

Davis Quits Board In Surprise Move, Bardsley Named

C. REXFORD DAVIS

"Three incontrovertible reasons" were cited by Dr. C. Rexford Davis in his surprise letter of resignation from the township Board of Education read at a meeting of the group Monday night.

Davis, first elected to the board in 1947, has held the post of president for seven years. Mrs. Florence F. Randolph, board secretary, read a letter from Davis, a professor of English at Rutgers University, before the board selected its new president.

Davis told the RECORD that he will continue as president of the New Jersey Federation of Boards of Education until his term expires in June.

LEONARD BARDSLEY was elected president unanimously to succeed Davis and John J. Kelly was elected vice-president by a 4-3 vote over Mrs. William G. Pattison. Bardsley was elected to the board last year.

In resigning Davis noted that "For some time past I have been unable to do full justice either to my work at Rutgers or to my duties on the Board of Education. I must therefore resign one or the other. I choose my job, which I need."

"The strain of trying to do the impossible by working at both jobs has brought me, at my age, to the point of complete physical exhaustion, so that I have been well advised to resign from the board if I hope to escape a serious physical breakdown. I believe I should not run the risk."

"I believe that no persons should serve continuously as president of any board of education. I further believe that for most people two terms is enough."

DAVIS EXPRESSED gratitude (Continued on Page 8)

Query Structo On Materials For Schools

Questions concerning water saturation and freezing tests on material which is scheduled to be used in the construction of the two new Franklin Township schools have been forwarded to the Structo Schools Corp. of Boston. Micklewright and Mountford, architects for the Board of Education, performed the tests.

A letter sent by the architects to Structo stated that the material had been tested for durability by being saturated with water for 24 hours and then frozen and defrosted five times.

MICKELWRIGHT said the tests showed that the corners curled and that the lamination of masonry separated and the sample was deformed. The letter asks the Boston firm what method of protection can be used to insure against this happening in the proposed schools. The letter went on to say that a by 12 inch sample sent from Boston to the firm arrived in "bad condition."

Record Is Offering Gift Globe FREE

As soon as the RECORD hit the streets Friday, people began coming in for the valuable geographical reference globes which are being given away absolutely FREE with each new subscription to the paper.

Even in Friday's unpleasant snow, sleet and rain, they came. The response to the gift offer greatly exceeded our expectations and we quickly ordered an extra supply to fill the demand.

The offer also proved very attractive to present subscribers. They are eligible to get their globes FREE by renewing their present subscriptions for two years. One man extended his subscription until 1960 and several extended theirs until 1959.

All you have to do to get a globe is to clip the coupon in this full page advertisement and bring it to the RECORD office at 284 Remsen Ave., New Brunswick, and you will go home with this wonderful gift.

Every home should have one of these full-color globes. They are 7 1/2 inches high overall. The globe has detailed markings of trade routes, marine distances and geographical notations. These make it ideal for students.

A globe is given free with every new paid subscription at the regular price of \$2. Present subscribers may get a two-year renewal at the special \$3.50 rate and get their free globes. Don't delay—have a globe in your house tonight—and the RECORD delivered 22 weeks a year.

Salk Shot Plans Being Organized

No date has been set for the next group of free Salk polio vaccine inoculations, Stephen C. Reid, township health officer told the RECORD yesterday.

Township schools reported to Reid that more than 1,000 units of the vaccine will be needed and he has ordered the quantity requested. When doctors and nurses are organized to administer the vaccine to all of the school children on the same day, a date can be set.

It is planned set up clinics in the schools by combining Pine Grove with Hamilton, East Millstone with Middletown, and Phillips with Kingston. The Board of Education at its meeting Monday evening, gave Health Officer Reid permission to use the school facilities.

Township Talk

Looks like a hassle coming up over whether property on the Lincoln Highway will be rezoned to permit a music circus to set up shop. If it doesn't pull any more people than the Princeton efforts at summer stock did, the hassle won't last long. Those things seem to go over better in resort or tourist parts of the country.

Like most other questions, there are three sides (yours, mine, and the right one), and what it really comes down to is whether the enterprise will pay enough taxes not only to compensate for the noise, dirt and traffic, but for the widening of the highway, which would certainly be necessary, policing the crowds, etc. Some local restaurants and bars might profit.

Hasn't that old Highway 27 had a history? It was an Indian trail first, and in Colonial times the stagecoaches between New York and Philadelphia used the road. A traveler reported that he could see the spire of Christ Church in New Brunswick when the coach came on the hill at Six-Mile Run. Then, with (Continued on Page 2)

Governing Body Would Regulate Household Moving

The Township Committee introduced an ordinance last night which would require the issuance of a license for any moving of household goods. The ordinance is designed as a check on personal property to insure that the taxes are paid on it. A hearing will be held on the proposed ordinance Mar. 22.

The committee met before an overflow crowd, many evidently drawn to the Township Hall by the rumor that there would be discussion of the question of licensing the theater on the property of Roy Brookes on the Lincoln Highway near Cortelyou's Lane. Mrs. Brookes presented a petition with 75 names asking that the application be approved, and was told by Mayor James G. Maher that the application was in the hands of the Board of Adjustment. Only after the board's ruling could the matter be brought before the Township Committee.

IT WAS ANNOUNCED that bids for road construction materials would be received Mar. 22 at 8 p. m. A resolution was passed approving the final section of construction on Blackwell's Mill Road and paying the contractors, A. & B. Excavating Co. of Hopelawn, the sum of \$4,387.54 for the job.

Another resolution designated the state road aid funds of \$17,089, the surplus from last year's funds of \$1,877.12 and the township's share of the road construction formula funds of \$3,911, to be used for paving on Franklin Ave., Wilson Rd., Rodney Ave., Dayton Ave., Rinyon Ave. and Cortelyou's Lane.

An ordinance was introduced amending the zoning code to require that the building line for new construction be at least 100 (Continued on Page 8)

School Enrollment Climbing Steadily

School enrollment, which has been climbing steadily, ran above 1,800 in January according to the report submitted to the Board of Education by Superintendent of Schools J. M. Lynch, Monday evening.

Starting with 1,769 pupils in September, by December the figure was 1,788 and reached 1,801 in January. It is estimated that there will be 1,990 pupils in September, 1956, and that by 1957 the total will be 2,090 children in the schools of the township.

School Vote Is Set Here For Thursday

The election on two new elementary schools for the township will be held Thursday, Mar. 1, at the eight regular polling places. The brochure describing the schools and explaining financing plans erroneously stated that the election was on Tuesday, and Board of Education officials wished it emphasized that the correct day is Thursday.

The board and the Lay Advisory committee held a public meeting at Phillips Sokol last night to give the public a chance to ask questions about the new schools.

A full public hearing will be held in the Middlebush School Monday at 8 p. m., with members of both the Board of Education and the Lay Advisory Committee on hand to discuss the proposed Structo Schools, a new type of prefabricated. (Continued on Page 8)

Heart Hits Home

At 24---His Only Date Was With Death

It shouldn't have been too much of a shock—his friends knew it had to happen before long . . . but to come home from church and find on the telephone table the stark little note . . . Shelley's mother called . . . he died this morning . . . she thinks he'd like it if you and Peggy would come . . . to the funeral.

A funeral . . . for Shelley . . . brilliant, sensitive, articulate Shel-

ley, with courage and character far beyond his years. You have to be brave to look eternity in the face, without bitterness or self-pity, at 24. To live with a heart so badly damaged by rheumatic fever that there was nothing to do but wait for it to give out.

Shelley had been one of the most promising boys in his high school—a star on the debating team. His folks didn't have much money and he would help his mother afternoons and evenings in her boarding home for children, then get up at two or three in the morning to do his homework. So when rheumatic fever struck it found a badly rundown boy, unable to throw off the worst effects of the disease.

SHELLEY NEVER went steady with a girl—he never drove a car.

After his illness first came, he never kicked a football or took a swing at a baseball. He never smoked a cigarette or tried his first cocktail. He couldn't go to college or in art school, or work at a job. But he had the courage and the character to learn to enjoy the kind of life he had to live. He taught himself to paint and did some amazingly good pictures. He enjoyed music and collected some fine classical records. He made mobiles. He bred tropical fish, making a small income from them.

Three years ago, against the advice of his local doctor, Shelley decided to have the big heart operation—the one you read about in a national magazine.

It was a long chance, he was warned. But "what have I got to lose? It may kill me or it may cure." (Continued on Page Three)

Mrs. Esser New Heart Drive Head

Mrs. Barbara Esser, Lincoln Highway, has taken over chairmanship of the Heart Fund Drive, a post relinquished by Anthony J. Pappas, when he moved from the township.

The Heart Fund Campaign will be climaxed by Heart Sunday, this Sunday. Solicitors will make a one-day canvass of the township. Heart coin boxes, which have been placed in stores, will be picked up the last day of the month.

Pappas, who organized the drive here, has accepted a position as assistant editor of The Maxwell House Magazine, house organ of the Maxwell House Division of General Foods Corporation, Hobo-

ken. He and Mrs. Pappas have purchased a home in Boonton, and with their daughter, Andrea, moving today from their home on Amwell Road in Middlebush. Pappas had been employed by the Milltown Sentinel.

Assisting Mrs. Esser in the Franklin Park area in the house to house canvassing Sunday will be Mrs. Russell Laird, Mrs. Joseph Neach, Mrs. James Moise, Miss Beple Feller, Mr. Roy Brookes, and Mr. Augustus Grykien.

Mrs. Frances Jensen will be in charge of the Heart Fund Drive in the Millstone and East Millstone area.

Grange Members Mark Birthdays At Joint Party

Somerset Grange 7 celebrated "everybody's birthday" at a meeting in Franklin Park Firehouse last Wednesday evening.

First prize went to Mrs. Elsie Johnson and Mrs. George Lettinger for decorations at the March and April table, while the July and August table, decorated by Mrs. Byron Slichter and Mrs. Emmy Rice, earned second prize. Mrs. Jane Lawson and Mrs. Nellie Gibson received third prize for the May and June table. Prizes were also given to Mrs. Frederick Butterwick and Richard Cantos as the oldest and youngest persons at the party.

Other prize winners were: Frederick Wyckoff, men's contest, filling a ladies' shoe; Miss Elfreida Redding, best selling job; Marilyn Young, a member of the Junlor Grange, musical chairs; Ronnie Balabas, cork and balloon contest; Mrs. Peter Kidding, shamrock contest.

The next meeting of the Grange will be held at the firehouse, March 7.

the railroads. It became a country road again. Came the automobile, and it became the Lincoln Highway, part of the first transcontinental highway, and the busiest road in the country. About 30 years ago, the super highway, US 1, and later Highway 130 and still later the Turnpike made it a country road again. Now there's talk about making it a four-lane highway, and the pendulum swings back again.

Back to the question of the music circus. We can't see that argument that a landowner has an inalienable right to realize a profit on his investment. Buying land anywhere is a gamble, and no we have a right to win on a horse or in stock speculation? The Board of Adjustment will listen to all parties in interest and will without doubt base its

decision on their idea of what's the greatest good for the greatest number.

Business people in East Franklin are circulating a petition to have the township put curbs and gutters on Hamilton Road, on an assessment basis.

Mrs. Frank Como wishes to thank her neighbors on Cedar Grove Road, and friends on Ellison, DeMott and Gates Roads, for all the help they gave her during the illness of her husband. He is still confined at St. Peter's Hospital as a result of an injury he sustained while working several months ago. As a new resident in the community she was very happy to meet with so much kindness and generosity in a time of trouble.

People who like to eat have a hard choice coming up on St. Patrick's Day, what with the roast beef supper at Griggstown and the turkey supper at Middlebush going on at the same time. What it cooks down to is whether you happen to prefer meat or poultry.

If ever a man deserved to hang up his spiked shoes with the respect and gratitude of the community, it's Dr. Rex Davis. Everybody doesn't always agree with him during the past seven years of his tenure as president of the Board of Education, but nobody can say he didn't work at it. Another recent heart attack vic-

tim, not a resident of the township, but well known here is "Prof." John George, who is a patient in St. Peter's Hospital as a result of an attack last Sunday. Many times voted the most popular professor at Rutgers, the "Doc" will have the good wishes of old Rutgers boys as well as many other friends throughout the township.

Club To Discuss Church Directory

Plans for a church directory will be discussed at a business meeting of the Couples Club of the Six-Mile-Run Reformed Church March 2 at 8 p.m. in the home of Mr. and Mrs. Vance P. Dunn.

The directory will be financed by selling advertising space, and profits will be contributed to the Sunday school. Copies of the directory will be distributed free.

During the social hour at the meeting, the "Barber Shop Quartette", a group formed from the club's membership, will sing. REC—Son to Maranos. A son, Anthony, Jr., was born Sunday to Mr. and Mrs. Marano, Sr. of 98 Emerson Road at St. Peter's General Hospital. Mrs. Marano is the former Theresa Georgiana of Hamilton St.

Del Casales Visiting Florida

Mrs. Blanche Seyler, daughter of Mr. and Mrs. Frank Varga of Bennett's Lane, and Thomas Del Casale of New Brunswick were married Saturday in St. Peter's Church, New Brunswick.

The Rev. James Riskey officiated at the wedding, and the bride was given in marriage by her father.

Matron of honor was Mrs. Russell Cadmus of South River, and Harold Scott, also of South River, was best man.

Mr. and Mrs. Del Casale left for a two-week wedding trip to Florida immediately following the ceremony. On their return they will be at home in the house they recently built on Bennett's Lane. Mrs. Del Casale was graduated

from South River High School and attended Rutgers University. She is employed as a laboratory technician at the Merck Company, Rahway, and is a member of St. Peter's Church, the Women's Democratic Club of Franklin Township, the Somerset County Young Democrats, and the Middlebush PTA.

Del Casale is a Navy veteran. He was graduated from New Brunswick High School, attended Rutgers University and was graduated from Rider College. He is employed at the Pennsylvania Ice Cream Company, heads his own dance orchestra, and is a member of the Community Volunteer Fire Company and the reserve police.

Shirley Werner Reveals Troth

Announcement has been made of the engagement of Miss Shirley Ann Werner, daughter of Mr. and Mrs. Fred A. Werner of Kingston Lane, Monmouth Junction, to Michael Carnegie, son of Mr. and Mrs. Michael Carnegie of Franklin Park.

Miss Werner, a graduate of Jamesburg High School attended Rider College Trenton, and is employed by Dr. William Klein of New Brunswick.

Her fiancé attended Middlesex County Vocational and Technical High School and is associated with his father in the operation of a general store and gas station.

The couple will be married June 10.

Ladies' Aid to Hold Turkey Supper March 17

Mrs. George Cuddy has been named chairman of the committee for the turkey supper to be given by the Ladies Aid of the Middlebush Church, Saturday evening, March 17. me." Well it did neither, for when the great surgeon cut down between Shelley's ribs, he found so much heart damage there was nothing he could do but sew the boy up, and then there were the long months of convalescence. Then more time in the local hospital. He wasn't in bed all the time, could stay up, and even worked though, and he painted when he two or three weeks at a time in a music store, selling records. He helped to organize his high school reunion dinner last summer, and did some work in a political campaign last fall.

A few weeks ago, we saw his doctor at the Heart Fund kickoff dinner and remarked that Shelley probably would be helping with the Heart Fund drive.

"NO," SAID the doctor, "Shelley is a pretty sick boy—his heart is worse and he has a virus infection he can't seem to shake off."

Talking with him on the phone a couple of days later, he seemed cheerful and hopeful. After all, wasn't there always that little hope, flickering like a candle in a breeze, that there would be some medical

miracle in time. Then last Sunday, that little candle of hope burned down to the end.

Maybe Shelley would have liked his friends to come to his funeral, and maybe he wouldn't have cared . . . one can't know. But it's for sure Shelley would have wanted to help the Heart Fund. He would have wished the cup to pass from others that he had to drain to the last bitter drop.

So on Sunday when the Heart Fund solicitor comes around, and you give what you can for the research and treatment which will keep other boys and girls from having to live and die as Shelley did, please silently dedicate your contribution to Shelley, and may you and yours be spared.

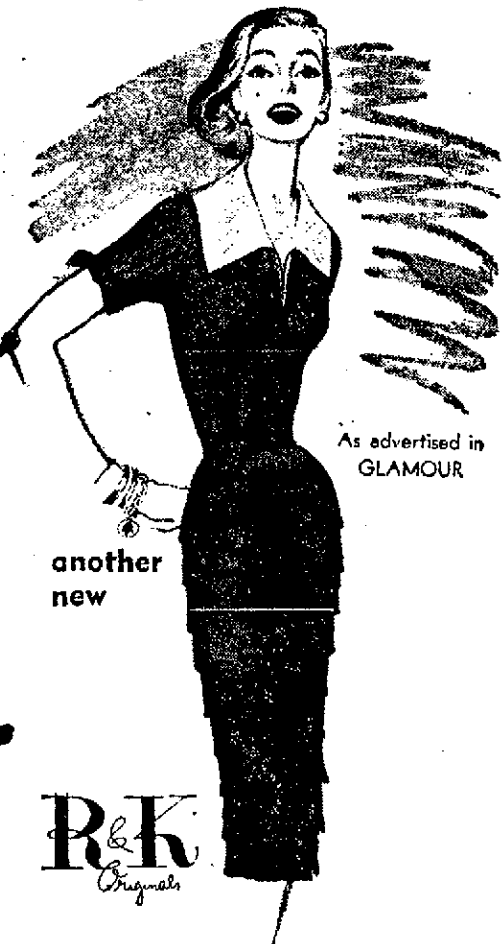

If you intend to offer your friends advice try to make it the kind they intended to follow anyway.

YOUTH COUNCIL SEEKS LIST OF LOCAL GROUPS			
Mrs. Charles McClure, secretary of the Youth Guidance Council, is compiling a list of all township organizations and requests all organizations not contacted by her to get in touch with her. THE RECORD will list all the organizations as a general reference not only for the council, but for anyone else interested in a township-wide program.			
The Youth Guidance Council will meet Tuesday evening in Township Hall. Plans will be made for working with local organizations and for developing a recreation program available to all township children.			

Middlesex County Has 11 Traffic Deaths So Far
 Middlesex County was tied for third with three other counties in most traffic deaths in the state as through Sunday midnight. Keeping abreast with Middlesex were Camden, Mercer and Passaic Counties. Essex County led the state with 11 road deaths and Hudson was second with nine. Middlesex had eight traffic deaths over the same period last year.

The all important mission of the Army is to uphold the interests of the United States in peace, in cold war or in a shooting war.

The Lincoln and Washington assembly was given Tuesday by the 8th grades. The announcer was Darrell Jackson. Christine Kircher and Alice Takacs played the march. The whole assembly sang the hymn, "Blessed Be the Tie," with Katie LaMar at the piano.

"God Only Knows" was sung by The Dreamers. Marilyn Williams, Christine Montgomery, Mary McDonald and Patricia Denton.

The class presented "Our Leaders" which included choral speaking; "The Battle Hymn of the Republic" with a trumpet solo by Leonard Milchuk; "Yankee Doodle" and the "Pledge of Allegiance" which the entire assembly joined in singing. Also, Kenneth Martinek delivered the "Gettysburg Address."

An original Lincoln Day poem was given by Bernard Diamond.

June Horvath offered the popular song hit, "He," with the class's assistance. Thomas Jodzievicz and

Bonnie Van Ripper each gave accordion solos. Bernard Diamond and Jerry Schargel told some original jokes.

"The Rock and Roll Waltz" was sung by Jessie Ann Radd and Carol Krause. Leonard Milchuk gave an original version of the old fairy tale, "Little Red Riding Hood." The Dreamers were next on the program with a song, "This Is My Story." "The Whistling Farm Boy," a play solo by Christine Kircher.

The class sang the verses and the whole assembly joined in the chorus of "Sixteen Tons." Leonard Milchuk was last on the program with a trumpet solo, "Cherry Pink and Apple Blossom White."

The assembly closed with everyone singing "America, the Beautiful," with Katie LaMar a the piano.

Begin Mail Order Car Registration

An accelerated mailing schedule for distribution of 2,000,000 car registration renewal application forms by the Division of Motor Vehicles has gone into effect under the direct mail order system. It was announced by Motor Vehicle Director Frederick J. Gasser, Jr.

A daily mailing of forms will continue until the entire lot has been dispersed to all New Jersey car owners whose vehicles were registered in 1935.

A person receiving a renewal form in the mail has the choice of using the direct mail order method immediately or applying to a motor vehicle agency on or after March 1.

Pastor To Discuss 'Praying', Sunday

"Praying to the Father" will be the sermon topic Sunday of the Rev. Vernon Dethmers, pastor of the Middlebrook Reformed Church, at the 11 a. m. service.

The following new members will be received into the church: Mr. and Mrs. Arthur Rosensau of De Mot Lane and Mr. and Mrs. Alex Anglett of Lake Ave.

The Junior Youth Fellowship will meet at 4 p. m. and the Senior Youth Fellowship will meet at 7:30 p. m. in the church.

The third of the series of mid-week Lenten programs will be held Wednesday at 8 p. m. at the church. The topic will be, "The Church's Educational Mission Through Missionary Concern." The program will be followed by a pot-luck supper and a missionary film.

There will also be a rehearsal of the senior choir Wednesday at 8 p. m. at the church.

The confirmation class will meet at the church Friday at 4:15 p. m.

In laboratories and similar enterprises, the Army has placed 140 major contracts in six months totaling \$33,000,000 to support the research and development requirements of the Army of the future.

Help Fight MULTIPLE SCLEROSIS

The cause and cure for Multiple Sclerosis are locked in mystery. But the National Multiple Sclerosis Society is hopeful that the mystery will be solved. That is why this fund raising campaign is named MS Hope Chest.

It takes money to finance research, to bring aid to patients, to service clinics, to prepare and distribute educational material. Will you help to fight Multiple Sclerosis, the crippling disease that affects so many young adults?

and you help to solve the mystery

SCOUT-ing Up The News

The annual cookie sale of the Girl Scouts and Brownies came to an end Monday, with all troops in the township chalking up record sales.

Scouts in the North Brunswick-Franklin Park neighborhood area will have one princess when the court of honor is held at the Rutgers gym on April 14. Judy Moravask of Troop 112, who sold 202 boxes of cookies, Jeanne Fleckenstein of Troop 189, who sold 100 boxes, will be a lady-in-waiting. Troop 112 sold a total of 758 boxes and Troop 189 sold 631 boxes.

Future plans of the North Brunswick-Franklin Park area include a leaders' meeting at Livingston Park School Mar. 2 at 8 p. m. Troop mothers and all other adults interested in Girl Scout work are invited for a session of planning, questions and answers. Mrs. Robert Wagner of North Brunswick is the area chairman.

On Mar. 16, the 10 troops of the area will have an International Night at Maple Meade School. Each troop will represent a different country and have songs, dances and other activities representing that country.

Delivery of cookies starts Mar. 12.

THE PINE GROVE-Middlebush Girl Scouts sold a total of 5,940 boxes of cookies. Leader was June Defelde, who sold 300, and will be a queen at the court of honor. Princesses will be Andre Brekko, 203; Marie Donovan, 200, and Joyce Shulass, 200.

Ladies-in-waiting are Mary Lou Greer, 125; Dorisgene Bonopane, 100; Yeth Letrakis, 145; Sandra Bal-

ley, 156; Georgia Spiro, 100; Carol Joyce, 100; Bernadette Scott, 100; Patricia Gaylor, 152; Judy Butler, 105; Joan Young, 100; and Gail Tucker, 122.

Collin Lancaster will be assistant adviser to the new Explorer Troop 100 of Franklin Park, of which Carl Meier is adviser. The Explorer Troop, the first in the township, operates on its own with adult leaders serving only in an advisory capacity.

CUB PACK 100 of Franklin Park will be formally organized this evening when parents and leaders will meet at the Six Mile Run Church. Details on this next week.

Past Presidents Are PTA Guests

Six past presidents of the Pine Grove PTA were guests of honor Tuesday evening when the PTA celebrated Founders' Day. Each of them lighted a candle on a large birthday cake. Mrs. Thomas Edwards, Mrs. George Carr, Mrs. Louis Broth, Mrs. R. Jablonski, Mrs. P. Bennett and Mrs. William Pattison were the past presidents to be honored.

Principal speaker on the program was Township Attorney Robert Gaylor. As the meeting was also Father's Night, Gaylor spoke on legal topics of interest to heads of families. Leonard Bardsley, new president of the Board of Education, spoke on the coming school election and Harry Golden, chairman of the building committee of the Lay Advisory Committee, discussed the construction of the proposed new school.

A bag salute was led by Boy Scout Troop 56. It was announced that the PTA will hold a bake sale at 7:30 p. m. at the school preceding the Mar. 20 meeting.

Accordions from Fama's Music School provided entertainment during the social hour.

Query Structo

(Continued from page 1) member, expressed the hope that in the future board members would not authorize expenditures without first obtaining approval from the board.

He said this prior to approval of two bills one for \$97 for stamps and \$60 for envelopes. Both items were used to mail copies of a brochure explaining the new schools project.

WESTNEAT SAID he had no objection whatsoever to the use for which the stamps and envelopes were used. But he said approval should first have been given by the board.

Bardsley and Lyle Hagmann, newly sworn board members, went along with Westneat in his reasoning.

The board president appointed the buildings and grounds committee the task of examining and making recommendations on a plan for school use by outside groups. A rough draft of the plan was prepared by Dr. James M. Lynch, superintendent of schools.

The board decided to withhold action on a request of the Franklin Park Volunteer Fire Company to use Phillips School one night during February or March to conduct a bingo game.

to board members and the voters for the opportunity to serve as well as I was able, the interests of the schools of the township, I am sure that I leave behind me a good board that will serve the people and the schools all the better for having someone else in my place."

Bardsley thanked the board for selecting him as the new president and expressed deep regret at Dr. Davis' resignation.

"No doubt he spent more time and fruitful effort serving the board and public than most of us can remember," he said. Kelly moved that Davis be given a commendation for his efforts.

The three new board members were sworn in by Mrs. Randolph. They were Lyle Hagmann, Joseph A. Takacs and Mrs. Pattison, the only incumbent, who was appointed last June to fill the vacancy created by the resignation of Mrs. James Davis.

DAVIS' RESIGNATION brings about a new vacancy on the board and one which will be filled by Bardsley at the next meeting on March 19.

This was decided during a meeting of the committee-of-the-whole following the regular session. Several names were discussed during this meeting. Some were among the four unsuccessful candidates in the recent election.

Bardsley named standing committees as one of his first official acts. He left vacancies on buildings and grounds, finance and supply and public relations committees for the yet-to-be named new member. Other appointments were as follows:

Buildings and grounds, Kelly, chairman, George Carr, Takacs, Hagmann and Kenneth Pink; finance and supply, Takacs, chairman, George Carr, Westneat, Hagmann, and Mrs. Pattison and

Health and safety, Carr, chairman, and Mrs. Pattison and Pink; cafeteria, Pink, chairman, and Mrs. Pattison and Carr; planning, Hagmann, chairman, and Westneat and Kelly; transportation, Mrs. Pattison, chairman, and Westneat and Takacs, and public relations, Pink, chairman, and Hagmann.

Letters to the Editor

Editor:

It has been very gratifying to observe over the past several months, the work being done by the Planning Committee of the Lay Advisory Group, the Lay Advisory Group as a whole and the Board of Education, in an effort to solve the critical need for elementary schools in Franklin Township. Many, many hours have been spent on the proposed plan which will be submitted to the voters on March 1, by these three groups to whom we would like to express our sincerest thanks.

The Franklin Township League for Better Schools voted unanimously at its last meeting to wholeheartedly support this plan. The in the Elizabeth Avenue section will relieve not only the overcrowded conditions in the Pine Grove Manor School, but will relieve some of the overcrowding in the Middlebush School. In addition, the construction of this school will provide two additional kindergarten rooms which are sorely needed.

The 10-room school in the Franklin Park area will not only relieve the double sessions but more important in this area, (Franklin Park-Griggstown-Kingston) will enable the curriculum to be strengthened. Currently neither the Phillips School nor the Kingston School have auditorium or gymnasium facilities. It is intended that this school will be utilized for Grades 5-8-9 which should improve the educational program greatly.

For purposes of brevity, it is impossible to cover the entire plan in this letter. It is planned that brochures will be mailed to all the registered voters by the Board of Education. Please take the time to read them. In addition, a public meeting is scheduled for Feb. 27 at the Middlebush School to answer any questions which still remain unanswered.

We would strongly urge each and every registered voter to support this plan. It is a good one. It is the foundation which our school system needs. It is the beginning of a program which we hope will continue until such time as our entire building program is complete. We are now on the right track. Let's stay there. VOTE "YES" - WE NEED ELEMENTARY

SCHOOLS.

Mrs. Stanley Bruska, Secretary, Franklin Township League for Better Schools.

Editor:

It is to be hoped that the Board of Adjustment will not be deterred by the first wave of angry protest by neighboring property owners from considering the merits of the proposed Music Circus on Route 27.

If the proposal has been honestly presented, and there is no reason to believe otherwise, we could look forward to wholesome family entertainment here in our own Township—and without committing problems. And certainly any plan that promises to bring substantial tax revenue without adding to our already overburdened school enrollment problems deserves careful attention.

Presumably the critics of the plan object primarily to the traffic problems they envisage. Those of us who live along the Lincoln Highway see thousands of cars go by on their way to Rutgers and Princeton during the football season. The inconvenience is slight and the crowds only add a touch of gaiety and color to the autumn landscape.

ed steel construction, and to answer questions.

The bond issue for financing the schools has been approved by the State Department of Education, and it remains for the voters of the township to determine whether they want the new schools built.

Because of overcrowding, four of the six schools in the township are running on split sessions. One of the proposed new schools will, if approved, be a 21-room structure on Elizabeth Ave. near South Bound Brook and the other a 10-room school at Franklin Park. Both will be elementary schools.

feet from the center of the roadway, unless there was already a line of buildings closer, in which case the new construction could be in line.

Mrs. Anna Primfana of Lake Ave. asked that Lake Niva, a pond at the end of Lake Ave., in which a boy was drowned last summer, be drained off or otherwise disposed of.

MAYOR MAHER told her that the committee had no knowledge of ownership or circumstances of the lake, but would turn the matter over to Township Attorney Robert Gaylor to see what could be done.

Lawrence Spratford, 57 Hawthorne Dr., told the committee that sewage was backing up in the cellars on his street and that ponds formed in the street in wet weather, overflowing garages.

The mayor said that the apartment house in the project was draining its overflow water into the sanitary sewer, which was not large enough to accommodate it, and that the superintendent had been asked to notify the owner.

He said that the whole question of drainage in the section was under study and that efforts are being made to correct it.

SPRAFORD then questioned the matter of the township engineer being also the engineer for private housing projects, and said, "It's like auditing your own books."

Mayor Maher said that he had no personal knowledge of who the engineer for the housing project had been, but that there was no law against a municipal engineer taking private jobs in the township.

Leonard Ruppert of East Millstone was appointed to the Housing Authority to fill the vacancy caused by the death last week of Richard Reager.
