## Underclassmen . . . 102, Activities . . . 140

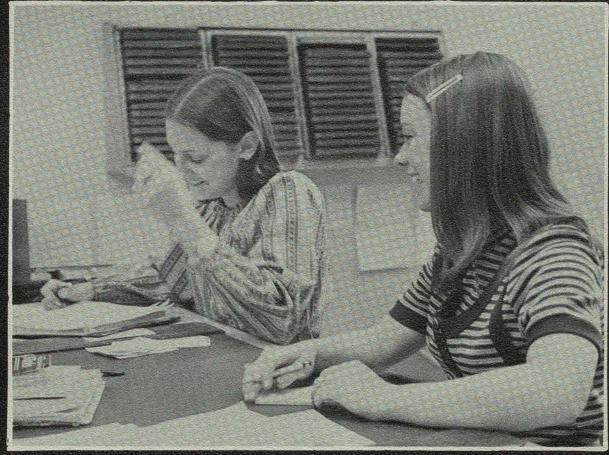

Before you begin separating my pages and pouring over my photographs, to gain a greater understanding of me, we ought to be introduced; I am your Lance. I hope to stimulate thought of all of your high school experiences, not only these few here, that have been captured through the eye of a camera and set down on paper.

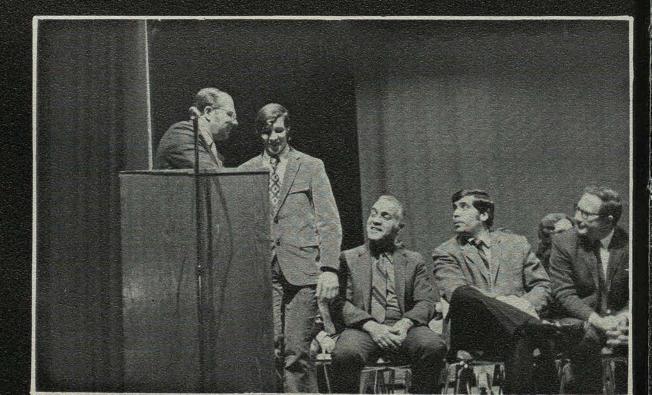

As you can see, I have changed just as you have changed since you entered the ninth grade. You have become a unique body of people, having varied interests but similiar in that you are all a part of my content. So I will seek to serve you, not to teach, classify or amuse you but to act as a guide when thinking back to the Arthur L. Johnson Regional High School, 1972.

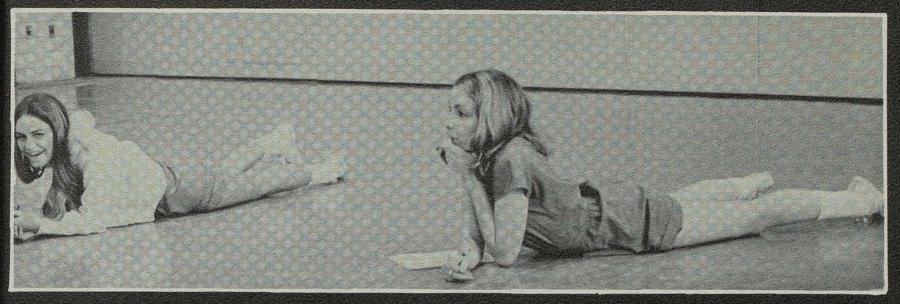

## Seniors

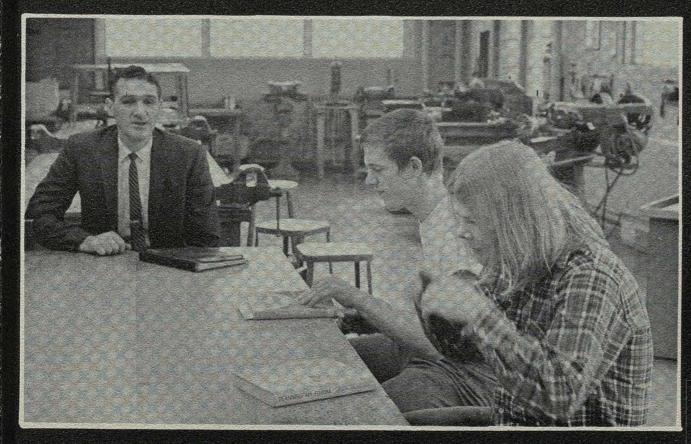

Paused on the doorstep between the familiar and the frightening unknown, Seniors need to be reminded that the future will not be so strange and different from what they have known. The types of people, the knowledge obtained from them and the situations experienced in high school are all real and definite parts of life and will remain so, no matter how varied their lives become. For each Senior, high school has been a different stage in his or her development. These individual purposes of secondary education are not fully realized until after graduation. It is the intent of this book to sift these out and to bring them to the attention of those seniors who will gaze at their fellow companions, knowing but not being completely aware of their significance 'til now.

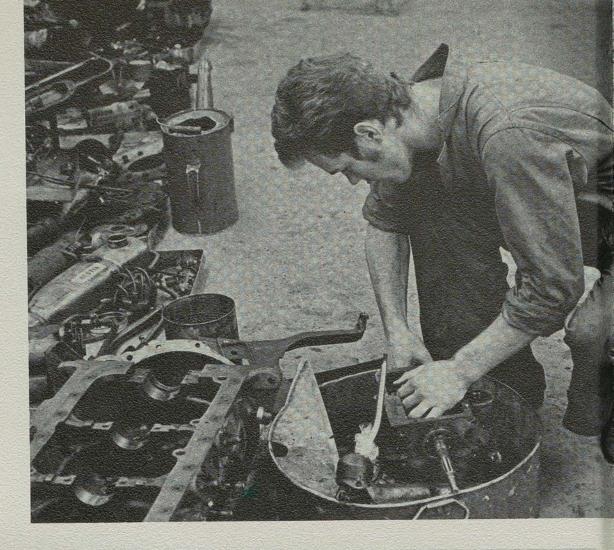

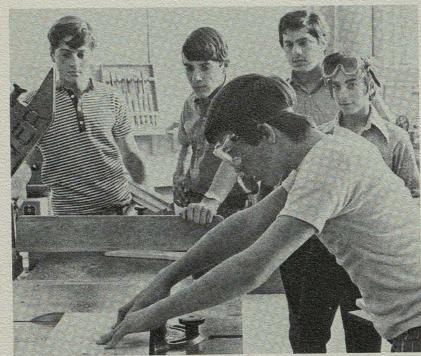

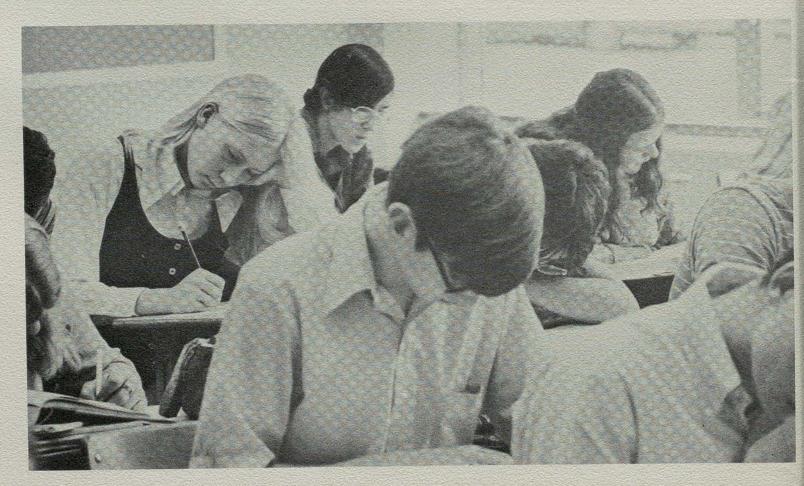

"Four years aren't so long when gone forever." Our message to underclassmen is to be aware of the opportunities presented to you during high school life. Enjoy every precious moment. Learn from and about the people around you. And when you finally become seniors, remember: some of your best friends might be sophomores. The "Take Time" poem is dedicated to the classes of '73, '74, '75, '76, . . . . .

Jake time to work,

it is the price of success.

Jake time to think,

it is the source of power.

Jake time to play,

it is the secret of youth.

Jake time to help and enjoy friends,

it is the source of happiness.

Jake time to dream,

it hitches the soul to the stars.

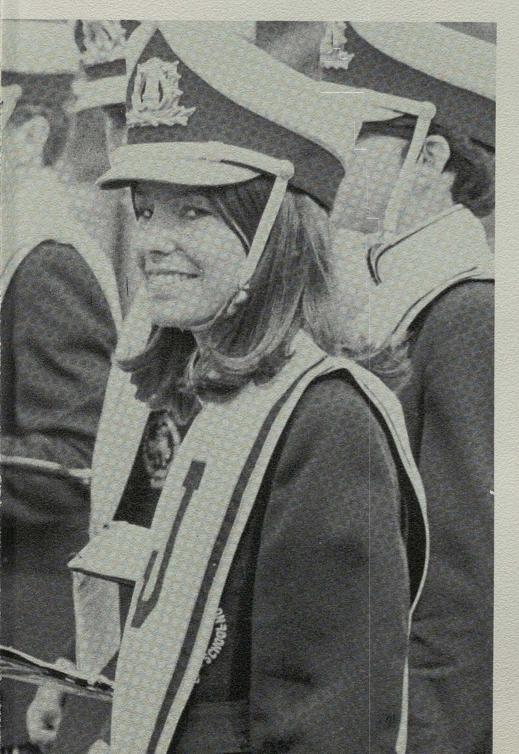

Jake time to laugh,

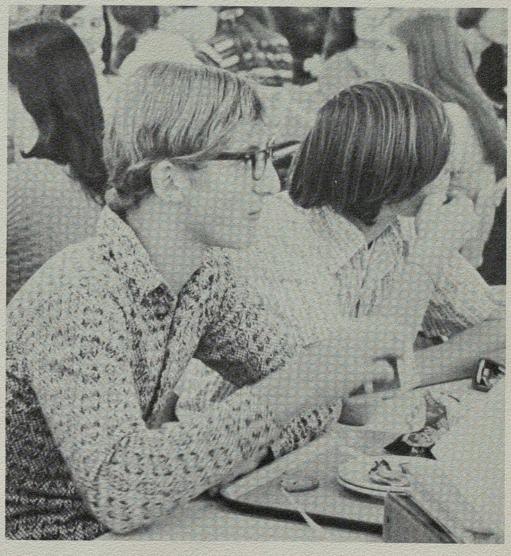

it is the singing that helps life's load.

Jake time to love,

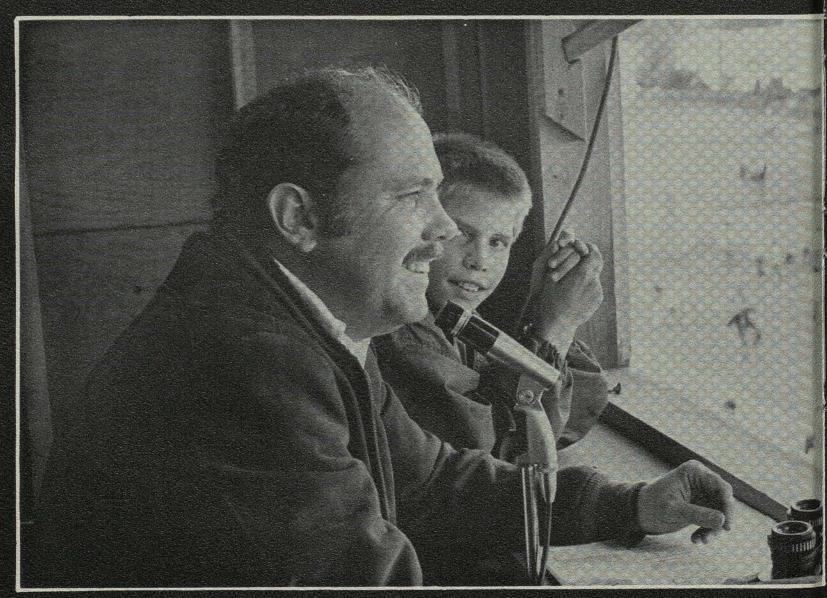

it is the one sacrament of life.

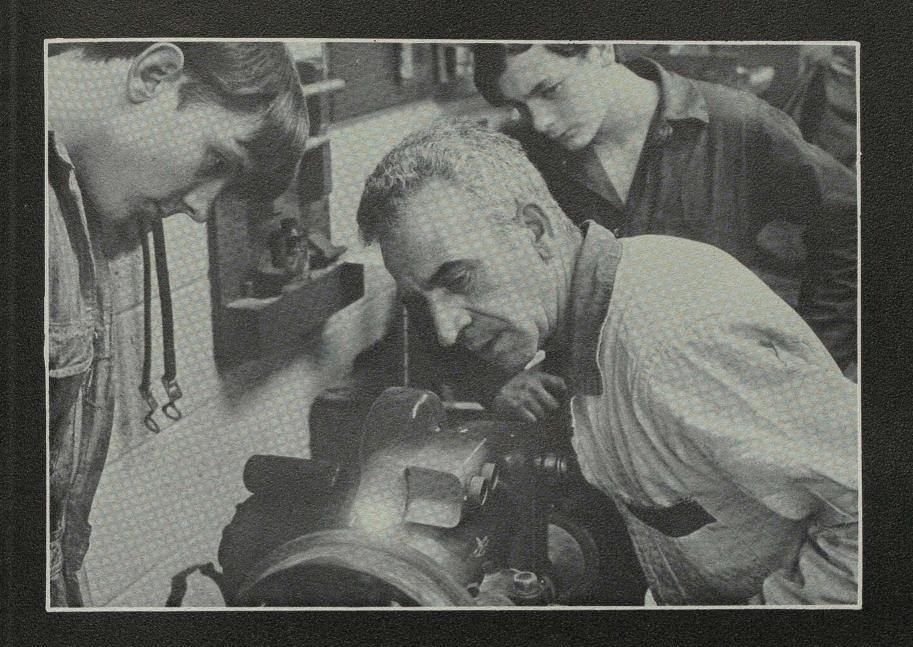

## Underclassmen . . . "Four years aren't so long"

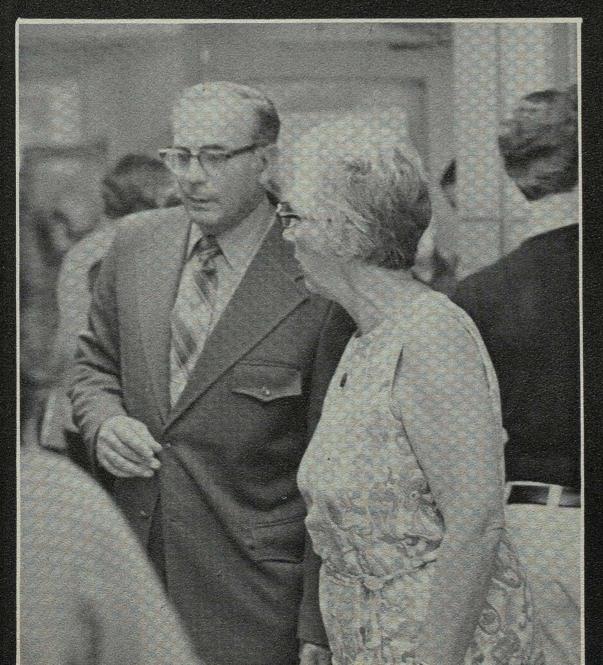

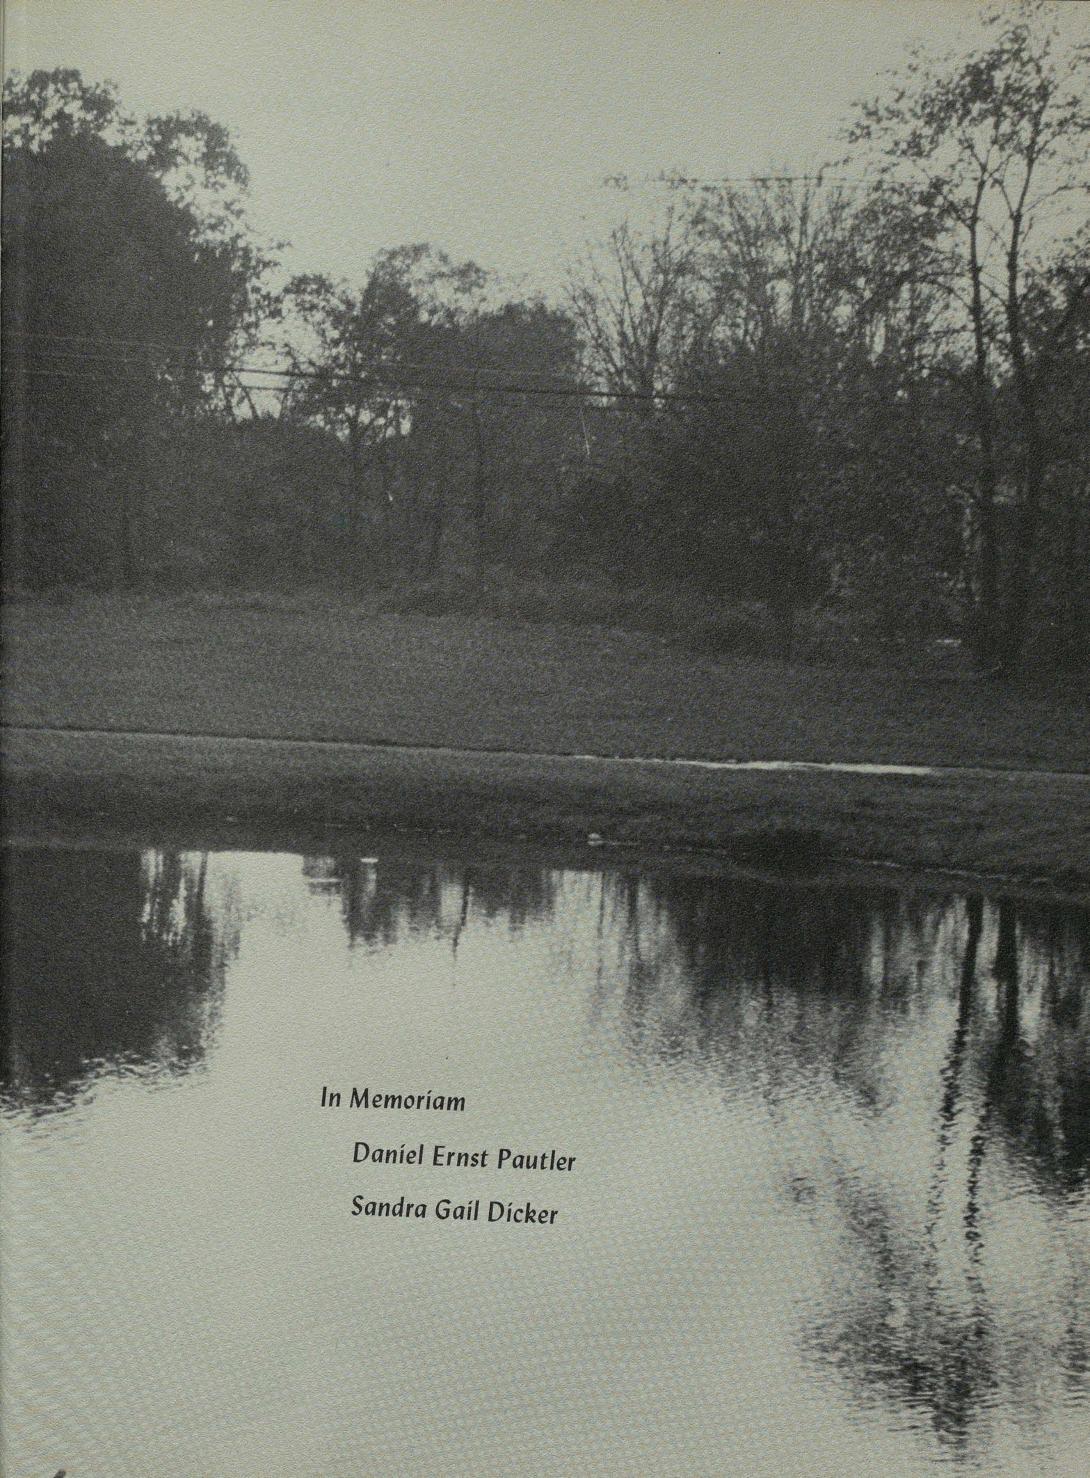

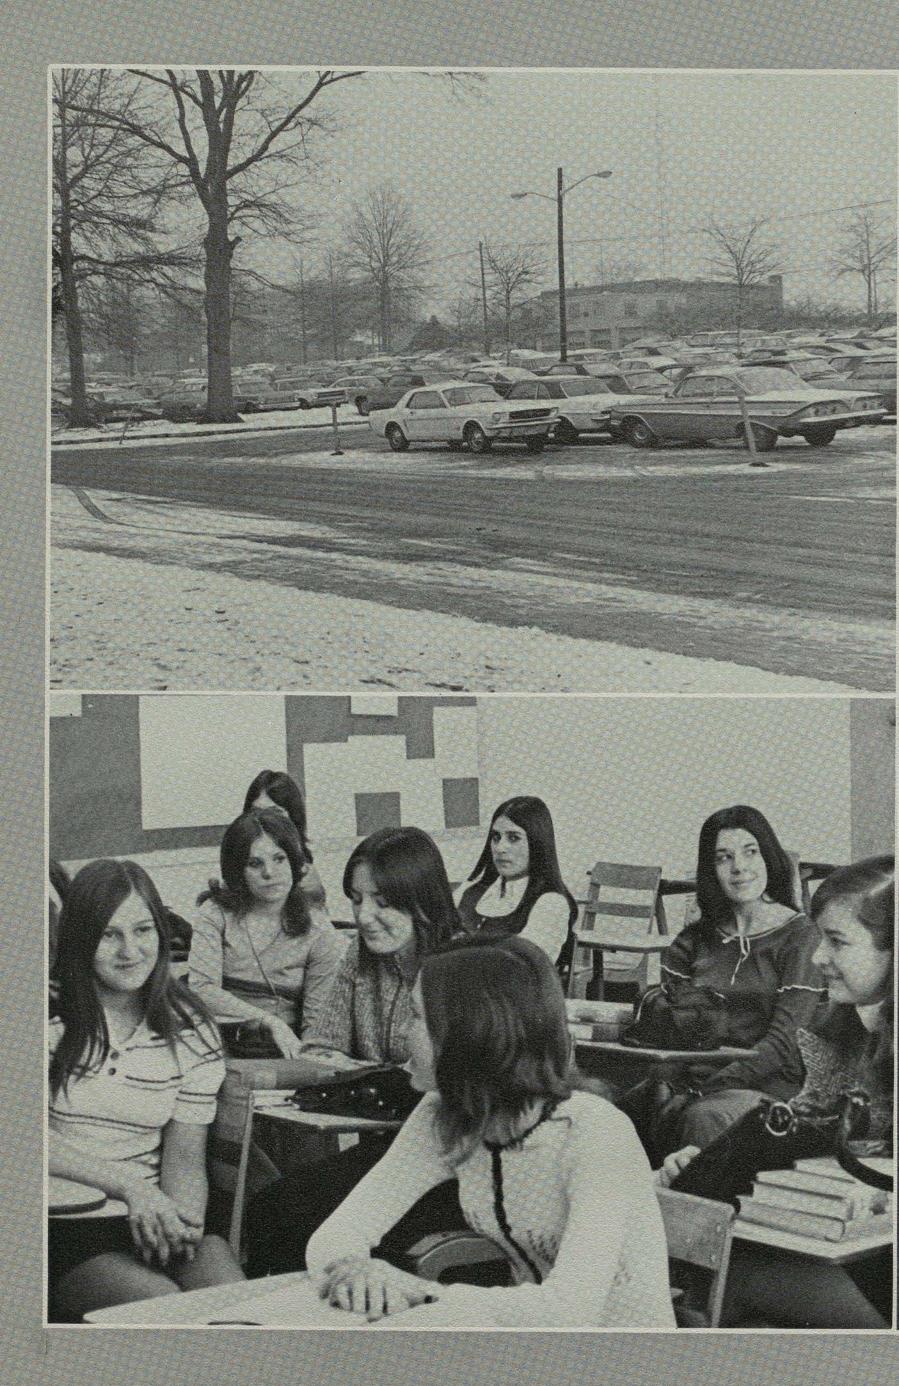

Thank you. These are words often said to an individual, a few persons or many people. Here, it is necessary to recognize all three. The various organizations and departments of our school performed services which could not have been matched by anyone else. More specifically, the administration, faculty, and guidance department, as well as the student body are to be commended, each for their unequaled efforts. Finally, certain individuals stand out whose generosity and concern surpass average levels. It is these dedicated people, who are easily recognized by all and need not be mentioned here, that are to be reminded of their worth. To all these, a tangible expression of gratitude is required for it is to this ideal that the Lance is dedicated; it is all worthwhile even if the only result is a humble . . . thank you.

Mark McDevitt

The Johnson football team started the year with a new mentor, Coach Farrington. Coach and his assistants, Coaches Maikos, Foster and Susko, had to teach a whole new system. The team worked harder than ever. Captains Rodrigues and Lockwood lead the team that was number 1 in fighting spirit. But inexperience and injuries hurt as the Crusaders lost several games in the last few minutes. Their potential never seemed to show. Many juniors and sophmores gained the experience to make next year's team a success.

Bob Joffe

Co-captains Bob Joffe and Mike Brady lead this year's soccer team to a 9–5 season. Coach Shustack placed the emphasis on defense. Inexperience hurt the team, with only three lettermen returning from last year. Seven juniors were key players including four starters, making the outlook for next year bright. More fans came to this year's soccer games than ever before. They were lead of course by "Pops" DeCarlo, who attended all of the games.

## Cross Country

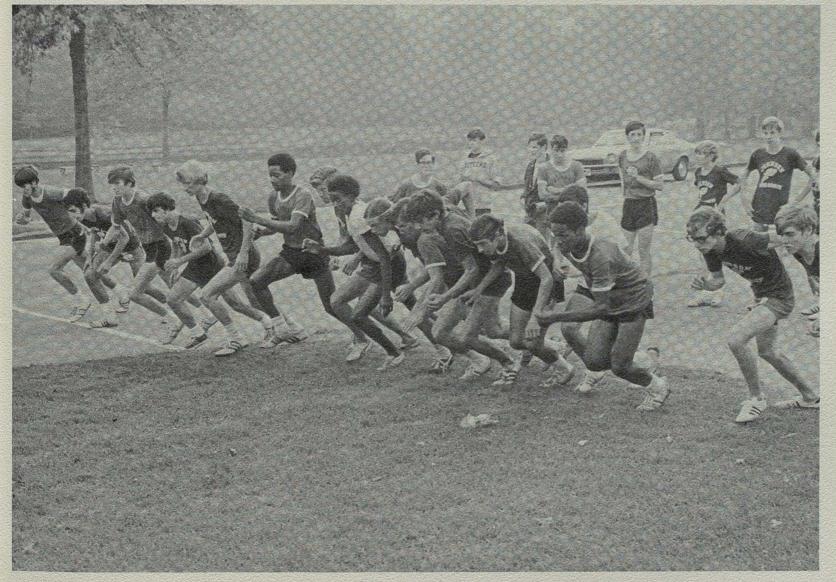

Speed, endurance, and true dedication are the three prerequisites for the cross country team. Coach Galiszewski's forces are the school's unknown heroes. This season was not the first winning season in the school's history, as was expected. But it did give many underclassmen the experience that could be invaluable next year. Bob Krafft and Ted Rudnicki were the only seniors on the team. Mark Nascimento, Rich Clarson, Steve Schrader and John Bencivenga were the leading juniors. But for the cross country team it was another "wait until next year."

Front Row — Joe Bobertz, Bob Parin, Jeff Felter, Bill Cymansky, Vinny Rudo, Jim Byrne. Back Row — Jeff Gorski, Jay Opperman, Greg Hurley, Harold Kisner, Jack Lewis, Bob Schwankert, Coach Iannelli. Missing — Mark Keitel.

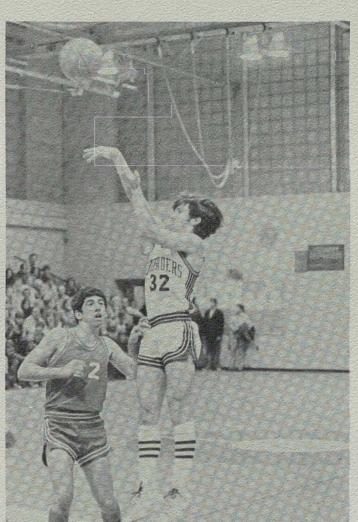

Mark Keitel Beats his man inside.

Greg Hurley: A rarity, a big man who can handle the ball.

The 1972 Johnson basketball team was characterized by inexperience. Only four seniors and three lettermen returned from last year. Mark Keitel, with an explosive jump shot, and Greg Hurley, from inside, were the big scorers. Jeff Felter showed the poise and skill needed to control the tempo of the attack. Harold Kisner did a strong job rebounding on either end of the court. Jay Opperman and Billy Cymansky shared the final starting spot with Vinny Rudo and Bob Parin coming off the bench for the spark.

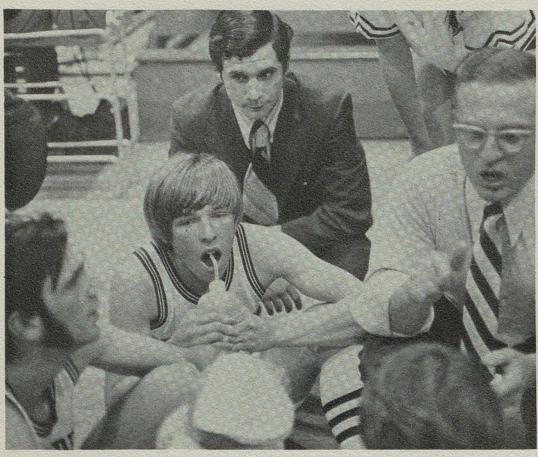

This year will surely give the many juniors and sophomores the experience and confidence needed to make next year's team very successful. The season started with a stunning, opening night victory over Dayton Regional. It was Coach lannelli's first win against the school he used to coach for. Soon after that, the Crusaders finished third in the eight team Colonia Holiday Classic. These were only parts of the tough schedule the team faced. Such teams as Westfield, Roselle, Cranford and Springfield were all ranked high in the county or state. It should prove to be a key year in the building of Johnson Regional into a powerhouse on the basketball court.

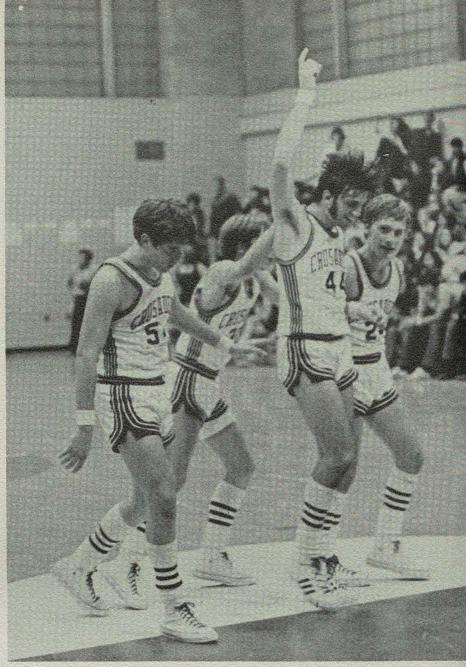

Sophomore Vinny Rudo "pops for two."

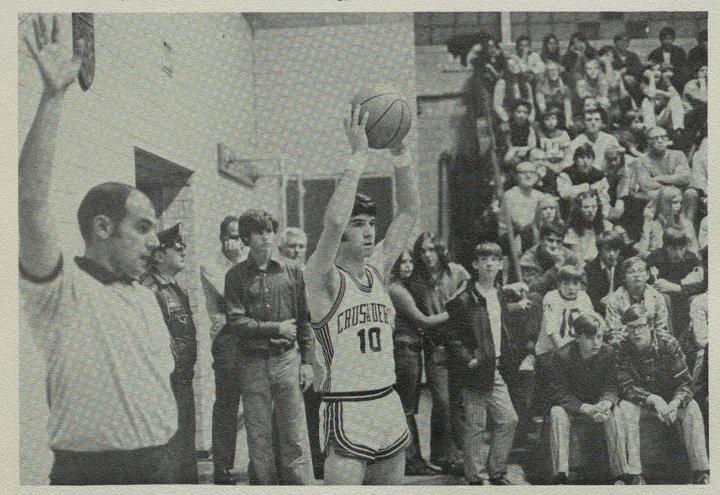

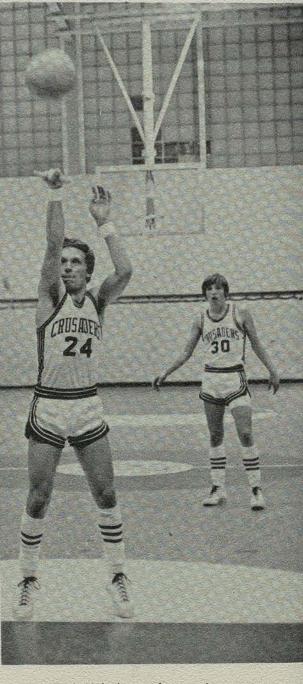

Bill Cymansky takes in last minute strategy from Coach lannelli.

Kisner, Keitel, and Hurley: The Joy of Victory.

Jeff Felter looks for a teammate.

Mark Keitel completes a three-point play.

Gary Gordon emerges victorious from a hard fought match.

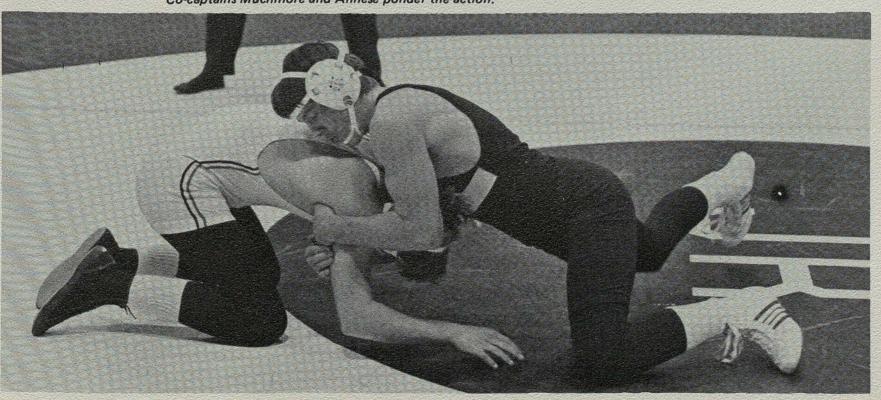

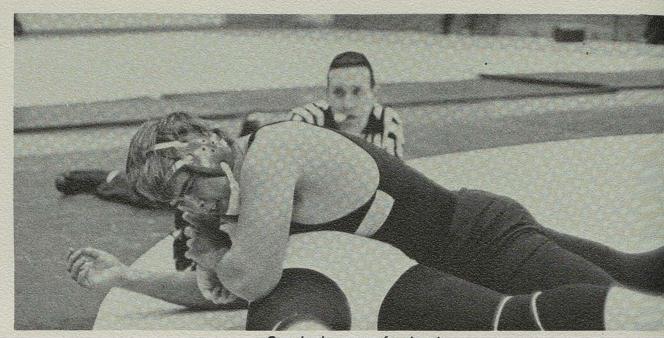

Co-captains Muchmore and Annese ponder the action.

Seniors held the key to success for this year's wrestling team. Co-captains Frank Annese and Ed Muchmore excelled in dual meet and tournament competition. Seniors Mark Vernacchio and Ziggy Opperman compiled strong records. The team's strong points were the tough middle weights. These included Annese and juniors Jerry Mehalick and Dean Steele. Taking the heavier spots on the squad were juniors Warren Geissel and Jeff Krov and heavyweights Gary Lesko and Jeff Hartmuller.

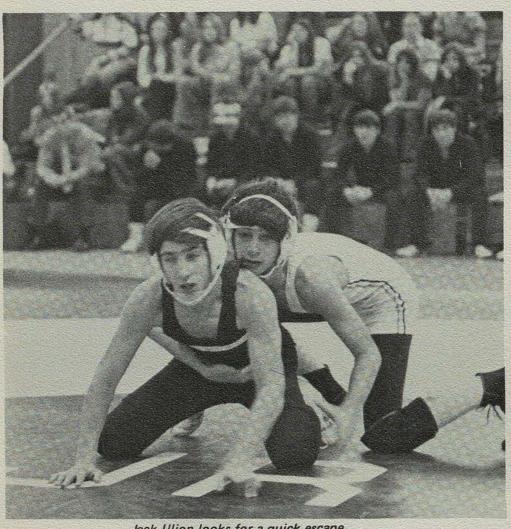

Each season the wrestling program at Johnson continues to develop. This year there was more crowd support than ever. A.L.J. hosted our first holiday tournament this winter, placing second to Carteret in a four team field. Things like these made it a very successful season for Coach Redfern's wrestling program.

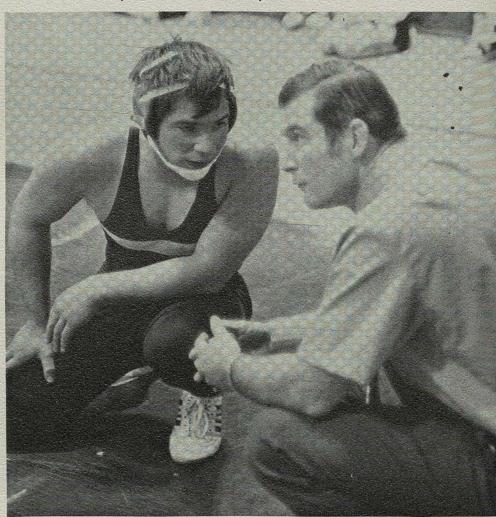

Junior Warren Geissel strains for a takedown.

Cosmetology expanded its state approved beauty culture course by including an additional unit concerned with charm. Also, the amount of field trips increased so that upon graduation the students have already selected their specialty in this field.

In home economics many projects were presented to the students which involved experiences with young children and the managing of a home and family.

The music department also expanded. The addition of more concerts to its curriculum added some extra work but turned out to be very enjoyable. "I hope I manage to live through the year," remarked Miss Novak.

We have reached the point where man has control of, and the responsibility for, his environment and resources. The science curriculum in all areas included a study or discussion of ecology. Activities

The Crusader Band, directed by Mr. Jupina, performed at all our football games. The band spent many hours outside, practicing routines used in half-time shows. In addition to football games, the band participated in various community activities. During the winter and early spring, the band stayed indoors in preparation for their winter and spring concerts. At the end of each year, the entire Band travels to Atlantic City to march in the Elk's parade and enjoy a day at the shore.

### Cheerleaders

Our Cheerleaders work as organizers of school spirit and team support. "This year's squad is very talented and they work well together," remarked Nancy Pinkham, Cheerleader captain. They not only cheer during the fall but continue through the winter at basketball games and wrestling matches. Cheerleading isn't an easy job and the girls spend much time and energy boosting team morale.

G.A.A.

The largest membership of any club can be boasted by Johnson Regional's G.A.A. (Girls Athletic Association). Every year girls in all four classes sign up in order to be able to participate in the activities which take place after school.

The G.A.A. year consists of four sports seasons. The fall season results in many black and blue marks from hockey and soccer, and general aches and pains just from getting back into shape after the summer.

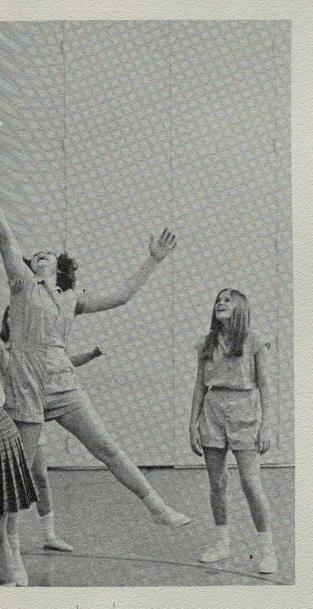

There are two winter

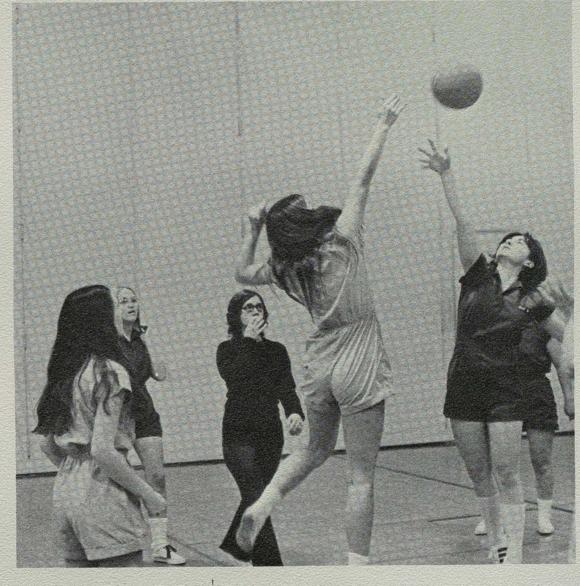

G.A.A. seasons. The first consists mainly of volleyball and badminton. This seems to go quickly because there is the spirit of the long awaited Christmas vacation. The second season includes interscholastic basketball, intramural basketball, and tumbling.

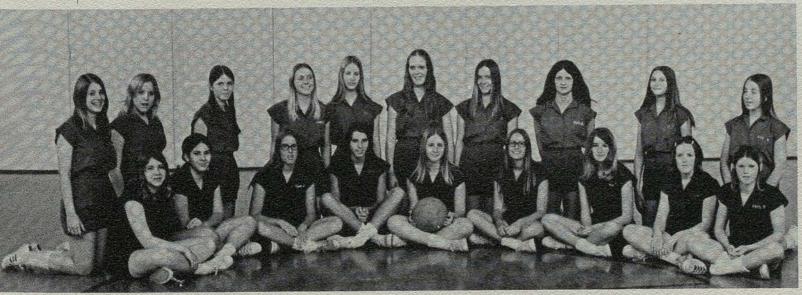

The spring season is the time for the girls to exhibit their skills as pitchers and fielders to the track and varsity baseball teams that linger around looking for pointers.

All in all, everyone can enjoy a great year of sports. You don't have to be athletic, you only need a genuine interest. At the end of the year, there is a Sports Round-up, where there are entertainment and refreshments. These are not the sole purposes of the Round-up. The main objective is to recognize persons of great achievement. There are trophies distributed for outstanding accomplishments, and each girl in three of more sports receives an award.

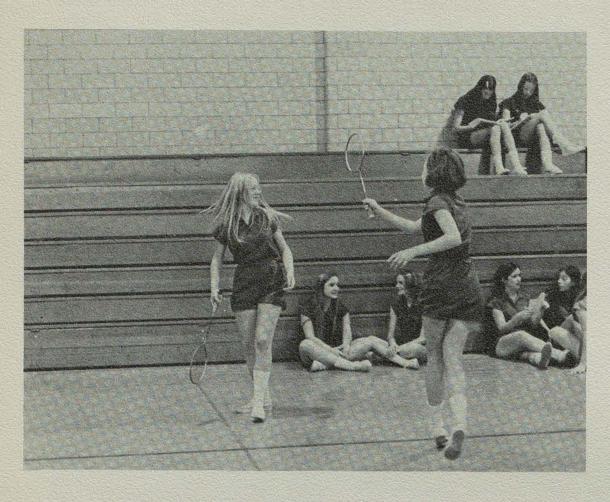

All the girls would like to say thank you to Miss Lin, Miss Short, and Miss Cady for another enjoyable year of G.A.A. activities.

Our school's literary magazine, The Quest, is put out each year by the Junior Honor English class. Students submit poems, short stories, essays, and art work. The most suitable work is selected, arranged and published.

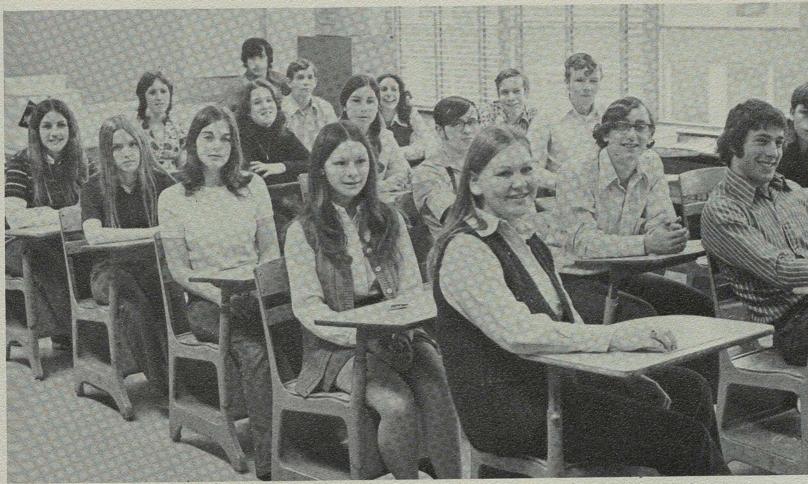

The Crusader, the ALJ newspaper keeps the students informed about their school. Articles cover a wide range of school activities including the students' opinions on these activities. The staff and Mrs. Mills, the new advisor, have done a fine job on this year's newspaper.

The Key Club is a boys' organization sponsored by the Kiwanis Club International. These boys are nominated for membership but before elected must go through an interrogation by present club members.

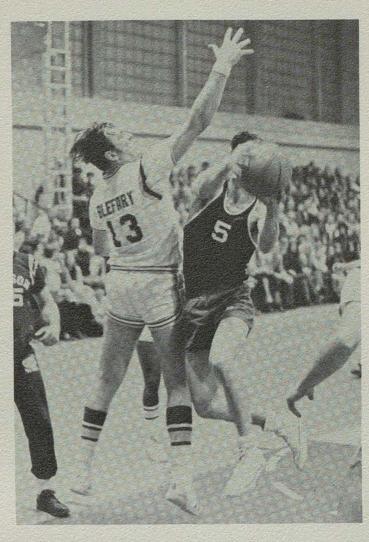

The Key Club is in charge of many activities. Members went on a drive in the fall to collect money for the St. Jude Children's Hospital. The Key Club sponsored a basketball game played by the A.L.J. faculty and major league baseball players. Proceeds of the game went to a scholarship fund to be given to a senior at the end of the year and for the Brian Mega benefit fund. Miss Key Club was chosen during halftime of the game.

Besides all this, Key Club members post announcements of activities in school on the Key Club bulletin board in the front of the school.

## National Honor Society

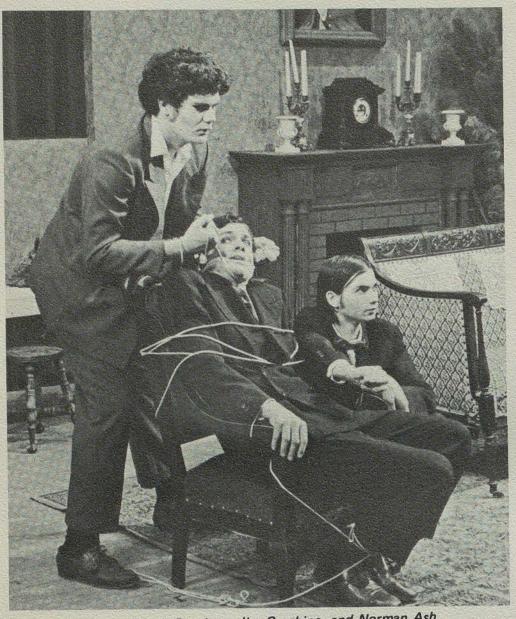

A candlelight ceremony was arranged in December, under the direction of Mr. Faulks, by the incumbant members of the National Honor Society for the 44 newly elected members. After learning the broad significance of the ideals which are upheld by the NHS, each member was required to pledge his allegiance. Although each member was selected because he already exemplified the characteristics of leadership, scholarship, character and service, it was necessary for each to affirm that he would continue to display these qualities. This concluded the solemnity of the occasion, as jubilant parents and members celebrated the newly experienced honor.

Communication and awareness were the two areas emphasized by the drama department this year. Under Mr. Sax's and Mrs. Weiskopf's direction, a new technique, based on the ideas of getting to know oneself and others better, was used to develop the student's acting ability. This was accomplished through the stressing of games and improvisations. Some concrete evidence of the effectiveness of these new approaches were seen in the performances of ARSENIC AND OLD LACE and STORY THEATER.

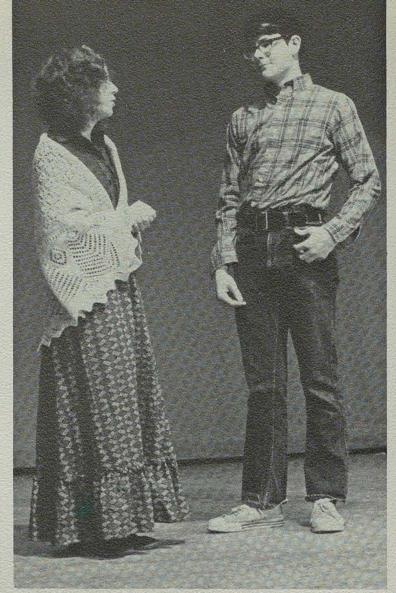

Twenty three juniors and seniors from the Drama Workshop worked approximately four weeks on STORY THEATER based on the Broadway show of the same title. Pantomine and imaginative acting was used to tell children's stories, fairy tales and fables without the use of scenery or props. Emphasis was placed on facial and vocal expressions to communicate to the audience the things that props and scenery normally convey. Characterization was achieved by the suggestive costuming of the actor, as well as his acting talents. Finally, lighting added credibility to the setting and also contributed to the appeal of the production.

The last project the drama department worked on with the cooperation of the music department was this year's musical, ONCE UPON A MATTRESS, which was presented in March. Thus, having performed the plays and used new techniques, the drama department hopes that it has given students more creative experiences in the theater.

### "Once Upon A Mattress"

This year represented an exciting burst of activity in the performing arts at ALJ. Several plays, concerts and assemblies were presented which utilized concepts and techniques totally new to our school stage. Students had more control than ever in the creative and administrative areas of the performing arts. One of the highlights of this year was the production of the musical comedy "Once Upon a Mattress".

No one can communicate the kind of unrestrained joy for living needed in the theatre unless he can totally relax, free himself from outside pressures, and throw his entire mind, body, and soul into a performance. For this reason, the ensemble worked for over two months on various types of exercises combining techniques of sense relaxation, theatre games,

yoga, and body movement.

"Once Upon a Mattress' was an extremely significant event at ALJ. It was probably the most ambitious musical ever attempted here, and was hugely successful. The set (a complex series of levels, staircases, archways, bridges, and a revolving stage) and the colorful costumes were created entirely by students. It proved once and for all that with energy, talent, and sheer hard work, our students are capable of producing a theatrical event as exciting as most professional companies.

### Music Department

For the participants in the vocal music department, this year has been an active and enjoyable one. Eight concerts were performed by the groups, beginning with the informal Fall Pops Concert. The concert, held coffee-house fashion, featured lighter vocal music and the dance band. During the Winter Concert, the performance of Renaissance madrigal and carols was enhanced by the arrangement of the Bel Canto around a table, characteristic of Renaissance singing. Another number, CEREMONY OF CAROLS, was made striking by the accompaniment of a professional harpist. But the highlight of the concert was the singing of the HALLELULIA CHORUS from the MESSIAH, by the combined choirs, accompanied by the band. Besides its many recognized activities, the Concert Band, participated in a spring exchange concert with a high school band from Ottowa, Canada. Exchange concerts were also given by the choirs with the Boyertown Area High School, Pennsylvania, during February and March. Finally, the Spring Pops Concert was completely staged with students as their own authors and choreographers. Thus, the responsibility of students for their concert broadened as time passed.

The girls in the Needlepoint and Crocheting Club learn the techniques of crocheting and macrame. They make belts and vests, using their skills. Mrs. Vasta and Mrs. Ries are the advisors of the club.

Mrs. Eggimann heads the Biology Club. Interested students participate in biological experimentation not possible in class.

The Library Council works at the desk in the

library. They also maintain orderly shelves for greater efficiency when looking for needed references and books.

Improving your mind both in logic and under stress are the basic rewards of the Chess and Checkers Club. It is under the expert guidance of Mr. Faulks. The challenge of a worthy opponent and tough situation resulting in a victory is a gratifying experience.

The A.V.A. Club, under the direction of Mr. Hilla, is primarily responsible getting and delivering all audio and visual equipment to teachers. The students in the club work during their study periods. The club is also responsible for setting up the microphones and other equipment needed for assemblies. The most important job of the Sound Studio, however, is to make the daily announcements that keep students and teachers informed of school activities.

Students planning to enter health or teaching professions have the opportunity to join either the Health Careers Club or the Future Teachers Association. These clubs provide insight as to what they might find in the future. F.T.A. plans trips to nearby teaching colleges. Both F.T.A. and Health Careers Club went to Maoheny School for Cerebral Palsy to observe methods of teaching and treating allicted children. Members of the Health Careers Club take trips to various hospitals to study health professions such as nursing, psychology, and dietetics. They also collect a basket of food at Thanksgiving for a needy family. Each club awards a scholarship to an active senior member at the end of each year.

Future Business The Leaders of America is an organization for young people in business education. It has a national and state affiliation and college chapters also. A.L.J. has a very active chapter and a membership of sixty-five this year. Some of the activities are: fall and spring leadership conferences in Atlantic City, field trips, communitydance, annual service projects, regional and state contests in business supjects, speakers at club meetings, and sales campaigns.

Distributive Education prepares a student for a career in the field of merchandising and marketing of goods and services. This is a cooperative work program of education between the school and the business community. A D. E. student receives credit for classroom activities as well as for working experience.

Although the diversity of jobs in the business world may require different preparation, understanding of the skills of bookkeeping, business machine operation, data processing, shorthand, and other office skills are prerequisites to work experience in the C.O.E.P. program. Students are chosen to work half a day in a job of their choice.

Diversified Occupations is a program designed to offer vocational and trade training to those students whose vocational objectives may differ from the other standard work programs. Preparation involves shop orientation courses; a specific course in occupations, and a course in work adjustment training.

The T.O. program is concerned with six specific skilled occupations: auto mechanics, machine shop, cabinetmaking, electronics, printing, and drafting. A student, to be eligible for work experience in these areas, must have successfully completed the prerequisite technically oriented industrial arts course in his chosen field during his junior year.

Vocational beauty culture, which is available to juniors and seniors, prepares the student to learn the art of hairstyling and other skills of the professional cosmetologist. Women of the community are invited to make appointments once a week with the in-school beauty salon to have their hair done by student beauticians.

The spirit of the senior class was shown by the success of their candy sale. This class of '72 was very active under the guidance of their outstanding class advisors, Mr. Esandrio and Mrs. Frese. The graduating seniors will always remember the senior meetings, the Christmas tree, the Senior Semi-formal and most of all the end of the year, highlighted by the senior trip and graduation.

Farewell to you and the youth I have spent with you.

It was but yesterday we met in a dream.

You have sung to me in my aloneness, and I of your longings have built a tower in the sky.

But now our sleep has fled and our dream is over, and it is no longer dawn.

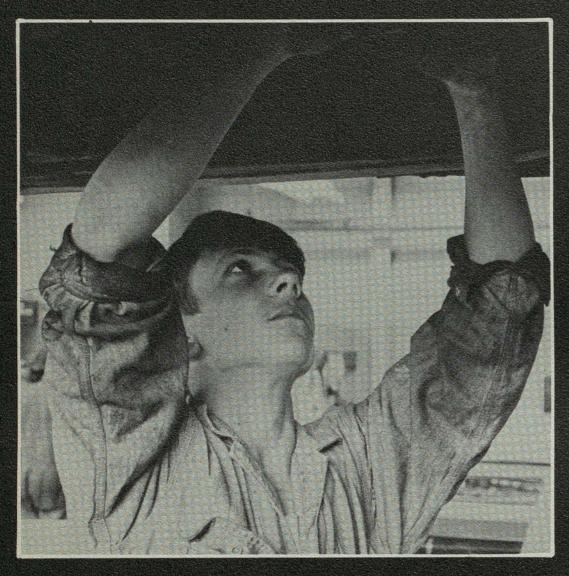

The noontide is upon us and our half waking has turned to fuller day, and we must part.

If in the twilight of memory we should meet once more, we shall speak again together and you shall sing to me a deeper song.

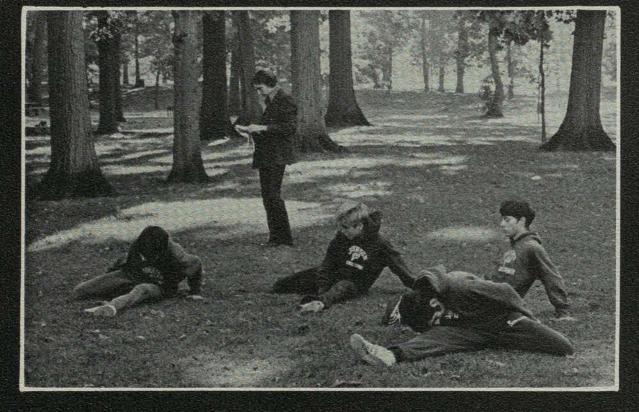

And if our hands should meet in another dream we shall build another tower in the sky.
