

LANCE 1959

ARTHUR L. JOHNSON REG. H. S.
MEDIA CENTER

A. L. JOHNSON
REGIONAL HIGH SCHOOL
Clark, New Jersey

Lance 1959

Foreword

Although Arthur L. Johnson Regional High School has been open for only three years, it is well on its way to becoming one of the biggest and best high schools in the area. During the past two years we have all been able to watch as work has progressed on a new addition to our school.

There has been another growth in Johnson Regional. With the aid of its faculty and through initiative and hard-work, all the students at Regional have grown in knowledge.

Regional, however, has been more than just a place of learning to its students. It has provided them with friendships and activities which make for well-rounded individuals.

In the *Lance* of 1959, we shall show the many phases of life at Johnson Regional.

Administration supervises education

Board of Education

The Board of Education must approve all curricular and extracurricular activities within the school system and propose the annual school budget to the citizens of the towns, who then vote on it. They also approve the administrative policy set by the superintendent of the school system.

Superintendent

Dr. Warren M. Davis, superintendent of the Union County Regional High School District, works very closely with the Board of Education.

He determines the administrative policy of the school and makes recommendations to the school board concerning the welfare of the school. He must also act as supervisor in the schools and conduct research concerning school facilities, supplies, and trends in education.

Dr. Warren Davis
Superintendent

Mr. Robert E. Hough, Principal; Dr. Alvin Fry, Vice Principal.

Administration

Principal

Mr. Robert E. Hough, the Principal of our school, directs the work and operation of the school. As part of his job, Mr. Hough supervises the work of teachers and pupils; he must be sure the educational program is adequate and that there are sufficient supplies and equipment to carry on education efficiently.

Vice Principal

As Vice Principal, Dr. Fry must take over the operation of the school in the absence of Mr. Hough. Dr. Fry is in charge of student discipline, welfare, and attendance. He is also in charge of some phases of the substitute teacher service.

Guidance Director

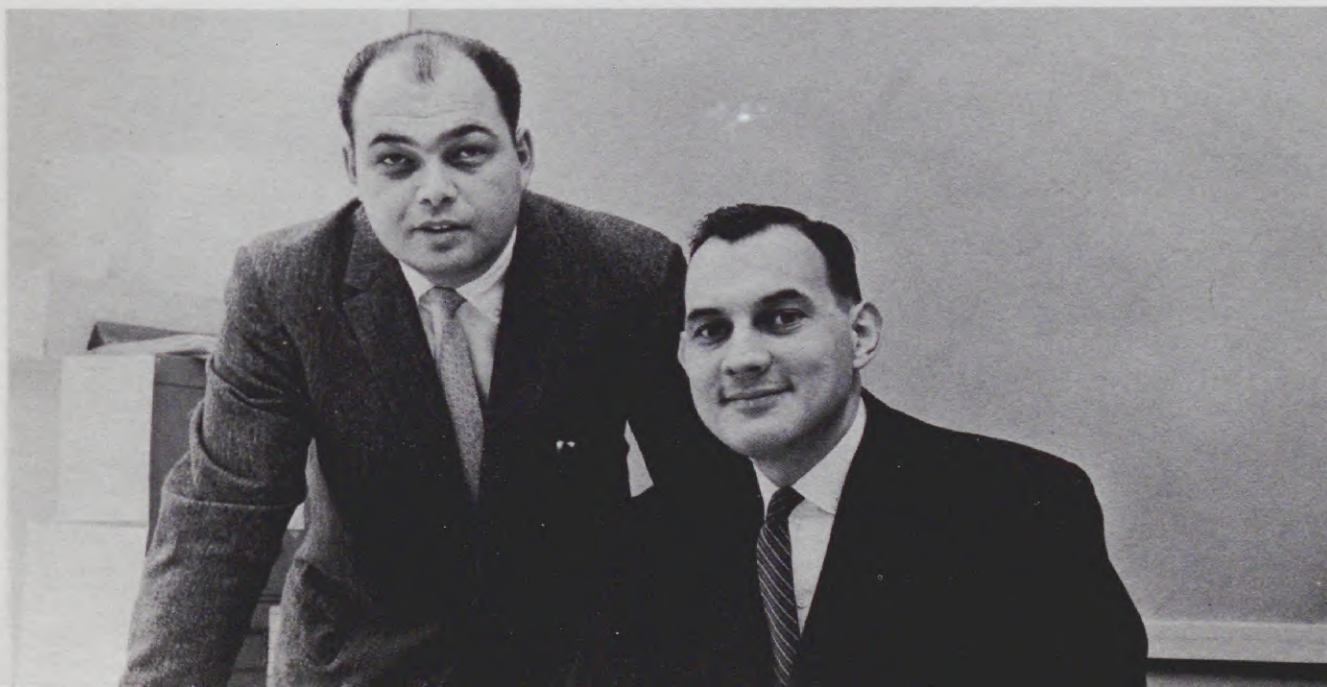

Mr. Kolodinsky, Director of the Guidance Department, coordinates the guidance activities of the school and acts as counselor to students with difficult problems. He is in charge of registration, scheduling, group guidance programs, college placements and scholarships and directs orientation activities and testing programs.

School Psychologist

As school psychologist, Mr. Merachnik must diagnose, correct, or refer to outside agencies, if necessary, any student referred to him with social or emotional problems.

He is also the director of the reading program, bedside instruction for those unable to attend school, and a special program for slow learning students.

Mr. Donald Merachnik, Psychologist; Mr. William Kolodinsky, Guidance Director.

Faculty

ENGLISH-FOREIGN LANGUAGE

This year the English-Foreign Language Department has become one of very few in the state and relatively few in the nation to be able to offer Russian to secondary school students.

Seniors

What will we, the class of 1959, remember when we look back to our years at Regional High School? We will remember our Freshmen and Sophomore Dances, our Junior Prom "Twilight Time," and our Senior Ball, with the theme "Crystal Ball."

We will remember, too, our fund raising projects: candy bars, book-covers, and magazine sales.

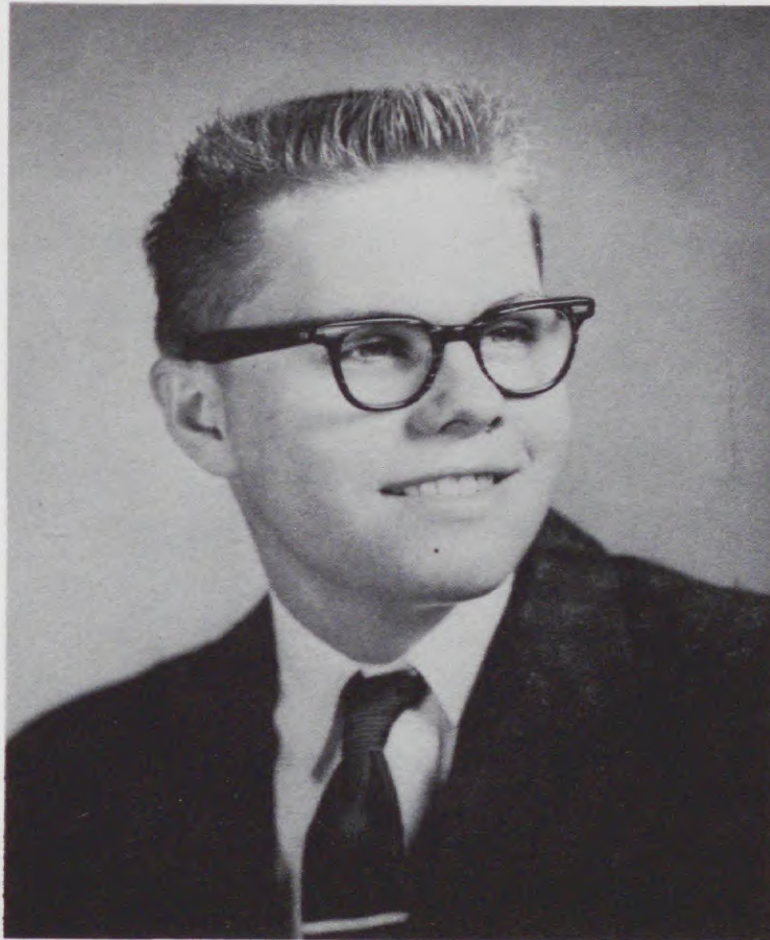

The things we will remember most, however, are the knowledge and friends we have gained in our years at Regional.

SENIOR CLASS OFFICERS AND ADVISORS

J. Miller, Treasurer; Mr. G. Schlenker; H. LaBate, President; Mr. R. McCusker; A. Lundgren, Vice-President.

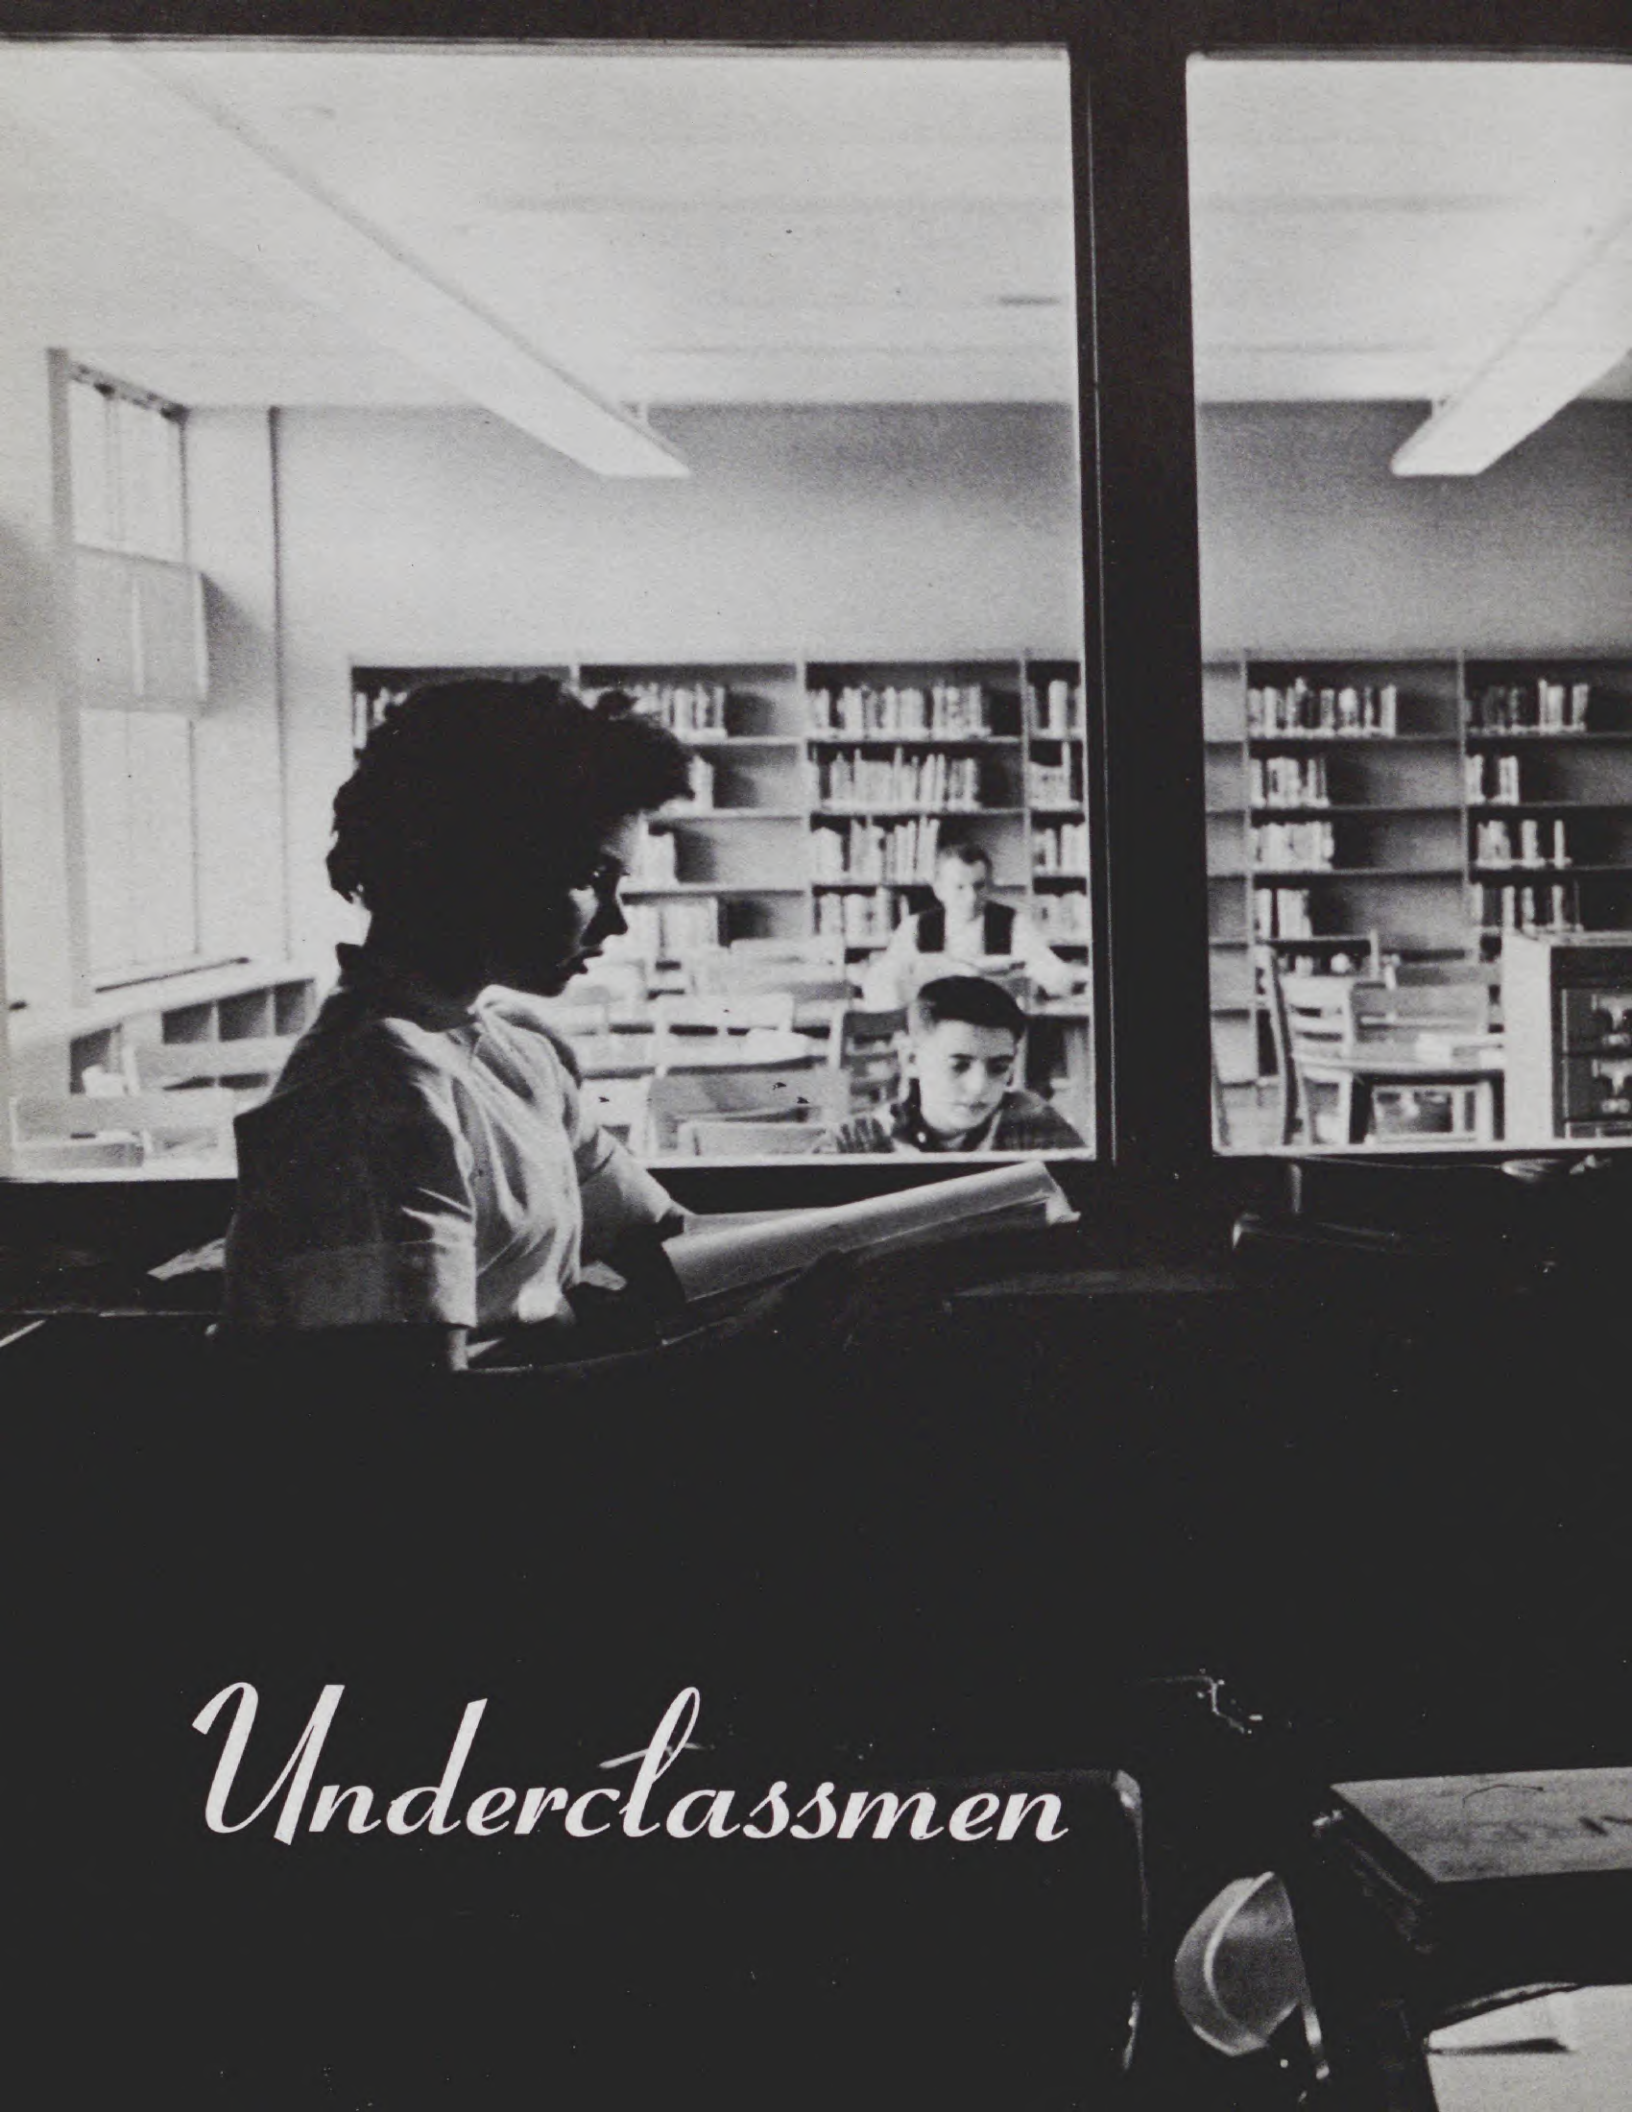

In Memoriam

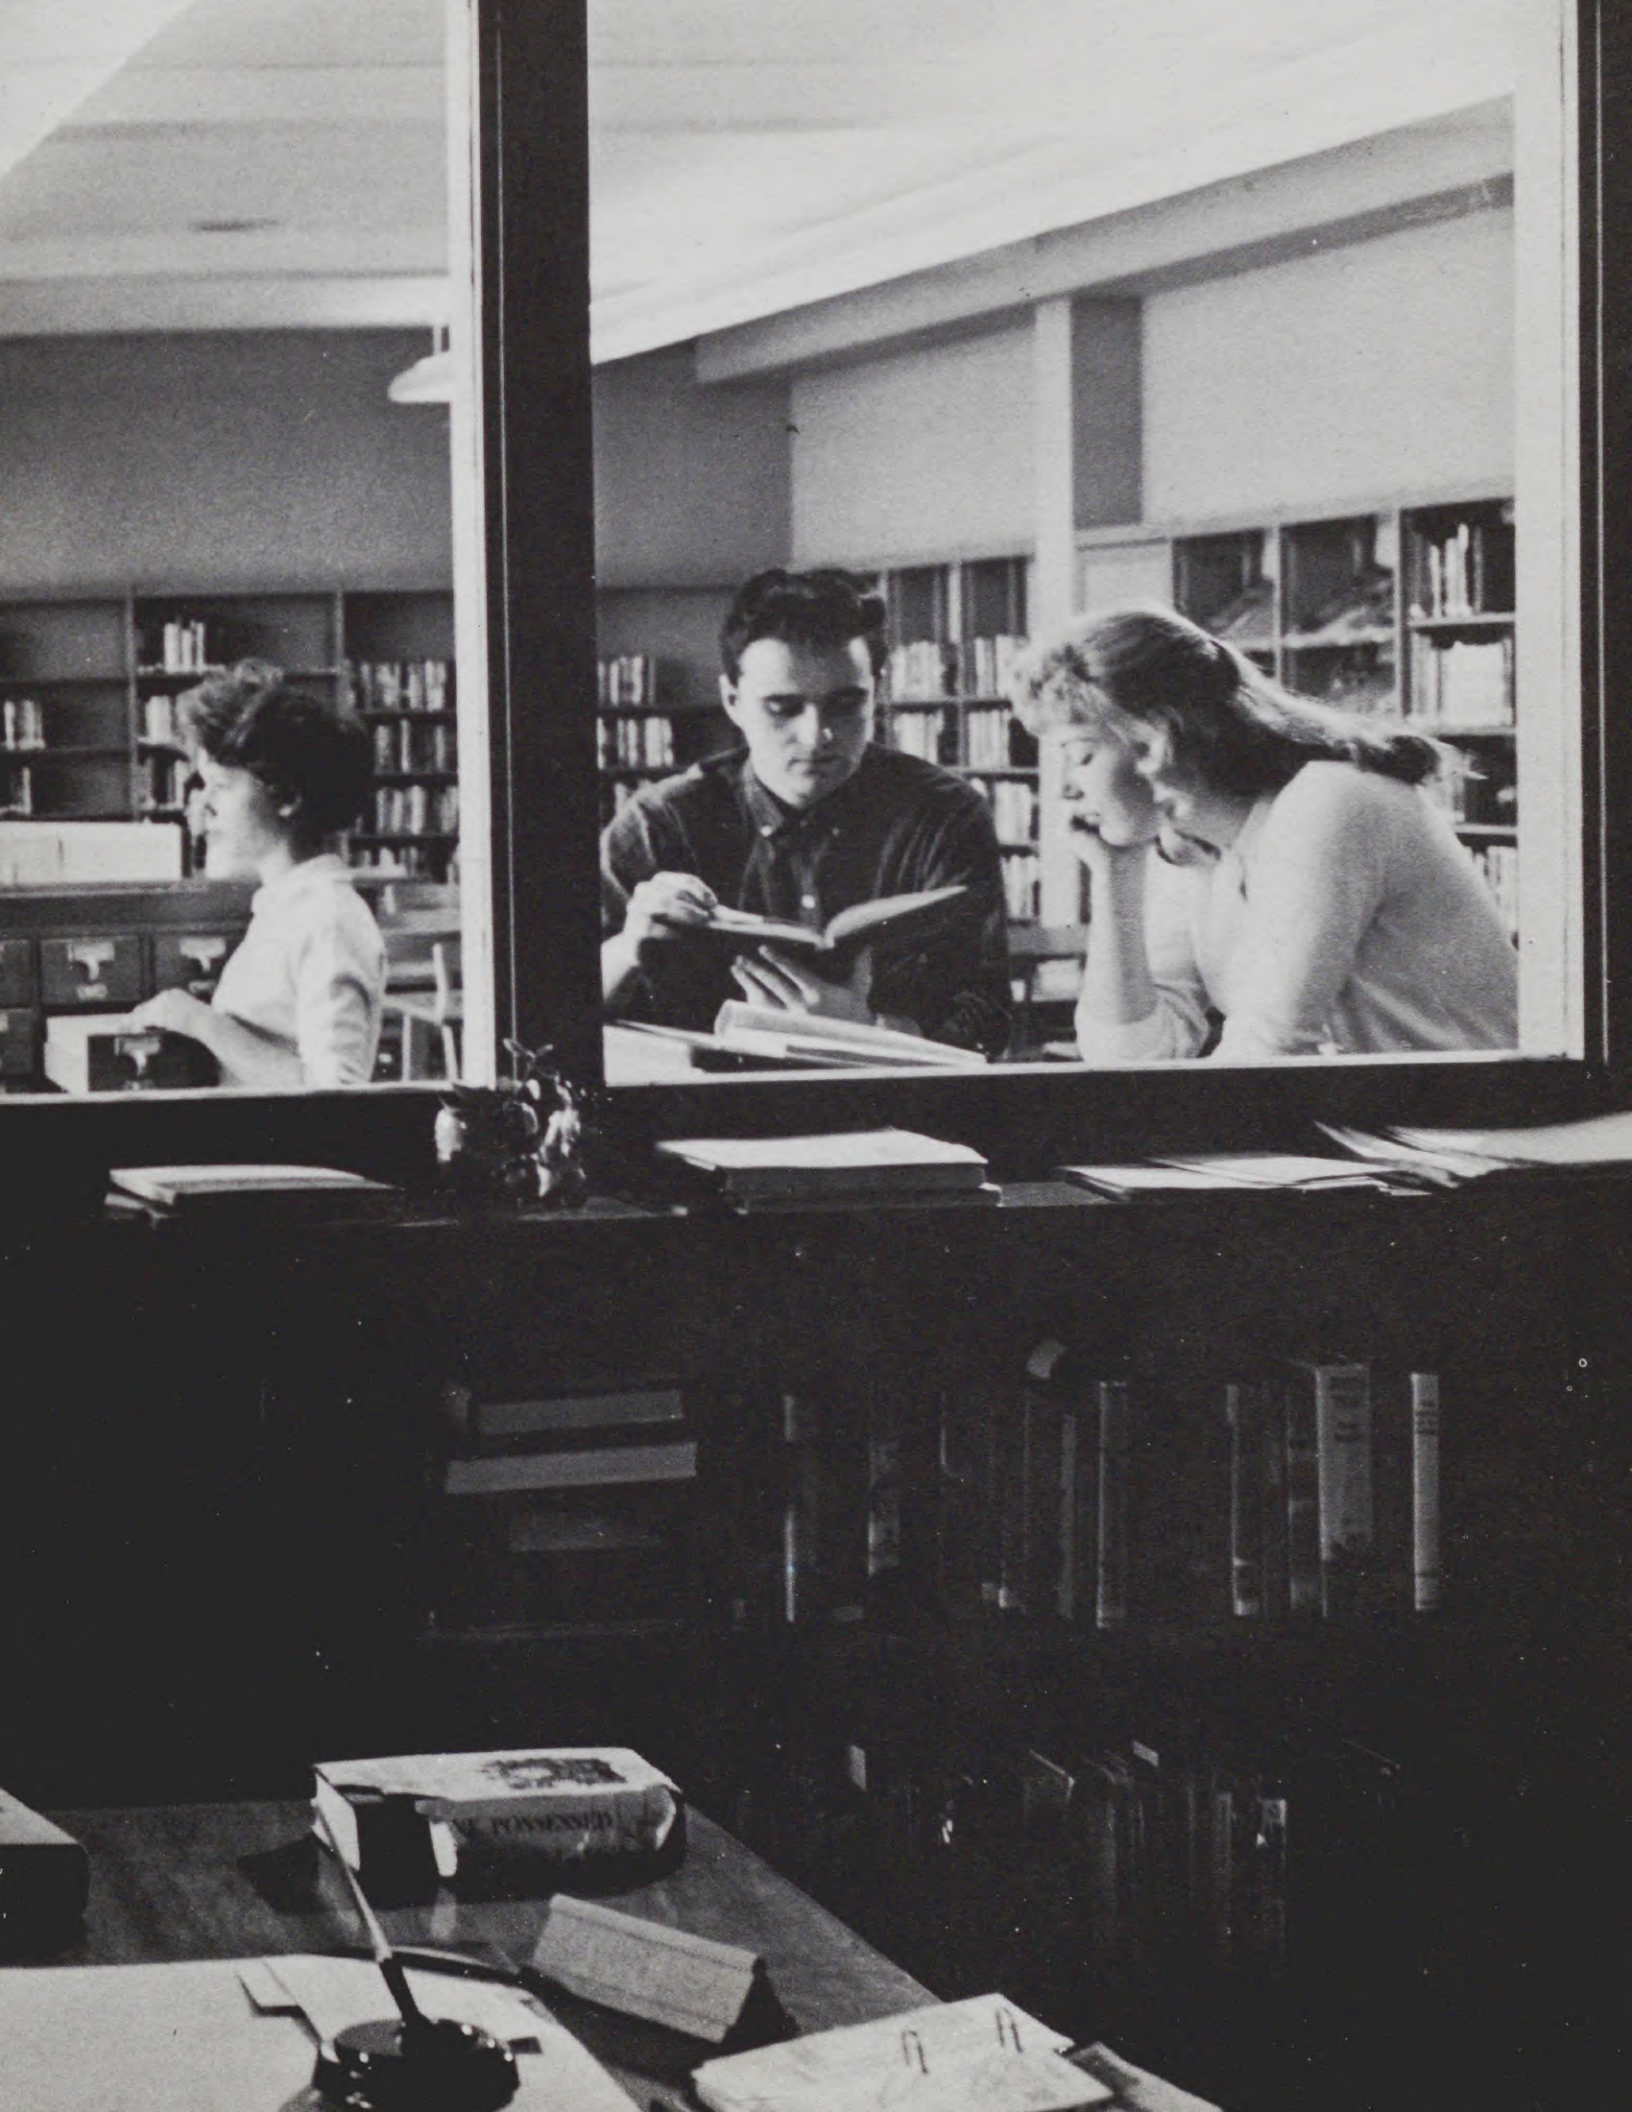

We, the members of the class of 1959, will in the future look back to our years at Regional. When we look back we cannot help but remember Gary Bruce Lawrence, who was our classmate and friend.

Although he is no longer with us, he will, in a sense, always be a part of those who knew him. We shall remember him for his spirit of fun and for happy laughter which brought enjoyment to those closest to him.

Underclassmen

The Juniors

The biggest event in the life of every junior is the Junior Prom. With much hard work on their part, and with the assistance of their class advisors, Mr. Edward Kursar and Mr. Joseph Moran, the juniors once again made the annual event a grand success.

As June drew near the juniors looked back on happy memories of their three years at Regional and looked forward hopefully to a bright senior year.

The Sophomores

After two years at Regional the sophomores have become well acquainted with the school and the people in it. The highlight of their sophomore year was the Halloween Jack-O-Lantern Jamboree. Decorations included corn stalks, paper skeletons and jack-o-lanterns, all of which carried out the Halloween theme.

The class of 1961 is now eagerly looking forward to becoming upperclassmen.

The Freshmen

The freshmen have had a busy school year getting acquainted with many new faces and with the program of Arthur L. Johnson Regional high school.

They were first introduced to the school on Freshmen Day when they followed a regular school day schedule with shortened periods.

The freshmen worked together as a class on the very successful Freshman dance. They were aided by their advisors, Miss Barbara Bochis and Mr. George Leber.

Activities

Dancing cheek to cheek.

Seniors dance at Crystal Ball

Soft music, gay laughter, and the rustling of skirts filled the gymnasium on the night of December 13. Couples stepped from the cold winter night into a winter wonderland. The walls of the gymnasium, covered with snow crystals; the false white ceiling; and the sleigh filled with packages, in the center of the floor

set the mood for the "Crystal Ball."

Couples danced to music supplied by Buddy Dee and his orchestra and dined in the cafeteria at tables decorated with poinsettias and pine branches.

In the latter part of the evening Sandra Karle was selected queen.

Couples relax between dances.

The Junior Prom of the class of 1960 was held this year in the Martinsville Inn on April 24. Persons who attended enjoyed a steak dinner and danced to the music of Don Gibson and his orchestra. The theme was "Moonlight and Roses."

The highlight of the evening was the crowning of Dorothy Griffin as queen. She was crowned by Marie Choborda, last year's queen, and was presented with a charm bracelet.

Typical scenes at Johnson Regional

During the school year these are some of the scenes we see every day in classes, between classes, in the library, and at lunch. They are very much a part of our life and will in the future provide us with many memories.

Seniors present "Seventeenth Summer"

The Class of 1959 chose to present Maureen Daly's "Seventeenth Summer" as their senior play. It is a play about Angie Morrow who suddenly discovers that she has grown up. She and Jack Duluth, a boy who lives in her town, become interested in each other and enjoy many happy times together during the carefree summer months.

The cast, directed by Mr. R. Parkinson, rehearsed their parts for many weeks. The work put into the play was reflected in the fine performances of all the actors.

Vocal groups entertain

Johnson Regional students with the desire and ability to sing joined the various vocal groups and under the direction of Miss Midkiff enchanted both parents and students with their songs at the Christmas and Spring Concerts.

The Bel Canto, our most talented group, once again filled our school with Christmas spirit, as they went through the halls singing the old, familiar Christmas carols just before the holi-

days. This group also sang at many outside functions, thus bringing prestige to our school.

The Choir and Glee Club sang both religious and secular selections at the Christmas Concert. Later in the school year they performed gay songs of spring at the Spring Concert.

This year a new vocal group, the Beginning Chorus, has been formed. These students worked to learn the basic fundamentals of good singing.

The audio-visual center staff kept audio-visual materials, such as movie projectors, screens, tape recorders, film strip projectors, and record players, in good condition and helped to make them available to teachers as needed.

Boys belonging to the fire patrol held doors

open for students during fire drills and checked all classrooms to be sure windows and doors were closed and lights were turned off.

The sound studio crew made all announcements over the sound system and played music over the system before morning homeroom and during lunch periods.

The art club filled requests, from any department, for posters.

Students elected to Honor Society, Key Club

Each year a certain number of students are elected to the National Honor Society and the Key Club. In order to be elected to the Honor Society a student must be in the top quarter of the junior class or the top third of the senior class. He is elected on the basis of character,

scholarship, leadership, and service.

To become a member of the Key Club, a club for boys sponsored by the Kiwanis, students must also be elected. This year's officers are Tom McManamy, president; Mike Longo, vice-president; Steve Sell, secretary; Carl Saltis, treasurer.

Clubs help prepare for future

The Future Teachers of America and the Nursing Club have had a busy year preparing their members for the professions they will pursue after high school.

The FTA had a teachers' aid program in addi-

tion to films, speakers, and discussions on college and the teaching profession. Their annual Smorgasbord was a great success.

The Nursing Club has learned much about the field of nursing through discussions and field trips to hospitals.

Johnson Regional's Student Council members, as representatives of the entire student body once again worked hard for the benefit of our school.

Among the activities the Student Council sponsored this year were the canned food collection for St. Walburga Orphanage at Thanksgiving and the home room door decorating contest at Christmas. The members of the Council also helped to put the school in a holiday

mood with decorations in the entrance hall and in the cafeteria.

With the assistance of Miss Burns, Student Council adviser, the Council sponsored the annual "Mr. Regional" dance. The Student Council also runs the Student Store where school jackets and jewelry may be bought.

Officers of the Council are elected each year by the student body. Homerooms are represented by their presidents whom they elect at the beginning of the year.

Members of the Math, Advanced Biology, and Debate Clubs have completed a successful year in which they devoted their time to learning more about math, biology, and debate.

The Math Club worked on math problems and in the spring did some surveying, using the math they had learned.

Through taking field trips, hearing speakers, and working on projects, the Advanced Biology Club has become acquainted with the many specialized fields of biology.

The Debate Club sponsored a debate tournament at our school in January, and attended a debate clinic at the University of Pennsylvania in Philadelphia.

Students develop outside interests

Through the Distributive Education Club of America and the Explorers many students have developed an interest in school-supervised extracurricular activities.

The Distributive Education Club, which is part of the Distributive Education course, in-

creased the students' knowledge of methods of selling and during the year sold stuffed animals.

The Explorers, a senior branch of the Boy Scouts, performed service projects for the town, went on camping trips, and are now planning for summer camp.

Heavy line-up for Crusaders

Johnson Regional has fielded a football team for three years, and each year the identical record of 3-4-1 has been achieved.

This year's team showed constant drive and hustle in all of their encounters. Regional had the distinction of displaying one of the heaviest lines in the county, with Tom McManamy at 218; Joe Provenzano, 195; and Mike Iozzi, 225.

A sad note for next year is that seventeen members of a team of thirty-six will be graduating. This includes most of the starting line-up.

Returning to bolster next year's eleven will be Mike Iozzi, Bob Sevell, Jim Zilai, Bruce Burr, Carl Soltis, Leo Standish, and George Stryker.

Basketball team records successful season

Regional's Hoopsters with the coaching of Mr. L. DeRosa and Mr. L. Peragallo completed their most successful season in three years. Included was an upset over Cranford, runner-up in Union County, and victories in the U.C.C. and State tournaments.

High scorer among this year's players was Howie Dircks, who averaged about thirteen points a game. Bill Kennedy scored the season high of twenty-seven points against Hillside.

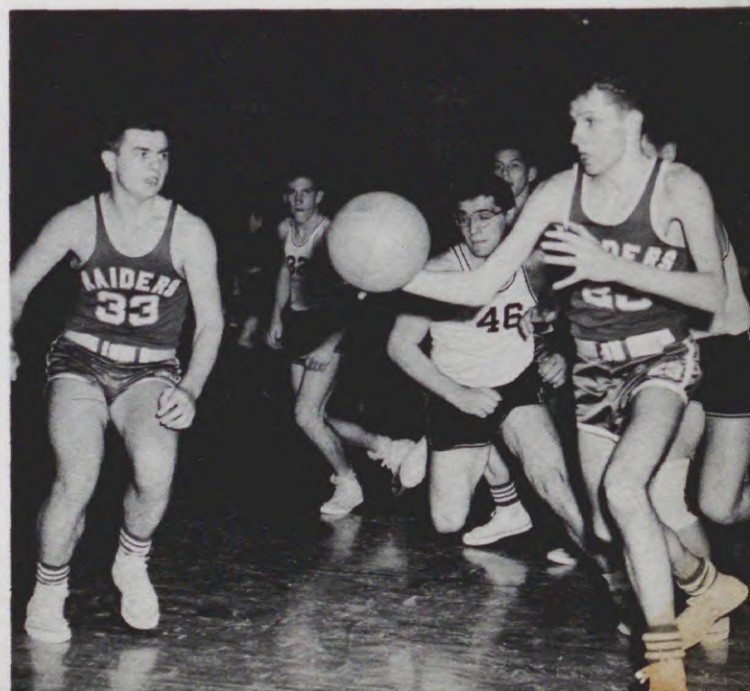

Graduating from this year's team are: Joe Provenzano, Howie Dircks, Bill Kennedy, Tom McManamy, Randy Getchis, Norm Zimmerman, Lee Pecina, and Eric Tonnessen.

Plaudits for our grapplers

Under the leadership of Coaches D. Pavlin and R. Stanley, Regional's Grapplers recorded one of the best records in Union County.

The close of the season left a few memorable events in the minds of wrestling fans. Richie Bogart, who wrestled in the 105 pound class, went through the entire season undefeated. Hank LaBate came away from the Union County Conference tournament with the championship in his weight class in Group 5.

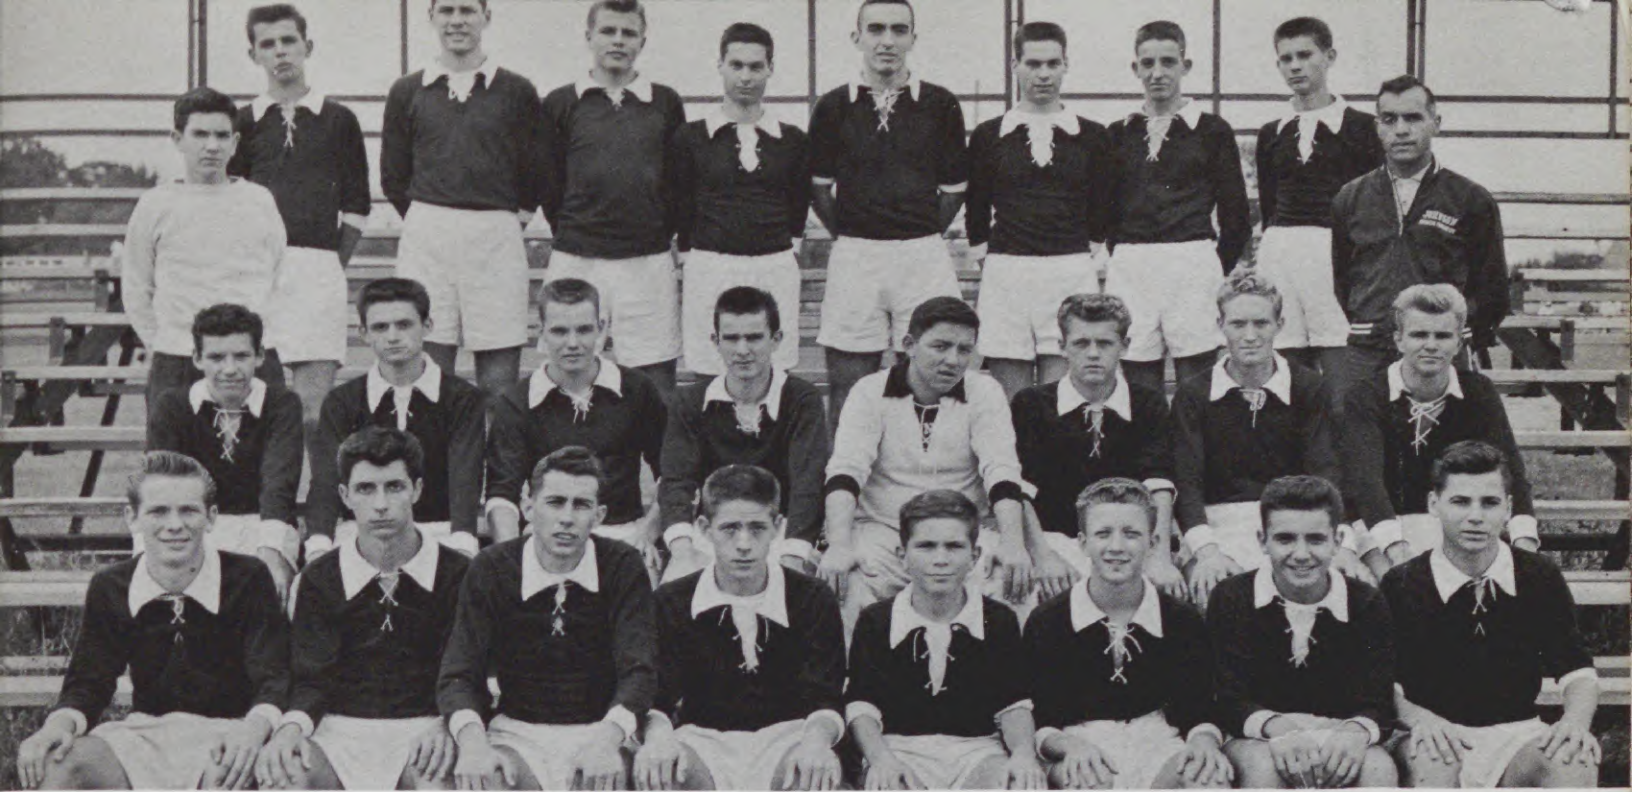

Although losing Dane Mottlau, Richie Culbert, Hank LaBate, Bob Peters, Jay Greene, Joe Carey, and Phil Metz, next year's team can look forward to outstanding performances from Richie Bogart, Wayne Stemmer, Ed Radcliff, and Art Chalenski.

Hustle and courage mark booters

This year's soccer team, under the supervision of Coach L. Peragallo, encountered the "sophomore jinx" so common to athletes and athletic teams.

Although displaying hustle and courage the team managed to win but one game.

Graduating members of this year's team in-

clude Mike Longo, Dane Mottlau, Jim Skordy, Norm Zimmerman, Eric Tonnessen, Bob Knorr, Rich Knorr, Lee Pecina, and Howard Krainin.

Returning next year to bolster the team are Ralph Bianchi, Wayne Stemmer, Mike Kostelnik, Roy Quist, Richard Beylon, and Bob Stanke. Bianchi and Stemmer were elected co-captains by the team at the close of the season.

Newly constructed diamonds put to use

The 1959 baseball squad was fortunate to have almost the entire 1958 team return. Returning among the pitchers were Art Lundgren, Rowland Caswell, Bob Siano, and Bernie Massari. The infield was composed of Bill Kennedy, Joe Provenzano, Mike Kostelnik, Junior Vierra, and Larry Herold. Patrolling the outfield were Mike Longo, Ralph Bianchi, and Frank Schiller.

Coach Walter LaPraire's team was started off on the right foot when they were able to utilize the newly constructed baseball diamonds. A season highlight was Art Lundgren's striking out sixteen Carteret batters early in the season.

Will it be a strike?

Boys' bowling was a great success this year for the second time in a row. Under the direction of Coach Clayton Davies the intramural teams had another highly competitive season. Besides bowling weekly at nearby Clark Lanes, boys bowled in the Union County High School Tournament. Competition was keen throughout the season for the top positions in the league and many boys showed individual high scores. Vic Stephens, Ken Maragni, Bill Fisher, and Bill Castagno walked off with first place in the league, and Vic Stevens showed the highest individual game with a 244.

At the end of each year the Girls' Athletic Association, which organizes all girls' sports, holds a Sports Round-up, to which both the girls and their parents are invited. At this time the girls who have earned credit for three or more sports receive their appropriate awards and the special G.A.A. award is given. The results of the election for officers is also announced.

Girls play soccer at Union, Dayton

To receive credit for soccer, girls must participate eight times. This year the teams played Union High School and Dayton Regional High School, although the junior and senior games with Dayton Regional were cancelled due to inclement weather. The girls' final soccer record was 2-3-1.

G.A.A. spurs Bowling interest

In January, when bowling registration was taken, almost two hundred girls applied. All were accommodated at the spacious Clark Lanes. The girls were divided into teams of three or four each, and these teams were then further divided into three leagues. Monday's league was the smallest with only nine teams; next came Wednesday's with twenty; and finally Tuesday's, with twenty-one.

New activity interests many

This year, for the first time, the G.A.A. was able to offer horseback riding as one of its many activities. The girls were driven to the Green Acres Stables where they were first taught the fundamentals of riding and later allowed to ride on many different trails.

HORSEBACK RIDING

Girls organize Softball teams

This year, as in the past, many girls participated in the popular spring sport of baseball. The girls signed up as a team and then elected a captain. Each week the various teams played each other until they had attended enough times to receive G.A.A. credit.

Archery interests many

Archery again proved to be a popular pastime for many of our girls. After school they could show their skill as archers, as well as make some new friends among the girls.

Modern Dance teaches girls grace

One of the two new activities offered to G.A.A. members this year was a modern dance club. Each Wednesday, for nine consecutive weeks, a stream of girls could be seen pouring into the gym. Later in the year, Miss Bochis began an advanced modern dance club in which she taught some of the more involved phases of the dance.

Record number swim at Y

Each year the combined G.A.A.'s of Dayton and Johnson Regionals have shared the pool in the Westfield Y.W.C.A. This year such a great number of girls from both schools signed up that it was necessary to cut the swimming time in half. Instead of swimming from six to seven o'clock as planned, Johnson Regional had the use of the pool from six to six-thirty o'clock.

SWIMMING
