We, the class of 1969, sincerely dedicate the Blue Letter to Mr. James Kelly, Guidance Director. Many of his tasks require much time and devotion, and little of these are acknowledged. This dedication can be but a small thank you for the amount of service this man has given us through our years at Metuchen High School. We hope that it can express the gratitude we feel.

... the wise man looks into space, and does not regard the small as too little, nor the great as too big; for he knows that there is no limit to dimensions. lao-tse

Mr. Kenneth V. Smida Superintendent of Schools

Of all the diseases suffered by mankind, probably the most significant and least noticed is haughtiness. When you begin to feel that the contribu-tions you have made to mankind are so great that your replacement would be a monumental task, try this; plunge your hand into a basin of water and withdraw it very fast. Notice how fast the hole left by your hand was filled. That's how difficult it would really be. If, however, you want to conquer this tendency, try the application of these two poems, "If" by Rudyard Kipling and "When" by Paul Workman.

R. Van Allen "49" Robert C. Van alle

student council

president's council

Lieutenant Charles Reeder

Each year the Metuchen National Honor Society chooses a member of the community, who has devoted time and energy to the youth of Metuchen, for special recognition. This year Mr. Robert Hallmann, president of the Board of Education and Lieutenant Charles Reeder, head of the Juvenile Bureau of the Metuchen Police Department, were chosen.

During Mr. Hallmann's ten years on the Board, many innovations have been made, including foreign languages starting in the sixth grade and extended social service and psychology. Lieutenant Reeder, a lifelong resi-

Lieutenant Reeder, a lifelong resident of Metuchen, has worked on the Metuchen Police Department since 1946. In 1958 he established the Juvenile Bureau, and through this post has aided Metuchen youth.

Buddy Sutton — Offensive Captain

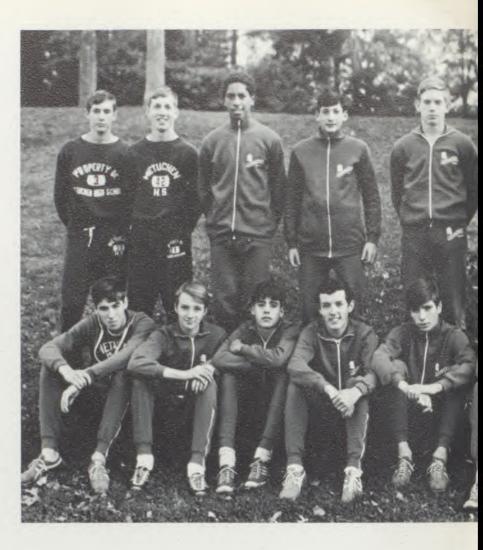

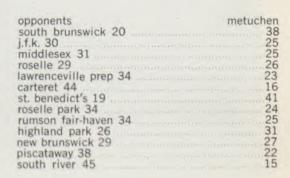

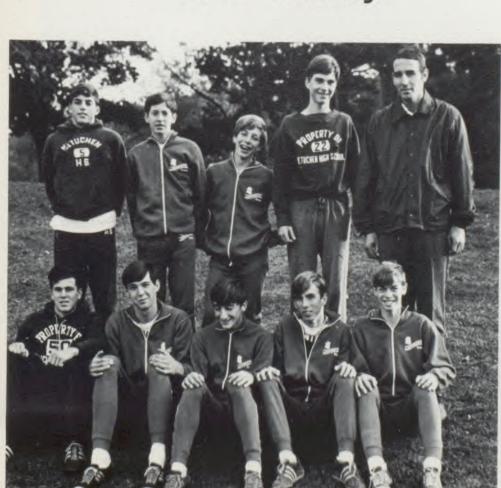

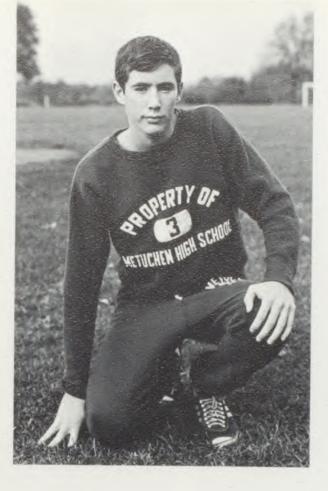

cross country

The cross country team of Coach Ronald Dennick finished its season with a 10-3 won-lost record and copped a thirdplace standing in the Garden State Conference. The squad had a fine balance between youth and experience, with three seniors, one junior, and three sophomores among the top runners. Sophomore Ken Haley set a Roosevelt Park course record with a time of 11:55. Ken also took the Central Jersey Group III individual title and finished eleventh in the State Championships in the same division. Seniors Seth Izenberg, Robert Crownover, and captain Wayne Conover provided consistently strong performances. Junior Jeff Haley and sophomores Wayne Hooper and Doug Riecken always finished among the leaders and they along with Ken Haley promise to give Metuchen a strong squad next year.

varsity basketball

junior varsity

Led by underclassmen, the Metuchen High basketball team finished with a commendable 9-11 record. Rich Toth and Dan Stukenbroker headed the team to big victories over Rumson, Carteret, and Dunellen. Only a three point loss to Highland Park prevented the Bulldogs from a 10-10 season. Needless to say Bulldog cage fans can look forward to some highly successful seasons in the near future.

indoor track

In the dark, dank, and dusty Jersey City Armory, the indoor track team of Coach John Novak could be found running early on a Saturday morning. Junior Ace Williams competed in the quarter mile, while seniors Seth Izenberg and captain Clyde Fitch provided a one-two punch in the half mile. The mile relay team copped a fifth place in the County Relays and the two mile relay squad took a sixth.
