Enlist Children in the War Against Tent Caterpillars

Garden Club Offering Prizes to Public and Private School Pupils for Collecting Greatest Number of Nests of Worms that Devastate Trees

A crusade against the destructive tent caterpillar which last year attacked trees everywhere, was launched in Englewood this week by the Garden Club.

The children of the public and private schools have been enlisted in the crusade by the Conservation Committee of the Garden Club, which is offering prizes in each school to the boys and girls who collect the largest number of caterpillar nests.

White Urges Crusade "I hope," Mr. White stated in his instructions, "that our pupils and teachers will cooperate to the full in this, for if we do not take some steps to eliminate this pest, our beautiful shade trees will soon disappear. The pest grew to alarming stages last year and certainly some method to control or eliminate it is necessary."

Amateur Night at St. Paul's Parish Feb. 20 Will Bring Out Real Talent

Apparently Englewood residents have been hiding their talent under a bushel.

Upon invitation from St. Paul's Episcopal Church to participate in Amateur Night in the parish house on Wednesday night, February 20, many clever entertainers have stepped forward, willing to take their chances with the heartless song which will clang whenever a songster is too wildly off key or when a recitation or other performance tends to last too long.

An interesting and diverting evening has been arranged by the committee, and the response has been gratifying, promising a remarkable evening of fun.

The amusing broadcast will feature only local talent. Songsters, dancers, comedians, monologists, instrumentalists of every kind desiring to register their talents at the parish office. Numerous and attractive prizes will be awarded to the performers of the most popular numbers. Their selection will be determined by the amount of applause received. All ages are participating and a great variety of talent is expected.

HEBREW LADIES AID WILL HOLD CARD PARTY FEB. 12

Mrs. F. Itam, Mrs. F. Lappert, Mrs. A. Katz and Mrs. E. Lehn will be hostesses at a benefit card party to be given at 8 o'clock, Thursday night, in the vestry rooms of Englewood Synagogue by the Hebrew Ladies Aid Society.

TO REVISE ORDINANCE DESPITE CONFERENCE

Merchants Don't Attend, But Need Is Seen

Only three merchants showed up at the Board of Health conference Wednesday night on the question of what to do about the ineffective ordinance which in its present state is practically worthless.

Despite this apparent lack of interest, however, the health board has every indication of supplying the ordinance with a set of teeth that will mean that any diseased person who might now be handling foodstuffs will be ousted.

The board is considering establishing a clinic for both foodhandlers and domestics. There would be three doctors to examine each person so that there would be no chance of an inadequate examination.

What has made the local health authorities dubious about the worth of the present ordinance is the fact that in all the years since it was passed, no foodhandler has been denied a certificate of health, a rather unlikely state in view of the fact that a number of cases of contagious diseases have been known among certain foodhandlers.

BAPTISTS ORGANIZE; PASTOR ENCOURAGED; GIVE PARTY TONIGHT

Services At The Masonic Temple Are Well Attended

The Englewood Baptist Temple inaugurated its season last Sunday with a program of three meetings. The organizers of the church were greatly encouraged by the large attendance. Tonight the congregation will hold a house-warming for the pastor and his family.

Having thus been encouraged, the Rev. J. A. Kallman extends to all a very hearty welcome and an invitation to take a hand in securely founding the church in Englewood.

The Sunday school was completely organized and teachers appointed to the different classes.

Music will be furnished by the choir and by a men's trio. The Sunday school started with five classes under direction of Howard Warren.

Children Build Cardboard Castles For Display at Englewood Library

Five cardboard castles made by the children of St. Rosevelt School, are on exhibition in the children's room of Englewood Public Library where they will remain for another week.

So many castles had been extended to the library that Miss Josephine Duff sent a book entitled "Cardboard Castles," the children decided to try to show their appreciation of previous favors by doing their best to develop the projects suggested there, particularly as they correlated with lessons in history, geography, reading and art.

Five were completed. They, Tower of London, Carroussel, The Bastille and Schloss Liechtenstein.

The work proved most profitable.

Committees were formed with a chairman for each project. Boxes were obtained and painted, scenery planned and painted. Construction work began in earnest and figures were modeled. Every part has been hand-done and now the children feel they have been honored by having the castles displayed in the children's department of Englewood's library.

Although all the children worked on the project, special mention is made of George Muller who modeled the display.

The display has already attracted considerable attention since it was installed the beginning of the week and more people come daily to view these artistic productions of the children.

SPECIAL ELKS EVENTS MONDAY, WEDNESDAY

Beefsteak First, Exalted Rulers Night Feb. 13

Two important events are on the Englewood Elks' calendar for next week.

On Monday night the club will hold one of its noted beefsteak dinners. This is an annual affair and is open to all members and friends. Steve

Whip will be the chef, and exalted Ruler Harry Smith urges a large attendance.

Wednesday night will be Past Exalted Rulers night, and for this event too, Mr. Smith urges attendance of all members. The Past Exalted Rulers of the long Elks history will be present.

Thomas J. Huckin, the first Exalted Ruler of Englewood Lodge of Elks will be present, and will preside over the meeting using the original ritual. The Past Exalted Rulers of Englewood Lodge are Mr. Huckin, William Conklin, Sr., Daniel G. Jockert, Homer W. Dawson, William M. Seuffert, Andrew Snowden, Mr. William J. Souter, Charles Anastasio, A. H. Reiss, Alan B. Connor, Cassius H. Daly, Joseph D. Maher, Louis Becker, William Coocoran, P. J. Cunningham, James D. Moore, Frank J. Wheeler, William Heint, and William Conklin, Jr.

CITY TO BUY TWO TRUCKS; CONSIDERS LOCAL AGENCY

The city will purchase two additional trucks for the Department of Public Works. It was announced this week by Councilman Albert Muskin, PWD chairman. Bids will be received on both White and Deos. Previously, the Council would consider more but White trucks, but upon complaint of local dealers it was decided that the next time trucks were to be bought local dealers would be given a chance to bid.

INSPECTOR OF WEIGHTS WARNS STOREKEEPERS; 400 PKGS. CONDEMNED

All Scales Must Be Tested; He Has Examined 1,000 So Far

Any storekeeper using an untested scale should call Leonard D. Rizzo, inspector of weights and measures, to avoid a summons and a \$25 fine if the Inspector discovers an untested scale in use. Mr. Rizzo states this week.

The new inspector has examined 1,000 scales and recondemned 700 packages since he assumed duties last week, he announced. Of the 700 packages, 400 were ordered repacked because of short weight caused in most cases, by drying and shrinking. In each of these cases, all of which were obviously without intent and the fault of factory hands and not local merchants, Mr. Rizzo merely issued a warning. The second offense will lead to a summons, however.

Mr. Rizzo feels sure that he has examined all scales in the city, but in the event that any have escaped him, he issues the caution to every storekeeper to check up on whether or not his scale is sealed.

Mr. Rizzo's daily office hours are between 1 and 2 p. m. at City Hall, and storekeepers at shoppers with complaints can reach him there.

PWD Complimented For Work On Snow Removal

The Public Works Department was praised on two sides this week for its handling of the snow problem in Englewood. Post 78, American Legion, passed a resolution complimenting the board and Councilman Albert Muskin, chairman of PWD, for its prompt service in clearing the roads.

RANGERS-BROWNSON GAME AT CLEVELAND WEDNESDAY

The Rangers will play Brownsong High School of Hackensack at the Cleveland School gymnasium at 7 p. m. Wednesday. The Rangers defeated the Sons of Italy at the latter's Dunmont Court 26-11 this week. Benson of the Rangers tallied 11 points and Mareno and Debra of the Dunmont team each scored six points. Cookley, Abaron and Laman also played well for Englewood.

AUDIENCE IS CHARMED BY LOUISE BERNHARDT ON THIRD ANNIVERSARY

Civic Music Association Is Also Delighted With Hans Hess, Cellist

The attractive Louise Bernhardt charmed a large audience at the second concert of the Northern Valley Civic Music Association at St. Cecilia High School auditorium Tuesday night, and Hans Hess, cellist, supplied two groups of thoughtful music as pleasant interludes.

The program was delightfully arranged, designed to maintain the interest throughout. Miss Bernhardt (she is not really Miss, for her husband died before her performance) has been one of her best positively captivated the audience with her group of light songs at the close of her program, and "The Two Parodies" by Huchler, clever and amusing, demonstrated her ability as an actress and her clever sense of humor.

Miss Bernhardt appeared first on the program, and she likewise appeared last. Mr. Hess gave two groups of selections, his second, "Saint-Saens' 'Concerto in A Minor," having an especial charm for the audience.

Third Anniversary

The concert Tuesday night fell on the third anniversary of the beginning of the Civic Music Association. There is another concert to come, Richard Crooks, leading tenor of the Metropolitan Opera Company, to sing on April 21.

The Association is already laying plans for its fourth season, and to lessen the terrific task which in the past has fallen upon a brief ten-day period, cards were distributed to all members of the concert, notifying them of the advisability of renewing their membership for next year at this time by communicating with Miss Ella Amend, secretary.

The Civic Music Association of the Northern Valley has found a definite place for itself in the life of the community. Nearly 1000 persons belong, anxious to take advantage of the opportunity of hearing outstanding musical artists at the low membership fee which the association makes possible.

Founded in 1932

The Northern Valley Civic Music Association was founded in February, 1932, by the late Mary C. Armstrong and a group of civic-minded and musical men and women of the Northern Valley who voted to form a local association to be affiliated with the national organization. The first officers of the association, serving two years, were: Alois Havrilla, president; Mary C. Armstrong, secretary, succeeded by Lois Van Hook; Edward S. Rudloff, treasurer. A group of citizens, representing every phase of community life served as board of directors.

A successful membership campaign made it possible for the association to offer in 1932-33 the following artists: Quinto Musanini and his little symphony, assisted by Rudolph Ganz, pianist; Gladys Swarthout, contralto; Metropolitan Opera Company; Marcel Grandjean, French baritone; and Albert Spaulding, America's own violinist.

The N. V. C. M. A. survived the depression, although the bank holiday was declared during its second membership week in 1933. Even under this handicap the validity of the Civic Music Plan was proved by the three concerts sponsored during 1933-34. This series included a recital by John Charles Thomas, leading baritone of the Metropolitan Opera Company, and a concert artist par excellence; a concert by Jose Fehmaniz, brilliant Cuban pianist, and a joint recital by Jeannette Vreeland, prominent concert soprano, and Jacqueline Salamons, talented French violinist.

Work Starts on Livingston Building; Will Be Two Stories, Brick and Stone

The remodeling of the Livingston building on the corner of Palisade avenue and Dean street has begun. More than a dozen men being employed now in clearing the charred interior so that the job of rebuilding can proceed.

The third story of the present building will be cut off, and the final result will be a two-story brick and stone building, with five stores on Palisade avenue and two on Dean street. The adjoining building, also the Livingston's, will be modeled to conform with the corner building, so that the new building will be a complete unit from Palisade avenue to a point opposite Bergen street. There will then be four stores on the Dean street side.

The work is being done at an estimated cost of \$10,000. Carl Mettberg is the architect. Clifford Voorhis of Englewood is the general contractor; Busch Brothers of Englewood is the electrical contractor; Charles Capra of Englewood is doing the masonry.

The second floor will consist of 10 offices, several of which have been rented in advance. Several of the stores have also been rented. It is expected that the building will be ready for occupancy May 1.

By the removal of the overhanging windows on the corner store, nearly two feet of sidewalk will be gained on the Dean street side, thus creating a far more desirable situation as far as setback is concerned.

DANCER TO PRESENT INTERPRETATIONS AT ST. CECILIA FEB. 14

School Of Music And Art Sponsors Miriam Marmein

Miriam Marmein, crime and dancer, will be presented in a recital by the Englewood School of Music and Art at St. Cecilia auditorium at 8:30 p. m. Thursday. Acclaimed by the press here and abroad as a dancer offering something different and that in itself is refreshing, Miss Marmein will give a program of dances and pantomimes.

All women's clubs in the Northern Valley have been invited to attend. Admission is by invitation only but any persons interested may obtain cards from Arlene F. Hoffman at the School of Music and Art.

Miss Marmein made her stage debut under the management of Maurice Brown who presented her as a current attraction in a solo program and also engaged her to appear in his productions. Then followed several seasons in the commercial theater including a season in England and Scotland where her success was rewarded with return engagements in London twice.

Returning to America, she entered the concert field, appearing in recital and as soloist at Carnegie Hall and the Brooklyn Academy of Music, with the New York and Philadelphia orchestras.

GREENE AGAIN HEADS HOLY NAME SOCIETIES

Federation Condemns The "Spicy" Magazines

Charles J. Greene of Ridgefield was re-elected president of the Bergen Federation of the Holy Name Societies at its convention at St. Matthew's Parochial School, Ridgefield, Sunday. The other officers are: L. Lefebvre of Tenafly, first vice-president; Dr. Joseph Bogo of Norwalk, second vice-president; A. E. Kirchdorfer, Lindhurst, third vice-president; Raymond T. Murphy, Park Ridge, fourth vice-president; Michael Riccio, Wood Ridge, treasurer; Edward F. McCallum, Hackensack, financial secretary; Frank O'Neil, Palisades Park, corresponding secretary; John Clahan,

Edgewater, recording secretary; L. Savoretti, Fairview, marshal. President Greene appointed the following chairman: morality, John Bolan, Hackensack; speakers, R. C. Lefebvre, Tenafly; athletics, John Clahan, Edgewater; publicity, John V. Ansel, Ridgefield; essay contest, James Hare, Rochelle Park; education and literature, John J. Courtney, Tenafly.

Committees John Dukin of Hackensack was named to head the committee in charge of extending Junior Holy Name activities throughout the county. The following were named on the Diocesan committees: legislation, W. W. Murphy, Hackensack; resolutions, James P. Birch, Tenafly; nominating, A. F. X. Anthony, Hackensack.

The display of salacious literature on newsstands in the county was condemned by the Federation. The numerous so-called "spicy" publications which frequently fall into the hands of youths are having a demoralizing effect, according to the Federation which will seek the cooperation of newsstand owners and storekeepers in having them removed from display.

The Federation will sponsor another county-wide essay contest, which will be held Saturday, April 6, at centers to be designated later. All entries must be in by March 10. The contest is under the direction of a committee headed by James J. Hare of Thiem avenue, Rochelle Park.

Among the speakers were the Rev. T. Hall of St. Joseph's Church, East Rutherford, and Rev. J. J. Clark of Ridgefield, as spiritual director of the Federation.

RED CROSS ACTIVITIES OUTLINED AT MEETING; FLETCHER IS CHAIRMAN

\$9,700 Netted In Roll Call; Fincke Retires After Three Years

Red Cross activities in Englewood and the Northern Valley were outlined at the annual meeting of the chapter at the Englewood Field Club Wednesday night, when E. Lowry Fletcher was elected chairman to succeed Allan W. Fincke. It was reported that the Red Cross Roll Call this year netted \$9,700 for the chapter, from 5,800 members. The drive just about reached the totals of the preceding year.

A demonstration by girls showed the advances made in Junior Red Cross work under leadership of Mrs. Edward Clarke. Four Dwigth School girls, uniformed as Junior Red Cross workers, acted as ushers, and a group of Teaneck High School girls enacted a playlet illustrating Junior activities.

Mr. Fincke has served as chapter chairman for three years and he expressed his appreciation for the cooperation he has received and hopes for future success of the chapter. Nominations of officers receiving the unanimous support of the chapter were recommended by a special committee of which John L. Vanderhilt served as chairman, assisted by Marshall Cox, Walter B. Carnes and Mrs. Edward W. Clarke. Those elected to serve the coming year included Mrs. Charles H. Langmuir, Walter E. Knowlton, George E. Hall and Robert Shaw, vice-chairmen; John Frances Gillespie, secretary, and Stuart Lyman, treasurer. At the final meeting under the Fincke administration a number of annual reports were filed including that of Mr. Fletcher and Walter B. Carnes respectively as chairman and treasurer of the 1934 Roll Call, which showed the membership average of the Chapter throughout the Northern Valley to have been again satisfactorily sustained.

MAN WHO SHOT HIS WIFE GETS FIVE YEARS AFTER WALKING AROUND FREE "Steamboat" Williams, Negro, Is Sentenced By Judge Del Mar

Police, released again, and then hardly out of prison, became involved in an illicit liquor case. He was freed in jail in that case, and last week, after searching for him, he was found, brought here, and sent to prison by Judge Del Mar. Had he gone South or West instead of merely to New York, the likelihood is he would never have been found. His wife, when it came time to testify, refused to testify against him, declaring she still loved him and did not want him sent to prison. Judge Del Mar, however, imposed the sentence. Englewood police are waiting for the trial now of William Dougherty, who operated a boys' camp in the custody end of the city near Fort Lee, and was arrested on a statutory charge.

APPOINTIVE OFFICIALS FETED BY THE COUNCIL; PATROLMEN HONORED

Men and Women Who Give Services Are Lauded Before Public

Major Irving S. Reeve and the Common Council paid public recognition on Tuesday night to the large body of men and women who give their valuable services to the city gratis, citing them for their sense of public duty in giving their valuable time and ability for the common good.

The evening was the occasion of a double ceremony, in fact, for Peter S. Durjee, chairman of the Board of Police Commissioners, presented citations to Patrolman Edward J. Ryan and Peter Van Houten for their bravery in action in the face of gunfire by bringing down a raving killer.

Preceding the public reception for the appointive board of commission members, of which there are 37 at present, with many others such as Frederick Snare, who served for years until recently, the Mayor and Council held a brief reception in the Mayor's office.

Lauded by Weston City President Gerritt Weston, in stating the purpose of the reception, said: "The city is deeply appreciative of your services. Englewood is indeed fortunate in having so many capable men and women such as you."

DEMOCRATIC CARD PARTY TO BE HELD ON FEB. 21

The Englewood Democratic Club will hold a card party in the home of Leonard Hickey at 125 Tenally road on Thursday night, February 21, Washington's Birthday Eve.

The ceremony in honor of the officers was brief but impressive. Mr. Durjee, who has served the city 21 years as head of the Police Commissioners, recounted the story of the bravery of the two men, who had been escorted to the Council chambers by a guard of honor consisting of Captain Abrams, Sergeant Daily and Patrolmen Bevan and Treacoll. Mr. Durjee told of the crowd shooting by the Negro, Albee Hines, whom the officers had seen to arrest on what was described over the telephone as a mere case of disorderly conduct. Actually, the Negro had murdered a young girl, shot her brother, and was seeking their mother to shoot her. The officers were taken entirely by surprise the Negro blazing away at them as they stepped from the police car. Patrolman Ryan was felled with a bullet in his shoulder—it lay still there—and Patrolman Van Houten waded in, striking the Negro into unconsciousness at a blow from his nightstick.

That Backache May Be SCIATICA

To ease the soreness in a hurry—Massage powerful penetrating Em-course of the pain from your hip

And rub it into your back, where the sciatic nerve joins the base of the spine.

Just one minute's rubbing. The penetrating warmth brings soothing comforting relief to the throbbing painful nerves and soothes them and quickly too.

Money back, says your druggist, if Emerald Oil fails to bring you ease and comfort.—Adv.

P.T.A. OBSERVES FOUNDERS DAY IN PALISADES PARK

Thirty-eighth Anniversary Of Organization Is Celebrated

A varied program featured the meeting of the Palisades Park Parent-Teacher Association Monday night at the Lindbergh school.

The program was dedicated to a Founder's Day ceremony to celebrate the 38th anniversary of the founding of the organization.

An educational sketch in several scenes by Mr. Brown's class, demonstrated the advantage of knowledge concerning the electric meter.

A report of the school budget was given by Carl Van Hartmann, president of the Palisades Park Board of Education.

Mrs. Emma Davis, accompanied by Mrs. C. B. Stecker, who is the largest number of Mrs. C. E. Parsons, founder of the local organization, and Mrs. C. B. Stecker.

Mrs. Jules J. Choron and Mrs. M. W. Simmons, who have served as its presidents. Others in the cast were Miss Gladys Feldner, Mrs. J. Perry, Miss Anne Findley, Miss Gertrude Kaiser, and Mrs. H. G. Truslove.

The P. T. A. pennant which is awarded each month to the class having the largest number of pupils present was received by Mrs. Rissling's 1A group of the Junior School.

Miss Vanderschmidt's and Miss McGee's groups received honorable mention.

START NEW COURSES IN LEONIA SCHOOL

Skills Of Road Among The Studies Offered

Skills of the road is one of three new courses being offered to students of Leonia high school this semester.

The course consists of 18 lessons to teach safe driving to young people preparing for motor vehicle driving licenses and is open to students between the ages of 17 and 21.

The course, which is elective for Juniors and seniors, is sponsored by the Bergen County Safety Council in co-operation with the State Motor Vehicle Department.

The course, which is sponsored by the Bergen County Safety Council in co-operation with the State Motor Vehicle Department.

The course will be compulsory twice a week during the eighth period for "school misfits." Those who must take the course will be determined by grades at the end of the first semester showing which pupils are failing in their work and need special attention.

Charles Ryder will be in charge. If after a term's work no improvement in scholastic ability is shown parents will be advised to take their children out of school and put them to work rather than form habits of idling in school.

Will Ordain Minister At Cresskill Thursday

Thomas Rowell, pastor of the Merritt Park Gospel Church, will be ordained into the ministry at a special service at 7:45 p. m. Thursday.

Mr. Rowell comes to Cresskill from far off Ninevah, having been born in Mesopotamia, and his familiarity with the customs and manner of living in that land enables him to present the Holy Scripture in a unique way.

Dr. William H. Rogers of the First Baptist Church, New York, who is Mr. Rowell's pastor, will deliver the ordination sermon, and Dr. Walter Theodore Taylor, pastor of Central Baptist Church of New York and a classmate of Mr. Rowell, will deliver the charge to the candidate.

Dr. Watson J. Mosler of Demarest will deliver the charge to the church.

The Merritt Park Gospel Church extends an invitation to all its friends to be present at this service.

SIX CANDIDATES SEEK POSITIONS ON SCHOOL BOARD

Two Groups Each Have Organization Support

With the school board election only a few days distant, February 13, a vigorous campaign is being staged in Palisades Park.

Six candidates are contesting for three places. Although it is known that the two groups of three candidates each have the backing of the major political clubs of the Borough, their names have been presented to the public by a Citizens Committee in both instances.

A Citizens Committee has completed plans for advancing the candidacies of Mrs. Estelle Elwell, Carl W. Mettberg and Louis Struover.

Mrs. Blanche Thone, past president of the Woman's Auxiliary of the Edward Parkyn Post, American Legion, is managing the campaign for the three candidates, and Alfred E. Jones has charge of the publicity.

Mrs. Elwell, who has wide experience in child and social welfare work has been active for years in women's recreational work in the Park, and in Schenectady, her former home.

Mr. Mettberg is a prominent architect whose business is located in Englewood, and Struover has been office manager for many years in a large parking house in New York City.

These candidates have the endorsement of the Palisades Park Democratic Club, who have pledged active support to this ticket.

Some of the prominent people of Palisades Park who endorsed petitions for the above candidates are Mayor Thomas J. Monaghan, Aaron Katz, Carl Van Hartmann, Ross A. Laworte, Joseph Leuch, Frank J. Quinn, Arthur Eisenstein, Thomas Kelly and Dr. William Lynch.

Other Group Mrs. Alexander V. Griffiths, Charles E. Grau and Herbert Ehrlich met recently with their Citizen's Committee and completed plans for the advancement of their candidacies in the local school board election.

The chairman announced that the Palisades Park Republican Club had endorsed this ticket.

Mrs. Griffiths, a member of the Board of Education for the past four years has served on the Teacher's Committee and Domestic Science Committee in a very diligent and capable manner. She has been a resident of this borough for twenty-eight years and has been active in numerous civic organizations.

Charles E. Grau has been a member of the local Board for six years. For four years he has served as chairman of the Building Committee. He has been employed as a construction superintendent of a large building concern for twenty years. He is also a member of the Finance Committee. He has been a resident of the community for the past fifteen years.

Herbert Ehrlich has been a resident of the community for nine years and is president of a large business association in New Jersey. He is in a position to devote considerable time to educational activities and has had extensive business experience.

BARRIE CHARACTERS PRESENTED BY PUPILS

Children of Leonia grammar school presented Peter Pan and Wendy, James M. Barrie characters, Tuesday morning at the assembly. Jack Williams and Eileen Birney played the roles of John and Wendy Darling and Robert Green and Marilyn Olsen played the parents.

4 SEEKING ELECTION TO SCHOOL BOARD IN BOROUGH OF LEONIA

Contest For Three Posts And Higher Budget Excite Interest

With four candidates seeking election to the three positions on the Leonia Board of Education, and with a budget that shows an increase of \$22,000 over last year, the school board election Wednesday night is expected to bring out a heavier vote than has been cast for several years.

John G. Boyd and William F. Rode Jr., who have served three years, are seeking re-election, while Mrs. Howard D. Marsh and Ernest Holtzhausen are running for the first time.

Mrs. Marsh, who filed her petition at the last minute, and Mr. Holtzhausen are believed to have organized support.

Mr. Boyd, a resident of Leonia for 33 years, attended Leonia schools and was a member of the first high school graduating class. As a member of the school board he has headed the committee on plumbing and heating. He was responsible for improving the fire alarm system. He is president of the Boyd Plumbing and Heating Company of New York City.

Mr. Rode, a resident of Leonia for eight years, is a member of the finance and building and grounds committees. He is a buyer for a large soap manufacturing company.

Mr. Holtzhausen is a former president, treasurer and secretary of the Leonia Home and School Association and has been a resident of Leonia for eight years. Born in Weehawken he was graduated from Stevens Prep School, Hoboken, and completed a business course at N. Y. U. He is vice president of a Union City department store.

Mrs. Marsh has lived in Leonia 18 years and has been a member of the Woman's Club the entire time. She is also a member of the Home and School Association and a member of the election board for ten years.

Mrs. Marsh received her A. B. and M. A. degrees from the University of Michigan and has taught in a government school in Panama and has done social work in Chicago. She has also done graduate work in sociology at Columbia.

MODERNIZATION TO BE PRESSED IN PARK

FHA Called The Cheapest Installment Plan

Plans are being furthered in Palisades Park to carry the campaign for better housing into the schools and there launch an essay contest among the students on "Home Modernizing."

Michael Pecora, head of the New Jersey Housing Administration, will be invited to address the students. Several meetings have been held under the leadership of Peter M. Steenland, chairman of the Palisades Park campaign.

These meetings have been attended by a large number of local contractors, interested citizens and by Mayor Thomas J. Monaghan, Edward R. Boyd, cashier of the National Bank of Palisades Park, and Robert B. Halling, supervising principal of the Palisades Park schools.

Mr. Boyd explained the financial workings of the plan and expressed his willingness to consult with anyone in the borough who is interested in obtaining a loan through the Federal Housing Administration.

Mr. Boyd agreed with the statement made by Mr. Pecora at a recent meeting that the program is the cheapest installment financing proposition ever presented to the American people. Plans will be completed soon for a house to house canvass to find persons contemplating repairs or modernizing their homes. This survey will be made by ERA men.

PASS PARK BUDGET ON SECOND READING

Max Eisenstein Appointed Borough Attorney

The tax ordinance and proposed budget of \$158,873.18 was unanimously passed by the Mayor and Council of Palisades Park Tuesday night. Final reading will take place February 13. The amount to be raised by the tax is \$110,000.88 of last year. Operating appropriations are set at \$12,890.00 and total debt service and deficit appropriations amount to \$36,783.18, making a grand total of \$158,873.18.

Councilman Frank Rhone commended the men of the road department for their work in ridding the streets of snow. He also asked for the cooperation of residents in cleaning off their sidewalks.

Max Eisenstein was appointed borough attorney to succeed Joseph Kearney who served in that capacity last year. Other appointments were: William M. Kelly, member of the Board of Health for three years; Councilman Adolph Krembel, Police Commissioner; and Councilman Frank Rhone, Deputy Police Commissioner. Paul W. Friske was appointed to the Board of Health. A year's term and John DeLauri was appointed member of the assessment Commission.

ONLY ONE OBJECTION TO RIDGEFIELD BUDGET

Hildebrand Takes Issue On Some Items

Although the hearing on the 1935 budget at the Ridgefield Borough Hall was held on Tuesday evening there were no objectors, except Councilman Charles Hildebrand, who objected to paying interest on loans when there was about \$70,000 in the trust fund, which he believed could be used to the benefit of the taxpayer.

Councilman Edwin Gildner explained that it was not a sound practice to borrow from the trust fund.

Mr. Hildebrand then objected to the increased amount in the streets and sidewalks appropriation, which he thought unnecessary. "Streets that have been paid for by the property owners by large assessments, streets that are supposed to be of permanent construction, do not need repairs, and it isn't fair," stated Mr. Hildebrand.

James Marshall, superintendent of public works, stated that the increase was not for street repairs, but for maintenance, oil and crushed stone.

Mayor A. T. Holmes objected to the interruptions made by Councilman Hildebrand and stated that he was entirely out of order.

The budget was passed without objection. There will be \$140,683 raised by taxation for 1935.

Augustus Peck of Prospect avenue praised the council for the fine manner in which the streets were cleaned after the recent storm.

Plans are being made to secure PWA funds for the repair work necessary on Lawton avenue, which is in bad condition.

Several of the councilmen and many residents present objected to the headless borough hall, where members sat for three hours through a busy session. One member of the council suggested that some action be taken to have the place adequately heated before the next session.

HEAR FORMER PRISONER

Experiences of his early life and of his years in State prison following his conversion, were told last week at the meeting of the Young People's Bible Class of Grace Chapel in Tenafly by George Matheson, who recently completed a ten-year term at Trenton State Prison.

E. L. Chase of Ivy lane, who is leader of a Men's Bible class at the prison, introduced Matheson.

A musical program included solos by Mrs. E. L. Chase and John Trotter, and group singing.

At the conclusion of the meeting, a farewell was given to Miss Barbara McLoughlin, who moved to New York City Saturday.

Supper Dance Tomorrow For Holy Name Hospital

A supper dance for the benefit of the Holy Name hospital will be given tomorrow night by the Leonia Auxiliary at the Ambassador Hotel, New York.

Patrons and patronesses will include Dr. and Mrs. Ralph McFeeley, Dr. and Mrs. Frank Patti, Dr. and Mrs. M. M. Lynch, Dr. and Mrs. J. W. Prather, Dr. and Mrs. C. G. Prather, Dr. and Mrs. Frank McComick, Dr. and Mrs. Joseph Kelly, Dr. and Mrs. Joseph McGilligan, Dr. A. A. Scullion, Dr. Luke A. Mulligan, Dr. and Mrs. C. N. YOUNG DEMOCRATS LAUDED BY ELDERS

Youth Movement To Be Started in Ridgefield

Absolute confidence in the Young Democracy in Ridgefield as the hope of the party in the future was expressed at the meeting of the Ridgefield Democratic club on Friday evening at the school on Prospect avenue.

Plans were discussed for the establishment of a permanent headquarters for the young people where they may have recreational facilities, and thus enlarge their membership. The younger members will organize soon. This plan has been suggested by former Councilman J. Knoblick.

An employment bureau has been set up in the club and assistance in securing employment will be given those in need of it. Councilman G. Hildebrand has been appointed head of this committee and he asks all out of employment to get in touch with this department.

Luther Miller, Councilman Edward Zonkel, Nate Unover have been appointed a house committee to secure a headquarters for the club. Frank Dell of Morse avenue was admitted to membership.

Several committees have been appointed by President George Duffy. The governing board includes James Butler, Leo Kearny and Dr. Paul Meyer, on public information; L. Miter and President Duffy on the reception committee; Edward Tuott, George Dwyer and Edward Gervaise on finance. The members of the entertainment and membership committees will be announced at the next meeting.

The Palisades Park P. T. A. will hold a food and bake sale Saturday, February 9 in the Park Lane theatre building. Mrs. H. Truslove, chairman, will be assisted by Mrs. Harry Norlander, Mrs. Jules J. Choron and Mrs. C. B. Stecker.

Better Breakfasts

YOU don't have to wait till you're forty to begin life. You can begin it at 6:40 or 7:40 any fine morning. If your breakfast is the sort that makes a new man of you. Toast and coffee won't do the trick. It may tide you over, but for getting out and doing things you'll need food that gives energy and inspiration.

Try this breakfast that starts off with a different fruit cup, features corned beef hash with a crisp poached egg, and then proceeds with English muffins, toasted golden brown, enough to feed an Englishman, and served

with a tart home-made plum jam. And of course coffee—vacuum packed and steaming hot.

ENGLEWOOD FORESTERS FORMED 38 YEARS AGO; ACTIVE FRATERNAL UNIT

Confers Many Benefits On Its Members During The Depression

One of the most active of the fraternal orders in Englewood is the Foresters, Court Englewood 78, which passed its thirty-eighth year on Wednesday.

The lodge has its regular sick and death benefits, but in these times of stress it has been providing relief in various forms to many members, a special fund having been established through a succession of card parties which are held in Exchange Hall in Englewood and which have developed into important social events as well as fund-raising events.

Court Englewood was organized on February 6, 1897, with a membership of 81 by James E. Cosgrove at Ruch's Hall, Englewood.

The primary objects of the order are to guarantee: A weekly allowance to members when sick, to furnish medical attention without cost, to seek the comfort of members when sick or in affliction, to provide relief in the time of adversity and distress, to supply special funds for burial of deceased members.

The Englewood lodge has expended for management purposes, \$18,007.41; sick benefits and medical attention, \$27,528.13; funeral purposes, \$14,756.85; benevolent and other purposes, \$5,435.47.

The fulfillment of these objects has won the gratitude and appreciation of a vast number of members, their families and relatives, during the existence of the order in Englewood, many of whom did not expect they would need its advantages when they joined the fraternity.

The first officers were: chief ranger, James E. Cosgrove; sub chief ranger, P. J. Van Seiver; treasurer, Louis Toller; financial secretary, H. Friedman; recording secretary, John P. Welton; court physician, James E. Cosgrove.

The present officers are: chief ranger, George A. Kluber; Chris Weiman, sub-chief ranger; Richard Fiedler, treasurer; Thomas Brown, financial secretary; Warren Conklin, recording secretary; E. Powderly, lecturer; Herbert Smith, senior woodward; Dr. A. B. Bernier, junior woodward; A. E. Blisk, senior beadle; S. C. Sherry, junior beadle; Thomas Costello, trustee for three years; Dr. Louis Koch, physician; Robert Carlos, organist; H. F. Reiman, captain of degree team.

Court Englewood with a membership of 300 is now honored with two Past Grand Chief Rangers of New Jersey, Thomas Brown and S. C. Sherry, and Thomas J. Abrams, its Grand Auditor of New Jersey.

GETS PRESS PRIZE

John R. Zellweger

At the annual meeting of the New Jersey Press Association at the Hotel Stacy Trent Monday, John R. Zellweger of Dumont was awarded the prize which is given annually by the association to that member of the senior class in the Rutgers University School of Journalism who is adjudged to be "the most promising of usefulness in a newspaper career."

Mr. Zellweger is senior sports editor of The Taranum, undergraduate semi-weekly, for which he writes a column entitled "Sport Smoke." He is president of Pi Gamma, student press club, and is Rutgers correspondent for the Newark Evening News and the Newark Sunday Call.

He is secretary of Interfraternity Council and president of Baritan Club local social fraternity.

the buyer found the city authorities averse to any more gas stations on Grand avenue. Why? If a reputable company wishes to make the venture, is not the risk theirs?

The city would profit in the payment of thousands of dollars in back taxes and assessments—Englewood labor and materials would be employed in the improvement of an eye-sore, and Englewood labor would be employed in its continued maintenance. Is not this the very essence of the Federal movement just organized here under the direction of Mr. Lorenzen? Is our Council interested in relieving unemployment and getting in back taxes? It would seem not.

HIRE AN OUTSIDER WHEN SEARCH HERE IS FUTILE

Having searched without avail the entire city for a teacher-librarian qualified to fill that position at the Junior High School, the Englewood Board of Education was forced to go to Leonia for such a person.

The board emphatically pointed to its strenuous efforts to find a qualified person for the job in Englewood. The local library authorities were appealed to but they too had to admit that there was no such person in Englewood. The board therefore filled the position temporarily with the Leonia resident, the meanwhile continuing its search for a local person. Thomas R. Cox and William Tierney attended the board's policy of employing local persons, but only on the proviso that the local person is qualified.

The school board this year increased slightly its appropriation for the school library, having been informed by the state authorities that to maintain its high rating it would have to do so. The board has splendid library facilities but few books. As for the Junior High School, even though the Public Library is a veritable annex, it is not fully adaptable to the type of work school work demands, and it is the more necessary in the eyes of the state to build up its own library.

DR. J. W. SCHMITTNER TO PREACH HERE SUNDAY

Letters to the Editor

Tenafly, N. J., February 5, 1935

Editor, Englewood Press:

Public Service is contemplating discontinuing the service of the Hudson River trolley; that means Englewood-Tenafly line also. If that should come about, the buses would have a monopoly, and could charge \$1 fare from Tenafly to New York, and the Erie committee would patronize the buses. So many would be put on they would make no time owing to traffic congestion. The Erie R. R. would go out of business and as former Councilman Courtney said, Tenafly would eventually pick up and move to Sylvan avenue. It is the railroad that put Tenafly in the Northern Valley. Courtney always hands us some good dope. The railroad and trolley run on a regular schedule. Did you ever see the buses do so?

To make a comparison of the several bus companies, Public Service pays one-third more salary to their employees, bonus for careful driving, pension at certain age, dividends to holders of stock at seven and eight per cent during five years of depression. They employ more men than any corporation in New Jersey, also pay more taxes than the Erie R. R., although our high schools could not be maintained if it was not for the railroad.

The Honorable Mayor of Tenafly appointed a Board of Transportation, Westley G. Swan, chairman; W. S. Hine one of the board. What became of them? Did they take the heat for Herndon with Bore and Harry Harper? When Watson G. Clark, Browning Worth and Stanley Rogers were on the board they got us better transportation. Swan should be down at Bridge Plaza, Port Authority and ask with murder. The police stand by and laugh at those buses cutting one another out to get passengers. The Port Authority does not realize that New Jersey owns half of that bridge.

W. S. Hine should canvass Bergen County and get 10,000 signatures asking for a 25c fare on the bridge as 50c is robbery, and get a 50c fare for all busses, not \$1. Mr. Barton of East Clinton avenue is an untiring worker for the 25c fare. Do we appreciate his untiring efforts in our behalf?

If we want better transportation from Erie, see Watson G. Clark. He can get it just like he got \$2,500,000 for Bergen County in gasoline tax money when counties by the state did not get one-third.

Going back to the bridge, a lady came out to Tenafly on a Rockland County bus. They packed them in until standing room was at a premium. On reaching Tenafly the lady had a splitting headache. She counted 32 men smoking in the bus. I ventured to ask, how many women?

Mr. Editor, as your valuable paper has a large circulation in Tenafly, I hope I do not take up too much space. However, these are facts and figures that none can deny.

P. M. MADDEN,
 144 Front Street,
 Tenafly.

February 4, 1935.

The Editor Englewood Press,

Dear Sir: On the front page of your February 1st issue is an article entitled, "An Incinerator Worthwhile as Relief Project—Leave No Stone Unturned in Effort to Relieve Conditions Here".

Only a few months back one of our nationally known oil companies offered to buy the vacant northeast corner of Grand avenue and Chester place for use as a gas station. The price offered was satisfactory to the owner and sale was contingent on its being zoned for business. The tract is such a hedge-podge of business and unimproved homes, the owners of the latter only holding them in the hopes that the street will be zoned for business, that it seems incredible the city, in these days of distress cannot take some action. This applies to a large part of Englewood as well.

The Red-Headed Understudy Became a Star!

There had just been an accident. The leading lady was injured. It was nearly curtain time... the first night! And the red-headed understudy had to "go on"... with no make-up!

She had forgotten to bring her own make-up materials. There was no make-up for her type back-stage. She had the jitters! But, she became a star that night... with an assist from a Whelan Drug Store across the street.

A veteran stage manager had kept his wits about him. A hurry call. And the Whelan store manager had dashed across Broadway... with make-up for a red-headed actress. And . . . the curtain went up on time!

The store manager's part in this little drama was played in accordance with the true spirit of Whelan SERVICE. Every Whelan sales person is taught to give friendly, interested, personal SERVICE. Good service is as important in our organization as our low prices, quality merchandise and spic-and-span stores.

Maroon Seeks to Increase Grip on Title Tomorrow

Englewood In Second Tilt With Ridgewood High

Englewood High will get a chance to increase its lead in the Northern New Jersey league race and advance a step nearer the title tomorrow afternoon at Ridgewood.

The Maroon, victorious in five out of six league starts, will attempt to add Ridgewood to its list again. Earlier in the season Ridgewood stumbled by a 21-21 score.

Englewood's record for the season stands at nine victories and three defeats, the losses coming at the hands of Garfield, Lehigh and Tenafly. The last three games have ended in triumphs for the Garrity men.

Reserve Strength Added

The addition of three former Junior High School stars, Paul Zetlin, Howard Allen and Izzy Sawyer, has strengthened the Maroon as far as reserve strength is concerned, and these boys are making the coaches scratch to hold their positions.

Captain Stan Wides will start at one guard berth but Jake Blawie will be benched again. Garrity has been working on Fred Baker and in the event the football star overcomes some of his awkwardness, he will be a valuable man.

FORMER MAROON ACE WINNING TRACK FAME

Bill Patterson Running In Leading Meets

Bill Patterson, former Englewood High School track star and holder of the state scholastic record in the 880-yard dash, has been adding honors to his already long list. The lanky bespectacled bulldozer Park runner, who is captain of the Columbia University track team, finished second to Elton Brown of the Kansas A. C. in the Milroy Games half-mile last Saturday evening at Madison Square Garden.

Patterson led Brown for most of the race but a terrific sprint by the Western ace overcame the former Maroon and White leader on the last lap. Bill finished eight yards in back of Brown, who recently broke Glenn Cunningham's half-mile record.

In addition to gaining honors in the 880, Patterson also ran on the Columbia University relay team that won the two-mile college relay. Running third, "Bill" gave his team a huge lead that Gilmore, another man, held to the end.

While at Englewood, Patterson was recognized as the leading half-miler in the state. Under the direction of Coach Wilbur J. Smith, Bill was undefeated in his senior year, winning all of his races with ease. He then went to the State Meet at Monticello and broke the half-mile record to climax his high school career.

Patterson has been invited to compete in the Matt Hahn half-mile at the Winesap Foot meet February 10 against such stars as Brown, Charles Hornbostel, Wade Sweet, of the New York A. C., and Glenn Dawson of Tulsa, Okla.

Graduation Fails To Stop E. Junior High

Although weakened by the loss of four teachers through graduation, Coach Jim Kirkland's Englewood Junior High School basketball team racked up its seventh straight triumph Tuesday afternoon, defeating Trenton 29-21.

The local five overcame a first-half deficit to forge ahead in the third quarter by virtue of an 11-point rally. Ed Smith's rapid high scoring, honors with 15 points on six field goals and three fouls, while Reinas and Ott also led the visitors.

Lincoln School Team Defeated By Liberty

ENGLEWOOD SECONDS BEAR THE BRUNT OF WIN OVER TEANECK

Varsity Sees Little Action In Easy Non-league Engagement

Englewood High School's basketball team continued its string of victories, taking up No. 2 of the season of Teaneck Tuesday afternoon at the Dwight Morrow gym. The Maroon and White basketballs, led by the second team, defeated the visitors 24-10 victory.

Coach Fred Garrity's crackers, Jack second team of the club, first half and led a good showing. The reserves, led by the Linky Axel Norling, opened the visitors 12-5. Norling, however, had limiting them to one field goal. Captain Stanley Wides remained in the starting line-up.

Norling took high scoring honors with 14 points, scored in the first session. The substituted sophomore pivoted four field goals through the hoop in the initial period to contribute Englewood's entire scoring. He was the only player on both teams to score more than one field goal.

The local reserves ran up an 8-0 lead in the opening session. With Norling alone at the work. However, in the second quarter they encountered a bit of opposition from the work Teaneck team.

Hardly broke the record for Teaneck with a run of four but Izzy Sawyer, who had a two-point lead from under the basket. Reinas parted the cords with another free throw but Paul Zetlin tossed a spectacular one handed shot through the basket to bring the count to 12-3. Allen contributed a free throw and Keiser's one handed shot found its mark just as the half ended.

Varsity Careless

Coach Garrity inserted his varsity at the start of the third quarter but the newcomers played sloppy ball. Long, misplayed passes and haphazard shots at the basket held the Englewood score down. Macnotta and Melis split five points for Englewood while Reinas' hardy field goal was the only score for the visitors.

The home team increased its lead in the final period. Alersky, Planck and Wides combined on field goals while Reinas' rebounded with a double-dunk to bring the final score to 24-10.

Englewood was given only three shots from the foul line and converted two of them, while Teaneck was successful on only three of ten attempts.

CHEREVAS, STANARD BATTLE FOR TITLE Fight Tonight At Newark In Finals

Two Englewood boys were again declared winners in the semi-final rounds of the Golden Belt Amateur Championships at Newark A. C. last Friday. They were Jimmie Cherevas, 112-pound boxer, and Humphrey Stanard, 126-pound full-choker. Cherevas scored a clean out victory over the tough Ralph Loy of Newark in a hectic three-round battle. Cherevas used his left jab to great advantage in the opening round, cutting the Newark lad's lip.

In the second half Jimmie staggered the foe with hard rights to the head while the fans were roaring triumphally for Cherevas to K.O. his opponent. In the final round the Englewood lad met the Wilkes-Scholmerston of Newark who holds the New Jersey 112-pound title. Stanard, a man experienced but not as over-whelming as the other contender, won the fight by a technical K.O. over Roy. Stanard came out shooting straight rights to the head to down the West Orange boy. The referee stopped the fight to save Stanard from further punishment and temporarily removed a point from the fight. Tomorrow's fight will be a favored to win the state title. The Newark contender entered in the 112-pound open class, a sustained manner to both legs and was unable to fight. However, Tony will challenge the winner of the Skammer-Cherevas bout tomorrow.

Franklin Five Defeat Hiltops And Robins

The Franklin Firemen's basketball team defeated the Hiltops and Robins 15-9 at their home gym last Thursday night and secured the winning point in the league race.

Hiltops' reserve, Fred W. Hiltop, scored 10 points in the first session. The Franklin team, however, was able to hold the score to 10 points in the first session.

Table with 3 columns: Player, Points, Rebounds. Includes names like Franklin, Hiltops, Robins.

SPEAKING OF SPORTS

Mosier Tells Tall Short Ones

"Hersch" Mosier, popular Englewood High School baseball coach, takes top honors this week with several stories that are really amusing. Hersch who is well versed in the art of story-telling, has, in the words of that premier comedian, Jimmy "Schnozzle" Durante, "a million of them."

As far as tall stories go, Mosier contributes a pair, one from hearsay. For the first story, Hersch nailed down Everett Hebel, Bogota High School coach, and the popular official came across with a "honey".

Hebel went to Springfield and while there established an enviable reputation as an athlete. However, during the summers he used to work for his uncle, who owned a fish market in New York. The place was situated along the waterfront and now let "Ev" tell the rest of the story.

"One bright day I was busy loading the fish on to a truck and suddenly I came across a rat. This was no ordinary rat. It was almost as big as a dog. It measured about two feet long and weighed about 25 pounds.

"The rat was across the room, crouching against the wall. I picked up a huge cleaver and with all the art of a javelin thrower or a baseball pitcher, I threw it at the rat. And what do you think that rat did? Well, I'll tell you what he did. That rat caught the cleaver in his teeth and threw it back at me, missing my head by an inch."

Well, Hersch... What do you think?

The second one deals with a story that Hersch and "Pat" McKinley took part in. It seems as though Hersch and "Pat" were vacationing in Maine one summer and doing all the things that they weren't supposed to do.

One afternoon, Hersch decided to go for a ride and as there weren't any cars or horses handy, he set out on a mule. He was riding along thinking of many different things when the mule suddenly started to sprint. Mosier was unable to stop the darned animal and when they came to a cliff, they both went over.

There was a 400 foot drop to the bottom and there was Mosier on the back of the mule and dropping fast. Suddenly when he was ten feet from the ground, he shouted, "Whoa!" The mule stopped and Hersch got off.

Page Primo Carnera

The claim of Primo Carnera that he lost his world's heavyweight championship to Max Baer because of a broken ankle brings to mind a story that a certain local idol told me.

It will be remembered that Baer clonked Primo on the jaw and the Leaning Tower claimed that the blow broke his ankle, causing him to go down eleven times. Well, some time ago, a vaudeville act was touring the sticks and the feature of the offering was a strong-man act. The Dixie finish to the offering was a specialty in which one man broke paving stones, which were placed on his partner's head, with a sledge hammer.

One night he called the manager back-stage and told him that he would have to cancel his contract on account of his partner's injury.

"What's the matter with him", the manager queried. "Is he getting head-aches?"

"Oh, no, it isn't that", apologized the Sandow. "But I'm afraid he's getting falling-arches!"

Another story that will tickle the baseball fans is about Babe Ruth and Bob Muesel. These two Yankees were touring the country with a baseball team and they were scheduled to play in Sleepy-eye, Minnesota. It was late in October and the weather was starting to get winter-ish. Ruth and Muesel weren't in favor of playing but when they saw the huge crowd that had paid good money to see them perform, they had a change of heart and decided to go on with the game.

However, Muesel was still skeptical about playing and along about the seventh inning, he came up to Ruth and said, "Gee, Babe, I don't like to spoil things, but this cold weather is getting at my arm. I'm afraid I'll have to quit now."

The Babe asked the umpire to make an announcement to the effect that Mr. Muesel would be unable to continue and that he would like to have one of the spectators finish the game.

A huge buck-farmer came forward and offered his services. He evidently was the idol of the farm country and had a reputation for being the strongest man in Minnesota. When his turn at bat came around, he stepped up and after the count had gone to two strikes and three balls, took a mighty swing. Luckily he connected and the ball sailed out of the park. He stood and watched the sphere until it was out of sight.

In the meantime, the crowd, numbering 5,000 farmers, was shouting to their pride and joy, "Run, Ezra, run!"

The huge farm-boy turned around and with a hurt expression on his face, answered, "I don't have to run, I'll pay for the dummed thing!"

ENGLEWOOD DEFEATS CLIFFSIDE, 22 TO 19, IN RIOTOUS CONTEST

Victory Keeps Maroon At Top Of League; Players, Spectators Berserk

Despite a riot that threatened to bring the game to an abrupt ending, the Englewood High School basketball team, with Joe Macnotta playing the star role, overcame a Cliffside Park lead and won 22-19 Saturday afternoon at the Dwight Morrow gym.

Trailing by one point with a minute and a half to play, Coach "Red" Garrity's five forward attack, headed by Macnotta, but immediately after the next center ball, three started to pop. John Alersky snatched the ball out of the air and "Red" Galia, Cliffside forward, grabbed the ball, attempting to wrest it away from the Englewood player.

Alersky swung at Galia, and a Cliffside player grabbed the Polish lad, jamming his arms at his sides. Galia came for the Englewood forward, swinging his rights and lefts. The spectators left their seats and in less time than it takes to say "Jack Robinson", the floor was the scene of a mauling, screaming crowd. Supporters of both teams were exchanging blows freely and for five minutes the Cliffside Park High School gymnasium brought back memories of the stevedores' ball.

Game Resumed

Stanley Wides, Englewood captain, was attacked during the out-of-bounds incident. Finally after a ten-minute respite, Referee Al Brown decided to continue the battle. One minute and fifteen seconds of play remained with the league-leading Maroon in the lead, and Coach Garrity's boys went back on the floor with explicit instructions to hold on to the ball.

Cliffside took several wild shots at the basket. "Shuff" Ockak's one-handed shot going over the backboard. Macnotta then put the game on "ice" by picking up a loose ball and dribbling down the floor to chuck on his fourth field goal of the game.

The game was a poor exhibition of basketball, Cliffside Park playing without the services of Kaiser, Johnson and Bruno, who had graduated Friday night. The Cliffs employed a fast game with long passes, outstanding, and Englewood gave up its slow, steady game to attempt to compete with the home team.

This move proved disastrous, as the Cliffside took the lead late in the second quarter and forced the visitors to come from behind several times before gaining the victory that enabled them to stay at the top of the top standings.

Macnotta Stars

Joe Macnotta took honors for Englewood. The Maroon forward went on a rampage to chuck up the two winning field goals and also contributed two foul shots to the last quarter rally. Macnotta racked up four field goals and three fouls for an eleven-point total, while Johnny Alersky, his mate at the front-court position, scored seven points.

"Shuff" Ockak, Cliffside guard, went on a rampage to tally five field goals and a foul, but he was unable to bring glory to his team. The lanky defenseman allowed his mate, Macnotta, to equal his total.

Englewood drew first blood when Alersky threw up a hawker to knot the count. Stan Wides converted a free throw, while Rothberg scored from underneath the basket to bring the count to 4-3 at the end of the first quarter.

Macnotta took things into his own hands at the second quarter after Ockak and Westenberg had tallied five points to give the home team a 9-3 lead. The Italian dropped in a free throw and quickly added two field goals to cut down the lead to 9-8 at the half.

Maroon Takes Lead

The third session saw Alersky take over the scoring burden, while Ockak stood out for the losers. The Englewood ace knotted the count at 10-10 with a free throw and broke away to lead by two strikes and three balls, took a mighty swing. Luckily he connected and the ball sailed out of the park. He stood and watched the sphere until it was out of sight.

In the meantime, the crowd, numbering 5,000 farmers, was shouting to their pride and joy, "Run, Ezra, run!"

The huge farm-boy turned around and with a hurt expression on his face, answered, "I don't have to run, I'll pay for the dummed thing!"

BOGOTA AVENGES PAST DEFEAT BY ENGLEWOOD FIVE

St. Cecilia Outscored In All But Second Period As De Losa Is Held

St. Cecilia was handed a rude jolt Tuesday evening when a strong Bogota quintet won 20-10 at the winners' gym. This victory avenged an early season defeat that the Saints had plastered on the Purple.

A big first quarter lead enabled the Bogota team to hold a 10-8 edge at half time and they increased it to 12-4 in the third quarter,acking up 12 points while holding the Saints to 4.

Dick De Losa, high scoring St. Cecilia center, was held in check by Eddie Beckman, Bogota pivotman, and that made all the difference in the world. De Losa, who is usually good for 10 points a game, was held to three field goals while his opponent dropped five points through the hoop.

Ray Roberts, capped high scoring honors with nine points.

Bogota held a 6-1 lead at the close of the first quarter by virtue of a scoring spree by Roberts and Smith. The Saints came to life in the second quarter and succeeded in outscoring Bogota but this spurge was short-lived as the Purple came back in the third session to outscore the visitors, 12-9.

The final period was packed full of action, although the scoring was low. Dusing of St. Cecilia and Ray Roberts of Bogota were both banished from the game in this quarter.

SAINTS SURVIVE 4TH QUARTER RALLY TO BEAT DON BOSCO

Gebhardt's Five Boosts Winning Streak To Four

A third quarter scoring spree enabled St. Cecilia to withstand a fourth quarter rally and defeat Don Bosco 20-16 at the latter's court Friday afternoon at the latter's court. Cecilia boosted its winning streak to four and halted the streak of Don Bosco at five.

After a close first half, at the end of which St. Cecilia held a 15-10 lead, the Englewood team hit stride in the third session to tally 11 points while holding the opposition to 4. At the start of the final session, the Saints held a 6-point lead.

Johnny Fortwyka narrowed the lead to three points with two foul shots after Hughes had tossed in a free throw. Captain Johnson then brought the count to 27-23 with only 30 seconds of play remaining. Luzzano then clinched the outcome by taking a pass from Eshols and splitting the cords to bring the final count to 29-23.

Don's Miss Fouls

Inability of the Don Bosco five to make its foul shots good contributed to their downfall. The Don's lost away four chances to score from a free-throw line in the last quarter. "Tiger" Hughes, playing in place of the injured Hugo Martin, gave fine performance and at least two scoring honors with Jack De Losa. Both men tallied 10 points. Dusing, Chlanowicz and Luckel starred for the hosts.

Table with 3 columns: Player, Points, Rebounds. Includes names like St. Cecilia (29), Don Bosco (23), etc.

SECONDS DEFEATED BY DON BOSCO

A last quarter scoring spurge which they scored 10 points while holding their opponents scoreless, enabled the Don Bosco reserves to come from behind and eke out a 15-13 triumph over the St. Cecilia reserves in the preliminary encounter.

Colonna took high scoring honors for the afternoon with 9 points while Garmy led the victors with 7.

HAWORTH AMERICAN LEGION SHOWS FIRST WORLD WAR

More than 200 attended Haworth Post's presentation of the film "The

First World War," last Saturday night in the schoolhouse.

The Fox film was shown by Lawrence Stallings.

Before the showing of the picture, Mrs. Mary Cowell played several popular piano selections.

Commander William Wilson of the Haworth Post welcomed the audience and also explained briefly the purpose of the picture.

A Mickey Mouse comedy followed by an educational film on Vesuvius preceded the picture. Following the feature a travelogue picture was presented depicting views seen on a sea trip from New York to California, via the Panama Canal.

Louis Shanfield, a member of the Haworth Post and associated with the Fox Film Company, was instrumental in securing the picture. Felix Charny and George Nunnister, also of the Fox Film Company, donated their services.

News of Englewood Schools

LINCOLN SCHOOL

The children of grade 1B under Miss Viola Brush have just completed a project and will present it to the other grades at assembly Monday morning. The boys and girls made a grocery store, a background depicting scenes from Mother Goose rhymes, a big shoe, dolls and other articles.

They will sing "Old Woman Who Lived in a Shoe," "Little Miss Muffet," "Humpty Dumpty," "Old King Cole" and "John Brown and His Little Indians," and dramatize them.

Leading characters include the following: Humpty Dumpty, Warren Conklyn; Old King Cole, George Banta; Little Miss Muffet, Miriam Burton; Spider, Betty White; Little Bo Peep, Josephine Vinciguerra; Old Woman, Laura Brown; Jack Frost, David Eames; Snowflake, Pauline; Sylvia Schumier, Dacmar Franker, Dorothy Olyburn.

A feature of the program will be the "Dance of the Dolls." A farcical program to the primary assembly group was given by Grade 1A last Thursday, having now graduated to 1B which meets with the upper assembly. It consisted of a dramatization of "The Japanese Twins," portrayed by Irene Smith and Samuel Hale. They were kimonos made by the children and painted with tempera paints. Claude Mitchell and Lottie Jones displayed paintings of the dolls and doll festivals. The class sang "Marzaki" and carried them.

ST CECILIA

The freshmen of St. Cecilia's High School will hold their annual dance in the gymnasium at 8:30 p.m. Wednesday, February 20. Committees will be announced next week.

Pictures for "The Silvanian" St. Cecilia year book, were taken this week.

Plans for the spaghetti supper March 4 were furthered at the meeting of St. Cecilia Parent-Teacher Association Sunday afternoon. Tickets may be obtained from any member of the P. T. A. or from students.

Angela Serna, guest artist, sang the "Aria" from "The Barber of Seville" at St. Mary's. "Blossoms of Paradise," "Hymn-plants" and "Flirtation."

FRANKLIN SCHOOL

The Student Patrol of Franklin School held a meeting on February 5. Twenty-eight pupils had secured applications for membership in this number, 21 applications had been endorsed by a teacher, so there are at the present time 24 members of the P. N. P.

The students also gave a statement to the effect that they will do their best to help in every way.

Scholarship does not enter into the qualifications for membership, but citizenship does. Anyone who has not the endorsement of a teacher has shown that he is not a good citizen, but if he improves he may ask again to have his application endorsed.

Officers were elected to take the place of the pupils who had left the school for Junior High at the end of the semester. Alice Taylor, of Grade 4 was elected captain.

Others were appointed to various stations in the halls and on the steps and playground, where help might be needed. Some were assigned to the assembly hall to assist there during assemblies. The duties there are to darken the room, take charge of the lights, screen, curtains, doors, and to see that the film is ready, etc. Certain members have special duties to do in a fire drill.

There have been some efficient members of the patrol who have been of great assistance in the running of the school.

The Patrol will hold meetings every two weeks to discuss problems that come up, ways to improve our school and anything of interest to its members.

Franklin School requested that it could have no public or farwell assembly for the Sixth Grade before it left for Junior High. Now was it possible to get out a "memory issue" of the school paper. Circumstances over which pupils and teachers had no control prevented.

The weekly assembly period has been changed from Tuesday morning to Monday afternoon from 1:10 to 1:40. At this new time Miss Kelder, assistant music supervisor, can be present to direct singing. The rhythm band is busy preparing new selections.

ENGLEWOOD SCHOOL FOR BOYS
The art department is cooperating this week with the Junior Red Cross in making and supplying materials for valentines. These cards are to be sent to a neighboring veterans' hospital. The Student Council of the Junior School voted on Monday also to supply a nearby public school with materials and designs for its valentine project.

The race between blue and white intermediale teams is growing hotter as the teams approach mid-season. In both sixth and seventh grades the standard is held two for each group. Every Friday morning these inter-medial contests are held. At the close of the season the winners of each group will be treated to dinner by the losers. A trip to Newton Academy is also being arranged for the intermediate all-star team.

A new system of honor rating was instituted this week in the Senior School. Instead of monthly standings the averages for each week will be posted. Any boy with an honor rating for the week will honorably be excused from the afternoon study period for the following week. The following averages were posted February 1:

Hugh Manning, Form I, 90; N. Cook, Form II, 88.75; W. Sullivan, Form I, 88; W. Ables, Form II, 87.5; P. Sykes, Form I, 87; G. Shultz, Form III, 86.25; D. Jones, Form I, 86; J. Nelson, Form I, 85; D. Hird, Form I, 85; J. Laid, Form I, 82; E. Cook, Form II, 81.75; W. Sykes, Form II, 81.75; C. Dunsberg, Form I, 81; J. Kavan, Form III, 80.75; R. Barry, Form I, 80; J. Charendon, Form VI, 80.

The first eight boys are rated high honor and the rest, honor.

GROSSO WILL DIRECT JUNIOR HIGH BAND AT CONCERT FEBRUARY 25

Is Well Known in Musical World As Teacher, Writer

Frank T. Grosso, director of the Englewood Junior High School Band, has had considerable experience as a teacher and is well known in the musical world. He has worked untiringly with the students, and rehearsals are being held regularly in preparation for the first concert to be given February 25.

The committee points out that the concert is not an ordinary affair as several well known artists will appear on the program including Alfred Trommel, violinist; Miss Effort Troemel, pianist, and the Hayden-Scheidt Quartette.

In connection with an article, "How to Teach Time," which Mr. Grosso wrote for the "Musical Observer" several years ago, the following tribute was paid:

"Frank T. Grosso has had an unusually thorough preparation as a teacher. He attended the Institute of Musical Art four years; specializing in harmony, theory and ear-training, under such well-known teachers and lecturers as A. Madley Richardson, Dr. Percy Goetschius, Miss Helen Wiley, D. George Wedge and Franklin Robinson.

"Then to round out his general equipment he went to New York University for three years; specializing in psychology and methods of teaching.

"He studied the violin under such well-known artists as Mr. Carl Hasselbark, former concert maestro of the Metropolitan Opera House Orchestra, and also with Mr. Alfred Trommel, a former artist pupil of the late Leopold Auer. Mr. Grosso is a composer and arranger and specializes in teaching children."

Mr. Grosso organized the Junior High School Band November 1 and the proceeds of the concert will be used to defray expenses of uniforms.

The members of the band follow: trumpets, Anthony Corano, Fred Meckler, Joseph Moran, Howard Zaborski, Doris Whyard, Alice May; clarinets, George Byley, Harry Gustavsen, Steven Kozakewich; Allen Nolyne; percussion, William Lloyd, Paul Twigg, Fred Luchmud, Howard Williams; saxophones, Evan Shippe, Wallace Eggers, Robert MacLoughlin, Julius De Lailla; baritone, Edward Klotch; trombone, Saul Pomerantz; tuba, Ned Barron.

LOCAL INSURANCE FIRM RECEIVES RECOGNITION FOR ITS LONG SERVICE

Birtwhistle and Livingston Awarded Gold Sign By American Company

Birtwhistle & Livingston, insurance agents, with offices at 17 Dean street, have been presented with a gold sign by the American Insurance Company of Newark, in recognition of the agency having faithfully represented that company for over a quarter of a century. The presentation was made by a home office representative of the company who spoke highly of their ability in handling the company's interests.

The agency also received a congratulatory letter from the president of the American Insurance Company, who has taken a personal interest in the event. "More important than all," wrote the president, "is the bond of friendship which has held us together, and we hope it may grow even stronger in the years to come. Great credit is due you and your associates in that your business has endured and prospered for so many years. Few agencies have been in existence for so long a period, and your past record should be a heritage symbolic of future achievements."

Birtwhistle & Livingston has represented the American Insurance Company since 1894.

DUNBAR FORUM HEARS TALK BY WINTON WHITE

Various questions about education in the local school system were answered by Winton J. White, superintendent of Englewood schools, following his talk before the Dunbar Forum at Memorial House Sunday afternoon. Approximately 100 men and women attended. The Rev. Douglas M. Collins of Galilee M. E. Church, presided.

Judge LeRoy Huckin of Englewood will speak at the next meeting on Sunday, March 3.

TEANECK GIRL WINS FASHION SHOW PRIZE

Miss Bertha Landon, daughter of Mr. and Mrs. H. C. Landon of 237 Woodbine avenue, Teaneck, received first prize in a fashion show held last week by students of the New York School of Design, 625 Madison avenue, New York.

The first arrivals of the Florida Valencia ORANGE crop have come to supplement the supply of California navels. Even this crop was damaged by the December freeze so there is not the large supply of first class fruit anticipated.

Wineap and McIntosh APPLES continue in the very moderate price group. Both are excellent for cooking and eating. STRAWBERRIES are coming into market more plentifully. Their price is very moderate for the season.

Here is a menu* made up from seasonal foods selling at moderate prices:

Green Peas Good Value
GREEN PEAS are the outstanding vegetable among green vegetables though GREEN BEANS will be plentiful and comparatively low in price by next week. Since the Texas supply of BROCCOLI was destroyed, California is supplying the market but at a higher price. Little SPINACH or other greens is available as much of it was

frost killed. CARROTS, CABBAGE, BRUSSELS SPROUTS and CAULIFLOWER are moderately priced. LETTUCE is excellent in quality.

Grapefruit and Apples Cheap
GRAPEFRUIT are fine-grained, sweet and juicy as well as cheap. They are equally good at breakfast, the first course of lunch or dinner, in salads or desserts. They also squeeze successfully for juice.

Potatoes Good Food—Low Priced
Cold weather has increased the demand for the non-perishable vegetables called "hardwares" so that somewhat higher prices may be expected—except for white POTATOES, which are unusually low priced. They are a valuable food—nourishing and rich in protective food elements. Twice a day is not too often to serve them if your food budget is limited; and regardless of the size of your food allowance, potatoes should be on your table at least once a day.

Green Peas Good Value
GREEN PEAS are the outstanding vegetable among green vegetables though GREEN BEANS will be plentiful and comparatively low in price by next week. Since the Texas supply of BROCCOLI was destroyed, California is supplying the market but at a higher price. Little SPINACH or other greens is available as much of it was

frost killed. CARROTS, CABBAGE, BRUSSELS SPROUTS and CAULIFLOWER are moderately priced. LETTUCE is excellent in quality.

Grapefruit and Apples Cheap
GRAPEFRUIT are fine-grained, sweet and juicy as well as cheap. They are equally good at breakfast, the first course of lunch or dinner, in salads or desserts. They also squeeze successfully for juice.

HOLY NAME SOCIETY CARD PARTY TONIGHT; IS 32nd ANNIVERSARY

Walter Schilling Is Head Of Unit Formed Here By Rev. McDonald

The Holy Name Society of St. Cecilia Church will hold a card party tonight in the gymnasium of the high school.

This week marks the thirty-second year since the formation of the Englewood group, which took place in 1903 at the invitation of the Rev. Theodore McDonald, O. C. C. The unit has grown from a membership of 26 in the original days, to 450 today, and is one of the outstanding Holy Name groups in the county.

The society was established in the old hall on Prospect street on February 1, 1903, when 26 men at the request of Father McDonald gathered together and elected Donald Murphy president; John Beattie, vice-president, and James Cooney, treasurer. Present at that first meeting were James Cooney, J. J. Casmore, E. Ritzler Sr., E. Ritzler Jr., William Grann, Robert Oakley, Patrick Kenny, Thomas J. Sheridan, Patrick Eiff, Donald P. Murphy Jr., John A. Beattie, William Corcoran, James Fitzpatrick, William Cooke, John Beattie, Jeremiah Murphy, James Conley, Edward Cooke, Frank Ulrich, Frank Leier, Thomas McWhin, Timothy McKee, William Doyle.

Walter Schilling is president of the Holy Name Society, having been installed recently, succeeding Ambrose Cooper. William Tranberg is first vice-president, Dr. A. Barroso, Berner, second vice president; F. Osterman, treasurer, and Edward Clare, secretary.

Elizabeth Arden says: "No woman can be truly beautiful (no matter how lovely her skin) unless her teeth are white."

Elizabeth Arden's Superior Toothpaste, Savon Kenott, sweetens as it cleans. Try a tube!
