TAYLOR'S HOTEL.

—EUROPEAN PLAN—

EXCHANGE PLACE, JERSEY CITY, N. J.

GEO. B. De REVERE, Proprietor.

HAVING leased the above named old established Hotel, situated in Jersey City (in view of the North River and Harbor), I would respectfully inform the traveling public that, having thoroughly REMODELED, RENOVATED and REFURNISHED the house anew, I am prepared to cater successfully to the wants of those whose pleasure it may be to favor me with their patronage. Two hundred finely furnished rooms, single and en suite, well lighted, ventilated and heated (steam or open grates), furnish ample accommodation for gentlemen and families visiting the Metropolis, either on business or pleasure. The spacious dining room and cuisine are in charge of competent and experienced stewards. The tables are supplied with the choicest viands of the season.

Attention is called to the convenient location of the Hotel, it being directly opposite the Pennsylvania, Baltimore & Ohio, New York, Susquehanna and Western, Lehigh Valley, and West Shore Railroad Passenger stations, and within a short distance of the New York, Lake Erie & Western Railroad, the Red Star and Netherland lines of steamships. Also, within ten minutes of City Hall, Wall Street, and the business portion of New York City, *via*, the Cortlandt and Desbrosses Street Ferries. Also in close proximity to the Brooklyn Annex Boats for Brooklyn, Coney Island, Brighton Beach and Manhattan Beach. Prices are consistent, rooms ranging from One Dollar per day upward. A spacious Barber Shop, Billiard Parlor and Cafe are attached to the Hotel.

BAGGAGE CHECKED AND CONVEYED TO AND FROM DEPOT FREE OF CHARGE.

A share of your patronage is respectfully solicited.

GEO. B. De REVERE, Proprietor.

OFFICE AND DEPOT

OF THE

W. A. ALLEN IMPROVED BUNDLE KINDLING WOOD,

No. 1 EXCHANGE PLACE, Jersey City, N. J.

This wood is prepared expressly for family use and kindling coal fires.
It requires no Fire-lighter to start it. Each piece will burn from a match.
It burns quick and freely and does not smoke. It will kindle a coal fire in half the time required with ordinary kindling wood. It is the best and cheapest kindler in use, and as a Summer fuel it has no equal.
To kindle a coal fire, use according to the printed directions which accompany each bundle. Don't wait for the wood to burn and form a bed of coals before putting on the coal, as it is necessary to do with ordinary kindling wood, but put on the coal before or immediately after lighting the fire. Do this, and we guarantee it to do all we claim for it and give perfect satisfaction. Orders by mail for Jersey City, Brooklyn, and New York receive prompt attention.

THE GROCERS KEEP IT.

WEBER GRAND, SQUARE, AND UPRIGHT PIANOS.

THE WEBER PIANOS are constructed from the musician's standpoint, as well as that of the mechanic; hence these instruments are distinguished from all others by that pure and sympathetic quality of tone that contains the greatest musical possibilities; that consummation of mechanical excellence that admits of the MOST DELICATE AND IMPRESSIVE EFFECTS, while insuring the durability of the instrument; and that uniform superiority that enhances the pleasure of both performer and listner. Constructed from the very best materials and employing only the most skillful workmanship, these instruments combine the highest achievements in the art of Piano Making, and are comprehensively the best now manufactured.
