MATAWAN, NEW JERSEY*

### ALMA MATER

Hail, Alma Mater, of thee we sing.  
Our lifted voices your praises ring.  
We'll cherish you and add to your  
fame;  
Always and ever we'll uphold your  
name.

Though other thoughts may change  
with the time,  
Duty to you is foremost in our minds.  
Down through the years winning  
honors anew,  
We'll all be loyal, Matawan, to you.

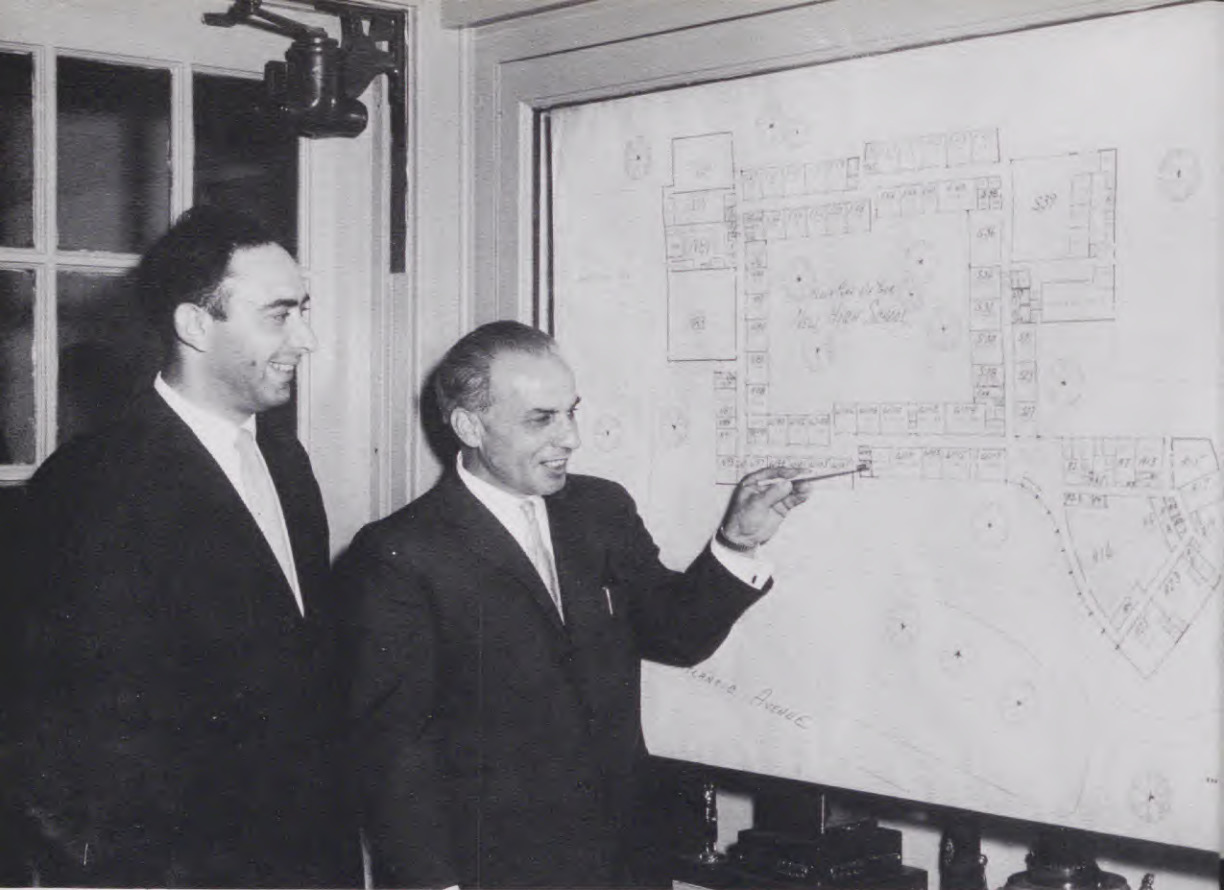

#### FOREWORD

The class of '63 gladly assumes the responsibility and privilege of being the first to graduate from this new school. It is hoped that posterity will find the pages of this edition of the PILLAR not only a reflection of the personality of this year's senior class, but also a record of the community enterprise which has made possible Matawan Regional High School.

# ADMINISTRATION, FRESH FROM BUILDING TASK,

Luther A. Foster, Superintendent of Schools

Mrs. Wenzel, Mrs. Bennett, & Mrs. Carothers

## TO THE CLASS OF 1963:

Oliver Wendell Holmes once said, "A child's education must begin at least a hundred years before he is born."

There can be little controversy over the effect of the past upon the present. The Matawan Regional High School, as it is in 1962-63, is not the creature of the moment. It is the carefully developed results of years of living, thinking and experiencing on the part of students, alumni, faculty and the community. Each of you in the class of 1963 has helped to make our high school grow strongly and vigorously, just as our high school has helped you to grow.

Matawan Regional High School is now irrevocably a part of you. It lives constantly in you, in your thoughts, in your actions, in your personal values, in your achievements. We are all proud to have you serve as the mirror of Matawan Regional's purposes and success.

But in similar fashion you are now a part of Matawan Regional, an institution with a past, a present and a future, all of which is part of the reflected image which you, as an alumnus, will project in the mirror of life.

People make the world, Matawan Regional's people are prepared to make it better.

Luther A. Foster  
Superintendent of Schools

# PLANS FOR MATAWAN REGIONAL HIGH'S FUTURE.

John V. Caracciolo, Principal

MATAWAN REGIONAL HIGH SCHOOL  
MATAWAN, NEW JERSEY

June 1963

To the Class of 1963, the first graduating class from the new Matawan Regional High School, I extend sincere congratulations.

Indeed, dramatic events will certainly unfold as you courageously strive for success amidst a thriving economy which offers you, the graduate, an abundance of opportunities.

As you take your place in adult life, always be yourself at your very best - develop your strengths, control your weaknesses - and constantly perform the task of self-conditioning to meet passing time and changing conditions. Accept life as a dynamic adventure. All the weapons you need are right inside of you. Appraise them, be of strong will, have a settled purpose, and with an invincible determination you can accomplish almost anything. Energize your character and remember: What a wonderful thing it is to be young and at the beginning.

Good luck and may God be with you.

# DEDICATION —

*In Memoriam*

F. Howard Lloyd, Sr.

We respectfully dedicate the 1963 *Pillar* to the F. Howard Lloyds with affectionate gratitude for their over three-quarters of a century of service largely dedicated to the youth of New Jersey.

Having taught since his graduation from Matawan High School 1897, Mr. Lloyd, Sr. held a Life Certificate to teach any subject, in any grade, in any school in New Jersey — at the time of his retirement in 1962. During this period, embracing over forty years, Mr. Lloyd, Sr. functioned variously as teacher, principal, and superintendent of schools in Middlesex and Monmouth Counties. In addition, he has contributed over twenty years of inspiring public service as a church organizer and pastor, lecturer, historian, editor, and school board president.

Carrying on in this tradition of service to his community, Mr. Lloyd, Jr. began his teaching career in 1947 at Matawan High School where he now serves with distinction as Chairman of the English Department. He graduated from Matawan High School in 1937 and from Rutgers University in 1947, his under-graduate college career having been interrupted as he served his country during World War II in the Canadian, African, and Italian Theaters of Operation.

# OUR JUNIOR

The big event of the year was the Junior Prom — the class of '63 held theirs on May 25, 1962 in the Cliffwood Cafetorium.

A month in advance of the prom the committees were busily creating decorations, and making arrangements for the band.

The prom theme was, "Shangri-La." Decorations were according to Chinese fashion, and included such displays as murals, and Chinese manikins.

The doors opened at 8:00 p.m. and sophisticated couples arrived to dance to the music of the New Brunswick High School Band.

Throughout the evening refreshments were served, by the Junior class.

At 10:00 the grand march of the seniors was held to select the King and Queen. After much deliberation, Lois Tuttle and Dan Sakowski were chosen King and Queen. Diana Tomosello, Sam Bowie, Mary Donovan, and William Keokowski attended as court members.

During this same ceremony Carol Sari was chosen as Princess and Parker Clapp was judged Prince, these Juniors being possible heirs apparent to the throne.

As our prom drew to a close, accompanied by the last strains of the band, we realized our Junior Prom had been a most memorable event.

After several years of fielding a championship basketball team, Matawan Regional High School entered the 1963 season with a team made up largely of inexperienced players.

In the words of Coach Bruce Mac Cutcheon, "This had to be a rebuilding year," which nevertheless did feature victory over our arch-rival, Keyport.

# HONOR SOCIETY

The National Honor Society was founded by the National Association of Secondary School Principals in 1921 in order to meet the demand for recognition of high school students who displayed outstanding qualities of scholarship, leadership, character, and service.

The Matawan Chapter of the National Honor Society received its charter in 1938 and has experienced a growth not even dreamed of then.

No other honor conferred by a school surpasses the recognition represented by this national group. The society looks upon the total product of the fundamental objectives for which schools are instituted.

The faculty honors those who most nearly attain the desired ends of education by selection of students for induction into the society who meet these criteria:

- (1) Must have achieved an average of 90% or more in high school studies.
- (2) Must render ready service to the school.

- (3) Must demonstrate qualities of leadership.
- (4) Must have character qualities beyond reproach.

Members of the Junior and Senior classes are eligible. A maximum of the seven (7) per cent of the Junior class and ten (10) per cent of the Senior class are inducted.

The Honor Society engages in school projects which include the following:

- (1) Cash scholarships are awarded to two members each year.
- (2) A fund raising dance is sponsored.
- (3) A tutoring project has been initiated this year with very successful results.
- (4) Recognition by the Honor Society is made to those who achieve the Honor Roll.
- (5) National Honor Society members are eligible for certain National Scholarships, which last year amounted to \$550,000.

"THE OLDEST BANK IN MONMOUTH COUNTY"

MATAWAN, N.J.

A TRIBUTE TO THE CLASS OF '63

The Farmers & Merchants National Bank, the oldest bank in Monmouth County, located in the heart of Matawan, takes this opportunity to salute the accomplishments of all the members of the Class of '63.

Our bank is old. It was established in 1830 and has been in continuous operation since that date. In spite of our age, we endeavor to maintain a youthful acceptance of new ideas and new operations. You can count on our bank to be with you in the years ahead.

# *BUILDING FOR TOMORROW*

Flanked by Vatican Guards, Pope John XXIII knelt in prayer in Saint Peter's Basilica opening first Roman Catholic Ecumenical Council since 1869.

Indian army mules packed supplies toward the Himalayan front in a futile attempt to halt Chinese invaders.

U.S. Military advisers trained Lao soldiers with the latest American equipment in their fight against Communist infiltration.

Doctor's strike in Saskatchewan, Canada, against a government medical care plan, left hospitals all but deserted without means of caring for patients.

West Berliners lined Spree River and waved toward East Berlin as part of demonstrations marking the first anniversary of the Berlin Wall.

Nuclear tests and test-ban talks continued. This 290-foot mound (foreground) rose from Nevada's desert floor three seconds after blast which left a 1200-foot crater. Buildings right of mound were about 10 feet high.

Live transoceanic TV began as American Telephone and Telegraph's Telstar relayed this image from U.S. to Europe over first privately-owned satellite.

Algerian women cast ballots in referendum which resulted in independence and an end to nearly 8 years of war.
