1963

THE CLASS OF 1963
PRESENTS IN BLACK, WHITE
AND SHADES OF GREY

The background is a solid black field. Overlaid on this are several thick, white, straight lines that intersect to form a complex geometric pattern. These lines create a series of triangles and quadrilaterals of varying sizes. The lines appear to be part of a larger, possibly rectangular, frame that has been deconstructed or skewed. The overall effect is one of dynamic tension and geometric precision.

dedication

Miss Leis, Mrs. Switras, Mrs. Owsik

It is the responsibility of the office staff to serve the faculty and the students. This they do with a willingness and an altruistic spirit which inspire us all.

Although the office staff enjoys perhaps the least personal contact with the student, they assist him in every phase of his high school life. From the day you fill out your first schedule card to the day you receive your diploma, they are ever present in the background, guiding and aiding you.

For these reasons, and in grateful appreciation of their never failing interest and understanding we respectfully dedicate this yearbook to Miss Mildred Leis, Mrs. Virginia Owsik, and Mrs. Vera Switras.

The Editors

Eugene R. Biringier

I would like to take this opportunity to offer you my heartiest congratulations and sincerest wishes for the future. You are leaving many wonderful years behind, but stepping into a most exciting part of life. Though past years seem important now, it is the future that holds your place in life. Paraphrasing Louisa May Alcott, Let LIFE be your college; may you be graduated well and earn some honors.

To The Class of '63:

On this memorable occasion, I extend my sincerest congratulations and best wishes to the members of the graduating class. It is my fondest hope that the years spent at Metuchen High School will be valuable as you assume your roles in our complex society. You are now faced with the responsibility of insuring the continuation and preservation of our culture and way of life. This is not a simple task in our troubled world of today. Let industry, perseverance, moral fortitude, serious thought, and insight be the foundations of your contributions as you leave your imprints in the sands of time. My faith is in you. Good luck and God bless you.

superintendent

As you come to the close in this chapter of your life, it is my hope that during the time you have spent in the Metuchen Schools, whether it be a year or your entire academic career, you have developed a value system that will serve throughout your life. Your home and church in a very real way are the seed and root system from which the young tree has developed. The school is probably the greatest force in "bending the twig" and depending on how well we have done our job you will develop into the strong individuals — intellectual — spiritually and civically — upon whom the future of this society depends. If it moves forward with resolution and dedication we will have done our job well. If it falters and declines we will have failed despite any academic accomplishment we might boast.

I wish all of you a bright and successful future. From the rewarding association I have had with you during the last four years I am confident that you will do your share to carry our society on to even greater heights.

"You like the floral arrangement?" "My favorite—poison ivy."

"You, again! And with that darn camera!"

"Now, this next scene you'll see is one shot of me when I was four . . ."

"C'mon, we all know this one. Now, everyone, sing along."

"And so Pogo turns to the pig from the north and the goat from the south . . ."

The sprockets warple inversely as the root mean square of each gravimum!

"George, jot this down. Twenty-five on 'Gallant Duchess' to win in the fourth at Pimlico."

Definition—Parallelogram of force board:
"A circular stationary holder."

"Guess What! We're at war with Red China!"

"They say these pens can drill through a half inch of gritty wall-board. I wonder—with this desk"

"Behind every great man there is a woman." In this case she's in front of him.

"Looking now at a map of India"

"You play wonderfully. Now if we can only find someone to carry the horn for you!!"

boys' and girls' state

Boys' and Girls' State is an activity sponsored by the American Legion every summer at Rutgers University. The week-long experiment tries to teach the principles of democracy as it is practiced in the United States. During the week, elections are held on every level from the "national" to the "local". The delegates attend lectures and seminars on democracy and the Republican form of government while they are at Rutgers.

This year Bob Pederson, Fred Iobst, John Morrison, Cathy Brancale, and Ruth Brokonshire attended the conference as representatives of Metuchen High School. Early this year, in an assembly they addressed the school in a panel discussion and told us about the activities in which they participated. When asked as to the value of this program, they all unanimously agreed that the Boys' and Girls' State activities were a very worthwhile experience.

Coach Cassell briefs his dalers before the State Meet.

Prior to the start, encouragement is offered the MHS Squad by Holy Trinity High School (in the person of John O'Hale).

Cross Country—1962

During the 1962 fall athletic season, history was made by Coach John Cassell's Varsity dalers. Running a distance of forty-three miles in dual meet competition, the Cross Country squad, captained by Andy Modla '63, triumphed over fourteen high schools, to present Metuchen High School with its first undefeated Varsity team in the fifty-three years of the school's existence.

After his team closed the 1961 season as Group II State Champions, Coach Cassell had high hopes for the squad in the coming year. These were dimmed considerably when ace runner, Tom Muenger, moved to Ohio. Gone was the team's formidable one-two punch that had clicked all the previous year and captured the eight and ten spots in the State Championship. Left to fill the gap were two returning Varsity dalers, Jerry Konopka and Craig Conover, both Juniors.

Konopka was destined to win ten of the fourteen races held during the season. He was to place fourth in a field of over 250 runners at the Central Jersey Championship. Here, the team placed fifth, beaten only by St. Peter's, New Brunswick, Scotch Plains, and

Westfield, all powerful Group IV schools. At the Seton Hall Invitation Meet, Jerry ran seventh in a field comprised, again, of dalers from schools in all groups. Konopka concluded the season with a nine spot in the State Championship, in which the team reluctantly settled for a sixth place.

In addition to his unparalleled record of personal victories, Konopka set two course records; those at Roosevelt Park and at Blair Academy. He was unanimously selected by his teammates as the year's "Most Valuable" runner and, upon returning next year, Jerry will assume the position of Co-captain of the '63 Cross Country Squad.

The second man, and sparkplug for the team, was Craig Conover. Running at Konopka's heels, Conover turned in brilliant performances against St. Benedict's, and in the championship races. Returning next year, Craig, voted "Most Improved" runner, and also selected as Co-captain, will add his efforts to those of Konopka in piloting the team to what promises to be a highly successful season.

Just behind Craig, in third position, was Donn Surpless, one of the three Seniors on the comparatively young team. In his third year of Cross Country,

Donn worked with fellow Seniors Andy Modla, and Bob Pedersen in creating "depth" for the squad; or, in other words, assuring a powerful punch in the three- four- five ranks. In the meet against South River High School on October 23, Donn led the team to its second shutout of the season, and brought to eleven the number of first place finishes for Metuchen runners in dual meet competition.

Of great value in this team effort were Dan Lupfer, the Sophomore "youngster" of the squad, and Juniors Jim Crownover and Rick Beaver. Among these boys, a spirited inter-team competition arose, in which all worked to achieve one of the three remaining scoring positions.

The Freshman efforts were hindered by a numerically poor turnout, and Frosh harriers Ray Hooper, Greg Surpless, Dick D'Andrea, Joe Elliott, Ronald Weingart, and Dick Pernice had their hands full piecing together a 1-3 record. However, the future looks bright, for, in the words of Coach Cassell, "Things have to improve!"

Robert Thornberg assisted the team in the managerial department, and received a Varsity letter for his needed services.

One factor often overlooked, when a team such as this group has a successful season, is the degree to which their school stood behind them. This year, enthusiasm toward Cross Country as a school sport reached a peak, and at many home meets, a large number of faculty members and students were in attendance. The team wishes to express its deep thanks to all those who displayed such interest, for they feel their success was due, in a great part, to this backing. As one member of the squad so aptly phrased it, "The achievements of our team were merely reflections of the intense concern shown for us by the student body. We felt we owed them this undefeated season, and in every race we did our best to fulfill that debt."

Perhaps the highest point in the season occurred when the Bulldogs trounced a highly favored, haughty St. Benedict's team, on October 22 at Newark's Branch Brook Park. This was win number nine in the chain of fourteen, and marked the first time any team from Metuchen had defeated every prep school on its schedule. Then with the coveted defeat of Highland Park at the Warinanco course in Elizabeth on November 14, the long-awaited "Undefeated Season of '62" entered the annals of M.H.S. history.

Coach John Cassell—in his tenth year at MHS.

At the crack of the gun, 250 runners start from the line.

Fighting for position. That's Konopka in front.

In the Carteret game, George Conti, Jr., during an end run play, tries some fancy side-stepping in an effort to gain some yardage. That's Mike Smithson throwing a block (clip?) in front of George, while Mason Prickett (55 at far right) guards the flank.

Also at Carteret, Bob Nann (2) and Mike Piren (4) prepare to dump Carteret's Ed Manti (39).

Varsity Football 1962

The 1962 season was a disappointing one for the Bulldogs. The squad, with ten lettermen returning, was expected to improve on last year's 6-2-1 record. However, this was not to be the case . . .

Practice started in September, and shortly thereafter everyone on the team found out what the word "work" meant. Assistant Coach Karl Faeth's "maniac drill" proved to be a virtual impossibility. (Anyone who might have lived through it was a maniac.)

The season opened on September 22, when Metuchen met a highly trained North Hunterdon eleven. The Bulldogs made innumerable mistakes, and ended up on the short end of a 19-0 score.

The Conti-men finally came to life in their fourth tilt when they met Caldwell High School. Metuchen crushed the Indians 19-12. George Conti, Jr. led the attack with two touchdown runs of 61 and 9 yards.

One of the biggest upsets in Middlesex County during the '62 season was the Bulldogs' victory over a highly favored Sayreville team. A third period touchdown was the only score of the game. However, the greatest moment came with a fourth period goal line stand, that typified the courage and tenacity of the Bulldog Club. The Bombers, with a mere foot to travel to paydirt and a tie ball game, were held for four straight downs. Spearheading this stand were Marv Heavens, Bill "Governor" Watson, Mike Smith, Scott Cowen, Mike Piren, and Woody Johnson. This was undoubtedly "our finest hour."

The traditional Turkey Day skirmish with the Owls of Highland Park was postponed until the following Saturday. The delay seemed to hurt the Bulldogs, who were spirited over their previous victory over Sayreville, and, as it turned out, they had to swallow their pride and take a 19-0 defeat.

Metuchen High will be looking for a vastly improved season in 1963: the '62 season saw great strides taken by many Sophomores and Juniors on the J.V. team.

Quite often it is said that a team that loses is building character. We can hardly rationalize our poor season in this manner. However, it will be a long time before the students, townspeople, or coaches forget the team that worked so hard and so long, and still suffered so many setbacks.

Metuchen vs. Highland Park 1962

At New Brunswick's Municipal Stadium, Metuchen squared off against Highland Park in the traditional Turkey Day game. Luck was not with the Bulldogs, as the 19-0 score favored the Owls.

In this sequence, George Conti, Jr., on an off-tackle play, bulls his way through the Highland Park defense for a few yards. Throwing blocks for George are Bill Watson (directly behind ball-carrier), Mickey Smithson (30), Dick Rhoades (18), and John Abry (32).

That's Bill Watson (6) and Dick Rhoades (18) moving in on Highland Park's J. Pancza (31).

Jack Williams (3) puts the finishing touch on a successful tackle.

Varsity Basketball 1962-63

Although lacking in one of the essential elements of basketball, height, the Bulldogs were not lacking in a more important factor, team spirit. With this spirit and all around teamwork, the Varsity team was able to win six out of twenty games. The wins came over South Brunswick (twice), Dunellen (twice), North Plainfield, and Carteret.

The first win over South Brunswick picked the Bulldogs' spirit up because they were very conscious of their height problem. Following came two losses which were made up for when the Bulldogs beat the undefeated Dunellen team, 63-61. Paul Izenberg and Jim Cooper, two Seniors on the team, scored 22 and 17 points, respectively, to push the Bulldogs on to victory.

The next victory came after a three game losing streak. With a 1 and 1 situation in the last few seconds of the game, Cooper came through and sank both to win the game, 56-54. After this win came another close victory over Dunellen, 50-47. In this game Paul Izenberg scored 16 points, but the game was clinched at the end by a driving layup at the hands of Jim Cooper. This game was followed by the fifth win of the season, a 73-28 victory over South Brunswick.

Then came a five game losing streak. It has been said that height was the foremost problem during these games. The biggest man on the Varsity team was Mason Prickett (6'3") followed by Ed Walsh (6'2"), Paul Izenberg (6'0"), and Doc Dunnion (6'0"). Most other teams had one or two players with a height

of 6'5" or better. The final win came over Carteret and was a real heartstopper. The final score was 49-48 and was won by a long jump shot by Bob Nann thrown in the last 30 seconds of the game.

The team had ten members through most of the season, three Seniors and seven Juniors. The Seniors were Jim Cooper, Paul Izenberg, and Tom Graham. The Juniors on the squad were Bob Nann, Mike "Doc" Dunnion, Mason Prickett, Ed Walsh, Joel Birnbaum, Tom Miklosey, and Curtis Brink. Several games were missed by Miklosey because of a badly sprained ankle. Also Paul Izenberg missed three games because of illness. The scoring for the season was led by Jim Cooper and Paul Izenberg. Cooper, a two year veteran of varsity ball when he started this season, ended up with a total of 223 points scored, for an average of 11.8 and possible county honors for his shooting and ball handling. Izenberg ended his first year on the varsity team with a total of 231 points scored, for a season average of 13.8 points.

This year the team had the honor of playing in the State Tournament. The first team they were scheduled to play was Highland Park, and for a third depressing time the team lost to their arch rivals.

Coach Blindow did a fine job in helping the team overcome their height problem. In fact, the team did an excellent job in rebounding in all the games. Even though the season was not loaded with physical victories, there was much moral satisfaction as the boys of the Metuchen '62-'63 Varsity Basketball team realized that every game was fought with as much spirit and enthusiasm as possible.

That crowd under the boards doesn't make shooting or rebounding easy.

That's Izenberg dribbling while his teammates move into position.

Mike Dunnion (45) jump-shoots from the side.

Jim Cooper (30) attempts a drive.

Paul Izenberg (55) lofts the ball high over the outstretched arms of his defenders.

Mason Prickett (51) tries one the hard way.

Junior Varsity Basketball 1962-63

The Junior Varsity Basketball team, coached by Mr. James McDonnell, came through the season with a very impressive record: 12 wins and 6 losses. The victories were scored over Dunellen, South Brunswick, Carteret, Sayreville, St. Mary's (Perth Amboy) (twice), and Highland Park (twice), to mention just a few.

Freshman Basketball 1962-63

Coach Robert Dennison worked arduously with his Frosh cagers, but for lack of height, the team struggled through a 5 and 13 season. Those schools who fell to the "Mighty Mites in Blue and White" were Dunellen, South Brunswick, Sayreville, Carteret, and St. Mary's (Perth Amboy).

Indoor Track 1962-63

Coach John Cassell's Indoor Track team brought home bold, silver, and bronze medals this year in spite of the squad's relatively small size. A mile relay team composed of Jim Wells, Ken McClaine, Glen Oxtan, and Jack Williams captured first place at the Cardinal Hayes Games in New York in December. On February 9, a mile relay team of Oxtan, Williams, Wells, and Turner traveled to the Inquirer Games in Philadelphia. The quartet returned to Newark on time the next day to run in the state championships. They won third place in Philadelphia, and second place in New Jersey in spite of bad falls in both races by Jim "Fells" Wells. Closing the season at Madison Square Garden's IC4A meet, a team of Rhoades, Wells, Oxtan, and Turner burned the boards with a 3:38 clocking.

At the Middlesex County Championships in Lawrenceville, Glen Oxtan won sixth place in the 880, and Jack Williams and Jim Wells placed sixth and seventh respectively in the 440.

In the first dual meet, the Bulldogs were overpowered by a Blair Academy team with much depth. Later, however, the planksters handily defeated Lawrenceville and Madison, the latter by a score of 38 to 12.

During the season the team members developed a friendliness and respect toward one another which led to a high morale. In experiencing both wins and losses, the team learned a great deal. We extend our thanks and congratulations to Mr. Cassell, whose invaluable coaching made this year's Indoor Track season a highly successful one.

MHS Wrestling 1962-63

The Winter Sports Season of '62-'63 saw new innovations made in the athletic curriculum when wrestling, as a J.V. sport, was introduced at Metuchen High School. Under the leadership of Coach Karl Faeth, the MHS grapplers attracted considerable amounts of school interest and, as a result, wrestling promises to develop into a major sport at Metuchen.

A rookie club of any kind always faces a formidable first season, and our wrestling team proved to be no exception. In spite of the fact that it was a Junior Varsity team, this squad was obliged to wrestle experienced Varsity Clubs in the course of its season. Although no victories were recorded, a close examination of the scores indicates the team's steady improvement.

The first meet against Madison High School proved disastrous, with the score 48-5 in favor of Madison. Tony Arcuri ('66) and Bob Bilgrave ('64) were the only men in Blue and White to score.

The South Brunswick match turned out much the same. The lopsided score, 43-8, favored the Vikings. Lee Behrens ('65) and Bob Bilgrave tallied for the Bulldogs.

Next, the Middlesex County Novice Tournament was held in Metuchen's gymnasium. To be a novice, a wrestler must have no more than two years experience; thus Coach Faeth was able to enter his entire team. Only two boys from Metuchen, however, reached the semi-finals; Tony Arcuri and Jack Weingarten ('66).

At South River, the Bulldogs dropped their third dual meet, 43-11, with Dick Crane ('66), Bill Erickson ('65), and Bob Bilgrave scoring for Metuchen. This last defeat was somewhat of a turning point for, in the meets that followed, the final scores were mere points apart.

On home ground against Carteret, the MHS grapplers lost 31-21. Dick Crane, Richard Pernice ('66),

Tony Arcuri, Jack Weingarten, and Fred Weinberg ('65) contributed to Metuchen's highest score thus far.

Again at home, and again facing the South Brunswick squad that had defeated the bulldogs 48-5 earlier in the season, Coach Faeth's men showed their true worth in a heatedly contested match that went right up to the wire. Metuchen lost, but by a mere five points, 28-23. Statistically speaking, this meet realized a 500% improvement over the previous score against the Vikings. In addition to former scorers Dick Crane, Dick Pernice, Tony Arcuri, and Jack Weingarten—Fred Weinberg and Doug Fortunato ('64) chalked up victories over their opponents.

The final dual meet was lost to St. Mary's High School, Perth Amboy, by the slight margin, 27-21. In this meet Dick Crane, Tony Arcuri, Jack Weingarten, Doug Fortunato, and Mike Zudzina ('65) won their individual contests. At the close of the season, Tony Arcuri was voted "Most Valuable" wrestler by his teammates.

Commenting on his first season, Coach Faeth remarked that he was pleased with his squad's spirit and loyalty, and promised big things for the future, especially in the lighter weight classes (98-148 lbs.). The fact that this year's team was an extremely young one—most were Freshmen or Sophomores—may prove to be an important fact in the club's future success.

When asked as to the value of a high school wrestling program, Mr. Faeth replied that this sport, "in particular, requires great physical sacrifices and efforts on the part of its competitors and, consequently, wrestling is a great physical conditioner."

Next year, with 12 Varsity meets and two tournaments already scheduled, the need for two teams, Varsity and J.V., has been made apparent. Mr. Rees, who refereed matches this season, is slated to take the helm of the Junior Varsity squad.

Match is started in "referee's position" with Metuchen's Tony Arcuri (chosen "Most Valuable Wrestler") in bottom position.

Tony succeeds in reversing his man, and scores some points in the process.

Lee Behrens attempts to spin out of his opponent's grasp.

Bob Bilgrave, wrestling in the heavyweight division, is pitted against a Viking from South Brunswick.

Outdoor Track

Although practice has just begun, with the return of twelve lettermen and an additional forty-five newcomers, the Outdoor Track team is looking forward to an outstanding season. This year's schedule, larger than ever, will give everyone a chance to compete. For the large meets, Coach John Cassell hopes to form three relay teams—a mile relay, a two mile, and a distance medley team. The large turnout for Coach James McDonnell's field team, coupled with the consistently strong running attack of Cassell's Cindermen, promises to pose a serious threat to the success of opposing clubs.

The team will be led by Co-captains Bob Pedersen and John Turner. Turner, who is looking forward to shattering the school record for the quarter-mile run, will appear with teammates Neil Wells and Jim Cooper in the mile relay team. Dick Rhoads, a sophomore, will compete in the sprints, while Glen Oxtan, Andrew Modla, Gerry Konopka, Craig Conover, and James Crownover will work the mile and half-mile runs.

In the field events, Co-captain Pedersen, intent upon breaking the schools pole vaulting record, figures as one of the team's strongest point contributors and, aided by John Abry, Dave Olsen, and Jim Demarest, all members of the weight team, Bob will furnish a further deterrent to defeat. John Schimrak and Ray Osterle will handle the high and low hurdles for Metuchen, and Ken McClain will be featured in the jumping events.

In the past, Coach John Cassell has piloted Metuchen's Cindermen to impressive victories at the Middlesex County, Bridgeton, and Penn relays. With a great number of his athletes veterans of seasons past, Mr. Cassell's competency as a trainer, matched with the team's extensive track experience, will undoubtedly produce another season to which Metuchen High School can look with pride.

Glen Oxtan (left) and John Turner (middle) practice hand-offs, while James Wells awaits his turn to run. All three boys figure as promising members of coach Cassell's mile relay team.

Under the leadership of coach George Hartland, the 1963 Varsity Baseball team promises to provide Metuchen High School with an impressive record. Last year's squad hammered out a .500 season, and coach Hartland feels that the present club has the potential to improve on this mark.

To assist in this endeavor, several Varsity lettermen will be returning to the ranks. Henry "Skip" Coglianese will work the mound as the Bulldogs pitching ace, and Bill Watson will round out the M.H.S. battery in the catching department. Bob Nann and Ron Benner, also Varsity men, will be aided by Kevin Adams, Bob Belluscio, Tom Miklosey, and Ron Edgerton in an effort to cover the infield. The only certainty in the outfield is Mike Rubarsky. Coach Hartland states that those positions still remaining will be highly

contested for, and, consequently, the competition for the "first team" honors will be sharp.

At this point, before the season has started, it is difficult to speculate as to the relative success of the Freshman and Junior Varsity team efforts, but Frosh coach George Conti and J.V. coach Robert Dennison are optimistic. The importance of these two teams cannot be over-emphasized, for the continued success of future Varsity Baseball teams depends solely upon the training and instruction received in these lower ranks.

Needless to say, whatever the outcome of the '63 season, all coaches agree that team spirit and morale will be at its highest at all times. The entire Athletic Department urges the student body to reciprocate by regularly attending all home games and enthusiastically supporting the squad.
