Published by the Senior Class

ARTHUR L. JOHNSON
REGIONAL HIGH SCHOOL

CLARK, NEW JERSEY

FOREWORD

We sincerely hope that the following pages bring as much satisfaction, enjoyment, and pleasure to you ,the students, as it has to us who have worked so endlessly to produce the first issue of "*The Lance*." For you who are about to leave the "hallowed halls" we hope that this volume will depict your first and last year at Johnson Regional High School. In the years to come, we hope that you will open your copy of "*The Lance*" and say, "This is my school!"

The Current

For the High School Students of Clark, Garwood and Winfield
Arthur L. Johnson Regional High School

Vol. 1, No. 1
December, 1956

Boosters Aid Team Build Morale, Spirit

The newly formed Arthur L. Johnson school booster club has donated its first gift to the athletic department: a \$375.00 16mm. camera, already used to photograph football games. It is expected to be of great importance in the same way for the club, consisting of interested adults from Clark, Garwood and Winfield, have several projects planned to aid both girls' and boys' sports and associated activities. At the end of the year, the boosters will present awards to the boy and the girl with the highest academic records. Also have been active in letter-writing, band members, writers, men, band members, writers, and cheerleaders. The club also planned a dinner for letter-men, band members, writers, and cheerleaders. The club also planned to sell refreshments at basketball games played on Friday nights.

JHS Dedicated by Board; Public Views New School

Dedication ceremonies for the Arthur L. Johnson Regional High School will be held this Friday evening, December 7, at eight o'clock in the school auditorium. Five hundred seats are reserved for prominent guests and speakers may include the Reverend, the program will begin with the invocation given by the Reverend, which Bob Pezzulich, student council president, will lead the opening exercises. Mr. Nicholas (Continued on page 4)

JHS Student Council Plans Dances; Sends Presents to Children's Hospital

This year's Student Council, under the leadership of President Bob Pezzulich and adviser, Miss Clementine Burns, has, since September, been proving itself a successful voice of the students. There have been several weeks ago the question of school rings. The Johnson Regional still didn't have a decision made. This the Student Council called a meeting of its officers and the four class representatives. This group represented the student body, deciding upon the ring which is on sale now.

Left to right: Miss Clementine Burns, Judy Hobasovich, Bob Kennedy, Judy Lawson, Bob Pezzulich, Loni Janacek.

Madey Links Pole; Radios U.S. Families

To the men of the U. S. Navy's Operation Mady, and others like him are a goodsend, for during the long winter night, the only link which the men have with the outside world is by radio. The morale life which the men receive each time they talk with their families (once every two months, or more if lucky) is like a stimulant which enables them to live through the winter without suffering serious boredom. Jules has been serving the men for three months and during this time has completed 60 calls to relatives of the men at the pole. Jules does not rely on information, but allows the servicemen to speak directly to their families by connecting the telephone to his transmitter and receiver.

PTA Variety Show To Be December 12

The newly formed Parent Teachers Association will present its first project on December 12 at 8:00 p.m. in the Johnson Regional auditorium. It will be in the form of a variety show which the PTA hopes will become an annual event. Its profits will go toward the PTA scholarship fund. A deserving student graduating in June, 1957, other PTA projects will add to this fund. Mrs. Leo Gaudin, chairman of the program, is in charge of the program. Mr. Robert Parkinson, was in charge of drama. There will be a large variety of acts ranging from singing and dancing to comedy and magic. Mr. Russell Wasley, chemistry teacher, will be making and dancing to comedy and magic. Mr. Russell Wasley, chemistry teacher, will be making and dancing to comedy and magic. Mr. Russell Wasley, chemistry teacher, will be making and dancing to comedy and magic. (Continued on page 4)

Christmas Concert to Feature Combined Music Groups

Festive holiday strains once again fill the air of Regional High as the preparations for the annual Christmas concert near the final stages. For the past month the combined choral groups of Dayton Regional and Johnson Regional have been busily planning and rehearsing to perfect their holiday program, which is to be held Thursday, December 20.
