OFFICE AND DEPOT

OF THE

**W. A. ALLEN IMPROVED BUNDLE KINDLING WOOD,
No. 1 EXCHANGE PLACE, Jersey City, N. J.**

This wood is prepared expressly for family use and kindling coal fires. It requires no Fire-lighter to start it. Each piece will burn from a match. It burns quick and freely and does not smoke. It will kindle a coal fire in half the time required with ordinary kindling wood. It is the best and cheapest kindler in use, and as a Summer fuel it has no equal.

To kindle a coal fire, use according to the printed directions which accompany each bundle. Don't wait for the wood to burn and form a bed of coals before putting on the coal, as it is necessary to do with ordinary kindling wood, but put on the coal before or immediately after lighting the fire. Do this, and we guarantee it to do all we claim for it and give perfect satisfaction. Orders by mail for Jersey City, Brooklyn, and New York receive prompt attention.

THE GROCERS KEEP IT.
