inside MRHS

For students, being inside

Matawan is like being inside

their own homes. There is a

feeling of comfort and

contentment that can only be

found between the walls of

good old MRHS. Whether

you find your good times

with friends in the hallways,

inside a class with your

favorite teacher, or in the

upper gym, advocating

Huskie Pride at a pep rally,

Matawan is a place of

enjoyment...

Taking a Closer LOOK

Matawan Says Goodbye to an "Old Friend."

Built in 1923, the old high school graduated its last class in 1962. Students moved into Matawan Regional High School, but the district kept the building until 1991 when they sold it to the borough. Due to unfortunate but extensive damage, the building was recently torn down. Alumni and former teachers reunited at their old alma mater to reminisce and say goodbye. To them, high school was a time when girls didn't wear jeans to school, the prom wasn't held at a fancy hotel, and the football season was marked by Friday pep rallies and bonfires. To them, this was "good old Matawan" and Matawan High was more than just a building- it was their memories.

PRIDE, SPIRIT, MATAWAN

Spirit week at Matawan creates memories that will last a lifetime. From Silly Olympics to Powder Puff Football, Huskie Pride was everywhere this year.

Ahh.. Spirit Week. There's nothing like it to make us remember what Matawan is all about. Silly Olympics were in full effect with the traditional events - pie eating contest, water balloon toss, obstacle course, three-legged race, and tug of war. And who could forget Powder Puff Football? Nothing like watching all those Matawan girls showing the boys that they can play too! Huskie football helped add to the excitement by beating Raritan 55-7 at the traditional homecoming game. Teachers also enjoyed tea at the Teacher's Tea, which was sponsored by Student Council. And, as usual, spirits were high at the annual homecoming dance. All in all, Spirit Week did its job - bringing Matawan students together and creating a sense of belonging.

Senior year is definitely filled with ups and downs, but I know I'll look back and know these were the best times of my life.

"Senioritis"

During senior year, many students find themselves with a new frustration - not only do most seniors feel ready to stop doing class- and homework, but many seniors also begin to feel the need to bust out of high school and begin working on their futures. Getting up each morning when the sun has yet to rise often causes feelings of dread. Thankfully, the class of 2001 seems to have shaken off the dreaded senioritis... but juniors - BEWARE. This disease is highly contagious and has been known to be passed on from one graduating class to the next!

Inside these walls...

... ties are created that will last a lifetime.

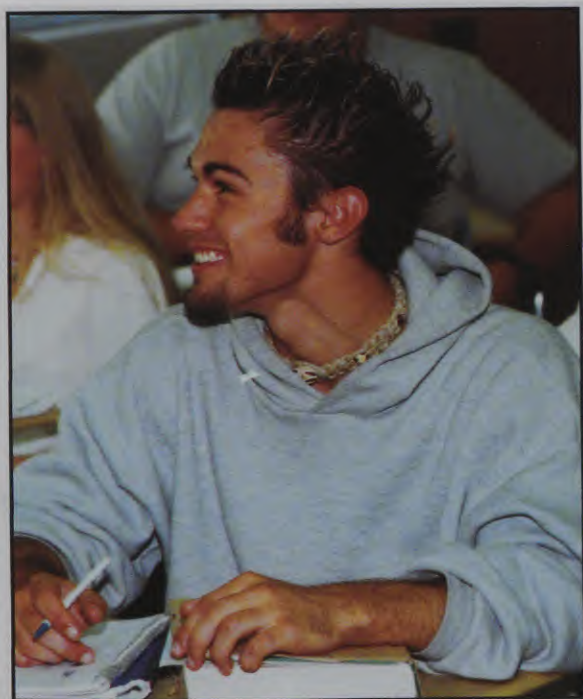

Go up to a wall. Seriously. Go up to it and ask, "What's fun at MRHS?" It won't answer you because walls can't talk. But, at Matawan, you could read the answers OFF the walls. Read such things as: "Don't have anything to do on Tuesday? Come to the Homecoming Dance" or "Come join Key Club - Meetings are held on Thursdays in B-5" or "You'll laugh. You'll cry. You'll laugh again. Come watch the Spring Musical" or "Run. Kick. Score. Come join soccer." While reading these signs, you may think of all the friends you could have made at these events. Or, you may think back to when you played a sport and you only had a couple of friends to join with you. But by the end of the season you had made over 20 new friends. Not only will you have achieved a good education inside these walls but also you will have made ties that will last a lifetime.

“Matawan
has
created
memories
that will
last a
lifetime.”

In Time...

Here's a quickie math problem: How much time do you spend at Matawan Regional High School each year? Got it yet? No? Alright, a few more seconds. Okay, give up?! 73,620 minutes! Now multiply that by 4 and get 294,480 minutes. From the first moment you walk through the doors of Matawan until you walk off the field wearing your cap and gown, you will have spent more than 294480 minutes at Matawan. Within that time, you will have made new friends, become reacquainted with old ones, shaken your bon-bon at dances, done some last-minute studying, eaten those delicious golden crisp french fries, and read this yearbook. For those underclassmen that have years to come, use your time at MRHS wisely because these are the BEST four years of your lives.

- ...A student says a full sentence in Spanish
- ...A student makes a new friend
- ...A cheeseburger is eaten in the cafeteria
- ...A student learns a lesson between classes that they could never have learned from a book.

Finally . . . it's over. It's senior year. And even though it seemed like the other day that we were all just little freshmen starting our first day of school, it's now time to move on. For some, it's off to college or work and others maybe time to take a year off. But either way, we all share something in common. The years we spent here at Matawan will forever be part of each and everyone of our lives. But now, as we prepare to go our separate ways, we can look back at all the times we shared; the joys, the tears, the good times and bad. Just think back to the beginning of this year when it first hit you that you were a senior and all the crazy stuff you went through this year. These were the best times of your life. ~Ashley Pruss, Editor-in-Chief 2001

what it is to be a
student at MRHS.

There are so many different facets of

Student Life that it is difficult to pinpoint one main activity to cover it all. Student life is comprised of student activities and functions. Students are some of the busiest people in the world, and we did our best to use this section to capture the true essence of being a student at Matawan Regional High School.

Fac-ul-ty

(fak`l te) n.: the complete teaching staff of a school.

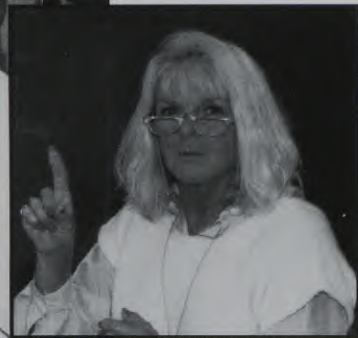

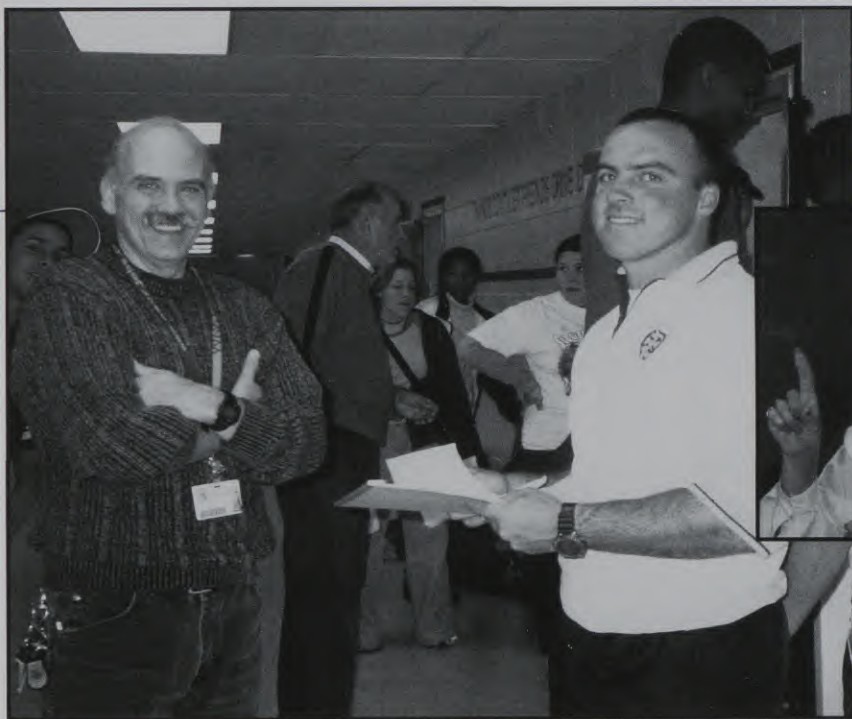

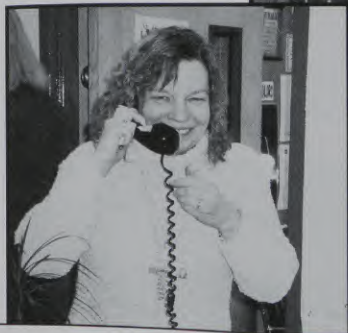

Faculty

The Faculty at Matawan Regional High School goes beyond that definition. Not only do they educate our minds but they also use their extra time to make MRHS an exciting place to be. Some coach us to become more skillful athletes. Some support and watch us as we receive countless awards. Some direct the shows and the concerts where we show off our amazing talents. And some advise our clubs. We would like to say one thing to these hardworking and dedicated individuals:

THANK YOU

~Debby Lau Faculty Editor 2001

“ A yearbook is more than printed pages, clever sayings, quotes, and photographs. It is a record of memories- the memories you hold individually and in common as students of Matawan Regional High School. It is the hope of the faculty and administration that those memories are pleasant ones; ones you will keep with you for the rest of your life. It is our hope that your days at Matawan Regional High School have been enjoyable as well as filled with learning and growth. The education you received will serve you well throughout your lives, and the memories within these pages will serve you well during those quiet moments when you turn back your thoughts to your days in the high school. ”

Sports

SPORTS

Team sports are more than just after school activities. They provide a sense of belonging, team spirit, and commitment. Belonging to a team has become one of the most important aspects of high school life. These teams can provide a second family, a home away from home. The bonds and friendships created throughout these four years will often last a life time. Team sports bring more than just competition and striving to do better, but life lesson which can be more valuable than ever imagined. These athletes and their dedication are nothing short of spectacular.

CLUBS

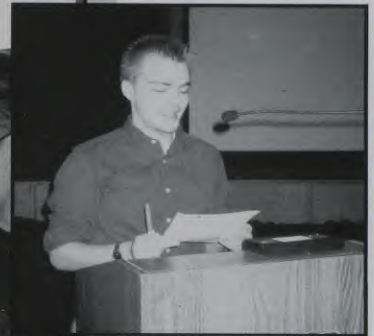

Every day when the bell rings at 2:14, students rush to their club meetings. From doing community services to winning competitions, many students are recognized for their achievements in their clubs. Each dedicated club member works very hard to accomplish their club's goals, and they are greatly appreciated. Not only do clubs establish new friendships - they also teach students leadership skills that they will need in the future.

"Life moves pretty

fast. If you don't

stop and look

around every once

Underclassmen

in a while, you

might miss it."

What is it like to be an underclassman at

Matawan? Being a freshman means wandering around

the halls looking for your class. By sophomore year,

you're thankful for not being the youngest in the school.

When it comes to Junior year, you can't wait for the year

to end and become the "top dawgs." Take a look where

you fit in at Matawan.

Pillar 2001 Editors

Heather Black and Ashley Pruss (Co-Editors-In-Chief)
Debbey Lau (Faculty, Underclass, and Clubs Editor)

As editors of the 2001 yearbook, we found from the beginning that we had a different task ahead of us than the editors of previous years, due to the shortage on our staff. We found, however, that those few that did offer their time were extremely helpful. Our first thank you goes out to all of the staff members: Annie Furmato, Danielle Febles, Jennifer Poe, Billy Green, Stacy Alfonso, Danielle Fajardo, Nupur Tripathi, and Neha Gupta. Our second thank you, without any second thoughts, would be to Mrs. Fajardo - our loving and sister-like advisor. She always brought some "sunshine" into the yearbook office.. well, or at least some sarcasm! We appreciate Mrs. Fajardo's ability to listen to our complaints and help us find solutions. THANK YOU!!! We would also like to thank Normandy Studios for all of their beautiful photos. Without them, the yearbook photos would be, well, fuzzy - to say the least. To Barbara Miller, our Josten's Representative, we would like to say thank you for all your hard work, and for putting up with all of our crazy ideas. We will never forget the look on your face when we told you what type of yearbook we wanted to create! Thank you to Mrs. Eovino for all her help with our research. To the students of Matawan Regional High School... Here is our "flip-flop" yearbook!!!

CROSSING...

"I hope you Dance"

~Lee Ann Womack

Dedicated to the Class of 2001

I hope you never lose your sense of wonder,
You get your fill to eat but always keep that hunger.
May you never take one single breath for granted,
God forbid love ever leave you empty-handed.

I hope you still feel small when you stand beside the ocean,
Whenever one door closes I hope one more opens.
Promise me that you'll give faith a fighting chance.
And when you get the choice to sit it out or dance,
I hope you dance.

I hope you never fear those mountains in the distance,
Never settle for the path of least resistance.
Living might mean taking chances,
But they're worth taking.
Loving might be a mistake,
But it's worth making.

I hope you still feel small when you stand beside the ocean,
Whenever one door closes I hope one more opens.
Promise me that you'll give faith a fighting chance.
And when you get the choice to sit it out or dance,
Dance...
