Hearings to be held soon on sewer system's fate

By David Thaler

ABERDEEN

Public hearing will be held within the next few months as part of a study to determine what should be done with the Municipal Utility Authority's sewerage system, David Knowles, executive director of the AMTA, said. The facilities plan review probably will be completed within a few months, Knowles said, but complications arise, it may not be finished for a year.

"Any points raised by the public will be included in the report," Knowles said. "We don't want any of the agencies involved in the study thinks one of their points is valid, it has to be investigated." The study will be conducted by the Inland Regional Sewerage Authority, which is the official planning agency for the area. Called a facilities plan review, the study will look at all the possible ways to do what you want to do with the town's sewage, Knowles said, and the study will begin looking at a few areas since it was held a few years ago.

"There are a number of questions about the system," Knowles said. "One of the points is whether it will have to be explored, and if it is, 'doing nothing.'"

Knowles added that the study would be completed as a "simple plan." One possibility to be explored, he said, is improving the sewage treatment to a point where it could be discharged into the Raritan Bay through the Boundary Outfall Authority. An alternative is pumping sewage into the NJ Transit train, from where it would be sent to the outfall Authority.

The Authority Outfall permits treated effluent into the ocean.

The report also could recommend sending the sewage to a treatment in Middlesex County for treatment, Knowles said.

"There will be hearings," he said. "We will be participating, and the township will be participating."
Latin students earn awards at Mater Dei

New Brunswick
Five Mater Dei High School Latin students recently won five medals and 33 certificates for their participation in the Bob Marley Latin Essay competition. The students who participated are Barbra O'Connor of Tales Park, Robert Carroll of South Brunswick, Alan Byrnes of Sayreville, John T. Guido of Allentown, and Matthew M. Monahan of Toms River. They will be honored at an upcoming ceremony at the school.

**Keyport sidewalk sale**

Keyport held its annual Sidewalk Sale last week. More than a dozen merchants participated in the event, and after work and school it was the most successful sidewalk sale in recent years. W. Front Street, the borough’s main thoroughfare, was closed to vehicular traffic during the one-day event. (Photo by Dave McGrath).

**Police seek robbery suspect who disappeared in woods**

HAZLET

Police are searching for a man who ran two sets of traffic lights early last week. A suspect was chased by both Keyport and Old Bridge police, and after being struck by a car in the Keyport Bridge parking lot, the suspect entered the Sheraton Inn on Newman Road and then the Holiday Inn in Hazlet. The suspect entered the Sheraton at 10:30 p.m. and the Holmdel Motor Inn, where police Queensland "skilled labor" in the event, and afterward said it was the most successful sidewalk sale in recent years. Youth raising funds for fireworks

Residents help sought for Labor Day display

By Judith Miller Freeman

MATAWAN — Bryan C. Booth, 16, and Joseph Mullaney, 22, both Matawan residents, have come up with a way to raise funds for a Labor Day fireworks show.

"I've been trying to raise the $2,000 for the fireworks from July 4th, and I'm still only a few hundred dollars away," Booth said. "If we don't have the money by Labor Day, the borough will have to cancel the display.

"But we're working hard to raise the money, and we're doing everything we can to get the word out," Booth added.

Mullaney, who runs a tire shop, said he is willing to help with the fundraiser.

"I'm doing what I can to help out," Mullaney said. "I'm willing to put in the time and effort to help raise the money."

Fluke, weakfish running strong along North Jersey coastline

By Wicky Cooper

Fluke and weakfish over the bottom again around the North Jersey top and form, almost on the tails of the bay, and about the same spots and plan class working the beaches and even from their own craft, as being a hull sitting fish.

The big news in the past week came from Capt. Jim Mozella who stopped his father's boat, the Alfa Tim, at the mouth of Highlands Creek. Capt. Jim, who formed a board and led police on a hunt for the Suspect, was able to capture the vehicle. The incident elicited a strong reaction from Mayor Bill Zavier.

Another Highlands boat, the Eleven B with Capt. Alas Zalenski at the wheel, also fluke trips during the morning hours, landing 15 to 20 weakfish during a two-week period. The boat is working the beaches along the shore and keeping up with the Suspect. The Eleven B is working the beaches around the shore and keeping up with the Suspect.

Dancing Dolls

dance studio, located in the 100-year-old building on Main Street in Keyport, which was recently converted to apartments by the C.S. Tarramann contractor, 409 Hillside Ave.

Celebrate the 100th anniversary of the C.S. Tarramann contractor and the opening of its new apartments on Main Street in Keyport with a special event on August 18, 1980. The event will include a dance performance by the Dancing Dolls dance studio, located in the historic building. The Dancing Dolls are an experienced and talented dance group that performs at various events and venues throughout the area.

The Dancing Dolls are a popular dance group with a reputation for quality performances and exceptional choreography. They have been performing for over a decade and have built a loyal following among fans of all ages. Their repertoire includes a variety of dance styles, from classic ballroom and swing to contemporary and hip-hop.

The Dancing Dolls are excited to be part of this special event and look forward to sharing their passion for dance with the local community. Join them in celebrating this milestone occasion and experience the magic of dance at its finest.

Contact Dancing Dolls for more information or to schedule a performance. Don't miss the chance to enjoy a night of fun and entertainment with the Dancing Dolls!
"Former high tar brands not missed," report MERIT smokers in latest survey.

**Taste Quest Ends**
Latest research provides solid evidence that MERIT is a satisfying long-term taste alternative to high tar cigarettes.

**Long-Term Satisfaction:** In the latest survey of former high tar smokers who have switched to MERIT, 9 out of 10 reported they continue to enjoy smoking, are glad they switched, and reported MERIT is the best tasting low tar they've ever tried.

**Smoker Tests Offer More Proof**

**Blind Taste Tests:** In tests where brand identity was concealed, a significant majority of smokers rated the taste of low tar MERIT as good as—or better than—leading high tar brands. Even cigarettes having twice the tar.

**Smoker Preference:**
Among the 95% of smokers stating a preference, the MERIT low tar/good taste combination was favored 3 to 1 over high tar leaders when tar levels were revealed.

MERIT is the proven alternative to high tar smoking. And you can taste it.
