the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1995 (Department of Health 1996).

There is a growing emphasis on the need to improve the efficiency of the public sector, and to ensure that the public sector is able to deliver the services that are required by the public. This has led to a number of initiatives, including the introduction of competition, the restructuring of public sector organisations, and the introduction of new management practices.

One of the key challenges facing the public sector is the need to improve the quality of the services that are provided. This is a challenge that is being met by a number of initiatives, including the introduction of new management practices, the restructuring of public sector organisations, and the introduction of competition.

Another key challenge facing the public sector is the need to improve the efficiency of the services that are provided. This is a challenge that is being met by a number of initiatives, including the introduction of new management practices, the restructuring of public sector organisations, and the introduction of competition.

A third key challenge facing the public sector is the need to improve the financial performance of the services that are provided. This is a challenge that is being met by a number of initiatives, including the introduction of new management practices, the restructuring of public sector organisations, and the introduction of competition.

Finally, a fourth key challenge facing the public sector is the need to improve the public's perception of the services that are provided. This is a challenge that is being met by a number of initiatives, including the introduction of new management practices, the restructuring of public sector organisations, and the introduction of competition.

In conclusion, the public sector is facing a number of challenges, including the need to improve the quality of the services that are provided, the need to improve the efficiency of the services that are provided, the need to improve the financial performance of the services that are provided, and the need to improve the public's perception of the services that are provided.

These challenges are being met by a number of initiatives, including the introduction of new management practices, the restructuring of public sector organisations, and the introduction of competition.

The public sector is a complex organisation, and it is important to ensure that it is able to deliver the services that are required by the public. This is a challenge that is being met by a number of initiatives, including the introduction of new management practices, the restructuring of public sector organisations, and the introduction of competition.

Little cub  
Free to play.  
Large building,  
Great hall,  
Grew wings,  
New walls.  
Storms come and  
Storms end.  
Damage done,  
Lives mend.  
Cub grows.  
Colors show.  
Orange and black  
Strong and true  
Could this be you?  
Little cub of yesterday,  
Proud Tiger of today.

## The History Of Linden

Did you ever wonder how Linden was born? The Township of Linden was actually created from Elizabeth and Rahway on March 4, 1861. Our town adopted its name from the many beautiful Linden trees in the area. The government of the Township of Linden was made up of a Township Committee. The members of this committee were elected to represent various districts. A chairman, equivalent to the present position of mayor, was elected by this committee.

At this time, Linden's main occupations included farming, cattle raising, and small industries such as manufacturing, grist mills, saw mills, tanneries, and breweries. About the year 1900, oil and chemical plants were built in the Tremley area.

The center of community life in the 1800's was in an old school house. Club meetings and parties were held here. Among the participating organizations were the Chimes, Bachelor's Club, Musical Society, and Ladies Aids.

From 1865 to the end of the Century, Linden was overcome by a spirit of expansion which led to rapid community growth. Several new families came to Linden, most of whom had business pursuits in downtown New York.

This commuting fraction of the Township formed a Borough on March 8, 1882. The cause of the withdrawal was the difference in the nature of the community. The Borough was strictly residential. These people wanted such improvements as sidewalks, roads, and streetlights. However on January 1, 1925, the Townships of Linden were consolidated to form the City Of Linden. The Mayor-Council type of government was adopted as the form of management of the city, Modern Linden developed from 1925 on. It has become an industrial suburban community.

It was in September, 1910, that Linden began its four-year high school. Approval by the New Jersey Department of Education came later in February, 1911. The first graduation class had just three members.

Our first building was a temporary one and included an elementary school as well as the high school. The elementary school and the high school then moved to the Number 1 school building. It was in September, 1925, that the high school moved to its present building and the first class to graduate from there was the Class of 1926. The enrollment of the high school increased so rapidly that the classes were on part-time during 1931-1932, and two wings had to be added to the building.

Linden High School was one of the first high schools in New Jersey to become a member of the Middle States Association of Colleges and Secondary Schools. It has been approved by that accrediting agency ever since.

We the 75th graduating class of Linden High are proud of our school and its history.

This year the Linden school system is saying good-bye to one of its finest administrators, Mr. Americo R. Taranto. Mr. Taranto, after being the Superintendent of the Linden school system for thirteen years has decided to retire. In the past he has served as a teacher of social studies, the district's school psychologist, the principal of schools 2 and 7, an administrative assistant, and an assistant principal. When he took the position of superintendent in 1972, he was well equipped with the experience needed for the position. In his years in office he established employment orientation for handicapped students, the placement of computers in schools, and an all-day kindergarten. His major goal however, was to diversify the school curriculum, and in doing so he created a vocational program that emphasized on the basics, while giving a student a saleable skill. Mr. Taranto has placed his pride in his accomplishments, and he feels he has created the best school system in the county. We are also proud of him and his achievements, and we give him our thanks for his years of dedication.

## FACULTY

The faculty is the backbone of our education. Without teachers we wouldn't be where we are today. Yet, often they are not given the credit due to them. They shape our lives today which will affect our future.

We, the student body, can look back at our past years of schooling and realize the impact of teachers on our lives. They have been more than teachers to us. They have been leaders, counselors, and friends.

We, the Class of 85 would like to thank all of our teachers over the years. We finally now realize your importance in our future endeavors.

# FALL SPORTS

Sports can be an important part of a student's high school career.

Athletes may take part in sports for different reasons: some for fun; others may have hopes of getting athletic scholarships.

Being part of an athletic team takes much time and dedication, but surely it is well worth it. Athletics provide students a place to show their competitiveness while having good clean fun. Many students enjoy getting to know and becoming friends with their fellow teammates.

This year was even tougher on the student-athlete. Due to the Academic Standards Policy students were forced to keep up their grades.

Congratulations to all student athletes for a job well done!

## FOOTBALL AT LINDEN HIGH

The varsity football team came in fifth place in the tough Watchung Conference this season. After a slow start the tigers battled their way to four straight victories to a 4-5 record. This was not just an ordinary season for the team. A new strict policy took away many key players. Sophomore, Jimmy Smith, broke the school's rushing record when he gained 214 yards against Irvington. Captain Keith Ingram recorded 20 sacks in 9 games. The offensive and defensive lines were powered by Bobby Schmidt, Anthony Principato, Joe Legiec, Mike Rembish, Billy Hasko, Billy Orak, Derrek Jackson, and quarterback Anthony Squeglia. Keith Ingram and Bobby Schmidt also made first team all County and all Metro.

## L.H.S. BOYS SOCCER

The boys varsity soccer team had a record of 7 wins and 8 losses which wasn't a bad record. The team worked hard and had fun doing it. Every day we would go to the Field House and get changed for practice. From there we would go to Wheeler Park for a work-out and believe me we worked for two or three hours a day. The team was like a little family working to achieve the same goal. The team had a mixture of players from freshman to seniors all working for a championship team. We will lose some great seniors but will work just as hard. GOOD LUCK NEXT YEAR.

This year the Girls' Soccer Team had a learning experience. Injuries to key players adversely affected our team chances. Early on we realized that we all had to give 100%

Our coach, Mrs. Goleme made games and practice sessions worthwhile for us. At the season's conclusion we had the satisfaction of knowing we had done our best.

## BOYS CROSS COUNTRY

Cross country, a sport not understood by many people, is a test of endurance. The course is 3.1 miles long and doesn't follow the roads but proceeds across fields, through the woods, and over hills. Cross-country isn't for everyone; it's very strenuous and dangerous running. With every stride, there is a very good chance that there is uneven ground, slippery roots or logs, mud or loose footing, all of which could cause serious injury to the ankle or leg.

High school cross-country runners cover an average of 30 miles a week, depending on the coach's training program and the individual's choice to do extra miles on his own time. Practices are held rain or shine, hot or cold; and, if one can't make a practice, there had better be a good excuse. The sport of cross-country running is unfamiliar to many; but those with a knowledge of this sport must respect the runners who sacrifice so much to participate in it.

## GYMNASTICS

Gymnastics is both a fun and a learning experience. It is very hard work and you appreciate how your body works. You meet a lot of new people both from your team and other teams as well. You learn to support your team both in good and bad times. We had some bad times this year but with everyone pulling together we got by. Remember it doesn't matter if you win or lose. It's more than just that as long as you have fun and "TEAM SPIRIT."

## WATCHUNG CONFERENCE CHAMPS

Wait up, I want a do-over

The 1984-85 Bowling Team has ended up with one of the best seasons in years. They captured the Watchung Conference Title, which contains 10 teams. The team then went on to the Union County Tournament with 25 other teams. They've also gone on to compete in the Section 2 State Tournament.

The season started out strong but ended stronger to capture the crown. The team and conference was led by Junior Bill Syms with an average of 197. The supporting members weren't bad either and rounded off the team average to a 900.

Other bowlers who supported the teams were Cathy Dorin, Joe Infante, Mike King, Alan Hall, and Connie Pielech. Under the coaching of Mr. Paul Iozzi the team used strategy and skill to capture the title. Next year's team should also be a tough competitor with only the loss of two seniors. Congratulations to this year's team and good luck to next year's.

The '85' Varsity Wrestling Team was sparked by a series of individual efforts. Joe Legiec and Pat Scanlon both seniors and co-captains led the team with 18-5, 16-6 records respectively. Each placed in the District XI tournament held at Westfield High School. Another surprise this year was freshman, Mark Farmer, who accumulated a 16-6 record and also placed in District XI. Joe Legiec and Mark Farmer placed 4th in the Region III tournament. The team was rounded out by Nick Scuturi (7-7 at 129 lbs.), George Scoles (6-7 at 135 lbs.), Steve Pastor (3-5 at heavyweight), Jeff Brown (7-6 at 170 lbs.), and Ed Kaminiski (5-5 at 101 lbs.) The team finished fifth in District XI, and was coached by Ted Thompson and Steve Paskowich.

The Tiger swim team had a learning season rather than a competitive season. With a young team we matured and learned the skills necessary to become more competitive swimmers. The team was led by the captain Joan Wojtowicz who earned the most points and now holds the most of our own school records. She also participated in the Union County Meet where she broke the records in the 100, 200 and 500 yard freestyle. Upcoming swimmers Dave Kother, Steve Rediger and Lisa Simonelli are next years' prospective leaders. The team accomplished their personal goals through the great coaching of Mr. Black and Miss Linkus. The practices were held after school at the Rahway YMCA, where they also held their home meets. Both coaches are looking for a better season and swimmers next year.

## TIGER BOYS BASKETBALL

The Linden Tiger Team became eligible to play in the state group 3 basketball Tournament on Jan. 31, 1985. The teams Daraine Greene, center, led the team in rebounds, blocked shots and scoring. Daraine is the heart of the Tigers offense. Senior, Dell Walker, who handles the ball in the back court, kept the floor balanced and penetrated to find the open man. Dell led the team in steals, assists and was second in scoring. The tigers have two very good young players, who will help Linden in the future. Corey Floyd, a freshman, started as a Forward this year. He is a very good rebounder and can score down low. Cole Carson is a sophomore, who shared the back court with Dell. Cole is a good point guard. He can handle the ball and his shot improves as he shoots. Lindens immediate future in the sport looks good.

Dell Walker

All star Dell Walker's added lift insures another point for Linden High.

Fouled in a shooting attempt, Stacy Williams goes to the line for two.

At the start of the game Cole Carson is good for another Linden tap.

# WINTER TRACK

The Winter Track Team is divided into two groups: 1) Weightmen, who lift weights in the heated fieldhouse and 2) Runners, who practice outside at 40° and above and run meets at any temperature above 30°. Both groups had a share of the others workout. The runners lifted weights, did situps and pushups at least three times a week after running and the weightmen ran their warmup laps and did their set of stairs upon request.

As one could tell by the group mug shot, only a few good men made it through the season. It takes great dedication and perserverence to last. Winter is a time of laziness and hibernation for most people, therefore the runners and coaches of the Winter Track Team deserve a hand for their many hours of practice, intense effort, and for taking on the challenges that Mother Nature has to offer.

THERE IS NO HARM IN DREAMING OF THINGS THAT YOU KNOW CAN NEVER COME TRUE, AS LONG AS YOU DO NOT LET THEM CONSUME YOU.

YOUR DREAMS ARE AN IMPORTANT PART OF YOUR LIFE: THEY CAN SOMETIMES MAKE LIFE BEARABLE.

THE IMPORTANT THING IS TO REALIZE THAT YOUR DREAMS CANNOT ALWAYS COME TRUE, AND NOT TO CONFUSE THEM WITH REALITY.

I DREAM OF THINGS THAT I KNOW CANNOT COME TRUE; BUT I ALSO RECOGNIZE THE REALITY OF MY LIFE AS IT WAS, IS, AND WILL BE.

RECOGNIZING REALITY DOES NOT REMOVE MY DESIRE TO ATTAIN THE UNATTAINABLE; IT MERELY TEMPERS IT.

PERHAPS BY ASPIRING TO GOALS THAT I CANNOT ACHIEVE, I MAY MOVE MYSELF UP THE LADDER OF LIFE, AND ACHIEVE A GOAL DIFFERENT FROM THE ONE WHICH I INITIALLY DESIRED.

JUST BECAUSE A GOAL IS DIFFERENT, DOES NOT IMPLY THAT IT IS LESS MEANINGFUL.

IT MERELY MEANS THAT I HAVE SHOT FOR THE MOON AND LANDED ON A NEARER STAR. THIS STAR MAY NOT BE ANY LESS BRIGHT, NOR MAY IT SHINE ANY LESS TIME.

## *In Memoriam*

It broke our hearts to lose you  
But you did not go alone  
For part of us went with you  
The day God called you home.  
A million times we need you  
A million times we've cried  
If love could have saved you  
You never would have died.

Richard Zack

"Richie Zack was the type of player every coach wants. He never complained, always worked hard and never quit trying. He lived that way, he played that way and he died that way. We will never forget him."

Anthony Picaro

"They say only the good die young, but Richie showed us that the great die young too. Richie is a friend who will never be forgotten."

Bobby Schmidt

"If courage was a race, Richie would win before the race started. He was a fighter from beginning to end. We will never forget #20."

Anthony Principato

"I will always remember Richie for his great courage and strength. He was a great ball player, a great person and most of all a great friend. He cherished friends as if they were a part of his family. Of all the great memories I share of him I wish there could have been more. I'll never forget Richie, he will always be a special part of my life."

YESTERDAY

# STUDENT *Life*

AND TODAY

### Student Life

To say that Linden High Student Life has changed is saying a lot! In the last 75 years an evolution has been evident in extra-curricular activities at our school. Popular clubs change from time to time. The Magic Club and the Skin Diving Club had their day and now we have the Key Club and F.H.A. After 75 years our school offers a wealth of uniformed and non-uniformed clubs to meet the interest of all students. Clubs come and go based on the current needs of the students. This year we have over 600 club members alone in 32 groups.

## NATIONAL HONOR SOCIETY

Filled with enthusiasm and an eagerness to help others, the National Honor Society filled the year with fund raisers and tutoring.

The fundraisers included car washes in September and May and a cake sale at Back-To-School Night.

The N.H.S. used these fundraisers for the purchase of pins and membership cards distributed at the annual induction ceremony held in late May. The money will also go towards scholarships given to three outstanding N.H.S. members

In order to qualify for admission, students have to have outstanding accomplishments in scholarship, leadership, character and service. Requirements include maintaining a yearly average of an A or B, in each major academic subject for the 10th and 11th grades. They must, also, have had active participation in school and community affairs.

Under the direction of advisor, Mrs. Sheekey, President Jennifer Morro, V.P. Connie Pielech, and Sec.Tres. Laura Seebergh, the members offer a tutoring service every marking period. Students doing poorly in major subjects are assigned a member to tutor them during homeroom or study hall. Logs kept by the tutors each semester show the progress of their students.

Some members of the N.H.S. saved their pennies and went to Orlando Florida for the end of the year trip.

Jennifer Morro

## SOCCER/ BASKETBALL CHEERLEADERS

"Slam jam do the jerk; Let me see your body work; Big "L" rocks the house."

Whether they're on the soccer field or the basketball court the LHS cheerleaders can be heard cheering their team on to victory.

Led by squad captains Nichelle Clark and Stephanie Edwards the squad consists of juniors: Diane Bender and Danielle Bondar. Sophomores include: Maria Goncalves, Michele Mauro, Darlene Crawford, Lisa Mayer, Elon Conte, and Tina Lombard.

Every year the LHS cheerleaders attend camp, where they participate in competitions. In preparation for the season's, the girls learned cheers with great precision, coordination, enthusiasm, and accuracy. All play a very important part in learning dance routines, stunts, and building pyramids. Besides games and competitions the cheerleaders marched in the Halloween Parade, where they performed in front of City Hall.

The cheerleaders also support the team with "Secret Pal Bags" and an individual cheer for each player.

After a long season their annual car wash finances a luncheon at the Manor.

## FUTURE BUSINESS LEADERS

The Future Business Leaders of America is the national organization for all high school students participating in business and office programs. The goals of the club are to develop competent, aggressive business leadership while strengthening the confidence of each student. It also creates more interest in the American business enterprise system while developing character, and efficient money management. One of the primary purposes of the club is to assist the members in the establishment of occupational goals and to facilitate the transition from school to work.

The club meets weekly during the morning homeroom period to discuss fundraisers, social activities and competitive events.

## FUTURE HOMEMAKERS OF AMERICA

F.H.A. gives members opportunities to apply home economics curriculum to everyday situations. It applies in areas of personal growth, family life, vocational preparation and community involvement. The club sold fruitcakes at Christmas time, they planned and published cookbook's in the spring and set up an in-school catering service.

## RIFLE CLUB 1955

## SERVICE LEAGUE

Please get these students. Answer the phone. Write these sports physicals passes. That's what the girls in the offices do. If it weren't for us, the passes wouldn't be written, phones wouldn't be answered, and sooner or later the students wouldn't show up for their sports physicals on time. We help the administrators, secretaries and the nurses. We do the things that the secretaries and the nurses don't have time to do. We enjoy helping people. If you ever need any assistance come see us.

## BLACK RENAISSANCE

Sixteen years ago, the Black Renaissance Club was begun. Today, just as then, it is a service oriented club. Once a year we hold a program featuring students. The proceeds are donated to a worthy local or national charity. In the past we have donated to the Linden Scholarship Guild and the Sickie Cell Foundation and Childrens Hospital. The Club also strives to bring out the best in each of the students in the community around us.

## DELTA EPSILON PHI

To be eligible for Delta Epsilon Phi, students must complete three semesters of German. At least two semesters must be completed in high school. The student is required to obtain an average of 3.6 in German on a 4 point scale.

For students accepted into this club, the initiation pledge is read entirely in German. The students are then required to reply in German. At this time, they are rewarded with a membership certificate.

The purpose of Delta Epsilon Phi is to offer students a broader scope of experience with German in addition to German class.

The National German Honor Society also offers a travel scholarship program. Each chapter of Delta Epsilon Phi recommends one student to apply for this scholarship. The winning student is privileged to spend four weeks in Germany with a German family, attend high school classes and participate on excursions. Virtually the entire cost of the trip is paid by the National German Honor Society.

## MINORITIES IN ENGINEERING

The Minorities in Engineering Program in Linden was developed with the help of Union County College in 1978 in order to make minority students aware of Engineering as a possible career choice for them. Students are initially selected in Seventh grade for participation in M.I.E. Selection is based upon academic excellence in math and science as well as high aptitude test scores.

Students once selected are involved every year until graduation with academic enrichment workshops after school or during the summer at Union College or other New Jersey Colleges.

## LATIN CLUB 1947

## AUDIO VISUAL SQUAD

The staff of the L.H.S. Audio Visual Squad is a group of highly skilled personages who are capable of responding to the many and various needs of the faculty. A squad member must be able to give of his time and energy in accordance with the obligations of the squad. Responsibility and trust however, are the fundamental qualifications essential to a fine staff. Such is the staff of the AV. Squad this year. They are a great bunch of guys to work with and I thank them.

## STUDENT LIAISON COMMITTEE

This group of students met periodically with the Principal to discuss the high school facilities and problems affecting student life. Whenever there was a problem that could be addressed by student input, this group made itself available for service.

## THE GERMAN CLUB

The 1984-1985 school year was a very busy one for the Linden High School German Club. This year, the club had a long list of activities and trips. At the top of this list was our annual candy sale. The club planned to raise in excess of two thousand dollars. This money was used to fund our activities, trips, and parties throughout the school year. At the close of the school year, the German Club awarded a scholarship to the outstanding German student to be put toward the tuition to a college of his or her choosing.

On October thirtieth, club members enjoyed a trip to New York City—first to 86th Street for some shopping in German stores and bakeries, then on to lunch. We dined in an authentic German restaurant freshly decorated for the traditional “Oktoberfest” going on in Germany at that time. After lunch the group went to the theater, where the acclaimed film “Amadeus” was viewed by over forty members of the club.

Prior to Winter Recess, the traditional German Club Christmas Party was held. Lots of German cookies, cakes, and candies of every sort were eaten through the course of the party. Gifts were given out to club members and German songs were sung.

In late spring, the yearly German Club picnic was held in Warinanco Park. German sausages, hot dogs, hamburgers, and soda were consumed by attending members. Later, the annual softball game took place.

Many things were done by the German Club this year. In the future years, it is our hope that this club will hold great pleasure and enjoyment for all who wish to be members.

## TV CHALLENGE

What do you get when you cross six exceptional students, two fine teachers, and a Trivial Pursuit game? You get the T.V. Challenge Team! Like any other team competition and preparation for T.V. 3's Challenge Bowl was hard work, and took a lot of dedication and a love for the "sport". Trivia! The methods involved in practice, though were far from trivial. At least once a week the students and the "coaches" got together for drills on topics found in the popular new game, Trivial Pursuit. It was the opinion of the advisors, Miss Burd and Mr. Lieb, that this year's team was one of the best ever chosen to represent Linden High School in this "battle of the brains".

## FRESHMEN CLASS

We, the freshmen class, have had many successful fund raisers this year. We have made a good start towards our future and plan to continue doing this. We want to make our stay in L.H.S. a good remembrance.

## JUNIOR COUNCIL

The main objective of this year's Jr. Council was to raise money to donate to nursing homes and various charities, and of course, bring down the cost of prom bids. The officers are Lynette Carhart, president; Lisa Figueiredo, vice-president; Tonya Hall, treasurer; and Cindy Fullkrug, secretary. Along with the representatives, they carried out fundraisers such as the M&M candy sales; the Christmas candy-filled boots sale, and the Michael Jackson decal sale. There was also the music box raffle where one lucky winner walked away with the box full of paraphenelia of his/her favorite musical performer. On February 8, there was a successful Valentines Day dance. During Christmas vacation, the Jr. Council visited Nursing homes bringing cookies and other things to the Senior Citizens.

In closing, we'd like to thank our advisor, Mr. Iozzi for helping us make this a successful year and the representatives who put in their time and effort to make 84-85 a great year!

Lisa Figueiredo

## SOPHOMORE COUNCIL

During the 1984-85 school year, the Sophomore Council, with extra added help from the class advisor, El Senor Canda, and class president, Lisa Villano, reached and surpassed many of its goals.

Through class unity and increasing strength by working together, we have a mutual understanding to achieve such end results as our Junior Prom in 1986, and our Senior Banquet, Senior Prom, and finally our Graduation in 1987.

This past year we sold Entertainment '85 coupon books and tee shirts featuring the students' names and our Class of '87 logo. Other items include scented Christmas tree ornaments and personalized Santa Claus hats. We have also held activities such as a Winter Wonderland Dance, ice skating at Warinanco Park, roller skating at United Skates of America, a Hawaii luau, and a swim party at the Cranford Swim Club.

The Sophomore Council has experienced a very good year with our fund raisers and good times at our activities, and we hope that each of our two remaining years will be even more fulfilling than the one before it.

## STUDENT COUNCIL

This year the student council became very active in community affairs.

Following an October candy sale, many representatives of Linden High School sold holiday ornaments, calendars, and suncatchers to raise money, which would be used to benefit the community.

The student council felt that December, a time of joy, could be made even more joyful with the giving of gifts of food and toys throughout the community of Linden.

The Senior Class of 1985 is glad to be part of the celebration of Linden High School's 75th Anniversary. As we have followed examples set by classes before us, we hope to leave an impact on underclassmen and we hope that we have set an example for them to follow.

These past years in Linden High School have been profitable for our class. Through hard work by our students and our advisor, Miss Klunder, starting in our sophomore year, we have accumulated a large savings account. Cash prizes and prom bids have been given to the top sellers of fundraisers. This money helped successfully in paying for our Junior Semi-Formal, Senior Prom, and Senior Banquet. Costs of other Senior items and activities, such as caps and gowns, were defrayed also.

Whenever the Class of '85 was faced with an obstacle, it was met and eventually won. We were the first class to have a Junior Semi-Formal and have been the first Senior class in a long time to be so financially solvent.

Our years in Linden High School will long be remembered and through hard work and dedication by Senior class officers and representatives along with other members of the Class of '85, they will all form great memories.

## CYNOSURE ADVERTISING

The advertising committee for the cynosure works to sell contracts for the ads, boosters, and alumni in our year book. We sell these contracts through the regular classes in the high school through three council representatives, by canvassing each homeroom, and also by visiting individual businesses and by writing them letters. There is much competition with other school activities that are appealing for sales. The costs for the advertisements, though, are very reasonable and, in fact, they have remained the same for years.

Karen Hall

## THE CHRONICLE

The Chronicle is the school newspaper which comes out four times a year. The paper records the events of the school year, be it basketball games, club activities, opinion polls, or the senior prom. As the caption says, Linden High Makes History—the Chronicle Records It.

The Chronicle has two co-editors, Steven Rada and Connie Pielech, plus five other senior editors and a sophomore staff. These dedicated students meet every fifth period to work on the paper. The Chronicle also has a floating staff, without whom the paper would never get done. The duties of the staff include writing the articles, deciding what to write, proofreading, collecting subscriptions, and laying out the newspaper.

This year is special for the Chronicle because 1985 is the 50th anniversary of the paper. As a tribute to this event, the staff is planning to reissue the first edition on the anniversary of the publication.

## ORCHESTRA

The orchestra performs annually at the winter and spring concerts. The music ranges from jazz and pop to classical and rock.

Some of the students have practiced every day. Every month we have the whole orchestra get together.

The orchestra is split up, and each section plays different parts, such as melody, and solo.

Near the end of each month we get together and play a practice concert.

## BOOSTERETTES

Linden High School Boosterettes are both a service and a profit raising organization. Our main purpose is raise money for the Sports Award Dinner, which honors the senior athletes. We promote school spirit by selling different items throughout the year. Some items that we sold were mirrors, chippoppities, make-up brushes, watches, emblems, scarves, blankets, hats, pins, keychains and shakers. We attended all the home football, wrestling, and basketball games. We were ushers for the tours of our school and ushers for the school play. We would like to say a special good-bye to our senior Boosterettes: Helen Shrum and Marla Plotkin have been on the squad for 3 years and served as co-captains for 2 years. Louise Parker has been on the squad for 3 years. Lisa Perlocoski and Jackie Taylor have been on the squad for 2 years and Amanda Jones has been on the squad for 1 year.

## LINDEN TIGER BAND

The Linden High School Band, directed by Mr. Gerald Lorenzetti, consists of many groups including the Marching Band, Concert Band, Stage Band and Brass Choir.

In the fall the Marching Band performed at every football game as well as performing in eight competitions which were held all over the state. In November the band hosted its second annual Tournament of Bands at the Cooper Field.

In the spring, the Marching Band traveled to Cape Cod, Massachusetts to participate in the New England Music Festival.

Other activities of the Marching Band included participating in the Linden Halloween Parade and performing at Soehl and McManus Middle Schools.

The assistant directors of the Linden Tiger Band are Darlene Linkus and Michael Fackelman. The senior drum major is Jill Seebergh and the junior drum major is Billy Smith. The captains and lieutenants for 1984-85 are Connie Pielech, Julie Lazeration, Michelle Czar, Vera Roquemore, Jennifer Morro, Mario Martinez, Jim Parham, Pablo Correa, Jim Fritz, John Yesuvida, Laura Seebergh, Omar Garner, Wendy Wright, Donna Tylicki, Coleen Tighe, Andy Pekosz and Khayan Garner.

The Concert Band, Stage Band, and Brass Choir practice throughout the year and this year performed in the Winter Concert and the Spring Concert.

## FOOTBALL/WRESTLING CHEERLEADERS

The Football/Wrestling Cheerleaders work very hard during the year. We start with tryouts in April of the previous year, and we continue to practice all through the summer until the end of the season. For football season, we wear our uniforms every Friday to represent a Saturday game. Every Saturday morning before a game, at 7:45 a.m., we go to the field house and decorate the boy's locker room with many posters, streamers, balloons, etc. For Thanksgiving, we decorated the night before for 2½ hours. We also make a poster every week, which the football players run through before the start of the game. For wrestling season, we cheer at the home matches and practice two times a week. Sometimes there are two or three matches a week. This year we went to a cheerleading clinic where we learned a lot of new cheers, pyramids, stunts, and movements. Some of the girls also attended cheerleading camp at Rutgers for four days. It was a mixture of girls from both squads. Members which attended from our squad were Lisa Goldstein, Terri Sinisi, Beata Lipinski and Deana Pastelak. Terri Sinisi and Lisa Goldstein won individual cheerleaders awards, and the team won three ribbons and a trophy.

## KEY CLUB

The Key Club is Linden High's most active service club. The club was chartered five years ago by the Linden Kiwanis club. This year the club attended a leadership training conference at Great Adventure. It held several fundraisers including a bowling marathon and a spaghetti dinner. The club has also donated to several worthy charities. In the past we have won state level awards for best treasurer, secretary, and President. This year our major emphasis theme is "Manhours for Mankind."

### *Cynosure Staff*

This year's Cynosure underwent many new changes. There was a strong drive to get more students involved with the Cynosure and this year there are more students on the staff than ever before. The staff comprised a midday permanent group and an adjunct body who supplemented the work of the assigned staff.

The theme this year was LHS's 75th Anniversary, which helped promote even more spirit in the Cynosure.

We would like to thank our super advisor, Mr. Foley; our Co-Editors, Jennifer Morro & Krista Turnbull; our midday staff; and adjunct members.

The Class of 1985 was a very spirited Class and we, the staff of the Cynosure, hope we have presented the year to you in its fullness.

Michelle Miskiewicz

# COLOPHON

Volume 65 of the Linden High CYNOSURE was published by Jostens Printing. All printing was done by using the Lithograph process.

The Paper stock is 80 lb. gloss special.

Type style is Times Roman and headlines are printed in heading style #46.

Smyth sewed binding (round and back) was used for 196, 8 x 11½ pages.

The cover is a commemoration of Linden High School's 75th anniversary. It was created by the Senior Staff and reproduced in orange and black.

End sheets are Sunset Orange.

Approximately 2000 black and white and 750 color pictures were shot for the final candid selection. Most of these candid photographs were taken by our student photographers. Carlos Pereira, Kurt Leithner, Hoa Trinh, and faculty photo adviser John Oshust. All formal portraits were taken by Beim Studios of Irvington N.J.

Our Candid film was processed by Beim Studios. We also thank Mr. Frank Toranto for his photographic assistance and loan of photographs.

The 1985 CYNOSURE staff is proud to be able to include eight pages of color pictures. These can be found in the student life section.

The 1985 CYNOSURE staff had a press run of 525 copies with spring delivery.

"We, the unknowing, led the untrained to the point of creating this book!" This year the 1985 CYNOSURE staff found itself with no returning staff with any experience. Our advisor, Mr. Foley, was very determined to create a first time up "home run." Thanks to his strong will and our hard work, we present the 1985 CYNOSURE."
