## FOREWORD

As the weather map is a record of the elements of our weather, so this book records the elements that make up Cranford High School. Variety, one of the chief characteristics of weather, is an important feature of our work and play at C. H. S., as charted on these pages. Unlike the weather map, we cannot forecast the future, but we know that the memories of our years at C. H. S. will be as much a part of our lives as the sun and rain.

Tootsie Scanlon and Jim Rice crown the king and queen, Walt Sosnowski and Ann Crowell.

# FANTASY"

The sparkling enchantment of the mysterious sea . . . dancing on the ocean floor . . . silvery fish and pink coral . . . the music of Larry Sonn . . . fragrant flowers and flowing gowns . . . the crowning of the king and queen . . . our favors, necklaces of pearls, symbols of the sea . . . a midnight supper, then dancing until two . . . all the thought, work, and worry of the previous months summed up in one spectacular evening we shall never forget.

"Heil Hitler!"

"Fred—you've been shot!"

"Wait, I think I hear someone coming!"

# ACTIVITIES

This year's Student Council functioned as an active student government for over one thousand C. H. S. students. The Council is composed of elected homeroom representatives, one representative from each of the four classes, the seniors who are chairmen of the standing committees (Assembly, Election, House and Grounds, Point System, Publicity, Service, and Student Relations), and the four officers.

Besides the regular duties performed by the standing committees, the Council this year set up an intra-mural bowling team and purchased a school banner. Officers and several other members attended the conference of the New Jersey Association of High School Councils at Rutgers.

# HI-Y

The purpose of the Hi-Y is "To create, maintain, and extend throughout the home, the school, and the community, high standards of Christian character." Any junior or senior boy who believes in the aims of the club is eligible for membership.

The two chapters of the C. H. S. Hi-Y took part this year in the area Hi-Y conference at Haddonfield and the world service project, and in April held their first father and son dinner. Field trips included the Princeton-Dartmouth football game, a hockey game at Madison Square Garden, and a tour of the Esso research labs in Bayway.

## ENTRE NOUS

"Je promets, foi d'honneur, d'être membre loyal . . ." pledged the costumed Entre-Nous initiates in October; thus the French Club began another active season. Membership in Entre-Nous, for which a B average in French I is required, provides students with the opportunity to become more familiar with the French language and with the people and customs of France. Some of the highlights of the year were viewing colored slides of Paris, an international buffet supper, the picnic in May, and the sending of a box of clothing to the children of a French family adopted by the club.

Juniors and seniors who have the necessary grades in Spanish I, II, or III are eligible for membership in La Tertulia. In addition to practice in using Spanish, members of the club gain further knowledge of Spain and its people. Features of La Tertulia this year were a talk given by Senior Russo on bull-fighting, and a play presented by club members in Spanish, in an assembly program celebrating Pan-American Day.

*What's up, Bill?*

Among the liveliest club meetings in C. H. S. are those of the school dramatic club, the Mask and Bauble. Stage skills and techniques are demonstrated and practiced by means of charades and similar games. Students audition for the club in September by performing original skits, the best of which are given in the club's annual assembly. Initiations for new members are held at the Mask and Bauble Ball, this year with a story-book theme. A guest speaker on stage make-up, the traditional Christmas dinner, and a theater party were also included in the club's activities this year.

# MUSIC

in Cranford High School . . . the victory songs of the band at football games . . . those early morning choir "sectionals" . . . "Silent Night" at the last performance of the Christmas program . . . the rhythmic marches introducing each assembly . . . the thrill of the Spring Concert finale . . .

A record number of students participated in the various musical activities of C. H. S. this year. The seventy-voice choir, chosen by audition the previous spring, presented the annual Christmas assembly, with an added evening performance this year for the townspeople. The members of the Girls' Ensemble and Boys' Double Quartet, selected from the choir, entertained several community organizations. Each of the vocal groups—Choir, Freshman Mixed Chorus, Girls' and Boys' Glee Clubs, and Ensemble and Double Quartet—sang in assembly at least once during the year, and all took part in the Spring Concert, traditionally the main musical production of the year.

A familiar feature of this year's football games and assemblies was the music of the C. H. S. Band. In addition, band and orchestra members performed in the Christmas program and Spring Concert, and presented their annual band concert in the spring.

Meetings of the Music Club included a number of special events, as well as programs in which the members themselves—singers, dancers, and instrumentalists—performed. The Christmas supper, a talent assembly sponsored by the club, a theater party, and the final picnic were among this year's activities.

# ATHLETICS

# GIRLS' ATHLETIC ASSOCIATION

Under the sponsorship of Mrs. Ivy Sullivan and Miss Ruth McCartney the Girls' Athletic Association presents to every girl an opportunity to participate in intramural sports and interschool sports.

No sooner does the school bell ring in September than the first activity, archery, begins. The girls improve their score with the learning and application of Lambert's eight points. Hockey also begins its short lived term out in the brisk air. Later the girls retreat to a warmer climate where the tumbling program commences.

Beginners' Modern Dance develops, and with the perfection of the basic skills the girls advance to Intermediate and Advanced Modern Dance.

Basketball, one of the favorites, starts with the formation of class teams. The girls play a "round robin" to decide the winning team, as well as playing other schools. Basketball brings to life the Ref's Club, in which the passing of a required examination enables the girls

to participate. Taking advantage of spring, they conquer the fundamentals of softball and form class teams. The games are held after school.

By the time softball is well on its way, tennis, a recent activity at Cranford High School, has attracted more and more girls.

The year is climaxed with an Annual Awards Assembly. Awards are based on the point participation of the student. The G. A. A. Council conducts this system of point participation which enables the girls to earn their class numerals and the letter "C". This year the council will honor a senior girl for outstanding participation by placing her name on the G.A.A. plaque in the gym.

Cranford High School enjoyed one of the best grid seasons since the capture of the 1952 State Championship Title for Group 3. Compiling a seven and two record this year, the Cougars won first place in the Watchung Football Conference. Teamwork again was the deciding factor for the Cranford football team's success.

# BASKETBALL

For the second year in succession, Cranford High School's basketball team gained the Watching Conference Championship. The Cougar Cagers suffered a few injuries during the season, but the team appeared to play with greater determination to make up for the handicap in injuries. This determination plus smart ball-handling again proved the Cranford basketball team champions.

The new track behind Cranford High School had very few cross country veterans making its rounds. The comparatively new squad of runners, however, became more seasoned with each practice, and the team finished with a very creditable record.

# INDOOR TRACK

No sooner had the members of the indoor track team put away their medals from the Bishop Loughlin Interscholastic Track Meet than they added to their collection top honors as winners, for the fifth consecutive year, of the Union County Relay Championship. These honors highlighted the team's already successful season of seven wins and no losses.

Interest in tennis has been revived at Cranford during the past few years. Part of the reason has been the two excellent courts behind the High School built in memory of Mr. Frank Massa.

The 1956 squad produced only a few "aces" but provided keen competition for its opponents.

Playing a sixteen-match schedule plus the county and state tournaments, the Cranford golf team was kept quite active during the 1956 season. The home matches were played at the Echo-Lake Golf Course, while the away matches were played at the neighboring country clubs and county courses. Although the team lacked experience at the start, it showed constant improvement as the season progressed.

The scoreboard can be misleading; it's the playing that counts. The Cranford ballplayers during the 1956 season provided the action that makes any game an important game. Exciting plays and close scores were made possible by the spirit of the Cranford team.
