# Where it ALL BEGAN

Where It All Began .....

For the great winter concert performed by both the chorus and band, it began with hours of practice. For the athletic teams, symbolized by our beloved Husky, it began with hours of hard, sweat-drenched practices. Where it all began and where it all will end is different for all of us, but the steps in between all required hard work and endurance. And, like a part of our lives will end in June when a new part of our lives will begin

This year's Senior class, the Class of 1994, has been through a lot together. We have taken the SAT's, AT's, and other various tests together. WE have gone to two proms, many dances, and parties together. WE have not only gone to school together, but we have experienced some of the best years of our lives. We can only hope that our future will be as successful and rewarding as our times here in Matawan have been. To the Class of 1994, it all begins where it ends. Here's to memorable endings and wonderful beginnings!
