SAID PAT TO O'MALLEY—"Sure it's to a jeweler you should go when you want to buy a diamond." Likewise it's to a mailing list concern you should go when you want to get a GOOD MAILING LIST. Forty-seven years' experience makes Mailing Lists compiled in the POLKWAY desirable.

SAID PAT TO O'MALLEY—"Sure it's to a jeweler and not to a glass dealer you should go when you want to buy a diamond."
Likewise it's to a mailing list concern you should go when you want to get a GOOD MAILING LIST. Forty-seven years' experience makes Mailing Lists compiled in the POLKWAY desirable.

MEYER & RUH CO., Inc.

447 Broadway — Tel. 596 — BAYONNE, N. J.

Dr. Johnson, of dictionary fame, said that a man should keep his friendship in constant repair. Paraphrasing the learned doctor, every concern should keep its list of customers in constant repair.

New customers must be obtained to replace those who discontinue because of reasons beyond control. To assist clients in getting new customers is the POLKWAY Mail-List Service. Ask for details.

Do you realize that a City Directory advertisement is a testimonial to the permanency, the stability, of the advertiser?

That's the sort of concern all of us want to patronize, because we know when they sell us merchandise they are behind it in every way, today, tomorrow, and for the years to come.

"Fly-by-night," "fire-sale" and other temporary or *"get-rich-quick"* concerns rarely appear in the City Directory.

And it is a noteworthy fact that the concerns which advertise one year in the city directory are there again next year. 90% of directory advertising is renewed.

Directory advertising, is profitable. In connection with the classified business headings it is doubly effective.

May we explain how and why it will pay you?
