

Local Residents In Fashion Show

A unique method of presenting a fashion show was devised by Mrs. Cyril Nelson of Franklin Park to climax the Parade of Progress at the State Theatre on Saturday.

Mrs. Nelson, who is program director of WCTC, developed a plot about a wedding house party which began with breakfast on the terrace and carried through 12 scenes, to conclude with a night club party for the most vigorous guests. Ensembles which were suitable for each of the day's activities were modelled through the courtesy of cooperating merchants. The cast acted in pantomime, while Mrs. Nelson served as commentator and director. Intermissions during the changes of scene were filled by fashion notes given by Wilma Bell of Mademoiselle Magazine.

A highlight for many children who attended was a brief puppet show by Mr. and Mrs. Bruce Armstrong of Franklin Park, with the assistance of Mrs. Cooper Vickery of Middlebush. Senor Clef, a clever puppet virtuoso, gave a medley of Rachmaninoff prelude and chopsticks, and accompanied Madame Torso, a determined operatic aspirant while she attempted "Listen to the Mocking Bird."

Members of the cast from Franklin Township included Mrs. James J. Slade and her children, Margaret and Santi, and Mrs. Richard Van Middlesworth.

Among those attending the Stamp Collectors Association of New Jersey exhibit and auction at the Calco picnic grounds last week were the group pictured above from the Middlebush 4-H Club. From left to right, 1st row, Daniel Schmidt, Clayton Farnham, Santi Slade, Benjy Stanton, Harry Kline and Buddy Tucker, assistant leader; top row, Siegfried Schmidt, Bobby Tucker, Ronald LaRue, Allan LaRue, Robert Lee and Hubert Schmidt, leader. William Easton, president of the state stamp collectors association attended with this group.

283 Anti-Rabies 'Shots' Given To Local Dogs

An unprecedented response to the second anti-rabies clinic held at the Hamilton School grounds Sept. 25 resulted in the inoculation of 142 dogs against rabies on that morning. Dr. Arthur F. North of the Somerset Veterinary Infirmary had been engaged for a period of two hours. Nearly four hours later he was making the last injection.

"The incident of rabies may be controlled only by reducing the number of susceptible animals," pointed out Dr. North. No inoculation against rabies is effective for a period of more than a year, although vaccination prior to that time will act as a booster dose. It requires three weeks for the shot to become effective, and dogs infected before inoculation or during the period immediately following inoculation are not protected, he said.

It is felt by the township committee that protection against rabies is of considerable importance to protection against smallpox. A total of 283 township dogs have now been protected at the clinic. A few others will be inoculated privately. This leaves about 800 unprotected dogs in the township. "Every effort should be made to have all dogs inoculated against rabies if the disease is to be controlled," states Dr. North. Similar clinics are being conducted in surrounding townships, with the state providing free vaccine and local officials assuming the expense of the inoculation.

GLF Annual Meeting

The annual meeting of the G. L. F. will be held by its patrons in the chapel of the Middlebush Reformed Church on Thursday at 8:00 p.m., announces H. E. Propst, local committee chairman.

Two members are to be elected to the patrons committee to succeed Garretson Hageman of Middlebush and Albert Wegner of New Brunswick, whose terms expire. Joseph Pastores, William Gulick, Raymond Gunther and H. E. Propst, all of New Brunswick, continue as committeemen. Nevin Kline of Middlebush is the local agent-buyer.

District Manager R. H. Lee of Washington, N. J., will report on last year's operations of the G. L. F., and the program will include a color motion picture, "From These Roots."

Miss Kuderle Bride

St. Peter's Church, New Brunswick, was the scene last Saturday afternoon of the wedding of Miss Marilyn Kuderle, daughter of Mr. and Mrs. Max Kuderle of Franklin Park, and Earl George Carson, son of Mr. and Mrs. Albert Carson of East Brunswick. The Rev. Thomas O'Dea officiated.

The bride, given in marriage by her father, wore a white satin gown, the neckline of which was trimmed with beads. The full skirt had a bustle back and train. Her fingertip illusion veil was attached to a beaded crown, and she carried orchids and lilies of the valley.

Miss Loretto Scortino, maid of honor, wore a gown of American beauty taffeta, and her bouquet was of pink roses. The bridesmaid, Miss Marjorie Getty, was dressed in royal blue taffeta and carried yellow roses.

Albert Carson was best man, William Carson and Robert Smith ushered.

The bride is a graduate of New Brunswick High School, and Mr. Carson was graduated from South River High School and attended radio school in Newark.

New Lions Club Receives Charter

Delegates from the Milltown, Somerville, Far Hills, Bedminster, New Brunswick, Bound Brook, Raritan Township, South Plainfield, Jamesburg, Princeton and Watchung Lions Clubs were numbered among the 167 guests who attended the charter night dinner given at Far Hills Sept. 25.

Toastmaster Fred Gowen introduced Carl Moran, of Jamesburg, district governor and international counselor, who presented the equipment of office to Harry Karakas, president of the Franklin Township Lions Club. Moran then spoke on the aims and ideals of Lions. "Service to the community and to fellow men is the essence of Lionism," he stated. "There are over 100,000 suggested projects through which these aims may be realized."

The Franklin Township club adds to the total of 68,000 Lions clubs over the Americas, with new clubs forming weekly to carry on the work of service. The Franklin Township club is no longer the baby club, as since its inception a few months ago the Watchung club has already been organized and another is being formed.

Moran explained the symbolism of the Lions banner. He then called the officers and directors and instructed them in their duties. Harry Karakas, president; Edward F. Harned, 2nd vice-president; Ralph J. Ahrens, secretary; John Van Middlesworth, Lion Tamer; Stephen C. Reid, Tail Twister, and Alex Katchen, Wm. M. Nulton, Jr., Harry Van Note, and Francis M. Lynes, directors, responded to the call. The 27 charter members then present were called, and the charter was presented.

PTA To Hold Supper

The Middlebush P. T. A. will hold an international supper at the school, starting at 6:30 a.m. Oct. 8. Dishes and silver will be furnished by the school cafeteria, but it is requested that each family bring sufficient food to serve 8 to 10 persons. Specialty dishes of foreign origin are preferred. Those who are fortunate enough to own national costumes are urged to wear them. The regular business meeting will be followed by a costume parade and community singing.

SUNDAY SCHOOL TO SHOW MOVIES

The Sunday School of the Six Mile Run Reformed Church will present a motion picture in Frelinghuysen Chapel Oct. 11 at 8 p. m. for the public. Proceeds will go toward the support of the church as the Sunday School's portion of a fund raising program being conducted by all church organizations.

Attend Conclave On School Lands

Personnel of the Franklin Township school lunch program attended the annual state-wide school lunch conference last Saturday at Jameson Auditorium, New Jersey College for Women, New Brunswick. Mr. Charles Steel, principal of Teaneck High School and president of the New Jersey Educational Association conducted the morning program and Wm. H. Flaherty, superintendent of schools, Passaic County, the afternoon session.

The Alfred Reed School, Ewing Twp. presented a play, "Six Stars of the School Lunch Program." A panel discussion led by Flaherty included Mrs. Agnes Davenport, supervisor of school lunchrooms, Blomfield, on the subject of "Personal Policies"; Miss Sionie Shafer, State Department of Labor, on "State Labor Laws and Student Workers," and Spur-

geon Gross, director of school lunchrooms, Atlantic City, on "Financing the School Lunch."

Short talks were given by Mrs. Margaret Morris, chief technical service, school lunch division, U. S. Department of Agriculture; Miss Margaret Brennan, supervisor of home economics in charge of school lunchrooms, Newark, and Miss Pela Broucher, assistant professor of home economics, N. J. C.

Mrs. Joseph Patko and Mrs. Douglas Witcheck of the Middlesex lunchroom were included in the dramatization, "Records and Simplified Accounting" which was presented by J. M. Murtha, of the U. S. D. A. It was recommended that other school lunchrooms throughout the state adopt the simplified and accurate method of bookkeeping which is being used in the Franklin Township schools.

In the Mail Bag

Dear Editor:

It was published in The Record that the Franklin Township dumping ground would be open only those hours when there was some one on duty. A sign has now been posted at the dump that those hours are to be from 8 a.m. to 5 p.m. Monday through Friday only. It seems to me that Saturday hours should be provided for those who are unable to get to the dump during the week. Can't something be done?

At the same time I should like to commend the township officials for the fine job they have done in cleaning up the dump. It really looks so much better.

Yours truly,
GLADYS LYNES.

Auxiliary Meeting

The Ladies' Auxiliary of the 2nd District Fire Company will hold a meeting Oct. 13 to complete plans for the annual trip to New York. Final arrangements will also be made for the Halloween party which the fire company annually gives for the children of the district. The costume party will be held from 2 to 5 p.m. Oct. 30. Prizes will be given for funniest and prettiest costumes and for winners in the many games. The adults will hold a similar party in the evening.

Broiler Meals

Choose tender cuts of good quality meat such as club, porterhouse, sirloin, rib or shoulder chops. Thick steaks are usually juicier than thin ones and require more time to broil. Score the fat of meat so it will not curl.

Smoked ham, bacon, liver and sausage may be broiled but pork is better when baked or braised. Chicken for broiling should be young and tender.

Whole fish should be split and broiled skin down without turning. Thick fish steaks may be turned and broiled on both sides.

When fruits and vegetables are broiled with meat, they are placed on the rack for the last part of the broiling period. Cooked, canned or leftover vegetables may be broiled in the pan under the rack.

Firm vegetables such as potatoes, parsnips or carrots should be parboiled. To brown vegetables, brush with salad oil, butter or margarine.

Fruits can be brushed or dotted with butter or margarine and sprin-

Bacon

Broil 5 minutes, turn, and broil 5 minutes.

Chicken

Split, rub well with shortening. Place on broiler pan, skin side down. Broil 20 to 25 minutes, turn, broil 20 minutes.

FISH—1 Inch Thick

Brush each side with melted shortening, place on broiler pan, skin side down. Broil 20 to 25 minutes, turn, broil 8 minutes longer.

Fruits

Brush with melted shortening. Sprinkle with sugar. Broil as follows:

Apples, raw, 1/2 inch thick, 15 to 20 minutes.

Bananas, whole, 10 to 15 minutes. Canned fruits, 10 to 15 minutes. Grapefruit or oranges, halved, 10 to 15 minutes.

Vegetables

Brush with melted shortening. Broil as follows:

Carrots, parboiled, 10 to 15 minutes.

Cauliflower (flowerlets), parboiled, 10 to 15 minutes.

Eggplant, parboiled, 1/2 inch thick, 15 to 20 minutes.

Mushrooms, raw, 8 to 10 minutes. Onions, raw, 1/2 inch slices, 10 to 15 minutes.

Parsnips, parboiled for 10 minutes, 1/2 inch thick, 10 to 15 minutes. Potatoes, parboiled, 1/2 inch thick, 10 to 15 minutes.

Potatoes, raw, 1/2 inch, 15 to 20 minutes.

Potatoes, sweet, parboiled, 1/2 inch thick, 10 to 15 minutes.

Squash, zucchini, raw, halved, 15 to 20 minutes.

Tomatoes, raw, halved, 6 to 10 minutes.

utes, turn, broil 10 minutes.

HAM—1 Inch Thick

Broil 10 minutes, turn, broil 8 minutes.

CHOPS—1 Inch Thick

Broil 8 to 10 minutes, turn, broil 8 minutes.

(Place following foods 5 inches from broiler unit.)

Community Fire Company Expands

First Community Volunteer Fire Company members are busy constructing a 38 by 38 addition to their firehouse on Hamilton Rd. This addition will include a kitchen, boiler room, lavatories and stage, with dressing rooms and a meeting room on the second floor.

The Community Fire Company was organized and incorporated in 1935 with about fifteen members, and met in the J. H. Thompson lumber shed during the first winter while erecting a building on Prospect and Rose Sts. This building was sold in 1946, and construction began on the new building. The first public collection was taken when the White truck was purchased in October, 1946. Prior to this time funds had been raised by floating bond issues among the members.

Both members of the company and of the community are justifiably proud of the White truck, for members of the community designed it completely. A committee of four, having used "Old Susie," an ancient engine, for many years, put all their dreams for an engine designed to meet any emergency into blue prints. It has a 600-gallon pump with an 800-gallon tank. A portable 250-gallon pump is part of the regular equipment, as well as four ladders up to 50 feet in length. The engine won the first prize trophy at Lakewood and Trenton as the best engine in the State in 1946.

Taylor President

Like other fire companies in the district the Community No. 1 cooperates upon request, but their regular district lies in the sector

bounded by the New Brunswick city line to the Lincoln Highway through Bennets Lane to Hamilton St., down Luepp Lane to Easton Ave.

Officers of the company are as follows: Jack Taylor, president; J. H. Thompson, vice-president; Charles Filkhazi, secretary; Anthony Mento, treasurer; Andrew Varga, Jr., sergeant-at-arms; Robert Eichen, chaplain. The fire officers consist of Walter Klinger, Sr., chief; John Kerekes, first assistant chief; Andrew Varga, Jr., second assistant chief; John Panza, captain; John Ketch, lieutenant; Anthony Mento, sr., foreman; Walter Brown, assistant foreman; Cassimiro Calvo, first engineer, and Vincent Calvo, assistant engineer.

Regular meetings of the company are held every Monday night and of the Auxillary Tuesday nights.

The ambulance was purchased in 1947 with 19 members in the first aid squad who have passed the standard advanced course in first aid serving as members of the squad.

During the war the Rose Street house was the Air Raid Warden Headquarters, and served as control center for the district. The company also sponsors Boy Scout Troop 28.

Franklin Park

Dr. and Mrs. George Moore, Jr., of Ann Arbor, Mich., have announced the birth of a daughter, Barbara Diane at Ann Arbor General Hospital. Dr. Moore, who is the son of the Rev. Mr. and Mrs. George Moore, is on the medical staff of the hospital.

Dr. and Mrs. James Schonlau left for their home in Monroe, La. Sept. 17. Dr. Schonlau had driven here with friends to join his wife, who had been spending several weeks visiting here with her mother, Mrs. Emma Ten Eyck and her sister, Mrs. Edward Skipworth. The doctor and his wife visited in New York City for several days before driving home. Mrs. Schonlau is the former Betty Ten Eyck of Franklin Park.

Mrs. T. E. Gibson has been entertaining Miss Alice Martin of Ocean Grove and Miss Jessie Suter of Paterson at her home in Ten Mile Run.

Mr. and Mrs. Michael Zaslavich of Indianapolis, Ind., have been visiting here with his mother, Mrs. Mary Elchevaria.

The executive committee of the Parent-Teacher Association will meet in the Franklin Park School on Tuesday afternoon at 2:30 p. m.

COOP Residents Hire Attorney

David I. Stepacoff of Perth Amboy, has been retained by a group of residents of the Veterans Building Cooperative in Franklin Township to press charges against any individuals responsible for the failure of the project. These veterans are among those who have been served with legal papers by Daniel C. Kasen, Chancery Court-appointed receiver of the project for non-payment of rent. The legal notices empower the receiver to sell the veteran's household furniture to obtain payment of

back rent. Rent has been withheld by the veterans because of the receiver's failure to make needed repairs and to finish the exterior of the homes, Stepacoff said.

"The treatment these men have received is scandalous," Stepacoff said. "They have been defrauded of more than \$1,000 each."

Stepacoff is also a veteran of World War II, having served two years with the Coast Guard. He became interested in the affair when approached by ten of the thirty-two veterans living in partially completed units on the development.

See how your telephone Service has grown

• When you consider the greater number of people you can reach by telephone, or who can reach you, you get a good idea of how much your telephone has grown in value.

• In 1938 there were 700,000 telephones in New Jersey—today there are more than 1,400,000. To put it another way, in many New Jersey communities, the number of telephones has more than doubled within the past 10 years.

• The point is this: As the number of telephones in your area increases, the usefulness of your telephone service increases.
