# FOREIGN EXCHANGE

Cranford is now host to its first foreign exchange student, Judy Valentine from England. Judy, a senior at C.H.S., has already graduated from high school in England and will be studying modern languages at the University of Bristol next year.

Judy is living with senior Debbie Hall and her family. Besides a full school schedule, Judy has been kept busy as a member of the cast of "Harvey", a violinist in the "Brigadoon" orchestra, a columnist for *Spotlight*, a member of the Valhalla staff and French Club and a member of the tennis club.

The Cranford AFS chapter was founded two years ago. It had to raise \$750 to support a foreign exchange student this year and in future years it hopes to support both a foreign student in Cranford and a Cranford student abroad. The money for next year's student has already been raised at the Critters' concert.

The 1967 class play was presented on Friday and Saturday nights, November 16 and 17, 1966. The play *Harvey* was the result of six week's hard work and of much cooperation among faculty advisors and seniors. Members of the cast will always remember the accents of Judy and Greg; understudy Trisha learning all her lines in a day; Prissy's support stockings; Jeff and "poor, poor thing"; Susie's false eyelashes; Ron and "Would you like my card?" Other fond memories are a certain appetite; shaking John; Sue going on almost dead; Pam's shoes; Wilson's advances to Myrtle Mae; and "Yes, Ma'am" by Donna. Mr. Marcus imitating an old woman; a completely unique cast party; and the phones ringing at the wrong time are a few more memories of our Senior Play.

# CRITTERS' CONCERT

On January 21, 1967 the Cranford High School auditorium was transformed into a rock concert hall by one of the country's top singing groups, "The Critters." Their sound filled the room with a moving beat and the affect of their music was seen in the screams and applause of the crowd. Some of the highlights of the night were the late start because of stolen equipment and the tuning of the organ. All and all this was one of the most successful and exciting concerts ever held at C.H.S.

The 1966 Cranford Varsity Football Team, in posting a brilliant 7-1-1 record, established themselves as one of the best ever to don the gold jerseys. From the second quarter of the opening game, when Gene Demsey showed a sign of things to come with his 1-yard plunge into the Linden end zone, to the last quarter of the Thanksgiving Day Game, where with 36 seconds showing on the clock Roy Knauer capped a great comeback on a one-yard run through the Jefferson line, the Cougars played some 435 minutes of the kind of football coaches dream about. With a poise rarely found in a high school quarterback, junior Knauer drove the offensive unit up and down the field to the tune of 163 points, centering the bulk of his running attack on Gene Demsey and, when forced

to throw, having for targets as fine a trio of ends as ever were on a Cougar team in Bill Albans, Chuck Archdeacon and Ken Dinsmore. The defensive unit, anchored by linebacker Demsey, yielded a scant 77 points, thanks largely to five shutout games.

The team finished second only to Westfield in the Watchung Conference. Incidentally, our only loss came at the hands of the champions early in the year on a rain-soaked field. Although both sides were subject to the same poor conditions, it was evident from the outset that the superior Cranford passing attack was hindered. But why second guess about the outcome on a good field? It was a year to be remembered and let's leave it at that . . .

So as to not be slanderous toward the soccer team, one would have to say that their season was unprecedented. The agonies of the team and stalwart coach Angelo Preite show in the 2-10-2 record they achieved. The start of the season showed Jeff beating Cougars 6-0 and potential all-stater Ken Krichman on the sidelines with a broken wrist for the season. Although gluttonously eaten up during most of the season, the determined booters impeded the paths of two county powers, Westfield and Pingry, by tying them. The two wins came at the expense of Springfield and Linden, where Brad Nostrand achieved the rare hat trick. The discouraging season did set the stage for many records; worst record ever, least goals ever, most injuries ever, most stolen equipment, most watermelon eaten and the most guys in one car. Highlights were numerous in the revelry of the year; the Kenilworth and Hillside games, the scenic tour through Berkely Heights, V.N. in the lake, windsprints, laps, fluke goals, Tramlpady, bus rides, the innocent bystander who got run over (poor D), more fluke goals. Many thanks to S.M. for playing with a heart murmur, B.G. who donated his knee to the cause,

President J.C., captain and the team spirit B.M., the Old Lady P.G., valuable and aggressive goalie G.S., Youngblood, Pansy C.W., Navel, Spot and Lopper, the departing seniors . . . maybe next year . . . who did tear down the goalposts? . . . "they were better than us."

Although the 1966-67 Cranford Varsity Basketball Team completed the campaign with a mediocre six wins and fourteen defeats, the final slate is hardly indicative of the caliber of players Coach Martin had under his tutelage. Eight games were lost by three points or fewer including three one-point decisions.

Like last year's team, the absence of a "big man" was inestimably felt, but whereas the 1965-66 squad was able to post a 17-6 record through exceptional ball-handling, the present quintet was also lacking in that commodity. Yet, with the odds so heavily stacked against them, the boys almost made up the difference with a hustle and a desire worthy of the highest plaudits. Exemplificative of the team's tremendous attitude was a midseason 52-51 victory over at that time league-leading Westfield, a defeat from which the Blue Devils could never recover. But the great game came against Rahway. As if to indicate that they were not the second-division team everyone thought they were, the Cougars threw a wrench into the Indian's drive for first place with a stunning 60-59 upset win thereby enabling Scotch Plains to take the top spot.

It was a season riddled by injuries, bad breaks, and tough Watchung Conference opponents. But it was only twelve baskets and a free-throw that kept the battling Cougars from a 14-6 record and their perennial spot atop the Conference heap.

## WRESTLING TEAM

Those hallowed walls of "The Dungeon" will forever echo those immortal words of Coach Farrell, "Split 'em open you Donkey!" These extremely profound words spurred our grapplers on to eight wins and four losses.

The start of their season was accented by toppling the strong Plainfield team and coming within 2 points of upsetting mighty Union. They next walked over West Orange before Scotch Plains stopped them in a close match. The next five matches were clear sailing as they rolled over Berkeley Heights, Kenilworth, Hillside, Clark and Springfield. Rahway and Westfield ended Cranford's good times with two crushing defeats, but Cranford finished the season on a winning note by mangling Jefferson. Cranford made a fine showing in both of the tournaments in which they participated this year. They lost by one point to Roselle Park in the Christmas Tournament and finished third in the districts.

**GOLDEN "C" EDITORS**

Mr. Hein, S. Temkin, W. Padula, C. Pollock, S. Riha, Editor-in-Chief

The *Golden "C"* Editors have diligently worked all year to create this yearbook. The Write-Up Staff's efforts went into the completion of the Senior Section. The Business Staff is responsible for the handling of all sales matters. Staying after school till dark, sacrificing spare time, unscheduled periods for pictures, Mr. Berkebile and Son, hurried deadlines, and other catastrophes have aged the Editors—but they have managed to come through smiling.

**GOLDEN "C" PHOTOGRAPHY EDITORS**

Don Miles, Andy Goldberg
