

FOR THE YEAR

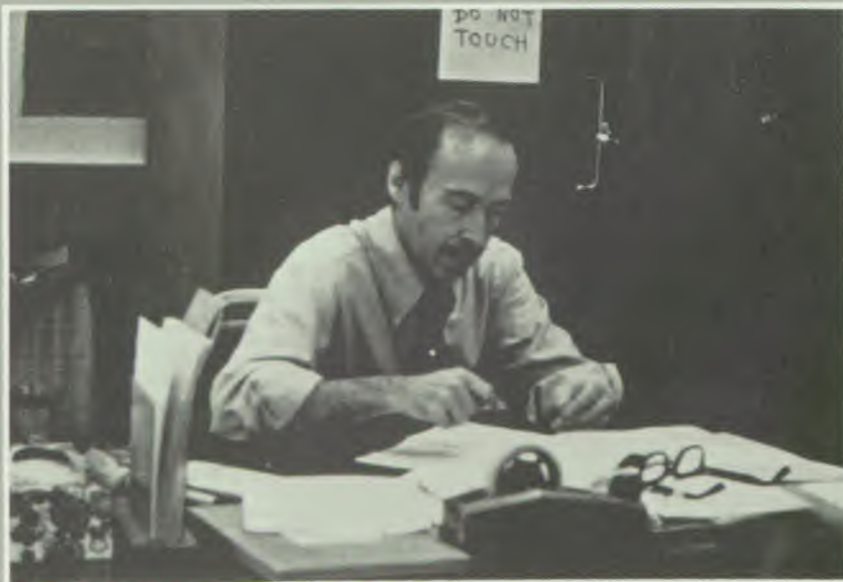

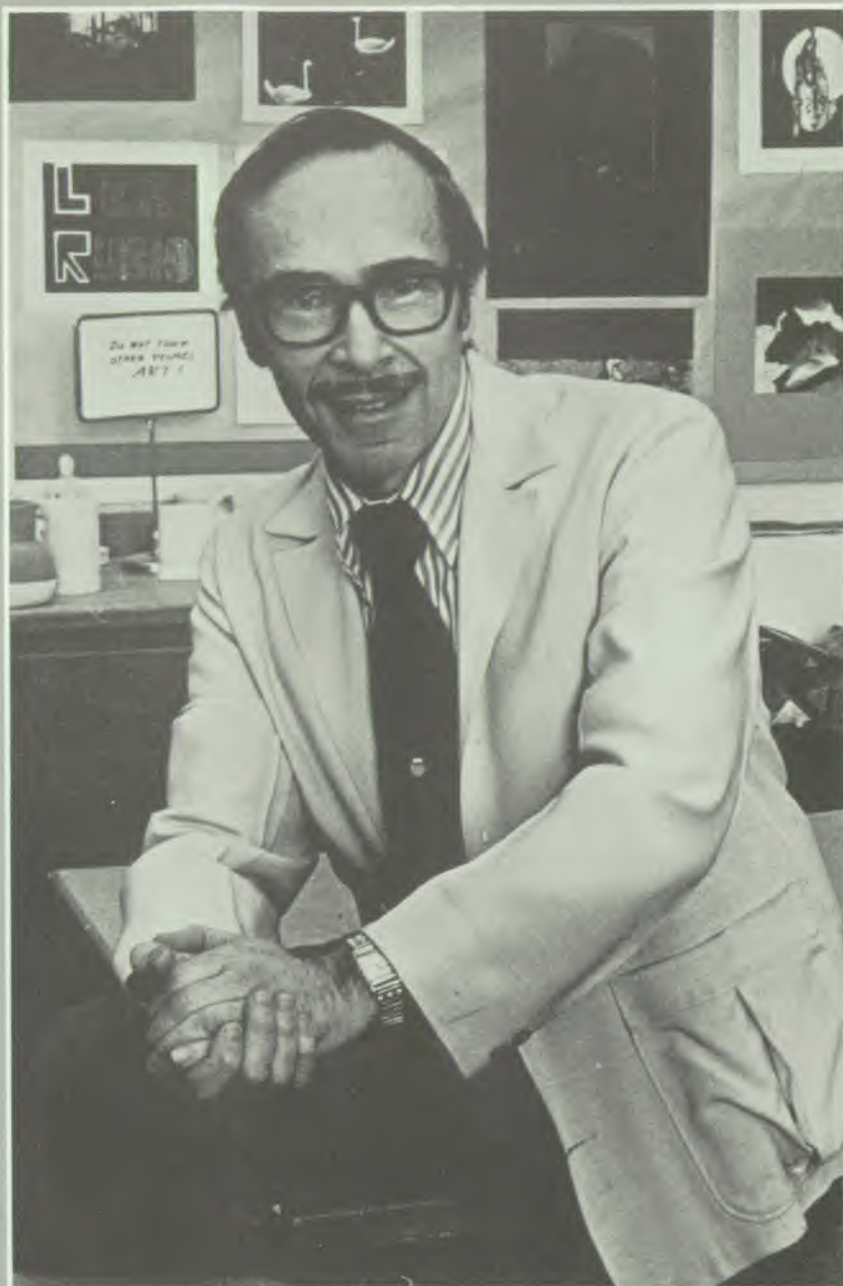

METUCHEN HIGH SCHOOL
METUCHEN, NEW JERSEY

DEDICATION

To Mr. Weissman

*He is that rare individual —
a person whom we can respect highly,
not only for his teaching ability,
but also for his special relationship with students.
He creates a unique learning experience
which enables his students to develop personally
as well as artistically.*

*It is with sincere thanks that we dedicate
the 1977 Blue Letter to him.*

*Life is a fragment,
a moment between two eternities;
influenced by all that has preceded,
and to influence all that follows.
The only way to illumine it
is by extent of view.*

"Now I've seen what it's like to take a nothing and make it something. It's

the greatest thing that ever happened to me."

Coach Frank Springer, with these words, best describes the results of the

first winning football season since 1964. A renewed sense of enthusiasm

and pride was evident — on the team, in the student body, and in Metuchen

itself.
