtain a further breakdown of expenses by consulting councilmen. Mr. Suplee said the budget used at council meetings was intended for publication, not for detailed breakdowns.

The Union County budget as prepared by the board of freeholders was censured by Mayor Thomas A. Kaczmarek who

## 450 Have Signed Petition in Opposition To Hotel, Office Building, SCA States

More than 450 signatures have been obtained on petitions opposing the construction of an eight-story hotel and an eight-story office building at Valley Road and Walnut Avenue, Clark, it was reported at the meeting of the Southwest Civic Association on Monday night in Frank K. Hehnl School.

Petitions are still being circulated against the proposal by Billman Fifteen of East Orange for erection of the hotel and office building at an estimated cost of \$7 million. The site is in an industrial zone.

The board of adjustment, after a lengthy hearing, recommended to municipal council that a variance be granted to Billman Fifteen. The variance is required because of the proposed change in the use of the property, known as 1 Walnut Street, and because the plans call for buildings higher than permitted by the township.

The council, after receiving the board's recommendation, voted to remand the Billman case to the board. The council said that testimony received was insufficient and that further hearing was necessary.

Tax Assessor Frank W. Naples, speaker at Monday's meeting, was questioned about the amount of money the Billman project would provide for the township treasury, if it is built.

## Pupils Set To Stage Musical

(Photo on Page 2)

Rodgers and Hammerstein's musical, "South Pacific," will be presented by Arthur L. Johnson Regional High School of Clark today, tomorrow and Saturday in the school auditorium. Curtain time today will be 7:30 o'clock and 8 o'clock tomorrow and Saturday.

Adult tickets are \$2 each and student tickets are \$1.50 each. Tickets will be sold at the door. Tonight's performance will be open to elementary school pupils who will be admitted for 75 cents each.

The leading players are Gail Holden, who has the role of Nellie Forbush, and George Palaya, who plays Emile de Beque. Miss Holden, a senior, has been a member of the school choir since her sophomore year and last year was in a musical, "The King and I." Mr. Palaya, also a senior, is a member of Bel Canto. He also was in "The King and I."

Other top roles are being played by Steve Kulbaba, who is Luther Billis; Alan Oatley, who is Lt. Joe Cable, and Robin Firkser, who is Bloody Mary. Mr. Kulbaba, a member of Bel Canto, was in "Carnival" and "Carousal," other school productions. He is a senior.

The musical is being staged by Mrs. Sharon Weiskopf, drama teacher; Andrew Jupina, band director, and Miss Polly Novak, vocal music director. The choreographer is Karen Kelter, a senior. Judi Starger is the student director.

The musical is adapted from James A. Michener's "Tales of the South Pacific." The musical relates the story of romance between a Navy nurse and a Pacific Islander during World War II.

## Bit of Hawaii in Clark to Be Scene Of St. Agnes Society's Fashion Show

For those who won't be in Hawaii on Thursday, April 15, there will be a little bit of the islands on that date at the annual card party and fashion show of St. Agnes Rosary Society in Mother Seton Regional High School, Clark. The event is scheduled to begin at 8 p.m.

Decorations will be Polynesian. Exotic flowers, palm trees and travel posters depicting scenes of Hawaii will add to the decor and hostesses will be attired in colorful muumuu and leis. Fashion models will be from Nan's Fashion Shoppe and Argand's.

## Selon Girls Will Hear Talks on Health Careers

A Health Careers Program is being planned for all freshmen and juniors of Mother Seton High School, Tuesday, March 30. The program will be provided by Rahway Hospital as part of its annual endeavor to attract students of local high schools into the health field.

John L. Yoder, director of Rahway Hospital, will give the keynote speech at 12:30 p.m. This will provide an overview of present available work in the health careers and will also present a perspective on anticipated future developments. After his talk, representatives of different careers will be assigned separate classrooms to discuss their particular careers with the students. Each girl will be able to attend two different career meetings of her choice.

## Add Six Firemen To Volunteer Unit

Council resolved unanimously to name six men to the Clark Volunteer Fire Department.

They are: Michael Cordasco of 41 Denman Avenue, Harold Baton of 230 East Lane, George Esposito of 217 Lexington Boulevard, Walter R. Kawko of 333 Willow Way, Howard Payne of 310 Parkway Drive and Einar J. Tyvela of 73 Emerald Place.

Assessor Naples replied that it had been estimated that the hotel and office building would give the township \$200,000 a year in tax money. Judging from figures submitted and the project specifications, Assessor Naples said, the amount should exceed \$200,000.

The tax assessor, during his talk, pointed out that Clark has a total of 4.49 square miles and is 90 per cent developed. He said 36 per cent of the land is used for residential purposes; 27 per cent for schools, churches, cemeteries and parks; 16 per cent for streets and highways; 8 per cent for industrial purposes, and 3 per cent for commercial purposes.

Apartment house sites are included in the commercial classification, Tax Assessor Naples explained. He noted that Clark has 818 apartment units. Clark had 2,747 residences and a population of 12,195 in 1960 and now has 4,420 residences and a population of 18,829, he stated.

Clark's property tax revenue is provided by homeowners, who pay 72 per cent, and by industries and commerce, which pays 28 per cent, according to the assessor.

Tax Assessor Naples said the township's tax rate will not be certified by the Union County Board of Taxation until April 1 but that the tentative rate is \$9.31 per \$100 valuation, which represents an increase of 114 points over the 1970 rate. He explained that the additional amount the owner of a \$20,000 home would have to pay would be \$114.

Councilman-at-large John Pisansky, First Ward Councilman John Bodnar and Louis Wollman, board of adjustment chairman, were among those present.

Boys and Girls Shoppe, both of Clark. Featured for women will be sportswear, casual dresses, evening wear, pants suits, both casual and evening, and the new hot pants. Children's styles will be for toddlers through the pre-teens. Models will range from young children to grandmothers, and the fashions will display a great deal of variety and originality. Fashion commentary will be by Mrs. John Reuter. The models will be Rosarians and their children.

The Rosarians will award first prize, a \$400 gift certificate from Bamberger's, to a lucky person at the event. Other prizes will be a lamp clock radio and a Kodak Instamatic camera.

The chairmen are Mrs. Jack Gigantino, a former president. Mrs. Martin Scurra is vice chairman. The committee includes: Decorations, Mrs. Norman Marcocci; flowers, Mrs. Stephen Drenkowski and Mrs. Frank Yash; models, Mrs. Stephen Truncale; posters, Mrs. Bernard Fallon; prizes, Mrs. Edward Cooney; programs, Mrs. Louis Baar; publicity, Mrs. John Hopkins; contest on premises, Mrs. Philip Mirizio; contest on premises, Mrs. Joseph Alacchi; refreshments, Mrs. John Arbeny; stamps, Mrs. Edward Florek; tickets, Mrs. Robert Barnett, and wardrobe, Mrs. Frederick Schieferstein and Mrs. Wilfred Schieferstein.

Tickets are \$2.50 and may be obtained from members of the committee or from Rosary promoters. All proceeds of the card party and contests will go to the St. Agnes Parish Fund. Mrs. Fred Czarniec is president and the Rev. Denis J. Whelan, pastor of St. Agnes, is the moderator of the society.

## Regional District Vote To Elect 3 Members

Registered voters in Clark, Berkeley Heights and Springfield will go to the polls next Tuesday to choose a representative for a three-year term to the Union County Regional High School District Board of Education.

The polling places will be open from 2 to 9 p.m. in each of the three municipalities. Manuel S. Dios, president of the board, is running unopposed in Clark.

The Berkeley Heights incumbent, Edwin Little, vice president of the board is being opposed by Richard Light. Three Springfield residents are seeking the seat

## Oppose Move to End Bus Service on Route 54

Bus service on Route 54 should not be discontinued. So stated councilmen at their meeting last Wednesday in the municipal building. The vote was five for, none against, and Second Ward Councilman Richard C. Burger abstaining.

The resolution said that Public Service Coordinated Transport Company had petitioned the Public Utility Commission to permit the discontinuance of service on its Perth Amboy-Westfield bus route 54 which runs through Clark.

Copies of the resolution were authorized to be sent to the Public Utilities Commission and Public Service Coordinated Transport Company.

felt the expenditures were too great. He said the \$80,000 reduction in a \$33 million budget was a drop in the bucket and noted that heavy welfare expenses and increased salaries and wages were the reason for the \$5 million hike in the 1971 county budget over 1970.

The mayor said he and First Ward Councilman John Bodnar attended the county budget hearing, but he added that no Clark residents were on hand.

Mr. Bodnar was at odds with spending levels in the Union County budget. He said that data processing in one department had actually resulted in an increase in the number of employees. He said there were 90 new jobs in the county, including 36 new employees at Ruml's Hospital. He noted that both the welfare department and the county prosecutor's department were given 25 new employees each.

All in all, Mr. Bodnar said the expansion pushed the county budget up 23.9 per cent. The mayor added that Clark pays for \$1 of the \$33 million in the county budget.

Sol Sern of 11 Sandalwood Drive asked, "What can a citizen do to hold down costs in regional, local school and freeholder expenses?" He was told to vote in school budget elections and to choose candidates who espoused tax policies reflective of taxpayer interests.

"Can't we secede?" Mr. Sern asked. Morris Barnett, board of education attorney, said that there is currently Senate Bill No. 1098 which would establish a system whereby communities could leave the regional school system. He also noted that the attorney general thinks the bill is unconstitutional and that further public hearings would be held.

Mr. Barnett said that the bill would propose vast problems, such as what to do with existing school structures and what governmental body would assume the bonded indebtedness. Comparing association with a regional district to the state of marriage, Mr. Barnett stated, "as it stands today, there is no way of getting out."

Extending the metaphor further, Mr. Sern said there must be some way to get a divorce.

Councilman-at-large John Pisansky said the entire functions of government are being obscured and impeded by red tape and that even simple flood control improvements, like that concerning Pumpkin Patch Brook, had to be done locally or they would be stalled to an indefinite date.

In response to a question by Al Hyman of 191 Orchard Terrace, Mr. Pisansky said money for the maintenance of the Pumpkin Patch flood control project included in the capital improvements project. Mr. Hyman said that silt is rising in the brook again, and action should be taken before the heavy rains.

Rose Miller of 110 Delia Terrace said council should find ways of exempting retired persons from excessive tax increases, because their incomes are fixed and low. Mr. Pisansky recognized her "gripe" was legitimate, and council would take her opinions to mind.

The mayor said mandated costs would not go away and council and he must find new ratables such as those resulting from the construction of multi-story buildings.

The mayor pleaded for time to organize material and put together necessary changes in municipal ordinances to allow for zones where high-rise construction would be beneficial and provide "suitable ratables." Mr. Walano added that "aesthetic values will not be destroyed."

Miss Erma Worm of 21 Gibson Boulevard returned to council charging the Soda Barn had not cleared up its collection of bottles. She said the bottle piles house rats and degraded the area.

Arnold Bader of 18 Meissner Way was told by Mr. Walano that a complete report of the lower court decision against their contractor and grounds from which an appeal was being taken would be given to Concerned Citizens of Canterbury Gardens. Mr. Bader said that violations on their homes had still not been corrected.

In a statement read in his absence, Mr. Yarusavage said the 1971 municipal budget provides flashing warning lights for school zones, better street lighting, funds for salary negotiations, and equipment purchases in the public works, police and fire departments.

He said council should seek new ratables, and "we have to be courageous enough to have all property, industrial, commercial and residential, re-evaluated."

Raffles licenses were granted to the Columbian Auxiliary of Clark, Mildred Terrace School PTA, Clark Little League Auxiliary, Auxiliary of Clark Volunteer Emergency Squad and the Clark Jaycee-ettes.

## Night Parking by Trucks, Street Parking in Snows, Buses Nixed by New Laws

Council adopted two road ordinances last Wednesday night which had been introduced at its Feb. 16 meeting.

One bans parking on all municipally owned roadways during snow emergencies, and the other prohibits bus and truck parking on streets or sections of streets in the township from 9 p.m. to 6 a.m.

Any vehicle found violating this ordinance will be hauled away at the owner's expense. Violation could also expose him to a maximum fine of \$15 and/or 15 days in jail.

Signs will be erected informing the public of some of the provisions of the new law.

Exempted from the ordinance's rules are commercial vehicles of the passenger type less than two tons unloaded weight and any "public utility vehicle as described in Section 48:2-13 of the Revised Statutes of New Jersey when such vehicle is being used to perform services which it is authorized by law to perform."

A no-stopping-or-standing-any-time ordinance was adopted for portions of Terminal Avenue. Second Ward Councilman Richard C. Burger said the ordinance had been worked out by the township's police department and especially Sgt. Fred Asai and members of both council's safety committee under the direction of Councilman-at-large John Pisansky and the Clark Industrial Division of the Westfield Area Chamber of Commerce.

Any person found parking his car or standing in violation of the terms of the ordinance will be subjected to a maximum fine of \$15 and/or 15 days in jail.

The ordinance also provides that towing and storage of vehicles found to be in violation will be charged to owners. James Donovan, a part owner of Jack Ruddy's Sports Center, protested the making of Schindler Road a one-way street southbound for its entire length, from Broadway to Westfield Avenue. He said that the claims by the township's safety committee and school officials that the present two-way traffic flow constituted a hazard were inaccurate. He said children had no way of entering Abraham Clark School from Schindler Road and that having all traffic one-way would contribute to already heavy traffic conditions on Westfield Avenue. His store is located at the corner.

Mr. Donovan said he would not place the success of his business above the safety of children, but added that his business would be hurt unnecessarily because no hazard would be corrected by the measure.

The change in the traffic flow was requested by the board of education, the safety committee, and the police department.

Fourth Ward Councilman Robert Roman told Mr. Donovan the resolution would run for 90 days.

The forms of entertainment included skits and musical numbers and ran the gamut from humorous to satirical to serious.

## Martin Declares Additional Jobs Were Necessary for Operation of City

Addition of new employees to the City of Rahway payroll was defended last week by Mayor Daniel L. Martin in a press conference held in his office at City Hall.

Mayor Martin declared that he believes the new jobs were necessary for the operation of the city. He added that there had been a decrease in services in past

years and that "a lot" of new jobs were needed.

Three men will be added to the First Department roster as a step toward reducing the firemen's work week which now is 56 hours. The city clerk's office will gain two - thirds of an employee by the addition of another person to the staff, Mayor Martin said. He explained that last year a secretary

in the law department worked in the clerk's office one-third of her time.

Three laborers are to be added to the public works crew for curb and sidewalk replacement and repair, the mayor stated. The city will save money because bids for such work are two to three times the cost of the work when done by city employ-

ees, Mayor Martin said.

Mayor Martin continued by saying that the Clerk-stenographer added to the planning and building department staff was "let go" two years ago by the previous administration. An executive secretary has been hired for the mayor to work on administrative and research projects, Mayor Martin said, explaining that the secretary would replace a public relations man whose job was eliminated on Jan. 1. The mayor added that the expenses of the mayor's office would be \$1,400 less this year than in 1970.

An engineering aide employed now was assigned to the tax assessor's office last year, the mayor said. A maintenance man was added to the payroll because "wind-dows were not washed and floors had not been waxed" in the City Hall for four years.

Mayor Martin stated that the cost of the new jobs was \$45,000 which represents seven tax points. He explained that only one-half of the new firemen's salaries were included since it would be months before the applicants could be examined and the appointments made.

## \$348,000 in Loans

The board of directors of the Reliance Savings and Loan Association held their monthly meeting last Thursday at the association offices at 1525 Irving St., Rahway. President George E. Mensching presided. A total of \$348,000 in first-mortgage loans was granted.

Miss Mary Maget, daughter of Mr. and Mrs. Watson Maget of 414 Central Ave., Rahway, is now an employee

of Bamberger's, Menlo Park, where she has been assigned as part of her course of study at the Laboratory Institute of Merchandising. Miss Maget is a graduate of Rahway High School.

Mrs. Frank Kuberski of 626 Raritan Rd., Clark, has donated an American Flag to the Clark Volunteer Emergency Squad in memory of her late husband, Mr. Kuberski. The flag, now flying from the squad's staff, was given in response to an appeal by that organization.

Richard G. Schoel, Union County Republican chairman, announced the appointment of Mrs. Barbara Claman as chairman for this year's Republican Theater Party. Mrs. Claman, active as a Republican for 12 years, was sworn in recently as a commissioner to the Union County Board of Elections.

An annual springtime event for many years, the theater party is traditionally held at the Papermill Playhouse, Millburn. It gives party officials and rank-and-file Republicans an opportunity to get together on a social basis.

Mr. and Mrs. Kenneth Benes became the parents of a boy on Feb. 21 at Rahway Hospital. They live at 339 Lower Alden Dr., Rahway. On March 4, also at Rahway Hospital, a boy was born to Mr. and Mrs. Donald Curry of 493 Union St., Rahway.

Leonardi and Sharon Roman of 1809 Whittier St., Rahway, became the parents of a boy on Feb. 26 and Lec Constance Rohrer of 1899 Lufberry St., Rahway, the parents of a girl on Feb. 27. Both births were at St. Elizabeth Hospital.

## Harris Elected to 3-Year Term On Hospital's Board of Governors

Gordon S. Harris has been elected to the board of governors of Rahway Hospital, announced board president James Smith Jr. Mr. Harris was chosen to serve a three-year term. He resides at 610 Harris Dr., Rahway, and is president - treasurer of Marks Harris Lady Fair, the woman's division of the Main Street department store.

Mr. Harris was born in Jersey City Oct. 10, 1926. He was graduated from Rahway High School and Rutgers University and did graduate work at Rutgers and New York University. His undergraduate work was broken by two years in the Naval Reserve when he served in the South Pacific as quartermaster first class.

Gordon S. Harris  
NEW BOARD MEMBER

After receiving his bachelor's degree, he was employed as a securities analyst before entering the re-

tail field. In 1952, he joined the family retail clothing business established in Rahway by his parents, Marks and Rose Harris.

Mr. Harris is active in three Rahway organizations. He is president of the Rotary Club, past president of the Businessmen's Association, and director and co-campaign chairman of the United Fund. During Rahway Hospital's expansion fund drive, he served as memorial gifts chairman.

He and his wife, Louise, have three daughters. Twenty-year-old Meredith is a junior at Franklin and Marshall College. Nancy, who is 17 and about to be graduated from Rutgers Preparatory School, has been accepted at the same college. Thir-

## Marsh Calls 23% Hike in City Tax Rate by Democrats a 'Travesty'

"Depletion of surplus my foot," was the angry response of Rahway's former mayor John C. Marsh to an accusation by the new administration that he drained the surplus accounts of the city to minimize the tax increase in an election year.

Mr. Marsh branded the charge as "absolutely false." He went on to blister the Rahway Democratic administration for what he called "a wild spending spree that ignores the needs of the people and feathers the nest of the Democratic party faithful."

Mr. Marsh said Mayor Daniel L. Martin was quoted as saying that there are "seven jobs in the proposed city budget." Mr. Martin was said to have listed them as three new firemen, an aide in the city clerk's office, a maintenance man, three public works laborers, one clerk for the planning department and the mayor's executive secretary.

"That adds up to ten, according to my count," said Marsh, "but that's only the beginning." Mr. Marsh then cited another source announcing five more jobs not including the ones Martin named. These were assistant assessor, assistant engineer, planning director, truck driver and water treatment plant operator. The ex-mayor then pointed out that the Feb. 1, 1970 payroll showed 18 employees in the water department and 33 workers in the city yard. The payroll of Feb. 1, 1971, shows 28 jobs in the water department and 39 in the city year, Mr. Marsh alleged.

"In case they have difficulty with the count," said Marsh, "that brings us to 31. And there are still more. There is a secretary planned for the law department, new jobs in the recreation department, new jobs in the pumping station, new jobs in the library and even one for the mother of the mayor's executive secretary.

In case it slipped by," said Marsh, "the maintenance man who they call superintendent of parks and buildings is actually Patrick O'Donnell, the Democratic city chairman who I fired as dog catcher four years ago."

Marsh then turned his attention to the persistent criticism by Mayor Martin of him for having used city surplus in an effort to minimize tax increases in Rahway.

### Plan Campaign To Raise \$2,000 For Boy Scouts

The initial meeting for the Boy Scout drive to raise \$2,000 in Clark will be held tomorrow at 7 p.m. in the Franklin State Bank, Westfield Avenue and Raritan Road, Clark.

A steering committee will plan to raise money for troops which serves approximately 800 boys in the township. Business places and industries will be solicited for funds.

The chairman is George Gilbride. Members are Daniel J. Colangelo, Frank LaRusso, John F. Allaire Jr., James Polacco, John Bosch, William Helwig and Anthony Genise.

"The man is a hypocrite," said Marsh. "He has criticized everything from my practices to my integrity for having given the people of Rahway sound, honest economic government. Then he turns around and as one of his first acts causes \$100,000 of surplus from the water department and \$40,000 from the library department to be used to defray the cost of marching all these political hacks back into city hall. Transfer of surplus is the very thing he offers as the reason for blaming me for his spending spree."

"With all of the enormous increases they've piled into the budget," said Marsh, "they have neglected the people who need and deserve the money the most, I'm speaking of the police and firemen."

Marsh said that he was astonished to learn that the council had never met with city department heads to discuss "the largest, most extravagant budget in the history of the city." He explained that costs in all city departments have risen more than 12%. The budget which was discussed at public hearing on March 10 in final form was not even seen by the members of the council until a few minutes before the hearing opened, according to the former mayor.

"The can throw darts at me for their fumbling ineffectiveness," said Marsh, "if they think that's the way to run a city." Marsh declared, "I'll stand on my record. I eliminated \$155,000 worth of unnecessary jobs my first year in office. During my term, we had the lowest rate of tax increase in Union County, and the city share of the tax dollar went from 38¢ to 26¢, a record decrease. My first year, we actually had a city-wide tax decrease of 6%. We added \$10 million in industrial rates and \$16 million in total rates. We obtained an all-time record high in federal and state aid and tripled the road aid obtained by the previous administration. We got a \$560,000 railroad station for Rahway, a new downtown lighting system, a railroad clean-up

program and the list goes on," said Marsh. "Now, we've got a fumbling bunch of amateurs. But whatever you call the new city government, the old one was honest and effective. And it never would have considered imposing a travesty like a 219 point, 23% tax increase on the people of Rahway."

## Parking Bans for Buses and Trucks Improves Residential Neighborhoods

Parking by trucks and busses overnight in residential zones has been a dilemma for many Clark homeowners. Seeking the full enjoyment of their properties, they have been exposed to noise at unreasonably early and late hours and denied parking in front of their homes on many occasions.

It was well that the township council decided to ban overnight parking of busses and trucks over two tons weight unloaded. We know many homeowners will find the use of their homes improved by the passage of this ordinance, and its maximum fine of \$15 and maximum sentence of 15 days in jail will deter truckers and bus line owners from violating its provisions.

At the same meeting when the overnight ban was finally adopted, council also acted wisely to order street parking illegal during snow emergencies. The Union County Board of Freeholders has passed similar prohibitions and found that traffic on county roads has flowed much freer when cars are not parked in the streets, denying access to snow plows. Even wide streets with cars parked on both sides and snow piled against them create narrow roadways where the likelihood of accidents is increased.

In addition to the foregoing ordinances adopted on final reading, council introduced an ordinance to ban parking and standing on certain sections of Terminal Avenue which has been a nightmare for drivers. This action was taken on recommendation of the safety committee chaired by Councilman — at — large John Pisansky and members of the Clark Industrial Division of the Westfield Area Chamber of Commerce.

All of these actions toward regulated and safe traffic control demonstrate council's want to make Clark a better place in which to live.

## Looking Forward to Success

Conveyance of the titles to the first of three parcels of land in the Lower Main Street Redevelopment Area by the Redevelopment Agency to Lower Main Street Associates was good news to Rahway taxpayers.

The purchaser, a company which has 21 Meridian Rd., Iselin, as its address, has started construction of two 12-story apartment buildings in the redevelopment area near Main Street and E. Hazelwood Avenue. More than 1,000 piles have been placed on the project site at a cost of \$200,000 to the developers.

Rahway's downtown merchants should benefit from the construction of the 288-unit housing project. It is hoped that the proximity of the two buildings to the city's main shopping section will give an added shot in the arm to the business section. Changes in the business district in recent months have indicated that Rahway business may show progress in the years ahead and the city regain some of the business it has lost in past years.

The Redevelopment Agency received \$212,765 for the first parcel. The agency now is looking forward to sale of two more parcels to the developers so that the wasteland-appearance of many acres of the city will be a thing of the past.

Those long-suffering individuals, the taxpayers, should be cheered by the estimate that the \$7,665,000 project is expected to give Rahway approximately \$120,000 in tax money when the first construction stage is completed.

This is certainly a rosy picture for all taxpayers as well as for the merchants. Let's us hope that the first stage of the project will progress quickly and without incident and that it proves successful for the developers and the City of Rahway.

## Religious Devotion

By Rev. James W. Ealey

EDITOR'S NOTE: This is the ninth in a series of sermons by Rahway clergymen. This week's supplement was written by the pastor of the Second Baptist Church, 378 E. Milton Ave., Rahway.

"Wherewith shall I come before Jehovah, and bow myself before the high God? Shall I come with burnt offerings, with calves a year old? Will Jehovah be pleased with thousands of rams, or with ten thousands rivers of oil? Shall I give my first born for my transgression, the fruit of my body of the sin in my soul? He hath shown thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love kindness, and to walk humbly with thy God?" Micah 6:6-8.

\*\*\*  
Micah here is addressing people who were religious, but their piety did not involve goodness, nor their faith justice, nor their worship humanness.

Their life with God had no connection with their daily relationships. It did not make them better home-folk, friends, Christians, neighbors, or citizens. It just made them good—for nothing. They were able to segregate their moral concerns. In other words, they possessed that curious ability to keep Divine relationships in one compartment of life and their human relationships in another. The people seemed to have been the possessors of an unmoral religion. Their religion seemed to have made them worse, not better. (Read Isaiah 1:11-17)

What should have made them large made them little; what should have made them broad, made them narrow; what should have made them generous made them stingy and mean. It was a religion that had no attachment to serving people, thus the prophets and Jesus Himself abhorred it and both witnessed that it was an abhor-

rance to God. Such a religion has survived the physical lives of both the prophets and Jesus.

One of the most difficult errors to correct in the history of human thought is that neither service to man nor any moral righteousness whatsoever is essential to religion.

In wide areas of religious life, there has been a kind of segregation of our moral concerns that is not only deep rooted, but ruinous. The segregation being, to satisfy God is one thing, and to strive for righteous and helpful human relations is another.

It takes but a cursory study of the history of religious thought to discover the fact that in the past religion has spent most of its force on things that were apart from the real business of life, on sacrificing, on endless prayers, on traveling to Mecca, Jerusalem, or Rome, on kissing sacred rings and stones, bathing in sacred rivers, climbing sacred hills and stairs, and doing a thousand things that had no practical bearing on our relationship with men and their fellows. Surely our world would be a more decent and fraternal place in which to live if we as a people would place service in its rightful relationship to our religious devotion.

## LETTERS TO THE EDITOR

### Reader Appalled By 'Animal Pen' At Woodbridge

Last Tuesday, while shopping at the new Woodbridge Center with a group of friends, I was frankly confused as to whether I was in a shopping center or a day care nursery.

The thing that appalled me most was the "animal pen," where children can touch, pet, or mail the animals (whatever term you wish to apply to it) for 10 hours out of every day. The climax of all of this was the appearance of a story on the front page of one of the leading newspapers telling of the birth of a baby lamb at the Woodbridge Center. An animal, by nature, will seek a quiet and secluded place to give birth. This unfortunate creature did not have that prerogative. The newspaper envisioned this as something wonderful; however, the essence of it all was outright cruelty.

Any person reading this letter who has compassion for animals and would like to help can do so by writing to the Woodbridge Chamber of Commerce or the manager of the Woodbridge Center expressing their displeasure with the existing situation. My friends and I will not be making a return visit unless this matter is rectified.

Mrs. Agnes Morning,  
Member, N.J. Branch,  
Humane Society of U.S.

### Thanks Students For Aiding Drive

We want to thank all of the young people of the Rahway Junior and Senior High Schools who participated in our successful petition drive to save the Watchung Reservation from another federal highway.

The great percentage of over 10,000 signatures was collected by the students under the guidance of the Rahway Junior and senior science teachers. Those of us who live in the western end of the county, as neighbors of the Watchung, are deeply indebted.

Three cheers for Rahway's younger generation!

Jerry F. English  
President,  
Friends of Watchung

### Girl Scouts Give Thanks to City For Great Week

All the Girl Scouts in Rahway, young and not so young, wish to convey our heartfelt thanks to everyone for a very memorable Girl Scout Week, 1971.

First, to our hometown newspaper, The Rahway News-Record, for the excel-

and also that academic freedom clauses should be deleted from all teachers contracts so they can no longer "sabotage the inborn patriotism of American pupils."

It is not difficult to realize Mrs. Wachter is fearful of this countries' adversaries. Her solution would be to eliminate student exposure and indoctrinate students with glorious facts and accomplishments. Continuing, Mrs. Wachter states that if the breast-beaters of our country do destroy our way of life, "freedom in America would only be a fragment memory." Suggesting that eliminating such things as academic freedom in America would restore her idea of freedom? What is Mrs. Wachter's idea of freedom-blindfolded students in rank and file worshipping our flag and forefathers?

Does the fact that our system is working, people are speaking out, and people are protesting give reason for alarm-for the creation of laws to eliminate and repress them? Our system was created to represent the majority but to protect the minority. A system such as Mrs. Wachter foresees represents the majority and ignores or eliminates the minority. This is not freedom nor anything near it. It is as repressive as the Communist system she so much fears.

I love my country because I have the opportunity to sit in a classroom and discuss the problems of America. To no longer allow me this opportunity would only further define America as a repressive system. If our country gets to the point where more scorn it than love it, then it would be the right time for a complete reversal of our system—a revolutionary change. Presently, our country is far from that, Mrs. Wachter is bloating the size of the truly anarchist factions of our country. I only hope that deletions of academic freedom and various indoctrinations will not be created by the controlling factors of our society out of fear.

Having graduated from a New Jersey high school last year and not having taken that mandated course, Problems in American Democracy, I sincerely doubt Mrs. Wachter's sources of information. Besides Problems in American Democracy will never be solved unless they are discussed by the people who make up this so-called democracy. Finally, Mrs. Wachter's initial question, "Should patriotism be ridiculed in school?" No, it should not, but neither should left-wingers or dissenters be ridiculed for without them we would not have a truly free society.

Ronald Miller  
Tufts University  
Medford, Mass.

### Museum to Show Film About NJ

"This is New Jersey," a color, sound motion picture will be shown at the Union County Park Commission's Trailside Nature and Science Center in the Watchung Reservation on Sunday at 2 p.m.

On Sunday at 3 and 4 p.m., Donald W. Mayer, director of Trailside, will present a program, "Let There Be Light," in the Trailside Planetarium.

## Appoint Mrs. Simpson Services Unit Member

Mrs. Doris Simpson has been named to represent the Clark Board of Education at meetings of the Union County Educational Services Commission. The appointment was made by John Swintek, board president, at last week's meeting in the board's office building on Schindler Drive.

Mrs. Simpson, who is serving her second term as a board member, also is the representative to the Union County School Boards Association.

The Union County Educational Services Commission will meet tonight.

Thirteen teachers were awarded contracts for the 1971-72 school year. The board's action granted the teachers tenure. They are Mrs. Patricia Bross, Mrs. Marie Davey, Mrs. Joan Elmer, Mrs. Janet Enda, Mrs. Florence Muglia, Mrs. Jo Ann Roesch, Miss Bette Ann Tworowski, Mrs. Carol Vare, Mrs. Mary Ann Walsh, Mrs. Elaine Weinstein, Mrs. Phyllis West, Robert Henderson and Walter Miller.

The resignations of two teachers, Mrs. Catherine Ferugia and Mrs. Doris Baum, were accepted. Two other teachers, Mrs. Bonnie Vogel and Miss Ruth

Dengrove, were granted leaves of absence for the 1971-72 school year.

The board added seven teachers to the list of substitutes available for the present school year. They are Mrs. Diane Shoemaker of 1190 Lake Ave., Mrs. Janis Kurland of 80 Sweetbriar Dr., Mrs. Sybil Kappy of 93 Rutgers Rd. and Mrs. Barbara Rittenberg of 1210 Cellar Ave., all of Clark; Miss Anne Butler of 295 Hyslop Ave. and Mrs. Theresa Gonnella of 573 Downer St., both of Westfield, and Mrs. Ellen Gazzillo of 2412 Westminster Blvd., Parlin.

Mrs. Nancy Sasaki of 3 Iroquois Rd., Cranford, was placed on the list of school nurse substitutes for this school year.

The board approved a contract for Miss Barbara Du Beau, accounting clerk, for the fiscal year 1971-72.

James Turley of 446 Lexington Ave., Cranford, was placed on the list of cafeteria aide substitutes. Put on the list of cafeteria-kitchen worker substitutes were Mrs. Sue Maloney of 165 Valley Rd., Mrs. Harriet Cullinan of 62 Prescott Turn and Mrs. Virginia Maffei of 152 Riverside Dr., all of Clark.

## Free Schools in 1871 Also Had Money Woes

(This is another of a series of articles to commemorate the 100th anniversary of New Jersey's free public schools.)

Public schools cost money to build, run and maintain. Raising school funds was as much of a problem 100 years ago as it is today.

A variety of sources provided school funds a century ago. One was the fund for the support of the public schools, established by the 1816 Legislature. In 1871, it contained \$792,190 and was producing interest of \$35,000 apportioned to the public schools each year through the county government.

To this \$35,000 from the school fund, the Legislature each year was adding \$65,000, making a total of \$100,000 apportioned to local school districts through the counties.

A third source of funds from the counties was interest from surplus federal funds. In 1836, the federal government, not knowing what to do with all its money, divided surpluses from the national treasury among the states.

The Legislature entrusted New Jersey's \$764,670 to the counties for investment, the interest to go to public schools. Although some of the counties had disobe-

taxation equal to at least \$2 -- but not more than \$4 -- for every child in the township age five to 18. Within the state limits, this levy was set each year at the annual town meeting. Receipts could be used only for operating expenses, and the only two recognized purposes were teacher salaries and fuel to heat the school.

In addition, each school district within the township could levy a property tax for capital purposes, such as buying school land, repairing a school or building a new one. Such a tax required a two-thirds vote of residents at a district meeting.

Unless the local township levied the full \$4 tax, funds from these sources were seldom sufficient to run the public schools for the full nine-month academic year. Many New Jersey school districts either closed down when state funds ran out or extracted tuition from the attending students. Thus, the state had a system of "public" schools that were not always free.

Feeling that the parent should pay for his child's education, many citizens in 1871 opposed taxation for public schools. Despite the benefits to business, industry, and society in general, they denied that education was a responsibility of the state.

But "no - nothing" opposition was dying. After the Civil War, free public education swept the nation. Although last, New Jersey was ready to act in 1871.

## Gran Centurions Say Pool Will Be Complete Sometime In Late July

The Gran Centurions have restated their intentions to construct an Olympic sized swimming pool on a half-acre site on Madison Hill Road.

The civic group is composed of Italian Americans.

About 300 families will be able to use the pool, according to Joseph L. Vella, president of the board of trustees. The clubhouse will have shower rooms, a snack bar, a banquet hall to hold 400 and a lounge for members. A wading pool will also be

incorporated into the final design, and the entire project is anticipated to be completed by late July.

## Clark Boy Selected For Choir

Steven Michael Sinoradzki, son of Mr. and Mrs. Richard Sinoradzki of 87 St. Germain Dr., Clark, has been selected for membership in the America's Boy Choir, a group of six singers who will participate in a boy choir visitation and audition tour to western Europe in June.

Steven M. Sinoradzki attends.

Steven is a second soprano with the Clarktown Boys Choir, which is directed by Michael Pavone. He is in the fifth grade at Valley Road School. Besides singing, Steven attends the Ralph Evans Ice Skating School, Westfield, and is a member of the Clark Little League.

The American boys will attend school during stopovers in Couvin, Belgium; Strasbourg, France, and Montserrat, Spain, according to present plans, and each will enter a classroom of his own age group in each school he

## Winners Chosen To Enter Final Of Jaycee Event

David Brown and Henry Decker were selected to represent the Rahway Jaycees in the area final of the public speaking contest. The Rahway organization will be host to the area Jaycees at the final event. The program is sponsored each year to help members learn the art of self-confidence.

Mr. Brown and Mr. Decker were chosen at the contest held as part of the Jaycees meeting in the Rahway Italian American Clubhouse.

Projects for the year were discussed. Plans are being completed for a band competition, an event that was successful last year. The Jaycees are selling trash can liners. Carlos Garay at 381-8033 is accepting orders for the liners.

The Jaycees are seeking new members to assist with community projects. Young men who are interested in joining the organization may notify Mel Silverstein at 381-7806.

## Case Is Standing For President

Senator Clifford P. Case did President Richard M. Nixon a favor last week by laying a wreath on the grave of former President Grover Cleveland in observance of the late president's 134th birthday.

MEZZO-SOPRANO ... Miss Lois Kucharik, daughter of the Rev. and Mrs. Joseph D. Kucharik of 22 Evans Ter., Clark, participated in a recital at Susquehanna University, Selinsgrove, Pa., last Friday. Miss Kucharik, a junior, is majoring in music education and concentrating in voice.

The ceremony was conducted at Cleveland's resting place in Princeton.

Cleveland was the 22nd and 24th president of the United States. He was born in Caldwell in 1837 and retired to Princeton 60 years later where he lived in a home called Westland on Bayard Lane until his death in 1908.

## Assembly System Is 90% Effective

The elimination of the caucus system in the New Jersey State Assembly, as originally recommended by Peter J. McDonough of Plainfield, is "functioning at 90% effectiveness," according to a statement released by the assemblyman.

The new procedure, initiated in January, is "sev-

eral months ahead of schedule in terms of Assembly efficiency," he said, and the new system, which involves greater responsibility for Assembly standing committees, has eliminated much confusion and delay in the legislative process that were characteristic of the caucus system.

The ceremony was performed by the Rev. Edward M. Senko.

Miss Peggy Gumann was maid of honor for her sister. The bridesmaids were Mrs. Jane Fahrenfield and Miss

Adrian Schuster. The best man was John Barna, a cousin of the bridegroom. The ushers were Al Kanter and William Cady. Miss Nancy Szuch was flower girl.

A reception was held in the Town and Campus Restaurant, Union.

Mrs. Toth is employed by the Wadell Equipment Co., Edison. Mr. Toth is a Woodbridge policeman.

The couple will reside in Woodbridge after a wedding trip to the Virgin Islands.

## Mayor's Office Topic of Talk By Secretary

The monthly meeting of the Rahway Business and Professional Women's Club was held in the Claude H. Reed Recreation and Cultural Center, Rahway, last week with Kathleen Taylor presiding.

Joseph Hartnett, executive secretary to Rahway's mayor, substituted as speaker for Mayor Daniel Martin who could not be present. Mr. Hartnett outlined the work done by the city administration during the first three

months. He also spoke on the urban renewal workable program such as inspections, code enforcement, relocation assistance and citizen participation. A question and answer period followed the bulk of the questions dealt with the high increase in the tax rate. Members revealed they are very unhappy "about the situation."

Viola Sarachak was welcomed as a guest.

A nominating committee was appointed. Members are Mary Finelli, chairman; Anne Kellgren and Jeannette Bruce.

Anna Linkel, Mabel Mc Hale, Kathleen Taylor and Mrs. Finelli will represent Rahway at the state board meeting in Paramus.

Plans for the installation dinner to be held at the Jolly Trolley are being made by Irene Fitzgerald.

mental Protection, who will discuss methods of air pollution control and the disposal of solid waste materials, citing the advantages and disadvantages of each.

Mr. Sherry in preparatory comments noted there will be a thorough explanation of incineration as a method to deal with solid waste disposal, without damaging the air we breathe.

Methods of recycling cans, glass bottles and other disposable containers will also be discussed, he added.

Messrs. Sherry and Capaso are affiliated with the Metropolitan Office of the Bureau of Air Pollution Control, located at 25 Route 22 East, Springfield. The bureau is a division of the state's environmental protection department, with jurisdiction to deal with problems of air pollution control from the Raritan River to the New York state line.

Following the speakers' formal remarks, there will be a question and answer period. A member of Clark's

official family and a member of the board of freeholders also will be available to answer questions on what the municipality and the county are doing to combat pollution.

"It is our hope that the program will lead to the formation of a community action group to provide an organized year-around effort in Clark to fight pollution," declared Frank McGovern, chairman of the council's lecture series committee.

Toward this end, he said, invitations to attend the program are being extended to service, civic and youth organizations in Clark, in addition to the mayor, the municipal council and the department of public works.

Other members of the lecture series committee include Mesdames Rosemary Guzzo, Alice, Wilson, and Thelma Purdy and Morris Roth.

## Idle Rate in February Is Highest Since 1964

From January to February the rate of unemployment edged upward by 0.1 to reach 7.3 per cent of the work force, the highest February rate since 1964, according to the New Jersey Department of Labor's Division of Planning and Research.

Compared with February, 1970, the jobless rate rose by 1.7 and the volume by 56,200. Adjusted for seasonal variation, the rate increased by 0.2 percentage points over the month and 1.5 over the year to 6.3 per cent of the work force.

An over-the-month rise of 4,000, which was 2,300 more than the January-to-February 1970 increment, sent total joblessness to 224,600. There was a substantial increase, up 2,800 to 21,300, in the number of persons who had exhausted their State Unemployment Insurance benefits. Of course, virtually all of these people exhausting benefits under the regular New Jersey Unemployment Compensation Program began collecting additional benefits under the State's Extended Benefits Program, which was initiated in January.

They are entitled to the weekly benefit amount received under the regular program for half the number of weeks they collected under the regular program. Over the year, the volume of exhaustees, from the regular program, was up by 5,500 as long-term joblessness continued to increase.

The unemployment rate increased in nine of the state's 15 labor areas, decreased in four and remained unchanged in two. Of the larger areas, significant increases occurred in Camden, Long Branch, Perth Amboy-New Brunswick and Trenton.

Trenton and Newark's rates rose slightly because of continuing layoffs resulting from the general business sluggishness and seasonal declines in trade and construction. Apparel-hiring activity in the Vineland-Mill-

ville-Bridgeton area was sporadic over the month and caused the unemployment rate to increase fractionally. The other areas of the state which recorded fractional unemployment rate gains were the Lakewood-Toms River, Phillipsburg, and Newton labor areas.

The two areas in which unemployment remained constant were Paterson-Clifton-Passaic and Flemington at 6.8 and 7.6 per cent of the work force, respectively. Although a decline occurred in the Ocean City-Wild-

## Lions Stalk Members

Two new members, Joseph Alacchi and Ted Hamer, were welcomed at the regular meeting of the Clark Lions Club, where president Robert Fuchs announced the club is having a membership drive during April and May. Applicants for membership must be residents of Clark or work in Clark and must be interested in working with the club on its main projects of youth, charity and the blind. Anyone interested may call 368-0147 or 381-2897 or any member of the Lions for information.

Guest speaker for the evening was Edmund Bunge from the Norfolk and Western Railway. Mr. Bunge spoke of the problems besetting our railroads and the Astro program (Americas Sound Transportation Review Organization).

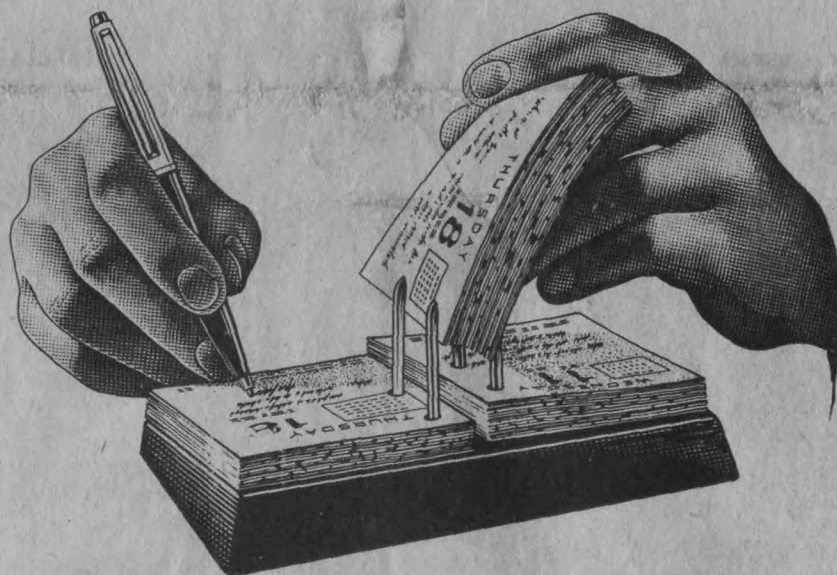

Nominations for new officers for the coming year were also held at the meeting.

wood-Cape May area over the month, it still had the highest unemployment rate in the state at 17.7 per cent due to the lull in resort activity. The Trenton area, despite recording a hike of 0.3 percentage points over the month, again enjoyed the lowest unemployment rate in the state at 5.3 per cent of the work force.

Over the month, the number of workers involved in labor-management disputes remained at 450.

## Home Drug Talks

The Mayor's Committee on Drug Abuse in Clark received encouraging reports from sub-committee chairman, Mrs. Henry W. Graveman, chairman of parent education, advised that members of her group reviewed a number of short film strips and informative pamphlets with the aim of bringing vital information about drug abuse to parents.

The drug education programs in Clark schools are progressing according to schedule, Mrs. John J. Manhardt, chairman of the youth teacher education sub-committee, advised. A drug education curriculum, whereby every student at each grade level will receive 10 hours of instruction, has gone into effect in Arthur L. Johnson Regional High School. The program was begun on the senior level and included causes of drug abuse, a review of the physical aspects of contemporary drug use, treatment facilities, and discussions on whether drug use is a crime, sickness or social condition.

Within the next few weeks, the community program coordinating sub-committee, under the direction of Mrs. Emanuel G. Monaco, will send letters to all fraternal, social and church-related organizations in Clark, offering assistance in planning programs on drug use and abuse. In this regard, Mayor Thomas Kaczmarek has requested that a representative from all such organizations call his office to advise which current officers correspondence may be forwarded.

## Social Security Benefits Higher

First checks to include the new 10 per cent monthly benefit increases authorized in legislation acted upon last week by Congress will reach 26 million social security beneficiaries on June 3.

Robert M. Ball, commissioner of Social Security, said today that the regular June 3 checks covering benefits for May will reflect the new higher monthly amount. Separate checks, scheduled to reach beneficiaries later in June, will cover the amount of the increase for the months of January through April. Ball emphasized that social security beneficiaries do not need to get in touch with a Social Security office to get the checks. The payments will be mailed to beneficiaries automatically.

## Lottery Head to GOP: Fake Tickets Can't Win

"The only way you can win (in the New Jersey lottery) is to buy a ticket at a licensed premise," said Peter M. Simmons, deputy director of marketing and sales for the lottery commission of the State of New Jersey. "The State licenses places, not people, so don't buy a lottery ticket on the street!"

Although he warned against purchasing counterfeit or stolen tickets, "Caveat emptor" was not the theme of Simmons' speech at the Clark Republican Club meeting in the Franklin State Bank. Simmons, instead, concentrated on clearing up some wrong impressions of the lottery created by the press and outlined the many built-in safeguards of the State's lottery.

Simmons explained there wasn't any cause for alarm over the tickets stolen from one of the printers used by the lottery as they were only partially printed. A computer is used to print the dates and numbers on after the pre-printing process.

The computer also figures in another safeguard. When tickets, completely printed ones, are stolen from one of the distributors, he reports the numbers of the stolen tickets and the computer will reject those numbers, making it impossible

for a stolen ticket to be a winning ticket.

"Currently," explained Simmons, "New Jersey has three lotteries. The N.J. weekly lottery most of you are familiar with by now, the 50¢ Millionaire drawing and the new N. J. Millionaire Sweepstakes."

Two-digit winners in the weekly lottery were cautioned to hold on to their tickets as there would be several more 50¢ Millionaire drawings this year because the revenue from the sale of the weekly tickets warrants them.

Tickets was also the topic of the other guest speaker, Richard School, Union County Republican chairman, who concentrated his efforts on selling a political ticket to the GOP group. He explained his concept of selling the candidates as a ticket with the concentration on the man at the top this year. Republican strategy for the coming election was discussed and the Clark club pledged to double its efforts.

George Ebbe, president, introduced the new appointee to the Watch Dog committee for the Township governing body and heard reports from Joseph Pozniak and Robert Lovejoy on the first township meeting attended by the group.

Beam of Approval by Richard School, left, County Chairman, of Clark's GOP Banner, is Reflected on Faces of President George Ebbe, center, and Edward Simpson, Municipal Chairman.

## Girl Scouts In Thinking Day Salute

The annual Thinking Day program for Area 4 of the Crossroads Girl Scout Council was held at Rahway Senior High School by Caravella Shupper-Polhemus Cadette Troop 56. The agenda included talks on Thinking Day and "Juliette Gordon Low, Founder of Girl Scouting in the U.S.A.," the singing of The World Song, and international candlelight ceremony, a Jewish folk dance, a film and narration about camping in Crossroads Council and assembly singing.

Miss Susan Essex of Colonia, a senior scout, spoke on wider opportunities for girls in scouting and how she was chosen to represent Crossroads Council at an international session at the Girl Scout world center, Our Chalet, in Switzerland this summer.

Miss Essex and Miss Joan Allman of Rahway, a senior scout who will attend a regional event in New York State this summer, led troop representatives in the World Friendship March. Nancy Smith was mistress of ceremonies.

Neil Simpson, Robert Standish and Scott Weber.

Fathers who accompanied the boys were Mel Altman, Dan Flynn, William Hoepfel, Arthur Kage, Herbert Keller, Ralph Marciano and chairman William Krauss.

Troop 45 is sponsored by the Hehly School PTA and is under the leadership of scoutmaster Arthur Kage.

## TROOP 45 COMPLETES HIKE

## Sub, Seaport Visit No Hollow Victory

Boy Scouts of Troop 45, Clark, completed their annual Jockey Hollow Trail Hike last Saturday and also made a trip to Connecticut to visit the nation's chief submarine base at Groton and the Mystic Seaport.

The Jockey Hollow Trail hike is a 17-mile (36,000 Boy Scout steps) scenic trek from Peapack to Morristown that retraced the historical footsteps of General George Washington's American Continental Army. In order to receive the Jockey Hollow Hike medal, a scout must complete the hike and write a 25-word essay on the historical significance of the Morristown area.

Participating on the hike were Scouts Jay Mocabee, Paul Flynn, Thomas Evans, Herbert Kozik, Raymond Krov, Alan Krov, Douglas Kage, Ernest Pauliny, William Hoepfel, Kirk Engel, Kevin Larkins and fathers Robert Engel, Ernest Pauliny and chairman Raymond Krov. Donald Brewer, the troop's "60-year old scout" continued to set the pace by completing his ninth annual hike with Troop 45.

On their visit to the world's largest submarine base at Groton, Conn., the scouts were impressed by the close quarters and compactness of the based submarines. Other highlights were a film shown on the development of the Polaris submarine and a tour through the museum depicting the history of the submarine.

A visit through a century-old whaling ship at Mystic Seaport, Mystic, Conn., and other maritime attractions completed a most exciting day for scouts Richard Altman, William Altman, Ken Butfiloski, Tom Evans, Paul Flynn, Bill Hoepfel, William Horner, Douglas Kage, Richard Keller, Herb Kozik, Ken Krauss, Alan Krov, Kevin Larkins, Ralph Marciano,

## New Rock Opera To Be Subject Of Discussions

One of the most popular pieces of music on the market today is the rock opera, "Jesus Christ Superstar." This 87-minute presentation has possibly created more reaction and stimulated more controversy than any work in the past few years.

Because of its popularity and its emotional impact, invitation is being extended to all by Osceola Presbyterian Church of Clark to explore the meaning of this work with others. The format of the exploration will be as follows: On Sunday evenings, March 28 and April 4, at 7 p. m. there will be an informal gathering in Fellowship Hall of the Osceola Church. Each evening those present will listen to one-half of the opera and then share in open discussion, reaction and conversation.

The experience is open to every interested person of all ages, of all faiths, of all walks of life.

## Stonewall Re-Elects Directors

J. S. Lindabury and Louis Weitzman, were re-elected for three-year terms as directors at the annual meeting of the Stonewall Savings and Loan Association, Linden.

Other directors who will continue to serve on the board are A. F. Krutner, Jr., Frank K. Sauer, Dominick Caruso, John J. Horan, Morris Levine and Alfred D. Palermo.

Mr. Sauer, the only surviving founder of Stonewall, has served as counsel since its organization 50 years ago. Members on the Clark advisory board are A. Baumei, F. Musso, M. Maragni, and S. Tosto.

Officers elected at the meeting were: Mr. Krutner, president; Mr. Lindabury, chairman of the board; Mr. Weitzman, vice chairman of the board; Viola K. Oravsky, vice president, and Anne Grosshans, treasurer and assistant secretary.

During the past year, Stonewall's assets increased \$2 million and now totals more than \$19 million.

Despite tight-money conditions during 1970, Stonewall enabled more than 143 families to purchase homes, representing more than \$2 million. Additionally, more than \$1 million was advanced to builders for the construction of dwelling units in

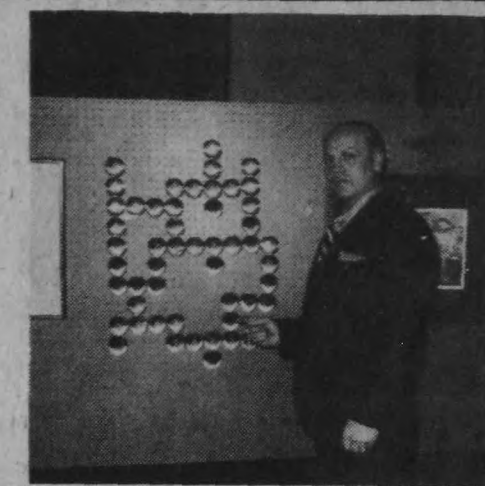

Clark, Linden, and adjacent areas. More than 8,000 savings accounts are maintained at Stonewall's two offices.

## Senate Bouquet

A Senate resolution was adopted by the State of New Jersey commending the Rahway Fire Department, the Rahway First Aid Emergency Squad and the Clark Volunteer Emergency Squad which responded so capably on the night of Saturday, Dec. 5, 1970, when an explosion, followed by secondary explosions and conflagrations, devastated a large area of the Bayway Refinery of the Humble Oil Co., Linden. The Senate praised the more than 700 firemen who battled the blaze throughout the night. The tragedy resulted in injuries to 37 persons and caused millions of dollars in property damage.

## Allaire Hits Plight of Sr. Citizens

One of the saddest factors in a nation dedicated to the elimination of poverty is the plight of older citizens. "The poor house for our senior citizens is in their own back yard," said John F. Allaire Jr., director of Public Works and Engineering, Clark, to a group at St. John the Apostle Church last Sunday. "Some have nothing more than their Social Security and that is not very much. In 1969, there were approximately 4.8 million aged 65 or over living in poverty, and this will increase in 1971. To me, this is a distressing fact, a disgrace. The nation is preoccupied by the problems of its young and of those on welfare. The aged are being passed over. With soaring taxes at

Mrs. Adele Pressman with her "Sound of Trumpets" and Philip J. Carr with his "Snowballs," which are now on display at Union College.

state and local level, I see no way for the young to save anything for their old age," Allaire said. Older persons are the heaviest sufferers in the current economy.

While their pensions and other income remain fixed, they are finding it harder to make ends meet. They also are the heaviest hit by unemployment, being the first to go and the last to get jobs.

Spiraling property taxes, he pointed out, have made it impossible for many elders to hold on to their homes.

Allaire cited the case of a 85-year-old retired policeman who does not qualify for Social Security. The pension he gets from a city, he said, is \$67.50 a month.

"Thirty years ago, he purchased a home for \$6,000, taxes under \$100. Today, same home, local taxes \$650, which leaves him \$160 to live on during the year. Fortunately, his son and his wife live with him and pay his expenses."

Senior Citizens have paid their way all their lives, he added, yet the Society Security payment is about \$190 per month, which is hardly enough to maintain life in an aging body.

## Rahway, Clark Exhibits In Union College Show

Philip J. Carr of 921 Richard Blvd. and Adele Pressman of 835 Robert St., both of Rahway, and Virginia Apelian of 85 Rutgers Rd., Clark, are among 116 New Jersey artists represented in the Westfield Art Association's 10th annual statewide exhibition which opened Sunday, March 21, in the campus center at Union College, Cranford. They were selected from more than 400 entries.

The show will be open to the public through Saturday, March 27, from 1 to 5 p.m. and 7 to 9 p.m. and Sunday, March 28, from 1 to 5 p.m. The annual exhibit highlights the work of artists born or residing in New Jersey. Entries were selected for exhibit by a jury of professional artists.

This year's judges were Theodoros Stamos and Ernest Briggs of New York City. Both received critical recognition as contemporary American artists. Mr. Stamos as an abstract painter and Mr. Briggs as a traditionalist.

Awards totalling \$1,200

were presented at an opening reception for exhibitors, members of the Westfield Art Association and faculty and officials of Union College last Saturday.

Mr. Carr's entry is entitled, "Snowballs," while Adele Pressman's is entitled "Sound of Trumpets." Virginia Apelian's entry is called "Red Roses."

## Local Dems Hear Muskie Blast Nixon

Clark Democrats, spearheaded by Mayor Thomas A. Kaczmarek and city chairman Tom Parrillo, attended the \$100-a-plate state Democratic dinner last week in the Latin Casino, Cherry Hill, in honor of Senators Harrison A. Williams and Edmund S. Muskie. Council President A. Charles Wialano, Councilman-at-large Stanley D. Le Wand and Fourth Ward Councilman Robert Roman and First Ward Councilman John Bodnar, along with their wives, shared a table with public works director John F. Allaire Jr. and Louis Wollman. The mayor and the Council spoke with Sen. Muskie.

Muskie, front runner for the 1972 Presidential nomination, gave a half-hour address and in his speech, which attacked President Nixon, Muskie described the President as more of a "manager, not a leader."

He said: "I do not accuse the administration of not caring. But in my judgment, what it cares about and what this country needs are two different things. An administration whose strongest legislative efforts have been in behalf of G. Harrold Carswell and the SST has got its priorities wrong."

"The administration made a great deal, when it came into office, of its intention to cut back on all that Democratic rhetoric about social

change. But I would rather stand with those whose consciences trouble them so long as men are out of work than with those whose chief concern is with redrawing the organizational charts."

Sen. Muskie outlined a four-point program to battle inflation:

Invest the \$1 billion Congress appropriated last year for housing, water and sewer improvements and urban transit, creating 200,000 jobs.

## Law to Prevent Disclosure of Data Given on Income Tax Forms Asked

Rep. Cornelius E. Gallagher (D-13th) has introduced the first national legislation to guarantee the confidentiality of information given by the individual taxpayer to commercial firms which prepare returns.

Rep. Gallagher's bill will make it illegal for such firms to disclose any information without the consent of the taxpayer. In addition, it has the novel feature of allowing the individual to consent to a subpoena served on the tax preparing organization, in-

stead of permitting that decision to be made solely by the firm itself. A fine of \$500 is provided.

"It has been estimated that perhaps 70 per cent of tax returns will be prepared by commercial services," Rep. Gallagher said, "and this information is of the most personal and, potentially damaging kind."

Rep. Gallagher introduced H.R. 4722 in Congress on Feb. 22 to deal with the general problem of "junk mail."

## RAY'S CORNER SPORTS

By Ray Hoagland

Jeanne Hodge's 203 was the high game of the Women's Church Bowling League competition in Rahway last week. She bowls with the Mixed No. 2 team. Phyllis Knorr of Zion Lutheran No. 1 had a 180.

All of the matches had 2-1 scores. Osceola Presbyterian topped Zion Lutheran No. 2, Mixed No. 2 stopped St. Paul's Episcopal, First Presbyterian No. 2 beat Zion Lutheran No. 1, and First Presbyterian No. 1 defeated Trinity United Methodist.

Second Baptist continues to lead the Rahway Council of Churches Men's Bowling League with a record of 45 victories and 33 defeats. Ebenezer AME is second with a record of 42 1/2-35 1/2 while Second Presbyterian is third with a record of 41-37.

The Roselle Baptist team had a high game of 969 and high series of 7,232 last week as it took three games from Second Presbyterian. First Baptist also won three games, stopping the First United Methodist. Two games apiece were won by Second Baptist, which defeated Ebenezer AME, and Zion Lutheran, which beat Trinity United Methodist.

Fred Schmidt, the Rev.

James Martin and Tom Knight have been named to the nominating committee and Tom Buchan, John Van Kline, Art Kantowitz and John Boston to the trophy committee.

Lil Christopher rolled the high set, 533, in competition of the Rahway Ladies' Major Bowling League on March 15. One of her three games was a 185.

High games were: Jo Springer, 197; Bette Jaquillard, 193; Dot Lockie, 193 and 188; Helen Spano, 192; Peg Orlando, 188; Vickie Goldie and Julie Crans, 182; Joan Calicchio, 181; Mary Letso and Nita Silbon, 180. Merwin Marine bowlers won three games. Winners of two games each were Park Flying "A", General Technical Institute and Randolph Tire.

Joe Servedio, former captain of the Rahway High School cross-country team, has been starting as a runner at Middlesex College, Edison.

Servedio was a member of the college's cross-country team that compiled a record of seven victories and four defeats last fall. He competed in the Region 19 championships of the National Junior College Athletic Association on the Allegheny campus in Pittsburgh, Pa., finishing 33rd in a field of 60.

The Mother Seton Regional High School girls' basketball team was nipped at the wire by Girls Catholic of Roselle, 50 - 47, in a semi-final round game in the Catholic Girls' Scholastic Basketball Tournament at the Paramus Catholic High School court Sunday afternoon.

The Setters of Clark went in front, 47 - 46, when Mary Ellen Phelan hit from the charity line twice. With 10

seconds left in the game, Marion Kemps of Roselle tallied twice from the 15-foot line. Just before the buzzer, Jane Hoffman hit on a jumper for the winners. Mary Ellen Mc Cann of the Clark team led the scoring with 20 points. Betty Morbee and Mary Neasey scored 12 each and Miss Hoffman, 10, for the winners.

Amateur boxing is drawing large crowds. The recent New Jersey Golden Gloves in the Elizabeth Armory had record crowds and a record number of boxers.

Your reporter returned this week from the 44th annual National Golden Gloves Tournament of Champions, in Fort Worth, Texas, where more than 50,000 spectators attended shows on four nights and one afternoon. The tournament attracted the second largest crowd in its history on Saturday night when 11,786 were on hand for the 30 - bout card. More than 14,000 were in the Tarrant County Convention Hall on Monday night to see the finals.

## Rodney's Defends Title In Men's Cage Circuit

Rodney's Cleaners successfully defended its Rahway Recreation Department Men's City Basketball League title last week. The winners drew a bye in the final week of the schedule.

Rodney's Cleaners won all 14 games of the league schedule and took the honors in both rounds.

During the final week's schedule, the most exciting game of the week on the Rahway High School court saw the Jaycees take the CYRC Buzzards, 61-55. A big third period of 23 points provided the margin of victory. The Buzzards were in front at the half, 27-21, but the winners, led by Steve Brown's 22 points, Barry Henderson's 14 and Cisco Garay's 13, gave the Jaycees their third triumph of the second round. Bruce Henderson, with 22 points, led the Buzzards. Paul Starkowski scored 12.

Kimberly-Clark had to fight off a fighting Merck Blue team in the last period to post a 63-58 decision. The Kimberly-Clark five was in front, 46-39, as the teams entered the final session. George and Walk Wilks scored 40 of the Merck Blue points. The winners had four players in double figures, Rich Keely and John Sullivan scored 16 apiece, John Walsh, 13, and George Keely, 10.

Merck Green led all the way as it routed Local 736 to the tune of 56-38. Bill Jackson led the winners with

16 points. Ernie Rose had 14 for the losers.

**RESULTS:**  
MERCK GREEN - Perri, 3-6-12; Pluciant, 4-1-9; Jackson, 8-0-16; Perfeatto, 3-1-7; Pesantis, 3-0-6; Totals, 23-8-56.

## 'Y' Swim Team Feted at Dinner As Title Winner

The Rahway YMCA boys' swim team held its annual banquet in the Catholic War Veterans Hall on March 10. The speaker was B. U. Smith, general secretary of the Rahway "Y." Other guests were Mrs. Smith, Ralph Thompkins, program director of the "Y," Mrs. Thompkins; Robert K. Polhemus, coach of the team, and Mrs. Polhemus.

Coaches awards were presented by Mr. Polhemus to

Don Kluse, Steve Slanovec, Malcolm Pringle, and Jack Quinn. Most valuable swimmer award was given to Tony Veverka. Diving awards were given to Brian Helly and Len Kalish.

Farewell pen sets were presented to John Quinn and John Slanovec. The parents' plaque was awarded to Mrs. Andrew Variano for her years of help to the team. Each swimmer was given a first place medal for being a member of the first place team in the "A" Division of the YMCA League. Team shirts and pictures will also be given to each swimmer, and Mrs. Polhemus.

## Four League Champs Defeat All-Star Fives

A standing room only crowd saw Second Presbyterian score a 58-53 victory over the Senior Boys' All-Stars during the annual all-star basketball night of the Rahway Church and Recreation League on Friday in Rahway Junior High School.

In a close, well-played game, the league champs, the Second Presbyterians, took a 18-10 first period lead and maintained it to an undefeated season.

Jerry Di Renzo closed out his brilliant career in Church

League play with an outstanding performance on both offense and defense. He led all scorers with 17 points. Strong help from teammates, Rich Micklovic, who scored 12 points, and Russell Fish, with 10, aided the New Brunswick Avenue church line.

The All-Stars were led by Curt Jeter, 11 points, Craig Hugger, 10, and Alan Pantallides and Joseph Leone, 8 each. The game was a thriller up to the final gun.

Poor foul-shooting by the Stars, who converted only one

of 10 attempts, cost them the game. They outscored Second Presbyterian from the floor, 26-24. Outstanding board play by Eric Beckhussen and Cyrus Toney were features of the game.

In the junior boys' game, Second Baptist made accuracy pay off for its win. The team converted 13 of 18 from the charity line as they beat the All-Stars, 33-27. Mark Gaston tallied in all four periods to set the pace for the winners with 18 points. Daryl Toney picked up 10 points. Ed Hudak and Bill Young shared scoring honors for the All-Stars.

The teams were tied, 23-23, at the start of the final session but Second Baptist

hit on six foul shots. Each team made two baskets. Kevin Story scored eight of his 10 points in the first period to lead the First Presbyterian Knicks' to an 18-13 victory over the Biddy Boys' All-Stars.

Bill Hoepfel sparked the Biddy All-Stars with a come back in the second half. He scored six points to cut the margin to 14-9, but the winners' defense held up in the last period. Dave Furiness and Mark Zabel starred on defense for their teams.

Second Baptist rolled up an easy 25-13 victory over the Girls' All-Stars on the strength of big first and fourth quarters.

The All-Stars, trailing 13-

6, rallied in the third period to tie the game at 13-13 but the Second Baptist, led by Renee Peterson, came on strong to tally 12 points while shutting out the All-Stars. Renee and Vanessa Mills starred for the winners while seven All-Stars led by Denise Johnston with three points.

### Finish Season Tied

## Pals 1st; Playoffs Are Tonight

The Original Pals gained first place in the Clark Adult Basketball League by downing Campana Realty, 104-79. Big Jay Zizewski was the big gun for the Pals as he scored 26 points. He was followed by Andy Mytinger, 20, Billy Kudrick, 18, Jack Kelly, 10, and Adam Florzak, 10. Campana Realty was headed by Bob Adams, 18, Chet Melli, 16, Joe Dunn, 12, and Bob Stankiewicz, 12. The playoff schedule will

be as follows: tonight, in the upper division, 7 p. m., Charles H. Brewer School Paillard plays Campana Realty; at 8:30, Garwood Rest plays the Original Pals. The winners of these games will play at 7 p. m. Thursday, April 1, at Mildred Terrace School. Tonight, the Zens also play the Clark Jaycees at 7 p. m. in the Lower Division playoffs. In the second game of the evening, Paillard defeated the Clark Jaycees, 84-72. Kevin Duggan was high scorer for Paillard, ripping the cords for 26 points. Larry Markiewicz added 24 and Bob Cook 20. Pat Soricello was high for the Jaycees. He tingled the twines for 32 points. Walt Drozd added 18 and

Bob Grabarkowitz 16. In the final game, Garwood Rest defeated the Deacons, 87-48. Mike Bobertz was high for the winners with 22 points. He was followed by Jim Carovillano 17, Dave Chinchar 14, Frank Kennedy and Wally Miller, 12 each.

## Gymnastics And Dances At Madison

Madison School held a physical education program this month called "Happiness Is Motion."

The third-grade girls, under the direction of Miss Marion Reister, did a simplified Virginia Reel and sample creative movement lesson, fourth-grade girls did an Israeli folk dance and Indian club routine, fifth-graders a Russian trio folk dance and Israeli festive folk dance.

Third-grade boys, under the direction of Allen Meyer, showed the mechanics of gymnastics and the fourth- and fifth-grade boys gave an advanced demonstration of applied skills in gymnastics.

Thanks to both coaches, and the children, it was a lively and entertaining evening and showed that a lot of time and practice were put into the program.

### Receives Sports Award

Eugene Fontana of Clark has been given an award by the University of Connecticut, Storrs, for competing in intercollegiate sports as a member of the university's freshman wrestling team last season.

It wasn't built in a day.

Somebody didn't just say, "Hey, this is the year for little economy cars—let's build one," and there appeared a 1970 Volkswagen.

Fact is, 25 years of Volkswagens preceded it.

And we put in something

else besides the years. Improvements, 2,287 of them. If there's one thing we learned about making economy cars, it's this: There's no such thing as an overnight success.

A little bit goes a long, long way.

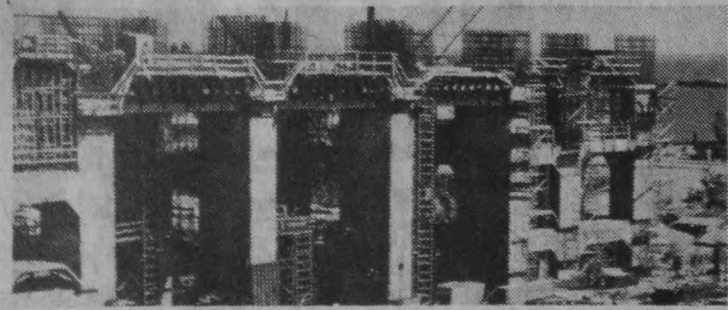

Actual nuclear fuel pellets (left) contain tiny amounts of uranium. Each pellet will produce about the same amount of energy as one ton of coal.

When completed, Salem Nuclear Generating Station will generate more than 2 million kilowatts of electricity.

A Better Environment is Our Business Too!

Construction at our Salem Nuclear Generating Station is well under way. Shown above is the turbine generator foundation for the first of two generator units.

Millions of small ceramic pellets containing uranium will be placed in the reactor of our Salem Nuclear Generating Station. Like conventional fuels, they create the heat needed to make steam to drive the turbine-generators. But unlike conventional methods, nuclear power creates heat without combustion. And where there's no fire there's no smoke — and virtually no air pollution!

Construction at our Salem Nuclear Station is now well under way. When completed it will have a capacity of more than 2 million kilowatts to help satisfy New Jersey's growing energy demands.

Building programs such as this are an excellent example of the efforts we are making to serve our customers while at the same time helping to preserve the environment. We do believe that a better environment is our business, too!

## 6th Ward Dems Back Dietz State Senate Bid

Wilson D. Beauregard, councilman - at - large, Christopher Dietz, attorney, and Philip J. Carr, a member of the planning board, made reports at last week's regular monthly meeting of the Sixth Ward Democratic Club of Rahway.

At the same time, Wally Carkhuff presented a slate of the present officers who will run for the 1971 - 72 term.

Mr. Beauregard spoke on the city budget and expressed his reasons why the tax increase is vital during these stressing times.

Mr. Dietz, who was guest speaker, aired the forthcoming state legislative campaign and conducted a ques-

tion - and - answer session on city and statewide problems. Club members unanimously endorsed Mr. Dietz for the state Senate.

Mr. Carr discussed the proposed plans for one-family homes to be built in back of Hedin Pl., off Madison Hill Rd. and the subdivision on the former Searles property on St. George Ave. and Stone St.

A sizable turnout at the Union County Democratic Committee Dinner was announced by Patrick O'Donnell, city chairman, at the Winfield Scott Hotel, Elizabeth, last month.

A new member, Donald Mernberg, was introduced by Mrs. Frances Krebs.

## Shaking With Delight

Edmond V. DelPrincipe, right, Welcomes Salvatore V. Prezioso, at Meeting of Rahway Board of Realtors.

## Better City Is Target Of Realtors

Salvatore V. Prezioso, president of the Rahway Industrial Association, was the principal speaker at a meeting of the Rahway Board of Realtors at the Clark Rest in Clark. He was introduced by Edmond V. DelPrincipe, vice president and program chairman of the board.

Mr. Prezioso said that some of the important objectives of the association were an effort to keep taxes down and to help make Rahway a better place in which to live.

Both of these targets combine to aid the home owners and residents, he said. Mr. Prezioso gave a resume of some of the work that has been accomplished and what is planned for the future. An informative question-and-answer period followed.

The board is making plans for Realtor Week, which is sponsored by national, state and local Realtor boards and will be held the week of May 23-29.

James Timko is chairman of the Rahway board's Realtor week program.

of recreation, and Robert Schaeffer, superintendent of field operations.

Schimmel will provide information about the present condition of the Rahway River, including the current pollution level. The City of Rahway derives most of its potable water from the river at the present time.

## Case Rents Space For Newark Office

A mini office for the convenience of staff people of Senator Clifford P. Case will be opened in the Newark Post Office.

The senator's administrative assistant, Miss Frances Henderson, said the Republican senator will open something short of a full office which is to be for the convenience of staffers.

In 1966, the Democratic senatorial hopeful, Warren W. Wilentz, scion of the Middlesex Democratic boss, attacked Sen. Case for not maintaining an office for the voters. When the ballots were counted, however, Sen. Case had won a landslide victory.

## RAHWAY Police Blotter

MONDAY, MARCH 15

A break, entry and larceny was reported to have occurred at 191 W. Milton Avenue, Apt. B - 11. The door had been forced, and a TV set and hi-fi were stolen.

The car stolen from Mr. Donald Van Nostrand, 2158 Elizabeth Avenue, while the vehicle was parked at the Linden Avenue "Wheatena" parking lot, was recovered on Lawrence Street. Alert police observed the car being driven with a broken vent window, and their work resulted in the apprehension of a Rahway juvenile charged with possession of a stolen motor vehicle.

Teletype alarm was cancelled when the car stolen from Mrs. Annie Gray, 789 Laurel Place, was recovered by Edison Police.

Karen A. Kosty, 133 Stanton Street, reported that someone had broken into her auto. Entry was gained by cutting the convertible roof

on the left side and then opening the door. Nothing was stolen.

TUESDAY, MARCH 16  
Mrs. Pearl Weber, 1160 New Brunswick Avenue, reported a break, entry and larceny of a TV set, which was stolen from a stand in the kitchen. There were no visible signs of entry. Police are investigating a suspect observed in the area.

The car stolen from Mr. George Berg, 1715 Irving Street, while it was parked at that address, was recovered by police on Martin Street.

Mr. Alvah Hilliard of Roselle Park reported that while his car was parked in the Rahway Recreation parking area, someone threw a rock through the right side window.

WEDNESDAY, MARCH 17  
An attempted break and entry was reported to have occurred at the office of Dr. Roman Santiago, 307 Grove Street. The attempt to gain entry was made at a small cellar-type window in the office. Pry marks were found on the storm sash and the inner window was splintered along one side. Apparently the loud barking of his dog frightened the intruder away.

Mr. Edmund J. Kedzierski, 863 Stacy Place, reported his car stolen from that address.

THURSDAY, MARCH 18  
Mrs. Ethel Brady of Carteret reported that the battery was stolen from her car while it was parked in

the Regina parking lot on Mill Street.

While on patrol, police observed a hole in the glass front door of the Triangle Market, 1043 New Brunswick Avenue. Upon investigation, they found that the hole had been made by what appeared to be a .38 calibre bullet which was found on the floor in front of a metal milk display case, and which had made a dent in the display case.

FRIDAY, MARCH 19  
Mr. Edward J. Dwyer, 290 W. Hazelwood Avenue, reported the battery stolen from his car while the vehicle was parked in Municipal Parking Lot "B."

Break and entry to several motor vehicles was reported to have occurred at the R and G Garage, 1333 Essex Street. A check will be made to see if anything was taken.

SATURDAY, MARCH 20  
A break, entry and larceny was reported by Mrs. Joseph Leif, 2406 St. Georges Avenue, Apt. B - 3. Entry was gained by jimmying the front door. The only item missing at present is a portable TV. Description was obtained of two young males observed in the area.

Mr. Vincent Trentoni, 595 W. Grand Avenue, reported the radio stolen from his car while the vehicle was parked at the corner of W. Grand Avenue and Church Street. Also taken was a set of golf clubs.

Mr. Flemmie Lawson, 141 Monroe Street, reported a chain hoist stolen from his wrecker while the vehicle was parked in the Clingo Station, Main Street and E. Hazelwood Avenue.

A Linden resident was arrested in Rahway for driving with a suspended license, having no vehicle registration in his possession, and leaving the scene of an accident.

SUNDAY, MARCH 21  
The car stolen from Mr. Richard G. Graser, 781 Pierpont Street, has been recovered; however, the stereo tape player and front hub caps were reported stolen from the vehicle.

## Travel Films At Library

The Free Public Library of Rahway will hold its regular monthly film program next Wednesday at 7:30 p.m. The first in the colorful travel series will be "Today's Vikings: Denmark Old and New," which portrays traditions, daily life and industry with particular attention paid to Copenhagen.

"Profile" gives the viewer a broad panorama of Canada from historic Quebec to modern Vancouver. "Bluenoseshore" provides an exciting view of Nova Scotia's south shore, made famous by the racing schooner "Bluenose." A high point is the Wedgeport contest for the tuna cup trophy.

## Mayor on Air

Mayor Daniel L. Martin will be on the air next Wednesday, March 31. The mayor will be interviewed on a show called "Viewpoints" from 12:10 to 1 p.m. on WJDM 1530. Citizens will be able to ask questions of the mayor by phoning the station.

I'm not used to getting something for someone else's birthday.

DEAR FRIENDS,

9:30 to 8:30 Mon. thru Sat.

Spring has come to our GARDEN OF PAPER. The gift shows are over and the newest and latest merchandise is arriving daily. If you have a few moments on one of these beautiful days, feel free to come in and just browse.

The newest in costume jewelry from TRIFARI, NAPIER and MONET has arrived. Beautiful, colorful kitchen accessories of every kind have arrived. We have artificial fruits and flowers in abundance, a special array of engagement, shower and anniversary gifts. Our shelves are loaded with new party patterns appropriate for this time of the year. Our RUSSELL STOVER Easter supply of fine candy has now arrived.

This letter could go on and on, but we will leave it up to your imagination and hope that your curiosity has been stimulated.

Oh yes, we do still gift wrap as a courtesy to you.

Sincerely,

THE STAFF

READ WHAT MR. ALBERT BUKOSKY, PROMINENT LOCAL LINDEN ATTORNEY, SAID ABOUT HIS RECENT MUSTANG PAINT JOB:

"What a pleasure it is to find people who do what they promise. My Mustang looked like it just came out of the factory and it was ready when it was promised - 24 hours after they picked it up. I recommend Stirling Moss Paint-a-Car system to anyone. They're good. They have enhanced the value of my car immensely."
