COACH FRANK ANTONELLI

COACH STEVEN ZISS

Metuchen's gridders finished with a 4 and 5 record for the '67 season. Led by Coach George Conti, Metuchen opened the season at Roselle Park with a victory over the Panthers. Mike Klansky played a fine game but was injured late in the second half (see Roselle Park article).

Metuchen travelled to Rumson-Fair Haven the next week where they incurred their first defeat under the skillful playing of Rumson.

Homecoming followed with its colorful floats, blue and white trimmings and Queen Joan Fitzpatrick. Metuchen played an explosive first half and retired at half time with a 20 point lead. In the second half, however, Carteret showed unusual power, bouncing back to win 35 to 27.

Next, Metuchen played Bridgewater East at home and took a decisive victory over the young Bridgewater team, 27 to 7.

Clifford Scott faired better than Metuchen in a home encounter. After taking an early lead, Clifford Scott never lost its position. The final score, 26 to 33.

Returning the next week, Metuchen defeated South River with fine playing by Mike Klansky and Ray Bisogno, who kicked the decisive field goal.

Playing home the following week, Metuchen acquired a quick lead from Roselle. Maintaining this position throughout the game, the Bulldogs won 32 to 13.

Careless offensive play on the part of the Bulldogs produced a Viking victory over Metuchen 6 to 9 after a field goal late in the fourth period.

It was here! The day that we had been preparing, hoping, and sweating for had finally arrived. This was the first football game of our senior year, the year that had to be a winning one for the Bulldogs.

The day was bright, brisk, and clear. Perfect football weather! I had my steak and juice, coach's orders, and ventured to receive final instructions before clashing with the Panthers of Roselle Park.

The turnout was tremendous; everybody was at the game psyched up for a win.

When the opening whistle blew, my heart felt as though it had leaped through my jersey; we were on our way.

Two punt returns, a fumble recovery, and three touchdowns put the jubilant Bulldogs ahead and we were in the last few minutes of the fourth quarter when it happened.

I went on a down and out pattern to the sideline and was tackled from my blind side. A searing pain stabbed at my knee and I went down in a heap. As I was helped from the field I was sure it was just a sprain and next Saturday's game would find me back in the starting line-up.

A night of pain and a trip to J.F.K. hospital proved my injury to be more than a sprain. I was on my back for a week and off the field for four.

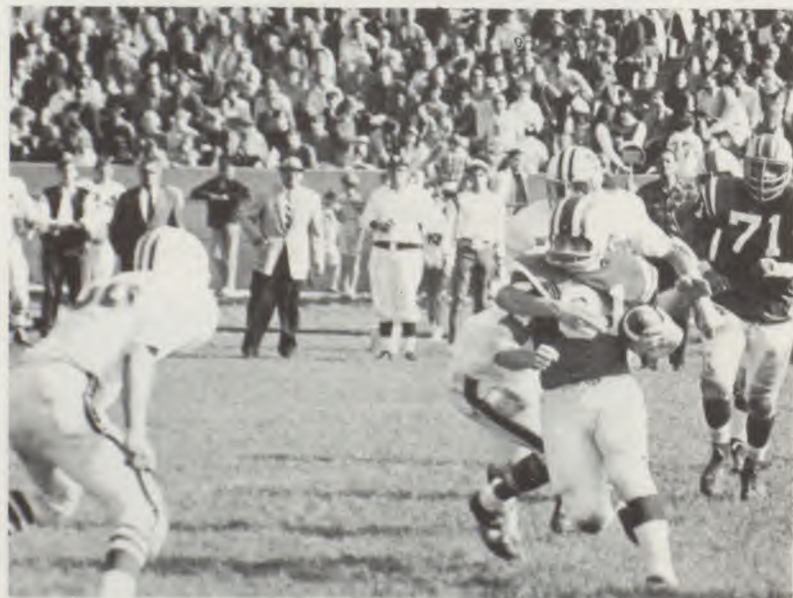

When the doctor said, "You can't play," he might as well have said don't breathe; that's the way I felt about it.

I had a lot of time to think while I was in the hospital. I cried a little, but I prayed more.

From the nurse who made me smile when I was admitted through classmates, teachers, coaches, friends, and even strangers in the hospital, who stopped by with a cherry word up to our principal, I found the warm and true meaning of what someone's caring means. And suddenly I remembered something someone told me, "You feel sorry for the man who has no shoes, until you meet the man who has no feet."

Well, I got my legs back and owe the use of them to everyone who sent a card or said a prayer or wished me well.

# Homecoming

A game against Highland Park is not just a contest—it is a tradition. For the senior member of the squad, it is his most important game because this is his last chance to be a genuine part of the spirit and color which accompany a Thanksgiving meeting.

This year was unique in two ways: Highland Park was the only roadblock between the Bulldogs and a winning season and only Metuchen could prevent Highland Park from the completion of its first winning season since 1964.

The game began as a hard-hitting battle with neither team making significant progress. Lightning struck when the Park's Eddie Stephenson ran back a punt for a touchdown. Just as surprising was the sixty yard touchdown pass from Wayne LaCoe to Frank Rome. The roof fell in on the Bulldogs in the second half, and despite an outstanding performance by Most Valuable Player, Bill Nann, Metuchen went down to defeat, 31 to 13.

## Cross-Country      Fall 1967

The Cross Country Team of Metuchen High maintained its winning tradition by posting a fine nine-win, two-loss record. At the start of the season, Metuchen had only one returning Senior letterman, Captain Chris Wells. Other varsity returnees were Juniors Bob Crownover, Wayne Conover, and Chip Jean. Two outstanding J.V.'s of last year, Junior Jim McHale and Sophomore Jeff Haley, became varsity runners this season. It was felt that Metuchen might not have enough depth, but as the first meet neared, things changed. Senior John McDuffie's joining the team proved to be an invaluable factor in the season, and Freshman Ken Haley displayed varsity caliber in early practice and became one of the team's top varsity runners.

Metuchen soundly beat Roselle Park, Roselle, and Carteret before being defeated by Lawrenceville Prep. The Bulldogs went on to three more strong victories over South Brunswick, Rumson-Fair Haven, and Piscataway. Despite outstanding effort by the Bulldogs and a large Metuchen following, Highland Park won the next meet. Bouncing back, Metuchen defeated South River, Middlesex, and Watchung Hills.

In open-meet competition Metuchen placed eighth out of eighteen in the county. In the Garden State competition, the Bulldogs came within six points of upsetting the Owls and finished second. In Group III competition, Metuchen placed second in Central Jersey.

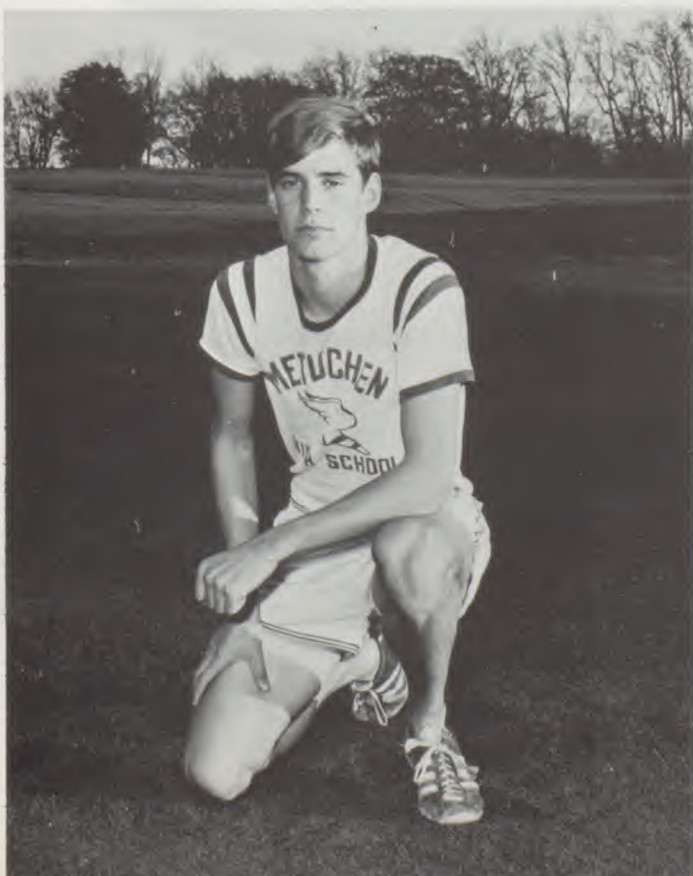

The Junior Varsity had a six-win, two-loss record and placed second in the conference.

John McDuffie, a second team all-county runner, was named Most Valuable and Junior Jim McHale was Most Improved. Wayne Conover will fill Chris Well's spikes as the captain of the "Dalers" next year.

Coach John Cassell's leadership has been an important factor in the success of Metuchen High's Cross Country teams and next year will no doubt continue his winning ways.

Varsity Hoopsters

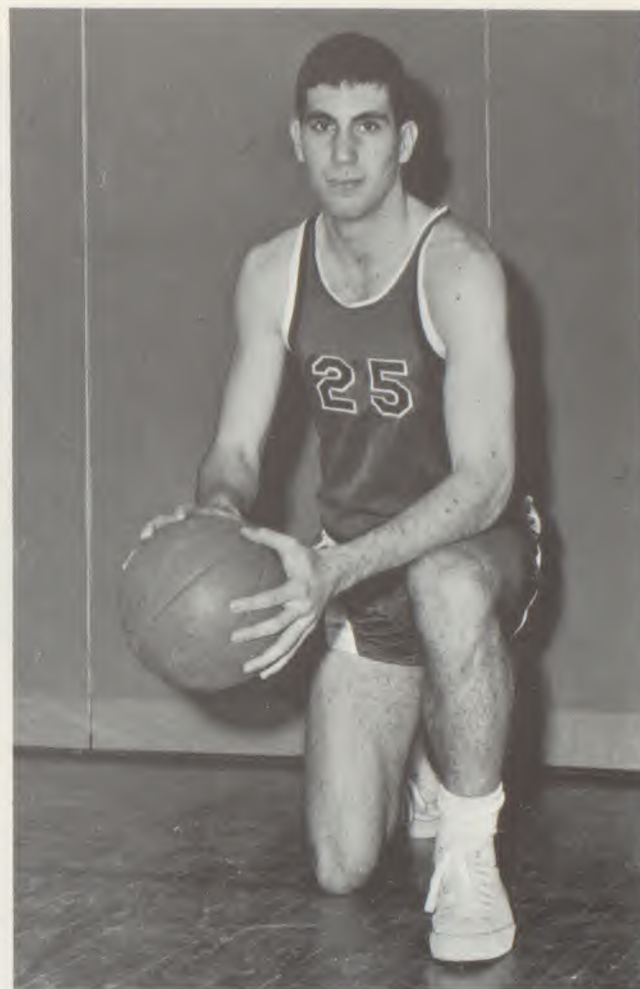

Junior Varsity Cagers

RICHARD SADDLER

ALAN ROBINSON

JON SHAY

DENNIS SZCZEPANEK

Metuchen's Varsity Cagers finished with an 8-14 record, much lower than Coach Blindow's expectations. The team showed great potential at the beginning of the season and had a 6-5 winning record at one time.

In the Holiday Festival tournament, Metuchen made a great show by defeating a hard-fighting Sayreville five. Metuchen, however, lost to a tough Perth Amboy squad the following game.

Individually it appears that Robinson was the team's outstanding scorer with Frank Rome second in scoring and rebounding. Jon Shay, Rich Hallas, Dennis Szczepanek, and Rich Saddler did a fine job in helping to mold this year's team. Robinson also gained county honors from the New York News by receiving Middlesex County honorable mention.

Next year, Coach Blindow expects varsity men Frank Rome and Rich Hallas to return to the quintet. Other prospects are primarily from this year's J.V.

Metuchen's grapplers ended a 10-2 season this year with losses to Roselle Park and Middlesex.

Coach Bailey and his squad also faired well in the county by placing fourth and in the Districts by placing third.

Metuchen's matmen also had excellent individual records. Ted Eng (98), Craig Rankin (106), Russ Baldwin (163), and John Boyle (178) placed fourth in the Districts. Jim Ward (115) and Bob Smith (HVWT) placed third while Dennis Fleming (136) and Tom Akey (141) placed second. At the top for Metuchen in Districts were Jeff Rule (132) and John McDuffie (148).

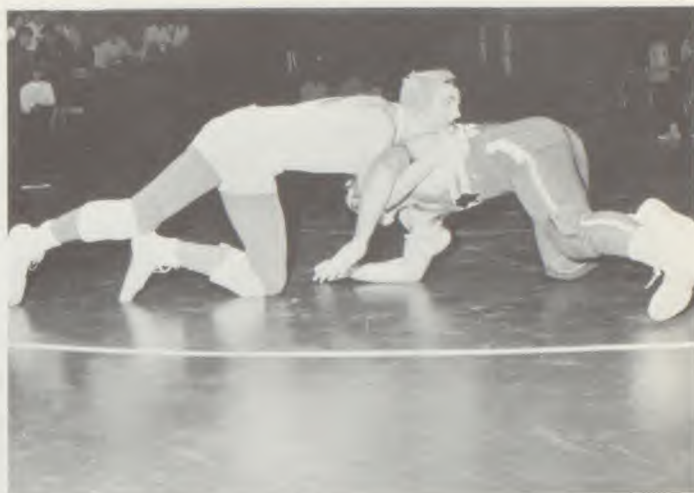

The County Tournament at the beginning of the season placed Russ Baldwin fourth, John McDuffie second with Jeff Rule and Denny Fleming strong firsts.

In Dual-meet competition Metuchen has a strong showing and nearly captured the Garden State Conference title.

For the future, Metuchen will have Ted Eng, Craig Rankin, Phil Crane, and Joe Ouslander, all varsity wrestlers this year.

In our endeavor to thank Mr. Cardone, we began to realize the difficulty of this task. As advisor he was a very integral part of this yearbook production, and to explain to others his numerous and diverse contributions is also difficult. We know that very few people realize the amount of work involved as advisor of a yearbook. To thank him separately for everything he has done for us is impossible, so we merely hope he realizes the appreciation we are trying to convey.

Thank you Mr. Cardone!
