17% to **19%** "New" people move into town or reach listing age.

26% to **29%** More change their addresses or their jobs or some other vital fact that affects their listing.

(All that's left that's good)

Making a total of **59%** to **66%** of the People listed who have new information in some particular which can be surely found only in the **NEW DIRECTORY**

Note: These figures are from repeated checks in numerous cities and do not vary 5% in any one year.

"WHAT YOU SHOULD KNOW ABOUT YOUR CITY"

"The helpful kind of patriotism is the kind that grows out of a knowledge of one's town, of her growth, her people, her property, her government and her needs. This knowledge develops, first, an intelligent interest; then, a sympathy; then a reasonable affection; a wise and temperate jealousy for her good name and a wish that she may prosper and grow beautiful; and, finally, a desire to help her to become greater and finer, a bright and clean workshop and a home for the best of men and women."—John Cotton Dana.

Serving business...

and the business of living!

When you change from homburg to baseball cap, First National State stays right with you. We're as comfortable doing business with a home manager as with a general manager. What's more important, they both enjoy doing business with us. For over 150 years First National State Bank of New Jersey has been devoted to serving the fiscal needs of all kinds of Garden Staters.

We like the banking business. That's why you'll find our people so friendly. So willing to please. Come in and see for yourself. And you can wear any old hat you please.
