

DAWN OF A DECADE

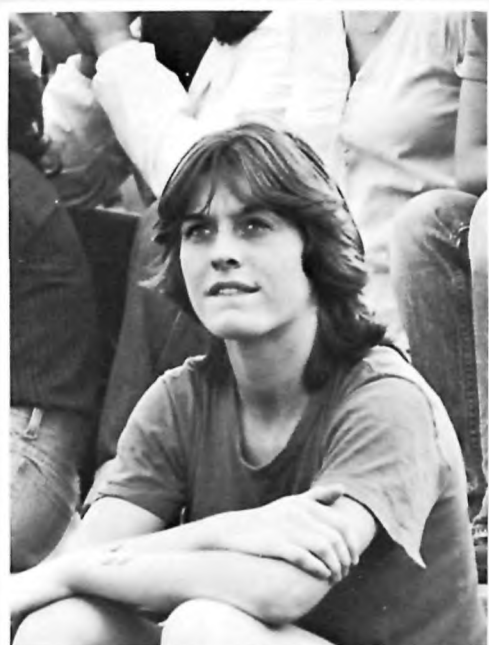

Before the rising sun we fly,
So many roads to choose
We start out walking and learn to run
And when the evening comes we smile,
So much of life ahead
We'll find a place where there's room to grow —
We've only just begun

ADMINISTRATION

What makes graduation from high school such a significant and unique time of your life? The answer is found in the fact that this singular event means so many different things to the individuals whom it affects. It is both an end and a beginning, a feeling of fulfillment as well as apprehension and a time of joy coupled with a tinge of sadness. Few other personal or collective experiences elicit such a variety of deep, often conflicting emotions. This is natural, however, and it is why we who have worked with you look upon it as such an important event and share, to some extent, the thoughts that occupy your minds during these last weeks of your high school experience.

May I, on behalf of the entire staff of Livingston High School, extend my best wishes for a future filled with health, success and the deep feeling of satisfaction that comes from knowing that you have helped make someone's life a little bit better.

Goodbye and good luck,

Allen J. Berlin
Principal

MR. ELI GORELICK
Vice Principal

During the school year of 1980, LHS has not only begun a new decade but also has welcomed a new principal. As former principal at Marlboro High School, Mr. Berlin is well experienced in administrative responsibilities. His primary goal is to have the students at LHS contribute to the welfare of the community. Also, he wishes to establish a mutual awareness and concern between the school and the people of Livingston. In addition, Mr. Berlin hopes to maintain the excellent rapport he has developed with both students and faculty. His long range goals include a continual review of the curriculum to ascertain that it remains current, effective, and interesting.

GUIDANCE

Familiar to all Livingston High School students is the multifaceted Guidance Department. Now in his second year as director, Mr. Donald Turner helps make the department valuable in its service to the school. Mr. Turner and the school's seven counselors provide students with general information about schedules, college selection, and career opportunities as well as specific information on an individual basis. Last year Mr. Turner instituted **Guidelines**, a weekly newsletter containing information about college visitation, financial aid, job opportunities and educational programs. The other functions of the department are served by the Career Resource Center. Complete with its own computer terminal, the Resource Center furnishes computerized information about colleges, financial aid, the military services and post-graduate programs. In addition, the resource area maintains a library of college catalogues and reference material. Not only does the department expose students and parents to educational and career opportunities, but it also offers information necessary for students to attain their goals. The Guidance Department supports the students at LHS and hopes they will continue to use the various resources and personnel available.

ART

The Art Department focuses on physical expression of one's thoughts. General Art is an introduction to the subject, while Art Major is a more intensive study. These are supplemented by semester long courses in topics ranging from ceramics to jewelry. The creative facet of the fashion world is covered in Fashion Illustration, while a course emphasizing clay construction encourages exploration of spatial forms.

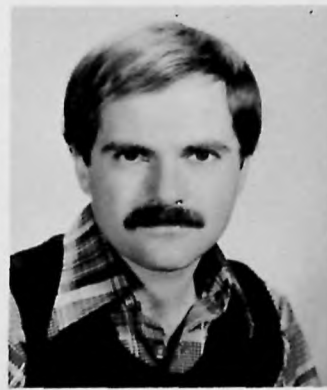

Many students find a new world when they discover the joy of artistic expression and derive a satisfaction from creating in a way that no other field can bring.

ENGLISH

Appreciation and respect for the English language is the ultimate goal the English Department at Livingston High School has for its students. To achieve these ends, the faculty concentrates on teaching the skills of the written and spoken expression of language. Students are instructed in the analysis literature and its application to the society in which we live; the ability to approach literature in this fashion necessitates the use and reinforcement of the language skills already mentioned.

In the sophomore year, students are given a instruction in composition work, research technique and library science skills. American literature is offered on this level. The juniors are given a background in British literature and are required to write a research paper utilizing writing and research skills; these include the use of library sources, note cards, footnoting and a bibliography. A concentration on composition writing is continuous throughout the three years of English at L.H.S.

This year an English II Honors Course has been added which offers literature of the world and serves as a kind of preparatory course for English III and IV Advanced Placement. On the senior level, semester courses in elective subjects enable the student to choose specialized areas in which he has an interest. American Humor, Advanced Techniques of Writing, Steinbeck's Fiction, and Homeric Myths exemplify the diversity of elective courses offered in the field of English. All in all, the department strives to enable students to further develop and utilize the communication skills necessary for effective participation in today's society.

SCIENCE

The Science Department provides a variety of popular courses for the many students at Livingston High School. Unlike other high schools where science is reserved only for the intellectual, LHS has a science department with a course for all students, no matter what level of scientific knowledge. There are various levels of Biology, Chemistry and Physics; this year, two new courses, Honors Chemistry and Honors Physics have been initiated by the department chairman, Mr. Edmund Fabrizio. Most students however, take interdisciplinary approaches to Chemistry and Conceptual Physics rather than Modern Physics.

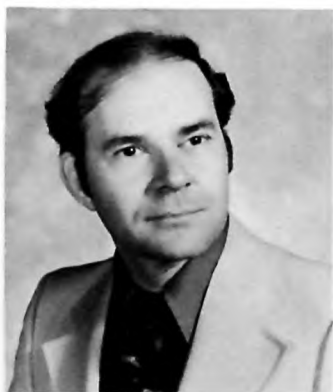

Also available to the student body are several science electives. Nuclear Chemistry and Biochemistry aid the student who is interested in the chemical aspect of science, while Organic Chemistry and Physiology help those interested in medicine. All courses in the department provide vital information for both the students who will stop their study of science after high school as well as those who wish to continue in the field.

SOCIAL STUDIES

U.S. History I, which ranges from the Period of Discovery through Reconstruction, is the first of two courses taken by the entire student body. U.S. History II, which follows, begins in 1877 and progresses through the present day. The majority of U.S. History II classes are taught using the team method by Mr. Shields and Mr. Cooney, while the remainder of the seniors have one teacher throughout the entire year. Although both of these courses stress America's past, great emphasis is also placed on contemporary issues. Recent problems have been discussed by several political speakers at LHS. Among these speakers were Assemblywoman Jane Burgio and Assembly Candidate Jim Bildner, both of whom have spoken on matters of current interest.

Other parts of the world are explored through various course offerings. Modern European History is a full year course exploring Europe, while History of Russia and Far Eastern Survey, both half-year courses, expose the student to the East. Other offerings such as Sociology, Economics, and Cultural Anthropology explain the way people live. Psychology adds another dimension to the already multi-faceted department by focusing on the individual's reactions to various events.

This year, two experimental honors courses, U.S. I taught by Dr. Riley, and Modern European History taught by Mr. Ransegnola, were instituted by Mr. Ostrin. In addition, the department offers U.S. History I A.P. and U.S. History II A.P. for students with a greater interest in history.

As a result of its diverse offerings, the Social Studies department is able to provide students with a better understanding of man and his world.

MATHEMATICS

An increasingly technical world demands knowledge of mathematics and its applications. The Mathematics Department offers algebra, geometry, and Senior mathematics encompassing both the theoretical and practical aspects. Consumer mathematics, computer programming and calculus stress application of the science to problems found in daily life and the world of business. The computer course couples fundamental knowledge with creative problem solving and, as a result, enrollment in this course has rapidly increased. A visit to the Computer Center at any time during the school day will attest to its enormous popularity. In addition to class work, the Math Department sponsors specialized teams which offer interested students the opportunity to compete with other schools in the county. Through all of its activities, the department prepares students for the problems of both the present and the future worlds.

FOREIGN LANGUAGE

In our multi-cultural society the understanding of foreign language is an essential skill. The Foreign Language Department, under the direction of Mrs. Dolores Cunningham, not only aids the student in the mastery of a foreign language but also provides cultural enrichment by studying the customs, mores, history and geography of foreign countries. Study and knowledge of a foreign language is a supplementary skill necessary for those entering international business or social work that involves people from foreign countries.

The department includes studies in French, Spanish, German and Italian. Basic courses in Spanish are offered along with more advanced courses as Conversational and Advanced Placement French, German and Spanish. Also included is a course given in vocabulary development through foreign language which helps students of all languages to enrich their vocabularies. The possibility of studying Russian, Hebrew or Latin exists should there be a sufficient number of students who opt for the language so that all can complete a minimum two year continuum.

This department has also welcomed a group of German students from a suburb of Cologne, another facet in the complete study of foreign cultures.

BUSINESS

The Livingston High School Business Department prepares students who seek employment after high school and those who will pursue a business education in college. In covering a wide range of practical and conceptual topics in business, the department encompasses two main areas: Secretarial Work and Social Business. The Secretarial section trains students in typing and shorthand skills. Social Business stresses accounting, business law and economics. Students gain a solid foundation of business knowledge and experience, worthwhile preparation for functioning in the business world.

INDUSTRIAL ARTS

Useful skills can be gained through the Industrial Arts department. A wide variety of courses are offered in this innovative area of school activity. Automotive maintenance, drafting, woodshop, electronics and photography are taught. Working on actual automobiles helps to prepare students for further technical training or for immediate employment. Those enrolled in drafting may concentrate on skills needed in mechanical, civil or architectural work. In woodshop, furniture can be designed and constructed using the latest methods and tools. The complexities of electronics and photography are explored as students achieve proficiency in these fields. The department supplements academic work with hands on experience.

HOME ECONOMICS

MRS. BARBARA EATON

Coping with day to day problems in an ever increasingly complicated society is the concern of the Home Economics Department. Practical courses in cooking, nutritional awareness, and food buying for the consumer, prepare the student for practical awareness in this area. A well structured program includes sewing, pattern making, and the ability to create clothing suited to an individual's personality. Other courses involve home decoration, a background for enjoyable living, and family development.

PHYSICAL EDUCATION

Each year the Physical Education Department offers a variety of activities. Students may choose to participate in those they enjoy most. The co-ed classes available this year include basketball, golf, tennis, dance, weight-training, exercise and fitness, badminton and jogging. Also provided are basic and advanced classes of football, soccer and softball for both the novice and accomplished athlete.

In addition, courses in health, driver education and family living are given by the department. Adaptive gym provides physical activity for many students who are unable to participate in regular gym class.

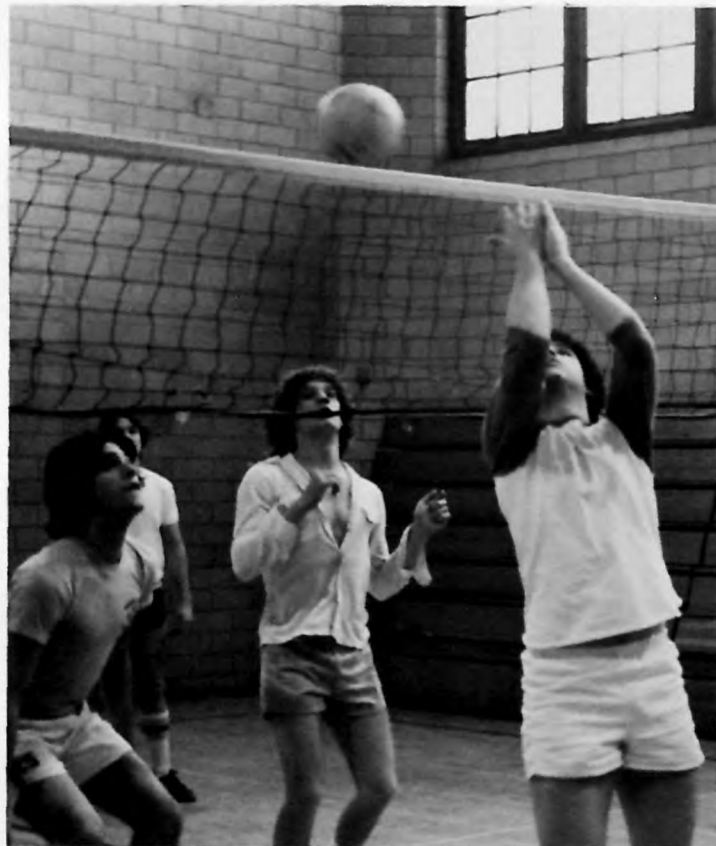

Not only do students learn a variety of sports, but they also are able to maintain healthy bodies through the efforts of the Physical Education Department.

MUSIC

The Livingston High School Music Department offers students various opportunities to use their talents and to learn concepts of music. Specialized courses such as theory, music appreciation, and sight singing, as well as individual instruction in voice and various instruments, are available for students who wish to further their musical education.

For the past two years while under the direction of Miss Jacqueline Washack, the vocal and choral section of the Music Department has grown tremendously in size and strength. In addition to the two rapidly growing mixed choruses led by student conductors Adrienne Torrisi and Cindi Stanger, there is the special choral group "Something Else", composed of specially selected students.

Mr. Wayne Brotherton, a new member of the high school staff, heads a talented and diversified instrumental department. In addition to the marching band led by drum major Lance Siegel, there are other groups in which serious instrumentalists participate: the concert band, the stage band, the percussion ensemble, the orchestra and the flute ensemble. With a group of talented teachers and students, this department provides a variety of musical enjoyment for the school and the community of Livingston at large.

AUDIO VISUAL AIDS

Mr. Frank Miserendino at the controls.

Under the direction of Mr. Frank Miserendino, the Audio Visual Aids Department efficiently supplies the school with phonographs, recorders, and slide and motion picture projectors. Most importantly, this department trains interested students in the primary fields of communication. Communication Art and Science Training (CAST) is a course in which technical video taping and recording is taught. Proficiency in English is stressed in writing television scripts. CAST students successfully produce television programs viewed on cable television. In a world in which television and film have become powerful means of communication, skills gained in CAST are of great value.

COOPERATIVE EDUCATION

MR. ROBERT GRAY

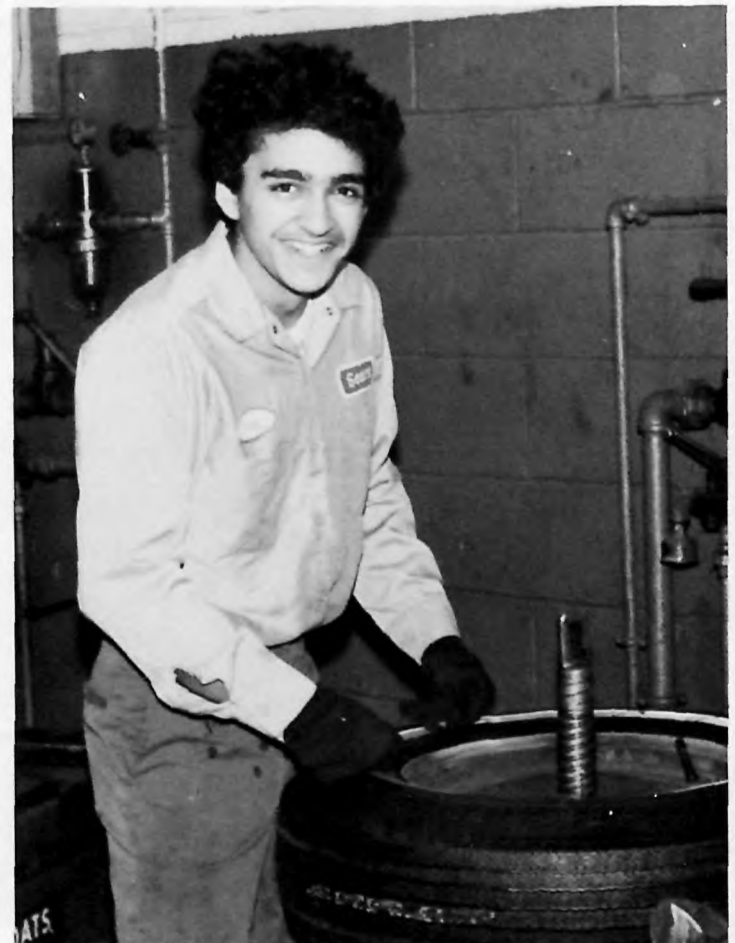

MR. ELLIOT LOVI

Many ambitious LHS students participate in the Cooperative Education program. After a full morning of school, these students receive "on the job" training in many fields. Under the guidance of a special advisory committee, they learn to take on the responsibilities of a job, a rewarding experience which prepares them for full-time employment.

The Cooperative Education Program encompasses four areas of study. Distributive Education trains students in sales merchandising. Industrial Education provides practical experience in trades as carpentry and electronics. Office Education helps students to acquire skills necessary for business careers as legal secretarial work and banking. The Health Education program prepares students to work as dental and hospital assistants.

Cooperative Education is a solid bridge between school and business. It provides a valuable background for students who seek employment after high school or college.

The crowning fortune of a man is to be born to some pursuit which finds him employment and happiness.

INDEPENDENT STUDY

The Independent Study program is designed to individualize learning. Mrs. Stella Oleksiak, the program's coordinator, encourages students to explore various topics through special projects. Students participate in a unique research program without the usual restrictions while they develop initiative, self-discipline, decision making and resource skills. They are offered formal evaluations of their projects, and they gain the personal satisfaction of individual achievement, although no formal credit is given. Next year, however, Independent Study will be offered as a credit course.

LIBRARY

The library's 25,000 volumes support students and faculty in many ways. They contain background material pertinent to current curriculum as well as reading material for enjoyment. Recently, the paperback collection of fiction has been expanded to broaden the range of popular reading. In addition to books, the media center contains audio visual materials of value to researchers. But the vital link between students and resources is the librarians themselves. They play a major role in term paper projects for juniors and seniors. By compiling lists of useful sources and teaching classes how to use the sources to the best advantage, the library staff is invaluable in helping students develop research skills. Their intimate knowledge of course requirements and material on hand makes student's investigations of topics easier tasks.

SENIOR SERVICE

The Senior Service program, coordinated by Mr. Rufalo, takes place each Spring. Freedom fighters sent out to the sun,
Escape from brainwashed minds and pollution.

Leave the earth to all its sin and hate,
Find another world where freedom waits.

Or you children of the world listen to what I say,

If you want a better place to live in,
spread the words today

Show the world that love is still alive,
you must be brave.

Or you children of today are children of the grave, Yeah.

My passage through L.H.S. began with
a pounding heart full of apprehension
and expectation and ended with a
pounding heart full of sentiment and
satisfaction. The friendships so vivid
and cherished now may become less
vivid as the years pass but never will
they be less cherished. Each of you
who, as you read this think of me as a
friend, be assured that you have been a
most special friend. If we have in any
way enhanced each others lives we
have achieved one of life's most impor-
tant missions.

In memory of
Joey Kernan

Once upon a time
In the Empire of his birth
A Knight was urging his spirited stallion
Through a deep green forest.

He was most eager
To take part in action
Any action for which
This forest, looming ahead, had in store for
him.

A nagging foreboding
Gnawed at his valiant heart.

But the Knight, ignorantly
Put spurs into his spirited stallion,
And at full thrust rode.
Up the wooded knoll.

Deaf to any warning
Ignoring his inner call,
He led his stallion from a rise
To drench him at a stream.

By the stream a cave yawned
The Knight crossed at the narrow of the
stream
Flaming rock seemed
To light the cavern's mouth.

From behind blinding smoke
hat screened everything from sight
A far-off cry came echoing.

So great his loss of blood
So much his strength is spent.
Strain to come to,
Only to sleep again.

Such a long, long time to be gone
And a short time to be here.

LANCERS TRAVEL TO PLAYOFFS IN GIANTS STADIUM!

The Livingston football team enjoyed one of its most successful seasons ever in 1979. The Lancers went undefeated in conference play and travelled to Giants Stadium for the championship of the state playoffs. At season's end, the team was ranked first in Essex County and seventh in the state by the **Newark Star-Ledger**.

The Lancers opened the season under the lights against a huge Belleville squad. The team was served a disappointing loss and the hopes of a successful season seemed improbable. The Lancers, however, quickly rebounded with an explosive victory over Mountain. The game was a display of the superb running abilities of All-County senior halfback and Co-captain Greg Wickner along with the precision passing of All-State junior quarterback Stan Yagiello. In the following game against Morristown, senior co-captain Mike Braun led the defense from his linebacker position and was largely responsible for the victory. The Lancers continued on a winning streak as the players realized their full potential.

After winning the rest of their games, the Livingston squad received a bid to play in the state tournament. The first game against highly rated Westfield was a magnificent display of talent and hustle. The Lancers ended up on top 38-20 in a surprise romp at Giants Stadium. Two weeks later, again at the Meadowlands, the football team was vying for the state championship title against Union. The Lancers played their hearts out but were unable to capture the crown in the grueling battle. Livingston did, however, play a very impressive game as they had done consistently all season long.

All-County center Harry Neugold anchored the strong offensive line which consisted of senior tackles Rick Sules, Mitch Burner and Dan Danckwerth and junior guards Mike Genovese and Ron Maier. Although consistently outweighed, the line gave Yagiello plenty of time to throw to senior tight end Lou Belardo or All-County junior end George Alpert. Coming out of the backfield for passes were seniors Mike Inga, playing wingback, and fullback Bill Giuliano who was also a vital part of the Lancer running game. Filling in for the backs and returning punts was the hustling Bob Barbella.

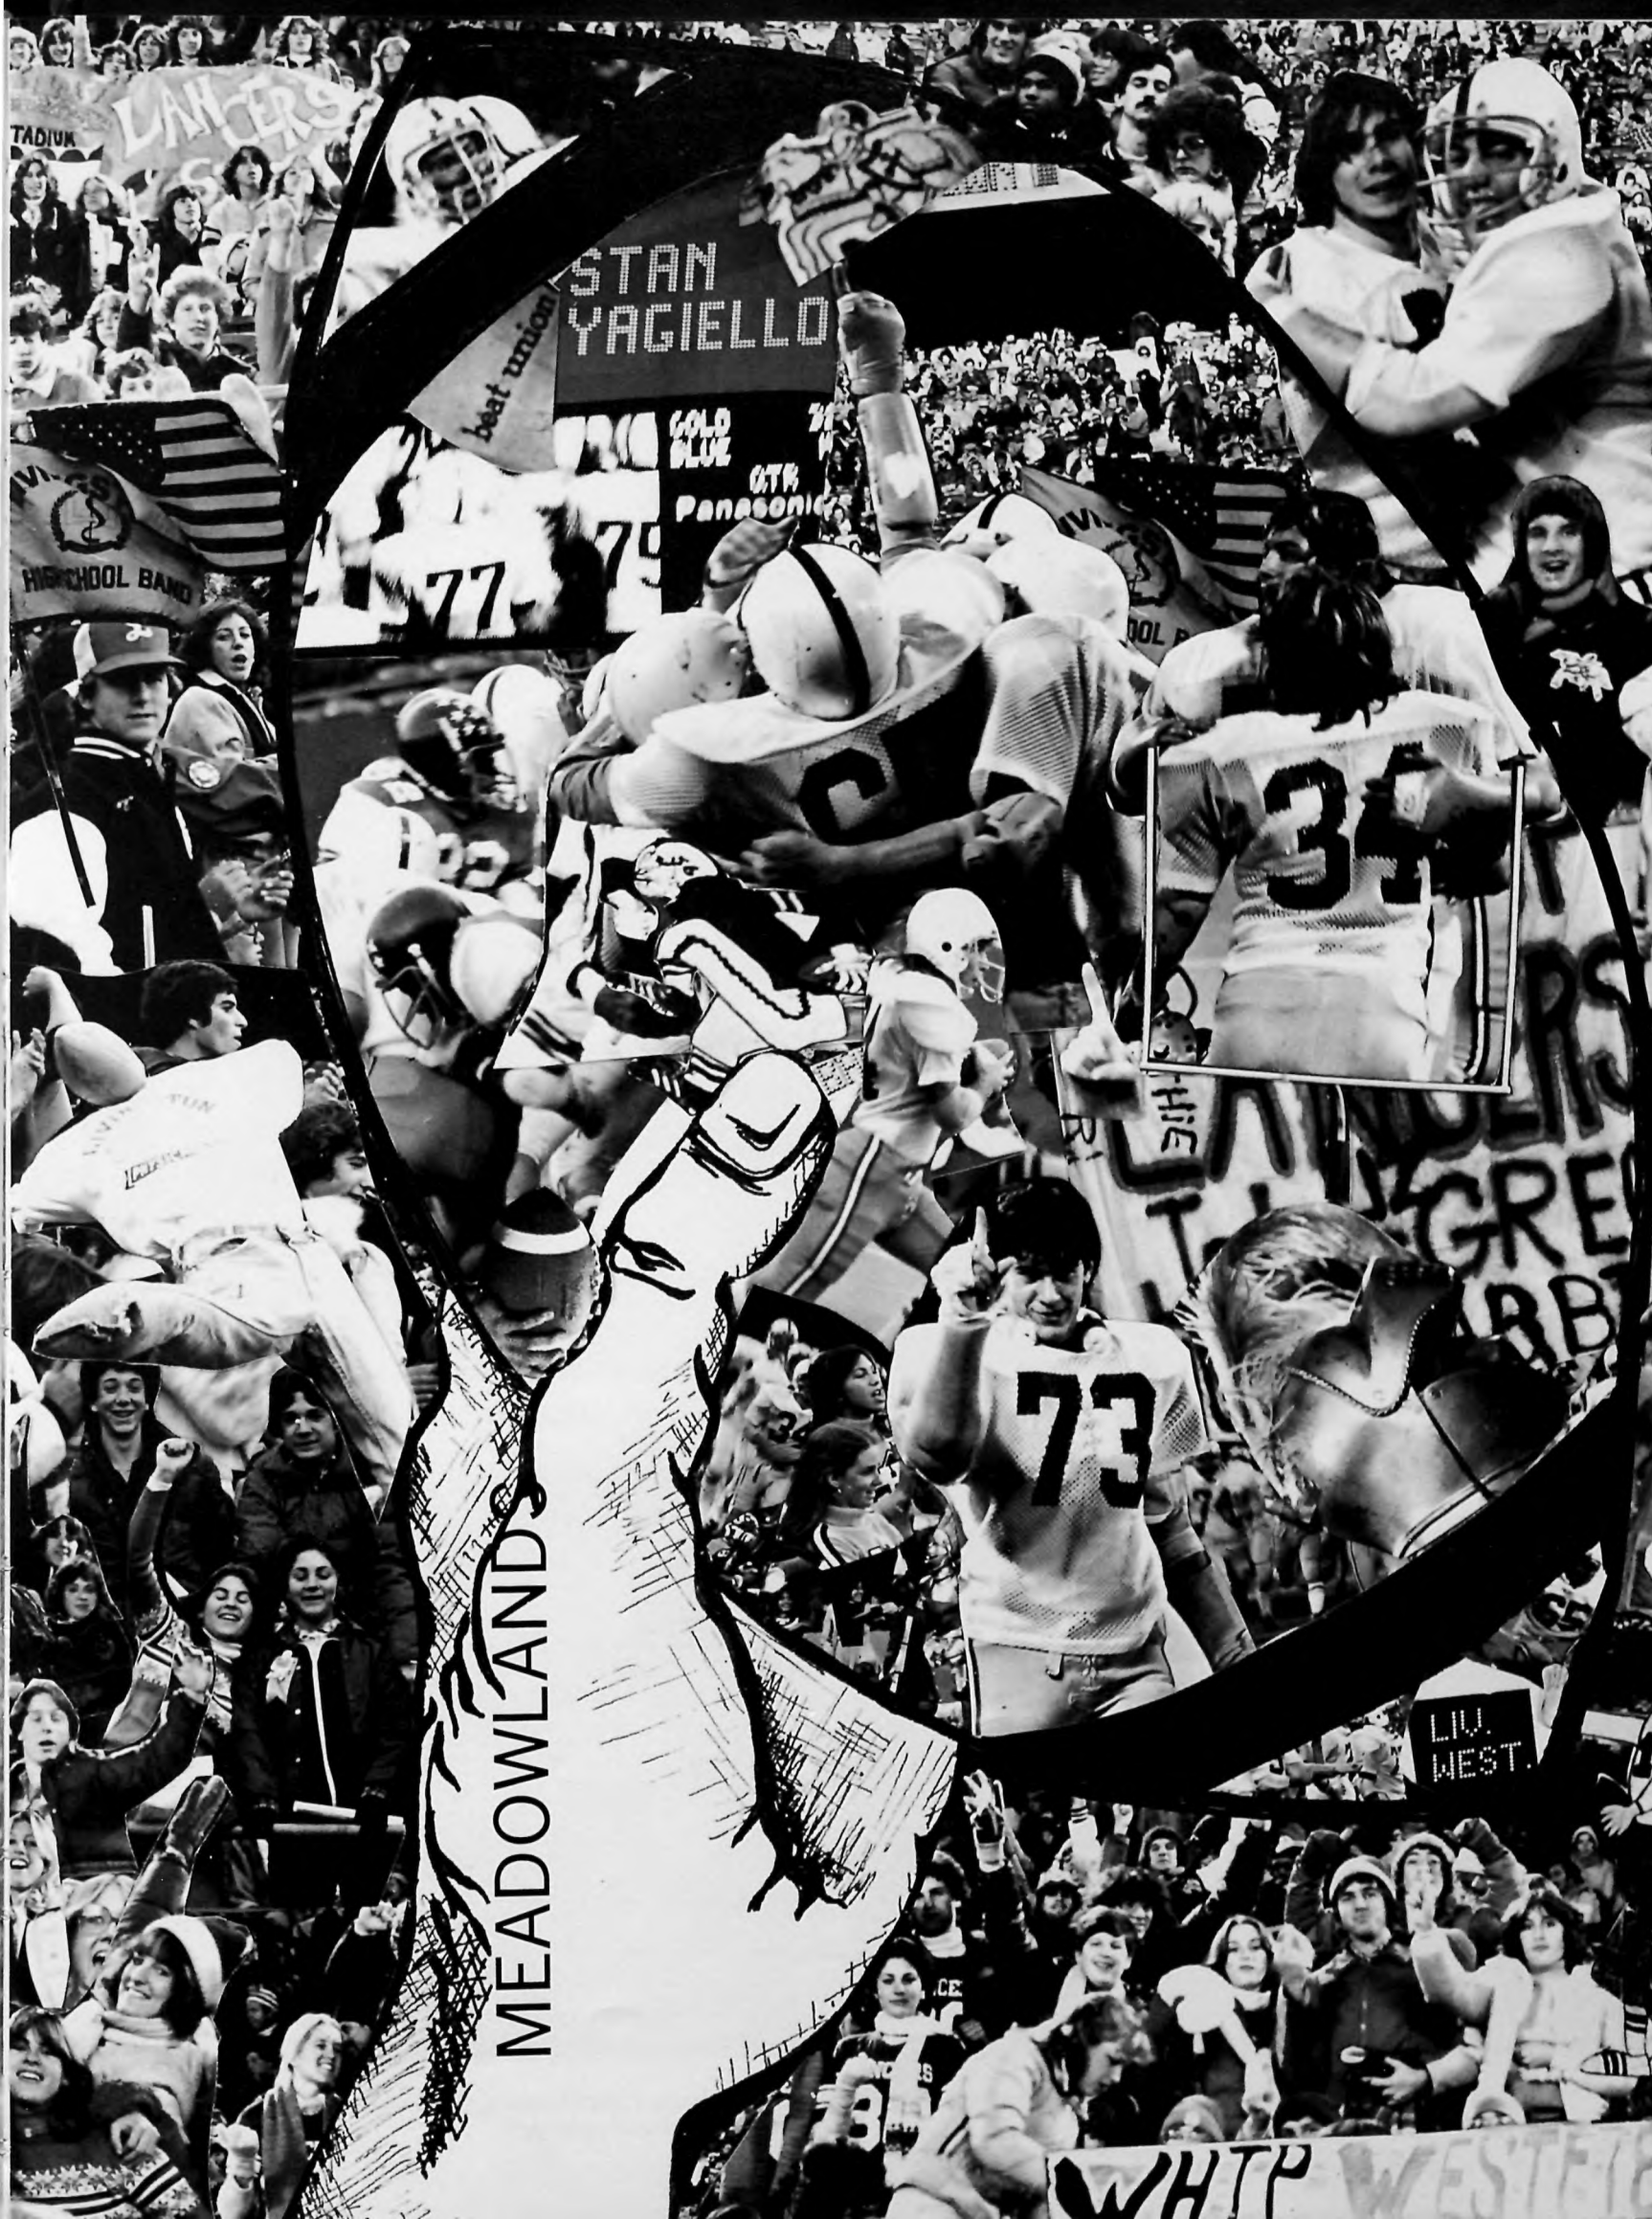

Throughout the season, the Lancer defense continued to gain respect as a hard-hitting aggressive squad. In the middle of the line were the tough pair of seniors John Imgrund and Frank MacArthur. Alternating at defensive tackle were the massive trio of Dave Pecora, Charlie Clark and Greg Giroux. The intimidating ends, junior John Taylor and All-County Mike Braun combined with powerful senior linebackers Vinnie Russo and Darren Nacht to form a tight defense. Intercepting and breaking up many passes were senior deep backs Mike Neary and Jim Wright along with junior Steve Pontiakos. Senior Scott Parsons, a first season player for the Lancers, was an important asset as kicker and punter. Injured in an early scrimmage, senior Scott Moran was sidelined for most of the season, but constantly supported the team.

It was a truly triumphant season for the Lancers as five players made All-County and three made All-Group IV. Junior George Alpert was named to the second team All-State, while junior Stan Yagiello made the prestigious first team All-State. Coach Al Jacobson, completing his 22nd season at L.H.S., was named "N.J. Coach of the Year" by the **Newark Star-Ledger**.

The 1979 Livingston football team instilled a spirit of pride throughout the school and its community. The enthusiasm and support of the fans was a great part of the Lancer's success. As the talented underclassmen return next year, the team should achieve their goal of a victorious season which has become a Lancer tradition.

All State quarterback Stan Yagiello, whose superior passing ability sparked the Lancer's success, will return next year to lead the team to victory.

Leaping high to pull in the pass, wingback Mike Inga sets up another Lancer touchdown.

All Group-far end George Alpert makes another one of his unbelievable catches.

Kicker Scott Parsons boots the ball as Mike Ilaria and Nick Pollaro hustle downfield.

Although known for his passing, Stan Yagiello also demonstrated superb running.

All-county line-backer and co-captain Mike Braun prepares for the next play.

Tough Greg Wickner gains big yardage behind the awesome blocking of tackle Rick Sules.

The hard-hitting defense swarms to the ball carrier with a vicious gang tackle.

Coach of the Year, Al Jacobson, discusses strategy with assistant coach Tony Hope.

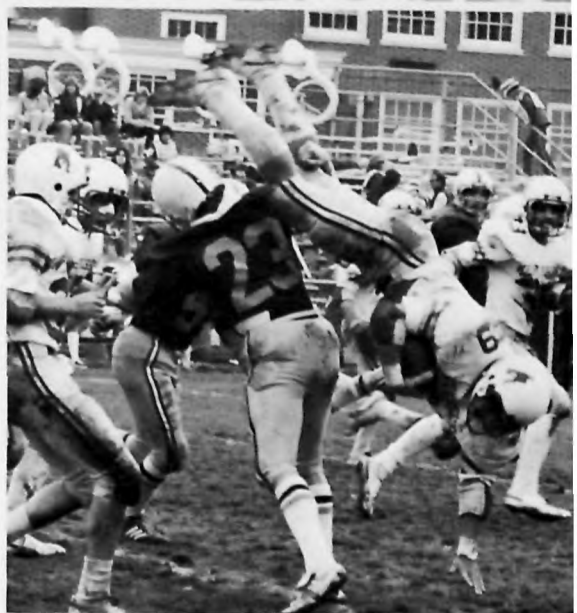

Mike Neary (29) and Marcello Bonvini (27) break up another pass as Vinnie Russo (51) tries for the interception.

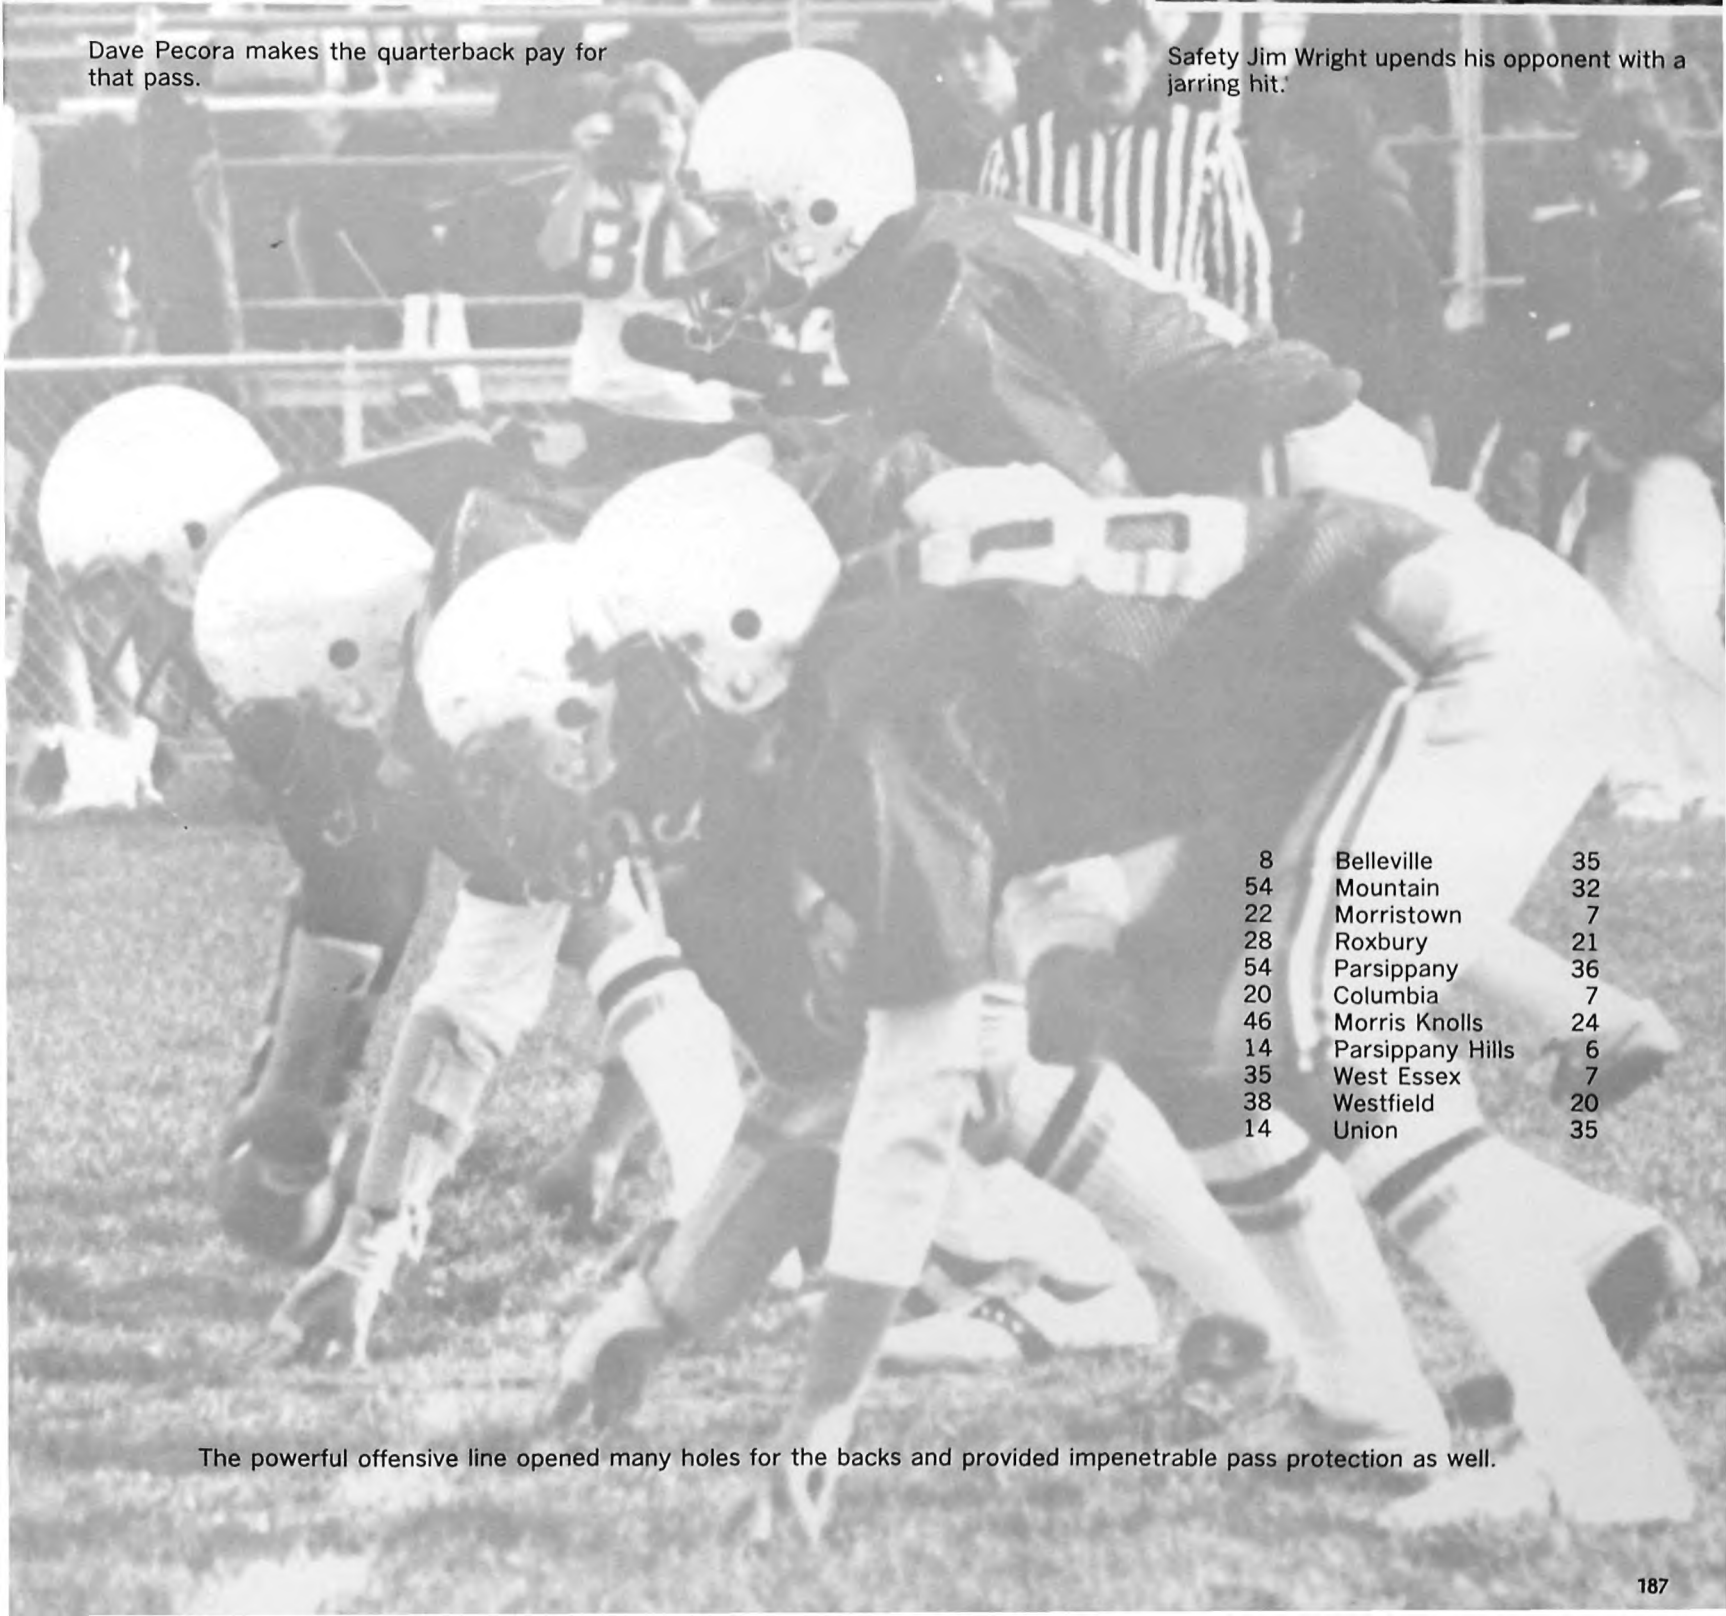

Fighting for extra yardage is the Lancer's top fullback Bill Guiliano.

Dave Pecora makes the quarterback pay for that pass.

Safety Jim Wright upends his opponent with a jarring hit.

THE BAND FRONT AND SQUADS SPARK TEAM SPIRIT

The 1980 Lancer spirit and showmanship was sparked by the talented efforts of the band, band front and cheerleaders. The marching band, under the leadership of student director Lance Siegel, performed a variety of musical numbers. The shows were highlighted by unique marching drills and formations coordinated with the band front. The drills of the Flagsters and Lancerettes proved colorful and exciting entertainment at football games. Coordinated carefully, the skillful twirling maneuvers and marching of the Color Guard rifle squad and the Twirlers captured the fans' attention. Along with their skillful exhibitions, the girls upheld the spirit of the Lancer tradition. The Lancer spirit was further displayed as Lancer victories were inspired by the undying support of the cheerleaders. The pep and talent of the squad encouraged fan participation and fired up the Lancer's valiant efforts. The successful 1980 season enjoyed by the Lancers was certainly made more memorable by the colorful support and performances of the band, band front and cheerleading squads.

BOYS CROSS COUNTRY 9TH IN COUNTY MEET

The Lancer Boy's Cross Country team, despite a disappointing 1-11 record, showed promise by placing 9th in the Essex County meet. The team was led by seniors Mike Bernstein, Steve Reichel and Peter O'Grady, as well as Michael Goldman and Anthony Sawicki. Juniors Doug Sherman, Albert Kim and Harish Sarguni demonstrated agility in cross country meets. Other underclassmen Ira Brickman, Doug Sherman and Jaan Janes will provide strength for next year's squad. Certainly Coach Jules Geftic can look forward to an improved season next year.

GIRLS CROSS COUNTRY GETS OFF TO A GOOD START

The Livingston High School sports program was expanded to include a girls' cross country team for the fall season. The team was coached by girls' track coach, Mr. Charles Berry. Despite the small number of girls on the squad, the team finished with a winning record of 7-3 and placed third in the conference. The team was led by seniors Kathy McNally, Terry Levine, and Sue Brower. There were also two underclassmen, Eileen Larney and Joanne Dougherty. All competed in the tough Iron Hills meets with winning results. Coach Berry feels the team did extremely well in their first season. He hopes to expand the squad and continue his winning ways in future cross country seasons.

GIRLS' TENNIS TEAM NETS CONFERENCE TITLE

Despite a variety of trying circumstances, the girls' tennis team excelled in its 1979 season. The team was plagued by injury and illness, which meant constant shifts in the line-up were inevitable. Despite the instability, the team held together to win the Iron Hills Conference championship and advanced to the state sectional finals.

Coach Dan Weidner attributes the team's success in the face of adversity to the girls' fierce competitive spirit. He cites evidence from many matches in which a girl would lose the first set and rally to win the next two and clinch a team victory. This determination, according to Dr. Weidner was the key to many victories, including crucial wins over perennial tennis power houses, Columbia and West Essex. The girls also received post season recognition; the team had an overall record of 19 and 5 and was ranked eleventh in the state and second in Essex County. In addition, the first doubles team of Chris Stoll and Caren Holtzman

were named to the third team All State (Group IV)

The second doubles team was also an important factor in the team's excellent record. Seniors Mary Ellen Joyce and Nancy Goret were paired together for most of the season but due to injuries Marge Landau and Ellen Krupat also saw action. The singles positions were held down by junior Felice Zinn and seniors Wendi Blau and Anne Stewart respectively. Felice showed a lot of potential and will be counted on heavily next year. Blau and Stewart were four year veterans whose experience played an important role in the team's success. Junior Amy Levine and freshman Krista Gugliemi also saw varsity action and will be depended upon for a strong showing in the 1980 season.

As a result of fine coaching and determination, Dr. Weidner's girl's tennis team triumphed. The girls pulled together to defeat some of the top teams in the state and captured the Iron Hills Conference title.

First singles star Felice Zinn will continue her winning ways next year.

Mary Ellen Joyce showed a lot of poise at seconds doubles.

Caren Holtzman played well at the first doubles position.

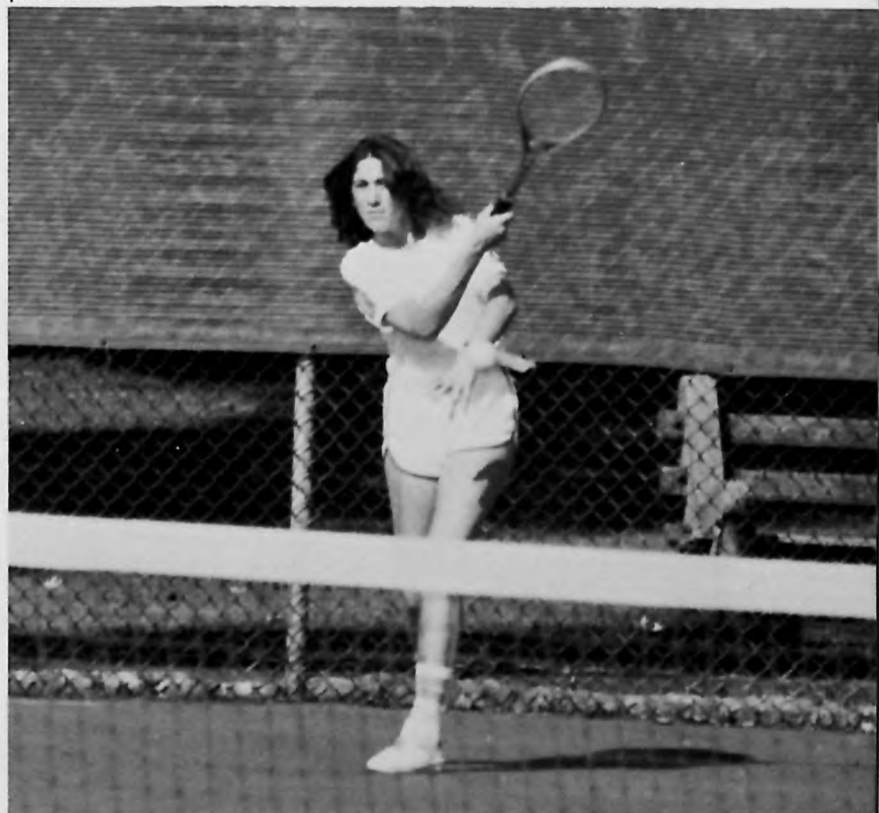

Sophomore Chris Stoll excelled at both singles and doubles.

Anne Stewart shows the Lancer intensity.

Consistency was the key to Wendi Blau's success at her singles position.

Nancy Goret's fine doubles play contributed to many important victories.

FIELD HOCKEY ON THE UPSWING

The field hockey team performed well after a slow start in 1979. The girls finished the season with an overall record of 5-6-6 including some impressive play in the Essex County tournament. Coach Pam Clause claims the team got off to a disappointing start. At the opening of the season, the girls played without seven starters. Coach Clause said the team was plagued by the inconsistency and scoring difficulties. Also, the demanding schedule called for the girls to compete against some of the top teams in the state. Despite this, the coach said the team showed "tremendous improvement" by the end of the season and is "right on the brink of being really good."

The team was led by senior tri-captains Jill Smith, Leah Finkel, and Tracy Cole. Jill and Leah were forwards, and Leah, along with sophomore Debbie Siegel, was named to the second team All Essex. Other offensive players included seniors Melina Maritato, Nancy Cushman, and Dana Maranz. Juniors Shari Berke, Beth Cacossa, Joyce Zelkowitz and Fran Miller also saw action.

Tracey Cole finished her third varsity season as goaltender for the team with 107 saves. With her on defense were seniors Kim McDermott and Cheri Weinstein at fullback, and Karen Turi at sweeper. Underclassmen on defense were Abby Schwartz and Lisa Fellman.

The girls worked well as a team and utilized a variety of unique "psyche-up" methods. Coach Clause enjoyed coaching them and looks forward to more success in the future.

LANCER SOCCER: A HEARTBREAKING SEASON

The 1979 Lancer Soccer team, coached by Mr. Paul Swenson, finished the season with a record of 10-7-2. The potential for success was great however the Lancers' inability to come from behind resulted in a frustrating, though winning season.

Strong potential was evident as the Lancers continually outshot their opponents, but their inability to convert these opportunities resulted in deficits. The most disheartening losses occurred in the quarterfinals of the Essex County Tournament and in the State Tournament. In the County Tournament against a tough Verona team, a scoreless game resulted in a suspense filled tie-breaker shootout. The Lancers' valiant efforts were frustrated as Verona edged past to defeat them. In the State Tournament the Lancers provided sharp competition to a fine Westfield team before being defeated by a 3-2 score. The season finale was indicative of a well-played season which came close to success.

The Lancers were led offensively by veteran seniors Jack Guerrieri, John Bailey and Bob Miseo. Their experience and speed proved instrumental in Lancer performances. Wingers Dave Spiegel and Bob Brenner also aided the team. The superb skill of David Fisher, Dave Andreason, Rob Clarkson and Scott Whitman provided the Lancers with a formidable line.

A strong defense halted Lancer opponents. With Larry Gerson and Steve Litvak protecting the goal, the Lancers turned back many scoring drives. Seniors Howard Koval, Jack Rosenbloom and Pete Courter played spectacularly on defense, as did sweeper Steven Glassman.

Although the upperclassmen provided necessary experience, a large part of the Lancer strength came from the efforts and determination of the team's juniors. Juniors Todd Silverberg and Mike Friedin sparked the offense, continually baffling the opponents defense. Midfielder Doug Burns and Ralph Spagnola provided the Lancers with agility and quickness. Defensively, the superb quality of performances from centerback Eric Friedland and fullback Scott Johnson were vital to the team. With the determination and cooperation exhibited by the underclassmen, next year's team can anticipate a championship campaign in the fall.

Steve Glassman played well for the Lancers.

Larry Gerson makes another fine save.

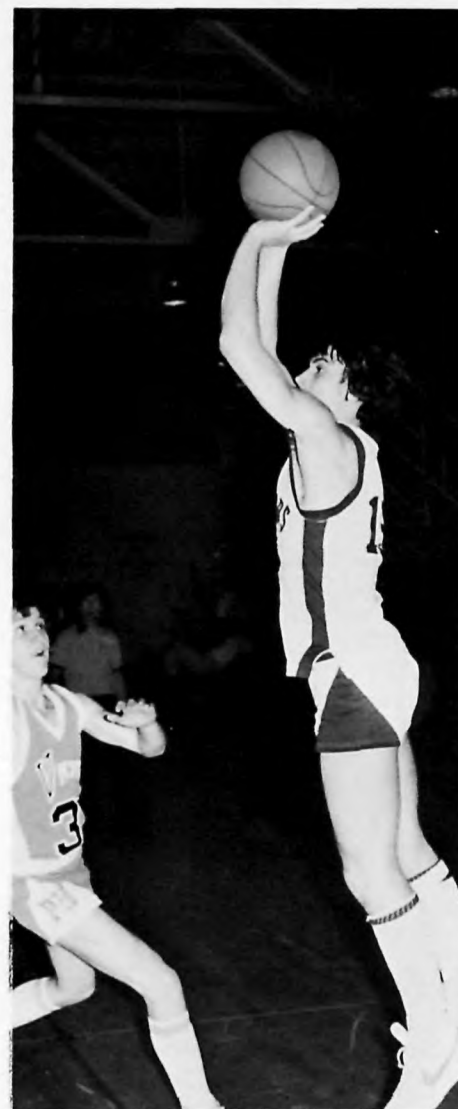

The team: front row: Bobby Miseo, Todd Silverberg, Rob Clarkson, David Spiegel, Jack Guerrieri, Steve Glassman, Scott Whitman, Mike Friedin; second row: Howard Koval, Eric Friedland, Ralph Spagnola, Steve Litvak, Ron Sachs, Peter Courter, Steve Jacobson, Scott Johnson; back row: Coach Swenson, Hal Kussick, Ken Wolfe, Jack Rosenbloom, Bobby Brenner, Dave Fisher, Wayne Delosso, Doug Burns, Dagid Andreason, Missing: Larry Gerson

LANCERS NET A VICTORIOUS 1980 SEASON

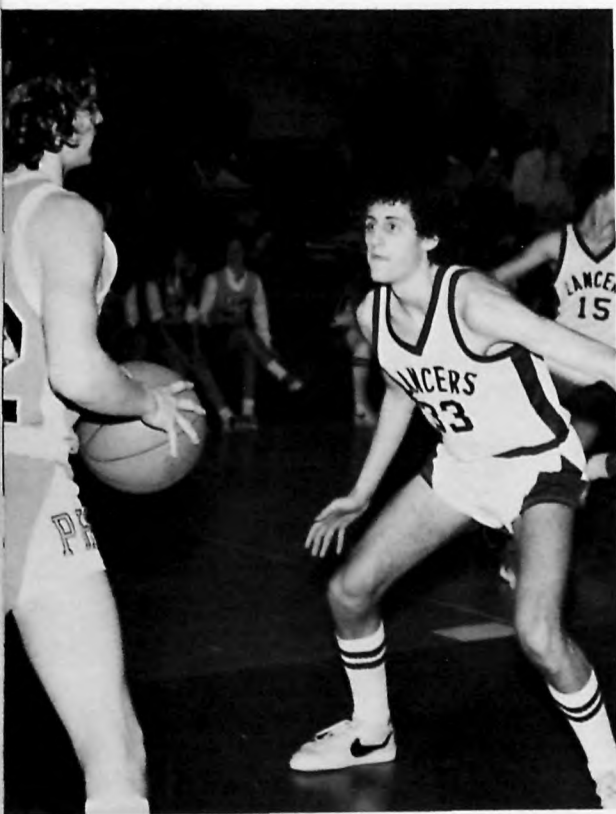

The boy's basketball team had a fine 1979-80 season. Coached by Mr. Al Maranz, the boys pulled off some surprising upsets and won the first place trophy in the Holiday Tournament. Forward co-captain Harlan Coben finished a three year varsity career leading his team to a 17-8 record. Senior center Scott Parsons and junior forward Steve Pontiakos provided the height and skill necessary to control the backboards. Jeff Mitnick and George Alpert at guards positions rounded off the starting five. Mitnick's pinpoint passes made him an effective playmaker, while Alpert's clutch shooting was the key to many victories. The team was hindered by injuries throughout the season. As a result, the depth of the bench proved to be vital to the team's success. Co-captain Pete Appel's fine ball handling and outside shooting was a great asset. Senior Wayne Tunis and junior Dave Peck proved invaluable. Steve Jacobson, Bruce Eatroff and Steve Fleisher also saw plenty of action.

The boys finished third in the Iron Hills Conference behind strong Columbia and Morristown teams. Their fine record qualified them for the Essex County and State Tournaments. Exceptionally fine ball playing was displayed in both tourney's.

The team improved tremendously over last year's record. Although Coach Maranz will lose the many strong senior players on his squad, he expects a successful season from his '80-81 players.

Junior George Alpert's accurate shooting was a great asset to the team.

Steve Fleisher (33) plays tough defense.

GRAPPLERS SCORE WITH INDIVIDUAL RECORDS

The Lancer wrestling team completed their 1980 season with a 4-11 record. This losing record, however, was not indicative of the grappler's achievements. Under Coach Valentine, the team lost five matches by five points or less and, in addition, won the last three matches of the season. Highlighting the year were the Lancer's fifth place finishes in the Seton Hall, Dover, and District Tournaments.

Outstanding individual records characterized the Lancer season. Co-captain Mark Friedman (101) compiled a 15-9 record and placed second in the Seton Hall Tournament. Mark holds the record for wrestling in 42 consecutive dual matches. At 170, co-captain Frank MacArthur compiled a 17-3-1 record, placing first in the Seton Hall Tourney, second at Dover and third in the Districts. Leading the Lancers, senior Harry Neugold had the most outstanding record on the team (21-4). Harry holds the team record for pins (8) and most team points (70). Other record holders were seniors David Fisher (148) who recorded the most escapes (11), and Jeff Pichat (129) who holds the team record for the most reversals (14). Heavyweight senior Dan Danckwerth, one of the Lancer's superb individual performers, recorded a 10-5 record and, in addition, amazed the fans and his teammates with the fastest pin of the year at 42 seconds.

The underclassmen further exhibited the Lancer strength. Junior Steve Molinaro (108) with a 19-7-1 record took first place in the Dover Tourney and the Regions. Steve has the honor of being only the second wrestler from Livingston to win first place in the Regionals. Jon Taylor (158), a junior, should also lead the 1981 wrestlers. Jon's second place finish in the Dover Tournament demonstrated his fine skill.

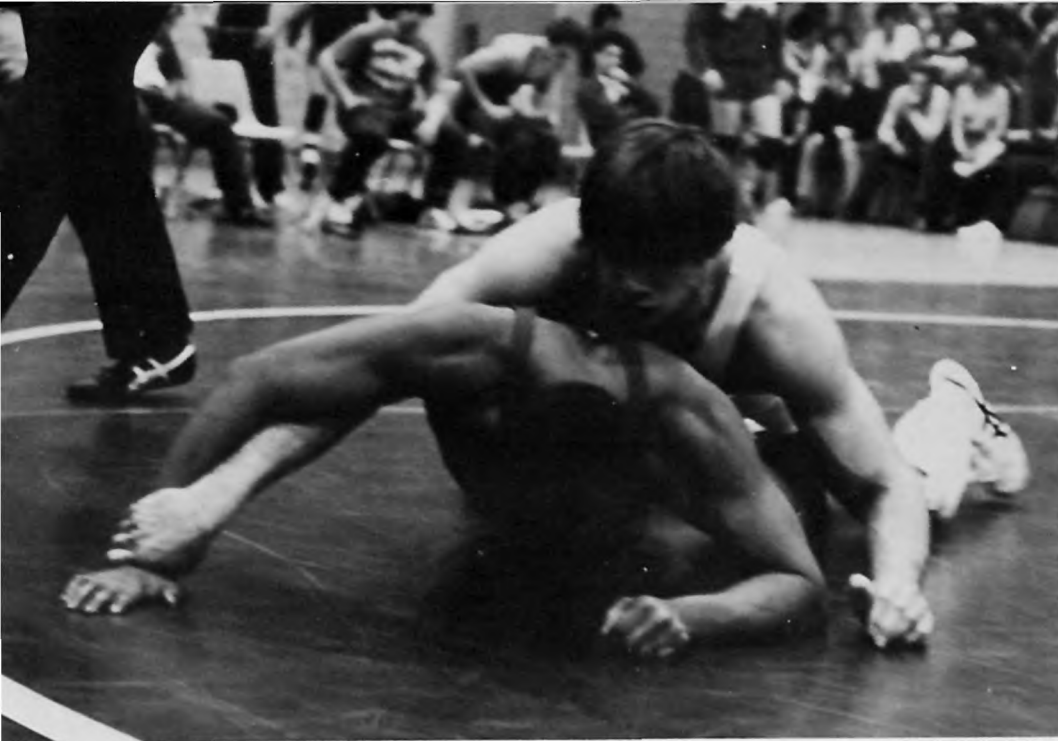

Certainly, graduating seniors Friedman, MacArthur, Neugold, Fisher, Pichat and Danckwerth will be missed greatly, but Coach Valentine hopes the team will see improvement, and experience a fine 1981 season.

Harry Neugold took first place in the Seton Hall and Dover Tourneys and second place in the Districts.

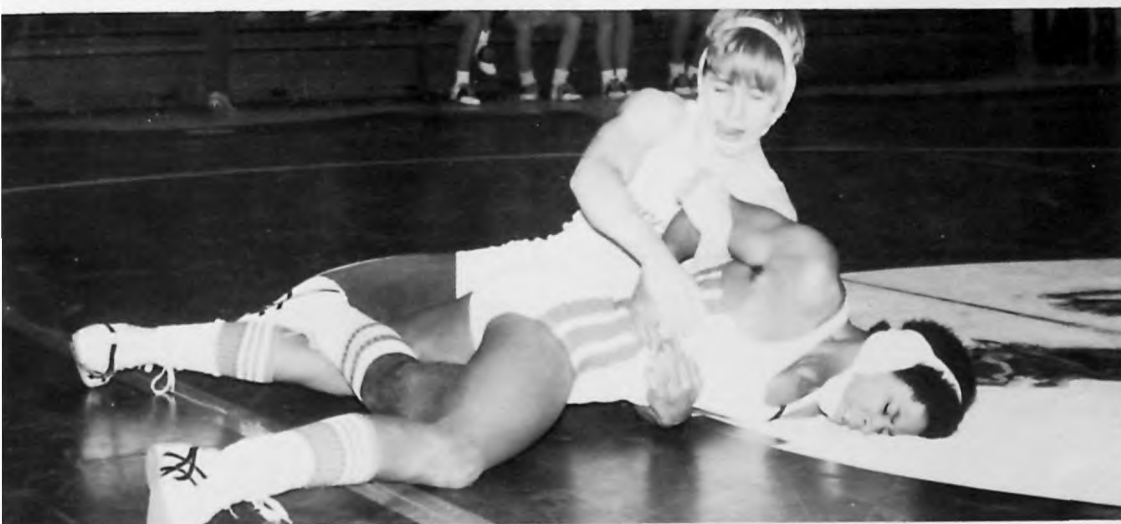

Get psyched, Lancers!!!

Co-captain Frank MacArthur holds the team record in takedowns, Near Fall two, and most superior decisions.

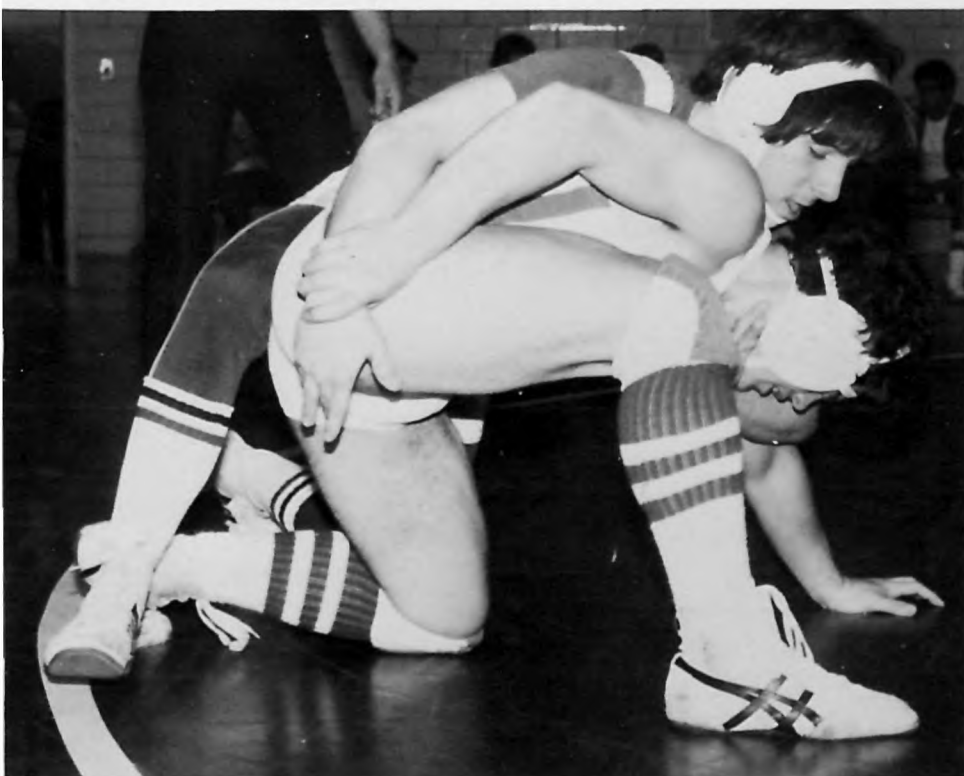

Assistant Coach Swenson intently watches the match.

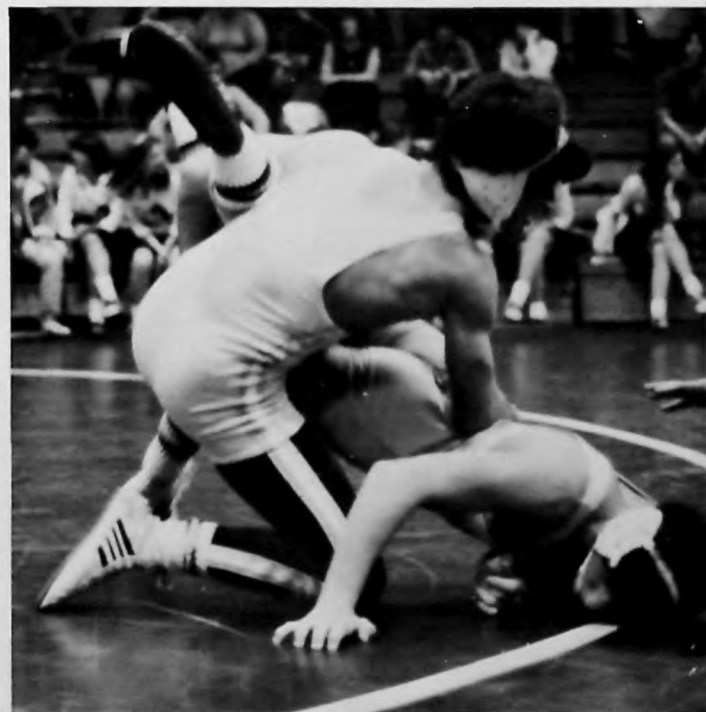

Senior Jeff Pichat (129) led the team in reversals.

Jon Taylor (158) compiled a 7-7 record along with 2nd, 3rd, and 4th place finishes in the Seton Hall, Dover and District Tournaments, respectively.

Junior Tony Sbarro's experience should key the Lancers next year.

The superb agility and skill of David Fisher sparked the grapplers.

ICEMEN ARE STATE CHAMPIONS

The Livingston High School Ice Hockey Team completed their 1979-1980 campaign as state champions with an outstanding 19-6-1 record. The champs finished second in regular league play to a tough Brick Township team. Despite being eliminated in the semi-finals of the Gordon Cup Championship, the young Lancers came through in the finals of the State Tournament to finish as the number one team in New Jersey by defeating Brick Township 1-0 in a pressure-packed sudden death overtime.

Under the direction of Coach Ed Purdy and assistant Coach Norman Shayer, the Lancers again displayed their superior skill by capturing the Christmas Invitational Tournament as well.

The victors were led by captain and leading scorer John Beatrice, named to the first team All-State, as well as alternates Dennis Maloney and Carl Scillia.

Leading the scoring attack for the Lancers were league top ten scorers senior Scott Whitman and sophomore Don Julich. Additional consistent scoring came from juniors Dave Goret and Jeff Peacock as well as sophomores Joe Tracey, Keith Simons, and Brad Zipper.

Maning the defense for Livingston were senior Carl Scillia, junior Lon Schaeffer and sophs Brad Whitman, Mike Wolfensohn, and Mike Derecky. They combined with goalies Jim Mair and John Scillia to give the Lancers a more than formidable defense. With eleven players returning, the Lancers have every reason to believe they will be a top team once again next season.

First row: Brad Zipper, Mike Wolfensohn, Jeff Peacock, Keith Simons, Brad Whitman, capt. John Beatrice, Scott Whitman.
Second Row: Asst. Coach Norman Shayer, David Goret, Mark

Viteri, Lonnie Schaeffer, Don Julich, Mike Deresky, Joe Tracy, alt. capt. Dennis Maloney, Dave Pecora, alt. capt. Carl Scillia, John Scillia, Jim Mair, Coach Ed Purdy.

Scott Whitman, one of the league's top ten scorers, completed a strong high school career by keying the champ's offensive attack.

All-State John Beatrice accepts team honors as the Lancer captain.

Senior Mark Viteri contributed speed and determination to the Lancer team.

Sophomore Keith Simons should lead future teams as they aim to match the successful 1980 state championship season.

BOYS' SWIM TEAM COMPLETES STRONG SEASON

The Boys' Swim Team completed a strong 1980 season with a winning 10-5 record. Captained by seniors Mark Pantazes and Mike Jaret, the Lancer team showed great determination. Pantazes' performances on the 50 yard freestyle and 100 yard butterfly supplied the Lancers with many valuable points; Jaret's finishes on relays and the 50 and 100 yard freestyle competitions also accumulated points. Outstanding times were also recorded by senior Steven Slotnick as he broke records on the 100 yard backstroke. Jim Gamble provided the Lancers with continuous strong performances in state competition as did star underclassmen Jim McGuckin, Kurt Hilss and Adam Shapiro. Further highlighting many Lancer victories were junior Mennen Gallas and sophomore Brian Fetzer.

First row: Kurt Huber, Kurt Hilss, Mark Pantazes, Steven Slotnick, Jim Gambale, Mike Jaret, Coach Sid Friedenberg. Second row: Andy Korfin, Adam Shapiro, Brian Fetzer, Jim McGuckin, Mike Blum, Mennen Gallas.

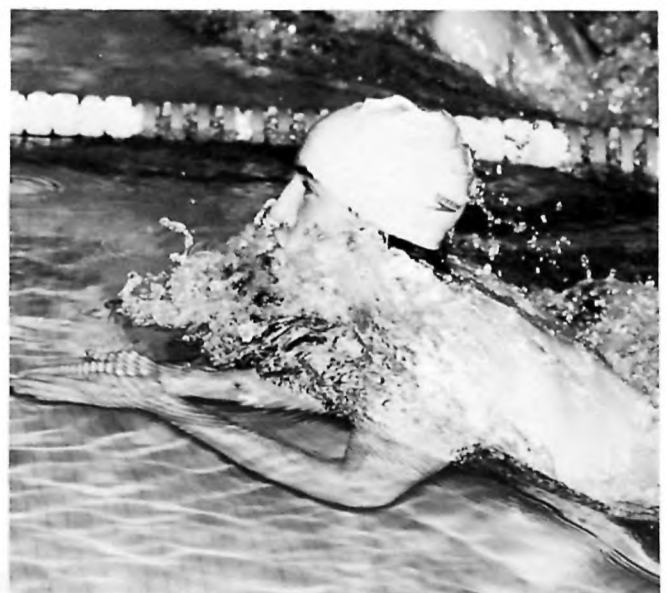

Captain Mark Pantazes compiled team leading times.

Senior Steven Slotnick was a strong competitor for the Lancers.

Fine performances by Mennen Gallas will prove instrumental to next year's team.

Jim McGuckin represented the Lancers by placing tenth in state competition.

INDIVIDUAL RECORDS HIGHLIGHT GIRLS' SWIMMING

Front row: Joanne Lazar, Abbey Speigel, Lisa Potenza, Laura Romeo, Lisa Burger, Darlene Shuckman, Mary McGuckin, Coach Alice Caskey. Row 2: Jill Keiswater, Patty Holland, Lisa Monica, Jill Potter, Roz Jacobs, Monica McManus, Alison Zadroga, Linda Holland.

Coach Alice Caskey's girls' swim team finished the 1980 season with a record of seven wins and nine losses. The season was highlighted by outstanding individual performances. Senior captain Roz Jacobs set three new school records in the 500 meter freestyle, 100 meter freestyle and 200 meter individual medley. Roz's fine swimming qualified her for state competition. Another senior, backstroker Mary McGuckin, qualified for both state and national competition. Co-captain Jill Potter finished a successful varsity career swimming the individual medley. Senior Lisa Monica also swam very well in the 50, 100, and 500 meter freestyle events.

The team was ranked third in Essex County last year, but as a result of defeating Columbia this season, the the girls achieved a ranking of second. Miss Caskey feels the team will continue to improve with the help of able underclassmen. Juniors Monica McManus, Darlene Shuckman and Linda Holland will provide strong competition due to their varsity experience. In addition, sophomores Anna Pochtar and Lisa Berger show great potential. Coach Caskey looks forward to continued success and improvement in the next swim season.

Senior captain Roz Jacobs and Lisa Monica enabled the girls to capture many victories.

Veteran swimmer Jill Potter contributed superb performances in many competitions.

Junior Monica McManus should prove to be the backbone of the 1981 team.

GIRLS BASKETBALL HAS LATE SEASON RALLY

The Livingston High School girls basketball team, led by senior co-captains Mary Ellen Joyce and Leah Finkel, showed great improvement this year and finished the season with an 8-12 record. Mary Ellen's high shooting percentage made the difference in several late season victories over tough competition; tenacious one-on-one defense by Leah brought high-scoring opponents almost to a standstill against the Lancer lasses. Seniors Julie Potter and Karen Turi hit for key baskets and forced turnovers in critical defensive play all season long.

With six varsity players returning, Coach Pam Clause looks forward to a winning season next year. Junior Fran Miller, whose versatility as an all-around playmaker, shooting star, and defensive stalwart developed strongly this past season, is likely to be the mainstay of the team. Junior Mary Jo McHugh, at 5'10", will provide rebounding strength under the boards. Sophomore Helene Freda will be counted on for continued high scoring, while Debbie Siegel, also a sophomore, is expected to be a fourth starter with all-around capability. Juniors Liz Meyler and Mary Hauck will round out the squad, providing Coach Clause with a "Top Six" in their second consecutive year of play together. The combination of experience and talent will make the Lancers a tough team to beat in 1980-81.

Junior Fran Miller, at point guard, inspired the Lancers on the court.

Senior Julie Potter's strong rebounding provided the Lancers with tough defense.

Front row: Debbie Siegel, co-captains Leah Finkel and Mary Ellen Joyce, Helene Freda. Row two: Fran Miller, Mary Hauck, Mary Jo McHugh, Liz Meyler, Julie Potter, Karen Turi.

Sophomore Debbie Siegel will be an offensive asset to next year's team.

The strong shooting of Helene Freda led the Lancers to many victories.

Coaches Clause and Jacobson discuss team strategy.

Co-captain Mary Ellen Joyce goes up for the jump.

LANCERS SEEK TO EXTEND OUTSTANDING RECORD

The Lancer baseball squad enjoyed a successful 18-8 season in 1979, highlighted by an 11 game winning streak. The Lancers reached the finals of the Greater Newark Tournament, where they lost to Columbia 5-4. The team also reached the sectional semifinals of the state tournament, losing to the eventual Group IV championship team, Linden, 6-2. Returning to this year's squad is 1st team all county outfielder, Scott Parsons. Parsons was also elected 1st team all state and led the Lancers in hitting with a .456 average.

Other seniors returning to the squad are catcher Chris Christie, first baseman Steve Litvak, third

basemen Troy Brydon and Greg Wickner. Returning outfielders include Bill Guiliano and Mike Inga. Pitchers returning to the squad are Steve Slotnick, Dave Andreasen and Scott Parsons. Juniors coming back are shortstop Stan Yagiello and outfielder George Alpert. Promising J.V. candidates include Mike Genovese, Steve Pontiakos, Phil Ortanani, Fritz Alworth, John Whelan, Todd Silverberg, Steve Pappas, Marchello Bonvini, Andy Weber, Tom Cooney, Rich Mondello and Jim Kirby. The Lancers look forward to another successful season with head coach Bill Lampeter and assistant coach Tony Hope.

Senior Chris Christie provides the Lancers with hustle.

All-State outfielder Scott Parsons led the Lancers in hitting last year and will be very valuable to this year's squad.

Dave Andreasen's pitching should help clinch another championship season.

First baseman Steve Litvak is one of many power hitters on this year's squad.

Shortstop Stan Yagiello will help the Lancers with his power and speed on the bases.

Senior outfielder Mike Inga studies his opponents defense.

TRACKMEN ANTICIPATE IMPROVED PERFORMANCE

Despite a disappointing campaign last year, this year's team appears to have the needed experience and skill to look forward to a very promising season. Coached by Mr. Geftic, the team will be led by returning lettermen Peter O'Grady, Steve Jacobson and Jed Matza. Peter O'Grady remains as the team's strongest long distance runner while Jacobson threatens to break the school record in the mile and half-mile. Jed Matza represents the team as the top hurdler and is expected to contribute towards the team's success in the sprints. Also vital returning members of the team include Albert Kim, Steven Reichel, Mike Bernstein, all competing in the long distance races and Hal Kussick who runs sprints and mid distance races. In the field events the team should be paced by Mennen Gallas and Robert Sibilia in the pole vault, and Mark Friedman in the high jump. In the discus, javelin, and shot carried by returning track members Rich Gould, Frank Antonacci, and Robert Friedman. The season should be marked by exciting meets filled with many triumphs.

Coach Geftic discusses strategy with senior Steve Jacobson.

Jed Matza takes the hurdles in stride as he racks up points for the Lancers.

Captain Peter O'Grady leads the pack.

HIGH EXPECTATIONS FOR GIRLS TRACK

Kathy McNally breaks the tape.

Carol Bender passes her opposition.

Sue Brower flies by a Millburn runner.

Coach Berry expects big things from the 1980 girl's track team. This will be the girl's third season and the first season where everything will be measured metrically. Coach Berry has high hopes for his seniors: hurdler Carol Bender, one and two miler Terry Levine, high jumper Cathy Mondello, shot putter Nancy Cushman, and 440 and 880 runner Sue Brower. The biggest asset will be senior Kathy McNally who will run the 880, mile, and mile relay. Last year she qualified for the North Jersey Section 2 Group IV Championship and she is certain to qualify again this year.

The underclassmen should also add depth to the squad. Versatile junior Barb Imgrund will compete in the javelin, high jump and long jump events. Other valuable juniors will be Bonnie Sheidelman, Eileen Larney, Lisa Horowitz, Mary Jo McHugh, and Jeanie Dougherty. Sophomore Michelle James should also prove to be an asset. The depth of the underclassmen combined with the experience of the seniors should make the 1980 season a successful one.

Terry Levine in the lead.

GOLFERS TEE UP

The Lancer golf team anticipates one of its finest seasons ever this year. The Lancers compiled a 12-2 record last year and coach Blari Krimmel expects another winning season against the stiff competition of the Iron Hills Conference. Senior co-captains Jeff Kridel and Doug Davis will lead this year's squad. Jeff, a three year starter, served as the backbone of the team last year, while Doug played a major role in some key Lancer victories. Returning to their starting positions, sophomores Adam Shapiro and Stuart Greenberg will once again strengthen the team with their constant play. Senior Dave Greenberg and junior Fred Longo complete the squad, and will certainly reinforce the team with their accuracy from tee to green. Challenging matches with West Essex, Morris Knolls, and Parsippany Hills await the Lancers, yet they hope to stand up to this task and bring home the conference crown.

Senior captain Doug Davis will lead the 1980 golfers.

Captain Jeff Kridel will turn in many outstanding scores to key the Lancers.

Senior David Greenberg's talent will result in a victorious season for the team.

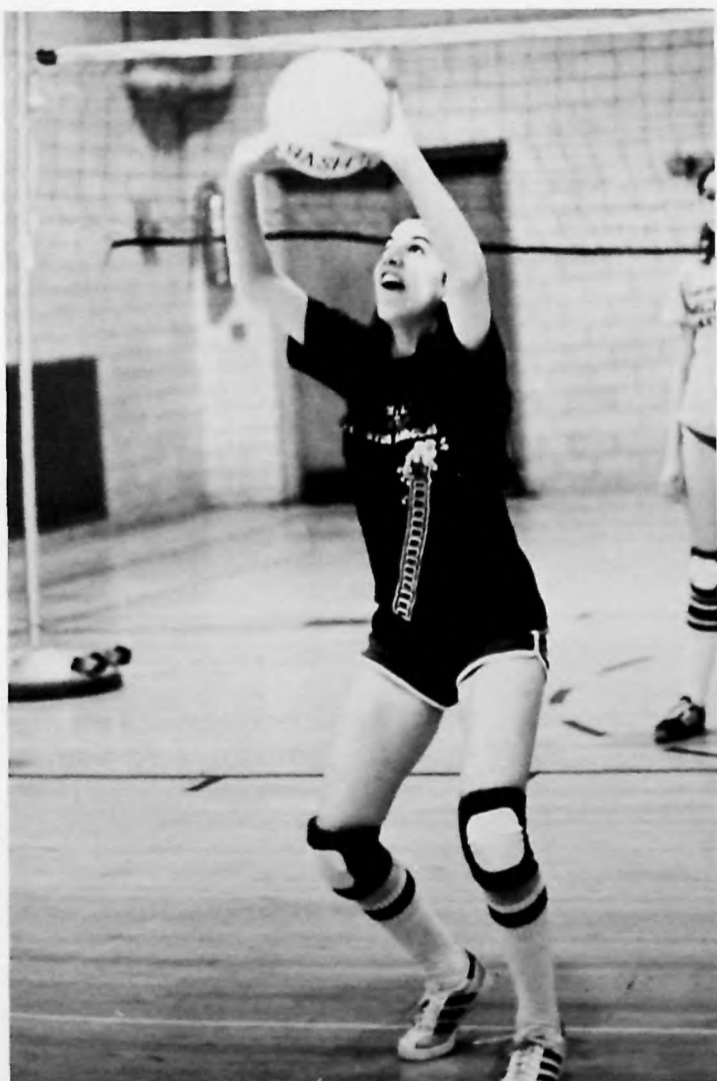

GIRLS VOLLEYBALL BEGINS FIRST SEASON

1980 will be the first year Livingston High School will have a girls' volleyball team. The squad will be coached by Miss Alice Caskey who is chairperson of the New Jersey Top Ten Volleyball Committee. Coach Caskey says the team is working hard and shows a lot of potential. The Lancer girls will make up one of four new teams in the spring volleyball season. Senior players include Elena Vidal, Lyn Girone, Kim McDermott, Jenise Geannakakes and Leah Finkel. Coach Caskey expects juniors Mary Jo McHugh and Shari Berke will be great assets to the team; the coach also anticipates a strong showing from Mary Beth Picini, Beth Cacossa and Trish Bilby.

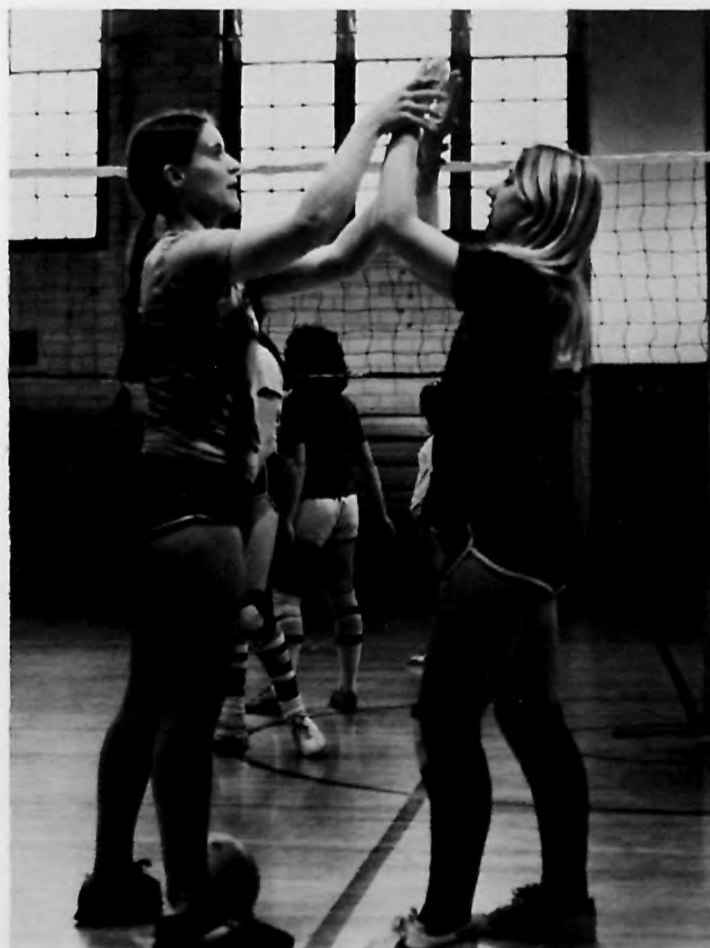

The team's main emphasis will be on defense. Miss Caskey feels if the team can receive and serve well, they will be able to force errors or cause the opposition to make offensive mistakes. With this strategy, Coach Caskey believes the girls will do very well and possibly achieve a state ranking in volleyball.

GIRLS SOFTBALL SEEKS IMPROVED SEASON

The 1980 girl's softball team expects to improve upon last year's disappointing record of 1-16-1. Coach Ransegnola attributes his optimism for a better season to experience and the acquisition of a pitching machine.

All but two starters will be returning from last year's squad including three year veterans Barbara Oelz, Mary Ellen Joyce, and Karen Turi. Turi has displayed some fine fielding ability at third base. Also returning are seniors Alyse Hirschhorn, Cheri Weinstein, Caren Holtzman, Fran Egnezzo, and Sue Grohowski. Grohowski batted clean up last year and will be counted on for many key hits along with Oelz and Joyce. Junior Fran Miller is an outstanding short-stop and will be a big hitting threat as well. Other juniors showing promise are Many Hawk, Linda Holland, and Beth Cacossa.

Coach Ransegnola feels the new pitching machine will be a big help improving the batters' timing and coordination. It will be an asset when the girls have to face the tough pitchers of the Iron Hills Conference.

LACROSSE AIMS FOR CONTINUED SUCCESS

After completing their most successful season ever, the Lancer lacrosse team looks forward to an even more improved record. The 1980 Varsity lacrosse team has the depth and the experience to make this feat possible.

Three Varsity lettermen will be returning to guide the Lancers: Tom Gruchacz has played crease attack for three years and has been a continual scoring threat. Wayne Dellosso started in several games in 1979 and will be the core of the defensive unit this year. Our biggest man, Mike Braun, has the tough job of facing-off as center midfielder. Chuck Jaffe, who played goalie for the JV's, expects to see more varsity action.

Many players will fill in the open spots. At middle, Attila Koch, Rich Jacobson, Mark Scheible, Ken Wolfe, and sophomore Mark Greenhall will see action. Holding down the defensive front are John Imgrund and Dave Pecora. Jody Bergman and Steven Bondy, at the attack position, should be the high-scorers for the team. Also gaining a lot of experience through JV play were senior middies Ricky Hirsch and Bruce Behringer, junior defenseman Jim Murphy, and Lonnie Schaefer at attack.

With such an experienced solid squad, Coach Jacobson expects a strong showing by the 1980 Lancer Lacrosse team.

CHAMPS RETURN — VICTORY BOUND

With a majority of last year's 30-1 Iron Hills Division Champions returning, the 1980 season is sure to be another victorious one for the Lancer boys' tennis team. Leading the team in their efforts to repeat as champs in the Newark Academy Invitational and Essex County tournaments will be senior singles stars Steve Aronson and Andy Roettger. Aronson and Roettger, recording 28-3 and 27-3 records last year, respectively, will contribute superior skill and determination to the 1980 team. Coach Lovi, named **Star-Ledger** Coach of the Year in 1979, is also looking to seniors Lee Olesky and Michael Simon to key the Lancer crusades for the state title. Senior Hal Goldman should be a great asset for the netmen, having compiled an outstanding 26-1 record at doubles last season. Also returning from the 1979 squad, with a 25-1 mark, junior Jeff Scher should consistently produce wins for the Lancer boys. Certainly, Lancer fans can anticipate a memorable season in 1980.

Junior Jeff Scher will be the backbone of next years' team.

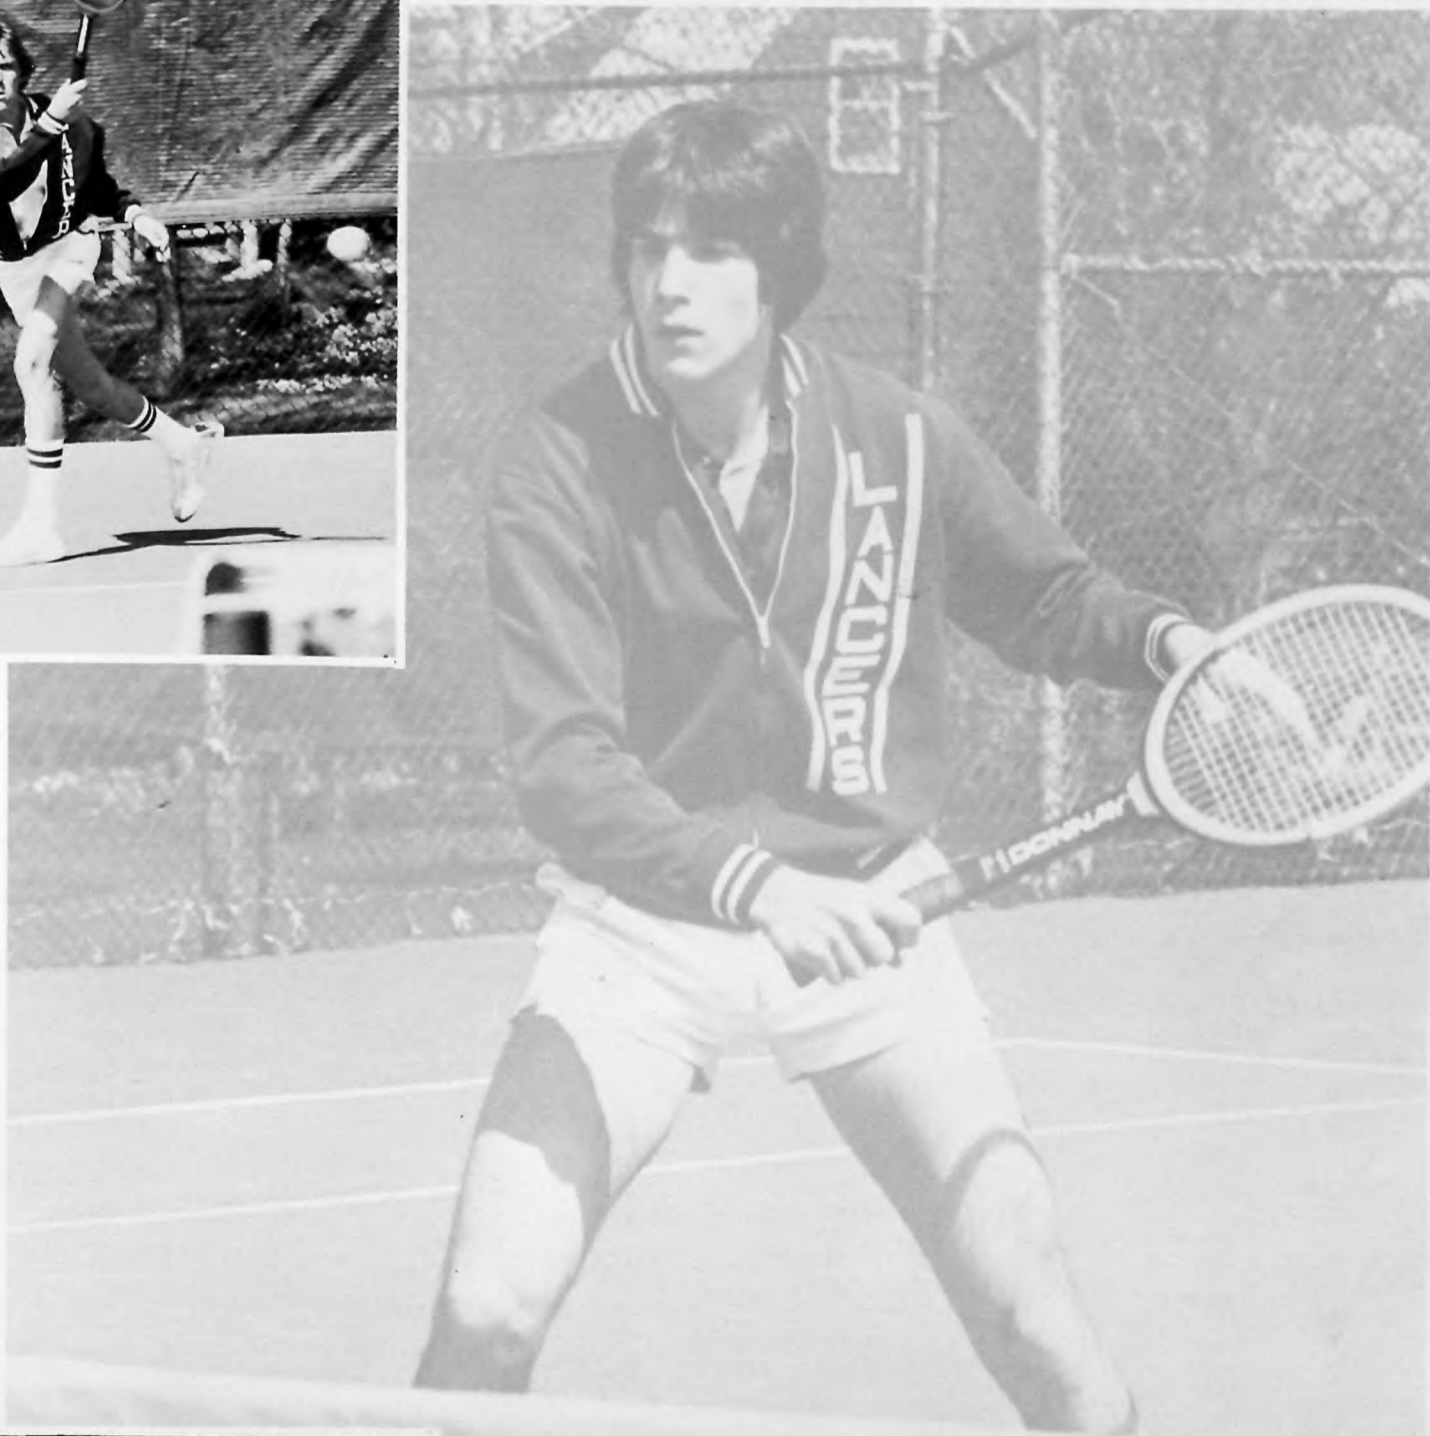

Senior Mike Simon should provide stiff competition for the Lancer opposition.

Coach Elliot Lovi gives valuable words of encouragement to senior Lee Olesky.

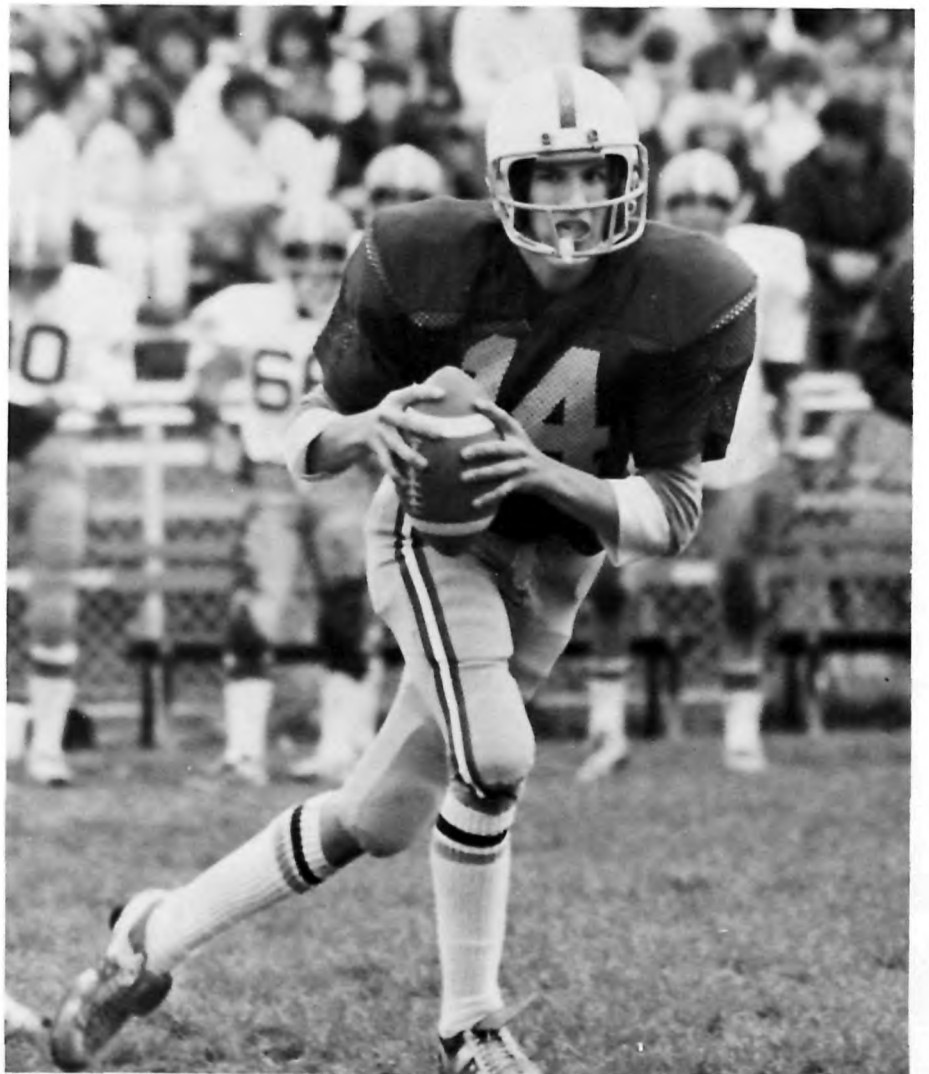

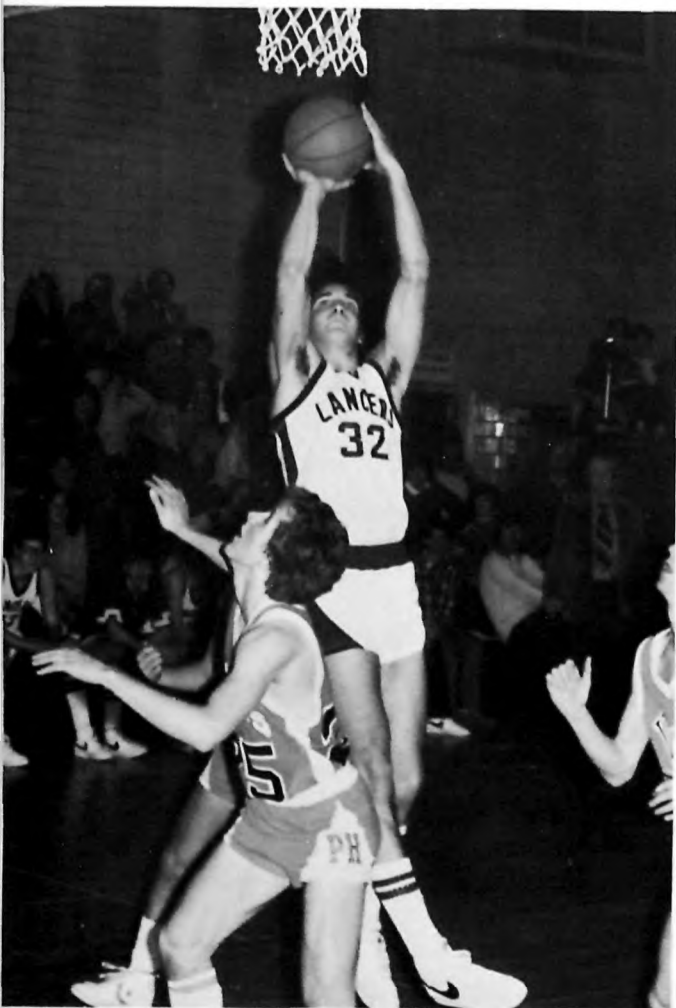

Hal Goldman, a strong doubles player, will prove instrumental in Lancer victories.

Experience and determination should result in another successful season for team leader Steve Aronson.

Singles star Andy Roettger will lead the Lancer netmen on to victory.

CLASS OF 1980

Senior Class Officers

Chris Christie President
Steven Litvak Vice President
Ricky Sules Secretary
Harry Kaisharis Treasurer
Mr. Don Schwartz Advisors
Mr. Paul Swenson

Prom Committee Chairpeople: Julie Potter, Amy Blum, Lynn Jalosky

As I look back on our three years together, I see how we've grown together as a class. We have faced many obstacles on the road to success in our high school years, but none have been large enough, if we pulled together, to stop us from being successful. Obviously, our class as a whole has achieved many things academically, athletically and socially. We've run successful class functions, we've been one of the top classes academically, and our sports teams have played everywhere from our own gym to the Meadowlands.

More importantly though, is a spirit that prevails through each member of the Class of 1980. We have faced many challenges- save Open Lunch, save Graduation, adjust to a new principal, and rebound after the setbacks that any class experiences. I hope that this spirit will always live on within each of you and that you may call on all the great memories whenever you wish. As a group of nearly 600, we will never be all together in the same room again; but as long as this spirit lives within us, we shall never really part.

Good luck and God bless,

Chris Christie

Advisor Mr. Robert Lampf

MESSAGE FROM THE PRESIDENT OF THE STUDENT COUNCIL

The class of 1980 . . . closing the 70's and opening a new dacade. The seventies are gone, and with them we too must leave. As we go on, our enthusiasm and action speaks louder than words policy will be permanently molded into the history of LHS. Together we have learned, loved, laughed, cried, fought, competed, and, perhaps most important shared friendships. Many memories are sculptured into our minds, but will anything be as unforgettable as the times spent with friends? Though we will never again be united as one, I hope that all of us will carry some of the vivacity that was always evident over the last three years. In everything we did, our compassion, maturity, intelligence, and emotional and physical strength blossomed for all to see. For the future, I wish all of you, the entire class of '80, much success in all your endeavors and, most of all, be happy.

Harlan Coben

MATH TUTORING

The Math Tutoring Club, under the leadership of President Suguru Imaeda and advisor Mrs. Teltser, meets on Wednesdays during the extended homeroom periods. The members of the club help students with their homework, review for SAT's, and prepare for any other upcoming tests.

THE MATH CLUB

The Math Club, now in its third year at LHS, has largely increased its membership since then. Meetings include activities such as calculator games, problem sessions and mathematical puzzles. Members of the Math Club are also involved in numerous math contests throughout the year.

FUTURE PHYSICIANS CLUB and HOSA

The two clubs involving Health Careers are The Future Physicians Club and the Health Occupations Students of America. These clubs are designed to make students aware of the various medical fields open to them. Guest speakers are frequently present at meetings for students to obtain information on the careers they are interested in. These two clubs provide interesting activities and significant research materials.

THE DEBATE TEAM

The Debate Team participates in interscholastic tournaments with neighboring schools. Members must present an effective case as well as attack an opponent's case; all debates revolve around this year's topic: "Resolved That the Federal Government should significantly change its foreign trade policies." In general, team members learn to disagree without being disagreeable.

SPANISH HONOR SOCIETY

The Livingston High School Spanish Honor Society is composed of students who distinguished themselves in the Spanish Language. This year the students had an exciting induction ceremony which included dancing, singing, a skit, and guitar music. The society is under the sponsorship of Mrs. Eva Gerson.

THE SPANISH CLUB

The members of the Spanish Club meet weekly under the supervision of Miss Conforti. President, Jeff Mitnick, along with his other officers, plan many Spanish-related events, such as a trip to the United Nations, bake sales, guest speakers, films, and dinner in New York.

GERMAN CLUB

The German Club, under the sponsorship of Mrs. Steinbach, got off to an enthusiastic start this past fall. Living up to its gustatory tradition, the club sponsored an Oktoberfest with hot pretzels, root beer, cider, and Beatles music (sung in German, of course!) Other activities included dinner at a German restaurant and also, participation in an exchange program. Two girls from Rösraath, West Germany, stayed in Livingston during the month of April, and the club made Barbara and Caroline feel right at home here at L.H.S. The senior co-presidents are Kristen Richardson and Marsha Sieber.

FRENCH CLUB

Le Circle Francais

The members of Le Circle Francais, under the leadership of Mrs. Hamlin and President, Veronica Risano; Vice-president, Jaime Wolf; Secretary, Mary Beth Walsh; and Treasurer, Cindy Kuo; try to improve their knowledge of the language in addition to planning different events concerning the French culture. They also have held a French dinner, bake sales, and have enjoyed French movies as parts of their program.

THE LANCE

The **Lance**, LHS's student newspaper continued to bring news and feature articles to the school this year. Some of the highlights of this year were the special literary issue and the ten year history celebrating the past decade, as well as the traditional April Fool's issue and the Senior issue. Co-Editors-in-Chief, Chuck Jaffe and Cindy Kuo; New Editor, Peggy Kuo; Feature Editor, Dan Schlein; Business Editor, David Garkawe; Sports Editor, Ken Wolfe; Typing Editor, Andrea Maitlin; Assistants, Dan Sher, Steve Schlein, Mark Eisenberg; Advisors, Mrs. Carleton Brairton and Mrs. Norma Katz for finances.

FUTURE BUSINESS LEADERS OF AMERICA

The Future Business Leaders of America began this year under the guidance of Mrs. Furst. The club accomplished a great deal as they were introduced into the field of business. Members enjoyed trips to the Federal Reserve Bank and Stock Exchanges. Guest speakers were present at many of the meetings. The officers of the club include President, Bruce March; Vice President in charge of membership, Marci Brickman; and Vice President in charge of business, Ron Chaiklin.

THE WORLD AFFAIRS CLUB

Members of the World Affairs Club participate weekly in a wide variety of interesting projects under the guidance of club advisor, Mrs. Lenore Freedman. The main focus of the club's activities revolves around Model Congress, where members serve as delegates in mock Senate and House sessions. the club has emerged as one of the most popular activities at LHS.

THE LEO CLUB

The Leo Club works in cooperation with the Lions Club to serve the community. The advisor, Mr. Shields, and the president, Lori Roth, lead the other members in their efforts to help the school and the town. Their main project his past year was helping the Boat People. Other Club Officers include Michael Jaret, Andrea Maitlin, and Linda Sable pictured above.

KEY CLUB

The Key Club, currently ranked third in the world, worked diligently this year to serve the community and school. With membership totaling one-hundred and sixty students-the largest number ever- the key clubbers were able to devote their efforts to new services, in addition to their regular weekly projects. In keeping with this year's international theme "Share Togetherness", the members shared a lot of their time with the elderly, the handicapped, and the youth of our community. Weekly, they played bingo with the patients of Inglemoor Nursing Home, and whenever Sr. Citizens' Luncheons were held in the high school, key clubbers served the food. The few times it did snow this winter, the club provided a shoveling service for the elderly. Working with retarded citizens at the Momouth Court Center on Saturday mornings was a new and successful project addition this year. The club assisted in numerous fundraisers for disease organizations such as Muscular Dystrophy Association and American Cancer Society. Key Club members provided a Leadership Development Program at the YMCA for junior high school students which focused on youth problems. Here at school, members helped their peers by math tutoring during extended homeroom periods. Other important projects this year included running the local bottle and paper drives, and ushering for the Adult School and student plays. The club staged a successful Halloween candy sale which provided the treasury with 3,000 dollars to use for annual expenses such as subsidizing members who attend the District Convention in April, and holding a banquet at the end of the year. All in all, the Key Club enjoyed another prosperous year due to the strong efforts of its dedicated members and industrious officers.

HIGH SCHOOL BOWL

H.S. Bowl-sponsored by Suburban Cablevision, High School Bowl '79 provided the perfect medium for all its members. Advisor Bernice Teltser coached the participants on facts both signal and esoteric. Members include: Jaime Wolfe, Rober Szytbel, Bruce Berlin, and Peggy Kuo.

DECA WEARHOUSE

The Deca Wearhouse worked successfully this year selling their delicious hot pretzels. Sales of shorts, gym clothes, T-shirts, books, notebook paper, and pens brought profit this year. Under the sponsorship of Mr. Lovi, there was the contest for the naming of the store, and "Deca Wearhouse" was chosen from many entrees. Student run, the "Wearhouse" has proved a popular store for students and faculty alike.

QUEEN OF SPRING/HEARTTHROB OF THE YEAR

Female faculty members flock to give Mr. John Mazzone their heartfelt good wishes.

Mr. Mazzone thanks Mrs. Brairton for his gifts and award.

Mr. Mahan congratulates Miss Robertson and presents her with her spring bouquet.

Since the faculty do not have any real club of their own, envy of student activities has given rise to two popular faculty events. Elected by the Industrial Arts Department, "The Queen of Spring" is crowned on the first day of spring every year; she epitomizes the spirit and atmosphere of the spring season and must be a good sport and have a good sense of humor. Not to be outdone, all of the women on the faculty elect their "Heartthrob of the Year" on Valentine's Day. The lucky recipient receives a bottle of pink champagne and a giant candy Kiss as well as the enthusiastic congratulations of the female faculty members.

Miss Robertson displays her crown and smile as the '80 queen.

HELLO DOLLY IN REHEARSAL

The Cast

Horace Vandergelder Bill Miller
Irene Molloy Laura Murray
Cornelius Hackl Jay Isherwood
Barnaby Tucker Brad Anthony
Minnie Fay Cathy Coone
Ambrose Kemper Wayne Neumann
Ernestina Money Lisa Amsterdam
Ermengarde Ann Judge

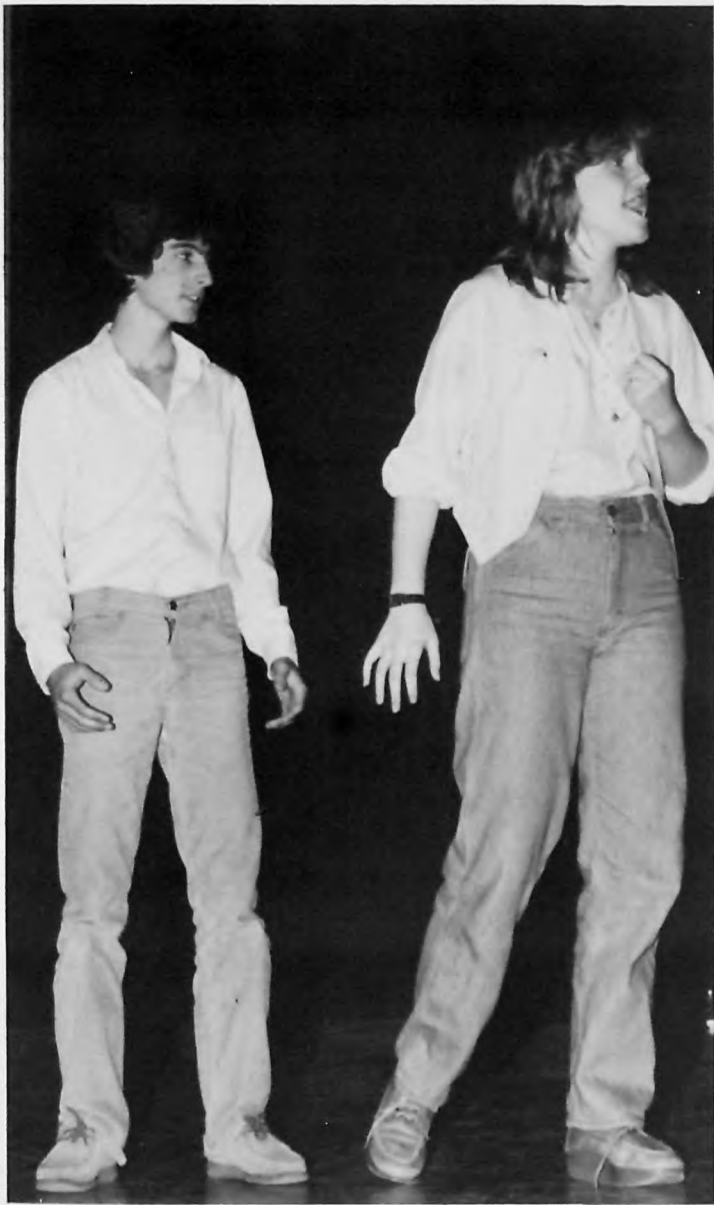

Horace Vandergelder is helplessly caught by Ernestina.

Cornelius and Barnaby discuss financial problems.

Dolly and Cornelius try a dance step under her direction.

Dolly sings her good-bye to a confused Horace.

A plea for the "elegance" of walking.

Dolly and Horace argue out their differences.

At the Harmonia Gardens, the women discuss the menu while the men discuss money.

GONG SHOW — GONGED

Gong show cancellation caused mixed reactions for MRCC band.

David Hodes is distressed by final gong.

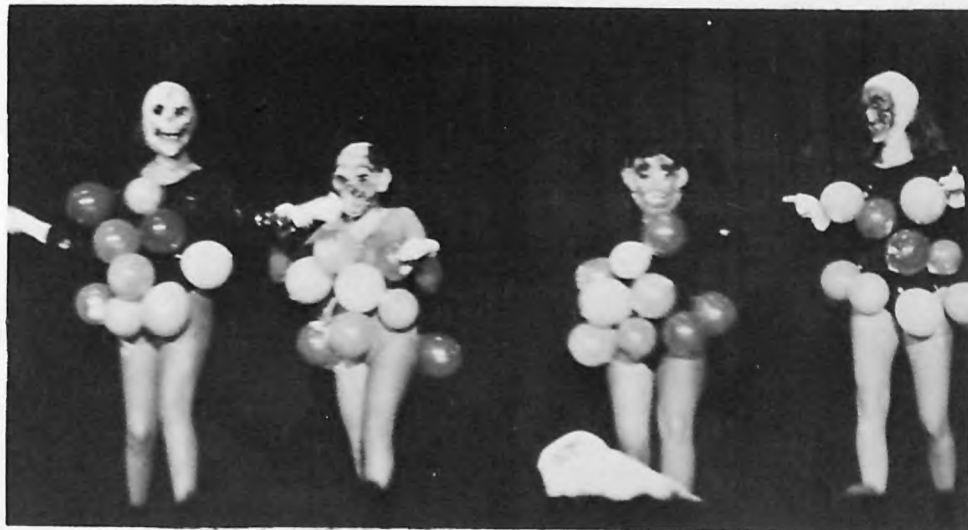

Harlan Coben and Doug Davis attempt to entertain the audience (unsuccessfully).

Vicky Paul - "Macho Man"

An unidentified administrator informs Ricky Sules that Gong Show has been terminated.

The ghosts of Gong Show past haunt Livingston.

Archie DiMartino and Rich Gould make the best of the eggs thrown by the audience

Beth "Blondie" Insabella brings Punk Rock to Livingston.

THE TALENT SHOW

Judson Legon plays lead guitar in his rock band.

Laura Murray sings sweetly to the audience.

Perry Robertozzi and Rick Marantz dueling on the harmonicas.

Valerie Valente and friends evoke memories of the sound of the famous Andrew Sisters.

Patricia Tuber plays the guitar and sings to the audience.

Bobby Nusbaum sings enthusiastically to everyone.

BROADCAST CREW

"And now your morning announcements." Those are the immortal words heard each day here at LHS from the broadcast crew. The broadcast crew is in charge of reading the daily announcements, playing songs before and after homeroom, and bringing you the extended homeroom radio shows. The staff is led by Mr. Lampf and consists of eight student members who include senior Mike Buglio, Wayne Neumann and Lori Robinson.

SENIOR BAND MEMBERS

1st row (left to right): Wayne Neumann, Lance Siegal (student director), Janice Scharf, Dore Rivkind, Janice Weiss. 2nd row: Jeff Pichat, Ron Leflein, Dan Cubert, Crystle Skoczek, Pennie Messarosh, Susan Lulewicz. 3rd row: Bruce Berlin, Harris Davidson, Noah Beerman, Rich Hirsch.

CHORUS

SOMETHIN' ELSE

Somethin' Else is an elite singing group which meets twice a week under the direction of Miss Jacqueline Washack. The president of the group is senior Marsha Sieber. The group performs at school and community concerts and recently travelled to New York City to sing in Times Square. The group consists of thirty-eight students who were selected at the beginning of the year by audition.

FENCING CLUB

Miss Jennings and President Mike McBride meet with members every Tuesday to learn new aspects of the game of fencing. Many students are active in fencing. Drills, new techniques and strategy are commonly taught in preparation for matches.

THE BRIDGE CLUB

The Bridge Club meets every Tuesday to play, to discuss, and to learn new techniques of the game of bridge. Under the leadership of advisor, Mrs. Gerson and president, Douglas Harte, enthusiastic members stage informal competitions as well as gain valuable "bridge" experience.

LIBRARY AIDES

Library Aides: Kenneth Horwitz, Lisa Kopinsky, Eric Hemmendinger, Suzanne Miller, Jeffery Eisenberg and Judy Byrd

Our library aides are very few,
So really have too much to do.

It's "Judy put the books away,
and Eric check the file.
Jeff, hurry up and pull those cards.
They're running all the while!"

"Lisa will you please help Sue,
To write for books way overdue.
And, just a moment, tell me Ken,
Did you forget attendance again?"

So, many thanks, for a job well done.
And remember us in years to come.

And a special thank-you to our part-time helper; Phyllis Banzhaf

LABORATORY ASSISTANTS

The Science Lab Assistants of 1979-1980 are aides to all portions of the Science department. Each department, such as Biology, Chemistry, Physics, and Physiology have their own labs. The assistants' jobs are to get labs ready for classes, and to assist the teacher in preparing the lab.

THE MASQUE MAKERS

During the school year, they provide all of the make-up for both the Junior-Senior play, and the spring musical. They learn and practice the art of stage make-up. The group of select girls adds a touch of professionalism to our theatrical productions, and are skilled in creating the illusion of a stage reality.

STUDENT-FACULTY BASKETBALL GAME

"Mongo" attempts to divert Mr. Paterson's concentration.

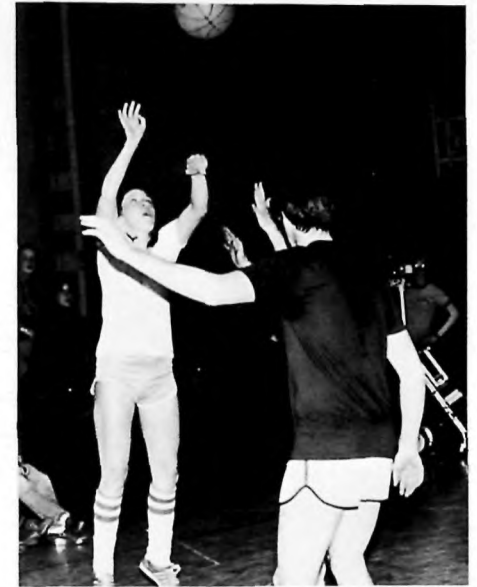

"Time out" as the referees call a meeting.

Jim "Oscar" Gamble has a chance to score.

Look at the scoreboard!

Patty O'Connor shoots for the students

Mr. Hildebrand dribbles down the court to score for the faculty.

Bill Giuliano and jr. high faculty member do the "bump" in mid-air.

Mr. Mahan goes for a lay-up shot.

FOREIGN LANGUAGE IN CAREERS NIGHTS

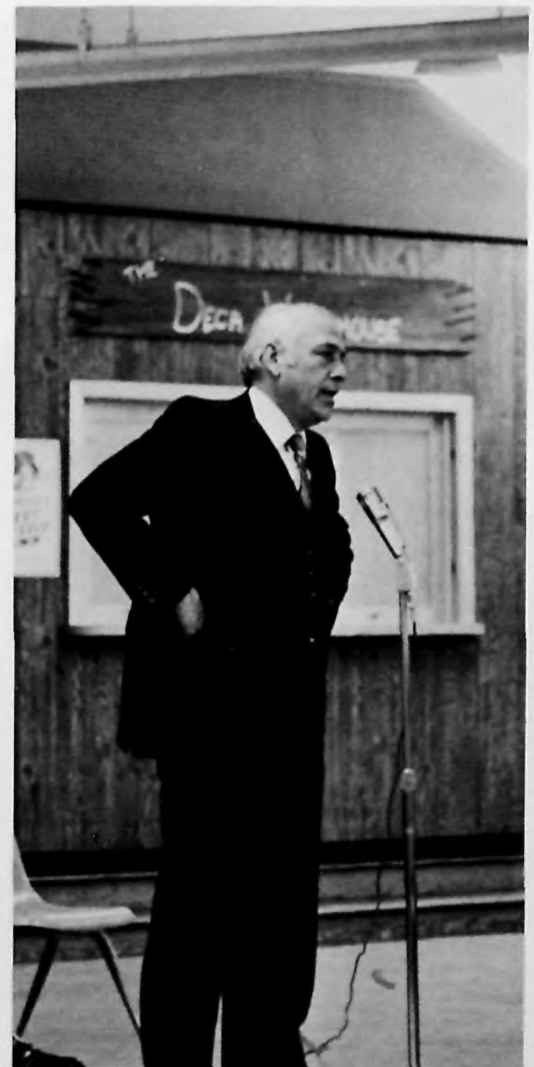

Miss Conforti and members of the Spanish club prepare for Foreign Language in Careers Night.

Mrs. Cunningham introduces a speaker.

One of the highlights of the Language Department's activities this year was the sponsoring of a Foreign Language in Careers Night. Speakers represented many businesses and industries and most held executive positions; each speaker discussed the role of a second language in his or her career experience. The "career night" drew an interested audience of about 250 and proved to be an informative success.

An executive addresses the audience on the role of a second language in his career.

THE FRISBEE CLUB

The Frisbee Club members or "saucer slingers" as they are sometimes called, are well into their spring practice session under the disciplined direction of Mrs. Eva Gerson. Head "slinger," Doug Harte, indicates that as president he expects to rally his club for the stiff competition from various free lance challengers who invade the school grounds. Members are currently practicing such different maneuvers as the "boomerang" and the "loop de loop."

Left to Right: Phil Weiss, Treasurer; Mrs. Gerson, Advisor; Ken Horwitz, Vice President; Doug Harte, President; Robert Szttybel, Recording Secretary; David Kirschner, Corresponding Secretary.

AMERICAN FIELD SERVICE

American Field Service is a non-profit organization which sponsors students to live abroad for a summer or for an entire year. The students have a unique opportunity to live in a new culture and become a member of their host family. The school club organizes parties, and weekends for the foreign students living with families in New Jersey. American Field Service promotes learning, understanding and love.

AFS SUMMER ABROAD STUDENTS

LARRY GERSON

TINA TERRACIANO

The summer of 1979 proved to be an exciting cultural experience for seniors Larry Gerson and Tina Terraciano who spent their summer's abroad due to the sponsorship of the Livingston Adult Chapter of AFS International. Larry resided in the Dominican Republic for the two month trip and Tina stayed in Mombasa, Kenya for the summer.

UNPHOTOGRAPHED CLUBS

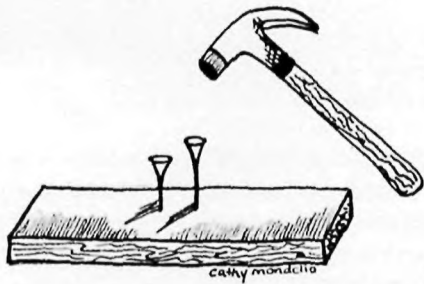

YOUTH FOR YOUTH

Many children who do not have any older brothers and sisters would benefit from having someone to talk to. The youth for Youth club provides these youngsters with an older "brother" or "sister", with whom they can confide with and be close to. The high school brother or sister accompanies his or her youngster to various activities planned by the club members. Some activities include arts and crafts, home economics, sports and parties.

VICA CLUB

The Vocational Arts Clubs of America, is a national organization for students involved in vocational training programs. The club stresses leadership and dignity in the "world of work." Mr. Gray is the advisor of this hard-working club which meets weekly.

THE STAGE CREW

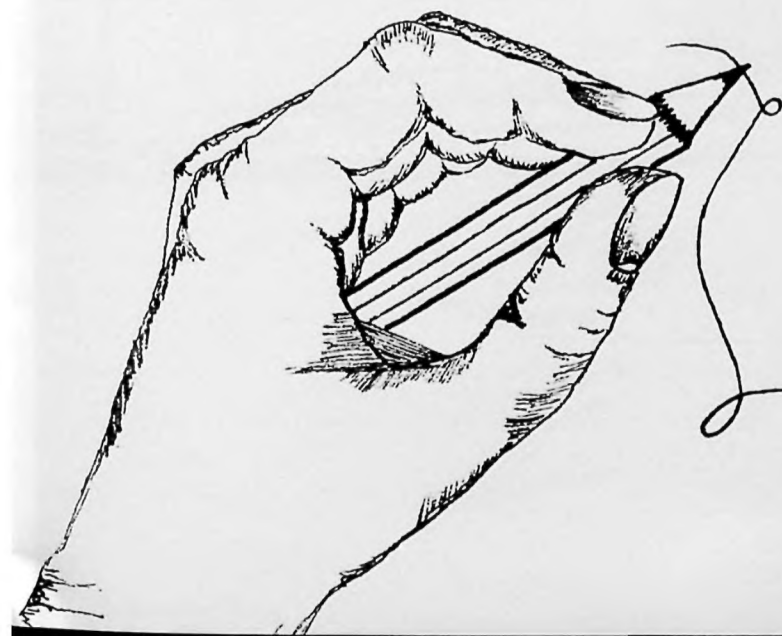

The Stage Crew, advised by Mr. Gorka, is responsible for creating the sets and scenery for each school production this year. They built the stage for "Prisoner on Second Avenue" as well as the school musical, "Hello Dolly."

WINTER RUNNING CLUB

The Winter Running Club, under the sponsorship of Mr. Lyons, or for those students who enjoy running and keeping fit. The club meets two or three days after school. The club teaches students the proper techniques in running.

Foster Wheeler Energy Corporation *We're Partners in Growth*

It has been more than 15 years since Foster Wheeler moved to Livingston. During this time both the company and its home community have grown. As part of Livingston's dynamic economy, Foster Wheeler employs 2300 people at its 25 acre world headquarters.

Growth is also the keyword for careers in the energy industry. Many Livingston High grads have found challenging and rewarding positions with Foster Wheeler in a variety of fields. Perhaps you too may find it exciting to work for a corporation dedicated to meeting the world's energy needs.

Foster Wheeler serves the energy industries around the globe. The organization designs, fabricates and constructs petroleum and chemical process plants as well as steam generating equipment for electric utilities, shipbuilders and industry. It maintains manufacturing plants in the United States, Canada and Great Britain; an engineering center in Houston, Texas, and affiliates and licensees in 17 countries.

FROM THE EDITORS

During the close of the seventies, our high school years, we have been paving the path to our future. This yearbook serves as a reminder of the friends and experiences we shared. Now, at the start of the eighties we are at the "Crossroads" of our lives; we have decisions to make which will effect our future success and happiness. I wish to each of the class of 1980 that you choose the path which suits you best, and perhaps our paths will cross once again.

Randi Hutter

As the first graduating class of a new decade, we look upon this year as a period of transition in our lives. While the '70's saw us as children beginning to grow and to learn more about ourselves, the '80's will witness us develop into mature individuals who will continue to strive for more knowledge. We must now leave those memories of our adolescence behind, and look to the future as adults. For those of us going on to college, we can expect new challenges and demands from our concentrated studies in the next few years. Others of us who begin working soon after graduation also will be faced with responsibilities in a new learning experience. But to the class of 1980 whatever you do in the future, may you be happy-

"This life is yours

Take the power to chose what you want to do, and do it well.

Take the power to control your own life, no one else can do it for you.

Take the power to make your life happy!"

As our senior year comes to a close, we have so much to look back upon and even more to look forward to. We will always remember our learning experiences at LHS, those which occurred in and out of the classroom. Crossroads 1980 is a composition of images which reflect our years at Livingston High School. As we, the Class of 1980, embark on a new decade, we bring with us the individuality to enrich our future lives.
