### Class of 2006,

As you graduate from MRHS, understand that you have been born again, only this time you are physically larger and have begun to aquire some of the tools you will need to survive in a competitive world. Completing the tool kit and learning to use it is a process that will occupy the rest of your life.

It will take a lot of effort, but it really isn't that difficult if you are willing to work at it, and if you learn to make the best of it. You leave us with the skills necessary to cope, compromise, make adjustments, and find satisfaction.

School has been a world of absolutes. Life is lived in shades of gray. What it teaches you is to do the best you can when you can. As you leave to begin the next phase of your lives, I urge you to help someone less fortunate, make a contribution to your community, focus on what matters, give everything that's worth it your best shot

Congratulations to each of you!

### In Loving Memory of

## Estri

### Michael Captain

1990 - 2005

You look down from the kingdom above, To which you flew, on the wings of a dove, And here we are, with everlasting love,

You're forever in our hearts.

With memories of you, in all our pasts, The laughs and the tears went by so fast, At least those memories will always last,

You're forever in our hearts.

So we let you go, with a heart so pure, Although for your loss, there is no cure, But at least we know you can always be sure,

-Cassandra Cohen

# The Golden Girls

\*One thing I have learned through my four years of high school as member of the yearbook staff, is yearbook is more than just a club, it's basically a sport. We aren't a staff, we work together as a team. In order to create an awesome book, you must be extremely dedicated and keep good sportsmanship and pride in your school. Even though yearbook isn't supposed to be physical, running around the school taking pictures, hunting down students for headshots, and meeting deadlines can be exhausting. The only thing sports have that we don't are uniforms.

\*Thank you to all the freshman and sophomores. We truly appreciate the folding and stuffing along with faculty, ADS, underclassmen and miscellanous pages. Stick with it next year! A BIG THANKS TO JOSTENS AND NORMANDY! Thank you so much Paige for your cooperation and understanding through this whole year. Nina and Amanda....Great job on Sports and everything else throughout the years. Your time and dedication is highly appreciated. The torch is passed on to you both. Good Luck next year at MRHS!

\*To the Golden Girls......Dana, Mal, Nikki and Tina. Yearbook was more than just a publication, it became our obsession. I couldn't have chosen a better group of girls to spend almost everyday after school with all four years of high school. Through all the deadlines, parties, and laughing so hard we couldn't breathe, we became more than just a club, we became a family. I love you!

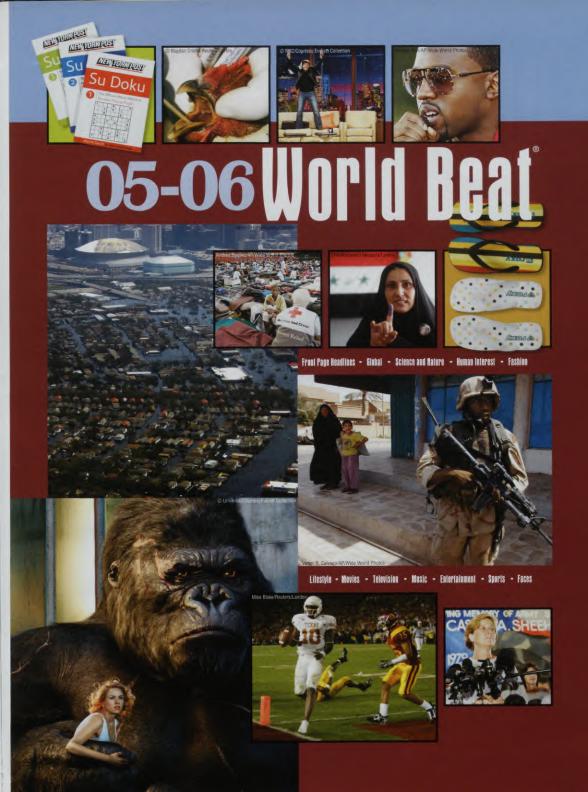

\*Finally, Fafa. Words cannot describe how much you mean to the whole staff. You are the reason why we stuck with it and you shed your dedication on us to create an awesome book. We love you Faf! You Gotta be kiddin' me!

\*And to all the students of MRHS. Each one of you provides a piece of this yearbook. I hope everytime you flip these pages you can appreciate all the memories you all have created.

\*As for me, being a member of yearbook has been a life changing experience. If I could go back in time and do it all over again, I would in a heart beat. The things I have learned and the bonds I have made will stay with me forever....

Thank you from the bottom of my heart,

"I love you.. I love you all... Class dismissed" -Mr. Feeny

## HURRICANES HIT HOME

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

### August

- 25 Hurricane Katrina strikes Florida.
- 28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.
- 29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breeched, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.
- 31 President Bush surveys the damage.

### September

- 30,000 National Guard troops are deployed.
   Gas prices spike to as high as \$5 per gallon.
- 2 President Bush visits Louisiana and signs a \$10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.
- 4 The New Orleans Superdome is evacuated.
- 6 President Bush and Congress pledge to investigate the flawed disaster response.
